

DoD SkillBridge Internship Opportunity
Army Career Skills Program (CSP) Opportunity
Law Enforcement Information Systems Specialist (GS-1801-05/07)
U.S. Customs and Border Protection (CBP)
U.S. Border Patrol (USBP) – San Diego (CA) Sector
Location: San Diego (CA)

IMPORTANT NOTE: This opportunity is only open to DoD SkillBridge and/or Army CSP participants on active duty who are **AT LEAST 11 months AWAY** from separation.

LOCATION
San Diego (CA)

MAJOR DUTIES AND RESPONSIBILITIES

In this position you will serve as Law Enforcement Information Systems Specialist (LEISS). Typical work assignments include:

Radio Communications with Border Patrol Agents in the field.

Acting as communications liaison between Border Patrol Agents and other domestic and international law enforcement partners.

Ensuring the safety of Border Patrol Agents and their law enforcement partners by facilitating concise and timely communication and information dissemination.

Creating intelligence reports based on extrapolated data, research, and analysis.

Conducting data mining and analyzing information by utilizing national databases to determine identity, alienage, and removability of individuals in accordance with immigration laws, rules, and regulations.

Analyzing tactical surveillance video and imagery in conjunction with sensor systems and other resources to detect and identify threats and incursions, then communicating that information to agents in the field.
