"Did that young man of yours propose yet, Alice?" asked a fond mother.

"No, mother," replied her equally fond daughter, "but I'm sure he will tonight."

"What makes you think so?"

"Well—we're going to be married tomorrow."—Amer. Leg. Monthly.

29TH INFANTRY "E" CO. WINS BASKETBALL TITLE

The basketball team of Campany "E" 29th Infntry won the regimental championship of the Demonstration Doughboys yesteday afternoon by defeating the five representing Co. "A" 26 to 15.

The affair got under way as though the "A" Co. boys were about to make a runaway, as the First Battalion representavies scored seven points before the "E" Co. boys were able to break the ice. But when High Davis, Franz, and Company really stepped on the gas there was an entirely different story to tell. Rallying strongly "E" led at the mid-game intermission 12 to 11. In the second stanza this lead was steadily increased.

"Fat" Franz varsity star, and High Davis, furnished most of the fireworks for the winners. Franz with his passing and guarding and High with his eagle eye for the basket, "Pete" Managna and Hampshire were the loosers best bets.

"OUR CHAMPION"

The Infantry still wants a March—
Is that correct- or, is it wrong?
If so, why don't you Doughboy's
Write a snappy swinging song.
In open competition, you have
Passed your judgement on,
At least a hundred samples—
And you haven't found a one.
That measured up to standards
Of the Fighting Infantry,
Or—that in the least potrays him
For his feats of gallantry.
With all his deeds or Glory,
And the Victories he's won,
The fighting-grinning Doughboy
Certainly deserves a Song.
A song that will forever,
Be an inspiration bright,
To the man who with the Boyonet
Bears the brunt of every fight.
He's worthy of the very best
That we can ever give,
For by his strength alone are we—
In Peace allowed to live.

UNITED STATES CIVIL SERVICE EXAMINATION

The United States Civil Service Commission announces the following open competitive examination:

Occupational Therapy Aide (Arts and Crafts.)

Occupational Therapy Aide (Trades and Industrial.)

Occupational Therapy Aide (Agriculture.)

Occupational Therapy Pupil Aide (Arts and Crafts.)

Applications for these positions will be rated as received at Washington, D. C., until April 30, 1927.

The examinations are to fill vacancies in the Veterans' Bureau throughout the United States, and in positions requiring similar qualifications.

The salary range for the position of occupational therapy aide is from $1,680 to $2,040 a year and for the position of occupational therapy pupil aide is from $1,140 to $1,500 a year. The entrance salaries are the lowest ones stated for each grade except where the isolation of the hospital or the character of the duties to be performed (in tuberculosis or psychiatric hospitals) renders a higher remuneration necessary. Promotion to higher grades may be made in accordance with the civil service rules as vacancies occur.

The duties of occupational therapy aides will consist of giving instruction in the arts and crafts, trades and industrial subjects or agriculture, keeping a daily record of the work and progress of every patient coming under direction and instruction, and making the required reports of the activities of the reconstruction work in occupational therapy.

The duties of occupational therapy pupil aides will be to perform the work outlined above, under the supervision and instruction of the chief aide.

Competitors will be rated on their physical ability, and their education, training, and experience.

Full information and application blanks may be obtained from the United States Civil Service Commission, Washington, D. C., or the secretary of the board of U. S. civil-service examiners at the post office or customhouse in any city.

WE'VE USED IT

"What kind of golf ball have you been using?" asked the salesman.

"I've forgotten the name," admitted Mr. Dubb, "but it's the one you lose easily."—Amer. Leg. Monthly.

DISGUSTINGLY SLOW

"Yes," said the sweet old lady on the train, "this trip is a second honeymoon."

"Good gracious!" exclaimed the movie queen who was her chance companion. "Only your second!"

29TH INF.

ORGANIZATION DAY

Thursday March 3, 1927, the 26th Anniversary of the birth of the present 29th United States Infantry, will be commemorated and observed as "Organization Day" by all officers and enlisted men of the Regiment.

RGTL. HQ. COMPANY

"Have you had your Rutabagas today?" This phrase seems to be quite popular around the company since the Mess Sergeant discovered a new recipe.

Our Company Commander, Captain Roderick has returned from a leave of absence of 40 days, and the entire Company welcomes him back.

Corporals Mouring (High Pockets) and Barney have been promoted to the grade of Sergeant, and Pfc. Nimi has been elevated to Corporal. They deserve all they can get, for as soldiers they are above par.

(Overheard in the Mess Hall)

Recruit:—"Who's the tall disconnected gink that walks around with a gross of pencils in his pocket?"

Old Timer:—(Pvt. Hall) "Oh, that's the Mess Sgt."

Recruit:—"He is hoarse from explaining to Sgt. Bixby why he puts Oleo on the Sergeants table instead of butter, so he carries a gross of pencils (These were donated by salesman) and a ream of paper to write his explanations.

LARRY MITZEN.

COMPANY "A"

"A" Company's exponents of the pass and dribble art, valiantly fighting throughout the game, lost the Regimental Basketball Championship to Company "E" 2nd Battalion on January 26th; nevertheless, our team deserves credit for their work this season. We are proud of you, boys, better luck next year.

Sgt. "Ding How" Harris has returned from furlough and reports everything O. K. up in New Jersey. Welcome home, "Bucky."

The company pool tournament will be played off this week, Beck, Hamscher and Scalzo being the main contenders for the title. A checker tournament would be in order and highly appreciated by Corp. Jason Fugate, who is willing to wager that he is the best checker player in the company. Who will call his bet?

SNOOKS.

HQ. CO. FIRST BN.

During the preceeding month we didn't have a man in the hospital. We hope this record will be continued.

Private Perkins caught the purchase germ pay-day night in the form of a large green roll, but we had rather see him lose the roll than leave the outfit.

Our latest recruit John Alleys recently assigned to the company turned out to be none other than ex-Cpl. Georgiou Phillippe who was discharged from Co. "C" of this regiment in 1923, but at present he is an inmate of the Garrison stockade.

The members of this company who attended the 1st Bn. foot ball banquet last Thursday night expressed themselves as having a "galloping good time."

As master of ceromonies Pvt. English is a Prince, but he thought he would need a body-guard to escort him home from the banquet.

Pfc. Cowan has landed a gold-bricking job with the Regt'l. A. & R. Office. Seems like some of that bunch would be put out to work.

Lt. Kean is back for duty after a two months leave in Washington, D. C.

JUSTICE.

COMPANY "B"

The Engineers were surprised last week when the regular Company basketball team trimmed them in defeat. No gun was fired to stop the game, but had there been one, the score would have been standing 32 to 14 when it went off. They were under the impression that the First Battalion Team was playing them, but just wait until that team does play them. It'll be worse than ever.

Several men in the Company have decided they would like to leave and have been transferred to the "Pontooning Outfit" mentioned above. We don't know whether it was the lack of good common sense, or maybe they witnessed the above game and a feeling of sympathy cause them to go over. The best of "Luck" to them.

"And a litle child shall make them sign up." We have with us now, F. C. Berthiaume as Recruiting Room Orderly.

M. E. MORRIS.

COMPANY "C"

Corps. Billiter and Vangrofski have taken a two day pass. Look out Columbus.

The Regimental N. C. O.'s School must be a hard affair. Ask some of the men from this company who are attending.

The Rational Man of the Greenish Hue says that bayonet fighting is not what it is cracked up to be. What about that Abounader, you seemed to be coming along fine.

I wonder if it pays to buy watches on the installment plan.

I also wonder what it is about the second and third platoons that makes them like each other so well?

This is a hard time for men trying to make an honest living, what with checkages on clothing coming out of this month's pay, etc.

JOHN L. BIGGERSTAFF.

COMPANY "D"

Albert Easler, known throughout the company as the enemy of the kitchen will be discharged per ETS and will return to his native home and fireside, Pittsburgh, Pa.

Rumour hath it that Charlie McGaha, famous South Paw hurler will soon leave us for the Eighth Infantry at Fort Srrevens, Georgia where the old Atlantic laps gently at the Georgia shore and the Coast artillery booms forth at regular intervals during the course of the year.

Raymond S. Storm has blossomed forth as the hot papa shiek of th best organization in the regiment. When old Raymond steps down Broad street the birdies twitter, pretty ladies roll their eyes and the whole town seems to take on a brighter hue.

Corporal Henry F. Weyer the orderly room business man has returned from and extended furlough spent in his home town, Shreveport, La.

There was no news last week as the undersigned was in the hospital with a blood poisoned hand. We are sorry for the ommission but it could not be helped.

Oh, yes, the company street is still being treated to the spectable of the first sergeant using the veteran Overland for his migrations between Block 18 and Block 24.

Company "D" has the honor of the presence for attached duty of Lt. Cesar. Villa of the Cuban Army. Welcome to our company, Lt. Villa.

What? No more breaks? What kind of a drill is this?

GEORGE RUDOLPH BECKER.

COMPANY "E"

Our Basketball team defeated Co. "A" for the Regimental Championship last Saturday, 26 to 15, "Top Kick Hi," "Fat" Franz and "The snuff King" was sure stepping on the gas, all through the game "Fat" was demonstrating some of Olsen's famous back hand passes & etc. During one of the rest periods spectators cautioned "Fat" saying, "Be yourself Fat" and give the boys a chance. Lt. Roosma deserves a great deal of credit for the enviable coaching of the team.

Sgt. Mathews, H. is leaving today (Monday) for recruiting duty at Jacksonville, Fla. Cpl. Jacobs has returned from furlough, stating that he had a grand time while visiting his parents at Fields, La.

MILLARD F. MATHEWS.

COMPANY "G"

One of our mechanics and recreation room orderly will leave us in a few days for "old Broadway" as his time with "Uncle" is over. We hear that he will say the word again for another three years, and after his three months furlough he will be punching our pool tickets again.

Corporal Hess has returned from a two months visit to Florida. He was sorry to lose his prized growth of hair, but after that he seemed to have had a good time among the palm trees.

The company is working hard on the bayonet work, and everyone has hopes of qualifying as we expect 100%. Besides the bayonet all the athletes are in training for the regimental field meet March 3rd. The Company has always come out in the lead in this meet and will again this year.

NATIONAL GUARD ENLISTED MEN REPORT TO INFANTRY SCHOOL

Will Take Three Month Course in Signal Communication

By LT. GEO. L. POTTER

The national guard enlisted men's class, which today began a three months course in signal communications, have all reported to the Infantry School. The members of the class are high ranking non-commissioned officers from all of the states in the union. The class is held annually, and upon completion of their course, the non-commissioned officers are used as instructors when they return to their organizations. In this manner, the latest communications information, as developed at the Infantry School, and at Fort Monmouth, the Signal Corps school of the army, is made available to the entire national guard.

The class, consisting of 47 students, are from all sections of the country. There are students from Maine, California, Texas, North Dakota, Hawaii and Porto Rico. All of them are very much pleased with their detail to the Infantry School, and several, especially those from the northern states, expressed themselves as being well pleased with the Georgia "winters," as but few days past they were where snow drifts are quite common.

The entire roster of the students is given here-with:

Aulich, Carl H., Sgt., Hqrs. Co., 184th Inf., California N. G.

Baumes, Victor S., Pvt., Hqrs. Co., 53d Inf. Brigade, New York N. G.

Baxley, John T., Sgt., Hqrs. Co., 118th Inf., South Carolina N. G.

Blacl, Fdgar K., 1st Sgt., Hqrs. Co., 74th Inf. Brigade, Ohio N. G.

Bordman, Charles D., 1st Sgt., Hqrs. Co., 51st Inf. Brigade, Massachusetts.

Bratton, John M., Sgt., Hqrs. Co., 3d Bn. 143rd Inf., Texas N. G.

Brown, Troy B., Sgt., Hqrs. Co., 2d Bn. 121st Inf., Georgia N. G.

Butts, Dwight S., Mr. Sgt., Hqrs. Co., 154th Inf., Nebraska N. G.

Crabin, John P., Cpl., Hqrs. Co., 3d Bn. 113th Inf., New Jersey N. G.

Cauthers, Charles W., Tech Sgt., Hqrs. Co., 164th Inf., North Dakota N. G.

Crane, Clarence L., 1st Sgt., Hqrs. Co., 151st Inf., Indiana N. G.

de Haro, Jose L., Tech Sgt., Hqrs. Co., 295th Inf., Porto Rico N. G.

Dietz, Theodore A., Pvt. Sgt., Hqrs. Co., 106th Inf., New York N. G.

Dobson, Frederick E., Sgt., Hqrs. Co., 3d Bn. 113th Inf., New Jersey N.G.

Driskill, Charles M., Sgt., Hqrs. Co., "E" 120th Inf., North Carolina N. G.

Ellingsworth, Martin W., Sgt., Hqrs. Co., 3d Bn. 5th Inf., Maryland N. G.

Ewing, Harry M., 1st Sgt., Service Co., 125th Inf., Michigan N. G.

Farrar, Alonzo, Staff Sgt., Hqrs. Co., 2d Bn. 103d Inf., Maine N. G.

Gillispie, Richard L., Mr. Sgt., Hqrs. Co., 166th Inf., Ohio N. G.

Hagans, Lyndon A., Staff Sgt., Hqrs. Co., 3d Bn. 144th Inf., Texas N. G.

Hall, James H., Sgt., Hqrs. Co., 26th Division, Massachusetts.

Hart, Francis E., Sgt., Hqrs. Co., 129th Inf., Illinois N. G.

Hiett, Charles L., Sgt., Hqrs. Co., 2d Bn. 1st Inf., Maryland N. G.

Jones, Herbert F., 1st Sgt., Co. "L" 117th Inf., Tennessee N. G.

Klein, George F., Cpl., Hqrs. 1st Bn. 124th Inf., Florida N. G.

Koch, Luther E., Tech Sgt., Hqrs. Co., 144th Inf., Texas N. G.

Litt, Adam H., Sgt., Hqrs. Co. 109th Inf., Pennsylvania N. G.

McFarland, Louis D. B. J., Sgt., Hqrs. Co., 161st Inf., Washington N. G.

McGilvery, Laurence E., Sgt., Hqrs. Co., 3d Bn. 103d Inf., Maine N. G.

Mary, Francis N., 1st Sgt., Hqrs. Co., 159th Inf., California N. G.

Nichols, Earle B., Sgt., Hqrs. Co., 131st Inf., Illinois N. G.

Peterson, Theodore G., Sgt., Hqrs. Co., 181st Inf., Massachusetts.

Platts, Robert C., Sgt., 206th Inf., Minnesota N. G.

Price, Archie D., Sgt., Hqrs. Co., "G" 153d Inf., Arkansas N. G.

Ragsdale, Theron R., 1st Sgt., Co. 167th Inf., Alabama N. G.

Schappa, Joseph D., Cpl., Hqrs. Co., 102d Inf., Connecticut N. G.

Shemp, Hal P., Sgt., 184th Inf., California N. G.

Smith, Clarence J., Sgt., Hqrs. Co., 139th Inf., Missouri N. G.

Smith, Paul A., Mr. Sgt., Hqrs. Co., 53d Inf. Brigade, New York N. G.

Stefanie, Phil E., Cpl., Hqrs. Co., 110th Inf., Pennsylvania N. G.

Uffalussy, John F., Staff Sgt., Hqrs. Co., 1st Bn. 172d Inf., Pennsylvania NG

Vaughan, Albert E., Sgt., Hqrs. Co., 1st Bn. 172d Inf., Vermont N. G.

West, Herbert W., Mr. Sgt., Hqrs. Co., 129th, Inf., Illinois N. G.

Wingert, Donald G., Sgt., Hqrs. Co., 1st Bn. 133d Inf., Iowa N. G.

Woodliff, William J., Jr., Sgt., Hqrs. Co. 180th Inf., Oklahoma N. G.

Working, Webster B., Sgt., Hqrs. Co., 3d Bn. 163d Inf., Montana N. G.

Young, Edwin S., Sgt., Hqrs. Co., 1st Bn. 137th Inf., Kansas N. G.

IS OR ARE? THAT'S THE QUESTION ON WHICH COLLEGES DISAGREE

Grammar Used in Railroad Ad Starts Dispute in Which Yale, Harvard, Princeton, Northwestern and Chicago Universities Become Involved

CHICAGO, Nov. 30.—Is it "are" or are it "is?"

The Burlington Railroad wants to know. So far it's fifty-fifty.

It all started when the road sought to tell the world, through paid advertising space, that along its right of way "is" or "are" produced two-thirds the oats, more than half the corn, etc., in the United States.

Advertiser Starts It

The advertising agency wrote "is" in the copy. The passenger traffic manager changed it to "are." The traffic vice-president changed it back with a caustic remark about the grammar of the passenger department, if any.

So the passenger traffic manager called the University of Chicago into conference. They told him he was right—absolutely. So he reported to the vice-president. The vice-president asked Northwestern University about it. They said he was right—positively.

Yale and Princeton End It

Then, while the traffic manager *dashed* off a letter to Harvard, the vice-president wrote to a lexcographer. One said "is," the other said "are." Then, while one wrote to Princeton, the other wired Yale and asked for a hurry-up answer.

Today both answers came. One said "is," the other said "are."

And there you "are"—or "is."

COMMISSARY

The Commissary is a busy place for since the patrons have found out that we have many good things on the shelves they flock to buy. Since our last list was published we have received: Pumpkin, canned, No. 10; one may re-heat this and place in smaller jars; it is only 36 cents a can. We have Apples in the same size can for the same price—the finest thing for pies or sauce. In addition to the two above mentioned items we have received: Matches, safety; Mennen's talcum powder; Cordovan shoe polish; Canned Sweet Potatoes; Instant Tapioca; Beans, string; Gelatine, plain, Knox; Jelly, assorted, Libby's; and olive oil.

TRANSPORTATION BRANCH

Repairs have just been completed to Osgood Portable Road Shovel at the repair shop. This shovel will be shipped within the next week to the Quartermaster, Fort Leavenworth, Kansas.

There will be received at this station shortly a Saddle Tank Locomotive from Muscle Shoals, which is to be overhauled at the repair shop and shipped to Fort Bragg, N. C.

Panama Type Locomotive, Q. M. C., U. S. A. No. 62315, received from Fort Eustis during the early part of November, 1926, has been overhauled and placed in A No. 1 serviceable condition and is being held subject to disposition of the Quartermaster General.

YE OLDE PRINTE SHOPPE GOSSIPE

Things are grinding away in the print shop these days. Mr. Smith is having the office remodeled, and by the looks of things it will be fit for a king when finished. All the holes on the ends of the shop have been neatly covered, as well as the broken window panes replaced. Mr. Smith says that when everything is finished, he expects to show the post what real printing looks like; as it was, he spent too much time trying to keep the dust down.

Who was it that said the Academic Department had one of the best Volley Ball teams in the post? Surely they have not seen the print shop on the court. The shop is looking forward to the time when they will meet a team that will interest them. "Step forward, you Academic team, and let's see what you've got."

Who was it that said, "My goodness Jew Smith, you have Corporal, what more do you want?" Smith (Jew) is trying to join the ranks of the I. S. D. since he retires in only seven more years, and wishes to be in a real good outfit when the wonderful time comes. Well, Smith, you are surely welcome.

Sergeant Doll, our efficient shop foreman, wishes some one would help him in writing a few of the many letters he has daily. He could go much faster only the letter "K"loses itself, and he has to get Corporal Dubanowski to find it.

The shop has recently found out why Coroporal Dubanowski has been handshaking with the carpenters. He wants them to build him a new room but the men seem to think that he only needs a new floor. The Corporal says he doesn't want to fall through just when he is going to answer the phone. Wonder why he gets so many mysterious phone calls.

The shop now has a cat for a mascot, but have been having some time trying to find a name for her. At last we named her Adel.

The Gossip is wondering why handsome Harry keeps singing, "It won't Be Long Now." As we understand it, he has over two years ahead of him. There's one printer we can depend on to stay with us.

The time is drawing near when our best Linotype operator, John Heisler, will be given the white sheet, and he says he will not re-up. Is there any man in the shop who has the ability to take over this important duty? In the case that no man in the shop is quilified for this duty, some one will have to recruit more printers. Here's a chance for a man with high school education and with over two years ahead of him. Just think what it means to have a good trade. When the time comes for you to go into the outside world you will not have to worry about a job, and all the time you are getting paid to learn.

Everyone seems to notice the great change that has come over the Bindery Department. They are putting out some real fine work, and that means a lot to the shop, knowing our work will find no delay in being delivered on time. "Keep up the good work, men. You are making the rest of the shop sit up and take notice."

We are all glad to see Private Norwood back with us again. Some of Norwood's relatives have been very ill, but we hope everything is in fine shape now.

THEATERS

A resume of the plays to be presented each week will be published in this column.

PRICES:
Adults, 15c Daily—25c Sunday.
Children Under 12—10c
Daily Including Sunday.

FRIDAY FEB. 4

"Upstage," starring Norma Shearer in a Monte Bell production of back stage of life of the vaudeville. The play depicts the life of an actress from before the time she enters the stage until she blossoms out an accomplished artist and the many trials, tribulations and successes withstood during her career.

"Phantom Police No. 10." — Herbert Rawlinson.

SATURDAY FEB. 5

"Texas Streak," starring Hoot Gibson the dispenser of thrills in six reels of wild excitement, broadside mirth, suspense, laughs, continuous action, and a surprise climax, which insures your leaving the theater happily impressed. It is a story of trip of a western movie outfit, depicting thrilling sidelights of Hollywood's cowboy stars.

"One Wild Ride."—Our Gang comedy. These Pictures are procured because of the many requests for them. They are enjoyed by the "grown-ups" and tickle the "kiddies" pink.

SUNDAY FEB. 6

"Stella Dallas," The Fort Benning Show, featuring Belle Bennett, Ronald Colman, Alice Joyce, Douglas Fairbanks Jr., and a supurb cast, in one of the most popular shows of the year. This picture showed for three weeks in New York, the first bringing $60,000, the third increased to $71,000, breaking all records of the house. The story is a tense romance, realistic with laughter and leaving Stella as puzzled as life is itself. The climax is tender and glorious.

"Kinograms."

MONDAY FEB. 7

"The Flying Horseman," starring the versitile, Buck Jones and his accomplished thoroukh-bred in a thrilling race for a girl's love. It promises to be a picture of supreme suspense with stunts of daring and danger. Eight kids and an ancient flivver afforded food for side splitting laughter.

"Easy Payments."—A Helen and Warren comedy.

TUESDAY FEB. 8

"The Unknown Soldier," featuring Charles Emmitt Mack, Marguerite De La Motte and Henry B. Walthall in an interesting story of love and war. It starts "over here" with a pleasing romance, travels "over there" through the vicissitudes of sublime sacrifice and terminals "over here" with an enjoyable climax.

"Good Morning Madam." — Charles Graves.

SATURDAY FEB. 9

"Syncapating Sue," starring Corinne Griffith, who, it is claimed, taught cupid to Charleston. The story is of a New York song plugger who has a fervent ambition to go on the stage. Romance enters her life in the form of a penniless trap drummer, a part played by Tom Moore. The manner in which these two meet and the difficulties that "Sue" encounters in furthering her ambitions for a stage career form the nucleus of a plot for the exhilerating comedy.

"Bill Grimm's Progress No. 8."

TUESDAY FEB. 10

"Senor Daredevil," featuring Ken Maynard with Dorothy Devore in a western story of splendid athletic agility and dangerous stunts by a superb horseman and an athlete of no mean ability. A romance forms the thread which ties the theme, maintaining a continuity of interest.

"Pathe News."

FRIDAY FEB. 11

"Her Big Night," staring Laura La Plante in a silk hat and dress suit story showing the terible things that can happen to you if you try to impersonate a favorite movie star with two husbands mixing things up. To earn a thousand dollars she wore a movie star's diamonds clothes and name for just one night, but she'll never do it again. This picture promises to be a big laugh hit from start to finish.

"Whose Boss."—A cameo comedy.

BENNING BASKETEERS WIN OVER Y. M. C. A. QUINTET IN FAST GAME

Experience of Soldiers Overwhelms Teamwork of Younger Opponents

(By Henry Averill in Enquirer-Sun)

Craft and cunning that come from continuous competition completely crushed the fire and dash of youth last night when the Infantry's experienced five coasted to a comparatively easy victory over the Y's youthful basketeers, 41 to 26, in the High School gymnasium. Young George Nix took the opening tip-off direct from center and neatly netted the ball to send the Triangulers off to a start, but after the first few minutes of play there was never the slightest doubt as to the ultimate victor. The Infantry lead 22 to 11 at the end of the first half.

Following Nix's opening basket the play raged up and down the floor for a short while before Kammerer knotted the count with a goal from directly beneath the basket. Then "Pogo" Grider put the Y back in the lead with a beautiful dribble and shot, and Big Buzz Everidge added another point by connecting for one of three shots from the charity line. The next basket was made by Johnny Roosma who up to this time had been closely guarded by the Y defense. Grider added another 2-pointer and Roosma retaliated in kind. Big Buzz looped a foul goal to put the Triangles in front 8 to 6, but this was the last real bid of the Y for the game. Roosma slipped through and around and over the Y defense and dropped them through from all angles, and from then on it was simply a question of what the Infantry's margin would be. As stated the first half ended 22-11, soldiers leading.

SECOND HALF

Coming back for the second half the Y continued a game but losing fight. Charley Dudley at guard performed prodigies of valor and Nix, Grider and the others gave the best they had, but the fast passing and impregnable de-

THE ZIMMER HARP TRIO

ZIMMER HARP TRIO IN CONCERT HERE SATURDAY

Athletic Association Will Present Famous Harpists in Attractive Concert Program

The Zimmer Harp Trio, which will appear in concert at the Main Theatre tomorrow night under the auspices of the Infantry School Athletic Association, brings with them three golden concert harps. Their program, selected with great care, to bring out the superb tone quality of this historic instrument, is headed by Edmond Scheucker's composition "Impronptu." Mr. Scheucker for years being the peer of harpists in Leipsig afterwards coming to this country to augment the Metropolitan orchestra. This selection will be played in solo by Miss Nellie Zimmer.

From the classics, Miss Zimmer has chosen for the ensemble to render Beethoven's "March al Turgue," Dvorak's "Largo from the New World Symphony." Other well known masterpieces are included in this well balanced program.

Miss Erna Korn, contraltoist, who assists the trio, is a singer of note in music circles, having appeared with the Zimmer trio in their recent New York recital at Carnegie Hall. The New York Herald-Tribune, in reviewing the concert, said of Miss Korn's share of the program: "Erna Korn won her audience instantly, not only thru her rich, sympathetc contralto voice, but also by her charming personality. In her singing of Shubert's 'Erlkoeig,' she reached tremendous dramatic and artistic heights." Miss Korn has included in her program another of Shubert's pieces, "The Litany." She also will use a selection of Del Riego and a light paotoral number by Fielitz.

The proceeds of this benefit concert, above the guarantee and expenses, will be used to help athletics in the garrison. The Athletic Association is naturally very much interested in this concert and hopes that everyone will attend this rare musical treat, not so much because of the fact of the sheer beauty of the concert but becuase the laudable cause to which the proceeds will be put.

Arrangements have been made to allow those who wish to attend to use canteen checks and also to secure credit thru the orderly rooms. All the seats of the big garrison theatre are reserved, so there will be no confusion as to seats. The program begins after the movies at 8:30 o'clock.

INFANTRY SCHOOL TEAM MEETS OGLETHORPE CAGEMEN TONIGHT

Game Called at Seven-thirty O'clock in Garrison Gymnasium

The Infantry School basketball team, fresh from their hard earned victory over the Columbus "Y" on Wednesday, will take the floor again tonight against the Stormy Petrels from Oglethorpe University. The Petrels have been having a very successful season, and will try their luck, speed and skill with that of the Doughboy five. The game will be played in the garrison gymnasium, and will begin at 7 30 o'clock.

While the Oglethorpe team is, as are all of their teams, a strong aggregation, Fort Benning feels confident of victory. The Doughboys have this year what is undoubtedly the strongest team in the basketball history of the Infantry School. The Kammerer, Franz, Roosma, Newman and Berry combination are performing with clock-like regularity. Their team work is by far the best of any team the school has had in the past. Major Van Vliet has coached the team vigorously, and the following of the principles he has laid down has had its effect. In addition to the excellent team work, has been the marvelous accuracy of Roosma and Kammerer. Franz has become one of the fastest, and also one of the most clever floor men in this section of the country. Berry, always watchful, has made the Infantry basket hard to find for all opponents.

The Oglethorpe team will undoubtedly give the Infantry a hard battle, but the soldiers expect to win.

NATIONAL GUARD AND RESERVE FIELD OFFICERS FINISH COURSE ON SATURDAY

On Saturday morning, February 12, the National Guard and Reserve Field Officers will complete the six weeks' course which they have been undergoing at the Infantry School.

The course has included, briefly, all phases of Infantry training, including for the main part, tactics, up to and inluding the Infantry Brigade. They have also made a brief study of all Infantry weapons by means of demonstrations. It is the concensus of opinion of the officers of this class that the course has been most beneficial in that it was most skillfully arranged for quick study and digestion of the various subjects.

BENNING BASKETEERS WIN OVER Y. M. C. A. QUINTET IN FAST GAME

(Continued from page 1)

fense of the Infantrymen was too much for them. The second stanza was closer than the first, but at no stage of the contest was the result doubtful. The soldiers simply refused to allow the Y boys to close the gap that separated the teams.

As in every game he has played this year Roosma was the star. The Y went into the game determined to stop him, but stopping Roosma is something that just isn't being done this year.

The big forward, with the perpetual smile and the ready slap on the back for his opponent when the latter makes a good play or unfortunately slips and falls, simply toyed with the Y. He was as always, fed the ball in good style by his comrades. Fat Franz was always in evidence with his brilliant dribbling and passing.

NIX HIGH FOR Y FIVE

For the Y, George Nix was high gun, connecting for five pretty field goals. Inthe first half he was helpless after his opening shot, but in stanza two he came into his own and showed why he has been leading scorer of the Y in every game this season. Grider was next best with seven counters. Big Buzz scored six but marred his record by missing several comparatively easy shots under the basket.

It was a game well worth seeing. The Y was outclassed, but never gave up the fight and were in there trying just as hard when the final whistle blew as at the opening of the game.

Lineup and Summary:

INFANTRY (41)	G.	FG.	Pts.
Roosma, f.	10	2	22
Kammerer, f.	5	1	11
Newman, c.	1	0	2
Franz, g.	2	1	3
Berry, g.	0	1xz	1
Totals	18	5	41
COLUMBUS Y (26):			
Nix, f.	5	0	10
Grider, f.	3	1	7
Lee, f	0	0	0
W. Everidge, c.	2	2	6
Dudley, g.	0	2	2
Davis, g.	0	1	1
Howard, g.	0	0	0
H. Everidge, g.	0	0	0
Ytoals	10	6	26

Foul goals attempted: Roosma 3, Kammerer 2, Franz 1, Berry 1, Grider 3, W. Everidge 4, Dudley 3, Davis 2.

Referee: Moulton (Alabama).

THEATERS

A resume of the plays to be presented each week will be published in this column.

PRICES:
Adults, 15c Daily—25c Sunday.
Children Under 12—10c
Daily Including Sunday.

SATURDAY FEB. 12

"A Regular Scout," starring Fred Thompson with his marvel horse, Silver King, in a powerful drama of a man's regeneration through the influence of the BOY SCOUTS. A man bent on vengance—his accidental association with the Boy Scouts and the manner in which they win him from his mad scheme. Then his turn comes to help them and he risks his life for one of the boys—it is a "he man" picture.

"Punch In The Nose."**

SUNDAY FEB. 13

"Flaming Frontier."—A great super-western Universal Production starring Hoot Gibson. This is an epochal picture of American History particularly interesting to members of the U. S. Army. It depicts the historical activities of General George A. Custer during the presidency of U. S. Grant. This film has been termed the supreme achievement of Motion Picture direction.

"Fly Time."—Fables.

"Kinograms"

MONDAY FEB. 14

"Sweet Rosy O'Grady," starring Cullin Landis (who addressed the audience in our Main Theatre) and Shirley Mason in a fascinating romance of Gotham. It is the story of a girl of the 4,000,000, who met a boy of the 400 and climbed the social ladder from "ginghams" to the silks and satins of society. This picture has been called "The Abie's Irish Rose of the Screen."

"Non Stop Brick."—Imperial comedy.

TUESDAY FEB. 15

"Three Bad Men,"—an historic drama of the land rush in the Black Hills in 1877, depicting civilization's progress in the great far west—its storms and striffe—its rigors, efforts and inevitable rewards faithfully won. In this story the appealing eyes of a defenseless girl awaken the true hearts of three of the wildest roughnecks of the frontier.

"Love and Kisses."—A Day Comedy.

WEDNESDAY FEB. 16

"The Canadian," starring Thomas Meighan in a picture based on the popular play by W. Somerset Maugham. This picture was actually taken in Canada in the vicinity of Alberta. It is a drama of brawn and bravery in the vast stretches of the northern wheat lands.

"What A Life."—Cameo comedy.

THURSDAY FEB. 17

"Rolling Home," featuring Reginald Denny, the king of Comedy Drama; it is the story of an unlucky young promotor who, having failed dismally returns home to the village, his town people think him a millionaire and in order to play the part he encounters complications which promises to bring the house down with a succession of laughs.

"Pathe News"

FRIDAY FEB. 18

"The Black Pirate," starring Douglas Fairbanks in one of the most "talked of" plays of the screen. This is a powerful melodrama f Buccaneering on the high seas, buried treasure, adventure, romance and wonderful feats of muscular agility. Doug. is the famed exponent of American athletic efficiency and in this picture he adds laurels to his heavy crown. Difficulty was experienced in securing this picture because of its high cost and popular demand. A special concession was made Fort Benning by the United Artists Corporation in honor of the aniversary of the opening of the Main Theatre.

"Mexican Melody."—Hodge Podge.

Park at C. A. Morgan & Co. Open till 10 o'clock. Soft Drinks, Drugs and Cigars.

A RECORD

A spaghetti banquet was being held, and Francisco arrived in the midst of a burst of cheering.

"Whassa da biga da noise?" he inquired.

"Datsa Tony," returned his neighbor, Angelo. "He maka da bowl in one."

The United Press Associations

At Geneva, the home of the League of Nations, the United Press has a staff correspondent of international reputation, Mr. Henry Wood, to report news of international importance to prominent newspapers all over the world. This is typical of the system and efficiency with which this great news gathering organization goes about its business; always furnishing the best in detailed descrptions, accuracy and news of interest in your favorite news paper.

Howard H. Smith, in writing of the United Press in the Ohio newspaper, says in part:

"The newspapers enrolled in the United Press system are scattered throughout 38 nations and its news is printed and gathered in 17 different languages. In South America the United Press has become not only the dominating but almost the exclusive agency furnishing news to leading dailies. It now serves about 95 per cent of the newspapers in important cities of the Southern hemisphere. The association is the only American agency directly furnishing world news to newspapers in China.

Forty-four bureaus are maintained in this country alone whle additional bureaus with American and local personnel are maintained in all the principal news centers of the world, such as Paris, London, Madrid, Moscow, Peking, Tokio, Rome, and Buenos Aires. Hundreds of staff correspondents are scattered throughout the globe. From Africa to Alaska no news can break but that it can be fully covered by an expert United Press representative within a short space of time."

In the past twenty years the United Press has attracted world wide attention by its splendid service and its growth has been rapid. Every year new clients are added to the already large list of newspapers which it serves, who join with the older patrons of the organization in expressing nothing but satisfaction over the news service received.

Comes Bluff, Bluff, Bluffin' along.

* * *

Two boys left home together. One of the boys enlisted in the Army while the other got a job in the city. The city boy wrote to his brother in the Army, telling of the joys of city life; in his letter he said:

"Today we autoed out to the Country Club, where we golfed until dark. Then we motored to the beach for the week-end."

The brother in the Army wrote back: "Yesterday we footed to the drill field and squad-righted until noon. After dinner we trucked to the range and rifled until four. After we had slummed we piped and checkered for a while. Then we pokered until the lights outed. After that we bunked until the bugler reviel-led."

* * *

"I heard that Bill Smith is dead."

"Yes and he left everything that he had to an orphan asylum.'

"How much did he leave?"

"Six Children."

* * *

Exmembers of the A. E. F., who are making the pilgrimage to France are not worrying about taking any French-English dictionaries with them: They've already learned that "money talks."

"Rastus" said the sheriff, "I'm sorry, but I've got to hang you. Is there anything you want to say?"

"Well, suh," replied Rastus, " Ah jist wants to say that Ah hopes this teaches me a lesson."

* * *

The amateur theatrical club was staging a musical comedy. The leading lady was struggling with a solo: "Do you think he will miss me?" she sang in a thin cracked soprano.

"If he does he ought never to be trusted with a gun," shouted one of the irate audience.

* * *

"What I want" said the Mess Sergeant, "Is an alarm clock that will wake up the cook without disturbing the whole company."

"I don't know of any alarm clocks like that" replied the Supply Sergeant, "We just draw the ordinary kind that will wake up the entire company without distrubing the cooks."

* * *

The young birde was very contrite as she met hubby at the door." Henry, dear," she said, "I am so sorry, but I lost that check book you gave me for Christmas. It won't make a bit of difference though. I took the precaution to sign all of the checks as soon as you gave it to me so it won't be a bit of use to anyone else."

SHORT AND SWEET

Simpson was on his deathbed and the doctor had been detailed to tell him there was no hope.

"I hope you broke the news to him gently," sobbed the tearful wife.

"Oh, yes," replied the physician briskly. "I told him if he had any bills to pay he'd better not wait till the first of the month."—Amer. Leg. Monthly.

COLONEL GOWEN TO LEAVE FORT BENNING SOON

Commander of 29th Infantry to Report for Duty at Fort Hayes, Ohio

Colonel James B. Gowen, 29th Infantry, U. S. A.

Colonel James B. Gowen, commanding officer of the 29th Infantry, has received orders from the war department relieving him from command of that organization. Colonel Gowen has been ordered to Fort Hayes, Ohio, where he is to be chief of staff of the 5th Corps area. The fifth corps area is commanded temporarily by Brigadier General Dwight E. Aultman.

Colonel Gowen has been in command of the 29th Infantry since June 16th, 1925. Prior to that time he was president of the Infantry Board. Under his command, many changes of policy within the regiment were effected, all of which were popular both with the commissioned and enlisted personnel. Colonel Gowen has been one of the most popular officers who ever commanded the 29th Infantry. He is an ardent supporter of all branches of athletics, not only in theory, but in fact. He attended all games of any sort in which his regiment was represented, and supported them at all times in the most enthusiastic manner. This fact, in addition to his fairness in dealing with all problems within the regiment, has won the admiration and respect of all of the enlisted men, and of the officers also. The 29th Infantry will greatly regret to lose the leadership of Colonel Gowen.

WAR DEPARTMENT,
WASHINGTON, FEB. 4, 1927.

Special Orders)
No. 29 .....)

EXTRACT

5. Colonel **James B. Gowen,** 29th Infantry, is relieved from assignment to that regiment and from his present assignment and duties at Fort Benning, Georgia, is, by direction of the President, detailed as a member of the General Staff Corps and is assigned to duty with the General Staff with troops, to take effect July 1, 1927. Colonel Gowen will then proceed to Fort Hayes, Columbus, Ohio, and report in person to the commanding general Fifth Corps Area for assignment to duty as Chief of Staff. The travel directed is necessary in the military service. Fd 26 P 5040 A 2-8. (A. G. 210.61, Gen. Staff.) (12-13-26.)

By Order of the Secretary of War,
C. P. SUMMERALL,
Major General,
Chief of Staff.

24TH INF.

24th Infantry Dance

The 24th Infantry Officers' dance, held last Friday evening, February 4, 1927, was largely attended by members of the garrison and civilian friends. Many dinner parties were held in honor of the occasion.

Colonel and Mrs. Wait C. Johnson, 24th Infantry, entertained Captain and Mrs. Pleas B. Rogers, 24th Infantry, Captain and Mrs. Archelaus L. Hamblen, 24th Infantry, Lieutenant and Mrs. George S. Deaderick, 24th Infantry, Captain and Mrs. Forrest E. Ambrose, 24th Infantry, Lieutenant and Mrs. William W. Brier, Jr., 24th Infantry, Captain and Mrs. Gustav J. Braun, 24th Infantry, Captain John T. Murray, 24th Infantry, Lieutenant and Mrs. Stephen B. Elkins, Infantry, Lieutenant and Mrs. Walter A. Stetler, Infantry, Lieutenant and Mrs. Robert C. Sanders, 24th Infantry, Lieutenant and Mrs. Harold S. Kelley, 24th Infantry, Captain and Mrs. Ernest T. Jones, 24th Infantry, Captain and Mrs. Robert Quail Whitten, 24th Infantry, Mrs. Jackson, Misses Hauck and Hoesterey.

Lieutenant Colonel and Mrs. Jasom M. Walling, 24th Infantry, were host and hostess to Major and Mrs. Edgar E. Hume, M. C., Lieutenant Colonel and Mrs. George E. Goodrich, Infantry, Major and Mrs. Frank V. Schneider, Infantry, Major Louis A. Falligant, Infantry, Captain and Mrs. William A. Collier, Infantry, and Mrs. Frederic Radleigh West.

Captain and Mrs. Paul Steele, 24th Infantry, had as their guests Major and Mrs. Edward G. Sherburne, Infantry, Major Dennis E. McCunniff, 24th Infantry, Captain and Mrs. Freehoff, Infantry, Captain and Mrs. Harry J. Collins, Infantry, Captain and Mrs. A. R. MacKechnie, Infantry, Captain Walter C. Phillips, Infantry, Captain and Mrs. Jesse P. Green, Infantry, Lieutenant and Mrs. Paul R. Goode, 29th Infantry, and Mrs. John C. Newton.

The 24th Infantry learns with regret of the coming departure of Major and Mrs. E. Ormonde Power, 24th Infantry. During the time they have been stationed with the regiment they have made many fast friends. Their leaving the garrison for duty in the Canal Zone will cause a loss hard to replace.

The musical capabilities of the 24th Infantry soldiers have attained such popularity that Mr. W. J. Brown, of the Columbia Phonograph Company, attended the weekly rehearsal on Wednesday, January 26, 1927, with a view of selecting certain numbers to be reproduced by phonographic records of that company. In case this occurs the records will be made during the latter part of March. Mr. Brown stated that he was particularly interested in popular airs played by the regimental band and orchestra, and negro folk songs and spirituals sung by the ensemble and by quartettes.

The program presented to Mr. Brown was well rendered and was typical of the exceptional musical abilities of the men of the 24th Infantry. Phe production of phonograph records of the singing of these men will provide an unusual treat to those who enjoy folk and religoius songs and who are not so fortunate as to be able to attend the regular 24th Infantry Wednesday afternoon singing period.

Company "C," 24th Infantry entertained the enlisted men of that regiment at the bi-monthly dance held Wednesday evening January 26, 1927. About 100 couples assembled at the regimental service club and spent an enjoyable evening dancing to music furnished by the regimental orchestra. At eleven o'clock light refreshments, consisting of sandwiches, potato salad, coffee and cakes were served. Corporal Jesse P. Mays, of Company "C," had charge of all the details of the affair.

INFANTRY SCHOOL DETACHMENT

(By Al.)

Most every afternoon after retreat 1st Sgt. Glenn can be seen in his new Coupe headed for Columbus. The fellows are wondering what it is all about, for he can't be attending night school.

From the bottom of the list to a place among the first is where the I. S. D. Mess finds itself now, and when you stop to think that our Mess is now feeding approximately four hundred men each day, and serving six times each day instead of three, it is something to be proud of. It is being done as the I. S. D. is doing everything these days, and that is all together, but we will have to hand Major Bootz and Staff Sgt. Bailus the biggest share, for they are both very much in favor of cleaner mess halls and plenty of good chow.

The many friends of Srgt. Fuller will be glad to know he has fully recovered from his recent illness and returned to the detachment last Thursday from the hospital. He is now on a furlough, taking a long rest up in the hills of North Carolina.

The I. S. D. basketball team is working hard every day, rounding into shape for the opening of the Post league. Corp. Douglas, better known as Big Doug., is captain of the team this year and the stuff they are showing in practice now certainly looks like trouble for the opposing teams in the coming games. A number of the men are showing exceptionally good form this year, especially Wee Grady Toolle, Shepherd and Big Doug. In fact, the whole team s lookng good and we will put you all on notice to watch the Green Wave when the whistle goes.

The Infantry School Detachment will celebrate its twelfth anniversary The twenty-first with a smoker. There will be lots of good eats and plenty of drinks (soft.) Some of the local talent will furnish the amusement for the evening, doing their stuff in their different lines. We have one black face comedy act, a couple of Charleston artists and a couple of acts that we are not sure of at the present writing.

CADETS PRAISE 29TH INFANTRY

A group of Cadets from the Riverside Military Academy near Gainesville Georgia at the completion of a ten days course at Benning were loud in their praise of the 29th Infantry.

Beginning last year and continuing to do so for the following years a select group of the Academy Officers come here for instructions in drill and tactical problems by observation and association with the officers and enlisted men of the regiment.

These young men are under the leadership and direction of Capt. Eddy a former officer and his knowledge of the ability of other regiments of the army is in itself a compliment to the 29th, for if he did not believe that we did not live up to our motto, "WE LEAD THE WAY" this regiment would not be selected as a model and example to as fine a body of young men as they represent when there are other regiments as near or nearer by.

POST EXCHANGE FILLING STATION

Ft. Benning, Ga.

Quartermaster Corps

Captain James Sproule, Q. M. C., who has been under treatment at the Army-Navy Hospital, Hot Springs, Arkansas, is expected to return to Fort Benning for duty about February 20th.

Warrant Officer George C. Cook will arrive at this station from Fort Wayne, Michigan, about March 1st, and will be a member of the Quartermaster Corps personnel.

Ladies desiring to initiate the first five hundred miles of a new car might do well to keep their eyes on Captain Newille as he recently purchased a new Crysler coupe.

UTILITIES DEPARTMENT

Capt.S. B. Massey, "Commandant division" for Utilities, has just returned to the fold after a week on special duty in Baltimore. He reports nice warm weather in that city, and nice warm-er-rather, nice shows at a couple of the theaters. The shows have been all right. He went away a "tired business man" and came back not nearly so tired.

Quite a number of persons have formed an erroneous opinion as to the nature of the building being erected on the southwest corner of Upton and Ingersoll Strees. This building is being erected by the Utilities Department, on orders from Washington, for the purpose of housing the local Signal Corps Detachment and its activities, including the telephone exchange and the raido office. The building is to be of reinforced concrete, two stories high, and in all ways worthy of the proposed future beauty and dignity of the post.

Business in the packing and crating line begun to pick up. A number of officers have received their orders or intimations that their orders will be issued in the near future, so that they are either being packed, or else preparing for the event.

RAIL TRANSPORTATION BRANCH

Sergeant Ellis Lee, "Supenintendent of Motive Powers" on the Fort Benning Railroad, is now enjoying a ninety day furlough at his country home on the Cusseta highway. During his absence his duties are being performed by Private Albert Little, I. S. D.

L. B. Hodges, the roundhouse blacksmith and assistant master mechanic, has just returned from Portsmouth, Va., were he was called on account of the illness and death of a relative.

Extensive repairs are being made to an Osgood road steam shovel preparatory to shipment to Fort Leavensworth, Kansas. This is one of the shovels obtained last spring from the Engineer Corps at the U. S. Nitrate Plant No.1, Muscle Shoals, Alabama.

It is rumored that Master Mechanic Fred A. Whitaker is planning to purchase a new car this spring, provided his bank balance, after paying income tax, will permit.

Frank J. Gorrigan, the roundhouse electrician, is a cat fancier, and has quite a horde of them around the roundhouse. It is said that he has a name for each and every cat and kitten.

A meeting of the Reserve Officers of the Fourth District Chapter will be held at the Plaza Cafe, Feb. 18, at 7 P .M. All members are urged to attend.

29TH INF.

The officers of the First Battalion last night participated in "The art of following the trail," but like the pioneers of old with only their keen eyes and almost uneering intutive sense of direction to keep from loosing their way through the trackless forests, these men were equipped with modern instruments for finding their way.

Leaving Bn. Hq. last night and working in pairs with seven stations to be found, each, having a different compass bearing the scent begun.

Approximately seventy per-cent of the officers came within fifty yards or closer to each station, a feat considering it being night and the first trial in most instances for some years to be unusual.

Major's Uhl and Franklin, Captain Bruce and Lt. Smythe and Mathews were guests of the Battalion Commander.

After the exercises refreshments were tendered in Company D's mess hall while comments were made.

As a whole the experiment seemed to be pleasing and a good time enjoyed by all.

FIRST BN. HQ. COMPANY

This being a Battalion training day every body's on the the jump getting their clothing and equipment ready for inspection, when the General Inspector arrives.

Sgt. Fitch left last week for recruiting service in Memphis, Tenn. We feel sure he will get good results, for its a good man in a good place.

Sunday. Glad to have you back "Red."

Pfc. Taylor returned from furlough

A new Cpl. was born into the kingdom yesterday, Rah! Rah! ! Rah! ! ! Reno RenoReno ! ! ! "BOOM."

Just as we hoped, Pvt. Perkins went down town and ridded himself of that purchase germ which he caught on pay-day night, if he did have to call the Co. Commander for an extra day off.

JUSTICE.

HQ. CO., 2ND BN.

Pvt. Boney, better known as the Georgia Wop, was discharged per ETS the 3rd and returned to the farm in South Georgia to compete in some of the forthcoming hog calling contests.

Pvt. Warren, the company tobacco king has returned from a three month furlough spent at his home in Tampa, Fla.

It has come to pass that a good soldier will always be rewarded. Pfc. Rogers, Pvts. Mincy and Johnson have been appointed corporals.

Lefty, Carnes, the speed ball artist and at present our alert company clerk, has at last decided to stay with us for another 3 years, or who knows? Maybe longer.

Sgt. Stragand, better known as Choppy, has bought himself a brand new In 1923 Ford Coupe. t won't be long now.

Cpl. Parris and Pvt. Escontres have demonstrated just how easy it is to stay in the company area for a week.

W. H. BIGGERSTAFF.

COMPANY "A"

Corp. Warren Lantz has safely arrived home again from an extended tour of the wilds of Canada. He reports that he is glad to get back to a civilized country again.

Corp. Hamscher won the Company Pool Tournament with Corp. Beck, Pfc., May and Pvt. Scalzo in 2nd, 3rd and 4th places repectively. Referee: Detweiler

The Company is very busy in preparation for the General Inspection which is to come off soon. We expect to be in tip-top shape.

SNOOKS.

COMPANY "C"

Wonder what makes the cooks so hot. It must be the vast amount of salt and pepper they have been using lately.

Pvt. Fry, of this company, has recently received a Medical discharge. We all wish you better luck on the outside Fry.

Sgt. Shannon has received a thirty-day extension on his furlough. Shannon is on sick leave but is getting along fine from all reports.

Another one of our boys are getting out under age. Pvt. Fredieu is receiving a minority discharge today.

Pvt. G. W. Smith went out for the Post Basket Ball Team. His stay seemed mighty short and we are all wondering what was the matter.

Wonder what is wrong with Sheepskin Baby, his tailor shop is closed about every other day. Maybe every other day is a holiday for him.

JOHN L. BIGGERSTAFF.

COMPANY "E"

Our old friend Sgt. Williams has returned from furlough, and we are indeed glad to have him back with us again.

A number of our athletes have turned out, and are burning up the ole cinder path. "E" Company Leads The Way.

Our Lanette Queen has a well protected dome now, as the short hair is of no worry.

"Big Liz" has migrated to the sunny state, where they wear the palm beaches in the cold winter time.

We have our company commander back, and all seems like the days of old.

We'll tell you all about it when "E" Company mops upon the track next time .

MILLARD M. MATTHEWS.

COMPANY "F"

Leon Hays, our finger print expert has had a sad look on his face for the last week, he has lost his finger print outfit. We all hope that he will find it soon for if a burgler should happen to rob or murder some one our Great Detective could do us no good.

All of our new Corporals have been keeping themselves hid, they heard that a netiation gang is at large, Sleep Tight Corporals.

Since Corp. Costello re-enlisted he has become a regular Ladies, Man.

PAUL K. ARMSTEAD.

COMPANY "G"

Our Company Clerk says he only has ninety-five days to stay with us and oil his typewriter. We know by the long growth on his head that the girls had better watch their step in ninety-five days.

Sergeant Swaney made a trip to Atlanta over the week end, and seems to have had a fine time. Several of the boys that made the trip with sergeant Swaney are planning another visit next week.

Private Tate has just returned from his home in Alabama. He intends holding a meeting of all Alabamians this week and giving them the news from home. He is already to tackle the bayonet course and is certain of qualifying.

The company is making a good showing in material for the coming track meet March 3rd. Everyone is taking a lot interest in all events and we are sure to win the laurels and give our competitors a good run for their money.

W. VAUGHN.

COMPANY "H"

Due to the fact that part of the notes submitted by this Company were not published last week, I take this opportunity to submit them again.

Corporal DePratt made such a fine showing in the boxing events last month, that it seems only fair that he should be mentioned. DePratt has a mean wallop, and surely knows how to use it. We are very anxious to see him matched with some one who will interest him for at least six rounds. Every bout that he has participated in since he has been here has been won in less than two rounds.

Private Johnson who claims to be the Southwestern Champion, says that he will not fight DePratt, but will challenge the man that beats him. We think that Johnson has a lot of fighting to do—— NOT!

1st Sgt.:—Sgt. Smith, what will you be when you are retired from the service?

Sgt. Smith:—An old man, Sarge. An old man.

First Sgt. R. R. Murray was discharged on Thursday of the past week, and did not re-enlist. Sgt. Murray has decided to try his luck with the railroads of Arkansas. We feel sure that he will make good in this field of endeavor, as he has here. The Company as a unit wishes him all the good fortune of a well deserving man, and hope to hear of him many good things.

The Company won the Regimental Blue Pennant for the fourth consecutive time this month. This puts us on par, if not ahead of the leaders of the regiment It seems that it is growing harder and harder each month to win the Pennant, yet this only serves to make the honor of winning it more pronounced.

Corporals McAdams, and Shettles have been discharged during the past week, but did not re-enlist. All the rewards of deserving, conscientious soldiers to you boys. May you always remember Company "H" as the best Company in the Regiment.

Private Braught has also reverted to a Civilian status. Here's hoping that you live to become a financial king in that glorious state of Illinois. But listen—— Stay out of Chicago. They have Machine Guns there too! ! !

BERNARD B. SWAYZE.

WILD, WILD GRANDMA

"Were the girls of your time as wild as the girls of today, grandpa?" asked an inquisitive grandson.

"Not then, they weren't," replied the old gentleman as he looked after grandma, who was just stepping out on a gay roadhouse party. — Amer. Leg. Monthly.

LAST SUNDAY'S POLO GAME

Last Sunday afternoon, the largest crowd of the season was present at Shannon Field and saw the Freebooters and Students win another rung in the ladder for the polo finals. With ideal spring weather conditions, the polo field was jammed with cars while many were unable to park close to the field.

The first game, played between the 83rd Field Artillery and the students consisting of six minute periods, was won by the latter team, 5 to 3. In the first period the artillery pressed their attack, and scrimmage in front of the goals was continuous. Wise of the students made a safety, and Murphy of the artillery spun the ball for an artillery goal. In the 2nd period, Moles retaliated with one for the students, but Hurt of the artillery also scored. During this period the artillery missed one attempt at goal while the students missed three.

In the third period Nichols of the students made a beautiful attempt at goal which missed by inches, Elkins then grabbed his mighty mallet and batted the ball for goals twice in a row. The Artillery did not score. In the next period, the artillery aroused themselves, and there was no scoring on either side. In the fifth period Strohbehn of the artillery and Nichols of the students each scored. The sixth period, and the game ended with the ball in mid-field. Score—Students, 5, Artillery 3.

The second game, between the 29th Infantry and the Freebooters, returned the latter team victorious 8 to 4. The Freebooters were in splindid form. Mason of the Freebooters and Burress of the 29th each scored.

The 29th claimed the second period with two goals, Adams and McDonald each scoring. The next stanza was sung by the freebooters with McClure and Forsythe leading the chorus, McClure rendered two, and Forsythe one, McDonald scored one for the Infantry in the fourth, where upon McClure and Smith retailiated with one each in the 5th. In the final period, McClure and Smith again scored. Captain McClure had rare form, scoring 4 of his teams eight goals.

The March program for presentation to club members and guests is under consideration and a pleasant and instructive evening's entertainment is assured.

Production of a three act play for the public in April is also having attention at this time and the prospective audience may be assured of the club's best efforts.

SOJOURNERS CLUB MEETING

The annual election of officers of the Infantry School Sojourners club was held at Fort Benning on Wednesday evening at the Officers Club. Officers, committees, and trustees for the coming year were selected.

Following the usual business meeting, the Sojourners elected as president, Major B. E. Bowen, 29th Infantry; 1st vice-president, Major Butcher; 2nd vice-president, Major E. E. Lewis; secretary, Captain C. G. Griffin, 29th Infantry; and treasurer, Captain Collier, Infantry.

The trustees elected were Colonel Cocheu, Colonel McCammon, Major Donaldson, Captain Dahlquist, and Warrant Officer Evans. Lt. Clyde Grady was designated as correspondent, national publicity, for the chapter.

Future plans call for a barbecue in April, which will be given at the logging camp. Lt. Deaderick, 24th Infantry, heads the committee, and will make all of the necessary preparations. In May, the Sojourners plan on bringing to the Infantry School, the Hammond minstrels, who have the reputation of being high class entertainers and performers.

During the evening, the 24th Infantry musicans, and singers, entertained in their usual brilliant manner. Mrs. Wood, with Sloan Williams, gave an exhibition of fancy dancing, which was exceptionally well done. Among the large attendance were quite a number of national guard and reserve officers, many of whom expressed their appreciation of a very entertaining evening.

WHY NOT MAIL THE NEWS HOME?

Our Playground is in fine condition now, thanks to Capt. Osborn, who had the chairs put on our swings and giant stride. When our trees put out some leaves and give us shade, we will have the finest playground in the country and it gives pleasure to many people, both large and small.

Capt. Doll gave the children another treat Monday afternoon, when he invited us over to the theater to see Our Gang Comedy. Aren't we fortunate to have so many thoughtful friends?

Thursday, March 17th is the day which has been assigned our school to visit the Naegele Art Exhibit in Columbus. We have attended in a body each time the Exhibit has been held and last year three of the awards for essays were won by pupils of our school. Charlotte Cotton, Idalee Baxter and Robert Livsey.

IF HE'D ONLY HAD A WHITE FLAG

"You were at a terrible disadvantage when you met that bear without your gun," suggested the sweet young thing.

"Yes," conceded the famous hunter. "I was a stranger in the country and didn't have any road maps."—Amer. Leg. Monthly.

VOLUME V. FORT BENNING, GA., FRIDAY, FEBRUARY 18, 1927. NUMBER 22

INFANTRY BASKETEERS DEFEAT Y. M. C. A. CAGEMEN SECOND TIME

Final Score 50 to 37 in Hard Fought Battle--Columbusites Better Previous Showing

Infantry basketeers won Wednesday night's basketball game in the Fort Benning gymnasium, 50 to 37, but the real honors of the evening went to Tippo Peddy's hard fighting, never give up youngsters, who came back after a disastrous start and battled the brilliant soldier combination to a standstill throughout the second half of the contest.

The Y didn't stop Johnny Roosma, but the referee did. Johnny scored 9 field goals for a total of 18 points, but "Dutch" Smythe called the foutrh personal foul on the star forward about midway of the second half. Not that Johnny was playing dirty basketball, because he wasn't as no cleaner player has ever been seen on the Benning court. At that Rossma tied for high score honors of the night, Kammerer also ringing up 19 points, 8 field goals and 2 charity line conversions. George Nix as usual led the Y attack with 13 points, but "Geechie" Dudley, playing at guard pressed him closely with 10 markers, and Charley played the second half with a badly sprained finger.

FRANZ IS STAR

Opening the game the Infantry quickly jumped into a 4 to 0 lead, but the Trianglers came back strong and tied it up. Then the soldiers went wild. "Fat" Franz played the floor in a fashion that only he can. He took the ball away from the Y boys as if by magic. He dribbled brilliantly. His rifle shot passes always went straight into the hands of a comrade. In the writer's opinion the "Chubby One" was the star of the night. The Infantry ran into a 14 to 4 lead and throughout the rest of the first half gradually increased the margin until the intermission found the military men in the van 28 to 15, a strong Y rally at the end closing the gap slightly. "Red" Newman marked up 3 two-jointers during

MAIN THEATRE CELEBRATES FIRST ANNIVERSARY WITH PRESENTATION OF FAIRBANKS IN 'THE BLACK PIRATE'

Fort Benning's Biggest Movie House Has Completed a Most Successful and Prosperous Year.

The Main Theatre, with much difficulty, has secured the feature film, "The Black Pirate," starring Douglas Fairbanks, for presentation to its patrons tonight. Tonight marks the first anniversary of the Main Theatre, which was opened on February 18, 1926, and for that reason no effort was spared to obtain a special feature picture for the occasion.

"The Black Pirate" is considered one of the masterpieces in colored photography; its scenes are beautiful and the plot is absorbing. The eleven reels contain over seventeen thousand feet of technicolor film. The picture is one of the most expensive on the market, however, a special concession was made to Fort Benning by the United Artists Corporation in honor of the first anniversary of the theatre. The full orchestration accompanies the picture. The music is most alluring and a special orchestra of fourteen pieces, under the able direction of Sergeant Ralph R. Wright, 29th Infantry, will play it.

Many people in eastern cities have paid two and two and a half dollars to see "The Black Pirate," but the people at Fort Benning may see it presented in the largest, latest and most completely equipped War Department Theatre in the United States for the price of fifteen cents, which is the regular admission charge. The low price is the result of the large business which the Theatre does and it does not indicate the type of this picture.

If you have never been in the Main Theatre and if you have never seen "The Black Pirate" there is, indeed, a treat in store for you. It is predicted that the picture will be shown to a capacity house.

BENNING BASKET LOOPS IN ACTION

Fort Benning's two basketball leagues swung into action last night in the garrison gymnasium, the 1st Battalion, 29th Infantry, swamping the Special Units of the same regiment, 32 to 2, in the Class "A" league and the Gas Bums of Co. F, 1st Gas Regiment nosing out the Pill Rollers of the Medical Detachment 14 to 13 in the "B" circuit.

Both games showed startling reversals since last year, as the Spare Parts and Medicos were among the stronger garrison teams, while the 1st Bats and the Phosphorus Flingers stood toward the bottom of the list in 1926.

The season which will last about a month gives promise of being the best since the garrison basketball league was first started.

24th INFANTRY TO COMPETE WITH 7th INFANTRY IN SMALL BORE RIFLE COMPETITION

Westenders Slightly Handicapped Without Indoor Gallery and Telescopic Sights

At one-thirty P. M. on March second and finishing the same day, the 24th Infantry will commence a telegraphic Small Bore Rifle competition with the 7th U. S. Infantry stationed at Vancouver Barracks, Washington. The Regimental Commander of the 24th accepted the challenge of the 7th Infantry a few days ago and the ten man regimental team is now hard at work on their improvised gallery range in the 24th area.

The 24th is not to be outdone by any other regiment and having no indoor gallery and at the same time believing that they can make higher scores with small bore rifles than other Infantry regiment they have built, under the supervision of Captain Earnest T. Jones an outdoor gallery, which is, indeed a unique arrangement. The purpose is accomplished by simply covering the firing point and the targets with a canvass roof and by using other long strips of canvass on the sides to do away with the effects of the wind. With this kind of ingenuity, initiative and perseverance, it is predicted that the 24th will win the competition.

The rules of the match are given in the following memorandum, which has been received from the Commanding Officer of the 7th Infantry:

1. In the interest of advancing rifle marksmanship amongst Infantry regiments as recently advocated by the Chief of Infantry, to develop the qualities for competitive firing amongst our leading marksmen, and to keep alive enthusiasm in shooting during the off season, the following outlined telgraphic competition has been arranged to include all Infantry regiments of the Regular Army in the United States.

TEAMS ELIGIBLE: Regimental or battalion teams of 10 members. * * *

CONDUCT OF MATCHES: Firing by teams to start at 1:30 p. m., March 2nd, 1927 and to be finished same day. The firing of each team to be supervised by an officer not a member of the team, designated by the commanding officer.

A board of officers consisting of Major Chas. A. Lewis, Brigade Executive, 5th Brigade, Captain Ottoman W. Freeborn, Headquarters 5th Brigade and 1st Lt. Wm. E. Donegan, Adjutant 5th Brigade, stationed at Vancouver Barracks, Washington and none of whom belong to the 7th Infantry will receive the reports and announce the results.

RIFLE: Any rifle, caliber.

SIGHTS: Any metallic sight.

TEAM: To consist of 10 members.

SCORES: 10 Shots each from the prone, sitting, kneeling and standing positions. Time; one shot per minute.

TARGETS: N. R. A. 50 foot, indoor target.

TRIGGER PULL: Not less than three pounds.

POSITION: As prescribed in Training Regulations 150-5.

MARKING: Targets to be marked and certified by a commissioned officer not a member of the team to be designated by the commanding officer.

Targets to be forwarded to Major Chas. A. Lewis, Brigade Executive 5th Brigade, Vancouver Barracks, Washington within 24 hours after completion of firing.

OGLETHORPE QUINTET BEATEN BY BENNING DOUGHBOYS

Roosma is Outstanding Star of Game, Scoring Twenty-one Points

(By Al)

The Stormy Petrels went down to defeat, before the smashing attack of the Infantry Blues at Ft. Benning last Friday evening in a court thriller filled with sensational plays that brought the crowd to its feet time and again. A young Petrel named Chestnut started out to lick the Inf. single handed and we must say that he certainly looked like he meant business, when he scored ten points in the first half.

The end of the first half found the Infantry on the short end of a twenty to sixteen score.

But the battle had only began, the Doughboys came back in the second half and with Johnny Roosma scoring from every angle and the rest of the team playing like big leaguers, the petrel defense crumbled before the driving five man attack of the Inafntry and the final whistle found the Inafntry out in front by fifteen points, the final score being, Infantry 46: Petrel 31.

* * *

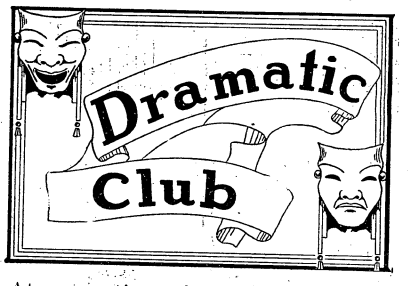
Mrs. Waite C. Johnson wishes to announce that all members of the Ladies Gymn Class will be present at the Post Gymn Wednesday morning, Feb. 23rd, for the purpose of having a picture taken.

Fresh Cat Fish today at Wilders Cafe. 15 W. 10th St.

Park at C. A. Morgan & Co. Open till 10 o'clock. Soft Drinks, Drugs and Cigars.



At a meeting of the Dramatic Club held in the lounge of the officers' club on the tentth instant Major G. F. N. Dailey was elected business manager.

The financial report showed a substantial balance in the treasury for present needs.

Fifty dollars ($50.00) was donated to the children's school, upon the request of the officer in charge of the school.

A nominating committee to consist of Major R. H. Dunlop, Captain W. A. Dumas, Captain L. R. Boyd, Mrs. W. H. Vinson and Mrs. E. E. Keatley was appointed to report nominations for officers for the ensuing year, at the April meeting.

Announcement was made that the new stage at the Main Theatre will be available for the public production by the club in April next.

A committee consisting of Lt. Col. Jason M. Walling, Captain John C. Newton and Mrs. Paul C. Galleher was appointed to study the possibilities and desirability of forming a Dramatic Club for enlisted personnel. It appears that there is some demand for such an organization.

Information has been received that the Dramatic Institute to be held in Columbus has been postponed until October 1927.

The February presentation of one act plays will take place in the 29th Infantry theatre at 8:30 P. M., the 19th instant, the program will be as follows:

THE TRYSING PLACE:—A farce by Booth Tarkington.

THE GIRL:—A drama by Edward Peple.

MEET THE MISSUS:—A comedy by Kenyon Nicholson.

Details as to directors, casts etc., were published in last week's "Infantry School News."

For this presentation each member of the club may invite two guests. This entertainment is for members and guests, only, and no tickets will be sold.

HD. CO. FIRST BN.

Last Sunady while the company street was covered with water during the rain, Cpl. Bagley was wandering where he could get a pair of water wings for his ford.

Cpl. Eldred returned from a two months furlough Saturday. Glad to have you back "George."

Sgt. Davis wants to know where his post is in formal guardmounting.

Pvts. Hudspeth, Kidd and Ward are busy rehearsing for the minstrel to be staged soon.

Pfc. Studdard returned from furlough Sunday and was promoted to Cpl. Monday, quick action old man.

JUSTICE.

COMPANY "E"

"The Broadway Shiek" (Junit Borders) has returned to duty and it seems as tho he was in love, judging from his personal appearance. But that's nothing strange or unusual "Junie" 'cause we'll all have our up's and down's some day.

We have a new Ass't Supply Sgt., his name is Williams but we call him "Bill," and lately he is getting so hard you can all most see the map of Georgia on his face.

MILLARD F. MATHEWS.

COMPANY "F"

Is it true?—Some believe it—Yes its rummoured that a certain Corporal wears two sets of chevrons—one sewed on above the other.

The great penuckle championship of this company has been decided—Dad took the count when Spud led with his triple run.

Whee! Did you ever see the like of school children?

Did yu notice a certain graduate of the last NCO School when he received his diploma—See that gold tooth shine?

O. W. NELSON.

The First Thousand Miles Are The Hardest

Although the Punitive Expedition into Mexico was withdrawn eleven years ago, its base of communications at Columbus, New Mexico, is just now being salvaged and emptied of the last of the surplus stocks that were accumulated there in 1916 for the supply of the American troops chasing the bandit Villa. The salvage material, together with the supplies, are being transported overland by the Wagon Trains of the First Cavalry Division to El Paso, Texas, where they will be absorbed in the Quartermaster Depot at Fort Bliss. The distance from Columbus to El Paso by the route selected is ninety-two miles. At this writing the Wagon Trains have made nine round trips between the two border towns, having covered a distance of over 1650 miles and having conveyed over a million pounds of cargo.

Columbus was the scene of the Villa Raid of March 9, 1916, in which 16 American soldiers and civilians were killed and 9 wounded. The military post there is known as Camp Furlong, and was last garrisoned by the Twenty-Fourth Infantry. Since 1923 it has been in the hands of a care-taking detachment. Its buildings are the wooden cantonment type.

The largest number of cargo wagons thus far turned out for any trip of the salvaging convoy was 80. In addition to this there is an aggregate of 9 wagons for overhead, carrying rations, water, veterinary supplies, spare parts, horseshoers equipment and baggage.

At the start of the operations the animals, ranging from 13 years of age on up, were not in condition for the strenuous work. Accordingly reduced loads were carried. Notwithstanding every precaution taken, eight mules were lost on the first trip. This was considerably less than the estimate of 25, which number of extra mules were led with the convoy. Three mules were lost on the second trip, and one on the third trip. After that the animals were thoroughly hardened, and no other casualties have resulted in the succeeding hundreds of miles.

BARRACKS BANTER

By Ad.

There is considerable argument regarding whether or not an enlisted man should spend money out of his own pocket toward the upkeep of his uniform. Maybe he shouldn't, but if he doesn't the old song will have to be changed to:

"Tramps, Tramps, Tramps; the boys are marching."

* * *

Henry Ford, who made Automobile Cushions not only Popular but Necessary, is now experimenting with an Oat Meal Cooky in an effort to eliminate Cows, Pigs and Chickens;——Don't laugh at Henry. His Lizzie made us appreciate automobiles so maybe his Oat Meal Cookies will make us appreciate a Square Meal.

* * *

Writers of a generation age managed to put there ideas across by means of clever verbiage——Our modern authors however seem to depend mostly on garbage.

* * *

We wish to thank Mr. Al Durden, our distribution manager for the inspiration for the following:

"RASTUS AND DE BEAR"

Sam an' Rastus was comin' home
From fishin', one summer day,
When they happened to spy an old gum stump
By the railroad right-of-way;
Course Rastus 'vestigated
An' down inside he saw
Two little cub-bears fast asleep
All alone, without their ma.

So Rastus and Sam decided
These cubs belonged to dem
And Rastus he stayed outside on guard
While Sam crawled in de den;
But when these little cubs woke up
Old Sam was what dey saw
And den dey raised a rucous right
A squallin' for dare ma.

De old she-bear was rammin' round
Jest over de railroad track
An' when she heard dem sub-bears squall
She comes a bustin' back
She passed old Rastus so lammin' quick
Dat boy only stare
Until he saw her climb dat stump
And head into dat lair.

Den Rastus grabbed her stubby tail
And grabbed wid all his might
And the old she-bear, she couldn't budge
But she shut of all de light
Den Sambe yelled from down in de den,
"Hi, Rastus, doggone your soul;
What's dat, dat's shet off all de light,
An' darkened dis yah hole?"

Said Rastus, "Iffen did yah tail-hold slips,
You ain't gwine hav' be tole;
For you is gwine to sure find out,
What's done darkened dis yah hole."
So gen'men le'm'me tell you dis
If you don' me bein' so bold
When ever you'se gwine where trubble is
Don't crawl in no one way hole.

WHY NOT MAIL THE NEWS HOME?

MONOGRAPHS

Captain Eugene E. Morrow, 24th Infantry, addressed the oficers of that regiment, February 11, 1927, on "Ceaser and his Military Campaigns." In a clear and comprehensive manner he related the organization of the Legions and the equipment of the individual soldier. Captain Morrow in pet said "the main stay of the Roman Army was the legion of Infanty. These orgaizations were supposed to consist of 6000 men, but in Caeser's time actually were composed of about 3600. Engineers, artillery and other military funcions were performed by men detailed from the Legion. Cavalry, during this period, were not Roman, but were recruited from barbarous and sometimes unfriendly tribes. Caeser's forces were made up of soldiers who voluntarily enlisted. In early Roman times conscription was resorted to, but not as to secure Caeser's Armies. The term of enlistment was 20 years. A private soldier received pay of about $45.00 a year, less rations, and was given land upon discharge. In order to be enlisted a man had to be a Roman citizen between the ages of 17 and 36 years and of certain physical capacities. His clothing consisted of a woolen garment worn next to the skin covered by a leather tunic and skirt. On his feet he wore shoes or sandals. His defensive armor was a breast plate or leather and metal, a shield, and shin guards. His offensive equipment was a short two edged, pointed, sword and a spear. The conditions of services were very strenuous. The Romans believed that their solders should be kept busy all the time."

"From earliest times the Infantry soldier has been burdened with a pack. That of the men of Caeser's armies weighed about 45 lbs. and was composed of a saw, a spade, a hatchet, a basket, a cooking utensil, 25 pounds of unground grain, and 2 long sticks to be used in the palisade when the force encamped."

"This organization and equipment has certain apparent similiarities with present day armies. However the great difference between the Roman Armies and those of today is the strength of the officer personnel. In those times a certain number of officers commissioned by the Senate or the Popular Assembly but none were placed definitely in command of the various Legions. The smaller units were led by a person called a centurion who had rank corresponding to our platoon sergeants but the duites and power of a unit commander."

Having then oriented his audience: Captain Morrow then discussed the use of this force in the field, particulary as it was employed against the Helvetii and the German chieftain Ariovistus.

BENNING INVITED TO TAKE PART IN AUGUSTA HORSE SHOW

The Augusta Horse Show association has invited the Infantry School to send a riding team to participate in their horse show which will be held on March 22nd, 23rd, and 24 in Augusta. Major H. J. M. Smith, Cavalry, who is chief instructor in equitation at the Infantry School, will be in charge of the team.

All possible measure are being taken at Fort Benning to provide the team representing the Infantry School with the very best government mounts available. The Augusta Horse Show is considered one of the classic horse shows of the year, and the Infantry riders will do their utmost to win for the service as many points as possible.

Fresh Cat Fish today at Wilders Cafe. 15 W. 10th St.

THEATERS

FRIDAY FEB. 18 to 25

"The Black Pirate" starring Douglas Fairbanks in one of the most "talked of" plays of the screen. This is a powerful melodrama of Buccaneering on the high seas, buried treasure, adventure romance and wonderful feats of muscular ability. Doug is the famed exponent of American athletic efficiency and in this picture he adds laurels to his heavy crown. Difficulty was experienced in securing this picture because of its high cost and popular demand; A special concession was made Fort Benning by the United Artists Corporation in honor of the anniversary of the opening of the Main Theatre.

"Mexican Melody."—Hodge Podge.

SATURDAY FEB. 19

"The Great K & A Train Robbery," featuring Tom Mix in a ripping railroad romance, scenarized in the picturesque Royal George, classed among the beauty spots of the world; Tom as a fast- shooting, square-shooting, livable detective enacts a continuity of thrills which hold the audience spellbound. His remarkable horse, "Tony," adds wonderfully to this interesting feature picture of mystery, fun and brainwork.

"Buried Tresure."—Our Gang Comedy.

SUNDAY FEB. 20

"God Gave me Twenty Cents," produced by Herbert Brenon, the man who made "Beau Geste" the screen sensation of today. Lois Moran is the star in this picture, which is the simple, sincere story of two women, one good and one bad—their love for the same man and the clever ruse used by the second in an attempt to destroy her rival's happiness. Two gamblers' dimes produce a unique dramatic climax. The background of the picture is the Mardi Gras at New Orleans.

"Chicken Chaser." "Pathe News."

MONDAY FEB. 21

"The Timid Terror," featuring George O'Hara in a clever comedy of a timid young man, who, through fate and circumstances developes into a terrible terror. Of course, romance and "fair ones" tie the plot strings.

"Heavy Fullback."—Whirlwind Comedy.

TUESDAY FEB. 22

"Twinkle Toes," starring clever Colleen Moore in a tense tale of Limehouse where the sloe-eyed Malay mingles with the oily Hindoo. In this play Colleen excells as the dancing waif of London's Chinatown.

"Widow Dummy."—Ralph Graves.

WEDNESDAY FEB. 23

"The Popular Sin," featuring Florence Vidor and Olive Brook in a story which helps determine which is the popular sin, Charlestoning? Prize fighting? Tennis? Cheating? Lying? Loving the other woman's husband? Or kissing—which?

The story is a smart comedy of love, marriage and divorce in the breezy confines of loving frisky Paris.

"Bill Grimm's Progress No. 9."

THURSDAY FEB. 24

"Her Man O'War,"—Jetta Goudal Initial Star Picture. This is a "different" melodramatic picture with a "war" background. It is a story laid behind the German lines giving us the opportunity of seeing the other side.

"Pathe News."

FRIDAY FEB. 25

"The Amatur Gentleman," starring Richard Bartelmess in a comedy drama in which the young hero inherits a fortune, licks his ex-pugalist father and shows him that he can become a gentleman. The story then travels to the Steeple Chase where intrigue complicates matters and ends in a return to the home town where a happy marriage climaxes a mixed and thrilling romance.

"What, No Spinach."—Blue Ribbon Comedy.

WOMAN'S CLUB

Place of meeting—Polo Club.
Date of meeting—First and third Mondays.
Date of next meeting—Feb 21.
Time—2:15.

So and Behold Ye—Members of the Infantry School Woman's Club, today's mail brought a letter from the world famous Seumas MacManus saying he will be with us either on Saint Patrick's Eve or St. Patrick's Day! He is to let us know for a surety before the week-end, and on Monday afternoon you will hear the plan for his lecture. How perfect a date for so great an Irishman and how fortunate to be a member of The Infantry School Woman's Club!

Our program for Monday presents an all-star cast in in three entirely different spheres. The first to appear is one who recently played the leading role in "Nothing but the Truth"—Capt. Dumas, and he has promised to tell us Nothing but the Truth about Parliamentary Law. I hope it won't be as hard for him as it was in the play! We have been wanting to have some instruction in, Parliamentary Law and have felt it as the outstanding need of the Club so Captain Dumas may be assured of an interested audience.

Mrs. Leonard Boyd is going to sing We have not forgotton how beautifully she sang "Silvia," "Once in a Blue Moon" and " Memory," and it is with delight that we anticipate her reappearance.

Mrs. Butler L. Knight has consented to give us some help with some of the problems of Home Management. Some one has said that the home of today is but the lodging quarters of the mother That may be true of some homes but I'm optimisic enough to doubt it. At any rate we home makers of the Woman's Club face in a very real way multitudinous problems, and we welcome suggestions of how best to solve them, and they are thrice welcome coming from one who combines theory with practice.

The Literature Club met last Monday with Mrs. Ralph Jones at her home on Austin Loop. The study of New England Literature, begun proviously, was carried on at this meeting. Mrs. Wait C. Johnson reviewed Dorothy Canfield's newest book, "Her Son's Wife." She had studied the book so painstakingly that she was able to make Mrs. Bascom and Ralph and Lottie and "Dids" live their very lives before us. We felt the pulling taunt of the heart strings of that magnificent mother and most wonderful grandmother who gave and gave and gave of her money and mind and heart and veritable soul in order that her son might yet live worthily and well, and that his daughter might have the physical, mental social, and spiritual inheritance due the granddaughter of John Bascom. This excellent piece of work was followed by the scholarly interpretation of Eugene O'Neal—America's outstanding play-wright—by Mrs. Gilbert Cook. Sketching his life to show his wanderings over many of earth's out-of-the-way places diving into the slumy depths often times, she revealed his rich store of human experience which is the foundation source of his great plays. Critical reviews of his plays "In the Lone," "Disire Under the Elms," "Emperior Jones," "All God's Children Got Wings" and "The Great God Brown" were particularly interesting for all of us had seen or read some of them and in certain cases we didn't agree with the critics! Excerpts from "The Great God Brown" were read from the Theatre Magazine and this acquaintance and interpretation of this symbolic play will enrich our enjoyment and appreciation of a great deal.

Selected poems of Edna St. Vincent Millay were read by Mrs. Vinson in Mrs. Tharpe's absence. It was charming to have a College mate of this poet present. Mrs. Philip Wood was a class ahead of "Vincent" (as she lovingly called her) at Vassor and her attitude was as generous towards her way of living as her appreciation was genuine of her poetic ability.

The Literature Club will met next with Mrs. Goodrich at her quarters 14-427 at which time the study of "The Negro in Literature" will be taken up.

GLEE CLUB

On the afternoon of March the sixth, at the Polo Club, a selected chorus of ladies voices, under the leadership of Mrs. Butcher presents for the Woman's Club, a group of songs arranged by Capt. King.

Capt. King will make a short explanatory talk on these interesting songs.

INFANTRY SCHOOL DETACHMENT

Every thing has been arraigned for the Smoker to be held Monday night Feb. 21, in the Det. Mess Hall.

The eats and refreshments are something we never worry about when we know Sgt. Bailus and his assistants are on the job.

And he says that the best of eats and the (softest) of drinks will be served, so that's that.

The Committee reports that their program is complete, and that there will be fun enough for every one, so that part of it looks good.

The 21st of Feb. is the twentieth Anniversary of the Infantry School Det. formerly known as the School of Musketery, and every thing is being done towards making the occasion a fitting tribute to the splendid work accomplished by the School since it was organized.

1ST GAS REGT

The Gas Regiment quintet defeated the Medicos 14-13 Tuesday night in the opening game of the season.

The high man of the game was Adkison (C), of the Gas Regiment, with 6 points. High men of the Medical Corps were McNonigle (RF) and Brown (C) with 5 points each.

The Lineup for the game was as follows:

GAS REGIMENT		MEDICAL CORPS
Lawrence, 3	RF	McNonigle 5
Williams, 2	LF	White 3
Adkison, 6	C	Brown 5
Neal, 3	RG	Nelson 0
Dennis, 0	LG	Kramer 0
Calhoun, 0	LG	Kedenhed 0
Gas Regiment Totals		14
Medical Corps Totals		13

24TH INF.

Capt. Elwood M. S. Stewart reported for duty with the 24th Infantry on February 6, 1927. He joins the regiment from Lima, Peru where he has been on duty as military attache. Captain Stewart has been assigned to command Company "F" 24th Infantry, relieving Captain John T. Murray, 24th Infantry, who has been detailed to the Air Corps. Captain Murray will leave about the 14th of the present month for duty at his new station, the Primary Flying School, San Antonio, Texas.

THE SMALL BORE RIFLE COMPOSITION

The small bore rifle composition, being conducted by the 7th Infantry, has awakened a keen response in the 24th Infantry. A group of expert riflemen has been organized and placed in charge of Captain Ernest T. Jones, 24th Infantry. They are receiving very competent and thorough instruction and training. The preliminary scores made on the miniture range, constructed in the 24th Infantry Area, are quite satisfactory. The personnel of the group is Lt. Colonel Jason M. Walling, Captains Charles L. Steel, Paul Steele, James L. Ballard, William B. Wilson, Kearie L. Berry, 1st Sergeant Julius Jennings Company "C" 1st Sergeant John R. Gunn, Company "F" Sergeants Charley Harrison, Headquarters Company, Osker Jones, Company "E" Charlie Burris , Company "F" Frank Hightower, Company "F" Calieph Moore, Jr., Company "I" Scott Bradford, Service Company, Corporals Clarence O'Neal, Company "F" Floyd J. Hairston, Company "I" Perkins Ford, Company "I" Private Tommy Baugh, Company "E" Corporal Troy Berrien, Company "E" Corporal Calude Rollins, Company "B" Private Leonard Watkins, Company "F," and Private Sandy Billingslea, Company "K."

VOLLEY BALL

Keen interest in Volley Ball is being desplayed in the 24th Infantry through the establishment of a league to determine the best company team. A series of four games each Wednesday afternoon has been scheduled. Under this arrangement the less skillful teams will be eliminated and the honor of battalion and regimental championships will be contested between the strongest teams. The team captains of the various teams are Company "B," Private Moses Roper, Company "E," Private Jessie Johnson, Company, "F," Sergeant Charlie Burris, Company "H," Private First Class Adonis Bess.

The Monthly Assembly of the 24th Infantry Officers Bridge Club was held at the club rooms on Thursday evening, February 10, 1927. Mesdames E. E. Morrow and C. L. Steel were the hostess and had charge of all details incident to the affair. The men's first prize was secured by the latest arrival to the regiment, Captain F. M. S. Stewart. It consisted of a pair of sterling silver captain's bars. Captain B. L. Knight won the second prize which was a sterling silver bottle opener. A pair of glass candle sticks was the first women's prize and was won by Mrs. F. E. Ambrose. The second prize, a glass candy dish, was awarded Mrs. K. L. Berry, Mrs. W. P. Jackson, the house guest of Mrs. Johnson, won the Mah Jongg prize, also a glass fruit dish

HAWAIIAN GUARDSMAN ATTENDING SCHOOL HERE

(By Lt. Geo. . Potter)

Among the class of staff non-commissioned officers of the national guard, who now are attending the Infantry school, is Master Sergeant James Ai, of the Hawaiian national guard, who was detailed to the Infantry school as a student.

The selection and detail of a soldier to the Infantry school by the Hawaiian national guard is a coveted reward, and is only granted to those soldiers who have had long and faithful service. Sergeant Ai is a member of the 295th Infantry of Honolulu, and is employed as a civilian in the Federal Quartermaster Depot. His uncle is territorial senator in the present legislature.

Master-Sergeant James Ai
Hawaiian National Guard

Sergeant Ai states that the present weather is similar to that of Hawaii, and he is much impressed with the magnitude and activity of the Infantry school. He is taking the three months' signal communication course with his class, upon completion of which he will return to Honolulu.

PROPERTY OFFICE

Our messenger, Herring, has had cigarettes so far this month; however, the worm will turn, so watch your package of smokes!

Mr. J. W. Perrin, prominent citizen of Phenix City, Alabama, otherwise a clerk i nthe Property Office, set out 500 pecan trees and 200 plum trees last week. He has it figured out that in a few years he will be able to retire from a life of misery and drudgery and live from the fruit his trees will bear.

As ususal Chandler is receiving catalogues from all over the country. How does he happen to receive so much mail?

The property forces are busy with tables of organization, pencils, paper, etc., determining supplies required for the R. O. T. C. students scheduled for training at Fort Benning during the summer.

Only fifteen requests for delivery of folding chairs for parties, etc., were received last week.

LAUNDRY

The location of the new Bakery and the odors therefrom make a fellow stay hungry and the lunch hour seem an awful long time off. This is especially true with the relatives of the Gold Dust Twins.

"Clean up and paint up"—that's the laundry all over this week. Sure! The inspector is coming.

COMMISSARY

The Commissary is being made very attractive with white paint. Soon it will be necessary for patrons to wear colored glasses upon entering. Sgt. Ames is supervising the work and Private Fields is "in charge." Fields asked the meaing of "in charge" and when told that it meant that he was to do all the work, he replied "That's what I thought."

The following new stocks have been received and placed on sale; Laundry starch, shredded cocoanut, plain chocolate, sweet, mixed pickles.

UTILITIES DEPARTMENT

Circular No. 12, Hq. The Infantry School, dated February 14th, is an interesting document, and a notation of its results will also be of interest. Junk heaps and piles of building materials have always been, and always will be, lode-stones to boys of any age. Nowhere can these attractions be found in such bewildering aray as in the Utilities store yard. And what more natural than that our local family of 5000 or more boys should be drawn irresistibly to visit this treasure house? But such a visit, continued day after day, is equivalent to that of a cloud of locusts. Therefore, Circular 12 gives us a feeling of relief, together with a touch of regret that one sourse of pleasure to the boys must be curtailed.

Spring is "beginning to arrive." Already the pull of the wandering foot is making itself felt, either from within or from without. Some of our citizens are making plans to resign or buy out; some, in receipt of premptory orders, are reluctantly preparing to depart for distant climes; and a few, facing the prospect of an additional two or four years without change, feel that life is not worth while after all.

And this is not the only sign; the eternal impulse to spring house-cleaning is manifesting itself. Some of our customers are seeking for new screens and shaeds and some are all stirred up on the paint proposition. Whatever the cause of the unrest may be, we get the reflex in this office. And we would like to go fishing ourselves.

TRANSPORTATION BRANCH

Stuart G. Brown, Machinist at this station, departed Friday morning on the Seminole, enroute to Sheffield, Alabama, on temporary duty in connection with preparing for shipment and acting as messenger in charge, Vulcan locomotives, Saddle tank, which is to be required at this station and then shipped to Fort Bragg.

CONSTRUCTING QUARTERMASTER

Special Orders No. 18, W. D., dated January 22, 1927, directed that 1st Lt. William Brice Houston, Q. M. Reserve, and 2nd Lt. James M. Noyes, Q. M. Reserve, report for active duty on January 30th to the Constructing Quartermaster, Fort Benning, Georgia. On that date Lts. Houston and Noyes reported to Lt. W. M. Allison, the Constructing Quartermaster of this garrison, and each was started on his course.

In civil life Lt. Houston is sanitary inspector for the city of St. Petersburg, Florida, and at various times has been in the plumbing business and also engaged in railroad transportation. He comes for training to the Constructing Quartermaster well-versed in the building, rather than executive, end of the service. He has made several tours of inspection of the 29th Infantry Barracks now being constructed at Fort Benning, and has displayed considerable knowledge of the working of the various contractors He has also put in much time and thought on plans for officers' quarters, and has given many good suggestions for additional comforts along these lines, particularly in the arrangement of household fixtures. Should he be called to active duty in case of a major operation, he would be invaluable where design and installation of water sewerage would be required.

Lt. Noyes, in civil life, has an entirely different occupation, being an attorney-at-law and specializing in real estate laws. As he would be assigned to the legal end should war break out, he was instructed accordingly. erhaps the canal on-looker does not realize all the twists and knots in the real estate laws as regards War Department procurement of leases and titles, and does not understand that it takes one well versed in that line to hold his own in the courts. However, Lt. Noyes is "up to notch" in this and "knows his laws." He had demonstrated his ability to learn army routine quickly, as in the comparatively short time of fifteen days he has learned most of the procedure connected with the paper work in the office of the Constructing Quartermaster. Lt. Noyes would be a valuable asset to the legal department of the office of the District Constructing Quartermaster in case of war.

Both Lt. Huoston and Lt. Noyes have proven themselves good hunters. Lt. Houston brought in a nice bag of birds on two occasions. Lt. Noyes ? ? ?

WOODMEN OF THE WORLD WITNESS DEMONSTRATIONS AT FORT BENNING

Demonstration of Technique of Various Departments of Infantry School Witnessed by Committee

The Woodmen of the World peeped through the portals of war last Saturday at Fort Benning, the home of the Infantry School. Punctual to the minute, the visitors and their local escort arrived of General Collins' headquarters, and a program of interesting features was quickly under way.

First, came the demonstration of anti-aircraft firing by machine guns. This was followed by firing at field targets with the 3-inch trench mortar and the 37-mm gun. Here the visitors were invited to try their skill. Mrs. B. W. Jewell, of Omaha, Neb., accepted and met the requirements of honorary first class sharp-gunner. W. A. Fraser, sovereign commander of the Woodmen of the World followed. His first shot was so accurate that he refused a second trial, and no one had the temerity to attempt to better Mr. Fraser's bull's-eye.

Bayonet and methods of discussing an opponent, on grenades were demonstrated next. And then a mild tear gas attack put the visitors in close touch with one of war's little inconveniences. The turbulent tanks, midgets and mastodous, were next put through the paces These ungraceful but effective pets of the tank corps were at their best. After appetite-stirring rides in the biggest of the tanks, a gargantuan but docible land battle-ship, there was a retreat toward the 24th Infantry were lunch was awaiting those of the party who were not too hungry to eat.

Real Army "chow," Southern style, was served at Mess Hall No. 1 of the 24th Infantry. The ability of negro cooks to prepare an excellent meal from the Army ration is well known, and that furnished these distinguished visitors was a splendid example of their skill. The menu was cream tomato soup, saltines,

INTRA-MURAL CAGE GAMES FURNISH MUCH INTEREST AND EXCITEMENT

Inter-organization Basketball Games are by Far the Most Interesting Events of Winter Season

The end of the second week of the Intra-Mural Basket ball season, find the 1st and 2nd Batts. of the 29th Infantry tied for first place in the class A., league, and the Q. M. and Red Diamond outfit tied for the same position in the class B., league.

The 1st Batt. is looking mighty good right now but the I. S. D. or the Tanks haven't started playing the brand of ball they are capable of.

And we know the Kellys well enough to know that they are not going to move out of first position without lots of persuasion, the Spl. Units have been showing up mighty good since their first game, so from the looks f everything the "worst is yet to come."

In the class B., league the race is very close, and right now the team that is in the cellar, lost all of their games by a very close margin, and then it was any body's game until the last minute.

Naturally its the Medics, they have one of the best teams in the league but just can't get going, they dropped their last game to the Q. M. by one point. The boys from the Engineers Camp are looking mighty good, but we will soon see how good they are when they mix with Col. Warfield's basketeers in their next game. The Gas Bums are in third place, and they stand a good chance of smoking out some of the leaders before the season is over.

SOLDIER'S DEATH CALLED ACCIDENT

The tragic death of Corporal John R. Davis, of Batt. C, 83rd F. A., of Fort Benning whose body was recovered from a well in the back yard of the premises of 115 Andrews Road, occupied by Pvt. James B. Eskridge, of the same organization and his wife, late Tuesday afternoon, was under invesigation by local City and Fort Benning police authorities Wednesday.

The Coroners Jury empannelled to investigate the case, returned a verdict of accidental death.

Corporal Davis who enlisted July 2, 1924, for Fort Benning, was 23 years old and unmarried. His home address was reported by military authorities as Wilkes-Barre, Pa., with his sister, Mrs. J. M. Sigholtz, 239 Monpelier Ave., Atlantic City, N. J., as the person to be notified in case of emergency. Officers of Davis' Cmpany said that he was an excellent soldier with a splendid record since his enlistment.

WORLD WAR FILM LAUDED BY LOCAL LEGION COMMANDER

After Much Difficulty, Local Chapter of American Legion Secures Great War Film

Official notification has been received from the commander of the Charles S. Harrison Post of the American Legion, Capt. Bert M. Lennon, that the local post will present to the citizens of Columbus and Fort Benning that greatest of film classics, "The World War."

Commander Lennon spoke in the highest terms of the picture, giving the history and background of this authentic war film. "The Legion is going to give the people of Columbus an opportunity of seeing for themselves just what the boys of ten years ago went through in actual battle," said Captain Lennon. Stirring scenes from the archives of the warring nations have been called over to make this picture. The film is the greatest of all pictures on the war and takes its place as the first and only visual history of the world's greatest conflict.

The opening scenes carry the audience from the moblization of the famous German hordes and follow them on their march through Belgium, that little nation that dared to stand in the way of this great military machine. The parade of taxi's that were marshalled to carry the defenders of Paris to that memorable battle of the Marne.

That famous little band of "Tommies" that go down in history as the "Contemptibles" are seen wallowing through the mud of the poppy strewn fields of Flanders. The night shots of the front, with the belching cannon and the deadly gas cloud that changed modern warfare. The "Unter-Seeboote" that raided the high seas, preying on the commerce of the Allies—the same boats that sank the historic "Lusitania" and countless American "gobs" and "doughboys" who strained their eyes watching for the elusive "Sub" during the days of the transport move to France. The dark days of the war when the strife hung in the balance. The famous American divisions that stopped the "Kaiser's best" in the final push to Paris. The struggling, mud-soaked doughboy, falling under the withering fire of the murderous Maxium's. The tense days of the Argonne and never-to-be forgotten taking of the Hindenburg Line.

All these epoch making events are shown in the film. "The World War" as are hundreds of other thrilling episodes that make the picture an unequalled classic of history.

The Chairman of the Entertainment Committee, Capt. William A. Collier announces that the picture will be shown at the Main Theatre on the evening of March 5, and two afternoons and evenings in Columbus.

WOODMEN OF THE WORLD WITNESS DEMONSTRATIONS AT FORT BENNING

(Continued from page 1.)

porter house steak, French fried potatoes, English peas, pumpkin pie, Parker House rolls, coffee.

The personnel of the 24th Infantry responsible for the luncheon were Captain Robert Q. Whitten, Mess Officer, Mess Sgt. Pearl Johnson, Company "A"; Assistant Mess Sergt. Pvt. Henry Smith, Service Co. Pvt. George Bassett, Service Company, 1st Cook, Privates Leslie Johnson, Company "A," John MiPles, Service Co. Willie McCain, Company "A," Second Cooks.

During the abundant meal, music by the 24th Infantry orchestra and spirituals by an excellent quartet added to the pleasure. Dr. F. L. Rosenthal president called on several of those present for short talks.

First to greet the visitors in a hearty welcoming speech was Col. Wait C. Johnson, commanding officer of the 24th Infantry. Col. Johnson was followed by Gen. Collins, who put in a few forceful phrases reasons which he believed should lead the Woodmen of the World to make Columbus headquarters for that great fraternal organization. Among other things, Gen. Collins said:

"It is a pleasure to entertain the visitors who are the guests of Columbus. The Infantry School is always eager to be of service to the citizens of Columbus. And it is also true that Columbus is ever ready to do everything possible for the army. The relations between the army and the civilians in Columbus could not be better. The army was welcomed from the first and Columbus has never let her welcome grow cold. If the Woodmen of the World move their headquarters to Columbus they will find the heartiest cooperation and the most cordial relationships. It is ont possible to find a better city than Columbus for the Woodmen of the World's headquarters."

W. A. Fraser, sovereign commander of the Woodmen, reponded eloquently to Col. Johnson and Gen. Collins. Mr. Fraser expressed the appreciation of the visitors at the cordial reception given them. He also give interesting figures relating to the organization of which he is the head.

THE PONTONIERS DEFEAT THE COMPANY COMMANDERS (STUDENT OFFICERS) CLASS

(By James R. Morrison)

The Red Diamond boys from the 7th Engineers layed down their tool at 2:30 P. M. Friday February 11th, and strolled over to the garrison gymnasium for a thirty minutes period of basketball, meeting a team from the Company Commanders (Student Officers) Class.

The game was a wow from the beginning both teams showed up well, the officers had age coupled with experience, pitted against youth and recruits in the basketball field, however, not until Rubenstein went in as L. F. were the officers able to register, then came Norris, from behind and once more displayed his basketball ability, being accredited the star for the officers class. As usual Wigley, strutted his stuff for the pontoniers, being followed closely by Collins and Perkins.

Lineup and Summary:

ENGINEERS	G	FG	Pts.
Wigley, f, ffi	4	1	9
Collins, f,	2	1	5
Perkins, c,	2	0	4
Mallory, g, ffi	0	0	0
Danielski, g,	1	0	2
Totals	9	2	20
OFFICERS:			
Neiland, f,	2	0	4
Rubenstein, f,	2	0	4
Norris, f,	3	0	6
Portes, c,	0	0	0
Ross, g,	1	0	2
McDonald, g,	0	0	0
Totals	8	0	16

Substitutes for the Engineers, Caoldwell, McCarty, Grove, Willard, and Elsea. For the Company Officers, Martinson, McKechie, and Lyons. Much can be said for the improvement in the playing of the pontoniers lately, the bridge builders have visions of the Class B pennant flying over the little brown village at the close of the 1927, basketball season.

BIRTHDAY PARTY GIVEN BY I. S. D.

The Infantry School Detachment, the organization that supplies experts in almost every activity at Fort Benning from the "mosquito fleet" to the department of experiment, celebrated its organization day last night with a big smoker, in the detachment mess hall. An elaborate program had been arranged with Major H. A. Bootz, the commanding officer, Capt. K. L. Berry and Sgt. Edward P. Lamb as the speakers of the evening, and a number of entertainment features. The program went through without a hitch.

The opening number was a musical one by two little daughters of Master Sergeant Harris of the detachment. The young ladies, aged about 12 and 10 years, were received with loud applause.

Then Major Bootz spoke on the history and development of the organization and of the present high morale of the Detachment. The talks of Sgt. Lamb and Capt. Berry were well received.

The entertainment features in addition to the first class chow served by Mess Sergeant Bayliss and his staff selections by the 29th Infantry orchestra and the 24th Inafntry quartet and two boxing bouts.

Pieters Co., H. 29th Inafntry received a decision over "Chink" Morris of the Detachment after three thrilling rounds. Paccioni the battling M. P. and McCafferty of the I. S. D. went four rounds to a draw.

ARMY BOXERS WIN 7 BOUTS FROM C. U.

Cadets Score Pair of Knockouts; Byrne Loses Decision

WEST POINT, N. Y., Feb. 12.—West Point boxers swept through seven straight bouts to victory in each in a ring engagement here today with Catholic University.

The Cadets won two of the fights, those in the 115-pound and 165-pound events, by knockouts.

Wathington, a consistent winner for the Cadets, had A. Tierney draped over the lower ropes early in the second round, although Tierney had the best of it up to the moment of the knockout blow. The summaries:

115 pound—Morrow (Army), defeated Riordan (C. U.); bout stopped by referee in second round.

125 pounds—Callery (Army), defeated Maguire (C. U.); three rounds, decision.

135 pounds—Reynolds (Army), defeated Capt. Byrne (C. U.); three rounds, decision.

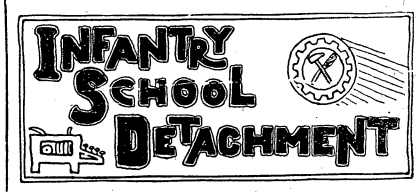
145 pounds—Stone (Army), defeated Grecco (C. U.); three rounds, decision.

165 pounds—Wathington (Army), defeated A. Tierney (C. U.); knockout after 2 minutes of second round.

175 pounds—Fritsche (Army), defeated Malevich (C. U.); three rounds, decision.

Heavyweight—Hornisher (Army), defeated B. Tierney (C. U.); three rounds, decision.

Referee—Ed Forbes. Judges—J. J. O'Brien and J. P. Boyle.



The mettle of the Green Wave will be tested Friday night in their first Basket ball game of the season, when they mix and mingle with the team from the Special Units, and if I am any judge of things in general, the Special Unit is going to lose some spare parts, but as I heard a certaain I. S. D. man say this morning, we won't start shouting until the game is over, then lookout.

We are glad to publish the following promotions in the Det. in the past month, To be Corporal, Pvts. Twigg, Lily Alexander, Jones Anderson, Whitson, White, De Haan, Large, Hilderbrand, and Johnston. Corp. Johnston was transferred to the organization from the 8th Inf. at Fort Screven, Ga.

Fuzzy Morton returned from his home at Grays, Ga., still single, he says that Sallie Mae eloped with a scissors sharpener, and that his faith in women is shattered. We all grieve with you Fuzzy, for we know how it is.

Maj. and Mrs. Arthur Ahrends and Miss Ruth Ahrends will entertain a large number of guests with a dance ;at the Polo Club this Friday evening. The dance will be preceded by a number of dinners. Among those who will entertain are Maj. and Mrs. Spaulding, Maj. and Mrs. Fox, Capt. and Mrs. Huebner.

* * *

A thrill of excitement was created on the Post recently by the announcement of the marriage of Miss Charlotte Pou to Lieut. Henry Dankhe, 15th Tank Battalion. The ceremony was performed at Trinity Church by Rev. Mr. Wragg on Saturday, February 12.

* * *

Capt. and Mrs. Andres Lopez gave a dinner at the Washington birthday dance at Biglerville Tuesday evening. The guests were Lieut. Col. and Mrs. Ralph Kingman, Maj. and Mrs. Lerafin Montesinos, Capt. and Mrs. Leard, Capt. and Mrs. Otto, Miss Kingman, Miss Bruce, Capt. Graham and Lieut. Kamerer.

* * *

The picnic to be given on Sunday evening by Miss Marie and Dorothy Russ, Miss Thelma Pangburn, Miss Peggy Lamphe and Miss Bechy Hill was held as an informal supper at the 83rd Field Artillery Mess owing to the cold weather. The guests were Mrs. Raymond Bishop, Miss Elsie Hoestery, Miss Ruth Ahrends, Miss Jane Bolinger, Miss Lola Lennon, Miss Katherine Kingman, and Miss Sophie Flint. Lieut. John Jeter, Lieut. Griffith, Lieut. Kammerer, Lieut. Strohbehm, Lieut. Burback, Lieut. Dunne, Lieut. Cornog, Lieut. Brinkley, Lieut. Gailbreath, Lieut. Hurt, Lieut. Van Hauten and Lieut. Wilson.

* * *

Lieut. and Mrs. Aubry S. Newman entertained with supper and bridge on Saturday evening for Lieut. and Mrs. George Smythe, Lieut. Wayne Smith, Miss Katherine Lacy, Miss Peggy Lamphe, Miss Katherine Kingman and Dorothy Gowen, Lieut William E. Carraway, Lieut. John Jeter, Lieut. Malcolm Kammerer and Lieut. Hayden Boatner. Miss Dorothy Gowen and Lieut. Kammerer won the high score prizes.

* * *

The George Washington Birthday dinner dance at Biglerville on Tuesday evening was one of the most enjoyable and attractively costumed hops of the year. After dinner every one in costume took part in the grand march and the prizes for costumes were awarded to Mrs. Brine as Lady Washington and Maj. Little as a furry frontiersman. Mrs. Roberts and Capt. Dunlop, who were dressed as the old fashion girl and a pirate respectively, won the second prizes. The outstanding dinner party of the evening was the Pirate Crew, which was carried out in every detail from the pirate ships as centerpieces to the scull and cross bone flag and the dagger place cards. Among the many which entertained were Maj. and Mrs. Spaulding, Maj. and Mrs. Ladd, Capt. and Mrs. George King, Capt. and Mrs. Karstal, Capt. and Mrs. Lopez, Lieut. and Mrs. Rogers and Capt. Hathaway.

* * *

Lieut. and Mrs. Wade Johnson entertained most attractively with a dinner of twenty-four guests at the Muscogee Club last Saturday evening.

* * *

Lieut. and Mrs. Wayne C. Smith announce the birth of a son, Wayne C. Smith, Jr., at the Post Hospital on Saturday, February 19.

* * *

Maj. and Mrs. Elmer Franklin Rice gave an informal supper after the Dramatic Club presentation on Saturday evening for the cast of "Meet the Missus."

* * *

Mrs. Peter A. Feringa entertained most attractively with five tables of bridge on Monday afternoon. The high score prize, a delicate shade of silk hose, was won by Mrs. J. C. L. Adams. Mrs. Dawson won second prize and Mrs. Harris the last prize.

* * *

Mrs. Maxon Lough entertained with three tables of bridge last Thursday in honor of her guests, Miss Alice Lough and Miss Guenn Guthrie. Writing paper was given to the two guests as prizes and to the high scorer at each table, Mrs. David Garrison, Mrs. Henry Bootz and Miss Katherine Kingman.

* * *

"Pan-Hellenic" had a very delightful meeting last Friday at the home of Mrs. Paul R. Goode in Block 20.

* * *

Mrs. Joseph H. Burghein entertained with a bridge luncheon on Thursday afternoon in honor of Mrs. Mable King, the mother of Mrs. Carrol M. Gale. The first prize, three guest towels, was won by Mrs. Davis, while Mrs. Boyd won the second prize, score pads and bridge tallies.

* * *

Lieut. and Mrs. J. C. L. Adams will give a supper party before the Organization Day dance of the 29th Infantry next Thursday.

* * *

Mrs. Edwin Spiller entertained with luncheon and bridge on Thursday in honor of Miss Cornelius Cress, the guest of Maj. and Mrs. Tom Fox.

* * *

Mrs. Edwin Butcher entertained with bridge and tea on Wednesday afternoon in honor of Miss Alice Lough and Miss Guenn Guthrie.

29TH INFANTRY TO HOLD HORSE AND TRANSPORTATION SHOW IN MARCH

On Thursday, March 17, beginning at 1:00 o'clock, the 29th Inafntry will hold their annual regimental Horse and Transportation Show, in the 29th Infantry show ring.

A most comprehensive schedule has been prepared by the committee detailed for the purpose. There have been prepared in all, eighteen different and varied events, for officers, for ladies, for enlisted men, and for transportation of different type. In addition, there are jumping events, and exhibitions by the most accomplished horsemen in the regiment. The transportation contests will comprise howitzer carts, communication carts and assort wagons. All transportation will be judged by its condition, and preparation for the contest. There will be officers jumping contests, officers and ladies jumping contests, and jumping contests, for enlisted men.

To all who are interested in horses, and they are many, this is one of the best shows of its kind held at the Infantry School. The entire program of events, with officials, is given herewith.

ARMY POLO COMMITTEE APPOINTED

The War Department has announced the appointment of the following officers as members of the Army Control Polo Committee:

Chairman:—Lieutenant Colonel Nelson E. Margetts, General Staff.

Secretary and Treasurer:—Major Willis D. Crittenberger, Cavarly.

Member:—Lt. Col. E. H. DeArmond, Field Artillery.

Member:—Major Henry W. Baird, Cavalry.

Member:—Major C. L. Scott, Quartermaster Corps.

Member:—Major Cortland Parker, General Staff.

Member:—Major Robert E. O'Brien, Infantry.

The Army Central Polo Committee supervises polo throughout the Army, and is charged with the organization of a team to represent the Army in national tournaments. At the present time the United States Army holds the British-American Army Championship, and the following national titles: Junior Championship, Inter-Circuit Championship, and Twelve Team Championships. This coming summer the Army will enter a team in the Open Championship, which is the senior tournament played in America.

Cadets at West Point Now Wear Mackinaws

Military Academy orders now provide for the addition of a short grey mackinaw overcoat to the cadet uniform says the New York Times. It has proved a great convenience. The new garment does not displace the long overcoat which has been part of a cadet's uniform since 1820. The adoption of the short overcoat is an outstanding event because practically all previous changes in the uniform have come about gradually, being chiefly modifications.

Up to 1805 cadets wore either the uniform of the Artillery or the Engineer Corps, depending upon which branch the cadets were assigned to. Somewhere between 1805 and 1814 the cadet dress coat was of blue cloth, single-breasted, with standing collar. In 1816 a type of uniform was adopted which, with alterations from time to time, is substantially that worn today. It included the old-style cockade and plume.

The cockade gave way to the cylindrical type of hat with short pompom between years 1820 and 1830. During that period, also, the high standing collar was cut down so as to fit the neck.

Originally the trousers were very short and very full and were held down by straps under the instep. A type of forage cap similar to that worn by the Army during the Civil War was used until 1903. Sleeve chevrons were first used in 1817; shoulder belts were adopted in 1841, as were sashes for officers; the cadet blouse was introduced in 1889, thus doing away with the old-style riding jackets; raincoats were first issued in 1924, and since discarded.

The white coat was adopted in 1912, which gave the cadets a complete white uniform, since white trousers had been a part of the uniform since 1817.

Black leather laced leggins have replaced the original canvas leggings. White canvas shoes, worn with the white uniform, were prescribed in 1924, and since discarded. Special type white sport shorts were adopted in 1919. Gymnasium trousers and gymnasium jerseys were adopted about 1910.—West Point Publicity Office.

MONOGRAPHS

The main factors of the Verdun Offensive from January to June 1916 were related to the 24th Inafntry officers by Captain Paul E. Leiber of that regiment in his lecture delivered February 18, 1927.

The outstanding personalities involved in the struggle were the Crown Prince commanding the German forces and Marshall etain commanding the French. Political, economical, and military consideration involving Verdun were discussed.

The principles of war namely:

(a) Objective.
(b) Offensive.
(c) Mass.
(d) Economy of force.
(e) Movement.
(f) Surprise.
(g) Security.
(h) Simplicity.
(i) Cooperation.

Were considered in detail. In conclusion Captain Leiber stated "The battle of Verdun illustrates splendidly the use to a minimum of permanent, definitely located rigid forts as compared to the use of flexible field works involving maneuvering within an area."

The value of mobility in warfare, was emphasized.

NATIONAL GUARD SIGNAL COMMUNICATION CLASS

The National Guard, Signal Communications class, composed of high rank non-commissioned officers from all parts of the United States, soon after their arrival at the Infantry School, became 100% members of the athletic association.

Not contented with this most excellent spirit of co-operation at Fort Benning, they have signified their desire to enter a basketball team of their own in the class "B," league. Through the efforts of Colonel Wait C. Johnson, the Guardsmen played their first game on Wednesday February 23.

In addition to their participation in the basketball league, the class is expected to furnish several promising cindidates for the baseball team.

CHILDRENS SCHOOL

Our Valentine arrived in the shape of a Peanut marked "Childrens School.'

Jack Hall and Orlean Miller of the seventh grade were given the Honor of raising it.

The Kindergarten pupils had a delightful Valentine party on Monday and all of the classes had Valentine boxes, and lots of fun.

Have you eaten Toms toasted peanuts; each kiddie received a package of Toms peanuts, and a surprising number of poets are being discovered, English lessons are also growing popular.

BASEBALL PRACTICE TO BEGIN SOON

The call for which many of the officers and enlisted men at Fort Benning have anxiously been awaiting, has at last been sounded. The sun of the baseball season has peaked one eye above the horizon, and last years gloves and bats are beginning to be handled, rubbed and polished.

All candidates desirous or trying out for the post baseball squad, either as pitchers or as catchers, will report tomorrow afternoon to Captain Fountain, who will coach the team this year, Captain Fountain is too well known to need any introduction to either Columbus or Fort Benning ball bugs. For three years he has successfully piloted the Infantry horsehide tossers, and will no doubt do like wise this season.

Judging from the number of names turned in to the athletic association in the last two days, there will be no dearth of pitching material. How good that will be, remains to be seen. But there is plenty of it. Catchers seem to be at a premium this year, few having signified their desire to try out. No doubt they will do so later. However, the team is assured of one, at least, who has been one of the Infantry mainstays for five years, Sergeant Frank B. McCarthy, of the Infantry School detachment, will be behind the bat once more.

Among the pitchers from former season are Tolle, who has been a first string slabbist for two years, and McGaha, who, it will be remembered shut out the Columbus team last year 12 to 0. There are quite a number of new ones, among them being Roosma, of basketball fame. If he can shoot the old apple like he does baskets, there will be some strong breezes around the batters box, as the bats fan it up. Van Studdiford, who was trying out in the big leagues prior to the war is another prospect. Others of whom little is known at present are Ramey, Dixon, Lampke, Crim, Kuntz, Snyder, White and Hall.

Gowdy Field will, from tomorrow afternoon on until next September, be the scene of unusual activity. It is planned to call out candidates for infield and outfield positions about March 1.

The schedule, while not yet completed already carries many big attractions. Captain Dunlop, manager of the athletic association has arranged for eleven games, while numerous others are pending. The schedule is as folows: Michigan State, March 28, 29 and 30. University of Florida, April 2 and 3. Indiana University April 5th and 6th. University of Notre Dame, April 15th and 16th. Howard College, April 26th and 27th. Games pending: — Oglethorpe, Georgia and Auburn.

He—"I want to marry your daughter.

Father—"Have you seen my wife yet?"

He—"Yes, but nevertheless I prefer your daughter."

BARRACKS BANTER

By Ad.

The American Legion is meeting with unexpected competition in staging its "Back-to-the-Battlefields Tour."——— Strangely enough nothing like this happened during the first tour.

TRANSPORTATION TROUBLES

Worried Mama:—"Johnnie, why are you making your little brother cry"?

Johnnie:—"I'm not making him cry mama. He's dug a hole and he's cryin' 'cause he can't bring it in the house."

* * *

And now we understand that the girls are taking up the masculine habit of smoking a briar pipe.—One of these days some young lady is going to bite into a plug of "Brown Mule" and we hope it will " learn" her a lesson.

"QUEEN OF BATTLES"
(By Reyburn Engles)

Here's to you, "Queen of Battles"—
With your rifle and grenade,
You spread awe and consternation—
When you start out on a raid.

There's nothing flashy 'bout you—
But we know that if we need,
Some one to back the Nation—
You'll be right up in the lead.

The man who rides the caisson—
Keeps 'em rolling right along,
But he always parks in safety—
Well behind the Doughboys throng.

The man on prancing chargers—
Who scout far in the advances,
On contact, finds a haven—
Well behind the Doughboys lance.

The man who scouts with air-craft—
While important in the game,
Just helps the haughty Doughboy—
To win a lot of fame.

The man who builds the pontoons—
And keeps the roads in trim,—
Are just tasks that make it easy—
When the old Doughboy walks in.

We could write a lot of verses—
On the deeds that you have done,
But just now, "Old Queen of Battles"
Be content with Laurels won.

FRIDAY FEB. 25

"The Amateur Gentleman" starring Richard Bartlemess in a comedy drama in which the young hero inherits a fortune, licks his ex-pugalist father and shows him that he can become a gentleman. The story then travels to the Steeple Chase were intrigue complicates matters and ends in a return to the home town where a happy marriage climaxes a mixed and thrilling romance.

"What, No Spinach."—Blue Ribbon Comedy.

SATURDAY FEB. 26

"Lighting Lariats" featuring Tom Tyler and his Pals, little Frankie Darro and Sitting Bull the dog; in a delightful novel, western story, with a fugative heir to the Balkan Throne staggering across the pitiless desert almost exhausted, when he is saved by a husky big hearted cowboy.

"From Rags to Breeches."—Sennett Comedy.

SUNDAY FEB 27

"Across the Pacific." This is the first great Spanish American War picture. It is a story of romance, intrigue and adventure, against the colorful and picturesque background of the tropics; featuring San Francisco's China Town before the earthquake, the Pilippines during the war with Spain, and the Guerilla activities surrounding Auinaldo. Fascinating half-caste women, native spies, and a devil-may-care hero maintain continuity of plot. Monte Blue is the Star.

"Felix in Blunderland"—K. Kat.

"Pathe News."

MONDAY FEB. 28

"The Sea Wolf" from the celebrated story by Jack London, starring Ralph W. Ince, is a picturesque, dramatic, absorbing and appealing story of life at sea, off the Pacific Coast. The plot starts in Frisco Bay where masqueraders are cast into the sea from their sinking ferry—they are picked up by a larger boat, carried through the Golden Gate up into the seal fishing waters. During their journey they are brutally treated by rough sea dogs. An undesirable marriage is arranged, a mutiny ensues, the ship is burned, and story ends with justice predominating.

"On Guard" No. 1. Starring attractive young Cullen Landis, who endeared himself to the people of Fort Benning when here. These pictures were scenarized at Camp Meade and at Fort Benning.

TUESDAY MARCH 1

"Puppets" starring Milton Sills in a thrilling drama of the Chetto, demonstrating that when a man steals a woman's love, someone must pay. This is a First National Picture.

"Don't Miss"—A Cameo Comedy.

WEDNESDAY MARCH 2

"Homestruc" featuring Viola Dana in a glistening story of night life in New York, throbbing with the glamour and heartache of the stage. The plot is replete with comedy, pathos and humor.

"Collegians No. 1."—Real Comedy.

THURSDAY MARCH 3

"Prisoners of the Storm" starring House Peters in a thrilling, throbbing, pulsating story of three men and a girl, buried alive under tons of snow, percipitated by an avalanche. All three loved her. Stark human courage faced almost insurmountable odds in this pitcure.

"Pathe News."

FRIDAY MARCH 4

"Blonde or Brunette" starring Adolphe Menjou and Greta Neissen in an hilarious French farce. It is the story of a man who could not decide between a blonde and a brunette, until he had married them both. The plot is laid in the naughty but nice environment of "Gay Paris" with gay beautiful women, handsome men, lively parties among old mansions. Continuous amusement of the laughing variety is warranted.

Quartermaster Corps

Ye Olde Printe Shoppe Gossipe

Say, where is he, or who may hebe,
That can rival the printers power?
To no monarchs that live the wall doth he give;—
Their sway lasts only an hour;
While the printer still grows, and God only knows
When his might shall cease to tower.
—MACKELLAR.

In the near future Captain Barton expects to have the Print Shop force enlarged. Within the next seven months six men will be discharged and none of these men have signified their intention of reenlisting as the trade they have learned during their enlistment will enable them to receive good wages in civilian life. The new men will be given instructions on some of the less important things, until they become familiar with the machinery in the different departments, and then each man is placed in the department he thinks he would like. The department foreman (usually a man with years experience) helps in every way to instruct and encourage the student until he bacomes skilled enough to run things without the aid of the instructor. If, during that time, the student really studies and tries to learn, he is examined by Captain Barton and given a rating. Further information may be had at the office of the Q. M. C. Print Shop.

The shop gang, with the I. S. D. regret the the Detachment team lost the first game of basket ball played this season. We are sure that the team is not going to stay at the bottom. The members of the shop were all present, and we are proud of the way one of our members (Pvt. Goodrich) played the game.

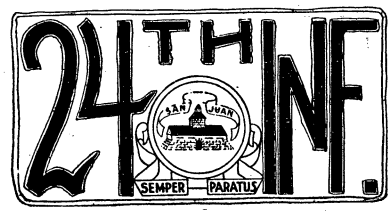
Certain men in the Print Shop seen to dislike having their names in print. Guess they don't want any one to know that they are printers. Just remember, one of our Presidents' was a printer.

On March 3rd Private Lenard Pash of the Print Shop will be discharged, having completed three years with the Infantry School. Private Pash has not made up his mind as to whether he will re-enlist. The members of the shop would like to have him with us for three more years. During his time in the Print Shop he has never been in trouble with the men and has always had a smile reserved for some one, no matter the time or place. Private Pash was detailed to the Print Shop on September 18, 1924, and not having very much experience in the printing trade, he was placed in the press room. After a time he was able to operate a press with much speed. He has worked in several departments of the shop and has become a very valuable man. Whatever Private Pash intends doing, Captain Barton with the shop gang wishes him the very best to be had.

TRANSPORTATION BRANCH

Orders have just been received from the Quartermaster General to overhaul and place in serviceable condition, three locomotives, 60 c. m., to be shipped to Camp Dix, N. J., for use in summer training activities.

There was received at the Rail Transportation Repair Shop on Friday, February 18th, a Saddle Tank Locomotive from Muscle Shoals, Ala. This locomotive will be repaired and shipped to Fort Bragg for use at that station.



An evenings lively entertainment for the enlisted men of the 24th Infantry was provided by Company "H" of that regiment on Wednesday evening, February 16, 1927. A most enjoyable dance was given by that organization to their comrades, wives, and friends. About 100 couples assembled at the 24th Inafntry Service Club at nine o'clock in the evening and indulged in two hour's pleasant recreation. Sergeant George Jones of the sponsoring company made all the arrangements and was responsible for the evening's activities. The affair terminated with light refreshments served under the supervision of Mess Sergeant William Ellis, Company "H" 24th Infantry.

THE PONTONIERS DOWN CENTRAL OF GEORGIA QUINTET

(By James R. Morrison)

After riding rough shod with their fast express over some of Fort Benning's best organization basketball teams. The Central choo choo boys met the 7th Engineers at the garrison gymnasium on Saturday February 12th, at 3:30 P. M., they were forced to accept their first defeat from the soldier teams. The Engineers brought into play their demolition squad which slowed up the travel of the railroaders to such an extent, that victory was always in reach of the daughty demolition men. Much can be said of the brilliant playing of Wigley, who flung a wicked ball and connected no less than 9 times with the hoop, for the engineers, while Perkins and Collins also made several nifty shots which netted their team mates 14 points. For the losers March was the high man. He duplicated Wigley's record exactly, having 9 field and 1 foul goals chalked up to his credit. However, the railroaders didn't seem to lend him as much assistance, as the Demolition men did Wigley.

Line-up and Summary:

THE PONTONIERS DEFEAT MEDICAL DETACHMENT AND CHEMICAL WARFARE SERVICE

(By James R. Morrison)

The 7th Engineers defeated the Medical Detachment and the Chemical Warfare Service in their first whirl at the Class B Basketball pennant race at Fort Benning, Ga. The leading teams are the Engineers and the Q. M. C. Detachment, neither of these teams having so far lost any gaems. The two leaders will meet Thursday night, the 24th, to do battle for the leadership of the Class B league.

Summary of games. (Engineers and Medical Detachment 2-18-27.)

Famous Sayings by Great Men

1st Sgt.—Fall in.

Pvt. Cameron (in high soprano)—There goes your old ball game.

Pvt. Sime—%$"&)*(|?œc6-¾½

Sgt. Brock—Outside for police.

Pvt. Grove—To focus or not to focus, that is the question.

Corp. Danielski—It won't be lnog now.

Mess Sgt.—There aint no more.

Sgt. Allison—A'hem.

Pvt. Jones—The gun done went.

Sgt. Mallory—Once upon a time.

Sgt. McCarty—How y'all.

Pvt. Dixon—Yes, sir.

Pvt. Estes—Two years and a butt.

Sgt. (your choice of one)—Squadsftywqplmsdnvx—March.

Pvt. Marshall—Who's got a cigarette.

Crp. Bevis—I will now sing——

Corp. Kingsbury—This exercise is done in twelve counts.

Pvt. Norman M. (Oscar) Grove has entered the field of journalism by writing the story of his life. He calls his initial effort "Life in a Small Pennsylvania Town, or Why I Had to Leave Home." The story will appear in serial form in the Pontonier beginning with the March issue. "True Story" and "Smart Set," please note.

Pvt. Odos E. Whitehead went home to Enterprise, Ala., last week to see a certain party, but found that someone else had gathered in his crops. His visit being fruitless, Odos only stayed two days.

Cresco celebrated Independence Day very religiously until the year 1903 when Pvt. Ray Van House was born. For the benefit of the uneducated, Cresco is in Iowa. Van House labored as a typist, clerk and stenog until this year he decided his home town didn't appreciate his peculiar talents and sought a wider field. He found it, and plenty of them, in Fort Benning. On January 19 Van House said "I do" and he's still doing it.

MARDI GRAS BALL

On Friday Feb. 25th, a benefit Mardi Gras Ball will be sponsored by Miss Angela Brescia and the Catholic Girl's Club of the Holy Family Church assisted by the entertainment committee of the Elks, at their home on Eleventh street.

The true carnival spirit will be infused into this entertainment and many interesting features are being arranged by efficient committees.

ADAPTABILITY

"Are you in favor or prohibition?"

"I am," answered Uncle Bill Bottlestop, "but I'm not wasting time in idle protest because I can't have my own way."—Washington Star.

BLIND FAITH

First Man in Train—My wife managed to drive a nail yesterday without hitting her thumb.

Second Ditto—How was that?

"She inveigled the maid into holding the nail."—London Answers.

NOT THAT KIND OF COOP

Judge—Uncle Rastus, you are charged with an attempt to break in Col. Cabel's chicken coop.

Rastus—No, sah, jedge, dat ain't no chicken coop no moah. Dat's de colonel's distillery now, sah.—Tacoma News and Tribune.

STRONG FOR REMNANTS

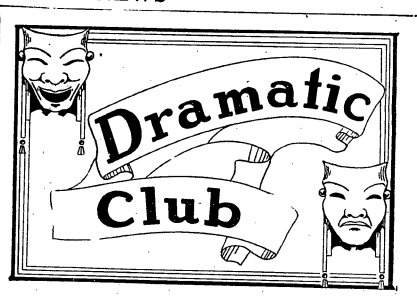
"My husband fought in the big war," announced Mrs. Bloer proudly. "His company was in one engagement from which only a remnant escaped alive."

"Gracious," exclaimed Mrs. Barginhunt. "And you got the remnant."—Capper's Weekly.

Hopeful Athlete—"I have a chance for the track team."

She——"Are they going to raffle it off?"

Park at C. A. Morgan & Co. Open till 10 o'clock. Soft Drinks, Drugs and Cigars.



The Dramatic Club presentations of three one act plays on February 19, 1927, at the 29th Inafntry Theatre displayed some lack of direction and coordination. The productions were not up to the usual standard of the Dramatic Club. While the players are amateurs and their efforts are to be judged according to that standard, the former offerings have not been so slow moving, disjointed, awkard, and neglectful of dramatic values, but have been of a somewhat professional nature. Saturday evening's performance was in the main that of poorly trained amateurs. While the efforts of the players showed an appreciation of the factors involved and in some instances considerable histrionic ability, the absence of dramatic technique was clearly manifest.

Upon the curtain raising in the first play, "The Trysting Place," by Booth Tarkington, the attention of the audience was forcibly directed to a large Philippine chair facing the wall in a fashionable hotel sun room by means of a large red shawl drapped over it. From this chair came one of the prinicipal effects of the play. Thus at the outset the audience was told the source from which it would come, rather than arriving as a surprise, as was intended by the author. The players failed to approciate the fact that any form of drama tells a story through the interplay and the reactions of persons of definite characteristics to a particular situation. They spoke the lines of the piece, but did not connote to the audience the types of persons they were portraying or their reactions to the various episodes of the play. The presentation lacked speed and was therefore more of a series of recitations than a closely knit, swift moving comedy.

The next play, "The Girl," by Edward Peple, was better rendered. A definite attempt at characterization was made and the stage mechanics had been carefully thought out. However, the play was written as a melodrama and produced as a farce. An appreciation of the required dramatic technique was not manifested. The presentation was a good example of the failure of the director to appreciate the type of play involved and to produce it in accordance with the conventional rules of that kind of drama.

The last offering on the program, "Meet the Missus," by Kenyon Nicholson, was done with greater skill than the other two. It also was the easiest to produce. The motivation was good, but the rationale of movement and characterization only fair. While the full capabilities of the comedy were not developed, the story and motive got over the footlights and was enjoyed by the audience. A keener realization of the potentialities and more skilful handling by the director would have made it a decided success.

The failure in the first two productions to give proper weight to stage settings greatly handicapped those productions. To expect the audience to believe that the cheerless room in the "Trysting Place" was the sun parlor of a fashionable hotel was too much of a strain upon the imagination.

A wealthy bachelor who had such constant use for a valet as was portrayed in "The Girl" would probably have had comfortable chairs to sit in, proper decanters, ash receivers, attractive mural decorations, etc. Less attention to stage setting distracts the audience from the oral portrayal and increases the actors difficulties in painting the picture.

Groups of unescorted children were an annoyance during the productions despite numerous requests in the past that children be accompanied by their parents who would be responsible for their conduct.

The executive body of the club desires to again impress upon members the absolute necessity for complying with this regulation. In future strict measures will be taken to see that children unaccompanied by parents are not admitted to productions and that children admitted do not sit in groups to distract the players or annoy the audience.

The next presentation of one act plays for club members and their guests, only, will take place at the 29th Infantry Theatre at 8:30 P. M. 12 March, 1927.

The selection of plays, now in rehearsal shows a wide variety and an opportunity for new portrayals. Members are assured of a most interesting evening with some actors in entirely different roles from those heretofore attempted and some progress is shown in the weight of one of the productions.

The plays are as follows

The Valiant—A play by Holworthy, Hall and Robert Middlemass. This play is a very solemn thing—a tragedy.

The Choir Rehearsal—A play by Clare Kummer.

The scene is laid "somewhat off the beaten track" in Massachusetts.

A Woman of Character—A comedy by Estelle Aubrey Brown. The scene is laid in the living room of a middle class American home.

Details of directors, casts, etc., will be announced in this column later.

Members may invite two guests, as usual.

(Editor's Note.—The critieism of playlets given by the Dramatic Club is rather ably made by a member of that organization.)

29TH INF.

COMPANY "C"

Sgt. Logan Smiley re-enlisted on the 20th of this month and is now on a ten day furlough.

We have a new sergeant in our midst. Henry S. Blodgett is now a fledgling sergeant.

The new corporal is Ladico. Good luck to you Ladico.

That young man Pvt. Shields has just reported back for duty from a twenty day furlough.

COMPANY "D"

Private James W. Lyons has been relieved from further duty with the A. and R. officer and will replace Private Harry Larson as a cook in the kitchen. Larson, a retired pugilist will assume the aggravating duties of a mess sergeant.

The regimental non-commissioned officers school started Saturday with five splendid sldiers from Company "D" enrolled as fully matriculated students. They are:

Sgt. Horace "Hot Papa" Vines of Mobile, Augusta and Fort Sam Houston.

Pvt. Kelly, J. who served for over three months with the Eighteenth Infantry at Fort Slocum, New York

The members of this company take great pleasure in congratulating "H" Company on the winning of the Blue Pennant.

On January 28, 1927 while on demonstration for the Infantry School, Sgt. Bernard J. Lang of Company "D" 29th Infantry, Fort Benning, Ga., saved the life of a member of his platoon from bleeding to death caused by having his hand blown off at the wrist by the premature explosion of a T.N.T. bomb.

Physicians who were on the field at the time of the accident and these who later operated on the injured man at the station hospital three miles away complimented Sgt. Lang upon his thorough and efficient manner in rendering first aid causing the man to loose so little blood that after efects were caused from the shock.

The Regimental Commander, Col. James B. Gowen, in a recent letter to the regiment commanded Sgt. Lang for his splendid work in a crisis and cited him as an example and an outstanding non-commissioned officer of the regiment.

The American Entertainers a distinctly novelty company known as the "Company Unusual" will be the next attraction at the 29th Infantry Theatre appearing here Saturday evening at 8:00 o'clock.

The company is composed of Misses Corine Jessup and Leolla Feiertag, both ladies being entertainers of experience and together provide entertainment of interest and pleasure.

Miss Jessup is a mezzo-soprano, pianist, and reader while Miss Feirertag is a Celerature soprano.

Their program includes vocal solos and duets, readings and musical monologes. Their selections range from strictly classical numbers to the latest popular airs.

COMPANY "E"

We are proud of the results of the track meet. Why not?

The last week found us busy in cleaning, now that the company has gotten over all is well, in appearance and duty.

Fat the basket ball wizard has accounted for many points in the pumpkin tossing, and baseball soon. Soft?

Our athletes when falling out of practice could be easily mistaken for a platoon.

A new recreation room orderly is about to mount the throne, Moore deciding it to easy, so Orouke takes the lines.

MILLARD M. MATHEWS.

COMPANY "F"

Renn V. Mancuso, the terrior of the ranges—was welcomed back from the cold and shivery north. He states that the place looks mighty good. Welcome.

Well no news—is good news.

O. W. NELSON.

COMPANY "G"

Sergeant Sutherland will leave the company Wednesday for old Alabam. Although he gets discharged, he will be back in three months in time to go on the range with the company. We hope he will enjoy himself while away and remember the boys on the baponet course.

Private Troy V. Moore is again in the limelight. He has been seen lately shiek ing on Broad Street and Second Avenue, and from all indications, has fell hard for the Columbus lass. We wish you the best of luck Abie.

The company is very proud of its standing in the recent ter mof the regimental non-commissioned officers school, which closed the 11th. We can boost of the honor graduate, Corporal Lester Kirkland, and of taking second place in the company's standing. It is certain that the men attending the next class will do better than even this.

We are all looking forward to the coming Organization Day for the 29th Infantry, March 3rd. The track men are getting in full trim for all athletic events, and we hope to cap first place.

W. VAUGHN.

COMPANY "H"

We are having the misfortune, just now, of losing a few very valuable men. Among those leaving are: Sergeant Reed, J. L., Pfc. Reed, C. T., Pfc. James, and Pvts. Hinnant and Thorn, E. L. They all go by the ETS., route, with the exception of Pvt. Thorn, E. L., who was discharged on account of minority.

Sgt. Reed and his brother Charlie will return to their home in Tampa, Florida. We hope to hear from these men often and in a favorable way. Sgt. Reed has been our Stable Sgt. for the past few months, and a good one at that. Charlie has been the idol of the Company in many pugilistic encounters, holding for the past year, the Regimental Welterweight Championship. He still cherishes hopes of meeting Gene Poyner of Columbus real soon. We believe that he will certainly win from Poyner this time

The good will of the whole company goes out to these men, each member wishing them all the good luck due two good soldiers. As a last word, we wish to say, that if they ever desire to enlist in the Service for another three years, that Company "H" will welcome them back to the "We Lead The Way" company of the "We Lead The Way" Regiment of the "Follow Me" branch of the Service.

We all wonder just why Corporal Carroll has taken a sudden notion not to sell his "Civie" suit! Yet——We have a vague idea. Private First Class William E. James was discharged last Friday, and did not re-enlist. We hate to see James leave us, as he has been an excellent soldier, the kind that makes a good Company. We only hope that we can get more like him. James hails from that Wonderful Magnolia State of Mississippi, in the near vicinity of Batesville. He states that he expects to get along fine with the Police force of that great city, as he knows both of them.

Private Hinnant has decided to take on another three years with First Battalion Headquarters. We are sorry to see you go, my lad. Just remember that you still have friends down here with the "Brownies."

Private Thorn, E. L., has returned to his parents in Perkins, Ga.

By-the-way,!—Private Crabb of the First Squad wants to know whether a sixth class specialist has the right to "Bawl er——Firrrst—Claas——Priiivate—aout. "Why certainly, my lad, isn't six more than one. Use the old bean for other purposes than to hang a hat up on. You're in the army now."

Corporal Ball says that when at Battery Drill, the order came "Q. E.-25" that it means to quietly elevate downward. He also says that the Battery Angle of Parrallax is a new kind of tooth paste.

Prof.—"If there are any dumbbells in the room, please stand up."

A long pause, then finally a lone freshman stood up.

"What. Do you consider yourself a dumbbell?"

"Well, not exactly that, sir, but I hate to see you standing alone."

CHIEF OF STAFF TO VISIT BENNING ON M

INTRA-MURAL BASKETBALL CONTINUES TO HOLD GARRISON INTEREST

First and Second Battalions, 29th Infantry, Apparently Strongest Contenders For Title

Since the last issue of the Infantry School News, there has been but little change in the league standing, of both Class "A" and Class "B" teams. However, several very exciting games have been played, outstanding among which was that between the 1st and 2nd Battalions of the 29th Infantry, which was won by the second battalion. The game was featured throughout by the work of Franz, who cut loose and did everything but turn cart. Without doubt, Franz is one of the fastest, flashiest, and most clever players ever seen at Fort Benning. McAllister also played a good game. The 1st battalion, while not so accurate as their oppenents, were better at passing, displaying a higher degree of efficiency in this respect, Hampshire starred for the 1st battalion.

The 15th Tanks have moved up another notch, having scored victories over the National Guard, and the Special Units of the 29th Infantry. The 1st battalion seems destined to remain in second place, as they have demonstrated their superiority over all teams except the 2nd battalion.

In the "B" league, the Engineers appear to have clear track, and are under a full head of steam. Barring accidents, they should cross the finish line with a perfect percentage. The Q. M. Detachment team has been playing excellent basketball, and while not equal to the Engineers, appear to be entitled to second place. The Gas Regiment and the Medicos are fighting it out for third place, and are about equal in strength.

RESULTS LAST NIGHT

"A" League:—15th Tank Battalion—33. National Guards Class enlisted men—14.

"B" League:—Quartermaster Corps—29. Medical Detachment—12.

HOW THEY STAND

"A" League

	W.	L.	Pct.
2nd Battalion, 29th Inf.	4	0	1,000
1st Battalion, 29th Inf.	3	1	.750
Special Units, 29th Inf.	2	2	.500
15th Tank Battalion	2	3	.400
Infantry School Det.	1	3	.250
National Guard Class	0	3	.000

"B" League

	W.	L.	Pct.
7th Engineers	4	0	1.000
Quartermaster Corps	3	1	.750
Chemical Warfare Service	1	4	.200
Medical Detachment	1	4	.200

Last night's game in the "B" League was the playoff of a game previously

(Continued on Page 2)

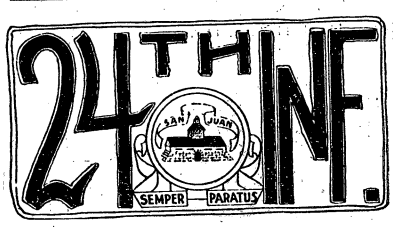
Major General Charles P. Summerall, Chief of Staff U. S. Army.

MAJOR GENERAL SUMMERALL WILL OFFICIALLY INSPECT THE ENTIRE GARRISON

Distinguished Officer Will Come To Fort Benning Direct From Washington For Short Stay

It was officially announced at the Headquarters of the Infantry School yesterday that Major General Charles P. Summerall, Chief of Staff of the United States Army will officially visit Fort Benning on March the eighth and ninth. Plans for General Summerall's visit have been made but have not been announced as yet, as such plans will, of course, be held for the General's approval.

The visit to the Garrison on March the eighth will be the first that General Summerall has made to the Infantry School since assuming the duties of Chief of Staff of the Army last November. General Summerall succeeded General John L. Hines as Chief of Staff and his selection for that high office occasioned no surprise but it was regarded in all military circles as emminently fitting. General Summerall brought to the office a great breadth of experience. Outside of his brilliant Military career, he is considered an authority on international affairs, a qualification that is looked upon as very essential, in view of the disarmament negotiations, which are now in progress. He has also enjoyed close contact with political, social and business con-



Company "I" 24th Infantry, whose appellation is "The Pace Setters" gave a dance to the enlisted personnel of the regiment on the evening of February 23, to which all married men, their wives, and a certain number of single men were invited. The Service Club of the 24th Infantry was used for the occasion. About 250 persons were present and enjoyed the evenings activities. Sergeant Willie B. Wood, of the Service Company, and his jazz orchestra furnished excellent music.

One of the features of the evening was the ladies tag dances, which caused an unsual and amusing diversion from the usual scheme of dancing. Corporal Ford Hairston, acting Mess Sergeant of "The Pace Setters," was responsible for the excellent refreshments served, and Corporal Motto Ruryear, of the same organization, as general manager, had charge of all details incident to the affair.

The non-commissioned officers club of Company "I" 24th Infantry, conducted a very enjoyable card party on February 17th. In addition to the non-commissioned members of that organization, a large number of their friends in the regiment and the civil population of Columbus attended. Mrs. Monroe Lee, won the first ladies prize, which consisted of a 2 pound box of chocolates, and Corporal Jesse P. Mays, Company "C" 24th Infantry, secured the first men's prize, a pair of silk socks. The affair was held in Mess Hall No. ., and the excellent manner in which it was conducted is typical of the high morale and efficiency of that organization.

Extensive landscape gardening operations are being conducted in the 24th Infantry area under the supervision of Master Sergeant Gus Hoard, 24th Infantry. Many brushes and shrubs have been set out and large plots of ground fertilized and planted with grass. The project has made the environs of the 24th Infantry more pleasing to the eye and helps counteract the baneful influence of inadequate quarters surrounded by red soil.

The Department of Recreation of the City of Columbus is conducting a course of instruction in play ground activities for those members of the 24th Infantry who desire to attend. This is in accordance with the desires of the regimental commander. Col-

General and Mrs. Edgar T. Collins entertained on Saturday evening for thirty-four guests at the Country Club Dinner Dance.

* * *

With Ash Wednesday marking the beginning of the somber Lenten Season the number of social events has somewhat abated. Through the gray days of lent all are looking forward to the seventeenth of April when, with Spring, Easter will be here.

* * *

One of the largest and most delightful parties before the Lenten Season was the dance given at the Polo Club on Friday evening by Major and Mrs. Ahrends and their daughter, Miss Ruth Ahrends.

* * *

The Chapel Guild will meet on Monday the seventh at 10:30 in the morning at the Protestant Chapel at which time the ladies of the Post will have an apportunity to admire the fresh paint and new curtains in the Sunday School room.

* * *

The Infantry School Woman's Club will meet on Monday at the Polo Club at 2:15.

* * *

Miss Marie McCammon, daughter of Colonel and Mrs. McCammon entertained on Saturday afternoon with a very novel fancy dress party at her home. Prizes were awarded for the best costumes and to the winners of various games and delicious refreshments were served to make the afternoon a total success.

* * *

Miss Creighton entertained recently in honor of Miss Helen Riley the guest of Major and Mrs. Ralph A. Jones with bridge at the Log Cabin.

* * *

Capt. and Mrs. Walter G. Layman entertained with a dinner of fourteen at the Country Club dinner dance on Saturday evening. Their guests were Major and Mrs. Roberts, Major and Mrs. Tack, Miss Katharine Lacey, Captain DeWare, Major and Mrs. Quesenberry, Lt. Moon, and Lt. Cole.

* * *

The Officers and Ladies of the 83rd Field Artillery met for their monthly party last Thursday at the Officer's Mess to play bridge. There were eight tables of players and the prizes were won by Mrs. Stewart Beckley and Lt. Oliver.

* * *

Mrs. Edwin Butcher entertained with three tables of bridge on Wednesday afternoon in honor of Miss Alice Lough and Miss Guenn Guthrie the guests of Major and Mrs. Lough. Prizes which were awarded at each table were won by Mrs. McCammon, Mrs. Spaulding and Miss Guthrie.

* * *

Lt. and Mrs. Aubrey S. Newman have as their guest Mrs. Newman's mother, Mrs. Baldwin of Chicago.

* * *

Miss Guenn Guthrie who has been the guest of Major and Mrs. Lough for several months at Fort Benning left for her home in Wisconsin on Wednesday.

* * *

Lt. and Mrs. Pearne C. Wilders entertained with a dinner of fourteen on Tuesday evening at Biglerville for Lt. and Mrs. Deadrick, Lt. and Mrs. A. F. White, Captain and Mrs. Henry Lyons, Miss Dudley, Captain Crabill, Captain and Mrs. Roy Sloan, Lt. George Van Studdiford and Lt. William Cole.

* * *

Lt. and Mrs. Leonard Murphy gave a dinner of eight at the Biglerville Masquerade last Tuesday evening, the guests were Captain and Mrs. Schmidt, Captain and Mrs. Lynd, Lt. and Mrs. T. J. McDonald.

* * *

Captain and Mrs. Kenneth M. Halpine entertained with a dinner at the Log Cabin Saturday evening followed by bridge at home.

* * *

Mrs. Robert Herwig of Atlanta arrived the first of the week to be the guest of Colonel and Mrs. J. B. Gowen and Miss Dorothy Gowen.

* * *

The Infantry School Bridge Club met on Thursday at the Polo Club, Miss Schubert won the first prize a set of six pyrex dishes. Mrs. F. C. Ellis won a card table, Mrs. W. H. Johnson's third prize was four decks of cards, Mrs. E. E. Fenters won an attractively lined stationary and Mrs. M. W. Osborn won the fifth prize a set of card table numbers. The tables were very conveniently arranged around the center table containing the prizes spring flowers and candles.

* * *

Mrs. Edwin Spiller entertained with luncheon and bridge on Thursday in honor of Miss Cornelia Cress who had been the guest of Major and Mrs. Tom Fox and who is now the guest of Major and Mrs. Spiller, Prizes were won by Mrs Ladd, Miss Cress, Mrs. Jones and Mrs. Fox.

* * *

The 29th Infantry Bridge Club met on Thursday at the Officers Mess, Mrs. Darr won first prize and Mrs. John S. Moore won second.

* * *

Mrs. Frank H. Partridge returned on Wednesday from Chattanooga where she has been the guest of Colonel and Mrs. H. J. Weeks for three weeks.

* * *

The 83rd Field Artillery Bridge Club met on Tuesday. Mrs. Oliver won first prize and Mrs. Campbell won second.

* * *

Mrs. J. L. Ballard entertained on Monday afternoon with three tables of bridge in honor of Mrs. Jackson the guest of Colonel and Mrs. Wait C. Johnson. The prizes, organdie flower powder puff, were won by Mrs. Johnson and Mrs. Doll and guest towels were given to the guest of honor.

* * *

Mrs. E. E. Walker entertained with a card party on Thursday afternoon.

* * *

Mrs. Hall gave a tea on Thursday afternoon in honor of Mrs. Kemper, the guest of Captain and Mrs. J. K. Rice.

* * *

Capt. and Mrs. Loyd H. Cook annunce the birth of a daughter, Patricia Cook at the Hospital, on February the sixteenth

* * *

Major and Mrs. Griswold entertained with a dinner party before the Organization Day Hop on Thursday evening for Colonel and Mrs. Goodrich, Major and Mrs. Tom Fox, Major and Mrs. Russ, Major and Mrs. Lewis, Mrs. Brandholtz, Major Byrne, Major and Mrs. Landis.

* * *

Major and Mrs. Schneider will entertain with a supper party before the Dramatic Club on March 12th.

* * *

Organization Day of the 29th Infantry was celebrated on Thursday, March 3rd with a Review, Trial Meet, Regimental Dinners and a Dance preceded by numerous Supper Parties.

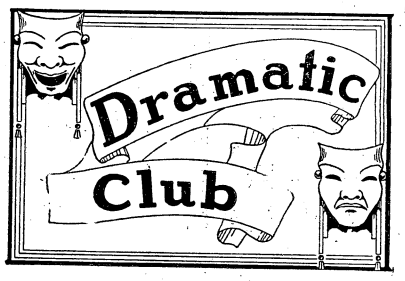
* * *

Major and Mrs. Spaulding and Major and Mrs. Hall are among those who entertained with dinners before the Ahrends dance.

The guards grimly went about their task of affixing the electrodes to the body of the doomed man in the chair. The kindly chaplain bent over him.

"Any last request, my poor mortal" he inquired.

"Yes, Parson," the wretch replied. "It'll comfort me a lot if you'll just hold my hand."



The activities of the club are now centered in preparing three pieces—two one-act plays to be presented on Saturday evening March 12th and one three-act production for April 8th and 9th. The two short plays are to be given before club members and their guests at the 29th Infantry theater whereas the public at large will be admitted to the "big play" which will be staged in the main theater, Colonel Bond having assured the Club that the work of building the new and permanent stage will be so arranged that it will be practicable to give the performance there in April.

The original intention of the green-room committee to give three one-act plays on March 12th has been changed and the program for that evening will be a drama, "The Valiant," directed by Major George F. N. Dailey, followed by a comedy "A Woman of Character" directed by Mrs. John F. Landis. Rehearsals began sometime ago and the casts of both plays have already made much progress.

The occasion of April 8th and 9th will be the second public bow of the club. Tickets will be on sale as for the first performance in the main theater. The play which has been selected is very amusing and had long runs in New York, Chicago, and other cities. The cast has been carefully chosen and there is every reason to expect that the play, "The Whole Town's Talking," will be most popualr. The director is First Lieutenant Frank A. Deroin who so ably conducted "Nothing But The Truth" which the club presented at its first public performance.

It is hard to realize that the season of 1926-1927 is drawing to a close and that these plays are to be the last that will be produced until next autumn. The club which was started by a little group of some twenty-five people has developed and grown remarkably both in the numbers of those who belong and in the favor with which it is regarded in the community. It is an interesting and significant fact that even now, with the end of the present term of membership almost at hand, people are still joining. The enthusiasm of the members and their pride in the achievements of the club are outstanding evidences of the success which has crowned its efforts.

Smart Paradox

It may seem odd, that our apparel should be sought with so much confidence by those women who know all about fashion and by those who confess that they know nothing at all.

The first comes to us because she wouldn't consider any other place; the second because she realizes she must. And both know that they can depend upon us to have the right thing, at the right time, at the right price.

Enquirer-Sun's Special Edition

On Sunday, February 27th, the Columbus Enquirer-Sun issued a Special seventy-two page edition. The paper was attractively and cleverly gotten up, and, in our opinion, it was the last word in newspaper editing and publication. On the first page of section five of this, "What You Should Know Abount Columbus" edition are two very well written stories about our own Fort Benning, together with pictures of the Commandant, Brigadier General Edgar T. Collins, and the Assistant Commandant, Colonel Frank S. Cocheu. Also there are pictures of the Commandant's quarters and lawn, the Post of the Main Guard and a picture of one of the faithful Howard buses which serve Fort Benning so well. The Enquirer-Sun has produced something that has proved of value to Columbus and Fort Benning in many ways. This edition alone has stimulated interest and civic pride in a city rich in tradition. Mr. Julian Harris, the Editor of the Enquirer-Sun and his associate editors are to be congratulated upon the issuance of such an attractive edition. They have done something well worth while.

The Pirates of Penzance has opened at the Plymouth Theatre in New York and promises to have as successful a run as did Iolanthe. In fact, Iolanthe is still appearing on Thursday nights because people insist upon seeing it again and again. Winthrop Ames, the producer, promises to give a whole series of revivals of these delightful Gilbert and Sullivan operas, and he urges the members of the audience to express their preference as to which shall be the next to be produced.

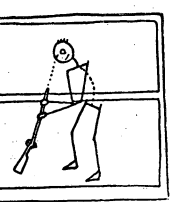
A reading of the text beforehand adds greatly to one's pleasure in the performance and the verses of these famous operas can all be found in a little volume called The Savoy Operas by W. S. Gilbert ($3.25.) They make very entertaining reading whether one expects to see them given or not, for their whimsicalities and absurdities are full of humor. Columbus readers will be glad to know that The Pirates of Penzance will be sung by the members of the Fort Benning Glee Club on March 25th and 26th.

MONOGRAPHS

Western Front of the World War

Military operations on the Western front of the World War were explained to officers of the 24th Infantry through two addresses delivered to them during the past week. Captain William B. Wilson, 24th Infantry, had as his subject, "Operations on the Western Front June 1 to November 10, 1917," and dealt principally with the battles around Messine Ridge. He related their nature, the great loss of men and munitions involved, and the small results obtained. Captain R. Q. Whitten, 24th Infantry dealt with "The Montdidier—Noyon Offensive of June 9 to 12, 1918," particular emphasis being placed on the efforts of the Germans to break down the Marne salient. After reciting the tactical principles involved and noting the mistakes made by the Germans and their opponents, Captain Whitten said "the pricipal thoughts to be derived from a study of this operation is that a defense can be vigilant and aggressive and that the spirit of the offensive can be developed on the defensive."

THINGS TO TRY ONCE



The Associated Press account from Omaha, dated January 25, about three soldiers being sent to prison for forcibly kissing four girls, has been verified at the War Department.

The men were first sentenced from 10 to 15 years, with dishonorable discharges. Brig. Gen. B. A. Poor, commandant of the 7th corps area, reduced the sentences to one year. The Secretary of War's order, however, calls for three months' imprisonment and loss of pay during that time.—Army & Navy Register.

GOB HUMOR
From Our Navy

The newly bedecked first lieutenant in the colored regiment gave his command, eyes right, like this "Aa-aa-hs RIGHT.' A poor Alabama buck pri- the rear rank agreed with, 'ho' nuf IS!"

THEATERS

FRIDAY, MARCH 4

"Blonde or Brunette," starring Adolphe Menjou and Greta Neissen in an hilarious French farce. It is the story of a man who could not decide between a blonde and a brunette, until he had married them both. The plot is laid in the naughty but nice environment of "Gay Paris" with gay beautiful women, handsome men and lively parties in old mansions. Continuous amusement of the laughing variety is warantcd.

"On Guard No. 2,"—starring Cullen Landis in a military mystery serial scenarized at Hoyleand Fort Benning.

SATURDAY MARCH 5

"While London Sleeps," featuring Rin Tin Tin with Helen Costello and Walter Murill in a breathless melodrama of Limehouse nights with the wonder dog, an ape man and a girl, caught in a mystery of London's China Town.

"Amidst the millions," Sporlight Comedy.

"American Legion Great World War Picture" depicting a most interesting and instructive history of the world's most memorable event. The scenes were actually photographed on the ground during the war and are a compilation of films snapped by foreign nations as well as America.

SUNDAY MARCH 6

"Tell It To The Marines," starring Lon Chaney, whose face you'll never forget. This is quoted as being an accurate picture of life in the U. S. Marine Corps. Pictures were taken aboard battleships in barracks and in the field in action. The battle fleet is shown in action against Chinese bandits; over 1200 men take part. It is a stupenduous production; the plot is absorbing.

"Pathe News."

MONDAY MARCH 7

"White Black Sheep," starring Richard Barthlemess in a desert drama of Northern Palestine under the British Protectorate. As a Shiek he falls in love with a Greek dancing girl; his adventures in this colorful land, the intrigues with Arab chieftians and thrilling escapades, give the story an absorbing interest. Patsy Ruth Miller is the clever "Dancing Girl."

"On Guard No. 3."—Cullen Landis.

TUESDAY MARCH 8

"The Buckeroo Kid," featuring Hoot Gibson in a picture of galoping actions, mile a minute speed, fascinating romance and splendid horsemanship. The story is from the pen of Peter B. Kyne.

"Weak But Willing."—Walter Heirs Comedy.

WEDNESDAY MARCH 9

"The Collegiate," introducing a new feature star, Alberta Vaughn, in a Campus story bubbling with delightful humor. The film was scenarized at Pamona College, Pamona, California. It depicts a madcap's irrisistable, irresponsible daughter of the rich and her love affairs. Brim full thrills, such as a parachute drop and a gripping football game create continuous gripping climaxes.

"Bill Grimm's Progress No. 10."

THURSDAY MARCH 10

"Sorrows of Satan," starring Adolphe Menjou in the story by Marie Corelli, is a Paramount Picture presenting wonders in trick photography. It is a picture of contrasts, first visiting the Bohemian Quarter, then homes of wealth; introducing a mean youngster and a man of the world. Two women are conspicuous by their contrast, one a virtue personified, the other is the counterpart of evil. Satan is not depicted as the red skinned horned Faust, but is portrayed as the man of today with immense power, a magnetic personality and a brooding nature.

"Pathe News"

FRIDAY MARCH 11

"Paradice For Two," featuring Richard Dix in a rollicking comedy drama of a rich young batcher who inherited a fortune but had to get married in order to receive it. Laughs, romance and more laughs. New York City is the scene of action.

"On Guard No. 4," starring Cullen Landis—watch for faces of your friends and familiar spots in this picture.

* * *

PRECISELY

A Company Officer's Class was working diligently on the solution of a very intricate Map Problem. An Instructor inquired of a Student Officer.

"Does the Problem bother you?"

"Not at all, sir," replied the Student Officer; "not at all. It is quite clear. It is the Solution that bothers me."

* * *

Nowadays there are only two kinds of pedestrians; the quick and the dead.

* * *

GEORGIA "MOON"

A friend told us a story the other day about a couple of old North Georgia farmers. It seems that one of them had dropped in for a visit with the other one evening. As the night was dark and the roads wet and muddy he had carried with him an old fashioned kerosene lantern, to light him on his way.

They passed a pleasant evening apparently not without refreshments. In fact everything went merrily until well after midnight.

The following morning however the visitor of the evening before received the following note from his late host.

"Friend John: I am sending my boy over to you with this note, and he takes with him your lantern. If you are quite through with my parrot and cage, I will be very glad if you will return them with the bearer."

* * *

Don't lose Faith because you think that your prayers are not being answered; perhaps the answer happened to be "No."

GLEE CLUB

It is announced that the Glee Club will present on the 25th and 26th of March "THE PIRATES OF PENZANCE." Through the realization that this presentation is a major undertaking all Club members who are to take part in the performance are working almost night and day to make the entertainment a standard success which has always been the case with former productions.

Captain George L. King, who very modestly parenthetically adds to his title as Musical Director of the play, the words 'By chance only,' is urging every member of the club to attend all rehearsals as scheduled. If the way in which the Glee Club has gone after this beautiful play is any indication the presentation will be one of the best ever seen at Fort Benning. These are busy times in the Garrison and the Glee Club should be congratulated on the splendid work which it is doing to give to the personnel of the Garrison as well as the citizens of Columbus the very highest type of musical performances.

AMERICAN LEGION MEETING

At the meeting Tuesday night of the Chas. S. Harrison Post, of the American Legion, which was held in Columbus, a special measure was adopted.

On April 20th the Infantry School will stage the biggest firing demonstration of the year, the demonstration being that of "A Battalion in Attack." Attending the demonstration will be the Birmingham chapter of the Reserve Officers Association, including the 106th Observation Squadron, National Guard. The entire party will number about 100 officers.

The 40—8 Society of Columbus, assisted by friends from the Chas. S. Harrison Post of the American Legon, will give a barbecue or similar entertainment for the visitors in the interval between the completion of the demonstration and their departure for Birmingham.

A committee, consisting of Arthur Lynch, Henry Gaggstatter, R. L. Bropley, Sidney Simons, Bert Semon and W. A. Dumas, has been selected to discuss the plan and make all necessary arrangements.

FOR SALE:—All colored Chrysanthemum plants. A few pink Dianthes, Columbia Victrola with two hundred records.

MEETS THE CAPTAIN HE SWORE "TO GET"

And Does Former Buck Private "Soak Him One?"—He Does Not. They Shake— Pals Applaud

Newark, N. J., Feb. 19.—"If ever I meet that——officer in civilian life"——

Ten thousand buck privates have said that.

What would happen?

Well, consider Jack Rose, of Paterson, and George J. Carey, of Malvern, Long Island. Jack was a buck private in Company C, Three Hundred and Third Engineers, during the war.

George was a captain, regimental adjutant and even more—summary court officer.

Jack was a good fellow, but [illegible] were high and he just couldn't [illegible] of the guardhouse. Five times [illegible] was court-martialed for some military [illegible] or other and five times he was sent to the brig.

And every time it was Captain Carey who sent him there by virtue of his office. In fact, shortly before the outfit left France for home he went again. The Company left him. He swore vengeance on the officer. If he ever met him in civilian clothes, well, there was one captain due for a good licking.

The other night two men, neither in uniform, sat side by side at the dinner given in honor of Major-General McRea. They were the buck private and the captain. But—the private didn't even remember the captain. The captain knew the "guardhouse lawyer," however, and introduced himself.

Did the buck sock the captain? He did not. They shook hands warmly, while their buddies cheered.

"CUSS-WORMS"

By AD

A member of the garrison more or less suburbanally-situated was rudely awakened the other morning long before the sweet notes of Revelry had sent the sleepy K. P.'s scurrying joyfully toward the mess halls.

* * *

Suspiciously he glared at the dressing table; but the pale face of Baby Ben, above his little folded hands, assured him that it was as yet scarcely five-thirty.

* * *

Resentfully he glanced at his eloquently slumbering "flight promoter," wondering if her soft soprano snore could have wakened him.

* * *

Suddenly he was startled into complete consciousness by an ungodly outburst that seemed to swell and subside somewhere outside his own abode.

* * *

Immediate investigation disclosed the strange sight of his unusually mild-mannered and slightly sedate neighbor desperately in a row of English Peas in his back-yard garden.

* * *

Inquisitive interrogation on his part resulted in an even more audible but less coherent outburst as the industrious husbandman raised a red, angry face above the pea vines, and brandished a huge knife toward him.

* * *

As our amateur investigator scrambled hastily between the bedclothes his now wakeful wife demanded an explaination of the rude clamor which had roused her.

* * *

"Oh, our neighbor is out working in his garden," replied her husband, as he snuggled shiveringly under the blankets," And from what I could understand he must have run across some "Cuss-Worms."

Fresh Cat Fish today at Wilders Cafe. 15 W. 10th St.

Through the efforts of the local chapter of The American Legion, the film "The World War" will be shown to Benningites at the Garrison Main Theatre on the evening of March fifth. The film is one of the most remarkable pictures of the World War that has ever been produced.

They tried him on the second trumpet: every note he blew was sour. They let him blast away at the tuba: he came out fourteenmeasures behind the rest of the band. They placed a clarinet between his lips: the intricacies of that lovely wood-wind instrument left him hopelessly snarled. At last, because he was so ambitious and such a hard, eager worker, they gave him the bass-drum.

On summer evenings, when the sun goes down behind a sky that is like old stretched satin, you will see our band marching and countermarching on Main Street, with Milt Kenney, the undertaker, twirling his beribboned drum major's staff. And in the last rank you will see Mr. Christopher Boyne. His shoulders sag a bit as he plods along; but that may be from the weight of the drum. In front of him, the gorgeous fanfare of the trumpets, the mellowness of the trombones, the limpid melody of the clarinets. It is Christy's part to pound boom, boom, boom-boom-boom; steadily, steadily, boom-boom-boom.

Not for him, the plaudits; not for him, the glory.

Yet, Mr. Christopher Boyne thinks it better far to march in the last rank and beat upon the brass-drum than not to be in the band at all.

Perhaps some would be themselves unwise in questioning his wisdom.

—Columbia.

WOMAN'S INCURABLE URGE TO DECORATE THEIR FACES

The expedition of the University of Pennsylvania, which has been making excavations on the site of ancient Ur of the Chaldes, the famed metropolis near the mouth of the Euphartes, home of Abraham, in ancient Babylon, went into some ancient graves, some of them more than 5,000 years old. The report of the expedition says that again and again the diggers unearthed jars of cosmetics, combs, mirrors and other technical equipment of ancient beauties. "Archaeologist have not yet penetrated in Babylon to an age when women were satisfied with the faces which nature had given them. Beauty preparations have been found at all levels where signs of early civilization have been discovered," it is stated.

Voices are crying from the dust of Tyre,
From Karnak and the stones of Babylon.

They carry the age-old question of why do the women consider it necessary to use cosmetics and artificial aids to their beauty? As far back as the history of mankind—and womankind—has been traced, the accessories for artificial enhancement of appearance have been a part of woman's existence. What sort of an inferiority complex must have hit the feminine part of the population in its earlier days to have so firmly rooted in them the beliefs that they could improve upon nature—and how came it about, and why? So those who rail at the flappers of A. D. 1927 must remember that down the line for more than 5,000 years as we know them, the mirror, the paint pot, the scent jar, the powder puff, the jeweled hair ornaments have been a part of the lives of the ladies; and the habit is ingrained and firmly established.

Applicant—"How much do I get for doing the weeping act in this show?"

Manager—"Thirty-five cents an hour?"

Applicant—"What? For crying out loud!"

VOLUME V. FORT BENNING, GA., FRIDAY, MARCH 11, 1927. NUMBER 25

AIR CORPS DEMONSTRATION HERE IN MAY

CAPABILITIES OF AIR CORPS AND GROUND TROOPS TO BE DETERMINED

Largest Demonstration of Its Kind Will Be Witnessed by Significant Official Group

Plans for the air corps demonstration which will be held at Fort Benning from May 2nd to May 4th inclusive are being perfected at the garrison as rapidly as possible. Major Carlspatz G 3 in the office of the chief of air corps Washington, D. C., Major F. D. Lackmand, and Captain Davidson from the third attack troop, Galveston, Texas, Major Booker, Field Artillery Board, Fort, Bragg, South Carolina, and Cavalry resprensentatives were in conference with officials at the Infantry School all day Saturday perfecting plans for the demonstration.

From an Infantry viewpoint the demonstrations are expected to bring out several things: one, the type of airplanes and their performance in the execution of their varied aerial missions; two, the approximate effectiveness of planes against ground troops; three, the methods and tactics to be employed by ground troops in defending themselves against hostile air raids.

The Field Artillery desires, from these tests, to determine the effectiveness of air craft against Field Artillery on the march. Tests will also be conducted to determine effectiveness of air craft against cavalry and other ground troops.

The program is composed of twelve to fifteen phases, and will partake of the nature of a big "Air Circus" it will be extremely spectacular to the observer and at the same time will tend to prove or disapprove many questions as to the effectiveness of air craft employed against ground troops as well as containing fertile material for professional thought on the subject.

To carry out the tentative program, there will be in all from twenty-five to thirty planes at Fort Benning. These will be a part of the planes which are being concentrated at Fort Sam Hauston, Texas, for maneuvers with the second division the other division of airplanes will stage similar demonstrations enroute south at Fort Leavenworth and Fort Riley, Kansas.

The following planes are expected at Fort Benning:

12 attack planes from Crockett, Galveston, Texas.

4 pursuit planes from Selfridge Field, Michigan.

4 bombardment planes from Langely Field, Virginia.

3-6 observation and photographic planes from Maxwell Field, Montgomery, Ala.

A number of transport planes from Washington, D. C., and elsewhere carry-

(Continued on page 2.)

INFANTRY SCHOOL SQUAD STARTED PRACTICE MONDAY

Fort Benning Baseball Team Reported for Practice on Last Monday; Team Promises to Be One of Best in Years

The Infantry School baseball squad reported for their first practice session of the season. For the last two weeks, pitchers and catchers have been working every afternoon, and are gradually rounding into condition though somewhat handicapped during the past week by cold weather.

Monday afternoon, Captain Fountain, who is coaching the team, began looking them over, and picking the players who will make up the Infantry squad. There are quite a few of the players from last years team available, in addition to new players from the student officers classes, and from various organizations.

The Infantry is facing a strong schedule. A number of northern college teams, including Michigan State, University of Indiana and numerous others, all of whom have strong clubs, will play at Fort Benning. The season will open with the Michigan "Aggies" on March 28, three games being played.

Among the candidates for the infield are Dunlop, Franz, Heckert, White, Norris, Dixon and others while in the outfield will be Smythe, Kjelstrom, Parris Rogers, Lotz, Kingsberry and numerous candidates who will try for the team. The pitching staff carries a number of new names, several of whom appear to have plenty of stuff. Van Studdiford, Crim, McDonald and Roosma are burning them in, while from last years stock are Tolle, Harris, McGaha and Lindsey, all of whom will pitch good ball. From the material now available, the Infantry should be able to place a strong team on the field for their first game.

CHIEF OF STAFF PRAISES TROOPS OF THE GARRISON

General Summerall Expresses Himself as Exceptionally Well Pleased with Performance of Duty Here. Returned to Washington on Wednesday Afternoon.

Major General Charles P. Summerall, Chief of Staff of the Army inspected the entire Garrison on last Wednesday morning. Accompanied by the Commandant General Summerall left the Commandant's quarter at about eight thirty A. M. and proceeded to the main parade, where, the customary salute of thirteen guns was fired by a Battery of the Eighty third Field Artillery for him. The Inspection of the Post then began. The office of the Assistant Commandant was first visited and then the Chief of Staff was taken to every organization and activity of Fort Benning and the Infantry School. The General inspected one company of each Regiment and thoroughly went into the work being done by the Academic Department.

A review of all the troops of the entire garrison had been planned and was scheduled for nine A. M., but, due to inclement weather the formation in honor of General Summerall was called off.

Upon completion of his tour inspection General Summerall returned to Post Headquarters where he listened to citations of several non-commissioned officers of the Garrison, for exceptional and meritorious service during the past two years. The Chief of Staff then in a brief talk congratulated the non-commissioned officers who had been cited. At noon time the Commandant, Brigadier General Edgar T. Collins was host at a luncheon, at his quarters, in honor of General Summerall and having as his other guests, all officers present at this Post who had served with General Summerall's famous First Division during the the War.

Immediately after luncheon, at one thirty P. M. all officers of the Garrison except those especially excused, were assembled in the Main Theatre and were there addressed by the Chief of Staff. After a brief and masterful introduction of General Sumerall to the assemblage, by General Collins, all officers immediately arose and applauded the distinguished Army Chief for fully five minutes. It was a great exemplification of the confidence, which General Summer all has always enjoyed from his subordinates as well as his superiors.

General Summerall's talk to the assembled commissioned personnel was along general lines about the Army as a whole: bringing out most concisely and interestingly the functioning of the War Department and its relation to Congress today. General Summerall expressed great optimism regarding the future of the Army The General continuing further impressed upon his listeners the necessity for confidence in the War Department from

HANK GOWDY IS COMING WITH ROCHESTER TEAM

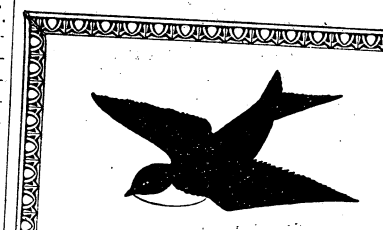
Will Be Behind the Bat for Doughboys, However, in April 4th Game

In reply to a telegram sent by Colonel Wait C. Johnson, president of the Infantry School Athletic Association, George K. Belden, president of the Rochester baseball club, has stated that "Hank" Gowdy will be with the Infantry School baseball team on April 4. This completes all arrangements for the Infantry School-Rochester baseball game and "Hank" will be behind the bat for the doughboys.

The Rochester club is now training in Florida, and will begin traveling north in about three weeks. With the club are "Heine" Groh, the famous "bottle bat," famous Giant player in world series contests and "Rabbit" Maranville, at one time one of the fastest shortstops in the National league, who played for a number of years with the Pittsburg Pirates.

While the Rochester club is naturally a strong aggregation, and so considered in a highly rated league, the Infantry, with Gowdy behind the bat, will do their utmost to give the visitors a good contest.

The Infantry prospects are coming along splendidly, and from present indications they will have a good club. Pitchers and catchers have now been out for two weeks, and are gradually rounding into condition. The remainder of the players will turn out tomorrow, and Gowdy Field will be the scene of strenuous endeavor until the opening of the Infantry schedule on March 28.



Blackbird—

Wonders who the Captain was that was late to the Review on Wednesday morning.

CAPABILITIES OF AIR CORPS AND GROUND TROOPS TO BE DETERMINED

(Continued from page 1.)

ing high army officials and other interested parties.

The tentative program, as outlined, includes for the afternoon of May 2nd, a domonstration of the different types of airplanes on the ground. On May 3rd the demonstration will be held in several phases with all spectators on the Hook (Machine Gun) Range. It will include some of the following features:

1. Attack of a battery of Field Artillery and its distributed personnel by attack aviation.
2. Attack on an ammunition dump by bombardment avaition.
3. Attack of a battalion of Infantry on the march firing at towed targets with machine guns and rifles.
4. Attack of a battalion under cover.
5. Inspection of target areas.
6. Dropping of flares at night for observation and photographic purposes.
7. On May 4th the demonstration, with spectators on Davis Hill, will be held in an simulated attack on Infantry, cavalry, Artillery, to illustrate the different methods of attack and disposition of ground troops to meet them with adjustment of arillery fire from the air.
8. Experimental defensive firing with machine guns will be used to give practical tests for the artillery board.
9. The use of smoke screen to cover troop movements and also to cover attack from the air will be demonstrated.

Throughout the demonstration pursuit acrobatic and "stunt flying" will be enjoyed. All student officers will observe the demonstrations in all phases. The Infantry and Field Artillery Boards will witness the various demonstrations throughout. Representatives of the Coast Artillery and Cavalry also will be present. Complete arrangements will be made in order that the public may witness the entire program.

CHIEF OF STAFF PRAISES TROOPS OF THE GARRISON

(Continued from page 1)

all officers throughout the service. At the beginning of his address, General Summerall had nothing but praise for the troops that he had seen at Fort Benning and also he praised highly the various activities which he had seen during his visit. General Summerall said that the troops he had seen were the best that he had ever saw anywhere in the service.

The Chief of Staff accompanied by the Commandant left the Garrison for Columbus after the proper military honors and respects had been paid him, at about two forty five and he left the Union Station in Columbus for Washington on the three twenty five P. M. train.

"Hank" Gowdy, former New York Giant star, for whom Gowdy Field at Fort Benning was named. Gowdy is now with the Rochester Club which will play here on April fourth. The famous catcher was the first Major League player to enlist for over-seas service in the World War.

SECOND BATTALION WINS FIELD MEET

29th Infantry Holds Organization Day Meet—One New Regimental Record Is Established

(By Bernard H. Cowa)

After passing in review before their regimental commander and listening to addresses by Brigadier General Edgar T. Collins, Commandant of the Infantry School and Colonel James B. Gowen, regimental commander, and hearing a history of the regiment by Major Burton E. Bowen, the doughboys of the 29th Infantry marched in a body into the Doughboy Stadium for the Organization day field and track meet.

Major Bowen's prides from the 2nd Battalion won the meet easily, scoring more points than the 1st Bats and the Special Units combined. The organization finished as mentioned with 65, 38 1-2 and 7 1-2 points respectively.

For company hnors Co. F, was first with 21 points, Co. E was second with 17 and Co.'s A and G tied for third place with 9 each.

One new regimental record was established when Coropral Costello of Co. F hurled the shot 41 ft., 8 1-2 inches. The old record was 39 ft., 1-2 in., established last year by Fitch of 1st Bn. Hq. Co.

Perhaps the most interesting events of the day were the one mile run and the mile relay. In the mile Cpl. Cannon of Co. B finished 50 yards ahead of his field, but was disqualified for stepping out of the course on one of the turns. First place was awarded Smith, Co. E.

In the relay event the second battalion lead all the way until the anchor men took the baton. "Pete" Magagna, star 1st battalion athlete nosed out DePratt of the 2nd Bats by about four inches in as stirring a finish as has ever been seen in the Stadium.

Shot Out

1st Costello, Co. "F" 2nd Darmafel, Co. "C" 2rd Pinero Co. "E.'

Winners of first place, in individual field and track events are to be presented with a Regimental Sweater properly emblemed. Those who finished second a Parker fountain pen, and to each members of the tug war and relay teams and winners of first place in the sack and potato race will be awarded a wrist watch.

LT. CLEAR IS WINNER OF STUDENT'S TOURNAMENT

Yesterday morninng Lieutenant Clear of the Company Officers Class won the finals of the tournament for the students of the 1926-1927 class which has been in progress at the Country Club for some weeks. Lieutenant Clear shot a nice 78 to defeat Captain P. S. Wood of the Adavnced Class nine and seven to play. This is the first tournament the Students have had at the Country Club and all the players enjoyed the course and the hospitality shown them.

All play in the tournament was scratched, it benig impossible properly to handicap all the players, many of whom had never played the Country Club Course before. The players were divided into two brackets, the winners of each bracket to play in the finals.

Results of the play:

UPPER BRACKET

Capt. P. E. Peabody defeated Major A. R. Ross, 5 and 4.

Capt. Moore, W., defeated Capt. H. Hanson, 4 and 3.

Capt. P. S. Wood defeated Maojr De Roachen, default.

Lieut. W. J. Clear defeated Capt. Peabody, 3 and 2.

Lieut. Clear defeated Capt Conway, 7 and 6.

Lieut. Clear defeated Capt. Moore, 5 and 2.

LOWER BRACKET

Capt. A. P. Kroonquist defeated Capt. A. Sanders, 5 and 4.

Capt. S. Cutled defeated Capt. Croonquest, 3 and 2.

Capt. P. Wood defeated Capt. T. R. Holmes, 4 and 3.

Capt. P. Wood defeated Cap. Cutler, 3 and 2.

Capt. Cutler defeated Capt. Croonquest, 3 and 2.

FINALS

Lieut. W. J. Clear defeated Capt. Wood, 9 and 7.

Park at C. A. Morgan & Co. Open till 10 o'clock. Soft Drinks, Drugs and Cigars.

During Lent the monthly Officers Club dance at Biglerville will not be held.

* * *

The Organization Day Dance of the 29th Infantry was one of the prettiest and most enjoyable parties given at Biglerville this year. Paper streams draped around the columns at the edge of the floor and on the tables where punch was served, and a hundred and sixty balloons hung from the ceiling gave the room a very festive apperance and added greatly to the gay spirit of the guests. Colonel and Mrs. Gowen, Colonel and Mrs. Singleton and Captain and Mrs. Griffin received. A very delicious frozen fruit salad, sandwiches, cakes and coffee were served at midnight and dancing lasted until two.

* * *

The Yearly Benefit Bridge given by the Protestant Chapel Guild will be on April 21st, the first Thursday after Easter. The money is to be used for layettes for the Post Hospital. The Guild raises money to carry on its work in four ways; by year dues of one dollar payable to Mrs. Lough, by the Benefit Bridge, by the sale of the Infantry School Cook Books, the proceeds of the next fifty sold will be given to the Post Children's School, by the Guild dishes which are rented out for parties—which alone brings in a comfortable and steady income. Remember the date April 21 and arrange to come. Tables may be reserved by calling Mrs. R. W. Kingman, 217 and Mrs. P. A. Reichle 206.

* * *

General B. Frank Cheatham the Quartermaster General will arrive on Saturday or Sunday from Washington, D. C., to be the guest of Colonel and Mrs. A. B. Warfield several days.

* * *

Miss Katharine Lacey who has been the guest of Colonel and Mrs. Crocheu for several months returned to her home last Sunday.

* * *

The Officers of the Advanced Class gave a dinner on Saturday evening at the Country Club. Informal addresses were made by General Collins, Colonel Cocheu and Major Daily, Major Ristine and Captain Reeder also added to the evening entertainment.

* * *

Captain Walter A. Dumas delivered an address on the "Palestine Campaign" with particular reference to the Jordan Highlanders to the United Jewish Societies of Columbus on Monday evening at the Harmony Club.

* * *

The Officers of the 24th Infantry gave their monthly dance at the Polo Club on Friday evening, March 4th. The Club was very attractively decorated with sprays of dogwood and the usual excellent music was furnished by the 24th Infantry Orchestra.

* * *

Mr. Seumas MacManus the Irish Poet, will be at Fort Benning the 16th of March to entertain the members of the Infantry School Woman's Club and their guests at the Polo Club. Every interesting and amusing program is being anticipated.

* * *

Miss Ellen Louise Warfield, daughter of Colonel and Mrs. A. B. Warfield will return from Agnes Scott College this week end for two days vacation. Miss Warfield will be extensively entertained during her stay.

* * *

Captain and Mrs. Paul Steele entertained at a dinner on Friday, March 4th before the 24th Infantry dance for following guests, Colonel and Mrs. Wait-C. Johnson, Colonel and Mrs. Jason M. Walling, Captain and Mrs. D. E. McCunniff and Mrs. McCarthy, Mrs. Steele's mother.

* * *

Major and Mrs. Spaulding and Colonel and Mrs. Kingman are among those who will entertain with a dinner before the Dramatic Club Plays on Saturday evening.

* * *

Mrs. Robert Herring who has been the guest of Colonel and Mrs. Gowen returned to Atlanta by motor accompanied by Mrs. Gowen on Wednesday.

* * *

Major and Mrs. Woodall Pickering will entertain the casts of "Nothing but the Truth" with a dinner party before the next Dramatic Club Presentation on Saturday evening at the 29th Infantry Theatre.

* * *

Mrs. John E. Hoover of Washington, D. C., and her daughter Lora Marie, arrived this week to be the geusts of This will be their third visit to Fort Benning and many friends will be ready to greet them.

* * *

Mrs. Paul S. Bond was hostess at the Log Cabin for a very pretty luncheon on Tuesday.

* * *

Mrs. Henry Dahnke the wife of Lt. Dahnke 15th Tank Battalion a recent bride on the Post, was the guest of honor at a delightful bridge party given on Friday at the Blue Lantern Tea Room by Miss Isabell Levy.

* * *

Mrs. Edward E. Rose entertained with a bridge party on Thursday for Mrs. McCunniff.

* * *

Mrs. A. S. Peake will entertain with a bridge luncheon on St. Patrick's Day.

Fresh Cat Fish today at Wilders Cafe. 15 W. 10th St.

At 8:30 o'clock on the evening of Saturday, March 12, when the curtain rises at the 29th Infantry Theatre on the first of the two plays to be produced by the Infantry School Dramatic Club, fourteen husbands and wives in the audience may breathe a sigh of relief—for the return to domestic normalcy will be in sight. And the program for their evening's entertainment should make them forget that for the past few weeks their respective spouses have been kept away from the family hearthside by repeated rehearsals.

The first play of the evening will be "The Valiant," an emotional drama, and the second will be "A Woman of Character," as light a production as its predecessor is serious. An unusually interesting musical program will be furnished during the course of the evening.

The Dramatic Club will have as its special guests the members of the National Guard and Reserve Officers' Class now attending the Infantry School. It is regretted that the limited confines of the 29th Infantry Theatre will not allow the executive committee of the club to extend to them guest privileges in addition. Each member of the Dramatic Club will, as usual, be permitted to invite two guests.

The casts for the two plays are as follows:

"THE VALIANT"
(Directed by G. F. N. Dailey)

Warden Holt ..... Ralph W. Kingman
Father Daly, the prison chaplain.... Bernard B. McMahon
James Dyke, the prisoner ..... Harry J. Collins
Josephine Paris ..... Josephine Dumas
Dan, a jailor ..... Henry A. Bootz
An attendant ..... Paul E. Leiber

Scene—The warden's office in the State's Prison at Wethersfield, Connecticut.

"A WOMAN OF CHARACTER"
(Directed by Mrs. John F. Landis.)

Mrs. Adams, a matron ..... Carol McC. Galleher
Old lady, Mrs. Adams' mother .... Ethel C. Otto
Mrs. Perkins, a matron .... Jean Mackie
Mrs. Albright, a matron ..... Florence V. K. Ladd
Mrs. Lee, a matron .... Ethel B. Squires
The bride ..... Meta S. Beckley
Mrs. Barrington-Cross, a divorcee .... June Layman
Mrs. Cline, a matron ..... Chastine M. Johnson
Mrs. Lange, a woman of character .... Roberta B. Knight

Place—The living-room of Mrs. Adams' home.

Entered as second class mail matter, April 12, 1924, at the post office at Fort Benning, Ga., under the act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in section 1103, act of October 3, 1917, authorized August 27, 1924.

Fourteenth Annual Dinner of West Point Graduates

West Point, N. Y., —Five hundred graduates of the United States Military Academy, living within a hundred miles of New York and representing both the civil and military walks of life, are expected to attend the fourteenth annual dinner of West Point Graduates, commemorating the 125th anniversary of the Academy's existence, to be held in the Hotel Astor, New York City, on Saturday evening, March 19. The New York dinner is but one of thirty that will be held on the same evening in various cities of the United States and in the main capitals of our insular possessions. Far-off China and the Philippines, as well as Hawaii, Panama, and Porto Rico, will each be the scene of one or more of these West Point dinners. It is expected that two-thirds of all living graduates will attend one or another of these dinners, which celebrate the founding of the Military Academy by act of Congress, March 16, 1802.

The New York dinner of the Association of Graduates is probably the most important one of all those held within the continental limits of the country. It combines, as nowhere else, the presence of graduates distinguished both in the military profession and in civil life. Some of the leading Army officers who have already signified their intention to be present are Major Generals James H. McRae, class of 1886, commanding the second corps area; Robert Lee Bullard, Retired, class of 1885, formerly commander of the second corps, and president of the Association of Graduates; and William N. Haskell, class of 1901, of the New York National Guard. Brigadier Generals H. H. C. Dunwoody, class of 1866, and John Pitman, class of 1867, both retired, who are numbered among the twenty-seven oldest surviving early graduates, who so far have indicated that they will attend the New York dinner. Each is 85 years of age.

WHY NOT MAIL THE NEWS HOME?

Maneuvers in Texas

Combined maneuvers of the troops of the Second Division, stationed at Fort Sam Houston, Texas, and Air Corps units from all over the United States, under the command of Major General Ernest Hinds, Eighth Corps Area Commander, will be held in the vicinity of San Antonio, Texas, from May 11 to May 21. The Second Division, commanded by Major General William D. Connor, and made up of approximately 6,500 officers and enlisted personnel, constitutes the only regular army division in the United States, all of whose units are garrisoned at the same post. The Air Corps forces, to be commanded by Brigadier General James E. Fechet, will be comprised of approximately one hundred airplanes, the largest number of planes ever assembled in this country for maneuvers.

From the time the five score air craft leave their respective home hangers early in May, until their return well toward the end of the month, 475,000 air miles will have been cleared by their propellers. Incidentally, residents of more than twenty states will have had an opportunity to see the nation's war-birds en route to and from their training grounds.

There will be two phases of the maneuvers. The first phase will involve the participation of all ground and air forces on the same side and is designed to develop staff functioning and the conduct of operations of large units in pursuance of the general plan of the Commanding General. In the second phase a part of the air units will operate in the attack of the ground troops and positions, special attention being given to the conduct of such attacks and the counter measures taken by ground and air forces.

With reference to the participation of the Air Corps, Mr. F. Trubee Davison, Assistant Secretary of War, made the following statement: "These maneuvers have four distinct purposes so far as the Air Corps is concerned. First, to give staff officers opportunity to handle air units composed of all types of combat planes. Secondly, to enable the personnel of one air unit class to study the effectiveness of other types. Thirdly, to test adequacy of bombing and attack formations by having them attacked by pursuit formations. And, fourthly, to give air and ground forces an opportunity to study their respective methods of operation.

"Another important object is to ascertain how well several groups of planes can carry out cross-country flights ranging from 1,500 to 2,100 miles on pre-arranged time-tables. The movements as planned run on express schedule with but narrow margins for possible unfavorable weather and other obstacles. In war, such obstacles would be disregarded, but in maneuvers, the program will not permit practices that unduly endanger lives or property. For this reason, the proposed time schedule will be delayed if weather conditions should prove unfavorable."

Plans for the Air Corps concentration, prepared under the supervision of Major General Mason M. Patrick, Chief of Air Corps, call for participation of 30 pursuit planes, 20 attack planes, 20 bombing planes, 13 observation planes and 12 army air transports. In addition, there will be 4 staff planes and a transport for the use of Brigadier General James E. Fechet, who will command the air units, and his staff.

Stops will be made on the southward flight by various plane formations at Washington, (Bolling Field); New Orleans, Macon, Montgomery, Ala.; Galveston (Fort Crockett); Rantoul, Ill., (Chanute Field); Fort Bragg, (Pope Fied); Muskogee, Belleville, Ill., (Scott Field); Atlanta, Columbus, Ga., (Fort Benning); Uniontown, Pa., (Burgess Field); Dallas; Little Rock; Fort Leavenworth; Fort Sill (Post Field); Fort Riley, Kansas (Marshall Field); Fairfield, Ohio, (Wright Field.)

Prior to the San Antonio maneuvers, groups of air forces will stage flying exhibitions at the four service schools at Fort Riley, Kansas; Fort Sill, Oklahoma; Fort Leavenworth, Kansas, and Fort Benning, Georgia, for the benefit of officers attending these schools.

Following is the schedule for the various formation groups:

Eight bombardment planes will leave Langley Field, Virginia, May 1st and proceed to Kelly Field by way of Burgess, Wright and Scott Fields, Fort Riley, Fort Leavenworth and Fort Sill, a distance of 2,095 miles. These planes will remain at Fort Riley three days, Fort Leavenworth and Fort Sill two days and Wright and Scott Fields one day.

ight other bombing planes will leave Langley on May 6th and go to Kelly by way of Fort Bragg, Atlanta, Macon, Maxwell Field, New Orleans and Fort Crockett—a distance of 1,905 miles. Overnight stops will be made at Maxwell Field and Fort Crockett.

Four bombing planes will leave Langley Field on May 2nd for Kelly Field by way of Pope Field, Fort Benning, Maxwell Field, New Orleans and Fort Crockett—a distance of 1,570 miles. They will remain at Fort Benning three days, at Fort Crockett two days and overnight at Maxwell Field.

These bombardment units will be escorted by three transport planes.

The Pursuit group, stationed at Selfridge Field, Michigan, will be divided into three units to be routed as follows:

Four pursuit planes and one transport to leave May 1st for Kelly Field by way of Washington, Pope Field, Fort Benning, New Orleans and Fort Crockett, a distance of 2,100 miles. These planes will spend three days at both Fort Benning and Fort Crockett and stay overnight at Bolling Field.

Eight pursuit planes and one transport will leave on May 3d for Kelly by way of Chanute Field, Fort Riley, Fort Leavenworth and Fort Sill. Three days will be spent at Fort Riley and two days each at Fort Leavenworth and Fort Sill.

Eighteen Pursuit planes and three Transports will leave Selfridge Field on May 8th for Kelly by way of Scott Field and Little Rock, a distance of 1,230 miles. Overnight stop will be made at Little Rock.

Twelve attack planes and two transports will leave Fort Crockett on May 2d for Kelly Field by waiy of New Orleans, Fort Benning, New Orleans and Fort Crockett, a total distance of 1,675 miles.

Eight of the 20 attack planes at Fort Crockett and one transport are to leave on May 3d for Kelly Field by way of Dallas, Muskogee, Fort Riley, Fort Leavenworth and Fort Sill, a total of 1,570 miles. Three days will be spent at Fort Riley and two each at Fort Sill and Fort Leavenworth. The distance is 1,570 miles.

Four observation planes and one transport will leave Fort Riley on May 6th and proceed to Kelly Field by way of Fort Leavenworth and Fort Sill, a distance of 845 miles. They will spend two days at both Fort Leavenworth and Fort Sill.

The planes to take Brigadier General Fechet and his staff to the various school demonstrations and thence to Kelly Field will leave Bolling Field on May 2d by way of Burgess, Wright and Scott Fields, Fort Riley, Fort Leavenworth and Fort Sill, a distance of 1,055 miles. Three days will be spent at Fort Riley, two days at Fort Leavenworth and Fort Sill with overnight stop at Wright Field.

In addition to these ships, nine planes of the 12th Observation Squadron, stationed at San Antonio, will participate in the maneuvers.

Plans for the participation of the Air Corps, prepared under the supervision of Major General Mason M. Patrick, Chief of Air Corps, call for the service of 30 pursuit planes, 20 attack planes, 20 bombing planes, 13 observation planes, and 12 army air transports. In addition, there will be 4 staff planes and a transport for the use of Brigadier General Fechet, and staff.—W. D. Release.

Editor's Note—This very intersting article is published direct from a War Department Release and this column takes no credit for the same.

FREEBOOTERS AND STUDENTS WIN POLO MATCHES

Showing dicided superiority in team work and riding, but with noticeably weak stickwork, the Freebooters defended the 29th Infantry four on Shannon Field, Sunday afternoon, 6 to 3. In the second game of the afternoon the Students with Blue playing brilliantly, overwhelmed the Cantering Cannoneers of the 82nd, 9 to 1. The crowd was somewhat smaller than usual on account of threatening weather.

The opening game was closely contested until the end of the second period, but at that stage the Yellow Jackets sent in the regular lineup of Forsythe, McClure, Smith and Whisner, and Demonstrationists could not resist the fury of their onslaught although they rallied strongly in the fourth chucker and brought the score to 4-3. The Freebooters were constantly on the attack, the Infantrymen seldom getting possession of the ball. The decided superiority in riding enjoyed by the Freebooters is shown by their 15 chances to tally, against 3 for the 29th. The Yellow Jackets, however, were decidedly inaccurate in their shots, missing 9 of their drives for the goal, while the Inafntrymen crashed in on all of their 3 opportunities.

Lieutenant Jake Moon's unaided dash the length of the field in the fourth period was the particular feature of the game. Through the entire Doughboy defense he rode without aid from his comrades, to climax the trip by banging the bamboo squarely between the goal posts: Capt. "Pinky" Burress was the outstanding player for the losers, making two of their three markers.

Score by Periods:

Freebooters	1	0	2	1	0	—	4
29th Infantry	1	0	0	2	0	0	—3

Goals: McClure (2), Smith (2), Sandlin, Moon, Zurress (2), McCunliff.

Student-Artillery

Although the score of the second game was even more onesided than that of the first contest, the game was faster and a better quality of polo was displayed. Blue who was injured slightly last Sunday played the most brilliant game of the afternoon, and his fast riding and accurate hitting drew round of applause from the audience. Elkens as usual played a fine game and Nichols showed his best form of the year, scoring four goals. The Students maintained the upper hand throughout and it was not until the fifth stanza that Murphy scored the lone point made by the Artillery, although the Gunners fought hard throughout and on one occasion threatened to break through the Green defense.

Score periods:

Students	2	1	0	1	3	2	—9
83rd	0	0	0	0	1	0	—1

Goals: Nichols (4), Elkins (3), Blue, Wise, Murphy.

THEATERS

FRIDAY MARCH 11

"Paradise For Two," featuring Richard Dix in a rollicking comedy drama of a rich young batchelor who inherited a fortune but had to get married in order to receive it.

Laughs, romance and more laughs. New York City is the secene of action,

"On Guard No. 4," starring Cullen Landis—watch for faces of your friends and familiar spots in this picture which was taken at Fort Benning.

SATURDAY MARCH 12

"The Fighting Marine," featuring the world's heavy weight champion, Gene Tunney, in seven reels of action. Tunney jumped from a $30.00 a month private in the Marines, to fame and fortune. The story is a red blooded adventure and mystery drama depicting the haadsome Gene, in the ring; and getting into the good graces of a titled English-woman who has inherited a fortune in the west.

"Its a Gift."—Roach Comedy.

SUNDAY MARCH 13

"The Potters"—a Paramount Production, starring the world famed comedian, W. C. Fields, in a truly American comedy drama brimed full of laughs and comical climaxes. It is a story of Pa. Potter, his home, his office and wild speculation in oil, which drive his family, business associates and friends almost crazy. It is the type of play which causes side aches but insures a good nights sleep.

"Alice Charms the Fish."—Alice Cartoon.

"Pathe News."

In addition to the movies the Terrill Stock Company will present a three-act comedy drama and four acts of clever vaudeville. Officers of the post have seen this company perform and recommend their ability highly. Show starts 6:15, admission for both shows, 50c.

MONDAY MARCH 14

"Whispering Wires," starring Anita Stewart in a baffling, mystery. The story is of a mansion of horrors, mysterious doors, strange pannels and whispering wires, a demented criminal in the basement, working feverishly; his victim answers the telephone at the stroke of midnight—a blinding flash from the receiver-pandemonium. The story is tensely gripping.

"On Guard No. 5"—Cullen Landis—Scenarized at Fort Benning.

TUESDAY MARCH 15

"Desert Valley," starring Buck Jones, the western ace in a thriller of the Sage Lands. The horse trained by Buck perfroms tricks requiring almost human intelligence. It is a story where Buck protects the desert water supply and gains a triumph in behalf of the cattlemen.

"My Sweetie."—A Christie Comedy.

WEDNESDAY, MARCH 16

"The Scarlet Letters," by Nathaniel Hawthorn, starring Lillian Gish. It is the historic novel of a beautiful young seamtress who for her lightheartedness is rebuked by the church and placed in the stocks. The pastor who scorned, later falls in love with her. An intense human drama ensues, the climax of which will never be forgotten.

"Collegians No. 2.

THURSDA YMARCH 17

"Private Izzy Murphy," featuring George Jessel with Patsy Ruth Miller, Vera Gordon and Nat Carr in a side shaking comedy-drama of Izzy's woes as he climbed from Ghetto to Glory in a fighting Irish Regiment. Imagine the racial characteristics of a Jewish boy who became a fighting Irishman. It is reported that audiences howl over this picture.

"Pathe News."

FRIDAY MARCH 18

"It," from the novel by Eleanor Glynn, starring Clara Bow in a facinating revelation of the inexplicable power of "It," where a shop girl handicapped by a limited education, but gifted with the power of "It" rises to undreamed of prominence from obscurity. The plot is absorbing.

"On Guard No. 8,"—Cullen Landis.

GLEE CLUB

Fourth work of the celebrated Gilbert & Sullivan combine a timely interlude to a hectic season.

With a major revival of Gilbert & Sullivan's (by some considered) most spontaneous work gracing the barrels of a leading New York Theatre; the Aborn Company touring the country with an excellent, though aged cast; and considering the sub-title: "The Slave of Duty," it is hardly to be wondered that the Infantry School Glee Club has chosen "The Pirates of Penzance" as the vehicle for their final public apperance during the 1926-1927 Academic year.

The "Pirates of Penzance" was the fourth opera written in cellaboration by Gilbert and Sullivan, the three previous ones being: "Trial by Jury," "The Sercerer" and "H. M. S. Pinfore." The latter named operetta was produced with great fidelity and attention to tradition by the Infantry School Glee Club last year.

The "Pirates of Penzance," aside from its more than ordinary musical appeal, holds a particular interest for Americans. Its first real production was at the Fifth Avenue Theatre, New York, 31st December, 1879. The reason that the American performance preceded the English was that in the absence of an international copyright law, "Pinafore" had been pirated in America, at one time no less than seven productions were running simultaneously, and the authors decided to produce "The Pirates" first, in America. The prinicpal singers were brought from England, rehearsals were conducted by Gilbert, himself, and Sullivan lead the orchestra on the opening night.

Still greater interest attaches to this operetta, for on the bills of the opening performance we find after the character: "The Major General," the name: R. Mansfield. This was none other than our own star: Richard Mansfield, who was them serving his time as apprentice in a singing comedian role with the D'Oyly Carte touring company.

It is said that Gilbert derived his inspiration for the "Pirates of Penzance" from an incident whcih happened to him in his childhood. While traveling with his parents in Italy he was stolen by brigands in Naples, kidnapped from his nurse. It seems this was obvious in his mind in the incident in the operetta where a nurse, Ruth by name, is told to apprentice her charge to a pilot, instead of which, she, misunderstanding the instructions, apprentice him to a pirate.

"The Pirates" story and dialogue is subtly side-splitting; the music is both catchy and inspiring. A lengthier description of both will appear in subsequent issues. In the mean-time; bear in mind; *The Infantry School Glee Club* will present "The Pirates of Penzance" at the Main Theatre, Friday and Saturday evenings, March 25th-26th. Cast of 50, Orchestra of 20, New "Burback" Scenery, "Deroin direction," the chorus of pretty girls, pulchritudinally speaking *has IT.*"

WOMAN'S CLUB

Place of meeting—Polo Club.

Date of meeting—First and Third Mondays.

Date of extra meeting—St. Patrick's Eve, Wednesday, March 16th.

Time—8:30 P. M.

Before the next regular meeting of the Infantry School Woman's Club the members with their especial guests will have the privilege of an extra coming together to hear the famous Seumas MacManus tell of Irish Fairy and Folk Lore. I have been reading his Donegal Wonder Book and those charming tales make me thirst for a sip of Ireland's sparkling wonder, water. It would make even me young and slender for ever more, I varily believe! Truly, tis a privilege rare that we are to enjoy—and I think every member of the cluub anticipates this occasion with keenest pleasure. This reminds me that some valued members of the club—members who have done much for the success of the club have overlooked, paying their dues. Mr. MacManus coming will cost the club a neat sum and since all who have taken advantage of the departmental clubs—Literature, Art, Child Health and Home Economics—do not come to the general club meetings this is the only medium through which to remind you if you have been in advertantly delinquent in this check book—write a check for $3.00 to Mrs. G. A Pollin, Treas., and drop it in the next mail. The Departmental Clubs are The Woman's Club just as much as the bimonthly meetings to which you would have been most welcome had you had the time to come.

It will not be repetition to speak further of the delightful concert on Monday given by Capt. King and a double Octette of the Glee Club. The program consisted of three groups of Folk melodies arranged especially for this occasion by Capt. King. Before each group, Capt. King "Oriented" us by giving a bit of the history of the land with its topography, its people, their national characteristics, their occupations, their language, their supersitions or religion for thes go into and are reflected by the music of a people. Such, modified as he expressed it, by the laws of heredity, environment, National selection and the survival of the fittest, goes into the evolution of what is finally known as Folk Melodies.

The program was as follows:

From the Isle of Man—Two Manx Carols, The Lovers Love's Flight.

Piano Solo:
Reubenstein's Melody in F. La Gazelle, Mrs. Miller.

From the Isles of the Hebrides, Firnan-og (The Skye Fisker Song) Sea Rover Song.

Story from The Donegal Wonder Book by Seumas Mac Manus, The Wee Red Man, Mrs. Vinsn.

From the Mountains of Kentucky—Anglo-Saxon Melodies collected by Josephine Magil, Bangum and the Boar, The Brounies.

There are two people on this post who from an artistic standpoint are absolutely indespensible. They give wonderfully of their time and their genius that the many may enjoy delightful musical opportunities—Would that I had the power to let them know how much we appreciate and value them for they do more for the pleasure of the garrison than all else—Need I name them? Capt. King and Mrs. Butcher!

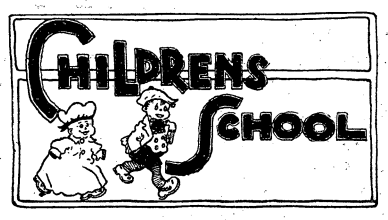
COLUMBUS DAIRY CO. PHONE 794



The pennant which so proudly floats from the staff atop the school building is the gift of the Alex. Taylor Company of New York, the well known sporting goods firm. The presentation on behalf of the firm being made by Mr. Carey.

Donations to the School Fund were made during the past month by the 29th Infantry, through Lieut. P. R. Goode, the regimental A. & R. Officer, who has more than once this year helped the school by his interest and acitvity. The Glee Club also voted a very substantial donation and intimates that they will continue to remember our needs. The Dramatic Club voted a part of the proceeds from their very successful play.

The School appreciates very deeply the kind thought of all its benefactors.

THE ART EXHIBIT

Thursday, March 17th has been chosen as the day for the Fort Benning Children's School to visit the Art Exhibit which will be held in the Humes building in Columbus.

Mrs. Rhodes Brown has graciously accepted Miss Grime's invitation to come out and give the children a brief sketch of the artists whose work wil be exhibited.

Arrangements have been made with the Howard Bus Co., to furnish transportation for the pupils, who will be accompanied by the teachers. We regret that it will be impossible to take the First grade pupils, but their turn will come next year when they are in the Second grade. Perhaps some will attend the Exhibit with their mothers.

The only expense is ten cents, admission for each child, this also entitles him or her to a vote for the picture of his choice.

INTRA MURAL BASKETBALL

With but ten more days until the end of the Inter-Mural basket ball season, the winners of first and second places in both leagues appear to be determined. In the the Class A race, the 2nd battalion has demonstrated beyond any possible doubt, that they are, and will be the Championship basketball organization of the garrison. In fact the 29th Inf. appear to have a monopoly for basketball as their three teams now occupy the first three berths in the league and unless the Tanks defeat the Special Units, the race probably will end with the teams in order as they now show.

The Engineers likewise have a perfect percentage, and are far out in front for B League honors.

While not threatening the leaders, the "Q Emmers" have a cinch on second position as they are two games ahead of the Medicos and the Gas Bums, who are both tied now for last place, and the adjoining berth above.

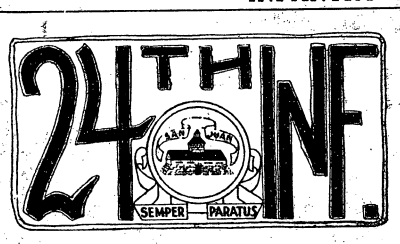
C. W. S.	2	5	.286



The officers of the 24th Infantry and their friends assembled at the Polo Club on the evening of the 4th, to enjoy themselves at the regular monthly dance. The hall was attractively decorated with dog wood blossoms by the Hop committee of which Captain Ernest T. Jones is chairman, and excellent refreshments were served at 11 o'clock.

Of the dinner parties given prior the assemblage Captain and Mrs. Paul Steele entertained Colonel and Wait C. Johnson, Lt. Colonel and Mrs. Jason M. Walling, Major and Mrs. Dennis E. McCunniff and Mrs. Steele's mother, Mrs. Bell McCarthy. Captain and Mrs. John C. Newton had as their guest Major and Mrs. Albert S. Peake, Captains and Mesdames Butler L. Knight, Walter A. Dumas, and George McNeill.

FIRST BAT. HQ. CO.

A shadow of grief was cast over the company last Saturday when the Co. Commander announced that hair cuts, none other than regulation would be worn hereafter. Pfc. Reiman earnestly pleads for permission to retain his "golden locks" due to being a short timer.

Cpl. Bagley has a lot of trouble with his Ford, if it isn't the tires its the battery. Always something to keep the Cpl. drawing canteen checks.

Cpl. Eldred, one of our star communication men will leave us Wednesday. He has accepted a position with a collecting agency in Columbus, suppose we call to see him in a few days.

Cpl. Cobb was asked last Saturday why he was a non-commissioned officer, but hasn't been able to settle the question in his own mind.

Acting Pvt. Steep has been promoted to Pfc. again, fine work Stepp!

Bobbie Brown an old member of the 29th, is back in camp and hopes to be transferred to this organization. We wish him good luck.

JUSTICE.

HQ. CO. 2ND BN.

To say that the Regimental field meet was a success would be putting it mildly. It was more than that. The Second Battalion repeated in winning the meet. Corporal Terry, the only representative from this company won first place in the 440 yard run and gave a good account of himself as a member of the battalion relay team.

With only one more day to go before General Summerall will review the command, this company is busy getting in readiness and we expect to turn out looking our best.

Corporal Rogers is spending a two month furlough at his home in Adairsville, Georgia.

Sgt. Wadford our highly proficient stable sergeant was recently relieved from duty at the corral at his own request. Sgt. Wadford had been on duty at the 29th Infantry Corrals for over seven years. During this long period he has taken part in every mounted event staged by the 29th Infantry and has proven his ability as a horseman. We are glad to have Sgt. Wadford as a member of communication platoon.

The whole company was for a few days completely mystifed at the actions of corporal Parris, but we have at last learned the secret. He has fallen in love with a little Georgia Peach not so far away. The result will be announced later.

W. H. BIGGERSTAFF.

COMPANY "A"

Our old stand-by, Corp. Gilmore, who is to be discharged on the 12th will reenlist at once. We are glad to know that he will be with us for 3 more. Conti, who is to be discharged with Corp. Gilmore, states that he has had enough. We are sorry to lose Conti.

The company Barber Shop is beginning to look very "spiffy" lately and we are getting curiuos as to the reason for same. In all probability Barber E. Bush is entering his second childhood. At any rate that is for only explanation for the industrious streak that has lately overtaken him.

SNOOK.

EXCELLENT SHOOTING BY 24TH INFANTRY RIFLE TEAM

To hit a bull's eye target one half the size of a dime, that is 5-16 of an inch in diameter, at a distance of 50 feet using a .22 caliber rifle requires steady nerves and thorough training in rifle marksmanship. To hit it twenty-two consecutive times denotes an expert. That is the accomplishment of Captain C. L. Steel, 24th Infantry, in the small bore rifle competition held among the Infantry regiments of the regular army, stationed within the continental limits of the United States, on March 2, 1927.

The match was conducted under the auspices of the Seventh Infantry, stationed at Vancouver Barracks, Washington, Each regimental team was composed of ten men who shot the prescribed course on the afternoon of that date. The results were immediately tolegraphed to the sponsoring regiment and the targets, with a verification of the scores, sent by mail. Upon receipt of all reports the winner of the competition will be announced.

The Twenty-fourth Infantry team was coached by Captain E. T. Jones of that regiment. Under his direction a special target range with canvas covering, as a protection against sun and rain, was built. The team had been in training for about three weeks and had consistently done good shooting. All the fine points of excellent marksmanship had been utilized. However, on the day of the competition the team encountered very unfavorable weather conditions. The day was cold and raw, the light dark and changing, the barometer registered twenty-nine fifty-two, the thermometer thirty-one, the hygrometer eighty-five, and a twenty-four mile an hour wind was blowing from the right. The team overcame this handicap and demonstarted the ability to shoot accurately and to hit the mark.

Sergeant Scott Bradford, Service Company, made the high score by securing 379 points out of a possible 400. The other members of the team, in order of their proficiency, are Sergenat Charley Harrison, Headquarters Company. Corporal Claude Rollins, Company "B," Corporal Troy Berrien, Company "E," Sergeant Charlie Burris, Company "F," Corporal Floyd Hairston, Company "I," 1st Sergeant Julius Jennings, "C," Private 1st Class James Fletcher, Company "F," Captain C. L. Steel, and 1st Sgt. John R. Gunn, Company "F."

The totals made by the team at the various position were prone 984, sitting 981, kneeling 929, standing 775, making a grand total of 3669 out of a possible 4,000.

In accordance with the rules of the match officers of the competition regiments served as officials at the shooting done by their own team. Those of the Twenty-fourth Infantry were Lieutenant Colonel Jason M. Walling and 1st Lieutenant Robb S. Mackie.

SGT. CHARLES S. SMITH

Sergeant Charles S. Smith, an esteemed member of the Quartemaster Detachment, was laid to rest Wednesday, March 9th, at his home in Bartow, Georgia.

Sergeant Smith came to his death while driving out to Fort Benning over the old Benning Road on the night of March 5th. The car which he was driving struck a sandy stretch of road and skidded into a tree, killing Sergeant Smith instantly. Two companions; Sergeant Deason and Corporal G. W. Cook also of the Quartermaster Detachment were seriously injured; but are reported to be well on the way to recovery at the Station Hospital.

Sergeant Smith, who came to Fort Benning in 1924, was an "overseas veteran" and a man of exemplary character as shown by his discharges, all of which gave character: "Excellent." He is survived by his father and mother; three brothers and one sister; all living at Bartow, Georgia.

Sergeant Smith was thirty three years old at the time of his death and had nine years service to his credit. His loss to the Quartermaster Detachment cannot be easily estimated, as he was the main reliance of the Quartermaster Corps in running the saw-mill. His passing will be keenly felt by the men of the Detachment, to whom he was comrade and friend.

Funeral services were held Tuesday afternoon in the Protestant Chapel, Chaplain DeBardelaben officiating.

A full Military funeral with escort accompanied the body to the Upatoi Bridge. The remains were then shipped from Columbus to the deceased's home in Bartow, Ga., where interment was held.

Ye Olde Printe Shoppe Gossip

Private Pash has taken on another three years with the Print Shop. "Just nine more years Pash, an you'll be eligible to take over Sergeant Doll's job."

The writer of the notes made a terrible mistake last week by saying that Johnny Heisler was leaving for parts unknown. For some time Johnny has kept us in the dark by saying, "It won't be long till you find out." He will leave on a three months furlough to visit his relatives in Missouri. Watch out, Johnny! It is said that many pretty girls live in Missouri.

There is a great need in the Print Shop for a larger safe. Sergeant Doll could make great use of it. Seems as tho' he would like one large enough to hold all the mops, brooms, raincats, and it would be fine to have one that he could place a bunk in, so he could rest without having some one ask him where job so-and-so is, as if he had job tickets in all his pockets.

The Print Shop seems to be getting bigger and better every day. Private Jobe (Willie) had an idea the first of the year that he would like a change of work, but he has changed his mind and wants to stay till he makes Sergeant. When asked why he preferred to stay, he said, "I've got a good job but just didn't konw it." Another reason is that he couldn't get along without "Apples" (Pvt. Arnold, the Oil Man.)

LAUNDRY

"Paint up-Clean up" week at the laundry has caused some extra work to come our way. The patrons will not heed a wet paint sign and we are not doing the cleaning gratis. The laundry, by the way, is looking much better after receiving its new coat of paint.

Mr. Blair says that the author of "The slow Train Thru Arkansas" should be living now so that he could see what a slow train really is. He refers to the Fort Benning Special on which his employees ride to and from work. Half of the worry of our Superintendent is caused by its late arrival.

COMMISSARY

We never would have believed that a man would be secrative about his age, but now we know differently for one of oud old soldiers stood for this last insoculation just to prove that he wasn't forty-five. Needless to say there were no words of sympathy given when he was taken very ill from the effects! Just three guesses as to the identity of our "boy."

PROPERTY OFFICE

The Property Branch welcomes Captain James Sproule as the new Property Officer. He relieved Captain Howder of property accountability as of March 1, 1927. Though we have gained a new Property Officer, we have not yet lost the former one, Capt. JJ. W. Howder, who will continue to function for some months yet as Chief of the Supply Branch.

Mr. Rogers, Warrant Officer, has received orders for his transfer to Honolulu, date of sailing June 30th. Mrs. Rogers appears to get more thrill out of it than the 'old man.'

Hurrah! The auditor is with us again, and he states that the records are in excellent condition.

Mr. Woolbright and family spent a pleasant day last Sunday at Erriffville.

Mr. Binns has just moved into the house next door and says that is was as much trouble as if he had moved a mile away.

UTILITIES BRANCH

This department has been deeply affected by two deaths which occured in the past few days.

The first was that of Sgt. C. S. Smith, Q. M. C., who was killed March 5th in an auto accident on the old Fort Benning road. Sgt. Smith had for the past year been one of the Utilities working force, in charge of the saw mill. He had proven himself to be a competent man, and his death was a shock to all of us.

The second was that of Mrs. G. M. Zettler, the mother of Miss Margery Zettlerfi our stnographer. Mrs. Zettler's death occured quite unexpectedly early on the morning of PMarch 7th. Our most sincere sympathies are extended to the daughter, who was devoted to her mother.

YOKE WAS ON HER

Clarng, clarng! The brave firemen are running down the street to the fire. Lady in the foutrh window of the burning apartments. "Halp," sais she. "Halp, halp!" "Yump," sais we. "I carn't," sais she. "Yump," sais we. "We got a blanket." Under she yumped on the sidewalk and broke her neck. Und we larfed and larfed, 'cause we knew we never had no blanket.

VOLUME V. FORT BENNING, GA., FRIDAY, MARCH 18, 1927 NUMBER 26

R. O. T. C. CAMP HERE IN JUNE

FIRST R. O. T. C. CAMP AT BENNING TO BE ORGANIZED THIS SUMMER

Camp Will Be Opened on June 16 and Closes on July 17; 375 Students Will Attend

For the first time since the founding of the Infantry School, Fort Benning will this summer be the location of a Reserve Officers Training Corps encampment. The camp will for one month duration, opening on June 16 and continuing until July 1. Approximately 375 students will attend the camp.

Many of the students who attend the course will come from the 4th Corps Area, among them being representatives from Alabama Polytechnical Institute., University of Alabama, University of Georgia, Georgia Institute of Techcology, and other schools. They will be given instructions according to the branch of service of which they are students. The class is divided as follows: 140 artillery course, 100 Engineer, 67 Ordinance, 65 Signal. Each of the educational institutions represented includes in its curriculum a course in military Science and Tactics. Upon graduation, many of the students are commissioned reserve officers in their respective branches.

All plans for the summer camp have been completed at Post Headquarters. The camp itself will be located in prolongation of the 29th Infantry and every possible measure will be taken to insure the students comfort. Tents will be ready for occupancy when the students arrive. All tents will have wooden floors, and as many comforts as possible.

Major John T. Kennedy, Field Artillery, who is detailed as Professor of military Sceince and Tactics at Alabama Institute of Technology, will be the immediate camp commander, under supervision of post headquarters. Mess arrangements for the students will be taken

A Scene From The "Pirates of Penzance"

INFANTRY SCHOOL GLEE CLUB TO PRESENT THE FOREMOST OF OPERETTAS

The "Pirates of Penzance" Will Be Presented to the Public on the Evenings of March 25th and 26th

The "Pirates of Penzance" which will appear at the War Department Theatre on the nights of March 25th and 26th is a most unusual Opera, both from the standpoint of music and text. Its theme has been termed by one writer as "Topsyturvy Melodrama," its music as "Cherales Ingeniously Re-rythmed."

Along the rock-bound coast of Cornwall there roves a band of pirates who are too tender-hearted to make piracy pay. In particular, as orphans themselves, they make a point of never molesting an orphan, and the last three ships they took proved, unluckily for them, to be manned entirely by orphans. Frederic, who was meant to be a pilot, and by an alliterative error became a pirate instead, is just completing his apprenticeship, and he threatens that henceforward he must apply himself heart and soul to their extermination. They agree that he must do whatever his conscience dictates. Major General Stantly—the type of military man who knows no more of tactics than a novice in a nunnery—has a large family of daughters. When they visit the pirates' cove they are captured. But the gang's visions of "the felicity of unbounded domesticity' are shattered when the father declares he is an orphan. It was a lie, of course, and the old General broods over it and humbles himself before the tombs of his ancestors, who are his ancestors only by purchase. Frederic, meanwhile, has organized an expedition of police to capture the pirates, though they have to be spurred on by Mabel, General Stantley's youngest and most beautiful daughter, to "go to glory, though they die in combat gory." But before this mission commences the King of the Pirates and Ruth, the maid-of-all-work, announce to Frederic that he was born in leap year, that he has had only five birthdays, and that he is thus still an apprentice, a position which he accepts loyally as "a slave of duty." Not only does he accept it, but he dutifully discloses that Major General Stantley was not an orphan and that he has, in the King's words, practiced on the pirates' "credulous simplicity." In the fight between the police and the pirates the police are defeated, but the prestrate sergeant calls on the victors to yield "in their good sovereigns name," a claim on their allegiance which they cannot resist. For these pirates, it transpires, are not members of the common throng, but "noblemen who have all gone wrong."

The music of "The Pirates" is by many considered the most popular of any of the Gilbert and Sullivan works. Solos, duets, trios and choruses, all catchy, but sound-

(Continued on page 2)

INFANTRY BASEBALL TEAM ROUNDS INTO FINE SHAPE FOR COMING SEASON

Doughboys to Meet Columbus Team on Saturday, March 19th

With the third week of baseball practice completed at Fort Benning, all players are rounding into fair condition. The past week has been devoted by coach Fountain, to hitting practice for the entire squad, and to conditioning of the pitchers. While it somewhat early to tell much about a number of the slab artists, several already are becoming outstanding in their ability.

Grady Tolle, who for two year has been a doughboy mainstay on the mound and master of the reverse pretzel curve, appear to be due for the best seasons he has had since at Fort Benning. He is in excellent condition. Lieutenant "Johnny" Roosma, cage artist extraordinary, took his place yesterday for the first time, on the pitchers mound. The way Johnny breezed the pillet in was somewhat startling. Roosma has more steam

(Continued on page 2)

QUARTERMASTER GENERAL PAYS VISIT TO FORT BENNING

General Cheatham Inspects All Quartermaster Activities During Stay Here

Following closely the visit of Major General Summerall Chief of Staff, Major General Cheatham, Quartermaster General of the Army, paid a flying visit to the Infantry School last Saturday.

General Cheatham has been on an inspection tour at Fort Sam Houston Texas, where the 2nd Division is stationed.

He was met at Opelika, Ala., by Col. Warfield, Chief of Quartermaster at Ft. Benning accompanied by Lt. W. M. Allison, Constructing Quartermaster.

They were met at the reservation boundary by Brigadier General Edgar T. Collins, Commandant of the Infantry School, accompanied by his Aide Lt. Robert Oliver, F. A. General Cheatham accompanied by General Collins and Col. Warfield spent the afternoon inspecting all Quartermaster activities in the garrison.

Saturday night at Biglerville, the Officers and Ladies of the Quartemaster Corps gave General Cheatham a dinner in his honor, to which was invited General Collins and other Officers of his staff.

A reception followed the dinner, General Cheatham left Ft. Benning early Sunday morning.

INFANTRY BASEBALL TEAM ROUNDS INTO FINE SHAPE FOR COMING SEASON

(Continued from page 1)

than one of the Cook and Bakers School boiler ,and from present indications, some of the varsity ball players are going to have strikes called on them. Kautz, Snyder, McDonald, Grim and McGaha are all taking their regular turn and pitching staff propects appear to be pretty good.

To assist McCarthy who at the beginning of practice was the only catcher who turned out with the candidates five new catchers or candidates for that position have reported. In addition to McCarthy who has been the Infantry mainstay behind the bat for four years, are now McCagna, Davis, Slavery, Kerber, and Groves.

In the outfield, Smythe, Kjelstrom, Parris, Rogers, Morow, and Hedgerack are robbing hitters of the averages in consistent fashion.

The balance of the team, with quite a bit of new material on hand are now indulging in fast infield practice each afternoon. Dunlop, Van Studdiford, White, Franz, Redding, Willis, and numerous others are whipping the ball around the bases, in excellent form. From present indications the Infantry will have a fast club.

It is believed that Coach Fountain will begin next week to "release" some of the lesser satillites of the Infantry squad, and begin picking the dough boy team. Those who are released will probably be sent to "minor" league clubs for further seasoning, ie. (Class "AA" League).

The first game for the Infantry School season will be played on March 19th, at Gowdy Field, with the local Columbus Team of the South Eastern League.

INFANTRY SCHOOL GLEE CLUB TO PRESENT FOREMOST OF OPERETTAS

(Continued from page 1)

ly good, help carry on the action and story. The proof of the lasting quality of the music is before us in the garbled version of "Hail, Hail, the Gang's all here," which is so immensely popular on campus, at games and amongst gatherings where the spirit of conviviality runs high. The almost as popular, yet rather vulgar song about less their Captain Webb sustained in "sailing" over Niagara Falls is another melody-steal from the Pirates.

The cast for the Pirates is entirely Infanrty School. Marin Boyd carries the soprano lead, Mabel; Capt. Rutledge, is the pirate apprentice, Frederic, a tenor role which calls for excetpional ability in the vocal line. The model "modern-Major-General" is militarized by Colonel Geo. W. Helms and the parts of The Pirate King, Samuel, the Lieutenant, Sergeant of Police, Edward, are respectively filled by Captain L. D. Tharp, Capt. F. O. Schmidt and Captain Stanley G. Saulnier. General Stantley's most prominent daughters are Kate, Edith and Isabel. In order named they are portrayed by Elsie Hurdis, Mrs. Harris, Mrs. Partridge and Miss Helen Norris.

Scenery and settings that equal those used in Metropolitan productions have been specially made for this production by Lt. Claude Burback of the 83rd F. A. All told, the Infantry School Glee Club's revival of "The Pirates of Penzance" should please even the most exacting player.

When there are silver threads among the gold it dosen't mean anything except that the henna don't work.

Lafayette Lyre.

Sweet Young Thing (to Oculist):—"I've broken my glasses. Do I have to be examined all over again?"

Oculist:—"No, just your eyes."

Colorado Dodo.

1ST GAS REGT

Only the strongest of reasons could impel us to afford you an opportunity to become acquainted with the great secret underlying our stirring victory over the leading contenders for the basketball crown, the Bridge Builders, who stood 1,000 up to this fateful moment. But in order to avoid consuming unnecessary editorial space I will enlighten you by a brief explanation of our main reason; unfurl the secret of our success whereby the dreams of the Engineers were shattered and close with a summary of that game.

On the night of March 14th, about 7:30 o'clock, Company "F" First Gas Regiment's basketball manipulators clashed with the proud representatives of the Engineers for their third battle. Realizing this was to be their last game of the present series they seemed to display more determination than ever before to show their appreciation for the efforts so generously put forth by Captain Paul Steele of the 24th Infantry to make of them a winning combination. This they accomplished almost unexpectedly during a hard fought game by nosing out their opponents 19 to 17.

Altho not quite as invincible as they claim the Engineers played a wonderful game of basketball, using their best team and making no substitutions throughout the game. And the fact that the C. W. S. showed superiority during this particular game may be attributed to the untiring efforts of Captain Steele to mould a winning combination.

Line up and Summary:

FIRST R. O. T. C. CAMP AT BENNING TO BE ORGANIZED THIS SUMMER

(Continued from page 1)

care of by the School for Bakesr and Cooks, which is commanded by Captain Leslie Bowman, Q. M. C.

For instructional purposes the War Department has made available troops of the 29th Infantry Company "A" 7th Engineers, and one battery of the 83rd F. A. These troops will facilitate instruction and it is expected that the course will be most successful in every respect.

HARD ON THE STREET

Mrs. Jones:—"Tommy, have you seen Willie Jones?"

Tommy:—"Yes, mam, and the steam roller man is raising cain."

Mrs. Jones:—"And why is he raising cain?"

Tommy:—"The steam roller just ran over Willie and some marbles he had in his pocket dented the new street."

—W. Va. Moonshine.

INFANTRY SCHOOL DETACHMENT

Corp. George White is certainly looking good around the hot corner, and its a sure bet that his name will be in the Doughboy lineup when the season starts.

Wee Grady Tolle and Mick, McCarthy, are both showing tip top form, and the way that Sgt. Heckert has been digging them out of the dirt around second for the past few days, makes it look like somebodys going to have to hustle to beat him out of that position. Sergeant Davis is also showing up well behind the plate this year, and from all indications now the Inf. School Det. is going to have a mighty good team to enter in the Inter-Mural league this season.

The Jazz Babies are looking for a good season also, there will be quite a few new faces in their line-up this year.

And we all know that if you give Sgt. Magoni the material he will do his share toward putting out a winnnig team.

When will there be another fight card put on- Mick McCafferty and Knockout Gorman are both anxious to have a chance at some of the local talent.

Gorman claims the welterweight belt in the Fourth Corps, and has a craving to meet Mr. Gene Poyner of Columbus, McCafferty is a midleweight and is also rearing to go.

Pfc. Penn has returned from a visit to his home in Burntcorn, Fla.

I. S. D. BENEFIT DANCE

Wednesday, the sixteenth, a dance for the benefit of the Children's School of Fort Benning was sponsored by this organization. The proceeds of this dance will be donated to the School Fund. A larger attendance than was expected turned out and a good time was had by all, as per usual. "A Paul Jones," whatever that is, was the outstanding feature of the evening, with Major Bootz, the detachment commander, calling the "sets" as in, or rather somewhat similar to, the "Square Dance." The music, refreshments, in fact all details were perfect.

Announcements was made to the effect that another dance, being the regular monthly exhibition of the terpsichorean art, will be held during the ensuing month. The date thereof is to be announced later and will be published in this column.

MAJOR DUNLOP, A. G. D. TO LEAVE BENNING

Orders have been received at Post Headquarters relieving Major Robert H. Dunlop, A. G. D. from duty at the Infantry School effective about August 15. Major Dunlop has been ordered to duty in the Adjutant General's Office at Washington, D. C. and will probably leave Fort Benning about August 1.

He will be relieved by Major Daniel Tolley, who is now attending the Command and General Staff Course, at Fort Leavenworth, Kansas. Major Tolley will report to the Infantry School upon completion of his course which will end about June 10.

COLORADO DODO

Little Bosco (in Sunday School):—"Aw, I don't want de old medal for being present."

The Teacher:—"And why not, my dear?"

Little Bosco:—"Aw, Hell—give it to the old man— he's de one what won it."

—Brown Jug.

The Annual West Point Dinner will be held at the Columbus Country Club on Saturday evening March 19th at 7:30 o'clock. There will be an attendance of one hundred and ten West Point Graduates and several guests in addition Captain Robert H. Flecher's class of '72 U. S. N. A. and Lieutenant Robert D. Leod, class '24 U. S. N. A. will be guests while Major Dan Card M. C. and Captain Ralph C. Smith, who were formerly stationed at West Point and Captain Walter A. Dumas, who has been ordered to the Military Academy for duty, will be the guests of the West Point Pointers. Officers will attend the dinner from Maxwell Field, Montgomery and Savannah. There will be held all over the country on this date thirty-five West Point dinners. The principal reunion will be in New York and others almost equally large will be held in Chicago, Atlanta, Boston, San Francisco, Washington, D. C. and foreign possessions.

* * *

Colonel and Mrs. Wait C. Johnson have issued invitations for a dance to be given at the Officers Club Hop Room, March twenty-fourth in honor of their guest Mrs. John E. Hoover.

* * *

Captain and Mrs. Frank Partridge have as their guest Miss Virginia Harris of Tampa, Florida. Miss Harris arrived on Saturday and will be here about ten days and will then return to college.

* * *

Mr. Leumas McManus the Irish Poet gave a recital of his works of folks love and poetry to the ladies of the Infantry School Wman's Club and their guests on Wednesday evening at the Polo Club. During his stay at Fort Benning, Mr. McManus was the guest of Colonel and Mrs. Ralph Kingman.

* * *

Colonel and Mrs. Ralph Kingman entertained with a dinner before the preformance Wednesday evening for Mr. Leumas McManus, Major and Mrs. Philip Peyton and Lieutenant and Mrs. Wilbur H. Vinson.

* *

Mrs. Clyde Grady entertained with several tables at bridge on Thursday afternoon. Very pretty hand painted door stops which the artistic hostess had decorated herself, were given as prizes at each table.

* * *

Miss Ruth Ahrends will entertain in honor of the guests of Major and Mrs. Ralph Jones on Thursday evening of next week with bridge and supper.

THE BETTING LIEUTENANT

A Lieutenant was transferred from a Texas Post to a Northern Post. The Texas Colonel wrote to the Northern Colonel that the Lieutenant had one serious fault and that was "Betting." Upon arrival at his new station the Lieutenant reported to his Colonel and the Colonel said: "Young man I understand you have one serious fault and that is betting. I'll have you understand that betting will not be tolerated in his regiment. What do you bet on anyway?" The Lieutenant replied: "Sir, I'll bet on anything, for instance, I will bet you $25.00, that you have a wart on your right shoulder." The Colonel sputtered a bit and said, "Young man, I'll teach you a lesson; I'll take that bet." The Colonel then removed his coat and took off his shirt and displayed a perfectly smooth shoulder and said, "Do you see any wart on my shoulder?" The Lieutenant replied: "No, Sir, I lose." The Colonel then said, "Pay me the $25.00, and I hope this will teach you a lesson and break you of the betting habit." The Colonel then wrote to the Texas Colonel and said he thought he had taught the young man a lesson and had broken him of the habit of betting: "Why, before I had known him five minutes he bet me $25.00, that I had a wart on my right shoulder, and, of course, he lost, I hope it will teach him a lesson." In due course of time a reply was received from the Texas Colonel in which he stated: "The youngster wins; before he left this post he bet me $100, that he would have your shirt off within five minutes after he met you."—The Black Hawk.

WHY NOT MAIL THE NEWS HOME?

Dramatic Club

On last Saturday evening at the 29th Infantry theater, two one-act plays, "The Valiant" and "A Woman of Character," were presented by the club for its members and guests. The attention to detail in stage settings and technique which characterized the performances, produced an ensemble worthy of a much higher degree of professional skill than that to which the club lays claim. The audience was enthusiastic, as well as it might be, for the plays, especially "The Valiant," reached standards seldom attained by amateurs.

"The Valiant," an emotional drama, opened the program. The scene is laid in the warden's office of the Connecticut State Prison—and those best qualified to speak proclaimed the stage setting to be practically perfect. Shortly before midnight, the hour scheduled for the execution of a twenty-seven year old condemned and confessed murderer, the warden and chaplain of the prison have almost given up trying to ascertain the identity of the sentenced man, whose name, James Dyke, is thought to be an alias. The efforts of both are unavailing, as Dyke evidently intends to shield his family from disgrace.

A young girl arrives at the prison, with the governor's permission, in the last few minutes before the march to the execution-room, having come all the way from Ohio to see whether the criminal is her brother. He is, but she never finds it out. Her efforts to discover if he is her brother, and his efforts to conceal his true relationship from her, provides a situation filled with true drama. She leaves, beleiving his last carefully concocted lie—one which not only shows the condemned man to be not her brother, but also provides a heroic wartime death for the brother she knew. And so he goes courageously to pay his debt to society, sustained that "the valiant never tastes of death but once."

The wait between the two plays was rather long, but when the curtains parted on "A Woman of Character" to show the bright, attractive living-room of Mrs. Adams, so different from the bare prison office, the difficulties of the scene shifts were realized. A meeting of a woman's literary club was in the immediate offering, and soon a babbling of tongues, all wagging eagerly over the latest scandal of the town—a husband of fifteen years' standing caught by his wife as he was holding a French milliner on his lap—brought laughter to eyes which only a short time before had been filled with tears.

The audience was pleased and from time to time, as some particularly pertinent witticism directed at martial troubles hit home in the front of the house, the laughter was continuous.

The title role was well done by Mrs. Andrew Knight. The part of the hostess was taken by Mrs. Paul C. Galleher, whose poise and portaryal of her part were praised. Mrs. John A. Otto, as the common-sense old mother who scoffed at the literary pretensions of the modern woman, did splendidly. Mrs. Wait C. Johnson was the lecturer whose paper could not hold the interest of a bevy of women more intent on speculating whether the injured wife would come to the meeting, and whether she would wear the hat which the poor devil had had to buy as part of his penalty for being caught. Her rendition was exceptionally good, and she showed much talent. And Mrs. Stuart A. Beckley added much to the play in the part of the gushy young bride.

This was a woman's play, but there was much food for male thought in it. There was not a man in the cast, and the women, under the able direction of Mrs. John F. Landis, did splendidly. All in all, the evening was a marked success.

THEATERS

FRIDAY MARCH 18

"It," from the novel by Eelanor Glynn, starring Clara Bow in a facinating revelation of the inexplicable power of "It," where a shop girl handicapped by a limited education, gifted with the power of "It" rises to undreamed of prominence from obsecurity. The plot is obsorbing.

"On Guard No. 8."—Cullen Landis.

SATURDAY MARCH 19

"Don Mike," featuring Fred Thompson and the horse with a personality, "Silver King," in a vivid, colorful romance of the Old Spanish regime in California—depicting General Freemont and his troops, and the activities of the Carpet-baggers, who stole vast Spanish land grants.

"Galloping Ghost"—Standard Comedy.

SUNDAY MARCH 20

"Stepping Along," starring Johnny Hines in an hilarious hit in Burlesque of Broadway. The Black Bottom staged by twenty-two beauties from George White's Scandals', hilarious auto parties and society frills illuminate the background of a plot where a newsboy aspires to political fame and acquires his goal.

"Felix Fans The Flames."—K. Kat.

"Pathe News."

MONDAY MARCH 21

"The Great Deception," starring Aileen Pringle and Ben Lyon in a thrilling story of secret service in the world war—filled with intrigue and action on land and sea, climaxing in an exciting escape in the air, and followed by the reward that such brave deeds deserve.

"On Guard No. 7."—Cullen Landis.

TUESDAY MARCH 22

"The Old Soak," from the Broadway success by Don Marquis featuring Jean Hersholt, June Marlowe, George Lewis and Gertrude Astor in eight reels full of "dry" humor. It is a drama of love and laughs where the wise philosophy of the "Old Soak" captivates. The poor son of a small town tried to play the game of a Stage Door Johnny; pretty chorus girls and the "Old Soak" show him the ropes.

"Meet My Dog."—Cameo Comedy.

WEDNESDAY MARCH 23

"The Canyon Of Light," starring Tom Mix and his remarkable horse, Tony, in a colorful nerve-tingling story against a back ground of shell torn villages in France, and the beautiful Yellowstone National Park in the west. As whole "Ghost City"—the haunt of outlaws, is wrecked by Tom in a thrilling battle for a girl's honor.

"Bill Grimm's Progress No. 11."

THURSDAY MARCH 24

"Young April," featuring Bessie Love in a sparkling comedy romance of young love in a royal setting. A mythical kingdom supplies the locale for the story which deals with the love of a Crown Prince and a Grand Dutchess, neither of whom is aware that the other is of royal blood. It is an absorbing pleasing drama.

"Pathe News."

FRIDAY MARCH 25

"Red Hot Leather," featuring Jack Hoxie in an active western depicting a lone eastern nurse in the wild and wooly west. The first broncho buster she meets captivates her. An amazing complication of incidents plunge her into fueds, plots, a rodeo and the discovery of an oil well. The picture is filled with action.

"On Guard No. 8."—Cullen Landis.

24TH INFANTRY STANDS HIGH IN SMALL BORE COMPETITION

Bulletin:

1. The final scores of the small bore rifle competition, as wired to this post by the different competing teams, are as follows: subject to check by the board appointed to mark the targets.

1.	7th Infantry	3747

18.	28th Infantry	2582
19.	23rd Infantry	No report received.

2. The matter of a trophy or trophies for this match is still under consideration.

29TH HORSEMEN IN GALA EVENT

Under clear skies and the friendly smiles of old man, "Sol" the annual Horse and Transportation Show, of the Twenthy-ninth Infantry was staged yesterday afternoon at the Twenty-ninth Infantry show ring.

The greater part of the regiment and many other members of the garrison turned out to view the gala event, and that it was a success may well be attested by the applause of a crowd that filled the spaces around the ring.

Entrants in the 16 events were limited to officers and ladies including honorary members, and enlisted men of the Twenty-ninth, with the greater portion of the mounted personnel taking part. An event attracting special attention was the exhibition driving of an eight line mule team by Pat. Meister, of the Service company, unassisted. The Doughboy handled his team as if at one time this was his profession. Another was the splendid horsemanship displayed by Lt. Moon, instructor at the Infantry School Stable, for which a sliver loving cup was given him. Another was a Polo Bending race won by Capt. Burress, who showed excellent form and control of his horse.

Results of the show:

Saddle mules shown at walk, trot, and canter.

24TH INF.

A promising young politician is the latest arrival inthe 24th Infantry in the person of Al Smith Washington. This illustrous individual arrived on March 10, 1927 by the stork route at the Garrison Hospital to Mrs. Smith Washington, wife "H" Company's Supply Sergeant. He weighes 8 pounds and 14 ounces and has already shown his ability to get what he wants by using his voice and lungs. The Democratic Governor of New York had better look to his laurels.

24TH INF. ENTERTAINS TUSKEGEE AND COMMUNITY CENTER TEAMS

The cordial relatrons existing between the 24th Infantry and the local colored Civil population were further augmented on Friday noon by an excellent luncheon served by that regiment to the girls basket ball teams of Tuskegee Institute, the Columbus Community Center and their accompanying officials. The opportunity to do so arose out of the fact that the Tuskegee team was enroute to play the colored Community Center sexette that night on the Columbus colored Y. M. C. A. basket ball court.

Companies "I" and "L" of the 24th Infantry were hosts and served the luncheon in Mess Hall No. 4, which had been attractively prepared for the occasion. First Sergeant Fletcher Reeves, Company "I" was in charge, with appropriate remarks he introduced Reverend W. A. Fountain, Pastor of St. John's M. E. Church of Columbus, who made the address of welcome. Reverend Fountain spoke concerning the policy of the regimental commander, Colonel Wait C. Johnson, to support all worthy projects destined to improve the well being of the negro race and of the pleasure afforded the regiment in being able to entertain the visiting teams and officials. Capt. Walter J. Love, assistant to the Commandant of Cadets at Tuskegee Institute replied expressing appreciation of the co-operation given by the 24th Infantry and voicing the cordial and close feelings of friendship and esteem existing between the two organizations. The regimental chaplain, Alexander W. Thomas, spoke of the opportunity possessed by the 24th Infantry and Tuskegee Institute to improve the spiritual and material welfare of the negro race and the part the regiment is playing in this great work.

The menu of the affair was fried chicken, giblet gravy, creamed peas, scalloped corn, baked squash, fruit salad, cheese straws, Philadelphia cream cheese, ice cream and cake. Throughout the meal the latest selections from Broadway were played by the 24th Orchestra led by Staff Sergeant Louis A. Scipio, Service Company. Those responsible for the excellent repast were acting mess sergeant, Corporal Fred Hairston, Company "I," and Cooks Henry Angel, Company "I" and Red Wilkerson of Company "L."

In addition to the sixteen members of the girl's basket ball team the following teachers and instructors from Tuskegee Institute attended the luncheon: Mrs. Eloise R. Cunningham of the Register's office, R. L. Waggoner, Head of the Machine Shop Division, Mrs. R. L. Waggoner, Head of the Domestic Science Department, Miss Sallie Alexander, Captain of the girl's team and a teacher in the Senior High School, Captain Walter J. Love, assistant to the Commandant of Cadets, Miss Harlena Galloway, Physical Training Teacher, E. A. Benson of Mathematics Department, W. T. Shehee Director of the Dining Hall, and Major N. D. Carner, Instructor in the Carpenter Shop. In addition to the eight girls of the Community Center Team, there was present from the regiment and Columbus, Chaplain A. W. Thomas, Warrant Officer and Mrs. J. W. Cranson, Mrs. F. A. Mack, Staff Sergeant Henry Moore, E. E. Farley, secretary f the Colored Y. M. C. A., Reverend W. A. Fountain, Pastor of St. John's M. E. Church, Mrs. Hattie Taylor, Probation Officer, and Miss Mable Kimbrough, Team Captain.

VOLLEY BALL GAMES

A hotly contested series of four volley games played last Wednesday afternoon between "H" and "M" Cmpanies of the 24th Infantry resulted in a tie score. The next contest will be played this Wednesday afternoon. The line up of the teams was:

"H" Company:—Will E. Wright, Captain, Theodore Williamson, Leavie Simpson, Henry Long, Ulas Hale, William Gilliam, Grady Oliver.

"M" Company:—Adnois Bess, Captain, Joe Wimberly, Vance Leverett, Eugene Washington, Eddie Ramsey, Bob Betts, James D. Harris, Scorer; Blaine Adams, Referee.

24TH BASEBALL TEAM BEGINS PRACTICE

The 24th Infantry baseball squad has started intensive training. A large number of last year's team is still present in the regiment so the team has bright prospects of again securing the Gowdy trophy.

The team coach is greatly pleased with the splendid baseball material constituting the squad.

Practice started last Monday morning with a lively work out by the men and an outline of the season's activities by the team coach. The following men now constitute the squad: Corporal Elmer Trammel, Privates, Sloan Williams, Fendall Williams, and Dorsey Battles of Service Company, Corporal Eugene Thomas, Company "A," Corporal Harvey Haygood, and Tommy Leonard of Company "E," Corporal Samuel Sellers and Private Herman Seats of Company "G," Corporal James H. McCrary, and Private Henry Bell of Company "I," Corporal Marcellar Hampton and Private Columbus Vance of Company "K,' Sergeant Nelson Gilchrist, Privates Douglas King and Victor Williams of Company "L."

MAIDS ENTERTAIN 24TH SOLDIERS

In appreciation of the many pleasant pastime, furnished b ythe enlisted men of the 24th Infantry, the colored maids of officers quartered in Block 23 of the garrion entertained them with a delightful dance at the 24th Infantry Service Club on March 14th. The affair was in accordance with the policy of the regimental commander, Colonel Wait C. Johnson, to provide clean and wholesome amusement on the reservation for the colored personnel. Bimonthly dances are held to which the colored maids of the garrison are largely invited. On the 14th of last month the colored maids of officers living in Block 14, gave a return dance to the soldiers of the 24th Infantry in the regimental Service Club in appreciation of the courtesies received by them.

Those responsible for the dance on the 14th instant are as follows:

Soldiers committee, Sergeant Sam Venters, Company "G," Sergeant Frank Hightower, Company "F," and Corporal Jesse P. Mays, Company "C." Maid's committee, Willie Mae Rogers, Chairman, Arrangement committee, Vernell Shorter, Beatres Toombs and Mary Brown. Refreshment committee, George Landres, Mamie Norrie and Annis Willis. Reception committee, Ida Mae Foster, Amie Peterson, Odelia Imgram, Hattie Mae Williams, Lucil Cral, Estell Galmore, Dellar Dension and Mozelle Bush.

GOOD TASTE

He:—"Dearest, will you marry me?"

She:—"John, I can't marry you, but I shall always respect your good taste."

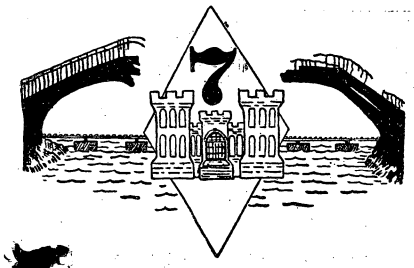
POST EXCHANGE FILLING STATION
Ft. Benning, Ga.
Tires Firestone Tubes



The Engineer area shows great improvement to one returned from three month's detached service. Buildings are now a delicate shade of O. D. and a floral display is being prepared in two decrepit pontoon bats. The species of floral to be grown has not yet been decided, but, due to the prevalence of tobacco-chewing among the younger generation, we suggest salivas and spitoonis.

Sergeant Patrick Mallory had the great good fortune to be born on Saint Patrick's Day. Pat has kissed the Blarney Stone and as his natural day approaches, his brogue thickens perceptibly. Sergeant Mallory is the original "Pa" of the famous team of "Pat and Mike."

Our venerable Mess-Sergeant, Jimmy McNally, has departed for Savannah on a fifteen day furlough. He expects to celebrate Saint Patrick's Day in the good old-fashioned way. Before leaving Sergeant McNally expressed his delight in the coming increase of the ration allowance as it will enable him to feed the boys bigger and better beans.

First-Sergeants should not be allowed to see such motion pictures as "Behind the Front," "Tin Hats" and "Tell it to the Marines." The sight of such mythical hard-boiled non-coms as are portrayed in these pictures is liable to persuade the top-kicks to emulate the pictorial ones. We pray earnestly that "What Price Glory?" never arrives.

BENNING BASKETBALL RESULTS, STANDING

The finish of the 1927 Inter-Mural Basketball season, finds the Kellys from the 2nd Bn. in first place in the class "A" league.

The Kellys have not lost a game this season, their nearest rivals being their "Buddies" from the 1st Bn., whose two defeats of the season were both at the hands of the Kell. In the Class "B" league the Red Diamond outfit is leading by a big margin, they have dropped one game this season, the "Q.-Emmers" finished second, with the Medicos and C. W. S. fighting it out for third place.

HOW THE YSTAND

"A" League:	W	L	Pct.

The Well-Dressed Officer at Gym

A "Stewgent"—Starting on a Tactical Walk.

THE SOJER

Well, we have finally found a fellow named Possum Gap from Oshkosh, Tenn., who says they do use black face possums for yard dogs, and that the whoot owls do roost alongside the chickens.

He says the whiskey up there is so mean that a little mouse, after one injection, whipped the biggest cat in town and made two attempts to get up after being run over by a five-ton truck.

The hogs up there are known as razorbacks. Their head is about twice the size of their body. The farmers always tie rocks to their tails so they will balance but if the rock is too heavy why it pulls the skin over their eyes and they go blind.

Gap says that one day they had been using dynamite to blow up some stumps out in the field, and that one of the hogs came along and eat a stick of dynamite. That evening the hog got too near the old mule, and Maud promptly gave the pig a light kick, and the dynamite blew up and killed the mule and crippled the hog for life.

A Southern gentleman was traveling with a couple of friends from the North, who had never been in the South before, and when he told them that the negroes also spoke the Indian language, they were very much surprised. Upon arriving in the next town the Southerner called one of a group of darkies to the window so that his companions could hear the conversation. (Wha-he) said the Southerner. (Wha who) promptly replied the darky.

—Al.

ECONOMY

"Pat, I am sending your waistcoat; to save weight I have cut all the buttons off. Your loving Mother."

"P. S.—You will find the buttons in your upper left pocket."

—Exchange.

STUDENTS AND CANNONEERS ARE WINNERS IN SUNDAY'S POLO GAMES

Fort Bennings four polo teams played two fast six chukker games on Shannon Field last Sunday afternoon. In the first game the Students won a hard fought battle from the 29th Inf., 4 to 2. In the second contest the hard riding Cannoneers took a fast game from the Major Smiths Freebooters, gaining an early lead ver the Jackets reserve line up and refusing to surrender it when later opposed by the regulars. Both games were hotly contested and all four teams showed a marked improvement in their play and team work.

Stick work was a little of due to the heavy dust, but on the whole, the best Polo of the season was displayed, and the improvement shown by the 83rd and 29th Inf., argues well for closely contested games during the coming garrison championship tournament. Play started at a swift pace, with the 29th playing their best game of the year! "Pinky" Burress and Major McCuniff were particulary brilliant on defense and time after time turned back the Student's attack when a score seemed inevitable. In the first period Elkins and Nichols worked the bamboo up the field with clever passing shots and Elkins finally broke thruogh the desparate Infantry defense to send the ball through the goal. Just before the chukker close Nichols shot another goal. In the second chukker the Students stick work fell off and the Doughboys took the aggressive to score with a nice shot by McCuniff, but in the third session the Students added another on a shot by Blue, following a pass from Nichols. The fourth stanza was featured by the defensive play of Burress.

There was plenty of action in the fifth period, with Frazier talying for the Green Shirts with a neat back hand stroke. In the final chukker the Doughboys rallied strongly. Burress after a number of pretty saves, took the ball almost the length of the field but missed the goal by a hair. On the final knock in "Pinky" again got possession of the ball and made the final goal of the game.

Score by periods:

Students	2	0	1	0	1	0	—4
29th Inf.	0	1	0	0	0	1	—2

The Artillery went after the Yellow jackets from the first toss in. Despite effective defense work by Olmstead and Moon of the Freebooters, Strehbehn and Murphy sent the ball through the woven wicker pilons in the very first period to send the Caisson Riders off to a good start. Session two saw Murphy continuing his hard clean hitting, while the Freebooters defense weakened somewhat. Murphy and Strohbehn scored during the chukker and the Artillery was leading 4 to 0. Capt. Read of the Freebooters played his best polo of the year during this session. In the third frame the hopes of the Freebooters, Forsythe, McClure, Whisner and Smith rode out for the fray and began a stern chase to overcome the long lead already obtained by thier rivals.

McClure marked the first goal for the Freebooters with a difficult shot under his horses belt. Whisners interception of the Artilerys shots kept the Gunners on the defensive. In the fourth chukker the Artillerys lead was cut again when Major Smith scored after McClure had missed from a long drive up the field.

The fifth session found the Artillery fighting back hard and actually outscoring the Freebooters for the first time. Murphy scored his third goal of the game and just as the period was closing, Grubbs added another. Major Smith during the period brought the Yellow jackets total to 3 with a beautiful near side shot.

The Jackets tried hard in the final period, but were unable to over come the three goal lead of the caisson riders.

Forsythe scored one, but the Redlegs defense was to strong.

Scored by periods:

Artillery	2	2	0	0	2	0	—6
Freebooters	0	0	1	1	1	1	—4

NATIONAL GUARD AND RESERVE OFFICERS ELECT CLASS OFFICERS FOR 1927

On Thursday, March 10th, the National Guard and Reserve Oficers met in Assembly Hall No. 1 and effected the organization of their class by electing the following class officers:

Capt. R. A. Smith, president; Capt. Edw. J. Bonney, vice-president; and Capt. M. J. Meyers, secretary-treasurer.

Capt. Smith served with the 2nd Inf., Texas, N. G. on the Mexican Border, and with the 40th and 91st Divisions during the World War. He is Commandant of the Junior R. O. T. C. of Central High School, Fort Worth, Texas, and commands eHadquarters Company 144th Inf., Texas, N. G.

Capt. Bonney served with distinction in the 106th Inf., 27th Division during the World War. He is now plans and Training Officer of the 369th Inf., New York N. G. and his home is in Brooklyn, N. Y.

Capt. Meyers served with the 1st Army Corps during the World War; he is now on the Division Staff, 37th Division, Ohio N. G. His home is in Cleveland, Ohio, and he is assistant Prosecutor of Cuyahoga County.

The class is to be congratulated upon having selected as their officers, men of energy and ability; it is confidently expected that, under their capable leadership, the activities of this years National Guard and Reserve Officers class will be such as to leave a pleasant and lasting impression upon all with whom it is our good frtune to be associated during our stay at Ft. Benning.

Columbus, Ga. Phone 565

29TH INF.

HQ. COMPANY 2ND BN.

Three new men have joined the company from the Recruit Center: Pvts. Agee, Kelly and Valentine. We welcome them to the best company in the regiment.

We are never successful in winning the blue pennant, but we are a great asset to the company that does win it. We are proud of our neighbor, Company "H."

Sgt. Sterling will be discharged sometime next month per ETS, but has already stated that he will re-enlist and the company as a whole is proud of the fact that he will. Sgt. Sterling will complete 6 years service with the 29th at date of discharge. His knowledge of communication work is equaled by but few.

Many incidents of a serious nature have happened within the walls of the old communication store room, but for the latest and best ask Pvt. Palmer.

For sale:—One big pile of junk, can be seen in front of supply room. If interested see Sgt. Stragand.

W. H. BIGGERSTAFF.

COMPANY "B"

Several short timers in the company are counting the days, that is, the days until they draw that bonus. Cusenza, the undersigned, McFadder, Mintz and Nagel are all included in this number.

With "Slim" Hudgins back with the bunch again we're looking forward to the next game with the 2nd Battalier. That good arm is still a little weak but it's a safe bet that it will be in shape for that tussel.

Still looking for baseball encourters for Saturday or Sunday P. M. It's true we beat "E" company again, but who wants to pick on the same crowd all the time. See Sgt. Stark if you have some good opposition.

The boys seem to have some trouble with our twins, while they're on the gym floor. Here's a way they can be identified. Stick your finger in Earl's mouth and if Erwin hits it might be Hudgins.

MORRIS.

COMPANY "C"

William L. McKinnon has been promoted to sergeant.

George E. Forbes and Clarence J. Mathes are the two now corporals.

Lloyd L. Rogers is going on a sixty day furlough the tenth of this month.

We all wonder what Cow-boy sees down in Columbus that is so interesting.

William Kuminski (Sheep-skin Joe) sure had great pleasure out of his car. Bought it one night nad sold it the next morning.

Another one of our boys, August W. Buffis, was discharked on minority last Saturday. Boys will be boys, but is takes a man to live through the present war.

JOHN L. BIGGERSTAFF.

COMPANY "D"

Lt. Robert A. Case is in the hospital. Best wishes for a speedy recovery.

The cocoon has come out of his shell. Harry Larson, the Wolf is planning an re-entering the squared arena.

Everybody went to the show the other night. The reason for the theatrical migration was that the company fund furnished the tickets through the interest of the company commander who is himself a World War veteran. The occasion was the World War picture at the post theatre Saturday night.

Corp. Smalley is beginning to get that far a way look in his eyes as his time is getting shorter. He says he sure is longing for the comforting walls of his home in dear old Pekin, Illinois.

Another short timer in the outfit is his honor, Shelton P. Smith the pride of Waycross, Ga.

GEORGE R. BECKER.

COMPANY "E"

Corporal Frank Karpinski has been wearing a deep smile for the last few days. Several asked him why he was all smiles here of late, he said why I was just promoted to sergeant but boys don't call me by my title until I get more failiar with the name sergeant.

Sergeant New, platoon Sgt. of the 1st Platoon better known as the beach nut king the model soldier of the 2nd Battalion who speaks very broken English sure can speak correct English when he is turning his cards looking at his hole card.

The 2nd Bn. basketball team defeated the I. S. D., 34 to 11, March 8, Kjelstrom, Davis and Franz were the stars of the game. Kjelstrom was high man with 11 points playing only half of the game. Hi Davis made two long shots from the center of the floor, that were sure a peach. Our assistant supply sergeant seems to be getting hard boiled these days, he is better known as woco pep.

Sgt. Himstich our company clerk seems to be interested in basket ball now days or may be it is the girls he is looking out for:—Go on Himstich you will win in the long run I believe.

GEORGE FRANZ.

COMPANY "F"

Did we win? I guess we did. Co. "F"' sure brought home the bacon in the Regt'l. Track meet—High company—Three First prizes in this company alone. Pvt. Skates took 1st place for the 3rd successive year in the 100 yard dash. Cpl. Armstead grasped off 1st place in the Running broad jump. Cpl. Costello broke the Regt'l. record with the shot-put for another 1st prize. Pvt. Kline 2nd place in the 220 low hurdles. Pvt. Dyer 2nd place in the mile run.—This organization is proud of these men. For the last three years we have taken 2nd place—but this year we forged to the front—when it comes to delivering the goods, "F" company has never been behind. Good outfit—see.

The company scrub team scored a victory over the prospective 1st team in the opening baseball game of the season. Short timer Duville stared with his aritight pitching for the scrubs.

Any Company in the Regt. that wants a snappy baseball game, see Cpl. Conley of this organization.

And Parm has changed his ways!

Two men from this organization will try for the coveted honor of making one of the National rifle match team.—Sgt. Boring and Cpl. Gasser.

Company "F" beat Company "G" in a fast game of ball Sunday—Score 8 to 5. A return game is expected.

O. W. NELSON.

COMPANY "G"

Privates Apfell, Chase and Hood spent a prolonged visit to the city this past week. From what is said they had a very enjoyable time while away and seem a bit refreshed and eager for duty since their return.

Sergeant Coderre has his suitcase packed, and his cob pipe packed away ready for his trip to Boston this week. He says that this saying "Never hot and never cold" reminds him of "There is no Santa Claus."

Two of our fair lads from close around decided they wanted to get rough and ride on a train. They picked the nearest point, Cussetta Georgia, hiked out to this town to catch their prey, but when they arrived in the little city, the train forgot to wait for them and take them to Columbus. There stood Privates Smith, D. A. and Swanzy twenty miles from home and swollen feet. They lost their chance for a thrill and had to taxi it in to camp. We suggest that they ride the "dinky" for it is always here and never leaves anyone to walk.

Spider Trivett says that "there aces and a pair of duces" are no good in Company G.

W. VAUGHN.

COMPANY "H"

Private Stone,, Dale, and Coleman are in the Station Hospital, under going treatment. We will be glad to see these men back with us, and hope that their recovery will be a speedy one.

If it be permissible, I will here relate one of "Shrimp" Vincient's "Yarns." Now mind you, I am trying to use his exact words, so that I will not be held for libel.

These are his words:—"Speaking of cold weather, I have had quite a bit of experience in below zero weather. A while back, I was up north a considerable distance from here, and had the good fortune to get a job running a fire truck. One night we were called out on duty, and I happened to be the only man there that knew anything about this particular kind of machinery. Would you believe that we used that one engine to pump water for 36 hours without stopping? It pumped at the rate of 186 gallons per minute, and at the end of the 36 hours, we had to stop, due to the fact that the water in the block of the engine had frozen and "busted" it wide open." Some keptical bystander inquired of "Shrimp," what he had on at that time. Where-up-on, he puffed up and said, "You people act as 'though you didn't believe it!"'

It doesn't seem that we can get rid of the "Blue Pennant. This makes the fifth successive time that we have won it. Why, Oh why, do we not get some competition from somewhere!

It was noticed by some at the Polo game last Sunday that Lt. Adams was still rather "Horsey."

We have in the Company a very good looking and intelligent young man by the name of Paul "Knotty-Head" Stephens. We must beg his pardon for using the middle "Monicker," yet he will not supply us with one, so we must make for him. What can his middle name be. Can it be that it is Belzebub, Ezekiel, or still it may be Bartholomew? Yet I must say a few words of condolence in order that I might not get chased out of camp. Sgt. Stephens is one of the outstanding men of the Company. Although he is now working in the capacity of Company Clerk, it is a well known fact that he is comfortably at home on the drill field.

The Army would be much better if we had more men like Sgt. Stephens among the Enlisted Personnel. Sgt. Stephens is asuredly a SOLDIER.

"PIRATES OF PENZANCE" TONIGHT AND TOMORROW NIGHT

HERNDON'S COLUMBUS FOXES DEFEAT DOUGHBOYS IN CLOSE GAME

Hitting of Parrish Features Pre-season Contest. Infantry Team Best in Years

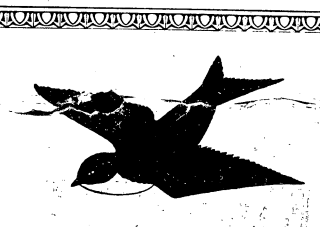
Pilot Herndon's Foxes defeated Captain Fountain's Doughboys, in a hotly contested game on Gowdy field Saturday afternoon March 19, to the tune of 3 to 2, with the Infantry Doughboys furnishing the strongest kind of opposition throughout the nine-inning contest.

The Foxes did all their scoring in one inning, the sixth, but since this was one more run than the soldiers could put across the plate in their nine turns at bat, victory rested with the leaguers.

Wee Grady Tolle pitched the first four innings for the Infantry, while Daniel's occupied the mound a like period for the Foxes. Tolle, though a little wild in the first inning, pitched masterful ball thereafter. Abie Yost and Manager Herndon, the first two batters to face the soldier lad both drew passes by the four ball route, and with two men on bases soldier Sam Stuart strolled up to the batters box. After passing up a couple of Grady's offering Sam finally landed on a fast one which looked for the world like a sure two base hit, nevertheless Franz on short handled Sam's hot one like a big leaguer, tossing Abie out before he could scamper back to second. The next man to face the doughboy pitcher flied out to Franz, thus ending the first stanza. In the four innings Tolle gave up but one hit to Columbus, while Daniels dished out two to the Infantry.

In the fifth inning, with O'Neil pitching for Columbus, Van Studdiford hit through O'Neill and was safe at first. Franz sacrificed Van to second and McCarthy singled, scoring Van Studdiford for the doughboy's first score.

(Continued on page 2)



Blackbird—

Wonders if the "Pirates of Pittsburgh" will play here this spring.

GLEE CLUB

MOST UNIQUE OPERETTA IS TO BE PRESENTED AT THE MAIN THEATRE

Everything in Readiness for Presentation, which Promises to Be Crowning Work of Club.

In view of the many successful Pirate-theme pictures released in the last ten months or so, we are bound to conclude that Pirate life and adventure has a native appeal to the imagination of the English-speaking race. Now, as a matter of fact, the majority of the good Pirate pictures turned out were based more or less directly on the original Gilbert and Sullivan Light Opera which the Infantry School Glee Club stages in the Main War Department Theatre, Friday and Saturday nights, March 25th and 26th.

The story of "The Pirates of Penzance" or, as the sub-title has it "The Slave of Duty," was covered in these columns last week. The music—snatches of which are known by all who sing, hum, or whistle—is the most tuneful that the famous "Onward, Christian Soldier" composer, Arthur Sullivan, ever wrote. It was immensely popular at last summer's band concerts, and this has been true throughout the world for the last forty years.

Gilbert and Sullivan's light operas are an institution. They are the connecting link between what are termed "the classical" and "the popular." Embracing the best of the elements of both, it is no wonder that they have lived with undiminished popularity for nearly half a century. Not to have heard a Gilbert and Sullivan light opera is almost as bad as having failed to read "Robinson Crusoe."

For their production on the nights of 25th and 26th (Friday and Saturday) March, the Infantry School Glee Club has worked hard and long. They plan to make this the crowning achievement of their three years' contribution to garrison recreation. No expense has been spared in the procurement and construction of costumes and scenery. Expert advice and help has been given the Glee Club by Mr. Winthrop Ames, whose Plymouth Theatre production has taken New York by storm. Mr. DeWolf Hopper has been in direct correspondence with Club members as to their portrayal of respective roles. Rehearsals have been held almost daily and Lt. Frank Deroin has stolen time from his many other duties and engagements to straighten out what has always been the Glee Club's most difficult and knotty problem—dramatic values and stage technique.

The cast is an excellent one. Mrs. Boyd will sing the leading female role (soprano) and Captain Cecil Rutledge the leading male (tenor) role. Both of these real-singers have delighted Fort Benningites on several occasions, but their interpretation of the respective parts of Mabel (the General's daughter) and Frederic (the Pirate apprentice) promises to be a treat of superb vocal artistry. Mrs. Frank Green, pupil of Mr. Luke Gaskell of Chase's Conservatory, Columbus, Georgia, will carry the part of Ruth (contralto); Mrs. Frank Partridge, the mezzo soprano, Edith; Mrs. Elsie Hurdis, alto, as Kate; and Mrs. Helen Norris, Isabel. Colonel George W. Helms is a "true to type" Major General (tenor), Captain L. D. Tharp (baritone) is to try his hand at being a "narsty-looking" Pirate King, and Captain Feodor Schmidt (tenor) will lieutenant the Pirate band through their fortunes and misfortunes. To Captain Stanley G. Saulnier has been allotted the part of a Sergeant of British (Bobbies) Policemen. In addition to the principals named, particular mention must be made of the ensemble. The vocal demands of this opera are as exacting for what is sometimes called "the chorus" as are principal parts in an ordinary operetta. The Glee Club members have gotten into the spirit of the work, and whatever else may be said of the Pirates of Penzance; if the four and six part chorus numbers do not surpass anything that has ever been put on in this section of Georgia, professionally or otherwise, it will be because of an epidemic of dysphonia.

Following the precedent set by Colonel Johnson in his management of the Diaz concert, all tickets—except a small block of General Admission—are definitely

(Continued on page 2)

INFANTRY TEAM DEFEATS ALBANY PROFESSIONALS ON LAST WEDNESDAY

Classy Exhibition put on by the Infantry. Lindsey Stars on the Mound

(By Jas. R. Morrison)

The Infantry School team on Gowdy Field Wednesday afternoon defeated the Albany professionals in a 7 to 5 count. The game was sharply played throughout with a good deal of snappy fielding. Kjelstrom for the Doughboys was the shining star for the Infantry, ranging both to the right and left and gathering in everything within the limit.

Lindsey for the Infantry was the star pitcher just exactly fifteen men passed before him during his stay on the mound. Red pitched masterful ball and kept the professionals bewildered with his fast ones and hooks.

The brilliant fielding of Saturday's game was not in evidence. However, with the large lead of 6 to 0 made the game fairly safe for the Infantry. The Doughboys tallied one in the second frame, on Van Studdiford's two bagger to center, with McCarthy's single and an overthrow by Thomas trying to catch Van as he was rounding third which gave the home team their first score.

The fourth inning practically sewed up the game for the Infantry. Kelly hit a single to right, Wetsell walked Van Studdiford to put two on and nobody out with McCarthy coming up to bat, Douglas caught Van off first by several feet, but the guardian of the bag dropped a perfect peg, and Kelly moved around to third and Van to second. McCarthy hit a slow one down their base line, which went for a hit when Satloff tried to make a one-hand pickup and cut Kelly off at the plate. Willis flied to Henderson for the first out at this period. Wetsell lost control completely and forced two tallies by hitting Landsey and walking Morris.

Smythe hit a long ball to left which was caught by Thomas, but Franz who had tagged up at third raced home for

(Continued on page 2)

FORMER BENNING COMMANDANT APPOINTED DEPUTY CHIEF OF STAFF

Brigadier General Bryant H. Wells, U. S. A. was yesterday named Deputy Chief of Staff of the Army. General Wells will succeed Major General Fox Connor who has been assigned to command the First Division at Fort Hamilton, New York. Many changes in the assignment of high Army Officers have recently been announced by the War Department. General Wells preceded the present Commandant of the Infantry School, Brigadier General Edgar T. Collins.

HERNDON'S COLUMBUS FOXES DEFEAT DOUGHBOYS IN CLOSE GAME

(Continued from page 1)

The Infantry's second score came in the eight inning Smythe singled and Heckert hit one to Meekin, who booted the ball. Both runners were safe. Kjelstrom rolled to Senn, who played for Smythe at the plate, but Powell dropped the ball, Smythe scoring from second on the play.

With Crimm pitching for the Doughboys the Foxes made all their runs in the sixth inning, when Parrish, Meekin and Senn crossed the plate. Parrish doubled to center, and Meekin scored him with a single, going to second on the play. Break-field was thrown out with Meekin going to third. Senn walked. Senn stole second, and Meekin scored. Powell doubled to center, scoring Senn, and Columbus had enough to win the game.

SNAPPY FIELDING

Snappy fielding was the order of the day, three double plays aiding the defense. The Foxes turned in two of these, one in the first inning and the other in the fourth. The Doughboys double killing came in Act 1, Scene 1, and extricated Wee GradyTolle, Infantry slinger, from a lot of trouble.

Defensively the game was exceptionally well played. Franz, shortstop, takes first prize for the Infantry by a wide margin. The Big-Boy covered acres of ground and handled himself like a veteran. His four putouts and six assists without an error speak for themselves, while his stop and throw of Sutart's smash in the seventh, although it didn't retire the runner, was a play seldom seen in these parts. Van Studdiford made a neat pickup of Heckert's toss in the second frame to retire Meekin. Dutch Smythe roamed the outer gardens in fine style, going long distance on several occasions to nail a healthy drive.

Abie Yost was the fielding star for the Foxes. He was here there and everywhere. His stop of Kjelstrom's grounder back of second to start a double play in the fourth, was the classic of the game.

Crimm for the Doughboys was the only pitcher of the afternoon who wasn't master of the batters during his turn on the mound. Grady Tolle, though a little wild in the first inning appeared nearer midseason form than any of the other slingers. Kautz a new pitcher at Fort Benning, went through the last two innings in fine form.

For the Foxes Daniel, O'Neill and Steel, used a fast ball almost exclusively but they had excellent control and kept the ball where it was the most effective.

INFANTRY TEAM DEFEATS ALBANY PROFESSIONALS

(Continued from page 1)

another score. White singled to center and Lindsey crossed the home plate to bring the innings total to five smackers.

For the Albanites Douglis singled but fell victim to McCarthy's deadly right arm when he took too much lead off the sack. Thomas whiffed one which bid for a triple. However, Kelly by leaping high in the air made the most sensational catch of the day. The visitors broke the ice in the sixth by scoring two runs on one hit. Lindsey, whose control had been almost perfect up until this point, hit Henderson and walked Howell, Thompson singled to right and Henderson hurried home for their first score, while Howell raced to third. Herron did his duty and hit to left, Kelly made a goot catch, but Howell easily scored as Kelly was not in a position to make a throw to the home plate. Hicks and West flied out.

"Red" Lindsey for the Doughboys was the pitching star, while Thompson for the Albany team carried off second honors. "Red" seemed to have everything needed by a pticher until he tired in the sixth inning. McGaha for the Infantry also pitched good ball throughout.

Cavalrymen to Carry Their Stoves on Horses

The War Department has released the following article on a new pack kitchen outfit for the Cavalry:

Service of our mounted troops in campaigns and along the Mexican Border has furnished convincing evidence to the War Department that rolling kitchens have no place in cavalry commands. This, however, does not mean that the Cavalryman will not eat when he takes the field. In the future, when wheel transportation must necessarily be left behind because of poor roads, cross-country or forced marches, he will be fed from a pack kitchen outfit carried on a led horse.

Major General Herbert B. Crosby, Chief of Cavalry, states that authority has been granted for the manufacture of forty-six of these pack cooking outfits at the Quartermaster Depot at Jeffersonville, Indiana, and that when completed they will be issued to all regiments of the First Cavalry Division in Texas, and to the Second Cavalry at Fort Riley, Kansas. Later, all other regiments will be similarly equipped.

The pack kitchen outfit is not designed to replace the field range which is carried in the troop wagon, but to substitute for the field range in emergencies when the troop is separated from its wagon. In campaigns there will be frequent occasions when wheel transportation must be left behind. In such cases the sole reliance of the Troop for cooking as a unit is in the pack utfit. Individual cooking, while sometimes necessary for small detachments, is expensive, wasteful, and inefficient, and will be resorted to but rarely. It will never be used unless all other means have failed. The use of the pack kitchen outfit is advantageous for the reason that it can keep up with the mounted column, whereas the wheeled transportation is usually several hours behind when the command makes camp at the end of a day's march. The utilization of the pack kitchen outfit makes possible the preparation of a meal within 35 to 40 minutes after reaching camp, the usual time devoted by the men to the care of the animals. With its adoption, the Cavalryman feels that he will have cooking facilities at hand many times when a rolling kitchen would be miles in rear.

In order to meet the requirements of a cavalry organization, a pack cooking outfit must be sufficiently durable to withstand rough and severe handling. The war-time strength of a troop is 131 men, which strength determines the capacity of the outfit. All parts should be standard, and of such simpilicity as to permit interchange with the corresponding parts of the field range. It should be so shaped and campactly built as to make the best possible load for the horse. Its weight, with its 54-pound Philip's pack saddle, should not exceed 200 pounds. Its construction should permit of a permanent balance when loaded.

The recent rigid test of the adopted kitchen outfit by the Cavalry Board at Fort Riley, Kansas, indicates that it fulfills these requirements. The pack authorized weights, with its saddle, about 200 pounds, has a capacity to prepare a meal for a troop at war strength, and can be packed or unpacked in 30 seconds.

The pack kitchen outfit adopted for the Cavalry consists of the following articles:

4 bake pans, 1 meat saw, 4 fire frames, 1 steel, 4 boilers, 4 paring knives, 2 dippers, 1 kitchen tool kit, 2 butcher knives, 1 tool bag, 2 basting spoons, 1 cake turner, 1 meat fork, 1 ladle, 1 cleaver and 1 candle lantern.

Weight: 118 pounds.

In addition to the above, the following equipment is included in the load: two side hangers weighing thrity pounds, and a Philip's saddle weighing about fifty-four pounds.

Local Motor Club Shows Development

The Chattahoochee Valley Motor Club of Columbus, Georgia, explains the development of the Fort Benning branch of the club in a letter received recently by the NEWS.

March 12, 1927.

Editor Infantry News
Fort Benning, Ga.
Dear Captain Hite:

It may be of interest to readers of the Infantry School News to know the development of the Fort Benning branch of the AAA motor club, which has its headquarters in Columbus, office in Broad at Tenth St.

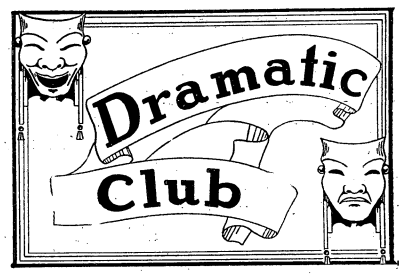
The Fort Benning branch is located at the Infantry School Service Station under the immediate charge of W. E. Austelle, and will soon be indicated by a standard AAA branch club sign. Information regarding tours and the club service may be secured from Mr. Austelle.

Lt. Col. G. H. Williams, in charge of the Post Exchange, and Maj. Frank Green, head of Red Cross activities at Fort Benning, are directors of the C. V. Motor Club, and are looking after matters of legislation, roads, and sane driving, which are of particular interest to Fort Benning.

The club has made a special membership offer to motorists at Fort Benning. Particulars may be secured from Mr. Austelle. Those who have already availed themselves of this advantage and have secured motoring privileges for themselves, good in any of the 862 clubs and their many branches, anywhere in the world, are Lt. Col. G. H. Williams, Capt. James L. Olson, W. E. Austelle, Capt. Henry G. Sebastian, Lt. F. X. Oberst, John L. McElroy, Sgt. Henry M. Foster, Capt. J. T. Murray, Capt. Wm. F. Gent, Don N. Holmes, Capt. R. L. Love, Sgt. J. E. Lanham, Chas. F. Betz, Maj. E. B. Spiller.

All members of the Fort Benning branch club are also members of the AAA in Washington and receive the local club road guide and the Georgia State Motor Magazine.

Sincerely yours,
C. V. MOTOR CLUB,
Leland J. Henderson, Sec.



Editor's Note:—(It is very much regretted that an important part of the article on the Dramatic Club in last weeks issue was omitted through an error on the part of our printers. The omitted paragraph is, with much pleasure, printed, in *Italic* type below:

* * * * * * * *

"THE VALIANT," an emotional drama, opened the program. The scene is laid in the Warden's Office of the Connecticut State Prison—and those best qualified to speak proclaimed the stage setting to be practically perfect. Shortly before mid-night, the hour scheduled for the execution of a twenty-seven year old condemned and confessed murderer, the warden and the chaplain of the prison have almost given up trying to ascertain the identity of the sentenced man, whose name, James Dyke, is thought to be an alias. The efforts of both are unavailing, as Dyke evidently intends to shield his family from disgrace.

A young girl arrives at the prison, with the Governor's permission, in the last few minutes before the march to the execution room, having come all the way from Ohio to see whether the criminal is her brother. He is, but, she never finds it out. Her efforts to discover if he is her brother, and his efforts to conceal his true relationship from her, provides a situation filled with true drama. She leaves, believing his last carefully concocted lie—one which not only shows the condemned man not to be her brother, but, also provides a herioc wartime death for the brother she knew. And so he goes courageously to pay his debt to society, sustained that "the valiant never tastes of death but once."

Mrs. Waler A. Dumas as the girl, looked no more than the eighteen unsophisticated summers she was supposed to have and played her part admirably. Captain Harry J. Collins, the convict, was excellent throughout: the club has seldom if ever seen such good acting by one of its members. Lieutenant Colonel Ralph W. Kingman also displayed unusual ability and portrayed the warden in a manner above criticism.

The wait between plays was rather long, but when the curtains parted on "A WOMAN OF CHARACTER" to show the bright, attractive living room of Mrs. Adams, so different from the bare prison office, the difficulties of the scene shifts were realized.

* * * * * * * *

SCIENCE LECTURE AT CHASE'S MARCH 31

The First Church of Christ, Scientist, of Columbus, announces a lecture, which will be free to all who care to come. The lecture will be given by Salem Andrew Hart, C. S., of Cleveland, Ohio. He is a member of The Board of lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The lecture will be given at the Chase Conservatory of Music, 220 Tenth Street, on Thursday evening, March 31st, at eight o'clock.

INFANTRY RIDING TEAM WINS AT AUGUSTA HORSE SHOW

The Infantry School representatives upheld in the first and second day's events at the Augusta horse show, the honors of Ft. Benning effectively, taking 23 places out of a possible 30, for the initial performance, and took 11 ribbons out of 7 classes the second day.

Outstanding was the performance of Major H. J. M. Smith, who led the field with five first places and one second place. Major Smith took first in the polo pony championship, officers chargers, polo mounts, lightweight polo mounts, polo bending race, and second place in the jumping, open to all. In addition to Major Smith's performance the Infantry team has taken three first places, seven second places, nine third places, nine fourth places. The Army representatives won most of their events by horsemanship, while the other events were mostly won on conformation of mounts, etc.

The placing of the Infantry representatives in the different events are given herewith.

March 22d. Class 25—Championship Polo class: 1, Smith on Ginger; 2, Moon on Hindoo. Class 4, Ladies' horsemanship: 3, Miss Pendleton on Ginger; 4, Mrs. Bishop on Hindoo. Class 30, Jumping, open to all: 2, Smith, on Pedro; 3, Grubbs on Highpocket; 4, Mrs. Landis on Middlebury. Class 26, Hunters and Jumpers lightweight: 2, Mrs. Landis on Portlight; 3, Moon on Jane. W.; 4, McClure on Dixon. Class 7, Military class officers chargers: 1, Smith on Hindoo; 2, Rogers on Sommers; 3, Moon on Middlebury; 4, Grubbs on Tom Finlay. Class 22, Polo mounts, lightweight: 1, Smith on Ginger; 2, Grubbs on Jane W. Class 23, Polo mounts, heavyweight: 1, Smith on Hindoo; 2, Moon on Whippany; 3, McClure on Sommers; 4, Grubbs on Middlebury. Class 24, Polo bending: 1, Smith on Ginger; 2, Moon on Hindoo; 3, McClure on Jane W.

March 23rd. Class 6, Saddle horses, officers mounts: 1, McClure on Mr. Downing; 2, Smith on Dixon; 3, Rogers on Sommers; 4, Moon on Ginger; Class 27, Hunters and Jumpers, middleweight: 3, Rogers on Cyclone; 4, Mrs. Landis on Middlebury. Class 28, Hunters and Jumpers, heavyweight: 1, Rogers on Kim; 3, Moon on Spaghetti; 4, Mrs. Schneider on Tom Findlay. Class 33, Ladies' Hunters: 1, Mrs. Bishop on Hindoo; 2, Mrs. Landis on Middlebury.

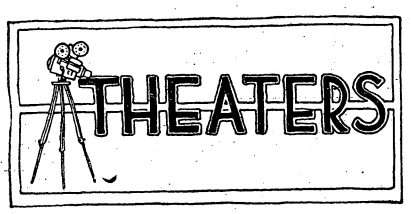
C. Schomburg & Son

1121 Broad St. **Columbus, Ga.**



FRIDAY, MARCH 25

"Red Hot Leather," featuring Jack Hoxie in an active western, depicting a lone eastern nurse in the wild and wooly west. The first broncho buster she meets captivates her. An amazing complication of incidents plunge her into fueds, plots, a rodeo and the discovery of an oil well. The picture is filled with action.

"On Guard No. 8"—Cullen Landis—Scenes of Ft. Benning should be in this episode.

SATURDAY, MARCH 26

"Woman Power," featuring Ralph Graves in a story revealing the secret of woman's age-old influence over man—the force that drives men to good or evil, to fall or rise. This is the screen version of Harold Mac Grath's story "you can't always tell." A New York Millionaire is swept along by a sirene's smile until he has lost all pride of his better-self, he becomes a wreck realizes his errors—flees to a new environment and regeneration through woman power of the higher type.

"Mad Racer."—Van Bibber Comedy.

SUNDAY, MARCH 27

"Tin Hats," featuring Conrad Nagel, Claire Windsor, George Cooper, Bert Roach and Tom O'Brien in a glittering post—war comedy. The story depicts three modern Musketeers, a rich man's son, a gangster and a Dutch boy all in the Army of Occupation playing a rib-tickling romance with the flavor of Rheine wine—these are shudders, groans, doors that close mysteriously, ghosts, bodiless hands, lights and laughs galore.

"Horse Play,"—K. Kat.

"Pathe News."

MONDAY, MARCH 28

"My Official Wife," starring Irene Rich and Conway Tearle in an enthralling melodrama of a woman's vengeance amid the desperate intrigues of Czarist Russia, the gay, glittering lights of old Vienna and Europe in General on the bink of war. Six Aristocrats cast lots for a briliant noble woman and Sascha won. Her revenge on her betrayer cast a nightmare that became idellible.

"On Guard No. 9."—Cullen Landis.—Watch for pictures of Fort Benning.

TUESDA, MARCH 29

"God's Great Wilderness," featuring Lillian Rich in a romance among the pine clad mountains of Virginia, portraying a brutal dominator that makes the weak, cringe and the strong, long to subdue the despot. It is a story filled with human emotions.

"A Dog's Life."—Chaplin Comedy.

WEDNESDAY, MARCH 30

"Valencia," starring Mae Murray in a vivid romance of European court intrigue. The plot is laid in Spain with Barcelona as its hub. Mae Murray in the role of a fiery circus charmer becomes enmeshed in aristocratic intricacies, which result in dire peril to her lover. She worsts a wly governor at his own strategy to save the sailor of her heart from death.

'Collegians No. 3."

"Pathe News."

THURSDAY, MARCH 31

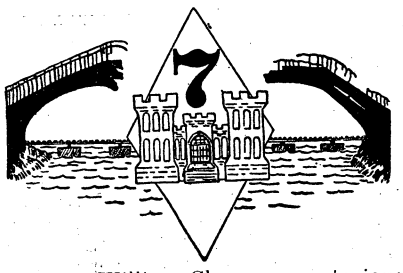
"Forever After," featuring Lloyd Hughes and Mary Astor in a First National. This is a fast moving drama of romance and adventure narrating an affection which grew from childhood, but is thwarted at maturity by parental interferance. The viscissitudes of war bring the story to a pleasing climax.

"Pathe News."

FRIDAY, APRIL 1

"The Runaway Express," featuring Jack Dougherty, Blanch Mehaffey and Tom O'Brien in a thrilling railroad melodrama. Jack stole a whole cattle train, a pretty girl's heart and another man's job, then saved a thousand passengers and a railroad's reputation by stopping the Runaway Express just in the nick of time. This is a Universal Picture.

"On Guard No. 10."—Cullen Landis.



Private William Clary, our notorious nimrod of 'possum fame, has perfected a novel labor-saving scheme. On Sunday night Clary fell asleep on his bunk fully clothed and snored peacefully through the night until reveille. Then came the great discovery! Monday morning was one on which he did not have to make up his bunk.

Privates W. M. Thompson and Eugene Jones have been indulging in a philological controversy of great interest to the military. In regard to the derivation of the compound word "non-com" Thompson, whose mastery of the vulgar tongue is well-known, maintained that the abbreviation was descended from "non-comprehending" while Jones, whose mental activities have been stimulated by daily jogs around the parade ground, advanced the novel theory that the only possible drivation was from "non compos mentis."

Corporal Danielski, who is soon to be discharged, is reported to be thinking of going to the fever coast of Africa. We can doubtless give credit to Tondelayo of "White Cargo" for another bearer of the white man's burden. We suggest Frederick O'Brien's "White Shadows in the South Seas" or Doctor Traprock's famous "Cruise of the Kawa" and then mayhap the Marquesas will be the fortunate isles.

It is also rumored that Corporal Kerlicker will join the Marine Corps on completion of his current enlistment. No thanks will be given to Charmaine of "What Price Glory?" if we lose our very efficient company clerk.

Hoffman and Grove will shortly leave for Washington for a three months' course at the Engineer Reproduction Plant. Hoffman is a hardened Washingtonian, but we fear for our tender young Oscar amid the snares and pitfalls of the capital city.

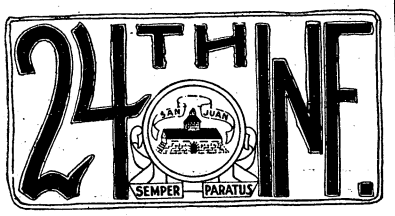
Private 1st Class John Collins has departed on a thirty day furlough. John is the company plumber and follows the traditional practice of forgetting his tools.

Corporal Blevins returned from Washington armed with a "Pershing" cap to aid him in maintaining his reputation of being the best dressed soldier in the Engineers. But alas and alas again! Unfeeling officialdom has issued a post order prohibiting such regalia and the knock-'em-dead lid must perforce be discarded.

—Reed.

AN ENJOYABLE THEATRE PARTY

The Main Theatre was honored Friday evening, March 18, by the members of Company "H," 29th Infantry, who reserved 112 seats for the movie "IT." The attention of the audience was frequently drawn toward this large group of men, because of the volumes of laughter they produced. To further make this a real Company treat, refreshments were served each man. A high ranking officer remarked "That outfit appears to have a high esprit." He was informed that they not only enjoyed social pleasures, as a team, but, also, proved themselves highly efficient in their military pursuits. Capt. Edward G. Herlihy, Commanding Company "H," is to be complimented upon the spirit existing among the men of his organization.



The 24th Infantry Baseball Team

The 24th Infantry baseball team will play its opening games of the season Friday and Saturday afternoons of this week at Gowdy Field. Their opponents will be a team from Atlanta University. The 24th team has been engaged in strenuous practice during the past two weeks and is in fine shape for the contest. According to reports the visitors have a number of excellent batsmen and several players who were on last year's team. The game will be a close and hotly contested affair. The tentative line up of the 24th team is:

S. Williams, 1b	Trammel, p
King, 2b	Leonard, p
Haywood, 3b	V. Williams, p
Seats, ss	Martin, p
McCrary, lf	Hampton, c
F. Williams, cf	Gilchrist, c
Bell, rf	Thomas, c

Dance of Co. "L," 24th Inf.

Company "L," 24th Infantry, gave a dance to the enlisted men of the regiment on Wednesday evening, March 16, 1927, to which all married men, their wives and a few single men and their friends were invited. The Service Club of the 24th Infantry was used for the affair. About 200 persons were present and enjoyed the hospitality of Company "L." Sergeant Louis A. Scipio, Service Company, and his orchestra, furnished the music.

24th Orchestra Helps Children's School Fund.

In keeping with the desire of the regimental commander, Colonel Walter C. Johnson, to assist all projects whose purpose is to improve the welfare of the command, the 24th Infantry orchestra donated their services at the Infantry School Detachment dance on the 16th, which was held for the purpose of raising funds for the garrison children's school. The affair was a decided success and the results obtained will be a material aid in carrying on the important work of providing educational facilities for the children of the garrison. The 24th orchestra considered it to be an honor to be able to participate in such a worthy undertaking and will be pleased to assist again at some future time.

The important part the 24th Infantry plays in the activities of the garrison is shown by the diversity of their duties and the excellent manner of their prformance. Of the regimental officers, present at this station, nearly half are engaged in activities outside of the regiment. The latest assignment of this nature is the detail of Captain Leland W. Skaggs to be secretary and construction engineer of the Recreation Center.

INFANTRY SCHOOL DETACHMENT

The Infantry School Det. volley ball team defeated the Linwood team of Columbus Sunday afternoon at Fort Benning.

The Green Cords were victors in two of the three games, they took the first game 21 to 17, but Linwood came back in the secnd game, winning it 21 to 18. The final game was the hardest fought o fall and it looked like walkaway for the boys from Columbus as they were leading the I. S. D. 13 to 0 when the Soldiers started to play ball, the score was tied 20 to 20 with one to go when Linwood lst the final tally on a double foul.

The I. S. D. volley ball team would like to arrange games with any of the Post teams, for information call 120 R. I.

29TH INF.

SERVICE COMPANY

Here we are again, the mule-skinner's brigade, back for an indefinite length of time.

"ON TO ATLANTA" is our slogan for the time being, quite a few of the boys of this organization are going there to cash their bonus after the 1st of the month.

"PEE WEE" Middleton has not been running around with his hands on his stomach, what's going to happen, Pee wee?

At last we feel at home, Cpl. Kozak better known as Polock, the Company Bally Hoo is back off furlough.

Sgt. Mangum our famous Polo player is having a hard time of it, between playing polo and reading up on training regulations, that's alright Maggie, better days are coming.

COMPANY "A"

Sgt. Wills. lately returned from Recruiting Duty, Columbia, S. C., has taken unto himself a wife. We wish to extend to Sgt. and Mrs. Charles W. Wills our most hearty congratulations and best wishes for a happy and prosperous future.

Corp. George W. Bower has rejoined our happy family. Welcome home, "Ol' Top," we are glad to have you with us again. Corp Bower attended the West Point Prep School, Fort McPherson, Ga.

SNOOKE.

COMPANY "B"

The prospects are bright for the baseball team this year. As this goes to press a game is scheduled, the outcome of which won't be predicted. One game ha been postponed but it is as easy to win one time as another. Berthiaume, team Captain, is whipping them right into condition and muhc can be expected of McCully, as a pitcher or at the initial corner. A bit of material is good for the Battalion team this year from this company.

M. E. MORRIE.

COMPANY "C"

Our base ball team did their stuff last Sunday. They swamped Company "D" 7 to 1. We intend to double the dose for Company "B" that game comes off Wednesday afternoon. Look out Company "B."

Ulysses B. d'Entremont has been promoted from corporal to sergeant. Good luck t you and congratulations Dee.

JOHN L. BIGGERSTAFF.

29TH INFANTRY TO GIVE MINSTREL

The 29th Infantry have arranged a real "Big Ministrel Show" which is to be staged in the 29th Infantry Theater on Thursday and Wednesday night, March 30th.

The Show aptly named the "Sunshine Ministrel," is a 100% 29th Infantry Production, the cast being made up of Enlisted men and probably some Officers of the organization, should it measure up to proven efforts of the Regiment, it will be sure pro success for the regiment, is fortunate in having a large number of excellent entertainers.

Rehearsals have been held most every night for nearly a month, and the cast are primed for the first night. Included in the repertoire, will be singing and dancing numbers with plenty of cross fire hot shot and humorous monologues, music will also be the order of the evening; an entertaining evening is provided to all who attend.

Admission charges, will be 25c for enlisted men, 50c for Officers.

"The Shop of Original Styles"

COMPANY "H" WINS IN TRANSPORTATION SHOW

Company "H" has gone over the top in her typical way. They have won the cart event at both the Regimental and Post Horse and Transportation Shows every year since 1922. The event in which this cart was entered was the Howitzer, Machine Gun and Communication Cart event.

Too much credit can not be given to Privates First Class Jacobs and Schechowitz for what they did on the cart. A great deal of work on the Cart and equipment was done on their own time. They have been observed many nights, while every one else was at the show or in the recreation room, working hard to get the cart and equipment in shape to win the highest award in their event.

This cart was undoubtedly the most beautiful Machine Gun cart ever shown at a Horse and Transportation Show. In all probability, it will be the best at the coming Post Show.

Bernard B. Swayze,
Company "H," 29th Inf.

WOMAN'S CLUB

Place of meeting—Polo Club.
Date of meeting—First and third Mondays.
Date of next meeting—April 4th.
Time of meeting—2:15.

On Monday afternoon the Students Club of Columbus presented a most interesting and delightful program at the meeting of The Infantry School Woman's Club. The program was chosen from the year book, whose subject is: "The Significance of Costume," and on this occasion the accessories of costume—those additional touches which give clothes their charm and express more than all else the taste, inclinations, personality of the wearer, formed a most interesting subject for study.

Mrs. Robert Carter, ex-president of the Students Club, was in charge of the program and in her charming way introduced the speakers and their subjects, as follows:

"From Barefoot to High Heels"—Mrs. W. L. Cooke.

"The Rich Peltries of the North"—Mrs. John M. Flournoy.

"The Lure of Precious Stones"—Mrs. DuPont Kirven.

"The Art and Significance of Perfumes"—Mrs. Reynolds Flournoy.

Each of these studies showed reserch from many sources, including the Bible, history, literature, art on down to the great commercial expert upon whose authority one must depend in buying, for instances sables and diamonds. The personal charm, poise, humor, insight, originality and mental alertness of these representatives of the Students Club added to the content of their subjects and all in all made up one of the most excellent programs of our club year.

Following the talks by the Students Club, Mrs. G. W. MacFarlane sang from the great Italian Opera "Nobil Signor" and "Love's Old Sweet Song" as an encore. Mrs. MacFarlane possesses a voice of rare and wonderful quality and so unusual is her musical background that you will be interested to know something of it. When she was quite a young girl King Edward, then Pince of Wales, was honorary president of the Royal College of Music in London. This college offered fifty scholarships to giften musicians throughout the United Kingdom for three years study at the Royal College. Many and many an ambitious musician, young and middle aged, and old, went to the nearest appointed place to prove his skill as violinist, pianist, singer or what not before the examining board in the preliminary contests. The best from the first contest went before another and more difficult board and later those who were chosen a second time went before a third, more difficult board whose choice was final. Two who sat on this last board were Jennly Land and The Duke of Edinborough (Queen Marie's, of Roumania, father.) Before this group of great musical examiners come 1645 aspirants from throughout the great British scholars of the Royal College of Music. Each entrant performed and departed, to be notified later if successful. When the names were made public Mrs. MacFarlane's headed the list. Jenny Lind was asked by King Edward to teach the girls and Mrs. Mac Farlane, with about nine other girls, had the privilege of three years' study under her, whom many call the world's sweetest singer. Then followed a brilliant career on the concert stage and marriage to a Colonel in the British Army.

After the program Mrs. John Newton and Mrs. Boniface Campbell were hostesses to the club and their guests, serving punch, cakes and home-made divinity candy from one of the most beautifully appointed tables of the year.

At the next regular meeting of the club on April 4th Mrs. Philip Peyton has consented, after much entreaty, to give a porgram of her own stories and verse. She is surely a notable exception to the adage "A prophet is without honor in his own country." The more we know Mrs. Peyton the more we yearn to know her.

The Sub-Clubs are doing much along their special lines. The Child Study Club met Tuesday with Mrs. Campbell and the study of the Psychology of the Pre-School Child was begun. Mrs. Bowden, expert in Child Psychology, being a graduate of Columbia University and but recently Professor of Child Psychology in one of the largest colleges in the State, led the discussion, Mrs. Hearn, Mrs. McLeod, Mrs. Newton, Mrs. Keith and Mrs. Wynton contributing reports for special study.

The Literary Club will continue its study of Southern Literature at its meeting on next Monday.

BENNING HAS ONE OF ARMY'S BEST SHOTS

If you were ever out at the experimental rifle range you have probably met Sergt. Frank Ioerger of the Infantry School Det.

Sergt. Ioerger is one of the best rifle shots in the U. S. Army, he has been numbered among the best over a period of twenty years. He first enlisted in July 1905, with the 13th Infantry, he first fired in the Philippine Department competition in 1906. In 1909 he was a member of the Team that won first place in the Department of Texas Division Competition, this meet was composed of teams of twelve men picked from all Medal Winner Teams in The U. S.

These are some of the meets in which Sergeant Ioeger has participated:

1919—Infantry Team (N. J.) (4th).
1920—Infantry Team (1st).
1921 — International Team, Lyons, France, 5 members (1st).
1922—Infantry Team American Legion Rifle Shoot at New Orleans: 4 man team from Dept. of Experiment, Ft. Benning, (1st).
1923—International Team, squad of twelve men, (2nd).
1926—International Team, Switzerland; 7 men (2nd.)

In the Rifle Meet held at Ft. Screven March 15th and 16th, Sergt. Ioerger made the highest score, making 936 out of a possible 1200, leading his nearest competitor by thirty points.

Sergt. Ioerger will be a member of the International Team this year and will leave here for Rome, Italy, the latter part of April, where the meet will be held this year beginning the 25th of May.

POLO TOURNAMENT IN FULL SWING

DOUGHBOY TEAM WINS THREE GAME SERIES WITH MICHIGAN

Infantry Team Played Good Baseball Throughout to Win First and Third Games

MONDAY'S GAME

(By Jas. R. Morrison)

Captain Fountain's Doughboys trimmed the Michigan State College 19 to 11. The Doughboys garnered eight runs in the first inning. A Mr. Bremer, started the game for the Aggies, but after issuing a couple of passes and hitting a like number of the Infantry men, he was relieved and a Mr. Milburn subsituted in lieu, Milburn was allowed to remain throughout the other eight frames. By the end o fthe fourth inning the score was 15 to 0 in favor of the doughboys.

To this point Johnny Roosma had been complete master of the Wolverines, but in the fifth the Aggies raked Johnny's offerings for six solid taps, netting a total of six ringers.

Beginning with the sixth inning Slippery McGaha, was sent to the firing pit for the doughboys. Probably for sanitary reasons the Aggie Captain objected to Mac's spitter. As everybody knows Mac, without his slippery elm is *completely lost*. The Michiganders touched Mac up for three safe bingles and four runs.

"Red" Lindsey of the "mighty tanks" releived the slippery elm "Kid" at the commencement of the seventh frame "Red" pitched masterful ball letting the hard hitting Aggies down with 1 run and three bingles for the next three innings.

There were 36 hits made during the frames, the soldiers accounting for 20 of them, while the Aggies garnered 16 safe wollops.

THE BOX SCORE

MICHIGAN STATE:—	AB	R	H	PO	A	E

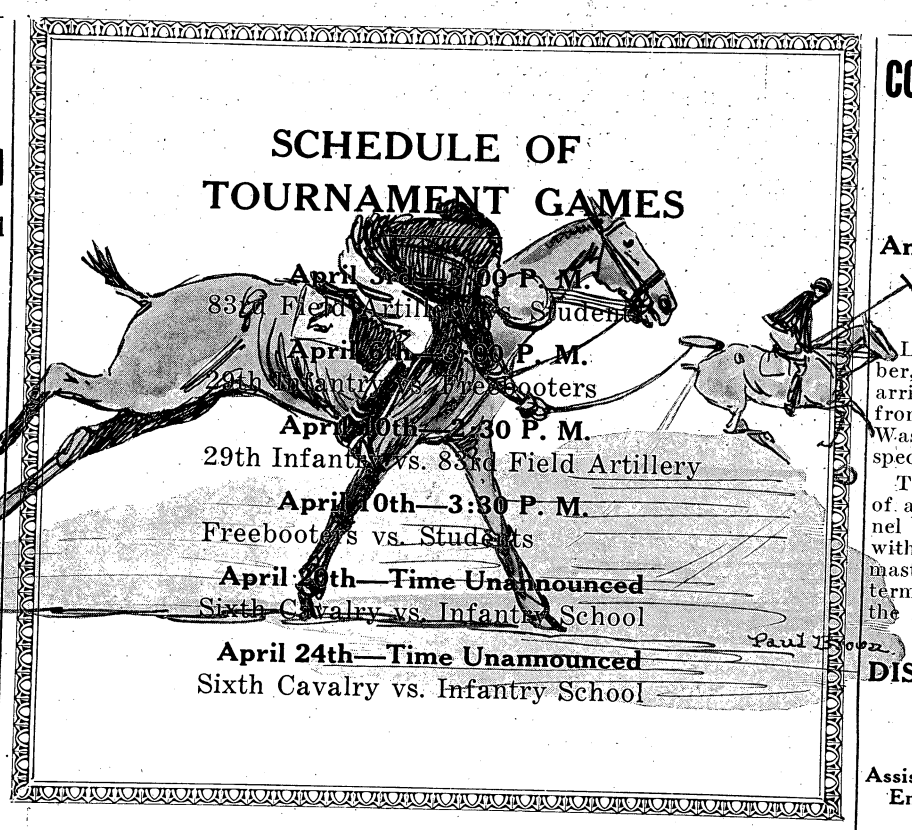
(Continued on Page 8.)



FIRST TWO GAMES OF TOURNAMENT SHOW FASTEST POLO EVER SEEN HERE

29th Quartet Decisively Defeat Student Four on Last Sunday; Freebooters Show Class in Beating Artillery Combination.

By HENRY AVERILL

There was sting aplenty in the Freebooter Yellow Jackets Wednesday afternoon on Shannon Field as they swarmed around and over and through the defense of the 83rd Field Artillery polists to register a 10 to 4 win in the second game of the tournament for the garrison championship and the Dierk trophy. It was all Freebooters from the opening throw in to the final bugle, despite the hard game played by the Cannoneers.

As is his custom, Major Smith, who throughout the practice season has played steadily but not especially brilliantly, displayed his real ability with something at stake. This dashing cavalry officer devotes most of his pre-tournament efforts to coaching and directing his mates, but when the critical games are on the schedule, he invariably flashes the fine form that has won him the name and fame of a great "money" poloist. And so it was Wednesday afternoon. He set the ball up early in the first period, giving Forsythe a chance to score the first goal of the game. Near the end of the same chukker he hit a beautiful 50-yard shot from under his horse's neck straight through the posts. In other periods he kept up the fine work.

Freebooters Score Early

The game began with an offensive by the Gunners which was quickly checked by the Freebooters, and then the Yellow Jackets swept up the field in a fine counter attack that ended only when Forsythe scored, after Smith had banged the bamboo directly in front of the posts. Through the middle of the period play was comparatively even, but as the chukker ended Major Smith took a pass from Whisner on the 50 yard line and with a mighty stroke under his mount's neck, drove the ball squarely through the woven wicker pilons to put the Jackets out in front 2 to 0.

The second period saw the Freebooters add two more to their total while the caisson riders fought fiercely but futilely to stem the tide of defeat. McClure scored the first goal on a pass from Smith, while Whisner added the second on a pretty near side stroke.

Gunners' First Goal.

In the third session the Gunners made their first score of the afternoon, a neat

(Continued on page 8)

COLONEL R. C. HUMBER ARRIVED YESTERDAY TO MAKE INSPECTION

Annual Inspection of the Entire Garrison Immediately Started

Lieutenant Colonel Robert C. Humber, Inspector General's Department, arrived at Fort Benning yesterday from the Inspector General's Office in Washington to conduct the annual inspection of this command.

The inspection will cover a period of about ten days it is thought. Colonel Humber was scheduled to begin with the inspection of the Quartermaster Detachment, Commissary, Quartermaster Warehouse, Laundry and the Engineer Depot.

DISTINGUISHED BRITISH OFFICER BENNING VISITOR

Assistant Military Attache' at British Embassy in Washington on Three Day Tour of Observation

Major W. H. S. Alston, of the British Army, arrived at Fort Benning on last Monday and remained in the Post until Wednesday. Major Alston is assistant to Major General Charlton, Military Attache' of the British Embassy. His visit to Fort Benning was for purposes of observation of the functioning of the Infantry School. During his stay at Fort Benning Major Alston studied the organization of the different departments of the Academic department and the methods of teaching student officers the technique of all Infantry weapons used in our army. The methods of instruction of tactics, as taught by the Infantry School were also observed by this experienced British Staff Officer. Major Alston left Fort Benning for Washington on Wednesday afternoon. During his stay at Fort Benning Major Alston was shown over the Reservation and conducted through the different departments of the Infantry School by Major Joseph D. Patch, Infantry, U. S. A.

INF. SCHOOL-ROCHESTER GAME NEXT MONDAY

The Infantry School Baseball team will play the Rochester club at Gowdy Field here on Monday, April fourth. 'Hank' Gowdy, the famous New York Giant catcher and for whom Gowdy Field was named, will be behind the bat for the Infantry team. A 'Big League' pitcher, who wlil be selected by George K. Belden, president of the Rochester Club, will pitch for the Infantry team.

FRIDAY—APRIL 1

"The Runaway Express," featuring Jack Dougherty, Blanch Mehaffey and Tom O'Brien in a thrilling railroad melodrama. Jack stole a whole cattle train, a pretty girl's heart and another man's job, then saved a thousand passengers and a railroad's reputation by stopping the Runaway Express just in the nick of time. This is a Universal picture.

"On Guard No. 10" Cullen Landis. They have landed in Fort Benning and most of this episode contains Fort Benning scenery and faces you all know.

SATURDAY—APRIL 2

"The Devil Horse," featuring Rex, the wonderfully trained animal as a wild horse. This play was actually scenarized on the scene of Custer's Last Fight at Lodge Grass, Montana. The entire population of the Crow Indian Reservation worked for four months on this picture. This black stallion, driven to fury by Redskin hatred, saves a pioneer Fort from annihilation.

"Now You Tell One," Whirlwind Comedy.

SUNDAY—APRIL 3

"There You Are," a laughing comedy with an all star cast featuring Conrad Nagel, Edith Roberts, George Fawcett and others. If laughter is injurous to your heart, stay away from this movie—you'll laugh till you cry and cry because you can't laugh anymore. The story is of an elopement, thirty speed cops follow their auto, an irate father and many complications involving this fleeing couple in their matrimonial adventure promise to make this picture one of the laugh successes of the year.

"Alice Cuts The Ice." Alice Cartoon. "Pathe News."

MONDAY—APRIL 4

"Rose of The Tenements," featuring Shirley Mason and Johnny Harron in a glamorous melodrama of New York life. It is a story of sinister Bolschevistic propoganda against the awakening dawn of patriotism and hidden forces battling against young love and love of country, culminating in a magnificent climax. This picture promises continuous absorbing action with a rapid succession of startling climaxes.

"Watch Out." Vernon Comedy.

TUESDAY—APRIL 5

"Going Crooked," based on John Golden's comedy hit, starring Bessie Love. The tense mystery and unaderated fun of this story evoke thrills of suspense and moments of unbounded hilarity. The plot revolves about the activities of jewel thieves, their one fatal slip, the love of a beautiful adventuress for the young district attorney who goes crooked and the adventures of a stolid detective who bungles the case. The background is the historic China town of Frisco.

"Hold 'Er Sheriff." A Cameo Comedy.

WEDNESDAY—APRIL 6

"Finger Prints," featuring Helene Costello, Louise Fazenda and John F. Murray in a thrilling melodrama of hair raising mystery and side splitting fun. A clever gang get away with $5,000,000 in a mail robbery, several are caught but the location of the money remains a mystery. In Sing Sing prison the thieves plot escape and retheft of the money; secret pannels, trick stairways and mysterious disappearances add to the wierd proceedings. The story culminates in a grand and glorious romance.

"Bill Grimm's Progress No. 10."

THURSDAY—APRIL 7

"The Last Trail," starring Tom Mix and his wonder horse, Tony, in six reels of thrilling action and spectacular horsemanship, such as only Tom and his troupe can stage. This is a Jane Gray story produced by the Fox Films Corporation.

"Pathe News."

FRIDAY—APRIL 8

"Hotel Imperial," starring Pola Negri, the tempestuous screen artist in one of the most dramatic episodes of the World War—the Russian drive into Hungary. It is a tale of intrigue, passion and sacrifice, disclosing a woman's triumphs in her efforts to gain love against great odds involving high diplomatic circles.

"The Fighting Dude." Lupino Lane.

SUNSHINE MINSTRELS

The Sunshine Ministrel: Capt. H. E. Dager, Lts. A. J. Nicols and N. Goode producers, was staged at the 29th Infantry Theatre Tuesday and Wednesday evenings this week; and conservatively speaking, it was one of the most original, side-spliting entertainments of the season. The Glee Club may offer their highclass operas; the Dramatic Club their soulful dramas, but when it comes down to "brass tacks" the 29th Infantry Ministrel show levels all ranks.

In reviewing a show of this kind one unconsciously reverts to "II Penseroso" and cannot refrain from abortively referring to "quip and quirk and wanton wile." Influenced by the same token, it is not possible to forget the great "Christy" and 'Bakus," both of whom delighted European audiences in the "60's" with the only form of entertainment that may be designated as "original and truly American."

From the rise of the curtain 'till the final number of the 2nd part, an appreciative audience responded with alacrity to the sallies of end-men, Olio artists and psuedo black-face soldiers in "The Battle of Rolling Bones." Pointed personal references never offend in minstrel shows and with such the "Sunshine Ministrel" outfit was replete. The solo and chorus numbers were rendered with spirit and enthusiasm and Sergeant Wright's 29th Infantry Orchestra supported with balance and skill.

The dances were excellent and drew repeated encorses, and Capt. Dager and Lieut. Nichols nearly broke up the show with their cross-fire barrage on the subject of "officer peculiarities."

The producers, participants and sponsors—all of which are bona-fide 29th Infantry members—are to be congratulated for having provided such wholesome entertainment and recreation.

AMERICAN LEGION

The Charles S. Harrison Post No. 35, American Legion, of which Capt. Bert M. Lennon is the Post Commander, has completed arrangements to give assistance to veterans of the World War who may desire to negotiate loans on their Adjusted Service Certificates in accordance with the recent Act of Congress which authorized the Veterans to make the loans as provided for in the terms of the Certificates.

Local veterans who are members of the American Legion will be given the preference with assistance in filling out the necessary forms, but all veterans will eventually be cared for. A supply of forms is available at the ofice of Captain Lennon, at the Range Office, and at the office of Chaplain McKenna, in the Catholic Chapel Building.

Organization commanders desiring to facilitate the work of preparing the applications for the men of their commands may make arrangements with Captain Lennon or Chaplain McKenna to complete all the details in the company orderly rooms. Complete information as to the necessary procedure may be had by calling the Chaplain's office, Phine 74.

Army Polo Squad Chosen

The War Deprtment announces the selection of the following named officers as candidates for the Army Polo Team that will defend the Junior Polo Championship of the United States next summer, and compete, for the first time in history, in the Open Championship, the senior tournament played in America:

Captain Charles H. Gerhardt, Cavalry, West Point, New York.

Captain George E. Huthsteiner, Cavalry, Fort Sam Houston, Texas.

Captain C. A. Wilkinson, Cavalry, Fort Riley, Kansas.

Captain ePter P. Rodes, 14th Field Artillery, Fort Sheridan, Ill.

Captain Joseph S. Tate, 16th Field Artillery, Fort Myer, Va.

Lieutenant Guy C. Benson, 16th Field Artillery, Fort Myer, Va.

The above named officers will assemble at Mitchel Field, Long Island, about the first of June, in preparation for the summer polo season.

Captain Gerhardt is at present an instructor in riding at the United States Military Academy, from whcih he graduated in 1917. He is one of the best known of the younger athletes in the Army. During his service he has specialized in riding, having been an instructor at the Cavalry School, and a member of the Cavalry School Team that rode in the National Horse Show in 1923 and in other shows. Captain Gerhardt has come to the fore in polo in the last four years. In 1924 he played on the Army Team in the Junior Championship Tournament of America. The following year he went to England with the American Army Team that defeated the four representing the British Army. The same year he was a member of the Army Junior Championship Team. Last summer he again played on the Army Junior Championship Team, and then wound up the season on the Army-Meadowbrook Team, with Watson Webb, Devereux Milburn, and Captain Peter P. Rodes, as teammates.

Captain George E. Huthsteiner is not a newcomer in fast Army polo circles. For several years he has played on regimental and post polo teams. In 1925 he was a member of the Fort Bliss Cavalry Division Team that won both the Inter-Circuit Championship and the Twelve-Goal Team Championship. He is at present playing on the Eighth Corps Area Team in the Southwestern Tournaments being held in San Antonio, Texas.

Captain C. A. Wilkinson has been seen in action on eastern fields before. In 1924 he was a member of the Army team that played in the Junior Championship Tournament. Last summer he came east with the Fort Leavenworth Team that won the Inter-Circuit Championship and the Twelve-Goal Team Championship. Prior to playing on the Fort Leavenworth Team, Captain Wilkinson had considerable experience on the Pacific coast.

Captain Peter P. Rodes, with a seven-goal handicap, is an athlete of note. While a midshipman at the Naval Academy he played on the Varsity football team in 1911, 1912 and 1913, captaining it his last year. Since the World War Captain Rodes has been playing regimental polo in the central West, and has come rapidly to the front. In 1925 he went to England with the American Army Team that won the match tournament from the British Army Team. The same year he played on the Army Team that won the Junior Championship from Bryn Mawr at Rumson, N. J. Last summer he was a member of the Army-Meadowbrook Team that played in the eastern tournaments.

Captain Joseph S. Tate has had considerable experince. He was a member of the Army Team representing the American Forces in Germany, and played in England, France and Germany. Since his return to the United States he has followed the game as a member of local teams, and last fall played on the Sixteenth Field Artillery Team at Fort Myer, Virginia.

Lieutenant Guy C. Benson was a member of the 1926 Army Team that won the Junior Championship from Byrn Mawr at the Westchester Biltmore Country Club in Rye, New York. Last fall he played on the Sixteenth Field Artillery Team at Fort Myer, Virginia.

Monographs

The duties of a millitary attache were graphicâlly explained to the officers of the 24th Infantry on the 18th by Captain E. M. S. Stewart of that regiment. Captain Stewart has recently completed a four year tour as United States Military Attache at Lima Peru so is particular qualified to speak upon this interesting subject. "A Military Attache," he said, "is an officer of the army detailed at the capitol of a Friendly Power for the purpose of securing military information in particular, and to represent his own country's interests in general. He is a member of the diplomatic body and an official representative of his own government. His duties are many and varied. He must acquire accurate information for his own War Department and submit same in the manner required. He is a member of the staff and participates in all state and diplomatic functions. He attempts to combat proganda directed against his own government and to foster that friendly to it. All of his own interior administration must be done by hmself. He is his own finance Officer, Quartermaster, and office manager. He also must maintain and keep up to date a "War Plan" of what he would do in case of any war in general and in case of a war involving the country to which he is credited in particular."

Speaking of the method's by which information is secured, Captain Stewart said "data and knowledge is obtained in many ways. One good source of information is from friends and acquaintances. A military attache must know a large number of people, Army officers, men in public life, prominent people, and others. Constant observation, local newspapers and offical documents also supply information."

Captain Stewart then gave an interesting discription of the geographical characteristics of Peru and that country's relations with the United States. He closed his discourse with an account of the Taco-Arica dispute and the part the United States played therein.

GLEE CLUB

PIRATES OF PENZANCE

The production of the Pirates of Penzance at the War Department Theatre on the 25th and 26th of March was generally acclaimed, from all sources, as an "unqualified success" and the *"best show"* so far presented by the Infantry School Glee Club. No small measure of the success attained was due to the assistance and direction rendered by Lieutenant Frank A. Deroin, a student officer at the Infantry School, and Lieutenant Claude S. Burback, 83rd Field Artillery; the former having smoothed out the dramatic end of the production, the latter, through the coutresy of Major Robert S. Donaldson Commanding Officer, 83rd F. A., being responsible for the design and construction of the two beautiful scenes.

The 29th Infantry Orchestra, too, guided and balanced by the inimitable accompanist and assistant director, Mrs. Butcher, provided a musical accompaniment which is worthy of note as being quite the equal of any prefessional, civilian orchestra.

In conservation with the Glee Club Director at the conclusion of the Saturday night performance, the writer was made to understand by an unqualified, direct statement that "to Mrs. Butcher should go the greater part of the credit for the musical part of the show, for it was only by her untiring coaching, rehearsing of ladies' ensemble and indefatigable work with soloists that it became possible to stage such a musically exacting operetta as the "Pirates of Penzanec?"

Mrs. Marion Boyd and Captain C. L. Rutledge were joint stars from the vocal point of view. Their solos, duets, recitatives and incidental numbers were rendered in a highly professional manner and have been more than favorably commented upon in the local press. Many encores of their numbers were demanded and it was a matter of regret that but one was rendered.

Colonel George W. Helms astounded the audience with his exact portrayal of Major General Stanley and Mrs. Frank Green surprised everyone, including the cast, by her very excellent interpretation of the piratical nursemaid, Ruth. Captain L. D. Tharp, Infantry (Tanks), as the Pirate King, showed historionic and vocal talent of the highest order, and his Pirate-Lieutenant, Captain F. O. Schmidt, a student officer, showed much aptitude in swashbuckling his tuneful pirate band through their semi-nefarious adventures. The ladies' ensemble, headed by Mrs. Helen Norris, Mrs. Mai Harris Partridge and Mrs. Elsie Hurdis, was more than pleasing in feature, grace and voice. The majesty of the law was manfully upheld through many breaks, vicissitudes and free versifications, by the Sergeant of Police, Captain S. G. Saulnier. The "Bobbies" were British and truly imperturbable both in voice and demeanor, constantly refusing to be either confused or infused by aphasia, delicate situations or personal encounter with blood-thirsty pirates.

Only too frequently, in amateur theatricals and operatic ventures that are after production, acknowledged as successful, it is only the direct participants that receive mention. In this, the Glee Club's current production, it is only just to announce that it was put over, as it was, through the combined efforts of cast and producing staff. Major Frank Green, A. R. C., was responsible for co-ordination and properties; Lieutenant Robert Oliver, A. D. C., for design and execution of Pirates costumes and accessories; Capt. F. S. Doll, W. D. Theatre Manager, and his staff, directed by Sgt. O'Neal of "6th Infantry fame," for a real business-like, business management; and above all: Mrs. Ruth Mason Dunlop, Glee Club President, who exercised competent and complete General Management.

Park at C. A. Morgan & Co. Open till 10 o'clock. Soft Drinks, Drugs and Cigars.

WOMAN'S CLUB

Place of meeting—Polo Club.

Date of meeting— First and Third Mondays.

Date of next meeting—April 11th.

Time of meeting—2:15 P. M.

Good, Better, Best! That is the way you will feel about the programs of the Woman's Club when you know that they have led up to what is in store for you on next Monday, when Mrs. Philip Peyton will give one of her short stories—a prize winner, by the way—and some verse. One of her lyrics—"Love Came," has been set to music and will be sung by Mrs. Leonard Boyd. Capt. Holmes Dager will sing a group of songs and Mrs. Stuart Beckley will play a piano solo. This program is presented by an all-star cast and you are sure to be delighted by each one. Echoes from the Ft. Leavenworth Club says that the best program of last year was the one Mrs. Peyton gave and we who know Mrs. Peyton's wonderful ability, readily believe it.

Mrs. George King and Mrs. Bob Childs will be hostesses at tea.

The Literature Club met last Monday with Mrs. Robert McLeod at which time the following program on Southern Literature was very ably presented.

Non-Fiction:—
Joseph Wood Krutch's "Edgar Allen Poe" ..... Mrs. George Winton
Fiction:—
Dubose Heyward's "Porgy" ..... Mrs. Andres Lopez
Henry Allen's "Toward the Flame .... Mrs. J. Paul Lloyd
Poetry:—
Minor Poetry of the South ..... Mrs. Paul Goode

On April 12th the Child Study Club will meet with Mrs. Ralph W. Kingman. "Discipline" is the topic for study.

The following members of the Woman's Club made up the nominating Committee: Mrs. A. B. Warfield, Mrs. Edwin Butcher, Mrs. Maxon Lough and Mrs. George King.

This committee will present their nominations at the meeting on Monday afternoon, the election of officers taking place two weeks later.

Wifey:—And knowing my sentiments on the subpect, did that odious Mr. Binks insult you by offering you a drink?

Hubby:—That's what Mr. Binks did.

Wifey:—And how did you resent it?

Hubby:—I swallowed the insult!

Monday, April 18th we will give an Easter Egg Hunt on the lawn of the Commandant's quarters at 3:00 p. m. This is an annual event which is looked forward to by all the little people of Fort Benning. The rabbits have promised us many eggs this year—and there will be lovely prizes for the lucky finders of the gold and silver eggs. Provision will be made for the very small children as well as the older ones. Ice-Cream cones will be for sale. Admission 10c. Please remember time and place.

The trees, which were planted on the playground in the fall, have put out leaves and we are so happy to think that before long we shall have a shady place to play.

The Pirates of Penzance

The Pirates sailed the ocean blue
To capture a ship and all its crew
And tie them to the ship with glee
And sink them to the bottom of the sea.
By James Allison, age 11 yrs.

The Pirates of Penzance
And the ladies who dance
Sing with the policeman
In the blue pants.
By Elfie Green, age 7 yrs.

Come to see the next play of the Glee Club
Its going to be good as sure as mud.
The show is fine and you take no chance,
For "bless your soul, Honey" its the Pirates of Penzance.
By Kathleen Gowen, age 9 yrs.

The Pirates of Penzance is only a show
But don't you dare miss it.
For its a good one we know.
By Jackie Pollin, age 4 yrs.

At sea with his cutlass and sword
A pirate is a terrible thing,
But when captured by the "Glee Club"
They sure can make him sing.
By Sarah Hurdis, age 7 yrs.

The pirates of old, they acted bold,
Upon the ocean's waters,
And what is more they came ashore
And stole the General's daughter.
By Bobbie Ballard, age 6 yrs.

Park at C. A. Morgan & Co. Open till 10 o'clock. Soft Drinks, Drugs and Cigars.

On the nights of Friday and Saturday April 8, and 9, the Infantry School Dramatic Club will present at the Main Theatre, the sparkling comedy "The Whole Town's Talking." This is to be a public performance and not limited to club members—anyone with the price of admission may attend. Tickets will be on sale Tuesday at the officers club, the box office of the theater and at orderly rooms. There will be reserved seats at seventy-five and at thirty-five cents and general admission at twenty-five cents. In response to a general demand there will be no sections set aside exclusively for officers and civilians or enlisted men.

The play itself is a corker. That has been amply proven by the runs it has had in the big cities. The cast has been most carefully chosen and Lieutenant Frank A. Deroin is in charge. This means much, as will be realized when it is recalled that Lieutenant Deroin directed "Nothing But the Truth," that first public performance of the Dramatic Club, which made such a great hit that the soldiers stood up and cheered it when the curtain fell.

The club, in this its first public performance since "Nothing But the Truth," is straining every effort to put this new play over and put it over in first-class professional style. From first to last "The Whole Town's Talking" is a real comedy with clever lines and packed full of fun.

The annual business meeting and election of officers for the coming year will take place at the Officer's Club on Thursday evening, April 14, 1927. Major Robert. H. Dunlop, chairman of the committee appointed to draw up a list of nominations, submits the following slate:

For President:—Major Philip B. Peyton.

For Vice-President:—Mrs. Jason M. Walling, Lt. Colonel Ralph W. Kingman.

For Secretary-Treasurer:—1st Lieut. David L. Hardee.

For Publicity Manager:—Captain Bernard B. McMahon, 1st Lieut. Robb S. MacKie.

For Business Manager:—Captain William A. Collier, 1st Lieut. Fred W. Caswell.

For Play Director:—Major George F. U. Dailey, 2nd Lieut. Robert C. Oliver.

For Stage Manager:—Captain Gustav J. Braun, Captain Raymond H. Bishop.

For Play Reading Committee:—Mrs. Gilbert R. Cook, Mrs. Gustav J. Braun, Mrs. Charles E. Hurdis, Mrs. William W. Brier, Jr., Mrs. William L. Roberts, Mrs. Samuel L. Dunlop.

In accordance with the constitution, the President, Vice-President and Secretary-Treasurer together compose the Executive Committee. The Play Director, the Stage Manager and the chairman of the Play's Committee as elected make up the Green Room Committee.

H. W. Patterson, Sales Mgr **H. M. Harding, Manager.**

The above nominations are published for the consideration of members prior to the coming election. The constitution further provides that:

"ARTICLE V—ELECTIONS"

Sec. 3. By petition to the President, signed by at least ten (10) members, either Active or Associate, any member may be nominated to fill any vacancy.

Sec. 4. At the annual business meeting in April (April 14, 1927) the names submitted by the nominating committee and by petition shall be acted upon. Voting shall be by separate ballot for each vacancy and election shall be by majority.

Sec. 5 Those thus elected shall enter upon their duties immediately upon their election to office.

Club members are enjoined to give this matter due thought and attention, for, at the coming meeting, your choice will decide those persons on whom will rest the responsibility and destinies of the Dramatic Club for the year 1927-28.

The interest in the welfare of the Club is strong. There are nearly three hundred members of the organization. Both Active and Associate members are entitled to vote and are expected to exercise their right. The choice of officers and committees therefore should be good, and based on sound, thoughtful judgment.

THE 24TH INFANTRY WINS TWO STRAIGHT

(By Jas. R. Morrison)

Colonel Johnson's 24th Infantry team defeated the University of Atlanta nine twice in succession. Fridays game was a close affair with both teams playing an exceptionally good brand of ball.

The College boys put a couple of markers across the plate in the first inning. Leonard pitching for the westenders tightened up after the first frame and sent the Atlantians to the dugout for six consecutive innnigs without being able to tally again. The Visitors last two ringers came in the eight making a total of four tallies.

King pitching for the Atlanta team was very conservative in dishing out hits. He sent the hard hitting Twenty-fourth from the firing line for five straight innings wthout being able to register. However, the sixth and eight innings proved his undoing, the 24th scored three runs in each inning making a total of 6 markers or two more than their opponents were able to put across the pan.

THE BOX SCORE

24th Infantry:—

	AB	R	H	PO	A	E
McCrary, lf,	4	1	2	1	0	0

Totals	36	4	7	24	10	2

Summary-three base hit: Jones. Two-base hit: January. Stolen bases: McCrary, F. Williams, Jones, L. Graham. Double plays: King to Seats to S. Williams. Struck out by: Leonard 4, by King 4. Bases on Balls: Off Leonard 1, King 1. Hit by Pitcher: Leonard 1, King 1. Pitching summary Off Leonard 4 runs, 7 hits. Off King 6 runs, 5 hits. Winning pitcher Leonard. Losing pitcher King.

SATURDAYS GAME

In their seconr meeting the 24th trimmed the Atlanta University nine, 17 to 3. The Benning team took an early lead scoring twelve runs in the first two innings.

Victor Williams the Twenty-fourth's left handed artist began the hurling for the soldiers but, due to lack of control, he was relieved in the fourth inning. Thomas finished the game. Watts pitched for the visitors. A combination of erratic fielding, poor control, and the hard hitting of the 24th Infantry resulted in twelve runs being scored in the first two innings. In the fifth inning the Infantry scored three more, while their final runs were put across the pan in the eight inning resulting in the final score of 17 to 3.

Score:

24th Infantry	17
University of Atlanta	3

Battery for the 24th Infantry:—Victor Williams, Thomas and Hampton.

For the University of Atlanta: Watts and January.

ALBANY LEAGUERS WIN THEIR LAST GAME FROM THE INFANTRY TEAM

(By JAS. R. MORRISON)

After winning the first game from the Albany leaguers, Coach Fountain's doughboys crew dropped their second melee to the Nuts to the tune of 9 to 4. The leaguers took an early lead scoring 6 tallies in their first frame. "Wee" Grady Tolle graced the mound for the home boys. While Grady did the best he could under the circumstances nevertheless he was unable to locate the plate; issuing three walks, coupled with three hits and an error by Franz enabled the Albanites to score 6 runs in the first inning. The Nuts added a couple more in the second and another in the third, making a total of 9 chalkers, which was enough to win. The Doughboys came back in the third and scored three runs on an error; two solid bingles, and two walks with a sacrifice fly did the work for the short enders. Their final tally came in the sixth on two walks coupled with two nice bingles. "Wee" Grady Tolle was relieved at the beginning of this inning by a long individual Dr. "pill-roller" named Curry, he issued out three hits and a couple of walks during his stay on the mound, however, he showed well. He delivered in the pinches.

The Nuts used three southpaws, Benton, Morris and Keenan, all of whom pitched good ball. The game was called at the end of the seventh inning to allow the Visitors to catch the John Callahan for the home port. The huge lead of the first inning and the cold chilling winds which swept Godwy Field, took all the joy out of baseball.

Winning Pitcher: Benton. Losing pitcher: Tolle. Umpires: Hicks and Cole.

SAFETY FIRST

At a small country station a freight train pulled in and sidetracked for the passenger train. The passenger arrived and pulled out; then the freight started to do its switching. A placid, well-dressed woman had alighted from the passenger train and was passing close to one of the freight brakemen when he yelled to his buddy: "Jump on her when she comes by, Bill, run her down by the elevator, cut her in two and bring the head end up by the depot!"

The lady picked up her skirts and ran for the station yelling murder at every jump.—(Everybodys').

CAPTAIN LEIBER ORDERED TO LEAVENWORTH

The commissioned and enlisted personnel of the 24th Infantry received the news of Captain Paul E. Leiber's detail as student to the Command and General Staff School with mixed feelings of pleasure and sorrow. Captain Leiber has been at Fort Benning for 7 years. He came to this station from the 1st Division, Camp Dix, N. J.

During 1920-21 he attended the Infantry School as a student. His work there was of such an excellent character that he graduated among the very highest in his class. Upon finishing the course of instruction he continued with the School as an instructor in Weapons, their nature and use.

While serving with the 24th Infantry, Captain Leiber has been in command of "M" Company. Under his efficient leadership that organization soon became one of the best in the regiment. His genial personality and ever-ready smile has endeared him in the hearts of all. While the members of the regiment are sorry to have him leave they are greatly pleased that he has been selected to take such a forward step in his career as becoming as student at the Command and General Staff School.

29TH INF.

WE LEAD THE WAY

COMPANY "D"

Our baseball team under the able leadership of Sgt. Phillips and Corp. "Pee wee" Whitaker has not yet annexed a victory but we are proud of them just the same because they exhibit the clean sportsmanship, believed to be typical of we Browningsters.

Our company butcher, Lem B. Hughes says he sure admires our men.

The company is getting all ready for the general inspection but is not staying up all night to do it like one outfit in the Second Battalion.

TUESDAY'S GAME

(By Jas. R. Morrison)

The Wolverines licked Fountain's Doughboys 12 to 8 in their second encounter. "Kid" Franz, the starting slinger for the doughboys while a little wild from the beginning seemed to have completely lost control during the third inning, serving out four free passes and giving up a couple of solid bingles, thus allowing the Aggies to chalk up 7 runs. However, in the same inning Mr. Morgan pitching for the Michigan State was afflcted with the same malady; sending three doughboys to first by the four ball route and giving up a number of safe wallops, which enabled the doughboys to put across five markers.

The Infantry gathered another score in the fifth inning, and two in the sixth frame. The score at this stage was 7 to 8 in favor of the doughboys. "Doc" Curry of the medicos was sent to the mound in the later part of the third. He also developed stage fright and was relieved. Crim was sent to the rescue at the beginning of the foutrh frame. For five successive innings he pitched masterful ball. However in the ninth inning the Aggies brought forth their heavy artillery, coupled with a few erors on the part of this team mates Crim weakened and allowed the Wolverines to score 5 runs which was enough to win the game.

WEDNESDAY'S GAME

(By Jas. R. Morrison)

Tolles, Michigan Aggies, and Tolle, Infantry hurler, hooked up Wednesday afternoon in a brilliant slab duel, finally won by the Infantry 5 to 3. The only similarity between the two hurlers, except their names, is that they both are pitchers of ability. The Wolverine hurler is a big husky left-hander, while the Infantry mound artist, is right-handed and so small that he is known as "Wee Grady."

The game was a fast and thrilling one. Infantry scored a trio in the third, only to be tried by the Michiganders in the fourth, with a cluster of three runs. In the fifth George Smythe walked, pilfered second, went to third on an infield out, and made a clean steal of the plate. The Doughboys added their final tally in the seventh.

The game was the third and deciding one of the series, and gave the soldiers a 2 to 1 edge. Last year the same teams broken even in a two game series.

Score by innings:

Michigan State	000	300	000—3
Infantry	003	010	10x—5

Tolles and Witter; Tole and McCarthy.

FIRST TWO GAMES OF TOURNAMENT SHOW FASTEST POLO EVER SEEN HERE

(Continued from page 1)

goal by Grubbs, who throughout the afternoon played a hard riding, straight hitting game. But, before the mid-game intermission, Major Smith scored again to bring the count to 5-1.

The fourth period furnished fast and furious action, each team in turn taking the offensive and penetrating the opposing defense. Grubbs tallied twice for the Artillery, but the Freebooters increased their lead another point on two goals by Smith and another by Whisner.

In the fifth, Moon, substituting for McClure, in the Yellow Jacket lineup, took a pretty pass from Whisner and tallied. Major Smith added another to make the total ten. The Artillery was held scoreless in this session but added their last marker in the final period, when Hurt converted a penalty shot into a goal.

Freebootres Favored

The Yellow Jackets, by their decisive triumph yesterday afternoon are now heavy favorites for the garrison crown. They have won their only start, as have the 29th Infantrymen, but polo experts do not believe that the Doughboys will be able to stop the dashing attack and fine teamwork of the Jackets. The Green Shirted Students have beaten Major Smith's team on several occasions this year, but they fell before the Demonstrationists last Sunday and must now win both their remaining games to have a chance. Even should they defeat the Freebooters, which is decidedly doubtful, the 10 goals scored by the Jackets yesterday will likely prove an ace-in-the-hole for Major Smith's men, as the tourney will be determined on total goals, in the event of a tie.

Despite threatening weather and the counter-attraction of a baseball game on Gowdy Field a large crowed saw yesterday's game, and it is expected that the stands and parking spaces will be crowded when tournament play is resumed Sunday afternoon with the Gunners meeting the Students.

Lineup and Summary:

Freeboters		Artillery
Forsythe	No. 1	Grubbs
McClure	No. 2	Murphy
Smith	No. 3	Oliver
Whisner	No. 4	Hurt

Freebooters	221	320—10			
Artillery	001	201— 4			

Goals: Smith (5), Whisner (2), McClure, Forsythe, Moon, Grubbs (3), Hurt, Substitutions: Moon for McClure; Olmstead for Smith; Smith for Whisner. Strohbehn for Oliver, Oliver for Strohbehn. Officials: Majors Peake, Cook and Jones. Time of Periods 7 1-2 minutes.

HOW THEY STAND

	W	L	G	Pct.
Freebootres	1	0	10	1,000
29th Inf.	1	0	6	1,000
Students	0	1	4	.000
Artillery	0	1	4	.000

Last Sunday's Game

Fighting on the defensive in the opening stages of the game, and showing a hard riding, straight hitting attack of their own, the Musketeers turned over the dope bucket and scored the biggest upset of the Polo season by defeating the Academic Officers in the initial game of the Polo meet by the score of 6 to 4.

Winning Sunday's game puts the Demonstrationist in a fine strategic position in the tournament.

The Students took the lead in the first period scoring once and keeping the Infantry on the defensive the entire period, the Students inaccuracy in shooting goals proved their down fall, missing seven out of a possible eight in the first period. The Doughboys took advantage of this, and seemed to grow stronger as the game progressed and led by Burress, broke through in the final period for two goals to win the game.

Lineup and summary:

VOLUME V. FORT BENNING, GA., FRIDAY, APRIL 8, 1927 NUMBER 29

THE WHOLE TOWN'S TALKING

GENERAL PRESTON BROWN VISITS INFANTRY SCHOOL ON OBSERVATION TOUR

Distinguished Officer Ordered Here to See Work of School

Among the distinguished army leaders to visit Fort Benning is Major General Preston Brown, commanding general of the first corps area, which is made up of the New England states. The general is here for a ten days' stay, during which time he will be the guest of the commandant of the Infantry School, Brigadier General Edgar T. Collins.

It is understood that General Brown has expressed a wish for some time to visit Fort Benning, which has become known internationally as this nation's training center for the infantry. The general has had his wishes fulfilled by being ordered to the fort by the war department.

Yesterday Battery A of the 83rd Field Artillery, commanded by Captain Hurdis, fired the customary salute in the visiting general's honor. Later, he witnessed a battalion parade by the 29th Infantry. General Brown had expressed a desire to see this parade and it was evident that he was pleased with the soldierly bearing of the men and the manner in which the commands were executed.

General Borwn, possessor of the distinguished service medal, was conspicuous in the activities at Soissons during the American drive in that sector and was deeply interested in the several events presented by the various outfits, including an inspection of the assembly halls, accompanied by Colonel Coheu, assistant commandant of the Infantry School, during which he had an opportunity of seeing the advanced and company's officers classes studying map problems; a visit to the weapon store room and the monograph section; an inspection of the completed section of the 29th's new barracks and the new bakery.

It is understood that a review of all the troops at the post will be given in honor of the distinguished soldier, who rose from the rank of a captain in 1913 to his present rank. Officers yesterday pointed out that the visitor had the distinction of being a company commander in the first officers training camp ever held in this country it being made up of volunteers, and was held as an experiment by General Leonard Wood.

DRAMATIC CLUB PRESENTS ANITA LOOS COMEDY FOR WEEK-END ENTERTAINMENT

Main Theatre Stage All Set for Friday and Saturday Night Productions

The graduation exercises, so to speak, of the Infantry School Dramatic Club for the current year will be held at 8:30 o'clock tonight and Saturday night in the Main Theater. "The Whole Town's Talking" is the club's valedictory, and to judge from the seat sale the garrison and its wife are going to be present in mass.

Anita Loos, who wrote "Gentlemen Prefer Blondes," is, with her husband author of "The Whole Town's Talking." All the charm and naivete, all the sophistication and what the French call the "je ne sais pas quoi." Of the treatise on complexion complex are reflected in the play Fort Benning will see today and tomorrow. The garrison has been gone over with a fine-tooth comb to bring to light the most scintillating of the local dramatic lights.

The play is produced under the personal direction of 1st Lieutenant Frank A. Deroin, whose ability has already been amply demonstrated.

Lieut. Fred W. Caswell, 24th Infantry, and Alma Tobin Peake play the part of Henry Simmons, a manufacturer, and his wife, and Ann McKechnie is, for the purpose of the play, their daughter Ethel. Major E. F. Rice bears the stage name of Chester Binney, partner of Simmons; Lucy Ord Kemper Rice is Letty Lythe, a movie queen; Capt. Raymond Bishop, 29th Infantry, is Donald Swift, a motion picture director; and Capt. Walter Dumas portrays Roger Shields, a young Chicago lounge lizard. The parts of Lila Wilson and Sally Otis, friends of Ethel, are taken by Dorothy T. Oliver and Elizabeth R. Jones; Kate Parker Vinson is Annie, the maid; Margaret C. Pickering is Sadie Bloom, a dancing teacher; and Capt. John Dahlquist fills the shoes of a taxi-driver. The subdeb contingent of the post furnishes the names of Dorothy Donaldson, Rosabell Elliott, Jane Kilbourn, Satilla Franklin and Martha Bowen to the cast.

Seats may still be obtained at all orderly rooms, at the Main Exchange by day and the Main Theatre by night and at the Officers Club. But the old adage still holds true—procrastination always lets the other fellow get the better tickets. Eventually—why not now?

ROCHESTER WINS BY 3 TO 1 COUNT

Hank Gowdy Day Marked By Appearance of Big Leaguer As Doughboy Catcher

Their battle lines reinforced by Hank Gowdy, veteran receiver and prime doughboy favorite, and Charley McCann, able port side slinger kindly loaned for the occasion by the Minneapolis club of the American Association, baseball representatives of the Infantry School battled the Rochester Internationals to a finish Monday afternoon and yielded, 3 to 1, only after

(Continued on page 2.)

FREEBOOTERS WIN BY 10 TO 1 SCORE

Major Smith's Team Virtually Assured of Polo Title by Victory Over 29th Four

Flashing a brilliant attack and presenting a stonewall defense the Yellow Jacket Freebooters, yesterday afternoon on Shannon Field, sent the 29th Infantry four down to an overwhelming 10 to 1 defeat in the fourth game of the Fort Benning Polo tournament far garrison championship and the Dierk trophy. The win virtually assured Major Smith's team of first place honors, as it leaves them the only undefeated team in the tourney,

(Continued on page 2)

INFANTRY MEETS OGLETHORPE ON FRIDAY AND SATURDAY AFTERNOON

Doughboys Will Meet Stiffest Competition Yet in University Club

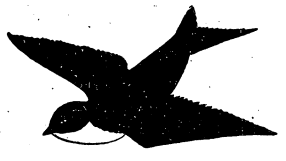
By Lt. Geo. L. Potter

On Friday and Saturday afternoons, the Infantry School baseball team will meet one of the finest clubs on its schedule. Oglethorpe University, always outstanding in all branches of athletics, is bringing to Fort Benning one of the strongest baseball teams in the athletic history of that institution. Last year they won the SIAA championship, and it is reported that, in addition to the strong club of last year, they have been strengthened in several positions.

Oglethorpe has, so far this season, made a remarkable record. They split even with Columbus of the Southeastern League, and have defeated Furman, Clemson and several other strong Southern college teams.

The home club will be ready for the visitors. In the last two weeks, the infantry have been up against some very strong teams, including Columbus and Albany of the Southeastern League, the University of Florida, and Rochester of the International League, against all of which they have held their own. In addition they have been strengthened in the pitching department by the arrival of Newman, a left-hander, who picthed remarkable ball last year while a member of the 2nd Battalion, 29th Infantry. He has re-enlisted in that organization, and should prove of great assistance to both the post and battalion baseball teams.

All of the Infantry pitchers are ready to start today. It is believed that either Crim or Tolle will start today, with Roosma and Lindsay ready for Saturday. Today's game will be called at 3:30 o'clock.



Blackbird—

Wants to know what aviators, who had not ridden on a train for five years, when ordered to proceed to Fort Benning by rail, bought accident insurance because railroads are so dangerous?

FREEBOOTERS WIN BY 10 TO 1 SCORE

(Continued from page 1)

with 9 more goals to their credit than their nearest rivals.

The only doughboy goal of the afternoon was awarded them on a foul called in the fourth period, while the buccaneers raged up and down the field with an accurate hitting, hard riding attack that could not be denied, although the Infantrymen fought it out to the bitter end and displayed some fine riding themselves. But the Freebooter defense was impregnable and time after time the Demonstrationists were turned back when on the threshold of scoring. The Yellow Jackets were "on" their game, and when Capt. Forsythe, Capt. McClure, Major Smith and Capt. Whisner, are "on" their game, there's nothing at Fort Benning that can stop them. Try as they would Adams, and Pinky Burress and McCunniff, and the other 29th poloists could not withstand the attack of the Yellow Jackets, nor break through their defense.

For a brief period following the opening toss-in, the 29th took the offensive and pressed hard against the Freebooter defense, but soon the Jacket machine began to function with precision and before the first chukker closed, Captain McClure had scored twice and Captain Whisner had tallied once. From then on the ultimate outcome was never uncertain.

The tournament will conclude Sunday with the Freebooters meeting the Students and the 29th clashing with the Galloping Gunners of the 83rd Field Artillery. Should the Students defeat the Jackets and the Doughboys beat the Cannoneers all three teams would be tied with 2 games won, and one lost, but in that event the championship would be determined on a basis of the greatest number of goals scored, and as the Freebooters have tallied 20 times, the Students 11, and the 29th 7, the immense advantage of the Freebooters is apparent.

Lineup and Summary:

Freebooters (10)		29th Inf. (1)
Forsythe (2)	No. 1	Adams
McClure (2)	No. 2.	Burress
Smith (3)	No. 3.	McCunniff
Whisner (1)	No. 4	McKnight

Score by periods:

Freebooters	321	202—10
29th Inf.	000	100— 1

29th Goal awarded on a foul.

....ext Sunday afternoon, April 10th at three-thirty o'clock the Freebooters will meet the Student Officer team on Shannon Field.

ROCHESTER WINS BY 3 TO ONE COUNT

(Continued from page 1)

one of the finest exhibitions seen on Gowdy Field in many a moon.

It was "Hank Gowdy Day," an annual festival at the fort, and Rabbit Fountain's charges responded nobly to the call. They played hard, fast baseball and forced the AA leaguers to show their best to win. They seemed inspired by the presence of "Hank," veteran not only of many a big league battle, but of many a battle in France in 1918, when grenades were used for baseballs and the bayonet instead of the bat was the instrument to knock an opponent out of the box.

Hank Still Spry

As for Gowdy himself, he was as spry as any youngster, although he confessed just before the game's end that he was all in after his strenuous efforts for the Musketeers. Hank didn't succeed in knocking out any hits, but worked behind the bat with the same skill and fineness that marked his play back in the days of 1914 when he was aiding ably in winning the pennant for the Boston Braves.

Fresh Cat Fish today at Wilders Cafe. 15 W. 10th St.

THEATERS

FRIDAY AND SATURDAY NIGHTS, SHOW STARTS AT 6:00 P. M.

FRIDAY, APRIL 8

"Hotel Imperial," starring Polo Negri, the tempestuous screen artist in one of the most dramatic episodes of the World War—the Russian drive into Hungary. It is a tale of intrigue, passion and sacrifice, disclosing a woman's triumphs in her efforts to gain love against great odds involving high diplomatic circles.

"The Fighting Dude."—Lupino Lane.

SATURDAY, APRIL 9

"Breed Of The Sea," a Peter B. Kyne story, featuring Ralph Ince, Margaret Livingston and Dorothy Dunbar. This is a South Sea Island tale of love and piracy in Paroa, the toughest settlement on the Java Sea. It is the mighty drama of a land where human desires are unchecked and is a revelation of men's souls and the secrets buried in their hearts. Judging from the past, South Sea Island films are extremely popular.

"The Vulgar Yachtsman."—Standard Comedy.

SUNDAY, APRIL 10

"Take It From Me," starring Reginald in his first Universal Super-Comedy. This picture promises a continuity of laugh thirlls. By losing money in his $5,000,000 department store inheritance, he could get rid of Gwen, the Gold digging lemon and win Grace, the Peach. The more money he lost the more he made. The picture is gripping.

"Pathe Review No. 5."

"Pathe News."

MONDAY, APRIL 11

"The Mysterious Rider," starring Jack Holt in seven reels of excitement. It is an epic of the homesteaders battle to reclaim the desert against the handicaps of nature, and the machinations of a master crook and his gang. A delightful love story softens the theme.

"Keeping In Trim."—Sportlight Comedy.

TUESDAY, APRIL 12

"Subway Sadie," a First National feature, featuring Dorothy Mackaill, Jack Mulhall and Charles Murray in seven reels, starting in New York's subway and winding up in a Rolls Royce with laughs all the way and thrills around the curves. In addition to a sparkling drama this picture displays next seasons standards in the fashion show and a flock of gorgeous girlies in Gotham's most fashionable night club.

"Careful Please."—Hamilton Comedy.

WEDNESDAY, APRIL 13

"California Or Bust," starring George O'Hara in a frantic frolic of furious fun, guaranteeing twenty-five laughs per minute. This is an automobile comedy drama flashing over the Sante Fe trail and into the percipitious heights of the Arizonia Rockies. It depicts love in the desert between a poor young mechanic-inventor and the daughter of a big motor car manufacturer. Romance, adventure and hair raising excitement characterize the picture.

"Collegians No. 4."

THURSDAY, APRIL 14

"Midnight Lovers," featuring Lewis Stone and Anna Q. Nilsson in an aviation romance. They marry—he goes to war—she smells the petrol and starts divorce proceedings, the armestice is signed, the unexpected happens and complications galore arise. The picture is filled with mile a minute action.

"Pathe News."

FRIDAY, APRIL 15

"A Kiss In A Taxi," starring Bebe Daniels, who so cleverly featured in Brewsters' Millions, The Campus Flirt and Stranded In Paris. This is a rapid-fire French farce in which a pretty cafe waitress who becomes involved in numerous love affirs, always battling her way 'mid successive showers of broken glass. Scenes are located at the Cafe Pierre, in the Parisian Montmarte and the palatial interior of a classy French home. The picture promises a succession of laugh climaxes without a dull moment.

"Baddedy Rose."—Mable Normand.

GLEE CLUB

At a meeting of the Fort Benning Glee Club held at the Officers Club on last Tuesday evening the following officers were elected by the Club for the ensuing year: President, Captain Leonard R. Boyd, Vice-President, Colonel George W. Helms, Secretary, Mrs. Frank H. Partridge, Treasurer, Lieutenant W. W. Brier, Librarian, Mrs. George L. King, Publicity Agent, Captain Clifton A. Pritchett. It was a very gay meeting for the Glee Club and after the business of the Club had been disposed of and the new Officers elected there were several solos offered and also several choro uses were sung by the Club. During the evening sandwiches and coffee were served.

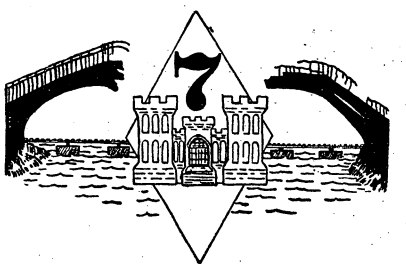
Delicious—Refreshing



It is the height of something or other when a gent invites a good-looking sergeant's sister-in-law (we refer to the sister-in-law, not to the sergeant) to the movies and at the last moment discovers that he has only fifteen cents in show tickets and it is the end of the month and money is at a premium. After canvasing the company he finally rakes up the necessary show-fare but in the meantime his agony of soul is supreme. For the heart-rending details apply to private Clary who plans to sell his "Embarrassing Moment" to the Chicago "Tribune."

Private 1st Class de Coux has fallen heir to the late Corporal Danielski's chevrons. Every one is pleased with Dick's promotion except the Privates 1st Class and the regimental supply force.

Private Atlee B. Ayres, of San Antonio, has been taking daily trips to the hospital in quest of treatment for his left foot. Ayres claims he dropped a balk on his dog but Staff-Sergeant McNally, our right reverend guardian angel of the mess-fund, maintains that Ayres is suffering from gout caused by the rich food purveyed and purloined for the Engineers by the aforesaid McNally.

First Sergeant Gensch and Corporal Blevins have returned from a three day trip to Atlanta. Judging from the symptoms of which the corporal complains we would not hesitate to state that he indulged a bit too freely in champagne but Blevins claims he has never tasted the famous bubbly water of sunny (?) France.

Private Caldwell is a fine example of pre-pauline Christianity. About a week ago ye scribe, overcome by the balmy air of spring, decided to take a shower, in spite of dire premotions as to the inadvisibility of his course. The bath was not fatal but ye scribe, who had forgotten his bath towel, shivered in fearful anticipation of pneumonia. Whereupon the early Christian spirit of Caldwell appeared. Instead of attempting to get a law passed penalizing people who take baths when not possessed of bath towels, he, the good Samaritan, ran to the barracks and returned with a towel in time to save ye scribe from shaking loose all his bridge-work.

An instance of divine retribution by means of an inanimate agent occured when Private 1st Class Perkins took advantage of ye scribe's absence to short-sheet his bed. While Perk was busy perpetrating this vile deed, Private Red Thompson, the Dyanshine Kid(proceeded to treat Perk's bunk in an even more outrageous manner. On his return from the movie's Perk's surprise was almost as excessive as his language.

29TH INF.

HQ. CO. FIRST BN.

We had a peaceful night's sleep last night, knowing the General Inspection was an event of the past. Sofar as we can learn everything went off as smooth as a top. The way every company in the Battalion worked no reason it shouldn't be O. K.

Among the new men recently transferred to this company are Pvt. Brown, B. E., from Co. "G" 10th Inf., Pvt. Campbell from How. Co., this Regt. Pvt. Strickland Co., "A" this Regt. All good men and we are glad to have them.

We understand Pvt. Campbell's making an excellent record on the Infantry base ball team.

Pfc. Duck will be discharged Wednesday, 6th. We are sorry to lose a man like him, he's a good duck and hasn't got web feet.

Cpl. Black has been granted fifteen days extension on his three-month furlough, we hope he will not want another extension.

Last but not the least we expect to have a fish fry in the near future judging by the number of men getting fishing permits, the Co. Commander is kept busy signing applications for permits.

JUSTICE.

HQ. CO. 2ND BN.

This company has landed in the cellar in the Battalion Baseball League after four good games played with only a little practice. After a poor start last week getting beat by "E" Company and them coming back strong by beating "G" Company we had high hopes, but payday came along and tell me how can anyone play baseball on or right after getting his 19¼? Then to wind up the playing both "H" Company and "F" Company gave us a beating, but better luck next year.

Corporal Biggerstaff has been appointed sergeant and also acting 1st sergeant, taking Sgt. Highsaw's job of running Hq. Company, which we know he can handle very well having acted in this capacity before. We are all for him and wish him good luck.

Pfc. Johann Ebbers and Pfc. James R. R. Johns have been appointed corporals, and the writer knows very well, that one of them is glad that there will be no more K. P.'s to pull.

Pvt. Charles Crankovic who has been on duty at the signal office for quite some time is being discharged per E. T. S. this week. We are all sorry to see Charlie go and wish him the best of success in civilian life.

Well general inspection this week and more news next week.

WILLIAM B. SMITH.

Pvt. Nas is in the hospital due to a sprain of his ankle received during the game with "E" Company last Sunday. We hope that he will be able for duty again soon.

Pvt. Ethridge is back for duty again after a short vacation in Cage City.

If Terry hadn't been thinking so much of a certain Columbus damsel, we might have won the game Sunday, ain't that right "wildthrow."

W. H. BIGGERSTAFF.

COMPANY "A"

Lieutenant Reeder has recently been assigned to Company "A." The enlisted personnel of the company wish to take this opportunity to assure Lieut. Reeder of a most hearty welcome.

One "G. I." General Inspection completed this week and no casualties reported as yet. We honestly believe we could stand one of those things every week (perhaps).

Schrieber, Skelton, Harper, Earle and Sheriff, J. have returned from furlough. All report having had an enjoyable time but as usual all seem to be very anxious to get their ration checks.

SNOOKS.

COMPANY "B"

Unfortunately the news reporter for this company is sick in the hospital and the 1st Sgt. is so busy doing nothing he cannot take time to think of news notes.

As usual this company looked "tip-top" for the General Inspection. Sgt. Humphrey worked day and night to keep the mess hall in first class condition, so now he plans on taking a furlough.

COMPANY "C"

We are all through with the General Inspection so bring on your next war, we are ready for it.

Corp. Ladico was discharged the 2nd, Detroit bound from last reports.

"Mick" Sullivan was also discharged, on the 3rd, but he left for Chicago.

Three other men from this company were discharged for various reasons, Pvts. Beach, Shields and Westbrooks.

Our company is certainly coming up the line, we have aviators and everything in our outfit. Pvts. Issacsons and Smith, G. W. are waiting for their flying machines to come from Washington. These men asked the A. G. O. via personal letter for particulars about the Air Corps as they were interested in it.

Our Base Ball Team is the champion of the 1st Battalion.

Volly Ball seems to have taken this company by storm, all the prize fighters and bag punchers, etc., have taken it up.

Sgt. Blodgett, our handsome Luke le Blond has been discharged, we wonder if he is going to re-up.

Pvt. Ben McGilvray has the honor of winning the, that company prize—the pool cue.

JOHN L. BIGGERSTAFF.

COMPANY "D"

Doveard Speer, one of our recently re-enlisted men returned from furlough the other day looking healthy. He said that he enjoyed himself while he was away but we notice that he returned about two weeks early.

We know it on pretty good authority that two of our local acting N. C. O.'s will soon be wearing stripes. Now we are placing our money on Bob Mooar and Stendlej Belic to win the next two corporalcies in "D" company.

We are anxiously awaiting word as to whether the Twenty-ninth Infantry will be needed in the battle of Shanghai. McGaha says he knows all about battles because he fought and won the battle of Sixth avenue.

Last Sunday was certainly a banner day in the kitchen with eleven K. P. S. running around the kitchen.

Papke has returned from furlough filling a long felt want in the kitchen. Creamed beef on toast coming up.

It is rumored that Pat O'Donoghue while downtown at the Big Baptist banquet after he had emptied a dish raised it aloft in the air and raised a plaintive howl for "Table Waiter."

When the company commander asked a certain recruit in this company why he was leaving the recruit, replied that he preferred civilian life.

GEORGE R. BECKER.

COMPANY "E"

Our famous Illinois State Leaguer (Adcox) got a homerun against the Second Battalion Headquarters Company the first time he has a ball since coming to this part of the country. Keep up the good work Adcox.

Our company baseball team has got off to a good start. Two games in a row. Company "F" and Headquarters Company, Second Battalion. Fat Franz was the star in both games.

The Company has completed the record bayonet course with the exception of the school boys who will run it March 29, 1927.

We are high company in the regiment at the presen time. Have six NCO's going to school and we have only one man to qualify to hold first place in the Regiment.

Our First Sergeant H. Davis seems to continue to beat the boys at (Athletics) out on the bayonet course.

I. M. YARBROUGH.

COMPANY "F"

News From Panama:—

First Sergeant Robert H. Axford of the Twenty-Fourth Pursuit Squardon, A. C., France, Panama, having completed thirty years active service was placed upon the retired list and sent to his home from Panama. 1st Sgt. Axford first enlisted at South Bend, Indiana, April 24, 1901 and was assigned to Company "F" 29th Infantry. Company "F" has had many honored and distinguished soldiers on her rolls. The company congratulated 1st Sgt. Axford o nhis retirement. We wonder how many of the present company will complete their "thirty years?"

The bayonet course was a surprise to all—Many came but fed qualified. Lt. Rothermich " lead the way" but, try as we did, not a 100% qualification was secured. (?) (!)

Company "F" grasped of fa little too much when we tried t show the Col. HS how that little game called "baseball" was played. We were beat fairly but firmly—but watch out return game.

One of our old reliables is coming back to the fold. "Short Wilkinson," our mechanic "de Luke" has taken on another hitch with his old outfit.

O. W. NELSON.

COMPANY "G"

Corporal Briglia is counting the days until he goes back to Phili. Before he leaves he says we will all have our picture hung in the recreation room providing his pencil lasts long enough. Angelo has been saving all the old needles and thimbles that the tailor threw away to start his business after he leaves for he does not intend to "remain."

Since little Coderre left private Woods has no competitor for the shortest man in the company. Since he lost his stool he cannot speak to Corporal Rowell.

Sergeants Swaney and Lackey have been looking for a good baseball catcher. Several have applied fr the job but none have come up to their standard. The successful one must have experience in some home town league. This is a good chance for a good fan to try out.

Rusty Wilson returned with a new growth of hair last week. He has learned the Charleston and fell in love while in Tennessee. Since Rusty returned, private Bloxom has a smile on his face after sixty days of gloom.

VAUGHN.

COMPANY "H"

Sgt. "Mike" Luteran has been appointed custidian of the Company lawns. When Sgt. Luteran was in charge of Recreation Room, he, it was who took interest in the setting and growing of flowers around the Company area. Now after several months he is enjoying the privilage of seeing the fruits of his labors.

Last Sunday, the two Mule Polo teams of the Company had a match game. Pvt. Chapin proved to be the only star of the game, by scoring the only goal of the game. The game was not quite as comical as could be expected, in that the mules performed as though they were veterans of the game. We would like to hear from some other Company, saying that they would like to play a game with our team.

For the benefit of that certain Company in the 1st Battalion, we would like to point out that it is the habit of this Company to do a job right, regardless of how long, or how much work it takes to do it.

Perhaps they have never been informed that "H" Company has a twenty-five year motto, "Always Ready," which has always been lived up to 100%.

Sgt. Craine in trying to find some way in which he could give his commands with more rhythm, has hit upon the following solution:

Squads East,
Squads West.
About Face,
Parade Rest.

Private John Graddick, who has been absent on furlough for the past three months has returned to duty. While on furlough, he visited friends in Florida, North Carolina, and Georgia.

The company baseball team won the first game of the Battalion League. They defeated the "G" Company aggregation to the tune of 5 to 0. The game was more interesting than could be expected. Meadows for "H" Company chalked up a couple of circuit clouts, one in the first, and one in the seventh frame. Pieters, who catches for the "We Lead The Way" team, also proceeded to park one. With the exception these and the wonderful fielding of Stephens at third, and the pitching of Pyles, the game was uneventful. For the "G" Company team, one might say that Unavage at third was the star.

The Sixth Squad of this Company, deserves to be written up for their splendid record in the Company Blue Pennant race. They have won the pennant for the third consecutive time. The winning of this pennant should mean a lot to the men who compose the squad. Just think what it means to be the "We Lead The Way" squad in the "We Lead The Way" Company of the "We Lead The Way" Regiment of the best branch of Service!

Our Acting First Sergeant, Sgt. Norbert L. Craine has taken up a very pleasant Sunday Recreation, that of riding. He has also come to the front as an Empire in the Battalion League. He Umpired a game last Saturday, and didn't get but one "growl," and that was in the last frame on the last out.

BERNARD B. SWAYZE.

MULE POLO IS THE LATEST SPORT AT BENNING

Noted as Fort Benning is for the variety of sports prevalent there, still another has been added to the list. Sunday afternoon, between periods of the regular Post Tournament Game, an exhibition was given by two Mule Polo Teams from "H" Company of the Twenty-ninth Infantry.

Although there were many laughs enjoyed by the spectators over the idiosyncrasies of the famous Army Mule when engaged in this sport, the two teams showed up excellently in their knowledge of the game, considering that neither men nor mules had ever played the game before about three weeks ago. There was excellent hitting done by several members of the team, Private Chapin doing especially well and driving the only goal of the game. Private Blackmon was very strong on his defensive back shots, clouting the ball clear or the scrimmage several times for long tries.

The teams consisting of Enlisted men of Company "H" were composed as follows: Rumrunners: Chapin, Blevins, Jackson, and DePratt; Bootleggers, Whittington, Minor, Ballard, and Blackmon.

Company "H" is commanded by Captain F. G. Herlihy. The team was organized and trained by Lt. Adams of the Twenty-ninth team.

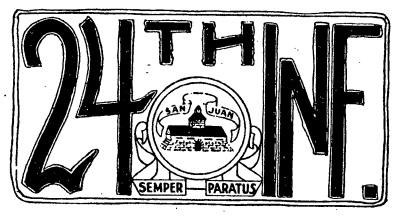
Ride 'Em Doughboy



Roberta Dodd Crawford, a Colored lyric soprano will give a concert at the 24th Infantry Theatre on the 18th inst. Mrs. Crawford has spent many years in the study of music and the training of her voice. She has received instruction from the best teachers available and now possesses an excellent lyric voice of natural pleasing quality, good range and vocal control.

In her former concerts she has rendered selections in German, French and Spanish as well as in English. The German group contained numbers by Bach, Schubert, Schumann, Brahms, and encore by Beethoyen. The French numbers were from the Operas "L'Africaine," and "Mireille." She sang these songs with taste, delicacy, and with fautless diction.

The concert on the 18th at the 24th Infantry Theatre will be open to the public at the nominal admission charge of 75 cents for officers and 50 cents for enlisted men.

PISTOL PRACTICE

Pistol target practice began in the 24th Infantry with the first day of this monh. The schedule requires all firing o be completed before the 30th.

All men who did not qualify at least as sharpshooters during the last target season or who have not fired the pistlo record course are required to fire this year. A special range has been constructed in the 24th Infantry area by the Regimental Supply Officer, Captain W. B. Wilson. The whole day is being devoted to instruction so that each man will receive thorough and complete training. Captain Paul E. Leiber is in charge, and is being assisted by Captains Walter T. Scott and John C. Newton.

Company "A" 24th Infantry gave a dance to the enlisted personnel of the regiment on Wednesday evening, March 30, 1927, to which all married men, their wives and a few single men were invited. The Service Club of the 24th Infantry was used for the occasion. About 150 persons were present. Music was furnished by Staff Sergeant Louis A. Scipio and his orchestra.

First Sergeant Marshall Johnson was responsible for the way that all details were handled. Sergeant Pearl Johnson, who has been a cook and mess sergeant for the last 20 years, was in charge of the refreshments which consisted of sandwiches, salad, ice cream, cake and punch.

Daily Trips to Fort Benning

Be sure to remember our Easter Egg Hunt April 18th!

Last Firday, we had a pleasant surprise. Miss Lind, one of our teachers who is spending the winter in Florida, came to see us, needless to say, we were delighted.

Peggy Kemper, who has attended our seventh grade while she visited the Post, left Monday for San Francisco, to sail to the Phillippines. We hope she will come to see us agin.

MARCH HONOR ROLL

Kindergarten — Mae Elkins, Bobby Gent, Ben Norris.

Low 1st—Sarah Alexander, Ruby Davis, Glenn Gray, Buddy Piburn, Jeff Smith, Raymond Gammon, Gordon St. Clair.

High 1st—Robert Ballard, Victoria Bigham.

Second B.—Charlotte Baxter, Betty Jane Campbell, Frank Davis, Lloyd Jones, Hattie Lu Rogers, James St. Clair, Lora Marie Hoover.

Second A.—Henry Bootz, Jean Fales, Lamar Havard, Ernest Peterson, Russell Wall, Fred Bigham.

Third—Carl Browning, Edwin Butcher, Doodrow Deffelrio, Elfie Green, Hope Hildreth, Helen Rodgers, Guy Williams, Arch Hamblin.

Fourth—Charlie Heldreth, Harrison MacGregor, Idalee Baxter, Willis Buckner, Ruth O'Neal, Maggie Pratt.

Fifth—Martha Ruth Young, Marcus O'Neal.

Sixth—Betty Butcher, Sarah Stokley, Barbara Mary.

Seventh—Jack Hall.

ARITHMETIC

2nd B.—John Abbadessa, Charlotte Baxter, Madeline Cantrell, Frank Davis, Lloyd Jones, Jesse Dale, Mac Gregor, Dorothy McGuire, Hattie Lee Rogers, Lucy Ann Schneider, James St. Clair, Lora Marie Hoover.

2nd A.—John Crawley, Lamar Howard, Sara Hurdis, Jiminie Hyde, Catherine Mary, Jerry McMohon, Kenneth Mickelwait, Ernest Peterson, Russell Wall.

3rd—Louis Lim, Julia Johnson, Jimmy Bollard, K. L. Berry, Billy Howder, Gertrude Kurtz, Helen Rodgers, Billie Brier, Elfie Green, Arch Hamblin, Paula Peterson, Guy Williams, Everill Hurdis.

4th—Idalee Baxter, Sammy Card, Kathleen Gowen, Allene Brown.

5th — Guila Chunn, Martha Ruth Young.

Ye Olde Printe Shoppe Gossip

Privates Ocie C. Bicknell, Adalbert Traut, John E. Middleton, William K. Edman and Casimir J. Rolka were detailed to the Print Shop on March 24th. Judging by the way they do their work they are going to be a great help towards finishing the rush work in the shop.

The gang don't seem to have the ambition for baseball this year that they have in the past. It must be the high price on uniforms — surely we have plenty of fine material for a great team. The "Whirlwind Twirler" (Pvt. Norwood) is still with the shop. Any one wishing to purchase this man may do so for the price of one bus check.

Anyone in the shop wishing the job as writer of the notes will turn his name over to the shop foreman.

Before long we expect to see White wearing two stripes. Surely he deserves them and we are all glad to have such a fine man as one of our non-coms.

"Buck up, Willie! Arnold isn't coming back no more."

Utilities

After a long and steady grind, the old sawmill is about to break even with the bill of material for the 83rd Field Artillery stables. Three hundred thousand board feet of lumber had to come from the mill for this job, and quite a large pile of sawdust has been accumulated in the process. We are not completely finished, but are "over the hump."

Mr. J. J. Kirk, lineman of this department, had the misfortune of being knocked from the top of a ladder by coming into contact with a high voltage power line. This occurred on April 2nd while Mr. Kirk was working at the filter plant. He fell thirty feet to the concrete floor of the plant, but fortunately suffered no injuries from the fall. His arm and hand were severely burned by the current, but the medical authorities tell us that he will be out and about in a short time.

Rail Transportation Branch

Machinist Stuart Brown left Friday for Fort Bragg, N. C., acting as messenger in charge of a Vulcan saddle-tank type locomotive that is being transferred to that station. This locomotive was recently transferred from Muscle Shoals, Alabama, and was reconditioned at Fort Benning railway shops prior to shipment.

"Deacon" Ben Jenkins of the dusky crew at the roundhouse is a free man again, thanks to his excellent reputation as a model "pillar of the church." Friday night Uncle Ben was meandering along the Glade road pondering on the wickedness of the world and devising ways and means of flaying the evil one, when a Ford car drew up beside him and the young man driver invited him to ride. They had proceeded only a short distance when they were stopped by the county officers who, upon searching the car, discovered a gallon of "white mule." Of course Ben was carried in and confined with his companion until his innocence of complicity to violate the oVlstead Act was thoroughly established. Now he reiterates vehemently that never again will he be so kuick in accepting offers of rides from strange men.

OFFICERS' CLUB HORSE SHOW BALL

A dinner dance will be held at Biglerville mess hall on Friday evening, April 22nd, at 8:00 P. M. Price of dinner per plate $1.25.

Dancing from 8:00 P. M. until midnight.

Accommodations for 200. In order to give as many people as possible an opportunity to entertain, no one person will be allowed to have reservations for more than fourteen (14) plates.

Reservations may be made by phone or in person beginning at once at the club office, phone 51.

Cancellations or change in number of reservations may be made up to 12:00 noon Tuesday, April 19th, 1927. Any places continuing on reservation list after that time must be paid for whether actually used or not.

No table decorations will be furnished in the shape of flowers, etc., but hosts supplying items of this kind can arrange to have them put on the table by calling Mrs. Kilburn at the Biglerville mess, phone 386.

Hosts are requested to ask their guests to be on time as parties arriving late delay the serving of the dinner. Parties arriving late will not be served with any course that has been completed.

The serving of the dinner is usually over about 10:00 P. M. From then until midnight it will be a regular dance to which all club members are invited.

FREEBOOTERS WIN FORT POLO TITLE

Major Smith's Quartet Wears Crown Following Victory Over Students. Gunners Beat Doughboys.

By HENRY AVERILL

For the second successive season the Yellow Jacketed Freebooters, led by Major H. J. M. Smith, are champion poloists of Fort Benning, as a result of their 6 to 5 victory yesterday over the Students in the final game of the garrison championship and Dierk trophy tournament, played on Shannon Field. The Galloping Gunners of the 83rd Field Artillery won the consolation cup by defeating the Mounted Doughboys of the 29th Infantry, 6 to 4, in the eyeopener.

With their only chance at the trophy depending upon their ability to defeat the Freebooters by ten goals, the Students played desperately and forced the Yellow Jackets to the limit, but the team led and coached by the doughty cavalry major proved its mettle by overcoming an early Student lead and winning out in the final chukker. Competent observers declared it the best exhibition of the mounted croquet game staged at the fort this year.

At the conclusion of the afternoon's play Brigadier General Edgar T. Collins, commandant of the Infantry School, presented the Dierk trophy to the Freebooters and the consolation cup to the Artillerymen. Led by Major Smith, the assembled poloists of the garrison gave three lusty cheers for the commandant to compliment him on the support he has lent the polo games throughout the season.

Students Take Lead

Although the Freebooters scored the only goal of the first chukker, the Students came back strong in the second period and by scoring three goals took a decided lead over the Jackets. Elkins made two of the tallies. In the third stanza the Green Shirts continued to press their attack and added another, to lead 4 to 1 at the half time intermission.

The Freebooters, not to be daunted, came back with a rush at the opening

NOTRE DAME AND DOUGHBOYS IN THREE GAME SERIES; PLAY SECOND GAME TODAY

Opener Played Yesterday at Gowdy Field. Visitors Are Coached By "Big Ed" Walsh

Notre Dame's crack college base-ball team opened a three game series with our own Fort Benning Doughboys yesterday on Gowdy Field. The visitors had originally scheduled only two games with the Infantrymen, but as they arrived a day earlier than expected, it has been arranged to make the set a three-time attraction.

The Fighting Irishmen are coached by "Big Ed" Walsh, famous exponent of the spitball, who won something like 44 games in one season while Fielder Jones was manager of the famous "Hitless Wonders," who represented the Chicago White Sox way back about 1906 and 1907. On the Irish squad is "Young Ed" Walsh, son of the veteran mentor, and the youth is a pitcher of renown. Fans may recall that he hooked up with Wee Grady Tolle last spring in one of the most thrilling battles of the year and lost to the Infantrymen, 2 to 1. This year the scion of baseball nobility is said to be ready to show a fine brand of pitching, and according to advance reports, one of his highest ambitions is to square accounts with the lads from the City of Musketry.

Besten, another Notre Damer, who performed at Benning last year, is still on the hurling staff and is extremely anxious to take a crack at the Doughboys. The infield will be composed of Quinn or Wilson at first base; Sullivan, son of old Billy Sullivan who used to receive Big Ed Walsh's slants in the balcyon days of the Sox, at second base; Niemic, a gridironer of note or Kelly at third base, and McCleary or Sthroll in the shortstop berth.

Guarding the outer works will be Poliski, Boyle and Yore, all athletes of proven ability. O'Boyle will be remembered as one of the main cogs in last fall's Notre Dame football machine.

Against the strong array being brought here by the invading Sons of Erin, the Doughboys will present the lineup that has played such fine baseball all spring.

DESIGNATION OF MANEUVER CAMPS

The maneuver camps, which will be maintained for the period May 17-25, 1927, are officially designated as follows:

At Harmony Church—Camp Egbert—In honor of Colonel Harry C. Egbert, who, as first lieutenant 12th Infantry, wounded at Cedar Mountain, Virginia, August 9, 1862 and again at Bethesda Church, Virginia, June 3, 1864; and as lieutenant colonel 6th Infantry was wounded at San Juan, Cuba on July 1, 1898, and who as colonel of the the 22nd Infantry was killed at Melinto, Philippine Islands, March 26, 1899.

At Sulphur Springs—Camp Liscum—In honor of Colonel Emerson H. Liscum, who, as first lieutenant 12th Infantry, was wounded at Gettysburg on July 2, 1863; as lieutenant colonel 24th Infantry was wounded at San Juan, Cuba July 1, 1898 and who as colonel 9th Infantry was killed at Tientsin, China, July 13, 1900.

ANNUAL TRANSPORTATION AND HORSE SHOW TO BE HELD ON APRIL 23RD

Largest Number of Entries and Events in Any Show Yet Given. 6th Cavalry Team to Take Part

Beginning on the morning of Saturday April the twenty-third and continuing throughout the day Fort Benning will present to the public its annual Transportation and Horse Show. The Show itself is one of the largest that the Infantry School has ever had. Twenty-one classes and four hundred and twenty-eight entries make up the program.

The general public will be admitted to show without charge and a very large crowd is expected to attend. Fort Oglethorpe will send a team of Officers and ladies to compete with Benningites in the equestrien art. There will also be representatives from Augusta, Georgia, with whom the Infantry riders have competed in the Augusta Horse Show. Among the different events in the various classes are, Ladies Hunters and Ladies Green Hunters, Officer's Hunters, Polo Bending race, two Children's Pony events, Enlisted Men's Jumping, Pair Jumping (officer and lady). There will also be shown all kinds of Motor and Horse drawn transportation together with the showing in competition of Machine Gun and Howitzer carts and equipment. The winner of each event will be presented with a handsome trophy by the Commandant. The trophies have been donated by Columbus merchants and also by some of the larger concerns over the United States with whom the Army has done a great deal of business. The INFANTRY SCHOOL NEWS has donated a trophy for the Enlisted Men's Jumping event.

The show will be given in Doughboy Stadium and will commence at 9:00 A. M. sharp. This exhibition of skill in horsemanship and beautiful animals will be a real treat for all of the garrison and for Columbus people.

DOUGHBOYS LOSE TO OGLETHORPE IN FIRST OF TWO GAME SERIES

Two Additional Sessions Required Before Close Contest is Decided. Shepard of Oglethorpe Stars With Four Sacker

By Lt. Geo. L. Potter

As had been predicted, the first of the Infantry-Oglethorpe baseball games proved a struggle between two very evenly matched clubs. In fact so evenly matched were they, that Friday's game could not be settled in the customary nine innings, and two additional sessions were required before reaching a decision. The game was finally finished in gathering darkness with the visitors leading 9 to 7.

Oglethorpe's left fielder, Shepard, was responsible for the ultimate re-

THEATERS

FRIDAY APRIL 15

"A Kiss In A Taxi," starring Bebe Daniels, who so cleverly featured in Brewster's Millions, The Campus Flirt and Stranded In Paris. This is a rapid-fire French farce in which a pretty cafe waitress who becomes involved in numerous love affairs, always battling her way 'mid successive showers of broken glass. Scenes are located at the Cafe Pierre in the Parisian Montmarte and the palatial interior of a classy French home. The picture promises a succession of laugh climaxes without a dull moment.

"Baddedly Rose."—Mable Normand.

SATURDAY APRIL 16

"The War Horse," featuring Buck Jones and his faithful steed in seven reels of equestrian life during the World War. This story written by Buck himself is his own tribute to the horses, who served, suffered and enacted heroic deeds during the great conflict, over seas. A pleasing romance binds the threads of action.

"Babes in the Jungle."—O'Henry.

SUNDAY APRIL 17

"Casey At The Bat," starring Wallace Beery with Ford Sterling in a keen comedy laugh-ifying America's National past time. Imagine Beery, slightly befogged because a beer wagon has broken down near the ball park; he wins himself a big league contract by knocking a home run with one hand while holding a stein of beer in the other. Pretty chorus girlies and a combination of intricacies will send you home weak from laughter.

"East Is Best,"—K. Kat.

"Pathe News."

MONDAY APRIL 18

"Just Another Blond," featuring Dorothy Mackail, Jack Mulhall, Louise Brooks and William Collier, Jr., in a human interest drama of life's soaring hopes and the crash to disaster. Aviation and the poker table feature in this picture.

"Pleasure Bound,"—Mermaid Comedy.

TUESDAY APRIL 19

"The Silent Rider," a Hoot Gibson whirlwind of excitement, action and clever horsemanship. This is the thrill crammed tale of a fighting cowpuncher, who won an outlaws wife. The tale sparkles with laughter.

"The Hug Bug."—Glenn Tryon.

WEDNESDAY APRIL 20

"The Show," starring John Gilbert with Renee Adoree and Lionel Barrymore in a vivid picture from the novel by Charles Fenney Jackson. In this play the mystic acts of Herrmann and Houdini are revived; strange-headless ladies float in the air, odd creatures appear in amazing tricks of famous magicians. John Gilbert has his head cut off. The scene is laid in a Budapest side show, called The Palace Of Illusions.

"Hanging Fire."—Cameo Comedy.

THURSDAY, APRIL 21

"Wings Of The Storm," featuring Thunder, the German Police Dog, and William Russell in a touching story of a girl, a man and a dog. The film contains pathops, thrills and comedy. Mount Rainier is the background for this drama.

'Pathe News."

FRIDAY, APRIL 22

"Let It Rain," starring Douglas MacLean, the laughsmith, in six reels of spine jolting comedy. As a Marine MacLean gets into all the trouble in the world when he falls in love with a pretty girl, he goes A. W. O. L. to see her, and saves the U. S. mail; the girl and the honor of the Marine Corps in one of the wildest funniest chases that's been projected on the screen.

"Fair Warning."—Mermaid Comedy.

A THEATRE PARTY OF MERIT

Company, 29th Infantry and Headquarters Company, 2nd Battalion, 29th Infantry on Thursday evening April 7, staged the liveliest party of the season. They reserved 165 seats at the Main Theatre, filled them all, and saw Tom Mix in "The Last Trail." During the intermission these companies were privildedged to run the show and they ran the house. 165 sets of vocal cords raised the heavy theatre roof with military melodies. Then, to cap the climax two vaudeville comedy artists mounted the stage, Pvt. Joe Passarelli deftly fingered the guitar and tooted the cazoo, while Pvt. Homer Settle drew the eyes of the audience by staging his latest dance, The Alabama Shuffle. A soldier in the rear of the house remarked, "Gee! I wish I belonged to that outfit, they sure have a good time." Captain Dager and Lieut. Nichols are to be complimented upon the espirt of their organizations.

IN THE PEN

Chaplain (to Provost Sergeant)—"I should like to address the prisoners next Sunday morning."

Provost Sergeant—"Sorry, sir, that isn't included in their sentences."

When customers ask our advice about the gut we use in stringing tennis rackets, here's our answer:

"Armour's gut is used and recommended by all the great professionals, including Jock Soutar, George Agutter, William Croker, William White, Otto Glockner, Harry Cowles, Harvey Snodgrass, William Hinchliff, Edwin Faulkner, Henry Boakes, Sr., W. S. Gray, Walter Westbrook—Professionals who all agree that for durability, resiliency, and all around wear, in all sorts of climates, it cannot be beaten!"

* * *

Captain and Mrs. Wm. C. Chase gave a dinner at the Log Cabin on Friday evening before the Country Club dance. The guests were Captain Kennedy, Miss Edna Griswold, Captain and Mrs. Sterchi, Captain and Mrs. Arthur E. Brown and Major and Mrs. Spiller.

WHY NOT MAIL THE NEWS HOME?

HUMES for MUSIC

MRS. GEO. MURPHY, MAJOR BUTCHER WIN

Fort Benning's mixed foursome 18-hole handicap medal play tuornament was won yesterday by Mrs. George Murphy, of Columbus, paired with Major Edwin Butcher. They had both the low medal and the low net score. They negotiated the eighteen holes in 91 strokes, which with ahandicap of 20, gave them a net score of 71. Mrs. Warren J. Clear and Captain G. A. Corbin were second with 92-19-73.

The first prize, $10.00 worth of golf goods at the fort Golf Shop was awarded Major Butcher and Mrs. Murphy; while Mrs. Clear and Captain Corbin won $5.00 worth of golf goods.

After the completion of the tourney play refreshments were served at the club house, and Lt. Colonel Singleton presented the prizes with a few appropriate remarks.

AND THEN SILENCE

"Are you still engaged to that homely Smith girl?"

"No; I'm not."

"Good for you, old man. How did you ever get out of it?"

"Married her."—Kansas City Star.

Propaganda Searchlights

From the War Department Weekly Press Review we find this very interesting article from the Seattle Times:

Another proof that propaganda will play an important part in future wars comes from the laboratories of the General Electric Company at Schenectady, N. Y. A long-range searchlight, capable of projecting pictures and writing on clouds or buildings, has been perfected. Its outward appearance resembles a naval cannon with its tapering barrel. It would be possible to construct an instrument which could cast an image on a cloud or other object at a distance of five miles.

It is likely that some such device would have been used in the World War for projecting pictures and writings designed to break down the morale of the Germans, had not that historic struggle ended when it did. The Allies were hard pressed to find means of getting their propaganda literature to the enemy soldiers, so some bright mind thought of building a gigantic magic lantern."

24TH NINE BEATS TUSKEGEE TWICE

The series of two basketball games played at Gowdy Field between the 24th Infantry and Tuskegee Institute on Monday and Tuesday was won by the home team, which took both games. The first was the more hotly contested and was marked by excellent fielding by the soldier team. Although the visitors secured five hits they were held to 2 runs. Excellent batting and baseball knowledge of the military team enabled it to secure 6 hits and six runs.

The feature of yesterday's game which the 24th won, 13 to 8, was the exceptional fielding of King of the Sun Set soldiers. In the sixth inning he stopped a sharp grounder and with unusual accuracy threw the ball to second base in time to put out the runner. With three men on base in he eighth inning he caught and played a fast grounder in such a way that the runner on third was unable to get to the home plate.

24TH INF.

Captain Harry M. Gwynn has joined the 24th Infantry. He reported for duty from Guatamala where he has been stationed as military attache to that country and Nicaragua for the past four years. His present assignment is with Company "L."

24TH INFANTRY QUARTETTE ENTERTAIN

The patrons of the War Department Main Theatre were afforded unusual entertainment last Sunday evening by the 24th Infantry Quartette singing Negro spirituals. The rendition of this type of songs is exceptionally well done by the soldiers of the 24th Infantry. On many Wednesday afternoons the whole regiment is assembled in the Service Club for mass singing. Sunday evening's performance was typical of these gatherings.

The quartette consisted of Fendall Williams, first tenor, Willie B. Wood, second tenor, George Brown, baritone, and Alfred Williams, bass. The selections given were "The Rosary" "King Jesus is listening" and "No Body Knows the Trouble I've Seen."

Those interested in hearing more of this kind of singing are welcome to attend the regimental formations on Wednesday afternoons at 1:10. Definite information may be secured from the regimental adjutant regarding the days on which these assemblages occur.

On next Monday afternoon they will sing at the special Easter program at the Girls Club rooms in Columbus at 4:00 o'clock. The program will be "King Jesus is A'listening" "Toll the Bell" "Eileen," "Hand Me Down the Silver Trumpet."

24TH SOLDIERS ENTERTAINED

The Smart Set Club consisting of maids employed by officers in Block 14 entertained the soldiers of the 24th Infantry with most enjoyable dance last Monday evening. The affair was held in the 24th Infantry Service Club which had been attractively decorated for the occasion. Mrs. Sallie K. Bennings made a address of welcome and expressed thanks for the courtesies the Colored maids had received from the men of the regiment. Colonel Johnson replied stating that he was heartily in favor of all recreational features conducted in the garrison and was pleased with the cooperation of the maids towards that end.

Special features of the evening were a Grand March let by Corporal Jesse Mayes of Company "C" and Mrs. Bennings. Private William Gilliam of Company "H" and Miss Mary Brown won the prize for the best waltz.

The personnel in charge of the dance was as follows: Soldier's Committee Sergeant George Jones, Company "H," Corporal James McCrary, Company "I," Corporal Harvey Brown, Service Company. Sallie K. Bennings, was President of the maid's club and Ethel Faulkner, was chairman of the dance committee. The arrangement committee consisted of Willie Lee, Willie Prey, Hattie Ramsey, Hazel Douglas and Queen Murray. The reception committee was Buela Chattman, Mamie Blake, Johnie Mae Alexander, Elenana Roper, Maggie McGuire, Susie Chairs, Ruby Judkins, Ruby Goodmans, Aimie Ma Turnner, Ambly Peterson, Annie Bell Blanch, and Nancy Mittchee.

RETORT COURTEOUS

Co-ed—"Two weeks ago I refused to marry your brother, and he has been drinking heavily ever since."

He—"Yes, he's the kind of a fellow who never knows when to stop a celebration!"—Penn State Froth.

BATTALION IN ATTACK NEXT WEDNESDAY

The second of the big firing problems which are scheduled for the students each year, will take place next Wednesday morning. This exercise, which is that of a "Battalion in Attack" will be under supervision of Major C. P. Hall, 1st Section of the Infantry School.

The exercise will demonstrate the proper distribution of troops, employment of supporting weapons and general conduct of a battalion attacking in actual warfare. One battalion of the 29th Infantry, the 83d Field Artillery, Howitzer Company, 29th Infantry, one platoon of tanks from the 15th Tank Battalion, the 1st Gas Regiment and the 12th Observation Squadron (airplane), all will participate in the exercise.

At the beginning of the demonstration, the 83rd Field Artillery, from selected positions, will fire a barage on the enemy until just prior to the time of attack. At that time the barrage will lift, enabling the attacking troops to press forward. As the artillery fire is raised to more advanced locations, the assault companies advance, covered by fire from the artillery, machine guns, 37mm guns and Stokes mortars. Smoke screens are laid by the air service in order to screen the attack. From this period in the exercise, the assault progresses until the final successful effort in which the tanks participate.

The demonstration, with that of a "Battalion in Defense," which was staged yesterday, is considered the most complete of any of the Infantry School firing problems. The entire demonstration can be seen by the students and spectators, and is well worth attending. The exact starting time for the demonstration has not yet been announced but will probably be about nine o'clock.

24TH INFANTRY HONORS RETIRING SOLDIER

Upon the completion of 30 years of honest and faithful service, Master Sergeant Milton A. McCrimmon, Service Company, 24th Infantry, was retired by the War Department at Fort Benning last Tuesday. In appreciation of his long and excellent service the 24th Infantry held in his honor a regimental parade and a banquet in his honor. The repast was given in Mess Hall No. 5 and was attended by all the officers and noncommissioned officers of the regiment. Master Sergeant Jesse Warfield was the toast master and the dinner was prepared under the supervision of Mess Sergeant William Ellis.

A beautiful railroad type Hamilton gold watch and chain was presented to him by the Regimental Commander, Colonel Wait C. Johnson. "Sergeant McCrimmon, the regiment gives you this watch in recognition and appreciation of your service" said Colonel Johnson. "Your record is one for the men new to the Service to emulate. Your high ideals and proven ability as a competent soldier should be the desire of all soldiers." Sergeant McCrimmon replied expressing thanks for the gift and stating that he was especially pleased that the regiment had given him a watch as in the future it regularity would remind him of the Army and the number of times he looked at it would remind him of his friends. Addresses were also made by Lieutenant Colonel Jason M. Walling, Captains A. L. Hamblen, R. Q. Whitten and Chaplain A. W. Thomas.

POINT PROVEN

"You say you come from Detroit," said the doctor to his fellow passenger; "that's where they make automobiles, isn't it?"

"Sure," replied the American with some resentment; "we make other things in Detroit, too."

"Yes, I know," retorted the doctor; "I've ridden in 'em."—Store Chat.

BARRACKS BANTER

By Ad.

Ancient History:—"———an obscure Russion chieftian mastered Mongolia, even to the gates of Pekin, and then turned and swept Asia and Europe to the Dnieper River, with the sword——"——That was Genghis Kahn.

Modern History:—"———alleged emissary of the Soviet Government, credited with the organization of what is known as the Cantonese Communist Party——(Kuomintag—which has conquered China to the Yangtse and is now headed for Pekin——"——That is Borodkin.

* * *

If you would read the future right——peruse the past:

* * *

Johnny Buck's Lament:

The transport's got it's orders——all th' gobs have packed their bags, And th' hawser-lines are strainin' at th' pier;
Gangways tremble with the beat—and the surge, of hob-nailed feet,
While th' creakin' cranes are loadin' guns an' gear;
For th' clouds are black as thunder, down along th' China Sea,
Where th' Yellow Dragon's yawnin' on th' lazy Yang-tee,
And th' Devils are sailin' with th' tide,
Lucky devils——lucky dogs——
Oh, you lucky Devil Dogs.

There's raw, reek of powder on th' whisperin' western wind,
And a throbbin', rumblin' thunder on th' air;

There's th' scent of smokin' cities and th' howl of maddened mobs,
For th' Yellow Dragon's wakened from it's lair;
Stirred th' arid dust of ages——wallowed in a wanton spree;
Dragged a ruddy trail of rapine down th' windin' Yang-tee,

And th' Devil Dogs have stripped to fightin' gear.
Lucky devils——lucky dogs——
Oh, you lucky Devil Dogs.
There's been slinkin' snippin' murder on th' yellow Yang-tee;
Where a saffron crew has knocked th' white man's gods,
And th' smoke-clouds of the war-boats thicken on th' China Sea;
Frownin' guns alert with eager grimy gobs.
'Tis th' age-old Yellow Peril——grinnin' ghost of Genghis Kahn——
Ancient echoes of an epoch, that must never come again,
And th'Devil Dogs are off to see th' fun.
Lucky devils——lucky dogs——
Oh, lucky Devil Dogs.

Lucky devils——lucky dogs; Oh, you lucky, lucky dogs,
Sailin' off to lay th' ghost of Genghis Kahn;
While we must watch and wait——howl at fats——hesitate;
Envyin' lucky dogs, who love to fight—and can.

"Th' way some of these wimmen keep talkin' all th' time," observed old Ezra Cottontop, "I reckon when they die th' undertaker will have to kill their mouths sep'rat'ly with a stove poker."

HIS GREAT DISPLEASURE

The maid had been using surreptitiously the bath tub of her employer, an elderly bishop. He was a bachelor, very fastidious about his toilet, and desired the exclusive use of his tub.

He reprimanded the maid with much indignation:

"What distresses me most, Mary, is that you have done this behind my back."—The Santa Fe Magazine.

EASTER AND GOOD FRIDAY SERVICES AT THE PROTESTANT CHAPEL

Plans are being made to observe Good Friday and Easter with appropriate services in the Protestant Chapel.

Good Friday services, Friday, April 15, 4:30 o'clock.

Easter services, Sunday, April 17th, 10:30 o'clock.

Thoroughly Captured:— A man who was wanted by the police had been photographed in six different positions, and the pictures sent to the chief of police of a provincial town where it was thought likely the fugutive was in hiding. After a lapse of a few days the following reply reached headquarters:

"Sir: I duly received the portraits of the six miscreants whose capture is desired; I have arrested five of them, and the sixth is under observation and will be secured shortly."

GOOD FRIDAY AND EASTER PROGRAMS AT FORT BENNING

Good Friday and Easter Services will be held at the Protestant Chapel. The Infantry School, Fort Benning, Ga., on Friday afternoon at 4:30 o'clock, and 10:30 o'clock Sunday morning.

The Good Friday program will include special solos by Mrs. Leonard R. Boyd, accompanied by Mrs. Edwin Butcher; and special selections by the 29th Infantry Orchestra.

Rev. William J. D. Bardeleben, pastor of Grant's Park Methodist Church of Atlanta, Ga., wil preach the Good Friday sermon. Mr. DeBardeleben, in addition to his pulpit ability, weilds a facile pen as a writer. His articles have appeared in the Sunday American newspaper of Atlanta for several years.

It is expected that a large number of the Infantry School command will avail themselves of the privilege of hearing this prominent minister, and these musical artists Friday afternoon ata 4:30.

EXTENSIVE PLANS FOR THE EASTER SERVICES BEING MADE

For several years the Easter Services have been the best attended of any on the Protestant Chapel calendar. It is believed that the exercises this year will surpass any thing attempted in the past four years.

Under the supervision of representatives of the Woman's Chapel Guild, the chapel will be beautifully decorated with greens from the forest and potted plants from the Green Houses of Columbus, Ga.

The program will begin promptly at 10:30 Sunday morning, and will include the rendition of a duet, "Easter Song," by Mrs. Edgar S. Miller and Mrs. Leonard R. Boyd, accompanied by Mrs. Edwin Butcher; anthem, "Unto the Perfect Day," and "Ye Choirs of Jerusalem," by choir of twelve voices.

The personnel of the choir includes Colonel George W. Helms, Capt. L. D. Tharp, Capt. Harry L. Reeder, tenor; Captains, Holmes E. Dager, Raymond H. Bishop, Lt. George W. Smythe, bass; Mrs. Frank H. Partridge, Mrs. George L. King, Mrs. Leonard R. Boyd, soprano; Mrs. Jesse A. Ladd, Mrs. Edgar S. Miller, Mrs. Charles E. Hurdis, contralto; Mrs. Edwin Butcher, accompanist.

Fresh Cat Fish today at Wilders Cafe. 15 W. 10th St.

Place of meeting—Polo Club.
Date of meeting—First and Third Mondays.
Date of next meeting—April 18th.
Time of meeting—2:15 P. M.

It was the privilege of the Infantry School Woman's Club on last Monday to have an afternoon with a brilliant writer whose stories have been published in The Atlantic Monthly, The American and other magazines and whose verse has honored place in the American Poetry magazine to mention but one of the publications which willingly give space to what is signed by Mary W. Peyton—who, as every one knows, in our own beloved Mrs. Philip B. Peyton.

The program began with music two artistically executed piano solos—A Sonota in A Major and The Overtrue to William Tell, by Mrs. Stuart A. Beckley, a gifted pupil of Von Sternberg of Philadelphia.

Then Mrs. Peyton read "Witness for the Defense" a most appealing story of a young Tennessee mountaineer moonshiner who, to escape prison, fled from his beloved green-clad Smokies to find refuge and precious freedom among the ternal snow-capped-peaks of Alaska. His compassionate love for "dumb critters" from his youth had made his mother fear he'd be chicken-hearted; and when, lovely and hungry for friendship in this cold new country, he saw a drunken Indian brutally beat his alaskan husky he whipped the master and adopted the dog. When fear had gone from her eyes he saw they were lovely soft brown ones like Byth Blevens back among the blue chicory flowers of far away Tennessee. With the husky, rechristened "Byth" he lived and labored and longed for the time when perhaps the real Byth would accept his love and he could send for her to come to his new homeland. "Injun Joe," always full of "bad lickers," noted his hard work and knew that some night when he chose to raid Jed's cabin he'd find not only his dog but money beside. When the dog had grown into his life and when his hopes of Byth Bleven were beginning to materialize—news came that Injun Joe and his band were going to raid Jed's cabin—and Jed, on the lookout, discovered the Indian hiding in some Alder brushes not for distant. They fought and fate intervened for much drinking of "bad licker" had weakened Injun Joe's heart and the overstrain of the fight was too much. Poor Jed who would never kill even an animal in a land where people live by trapping—was caught and held for murder. At the trial the presecution offered as material witness a certain wild, vicious mongrel husky found tied near the scene where the dead indian was discovered. Into the crowded court room the furious dog rushed—nose to the floor scenting, scenting—a whiff—a pause—and a dash for the prisoner. This dog who had attempted to tear into shreds every person who come near, flew at the prisoner, put his paws on his shoulder and parted a joyous welcome to his last master as love replaced fear in those brown eyes.

Mrs. Leonard Boyd's lyric soprano voice was ideal for the song "Love Came" written by Mrs. Peyton and served as a charming means of transition from prose to the verse that followed.

The Poetry expressing many moods, and great mastery and versatility in technique was so beautifully read that the audience was spell bound. The selection of her verse included:

"Spring at St. Michael."
"Escape."
"The Farmer's Wife Speaks."
"Morning in October."
"Reassurance."
"Two Marys."
"Sapphicx."
"Assuagement."
"The Flying Man Goes Farther."
"South Wind."

At the conclusion of this inspiring program the guests gathered around the tea table so exquistively appointed and enjoyed coffee and ices graciously served by Mrs. Helms and Mrs. King.

Next Monday—April 18th the Club will hold its regular meeting at which time an Art Exhibit from Washington, D. C., and some lovely music will interest, inspire and please you. Mrs. Dahlquist and Mrs. Childs will be tea hostesses.

TRACTOR ARTILLERY CONVERTED TO HORSE-DRIVEN

Effective May 1, 1927, the First Battalion, 83rd Field Artillery, on duty as a demonstration unit at the Infantry School, Fort Benning, Ga., will be changed from a tractor-drawn to a horse-drawn battalion.

This conversion is desirable because the instruction at the Infantry School deals primarily with the Infantry division, in which all of the Field Artillery is horse-drawn. Infantry officers detailed as students at the school are taught that the artillery, which will support them in battle, is horse-drawn. In the solution of map problems and terrain exercises they are required to compute road space, rates of march, and areas for camp sites, on the basis of horse-drawn artillery. Therefore, it is desired that demonstration artillery with which they actually work should be horse-drawn instead of tractor-drawn.

For the conversion, the following animals will be issued to the organization: horses, draft—234; horses, riding—104; and mules, draft—44. No change is necessary in the type or caliber of gun, the 75 mm. gun being authorized for both tractor and horse units. Major Robert Donaldson, Field Artillery, commands this battalion.

EASTER EVENING SERVICES

Easter Evening Services will be held at The Protestaant Chapel Sunday evening at 6:00 o'clock. There will be a special musical program given by the Rose Hill Methodist Choir.

Rev. M. M. Marshall, who is doing such wonderful work at the Rose Hill Methodist church as a builder and minister will be the speaker of the evening.

All members of the Infantry School Command and civilian friends from the city are cordially invited to hear these three programs.

The club has every reason to be proud of its presentation of "The Whole Town's Talking," the last play of the season, for it was a complete success from every angle. Those who came Friday night did so much verbal advertising that the last-minute theater goers on Saturday night had to accept general admission as all reserved seats had been sold half an hour before the curtain went up.

As a vehicle, the play written by Anita Loos and her husband was admirably suited to an audience composed of all types from the highly critical to the easily pleased. It was full of intensely amusing situations, so full in fact, that had the lines and action not been so clever, they would have been strained.

The story is too complex to summarize and still do the play justice. In general it centers about the young daughter of Mr. and Mrs. Simmons who returns from her studies in Chicago, bringing with her a young man of charming manners with whom she is much smitten but whom her father dislikes. He wishes her to marry his partner, Chester Binney, a fine business man but woefully without polish; and to arouse her interest Mr. Simmons invents an affair Binney is supposed to have had with Letty Lythe, a famous movie star. Ethel is caught; then Letty Lythe comes to town in person and the complications are awful. This is the bare outline—there are many, many side affairs and all of them screamingly funny.

The production of this comedy was finished in every sense of the word; and we mean that from a professional and not an amateur standpoint. The stage setting was perhaps the best of its type—a living room in the home of a well to do business man in a fairly small Ohio town—which the club has yet attained. To attempt to aportion exactly the praise due every member of the cast would be an impossible task as each achieved about the same high standard—and none can be criticised adversely as all did so remarkably well. Lieutenant Fred W. Caswell as Mr. Simmons earned over again the reputation he gained in "Nothing But the Truth." Captain Walter A. Dumas, in the part of Shields, the young Chicago blood, surpassed his performance in that other big show. Mrs. Albert S. Peake, as Mrs. Simmons, displayed so much talent that she takes her place as one of the club's best. Major E. F. Rice's interpretation of Chester Binney, a difficult part, was excellent and he has again proven himself a most capable actor. Mrs. A. R. MacKechnie, the young daughter Ethel, was most convincing and received much praise. The motion picture star, Letty Lythe, was Mrs. J. K. Rice, who was truly splendid. Her fiance, Donald Swift, was admirably portrayed by Captain Bishop. Mrs. Vinson as Annie the maid, made a distinct impression. Ethel's two girl friends were Mrs. Lloyd Jones and Mrs. Robert Oliver, both of whom by their most natural presentation of gushing girlishness, added much to the success of the evening. Mrs. Pickering ,as Sadie Bloom, a dancing teacher, was very good and Captain Dahlquist, the taxi driver, who had a very short part, did it well.

To the few who did not see the play, this praise to all may probably seem overdone. But we know that anyone who sat in either of those two laughing, shouting, yelling audiences will heartily subscribe. It was just naturally a corking good show splendidly put on; and that it was so well done is due in large measure to the ability and hard work of the director, 1st Lieutenant Frank A. Deroin.

DEMONSTRATION ATTRACTS CROWD

Students at Fort Benning and Many People From Columbus Witness Big Event

By Lt. Geo. L. Potter

With the assembled students of the Infantry School present, and a large crowd of spectators among them many Columbus people, the first section of the Infantry School this morning held the big "battalion in defense" demonstration. Major R. A. Hill, of the first section, was in charge of the exercise.

Prior to the actual demonstration, the students were assembled in the war department theatre where the problem was discussed by Major Hill. Tactical principles involved the proper employment of the various supporting weapons, and the disposition of troops all were covered in Major Hill's talk.

The students then moved out to Bouton hill, and the terrain over which the exercise was to take place. In a short time, white signal lights, fired from Very pistols by the security detachments, gave warning that the enemy were attacking, and in a few minutes the advance groups were observed running back in to join their organizations. The volume of fire increased, with the machine guns joining in, and a friendly airplane flew over the front line troops. Following its return from observation of the enemy, the field artillery laid down across the entire front an intensive concentration, for the purpose of breaking up the enemy attack.

The exercise then continued until the final repulse of the enemy which was accomplished by a counter attack made by the infantry, supported by one platoon of light tanks. The demonstration, which lasted for three-quarters of an hour, repicted most vividly the actual conditions of warfare, and in this showing to the students a visual picture of the principles in which they are instructed, the academic department of the infantry school carries out their teachings in such a manner that the principles involved will be remembered.

On April 20, the "battalion in attack" demonstration, under supervision of Major C. P. Hall, first section of the Infantry school, will be held. These two demonstrations are the most complete of all of the exercises held during the school year, and involve the use of practically all weapons excepting heavy artillery. Arrangements will be made on April 20 so that all who desire to see the exercise, may attend.

FREEBOOTERS WIN FORT POLO TITLE

(Continued from page 1)

of the fourth period and scored three goals to even the count. Whisner counted once, and a short time after he set the ball up for Forsythe to tally again. Before the chukker's close, Forsythe had scored again on a long run.

Whisner of the Buccaneers and Elkins of the Students scored in the fifth chukker to maintain the deadlock and the teams went into the final frame all even.

Winning Goal

Major Smith scored the winning goal soon atfer the start of the sixth period. On the knock in from the Students' 100-yd. line Forsythe got away for a long run and placed the bamboo in position for Major Smith to hit it squarely between the posts. There was no further scoring although both teams struggled desperately to increase the count.

Lineup and Summary:

Freebooters (6).		Students (5).
Forsythe (2)		Nichols (2)
	No. 1.	
McClure		Elkins (3)
	No. 2.	
Smith (1)		Moles
	No. 3.	
Whisner (3)		Wise
	No. 4.	

Score by periods:

Freebooters	100	311—6
Students	031	010—5

Substitution: Moon for Forsythe, Olmstead for Whisner, Blue for Nichols, Taylor for Moles, Sweet for Wise.

Artillery—29th Infantry

In the opening game of the Artillerymen defeated the Demonstration Doughboys in a thrilling game. The Cannoneers took the lead in the first quarter, were tied in the second, but in the third Chukker scored twice to sew up the game. The Infantrymen fought doggedly, but couldn't quite match the pace set by the caisson riders.

Lineup and Summary:

Artillery (6)		29th Inf. (4)
Grubbs	No. 1	Adams
Murphy (3)	No. 2	Burress (1)
Strohbehn	No. 3	McCunliff (1)
Hurt (1)	No. 4	Bragan (1)

Score by periods:

Artillery	103	200—6
29th Inf.	011	011—4

Substitions: Oliver (2) for Strohbehn; Boatner for Adams; McKnight for Burress; MacDonald (1) for McCunliff; Prather for Bragan.

DOUGHBOYS LOSE TO OGLETHORPE IN FIRST OF TWO GAME SERIES

(Continued from page 1)

sult. Following Terrel's single to right field, Shepard, who hits in the clean-up position, smashed one on the nose, the ball travelling far out to the flag pole. The question was not whether Shepard could make it home safely, but whether or not the ball could be returned in time to finish the game before moonrise.

Tolle, who was obviously off form, hit the first two batters to face him in the first inning, and they walked. Shepard, Taliaferro scored on Massey out at first. Shestnutt, who hit hard all through the game, got his first single, scoring Terrell and Shepard. So much for the first inning. In both the 6th and 8th innings the visitors scored two more. On Heckert's error, Shepard was safe at first. Chestnutt then tripled scoring Shepard and Thompson single, scoring Chestnutt.

In the next inning, Boswell, Taliaferro and Terrell bunted safely. Massey walked, scoring Boswell. On Chestnutts' long fly to left, Taliaferro also scored. The winning two runs were scored as already described, via Shepherds' circuit clout.

The Infantry scored their first run in the first inning when Magagna walked, and Reeder was safe on an error, Kelly singled scoring, Magagna. Two more were obtained in the third as, a result of Reeders single, Kellys triple and Newmans long fly. In the 6th inning McCarthy and Franz singled. On a wild throw McCarthy scored, and Franz did likewise on Tolles out at first. The last two infantry runs crossed the plate in the 8th again tying the score. McCarthy got his 3rd hit of the game, a single. Franz, Willis and Crim both hit safely, scoring McCarthy. Crim scored on Heckerts short hit, and Willis came in when Magagna was safe at first on a close play.

McCarthy for the infantry was the heavy hitter, with three safeties, while Chestnut smacked out two. It was a great ball game a hard one to lose, a mighty good one to win.

BOX SCORE

OGLETHORPE	AB	R	H	PO	A	E
Boswell, cf,	6	1	1	2	0	0
Taliaferro, ss,	5	2	1	3	2	2

Cole and Lt. Mack.

VOCAL CONCERT AT 24TH INFANTRY THEATRE

An opportunity to hear good vocal music will be afforded on the 18th inst. by the concert of Roberta Dodd Crawford at the 24th Infantry Theatre. The Music News of Chicago states that this singer "has a voice of clear and bell-like quality, the facile mastery of vocal technic, ample musicanship, and a delightful artistry of presentation."

Miss Crawford is one of the increasing number of Colored people who have studied intelligently and successfully. Her concerts show the result of her training. Her tone is smooth, lyric, sympathethic and expressive. Her diction in French and German numbers as pure and correct as in English. Her ability to entertain a critical musical audience is definitely established.

The concert on next Monday night is being given under the auspices of the 24th Infantry recreation officer. The admission prices being only 75 cents for officers and 50 cents for enlisted men, this recital will be too good a musical treat to miss.

INFANTRY SCHOOL LACROSSE TEAM

The Infantry School will be represented by a lacrosse team which is leaving tomorrow morning for Atlanta where they will meet the lacrosse team of Georgia Tech two games. The first game will be played tomorrow afternoon and the second game on Saturday. While lacrosse is a comparatively new sport at the Infantry School, considerable interest is being manifested, and as a result both the University of Georgia and Georgia Tech will play in Doughboy stadium on April 25, 26, 29 and 30.

The following players are making the trip to Atlanta: Lieutenants Cornog, Bragan, Griffith, Mack, Schaeffer, Kammerer, Jeter, Smith, Dobak, Dunn, Dwyer, Carraway, Gorman, Wilson, Mayer. Sergeants De Entremont, Mitzen, Sweeny, Corporal Cowen, and Privates Brown and Reavey.

29TH INF.

REGIMENTAL BLUE PENNANT

1. The following named company is announced as winner of the "Regimental Blue Pennant" for (March 1927) created by T. M. No. 19, these Headquarters 1924, and awarded to that company, which, in the opinion of the Regimental Commander has attained and maintained in its company area the highest standard as regards physical and mental well being of the organization:

HOWITZER COMPANY 29TH INFANTRY COMMANDED BY Captain Andrew D. Bruce, 29th Infantry.

2. The companies quartered in the brick barracks were not included in this competition.

3. The Regimental Commander compliments the winning company upon its splendid achievement and cites it as an example to the other companies composing the regiment.

REGTL. HQ. CO.

It has been several moons since we were in print, due to the fact that the scribe has just recovered from attacks that were made on him by certain members of this organization whom he roasted something terrible, so here I go again.

The fighting Marine, (Cpl. Leather-Neck Devoice) is in love with some fair damsel who resides in the Merry village of Columbus, Ga. Looking at his case from an outsiders viewpoint, it looks like the truth, as he is making trips to the village nearly every day, and is in the barbers chair whenever his duties permit him, to iron out the wrinkles and crows feet.

But whether it is love or not, the entire company congratulates Corporal Devoice and his bride-to-be, May all of their troubles be small ones. Corporal Devoice wlli be at home to his friends, on Monday, Tuesday and Wednesday, between the hours of 7:00 and 9:00 P. M. Come on, all you old timers, your congratulations will be heartily received.

Our Mess Sergeant is so chesty now that the Tailor had to alter the breast of his blouse. It is rumored, that the said Mess Sergeant's chest has expanded six inches, since the Company Mess took first place in the sanitary inspection last month. Good work Andy, may you bring home the bacon or beans this month again.

The Regimental Sergeant Major, has purchased a new shiny Overland Whippet Sedan. The lowly scribe admires his taste in automobiles, and wishes him the best of luck. May his blowouts be on rainy days. Egad.

A census of the entire post is being taken by the writer to find a man who doesn't know the Sergeant of this organization know as "Sex Appeal" Egad what a task, for so far I have searched high, wide and narrow, and haven't found a single soul to whom the above Sergeant is now known.

LARRY MITZEN.

HOWITZER COMPANY

Right five, plus five, six hundred. That's Howitzer Company, Boys. The organization that knows no other motto except "100% or bust."

Howard Bus Line, Inc.

410 CITY PHONES 224 POST

By the way our Supply Sgt., who is at present on furlough, has gone into the mercantile business. According to all reports he is on the lookout for several clerks. This is your chance, boys—start with a reputable firm and you are sure of deserving promotions.

Now that the General Inspection is over we are on the way for the next one. Come on, begin with us you of the line and possibly a hundred percent will be history for the scribes.

NICK CARTER.

COMPANY "C"

We have some very brave soldiers in this company. Two of our men did not like the idea of a tank going in front of them so they charged it and then managed to get away from it with a few scratches.

Our amateur aviators still want to be professionals.

This company is scheduled to make camp at Sulphur Springs, to leave here on the 18th of this month.

Timothy McDaniels has joined us again, to be with us for some time we hope.

JOHN L. BIGGERSTAFF.

HQ. CO. FIRST BN.

Pvts. 1st Class Benefield and Hudspeth were rewarded for their good work by promotion to Cpl. last week.

Cpl. Studdard departed last Friday on furlough for 20 days.

Through error we forgot to announce last week that our 1st Sgt. Sanders, is Wm. R. Sr., since the 2nd inst. Congratulations "Sap."

Several men in this company are planning on turning out for the Bn. base ball team, includling Si Perkins, Shaver, and Cowan.

Sgt. Rambole spent Friday and Saturday at home in Columbus, working his garden. Sgt. Rambole says its cheaper to raise vegetables at home than to buy a truck to transport enough down there for his Army.

Pvt. Kyle King transferred to this company last week from Co. "D."

JUSTICE.

RAPID TRANSIT NORTH

Judge—"You say you heard two shots fired in rapid succession?"

Rastus—"Yes, sir, Jedge, one right after the other."

Judge—"Where were you when you heard the shots fired?"

Rastus—"Well, sir, Jedge, w'en I heard de first shot fired I wuz on de corner of South and Broad streets, but w'en I heared de second shot fired I wuz passing de City Hall." — Exchange.

DOUGHBOY POLOISTS DEFEAT CAVALRY FOUR

SHANNON FIELD SCENE OF EXCITING POLO CONTEST WEDNESDAY

Game was in Doubt Until the last Period; Donaldson and Culton Star for the Visitors

By HENRY AVERILL

Benning's polo experts defeated the crack Sixth Cavalry, four on Shannon Field Wednesday afternoon 9 to 8, in a hammer and and tongs hattle undecided until the close of the final chukker. The Infantrymen took an early lead, were overhauled and passed by the officers from Fort Oglethorpe in the sixth chukker rallied to go out in front again in the seventh period, were tied in the eighth and last stanza and finally won out in that session. It was the first of a two-game series the other to be played on Shannon Field at 3 o'clock Sunday afternoon.

There was excitement enough for the lrage crowd that saw the game. The class of polo played is shown by the fact that during the entire eight periods the Infantrymen missed only four shots at the goal while the cavalrymen rallied in an even dozen efforts to send the bamboo through the posts. The riding was

STUDENTS PLAY POST OFFICERS FOR TITLE

Children's School to Benefit From Ticket Sale

The annual baseball game between the student officers of the Infantry School and the officers of the permanent personnel of the Post has been slated for the afternoon of May 5. According to all indications there will be a record attendance, for the rivalry existing this year between these traditional enemies promises to bring out the maximum of effort on the part of both teams to win the coveted Sam Browne Championship. The proceeds from the sale of tickets goes to the Fort Benning Children's School—so the more the merrier.

Details as to the exact program for the big afternoon are as yet shrouded in secrecy, the team managers fearing foul play should the names of their batteries be made known. However, local sporting circles are agag over the rumor that Capt. Aloysius P. Mulhall will pitch for the student team. Officers well up in the ranks of the permanent personnel state, however, that the report is grossly

(Continued on Page 8.)

LIST OF DONORS

The following representative firms of COLUMBUS and other cities of the United States have donated Trophies for the Infantry School annual Transportation and Horse Show:

W. T. Heard, Dodge Bros. Motor Cars, Columbus, Ga.
Burrus Motor Company, Columbus, Ga.
Kirven and Company, Dry Goods, Columbus, Ga.
Kayser-Lilienthal and Company, Columbus, Ga.
Sigmund Eisner and Company, Red Bank, N. J.
1st National Bank, Columbus, Ga.
American Remount Association, Washington, D. C.
3rd National Bank, Columbus, Ga.
Ralston Hotel, Columbus, Ga.
Cliff Everett, Buick Motors, Columbus, Ga.
Associated Military Stores, Chicago, Ill.
C. Schomberg, Jeweler, Columbus, Ga.
Chero-Cola Company, Columbus, Ga.
Charles Meurisse and Company, Chicago, Ill.
Kinsel and Petri, Jewelers, Columbus, Ga.
Columbus Electric and Power Company, Columbus, Ga.
A. C. Chancellor and Company, Columbus, Ga.
Howard Bus Company, Columbus, Ga.
Davis Sport Shop, Columbus, Ga.

LARGEST EXHIBITION OF HORSES AND TRANSPORTATION EVER PLANNED AT BENNING WILL BE STAGED IN DOUGHBOY STADIUM ON SATURDAY

Entries Have Exceeded All Estimates; Sixth Cavalry and Augusta to Show Fine Mounts; Trophies for All Winners.

With over four hundred entries registered the annual Infantryr School horse-show, which will begin Saturday morning in Doughboy stadium, promises to be the biggest affair of its kind ever held at Fort Benning. The first event of the meet will be called promptly at 8:45 o'clock and the morning program will be concluded at 11:30 o'clock. The afternoon events will begin at 2 o'clock and then will continue until all events are completed.

Included in the 430 entries is the Sixth cavalry horse-show team, most of whom also are playing in the present two-game polo series. Many cups and prizes have been donated for the winners of the various events, and the prizes all are of exceptional quality.

The tremendous increase in the popularity of all riding activities at the Infantry School can well be imagined by recalling the comparatively modest beginning of the horse-show some years ago. The present meet, with its great field of competitors, is indeed a tribute to those officers who have fostered and encouraged all riding activities at Fort Benning.

This year's meet is being directed by Colonel Asa L. Singleton, Twetny-ninth Infantry, in charge; Major H. J. M. Smith, cavalry, assistant, and Colonel Cootes, Sixth cavalry, executive offcer.

With the meet being held in Doughboy stadium, it will be comparatively easy to take care of the ususal large attendance, and there will be ample room for all.

The events of the show are as follows:

Class No. 1—Escort Wagons, time

(Continued on page 8.)

BATTALION IN ATTACK DEMONSTRATION WAS BRILLIANTLY EXECUTED

All Student Officers and Large Crowd of Civilians Witness the Tactical Exhibition; Reserve Officers Attend

Before a large crowd of spectators which included the student officers' classes, and many of the officers of the garrison, with their wives, members of the Reserve Officers' association from Montgomery, Ala., Birmingham, Ala., Jacksonville, Fla., and Albany, Ga., and the officers of the Georgia Military Academy, who were specially invited guests of the 29th Infantry, the famous "battalion in attack" demonstration of the Infantry School was successfully held this morning. Major C. P. Hall, instructor in the tactics section was in charge of the exercises. Weather conditions were perfect insofar as visibility was concerned, making it possible to see practically all phases of the demonstration.

Shortly before 9 o'clock, the 83rd Field Artillery laid down a barrage on all enemy positions, sustaining their fire, until zero hour, the designated time of attack, which was 9 o'clock. At that time the

(Continued on page 8.)

24TH AND BLACK-BARONS IN THREE GAME SERIES

The three game series which has been arranged between the famous Black Barons of Birmingham, Ala., and the 24th Infantry, will begin with the first game scheduled for 3:30 o'clock this afternoon.

The Black Barons are a famous colored team of professional players and have been playing as a professional club for years. Last year they played a series of games with the 24th Infantry on Gowdy Field, winning all of the games by narrow margins. Later a return series of games was played with the Barons in Birmingham, the series being won by the 24th Infantry.

It is reported that three or four of their star players, who were not with them last year, have rejoined the team, greatly adding to their strength. It is expected that all three games will be closely contested, and full of good baseball. The first and second games will be played on Thursday and Friday respectively, while the third game will be played on Sunday, as the big Benning horse show is scheduled for all day Saturday.

THEATERS

FRIDAY, APRIL 22, to 29, INCL.

"L T IT RAIN," starring Douglas MacLean, the laughsmith, in six reels of spine jolting comedy. As a Marine, MacLean gets into all the rtouble in the worldd when he falls in love with a pretty girl, he goes A. W. O. L. to see her, and saves the U. S. mail,—the girl and the honor of the Marine Corps in one of the wildest, funniest chases that's been projected on the screen.

"Fair Warning."—Mermaid Comedy.

SATURDAY, APRIL 23

"THE SONORA KID," featuring Tom Tyler and his versitile plas in a picture based on William Wallace Cooke's novel, "Knight And The Range." This is a "different" western—Tom, clad in a suit of mediaevel armor creates dramatic scenes filled with humor and heroism. The film possesses novelty, action, comedy, speed and thrills.

"Fatal Footsteps."—Whirlwind Comedy.

SUNDAY, APRIL 24

"McFADDEN'S FLAT'S," featuring Charlie Murray in a madenized version of the famous comedy which took America by storm. The title of this story speaks for itself—it needs no further description—its eight reels of side splitting laughter.

"Felix Laughs It Off."—K. Kat.

"Pathe News."

MONDAY, APRIL 25

"JOHNNY GET YOUR HAIR CUT," starring Jackie Coogan in a laugh and thrill producing horse racing picture. The homeless waif following the races by stealing rides in the horse cars, reaches the track just before the Kentucky classic, overhears a gambler's plot and gets into a whirlwind of hilarious escapades, rides and old broken down nag in the big race to a most sensational climax. It is a combination of laughs, heart throbs, and action.

'Fully Insured."—Roach Comedy.

TUESDAY, APRIL 26

"YELLOW BACK," featuring Fred Humes in a spectacular western, involving a sensational steeple-chase race. The plot is good and revolves around a continuity of action sparkling with comedy.

"The Tourist."—Tuxedo Comedy.

WEDNESDAY, APRIL 27

"THE FAMILY UPSTAIRS," A Fox Production of merit featuring Virginia Valli in six reels of clever comedy drama. It is a story of what takes place behind the doors of half the homes in America. She ran away to the wilds of Coney Island and Dad, tho an old timer, succeeded in beating his son at his own game.

"Collegians No. 5.

THURSDAY, APRIL 28

"AN AFFAIR OF THE FOLLIES," featuring Billie Dove, Lewis Stone and Lloyd Hughes in this First National of a Show Girl's Romance. Billie Dove appears as Tamara, a dancer and with her are twenty of Hollywoods sprilliest ballet performers who were the Queens of the Music Box Review. The story portrays the chorus girl as an expensive wife.

"Pthe News."

FRIDAY, APRIL 29

"SPANGLES,"—A big circus drama, featuring Pat O'Malley, Marion Nixon and Hobert Bosworth. It portrays a big three-ring show with wild animals, real freaks of ametuer and daredevil performers. The thrilling scenes are bound by the threads of an inspiring and gripping romance.

"Batchelor Babies."—Jouvenile Comedy.

NOTRE DAME BEATS DOUGHBOYS SECOND TIME

Led by "Red" Smith, catcher and team captain, Notre Dame slugged their way to their second victory over the Infantry, last Friday afternoon by a 9 to 5 score. During the nine innings, McGaha who pitched for the Infantry, was touched up for seventeen hits. Either the Hoosiers are world champion place hitters, or else they are laden with horse shoes, for in Fridays game their hits invariably fell safe. When the Infantry outfield played deep, the hits fell just over the infield; when they moved in the balls leaving Notre Dame hits rallied with eclat to the four corners of the field. At times it would have been a good idea to furnish Newman, Smythe and Van Studdiford with either motorcycle or horses, for they covered many weary miles trying to get the whistling Notre Dame bingles. However, it must not be thought that the outfield was asleep. Such a thing was not possible. Seldom has there been a finer exhibition of fielding seemingly impossible chances than that of the Doughboy gardeners Friday afternoon. Had they not been handled as they were, the game might have continued for several days.

In the 2nd frame with Notre Dame at bat and Smith singled and proceeded to 2nd when the ball was tardily returned from the outfield, Schroll went out at 1st but Niemic, singled, scoring Smith. Besten whiffed then Colrick tapped one lightly to the center field fence for a home run, scoring Neimic ahead of him. The Infantry then made two just to be in the running. Van Studdiford cracked a single, McCarthy followed suit, and Magagna bunted safely.

Three on and none out. Franz scored Van with a long fly, McCarthy scored on a wild pitch, but was called out when the umpire decided that Willis had interfered with the play. McGaha scored Magagna with a single, making the second run. It was still a ball game, though the visitors gathered one more in the 4th. In the 5th inning Notre Dame scored five, virtually settled the result. Sullivan and Moore hit safely, and Smith almost knocked over the flag pole with a four base knock. On an error, a hit trio were on, Walsh hit hafely scoring Besten and Colrick, which gave the Visitors the game.

Walsh pitched a steady game for Notre Dame having plenty of stuff and fair control.

Horse Show Week following Easter has been very full of entertainment, in spite of the constant practice and training of horses and riders, dinners and bridge parties and dances have all had their full share of attention. Many dinner parties are being given Friday evening at Biglerville and at home before the Horse Show Ball, which will probably be the last formal dance of the season before Graduation Hop.

The Chapel Guild Benefit Bridge was held at the Polo Club on Thursday afternoon. Thirty-two tables were engaged, making it one of the best attended parties of the year. Prizes were donated by the ladies of the garrison and the merchants of Columbus and the funds received are to be used to buy layetts for the Post Hospital.

The Infantry School Woman's Club had its election of officers last Monday afternoon with the result that Mrs Wait C. Johnson will be next year's president, succeeding Mrs. Ralph W. Kingman. Business was followed by an Art exhibit and talk by Mrs. Mary Pendleton, who has done remarkable work as director of the Arts and Crafts Club this year.

Lt. Colonel and Mrs. Ralph Kingman and Miss Katharine Kingman have issued invitations to a tea dance at the Polo Club next Wednesday afternoon from four until seven o'clock.

Captain and Mrs. Febiger entertained with dinner on Thursday evening.

Captain and Mrs. Pleas B. Rogers and Captain and Mrs. McClure gave a delightful sport party on Wednesday evening. A buffet supper was served, followed by dancing at the Polo Club.

Mrs. Gager, Mrs. Bishop and Mrs. Wayne Smith were hostesses to the 29th Infantry Bridge Club on Tuesday afternoon at the Officers' Mess. Pointex chiffon silk hose were won by Mrs. Hudson and the second prize, a black and white shoulder flower, by Mrs. Ancrum. There were six tables of players and ice cream and sandwiches were served as refreshments.

Mrs. Griswold will entertain on Monday with a card party.

Mrs. Darr will give a bridge party on Tuesday afternoon.

The ladies of the 29th Infantry Bridge Club will entertain their husbands with a buffet supper and bridge at the Officers' Mess on Thursday evening. There will be twelve or fifteen tables.

Mrs. Criswell will entertain with bridge on Thursday afternoon.

Mrs. Andres Lopez entertained very attractively with four tables of bridge on Tuesday afternoon. The first prize, an embroidered linen luncheon set, was won by Mrs. Keatley. Mrs. Grady won four pretty colored hand made handkerchiefs as second. Iced fruit salad was served as a first course and ice cream frozen in fancy shapes was served as desert.

Major and Mrs. Roy Hill will entertain with dinner before the Horse Show Ball at Biglerville Friday evening.

Major and Mrs. Arthur Ahrends will give a dinner at their home in honor of their daughter, Miss Ruth Ahrends, on Friday evening before the Horse Show Ball.

Our Easter Egg Hunt was a great success, hundreds of little people enjoyed finding the gaily colored eggs. Bula Peterson, Martha Petosky, Buddy Piburn and Vicente Lim received prizes for finding the gold and silver eggs.

Many parents were there to see the little people enjoy themselves. The 2t9h Band played during the afternoon which added a great deal to everyone's pleasure. Capt. Hall took moving pictures of the hunt, which we hope to see on the screen.

We are very grateful to General and Mrs. Collins for the use of their lawn—and to every one who helped make our party a success.

Suscriptions: $1.50 per year by mail; 50c per year in big blocks through orderly rooms. Single copies on sale at Post Exchange and Officers' Club, 5c.

Advertising rates: $1.00 per inch. We reserve the right to reject any advertising matter.

All checks should be mailed to the Infantry School News, Fort Benning, Ga.

Entered as second class mail matter, April 12, 1924, at the post office at Fort Benning, Ga., under the act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in section 1103, act of October 3, 1917, authorized August 27, 1924.

Anti-Aircraft Development

The Chief of Coast Artillery and the Chief of Ordnance have recently rendered a report which constitutes an analysis on the present status of anti-aircraft development as revealed by axercises last fall at Aberdeen Proving Grounds. The report is of unusual interest in that it covers tests of anti-aircraft material designed and manufactured since the war, and indicates, in a general way, the trend of future development.

The exercises showed that greater progress was made in anti-aircraft development during the past year than during the entire period since the war. Progress with machine guns has been substantial, though not indicated so much by improved target practiced results as by recognition of principles which give great promise. For guns the progress was marked by the development of a 3-inch gun of greater accuracy, range and rate of fire. For searchlights the advanced was represented by two models of increased value, by the adoption of distant electric control, and by the development of a sound-locator system which decreases the searching time and permits picking up the target at an increased range.

The anti-aircraft exercises covered a period of nine weeks, during which there was daylight practice with both guns and machine guns from each Monday to Friday inclusive, and night practice for either guns or machine guns for three evenings a week. Searchlight practice, in addition to the employment of the lights in illuminating targets for these firings, were scheduled for three nights a week. This heavy program was carried out without interruption. Airplanes flew 292 flying hours in towing targets and on other missions during the tests.

The 3-inch anti-aircraft gun with a fixed mount, the first new design adopted since the war, was found to be highly satisfactory and to be suitable for service with the correction of a few minor defects. The gun and mount comprise a unit which embodise the most desirable modern principles. It is easily traversed and elevated and has a high rate of fire facilitated by an automatic breech. The gun has a maximum vertical range of 10,400 yards.

One unit of a 105 mm. anti-aircraft gun was tested, although not adequately due to failue of minor features which should be easy to rectify. The report indicates that this gun is a great improvement over present equipment, and may be adopted as a standard for manufacture after minor changes and further test The maximum vertical range of this principal advantages have been shown for the 105 mm. gun; (a) Increased danger volume of shell burst; (b) decreased time of light; and (c) increased range.

The 3-inch and 105 mm. guns both are provided with the same new sighting system. Optically both the sight proper and the finder appear satisfactory. The telscope sight of eight power is a marked improvement over those of four power heretofore in use.

Flashless power was used for a considerable portion of the night firing. The absence of flash has a marked effect on the accuracy of the pointing of guns and instruments. However, the flashless powder produces considerable smoke which effects visibility when the wind is toward the guns from the traget. The advantage appears to outweigh the disadvantage.

For the 3-inch and 105 mm. gun firing the A-1, B-2, B-6, and Navy types of targets were used; for machine guns the B-5 (flag), target was also used. The A-1 target is an open sleeve 15 feet in length, 2 3-4 feet in diameter at the mouth, and 2 feet in diameter at the tail. The B-2 target is a cigar shaped target with a hoop ring at the mouth 1 1-2 feet in diameter, 14 feet 3 5-8 inches long, and 3 feet in diameter at its largest diamension. The B-4 target is a sleeve the shape of a truncated cone 16 feet long, 3 1-2 feet in diameter at its mouth, and 1 foot in diameter at its tail. The B-6 target is an enlarged B-4 target, with a length of 18 feet and all other dimensions increased proportionately. The Navy sleeve target is a large streamline target constructed along the lines of the B-2 type target. It is a flexible wire hoop in the mouth 3 feet in diameter, and is closed at the tail. The targret is 23 feet long. The B-5 (flag) target originally was a flag 12 feet long and 6 feet wide with a wooden stick across the width, by means of which the target is attached to three bridle ropes looped to the hook of the towline. Several modifications were made in this target. For machine gun practice one of these targets, measuring 4 feet or more in width by 36 feet in length, is considered the most satisfactory of the targets developed to date.

(To be continued next week.)

SERGEANT DOWLING CRAVEN

Word was received at Fort Benning last Tuesday that Sergeant Dowling Craven 5th. Signal Service Company Signal Corps had died at the Fitzsimmons Hospital, Denver, Colorado, on the 7th. inst. and the body had been shipped to his father Rev. G. M. Craven, Waterboro, South Carolina for interment.

Sergeant Craven was 29 years of age and a valuable member of the Signal Detachment serving at the time of this transfer to Fitzsimmons General Hospital, as Wire Chief of the Post Telephone System.

He was a popular member of the garrison where he leaves a host of friends, cordial, congenial and obliging he made friends with all with whom he came in contact, and a cloud of sorrow rested over the other personnel of the Detachment when the sad news reached them.

He had for several motnhs been failing and been in poor health but had concealed his real condition from the authorities and his serious condition was not realized until at last he reached a point where he was compelled to submit and was admitted to the station hospital where it was discovered that he was in such condition that his immediate transfer was effected and he left Fort Benning in company with a medical attendent on March 14, 1927.

CHATTAHOOCHEE VALLEY MOTOR CLUB IN MEMBERSHIP DRIVE

During this week and for at least part of next, an appreciation campaign for members as an expression of esteem to its president Mr. Columbus Roberts, will be conducted by the Directors of the Chattahoochee Valley Motor, aided by its members. Lt. Col. G. H. Williams one of the Club Directors is in charge at Ft. Benning, at the Post Exchange, or at the Service Station.

During this campaign the rate for membership at Ft. Benning will be one half that charged in Columbus and throughout the territory of the Club. The special rate is given as part of the service of the local AAA, club, because of the temporary residence of the majority of the officers and students at Ft. Benning.

The Chattahoochee Valley Motor Club has a franchise for a territory of 75 miles radius about Columbus which includes Ft. Benning.

The road information of this club is sought after from every section of the United States and ocassionally Canada and other foreign countries.

Mr. Columbus Roberts, is a Columbus business man, noted for his interest in public affairs, always a friend of Ft. Benning, who strives and spends his time and money for better roads, fair automobile laws and regulations, and for sane driving. He owns the Columbus Coca Cola Co., and is a practical philanthropist. It is not surprising that the directors and members of the Motor Club wish to sustain him in his work by giving him an increased membership and more revenue to work with.

The low price to Ft. Benning however is a distinct advantage and saving to all who will avail themselves of the of the offer, and carries with it all AAA service throughout the United States, and membership in the National AAA at Washington, D. C.

Students motoring to and from Fort Benning for assignment or pleasure, will find the services of the Three A club in Columbus, Georgia, of use in furnishing travel and road information, maps and other helps for the trip.

There are many interesting week end or short trips to points on interest to be reached from Ft. Benning. There is also much road construction in progress and many roads not yet built, these road difficulties may be largely avoided by employing the discriminating information available at this moving AAA club.

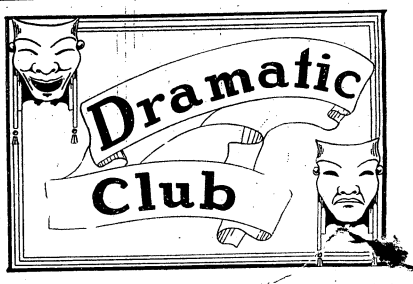
The office in Columbus is in Broad at 10th street in the same building with the Howard Bus Line. There is also a branch office of the club at the Infantry School in the Service Station in charge of W. E. Austelle.

Information may be secured at either of the above points or from Lt. Col. G. H. Williams at the Post Exchange, regarding the special one half rate for AAA membership, good for service at any of the 862 AAA clubs in the United States .

The AAA clubs make a service charge, usually of $1.00 or more for travel information to non-club members, but information and many helps and advantages including discounts, legal advise, identification, the emblem of distinction for the car, and right "dope" worth many times the small membership charge. The Ft. Benning officer or student, confers a favor on himself by joining a Three A Motor Club, and if for no other reason the half rate offered by the Columbus Club, should make it his choice.

THE WEAKER SEX

Our brave little women are rapidly getting in the same class as the Northwest Mounted—they always get their man.—The Cactus.



On Thursday, Aprii 14, the last activity of the club for the present school year —a business meeting—took place at the Officers Club. During the course of the evening, a letter from the commandant, Brigadier General Edgar T. Collins, was read in which he reviewed the rapid growth of the club, praised it for its accomplishments during the year and thanked the organization for the pleasure its productions have given the community. Another item of especial interest was the display of a silver vase, suitably inscribed, which the club presented to First Lieutenant Frank A. Deroin as an expression of appreciation and thanks for the whole-hearted and able assistance he has given in his capacity as director.

A number of more or less routine reports were made and then the club proceeded to the election, the results of which were as follows:

President—Major Philip B. Peyton; Vice-President—Mrs. Jason M. Walling; Secretary-Treasurer — First Lieutenant David L. Hardee; Director — Major George F. N. Dailey; Stage Manager—Captain Gustav J. Braun; Publicity Manager—Captain Bernard M. McMahon; Business Manager — First Lieutenant Fred W. Caswell.

PLAY READING COMMITTEE

Mrs. Gilbert R. Cook, Mrs. Wallace W. Brier, Mrs. William L. Roberts.

The club is to be congratulated on its growth and its record for the first year of its existence. Formed in the spring of 1926 by a small group of 25 people it now has 233 on its rolls. It has presented for its members and their guests twelve one-act plays and one "stunt night" and has produced for the public two three-act plays each of which ran two nights. The attendance for the private shows grew steadily from only a little over 150 to more than 500; the grand total of all its audiences for the year is 650. Truly this club is worth while.

Dedicated to Colonel James B. Gowen on his departure from the Twenty-Ninth Infantry.

AU REVOIR

Farewell, dear Colonel, how it grieves us to lose you,
Your absence will leave us a void hard to fill,
The myriad courtesies you have scattered so freely.
Will be missed, oh so much, by all whom you know.

Your exemplary conduct has inspired many of us
To be true to our country and true to ourselves,
And the news of your impending departure has filled us
With gloom which we find very hard to dispel.

The Regiment has thrived under your leadership benevolent,
Each man in it, honored, to have served you his best,
Your mandates so wise making obedience a pleasure,
Have encouraged us all to be ever content.

May God bless you, dear Colonel, is the prayer which we breathe,
And fervantly hope that your future so bright
Still be blessed by the good will (that shall follow you always)
Of those to whom you've been as a luminous light.

Harriet Beaumont Graves.

The bridging of the Chattahoochee with heavy pontoon and Lampert bridges was sucessfully demonstrated in a remarkably short time to the officers' class of the Infantry School by the Engineers last Friday. The pleasure the Engineers felt in watching the Infantry carry the necessary balks and chests was almost, but not quite, obliterated by the smoke screen and associated stinks raised by the Comical Warfare Service.

On Friday night after the demonstration Mr. C. W. Long of Columbus gave a smoker for the Engineers which was heartily appreciated by all the men. Cigars and cigarettes were in great abundance, an abundance equalled by the demand, and the punch (Note for the Anti-Saloon League. Alcohol less than one-half of one percent.) flowed like beer at a German picnic. Songs by Wheeler and Reynolds were received with applause and stories by Mr. Long, Sergeants Gensch and McNally and Uncle Ed Hudson were greeted with the appropriate ribald laughter. Great regret was expressed by the audience that Palmer was not in voice for he had been billed to sing "The Curse of an Aching Heart" which he renders with great bathos.

Red Thompson, whose Gargantuan appetite is on a par with his Rabelaisian vocabulary, is in quest of a reliable plastic surgeon. Red states that his already generous mouth is not commodious enough to handle the supplies which he conveys to it with knife and fork, instruments which he uses with equal dexterity. He believes that if his oral orifice were sufficiently widened his intake would be equal to his capacity.

Pop Greenfield is agin a sergeant. "How long, O Lord, how long?" come in a despiring chorus from the corporals he has left behind.

Quartermaster Corps

Several of the stenegrapher of the Quartemaster Department are enjoying annual leaves. Mrs. Nelle Talbutt of the Supply Branch is visiting at Fort Eustis, Virginia. Mrs. M. L. Drane and Mrs. Norma Smith are spending their time "at home."

TRANSPORTATION BRANCH

Mr. F. A. Whitaker, Master Mechanic at the Railroad Repair Shop, in conjunction with Mr. J. C. Houston, Inspector from the Department of Commerce, has just completed inspecting twenty-five class E boilers at Fort Benning.

Mr. S. G. Brown, machinist, returned on April 15th from Fort Bragg, N. C., after delivering Vulcan locomotive for use at that station.

There are now being overhauled three 60 c. m. locomotives, which will be shipped on or about April 27th to Camp Dix, N. J., to be used at that station in connection with summer training activities. Including the transportation charges from Fort Benning to Camp Dix the repairs to these three locomotives amounted to approximately fifty per-cent. less than had it been done in contract shops.

UTILITIES BRANCH

We've had the pleasure this week of talking to a great many people we didn't know were on the post. But they are, and they want their household goods crated about May 28th. At the present time we have scheduled sixty-one orders for May alone. This is about all that can be handled during that month. Just any one can not be trusted to do proper packing and crating; the man in charge of the gang; at least, must have had some previous experience. We work from twenty to twenty-five gangs of four men each during the rush and it is not easy to pick up that number of competent men for a month or six weeks' job. In order to keep up our reputation of doing the best crating in the army, we have to get competent men. Q. E. D., as our friends the mathematicians says, we are constrained to disappoint some of the people who want to be packed at the close of school.

Park at C. A. Morgan & Co. Open till 10 o'clock. Soft Drinks, Drugs and Cigars.

FOR SALE — Oakland Landau Coupe, 1927 Model. Call Jack Russell, phone 883.

24TH INF.

SAN ISIDRO — SEMPER PARATUS

Winners Honored at Battalion Parade

At the parade ceremony of the 2nd Battalion of the 24th Infantry, held on the 14th, Instant, Corporal Clarence O'Neal, of Company "F," and Private Lee T. Parker, of Company "H," were given signal honors in recognition of their winning first place in two contests recently held in the battalion. The first of these was a competition to determine the soldier who was able to perform the Manual of Arms in the most correct manner. This was won by Corporal O'Neal. The other was a prize for the highest score made by the men of the first group who were firing the pitsol record course. Private Parker, with a percentage score of 89.8 secured the highest score and was awarded the prize.

24th Infantry Bridge Party

Mrs. Jason M. Walling, as hostess of the 24th Infantry bridge party held on the 13th instant, provided a most enjoyable evening entertainment. Officers and their wives for six tables of bridge and one of Mah Jong attended. Delicious refreshments of home made fresh strawberry ice cream, cakes, and coffee were served. The prizes given for highest scores were unusually attractive. Captain Pleas B. Rogers won the men's first prize which consisted of a first aid emergency packet. His nearest competitor was Lieutenant Harold S. Kelley, who was given an Easter basket filled with jars of jams and jellies. The first ladies' prize was a very artitsic boudoir lamp and shade. This was secured by Mrs. John E. Hoover and Mrs. Wallace W. Brier, Jr., with the next highest score, obtained a beautiful linen luncheon set. The Mah Jong prize consisted of two card table covers and was won by Captain Ernest T. Jones.

24th Nine Wins From 83rd F. A.

The base ball teams of the 24th Infantry and the 83rd Field Artillery played their first game of the season on the recreation grounds of the former last Tuesday afternoon. The playing of the 24th nine was superior throughout the game. In the first inning they secured the lead and made substantial gains in every inning except the fourth and fifth. The artillery team was able to score only two runs while the 24th got 14 men over the home plate.

Lineup as follows:

ARTILLERY:

Hirtzier, cf; Cole, rf; Derrick, rf; Spivey, c; Reed, ss; McAuliffe, lf; McCloud, 3rd b; Carner, 2nd b; Hurst, p.

TWENTY-FOURTH:

Battles, lf; Trammel, lf; Bell, rf; Nash, rf; King, 2nd b; F. Williams, cf; Seats, ss; McCrary, ss; Johnson, 3rd b; Hayward, 3rd b; S. Williams, 1st b; E. Thomas, c; B. Thomas, p.

Score by Innings:

Artillery	000	100	001	24—3
24th Inf.	211	003	341	48—1

THE OFFICERS' CLUB 1. GARRISON TENNIS CHAMPIONSHIP

1. The Officers' Club will hold the Annual Spring Tennis Tournament commencing April 27, open to all members of the Club, their families and visiting friends. All interested in the game are urged to enter this tournament, whether or not they are expert players, and so enjoy the opportunity of meeting new opponents.

2. In addition to bringing together the tennis players of the garrison, the tournament will serve to decide the school championships in each class. No entry fee will be charged. Balls will be furnished by the Tennis Director. Attractive prizes will be awarded winners and runners up.

3. The tournament will consist of the following:

a.—Men's Singles.

Class A—For players of special and recognized ability.

(This class will decide the school Singles Championship.)

Class B—For players of lesser ability.

(A Committee of Three, to be designated later, will make the decision in cases of doubt as to whether a player belongs in Class "A" or Class "B.")

b.—Mens, Doubles.

c.—Ladies' Singles.

d.—Mixed Doubles.

SERVICE COMPANY DEFEATS E COMPANY OF THE 29TH

Men from Service Company proved their ability to do things other than "skin mules" and general fatigue Tuesday afternoon when they defeated "E" Company on Gowdy Field to win the Regimental Baseball Championship.

In the opening inning it looked as if the Service Company team would win by a large score as nearly every man who came to bat clouted the ball and trotted down to first to help collect six runs before retiring.

Here the men from "E" Campany settled down and began to fight in ernest to try and overcome the lead made by their opponents and allowed them no more runs for the entire game and in the last inning it looked as if they were to be rewarded. The score stood six to five in favor of Service Co., with "E" Co., at the bat with a man on second and third with no outs. One run would tie the score and cause the game to be played an extra inning or innings as the case might have been or two scores and the championship when the next two men at bat knocked infield flies only to take hasty trips to the dugout and the third man hit a grounder to the pitcher to be thrown out at first.

Battries: Service Co., Willis and Smith. "E" Co., Polland and Johnson.

Score by innings:

Service Co.	6	0	0	0	0	0	0	—6
"E" Co.	1	1	0	2	1	0	0	—5

Sgt Austin, Says that they have turned the cook's room into a garage since Massey bought his Hudson touring.

The 1st Sgt. is having a hard time these days keeping up with his pencil, to bad "Top" the force don't leave your pencils, alone.

Spud Murphy, the Regimental farmer says farming is a great life may-be so, but we doubt it.

Harp O'Leary, our famous road rider, sure keeps our supply force busy drawing pencils, what's the matter Harp, must ttake a lot of names, Eh.

Peggy Roper has been added to the force, glad to see you out of the Hospital, Crip.

Matthews, one of our faomus truck drivers, has decided that a Buick coach is better than a Motorcycle.

J. C. WELBY.

HQ. COMPANY 2ND. BN.

Corporal Parris ha, as a reward for good work, been promoted to the grade of Sergeant, and we all know Sergeant Parris can put out, if it is not baseball or football season.

Private 1st Class Harrell has been promoted to Corporal which is rightfully deserved, having worked very hard putting the Headquarters Company stables ni first class condition.

Private Cook is now back with the compnay after a short visit to Birmingham, Alabama. Some think he returned with more ideas for his invnetion.

Private Boyka is now our Company runner, taking Private Griggs' who is confined to the Hospital with the mumps.

General Inspection is now over for one more year and this company found out that the preparation for it was very much harder tthan the inspection itself, but we went over the top with flying colors as a reward for our hard work of cleaning and getting ready. Just before we threw our "pup" tents together in record time, three of Headquarters tents were looked over by the Inspector and he, being so well pleased said, that if all tents in the Battalion were just as neat and clean as Headquarters, Major Bowen should be complimented in having a great organization.

One of our well known corporals knew how to get out of inspection by hurting a finger a few days before and putting on an over-sized bandage which prevented him from handling his rifle.

Sgt. Lowe is back to duty with the company after three months duty at Regimental Headquarters. We are all glad to see Sgt. Lowe back to work.

There is a rumor around the company that not long ago one of our short time privates was rated a specialist 6th class, and then proceeded to Columbus to celebrate the occassion only to find out upon his return that he was derated. Moral: To celebrate it does not pay.

WILLIAM B. SMITH.

COMPANY "D"

Our promises have proven correct. Our two new corporals are Stendlej Belic and Robert J. Mooar. Yes they have started wearing their stripes and boy they sure do know they've got them on. Congrats, friends of mine.

Last Monday, ata guard mount a rather singular incident took place. The officer of the day, asked the members of the guard who were bucking for orderly to step out to the front. Exactly three men, Willworth, Pace and Pee stepped *out and we are proud* to state these three made orderlies of the guard. This merely proves that he who bloweth his own horn reapeth a wonderful harvest.

The writer made orderly once in 1925 and commented on the fact to a friend. The friend replied that he could understand how we got by in the matter of dress and shined up equipment but inquired as to what we did for a face.

One of our bright non-commissioned officers when the headline "Henderson Sails For China" appeared in the Ledger wanted to know who this guy Henderson was anyway.

Yours till Blitz and Brillo grow on peach trees and "D" company stays up all night cleaning stables.

GEORGE R. BECKER.

COMPANY "E"

Corporal Joe Felber, has just returned from an academic furlough. He has been studying for an examination for commission he is going to take in the near future.

Company E, has won the 2nd Battalion base ball championship and will play Company C, 29th Infantry, in the next two weeks, for the Regimental Championship. One deserves as much credit on the Ball team as the other, as each game was played a different man showed up. The team had good support from the side lines. The Company turned cut to root for the team from the Company Commander on down.

E Batry also won first place in the Record run on the bayonet court for the regular season of 1927.

Company E, just got over one of the best general inspections that we have ever had with a growl from any one. We got commended by the Regimental Commander on our physical drill during the general inspection.

I. YARBROUGH.

COMPANY "F"

Company "F" threw a big party the 18th, 2nd Bat. Hq. Co., were also mixed up in it. The company had a smoker that sure worked on the company strange. Some say it was the ham—some declare that the "Ropes" were the cause of it—but the company "fell in" and staged one of the finest impromptu parades that this Regt. has ever had the good luck to witness—it was not one of those parades that the band get to make all the racket—everyone could make all the noise that he wished—all took advantage of this fact, causing one of the finest exhibitions of amateur musical talent this post has ever seen.

2nd Bn. Hq. Co. and this company then went over to the Main theatre—a few choice selections were sung on the way hither—Sgt. Biggerstaff and "Mexican Joe" leading. A fine time was had by all.

Company "H" were the latest victims of this company's baseball team—Score 5 to 4.

O. W. NELSON.

COMPANY "G"

The recruits are going around with a long face lately, since they lost their instructor, Sergeant "war set" Simpson. War Set says that is his job to get the new ones ready for fatigue and demonstrations, but has had to trust it to someone else during maneuver camp as he is assisting the Supply Officer.

The "Chamblee Singers" have been entertaining the company with their spiritual selections in tent No. 10 during the past week. Their program starts promptly at seven P. M. and last until tonsils swell and then adjourn. It is evident that the boys are enjoying these programs by the number of brick bats, pop bottles and the like scattered about the vicinity of ten No. 10.

Our old standby, private 1st class Auksztakalnis, is laying away his saw hammer and getting ready to return to his home in Providence, R. I., which he left almost three years ago and came south to see what was down here. He says his hair may grow back when he gets to the cold climate, for he has a hard time keeping his bald head from getting blistered in this Fort Benning sun.

Private Floyd enjoyed a pleasant furlough to Notrh Georgia. Seems glad to be back and has good news for all Georgians.

The Supply Force has been taking a few fishing trips lately and from all appearances none of them seem to *be* tired of eating fish. A box of sardines was seen in one o fthe party's lunch, and from what was said of the trip, the little canned fishes were the only thing fishy in the party.

VAUGHN.

COMPANY "H"

We are having a good time out on and around Hook Range these days. Just think of the nice juicy Demonstrations we are having the privilege pulling for the school. Why, we even get the chance to have a good track meet. The only thing that is barred is the high jump and the 100 Yd. dash, the distances all being greater than that. It would be more hand-though if we could add the pole vault event, which has not been seen around the Post for years.

Sgt. Whittington wants to know who the two young gentlemen are who give instructions to the ladies duet riding class each week. Riley looks guilty for one, and the other ones initials are Sgt Herron.

Pvt. Carter says that the only use he can find for a fire control table, would be in the case of a fire in the nearby woods, at which time it would come in handy to extinguish the flames.

The Polo team is still practicing hard, although thy have not yet found anyone to contend with for a Championship. It seems that there is no way to arouse the interest in the OTHER Company to where they will organize a Mule Polo Team. They don't know what they are missing. The mules are just obstinate enough to rouse a laugh frequently enough to make the game different from horse Polo.

If any of the Supply Sergeants of the Regiment want to see a model Supply Room, just call at any hour at the third door down the head of Company "H" street, on the right side entering, and call for Sgt. Cody, (not the one on the bicycle) or Pfc. Felix G. Matthews. When it comes to "Supplyroomollogy" these two men know "their stuff."

We have heard of "Box Car Champions" but Country Pyles is the first "Carload Champion" we have ever heard of. Honestly, he can eat more "Carload Candy Bars" than any other three men in the Company. He is positively ahead of any competition what-so-ever.

BERNARD B. SWAYZE.

COMPANY "A" 15TH TANK BATTALION AGAIN WINS FIELD AND TRACK MEET

The 15th Tank Battalion held a field and track meet in Doughboy Stadium on Friday, April 15th, and Company "B" came out winner with a total of 71 points. Company "A" was second with a total of 32 1-2 points. Headquarters Company was third with a total of 32 points and Company "C" fourth with 17 1-2 points. This is the second meet that the Tankers have held within the last two motnhs, and Company "B" has won each meet by a large margin. Sgt. Wiseman who starred as quarter-back on the Championship Tanker foot-ball team, was the outstanding point gainer, with Cpl. Sanders second. Wiseman accounted for 16 of "B" Company's points, while Sanders gathered 13 points for the Company. Company "B" has developed some splendid athletes as the results of the meet show. Early last fall the Company drew all of the Athletic equipment available and started a Company gymnasium. During spare time, all of the men were given training in the various events. The Company gymnasium not only developed the track team, but provided recreation for the men and developed an interest in Athletics, which is in a large measure responsible for the high morale of this excellent organization.

FORT NIAGARA TRAINING CAMPS

Ft. Niagara, N. Y., April 12, 1927.—Colonel R. . Ingram, 28th Infantry, commanding Fort Niagara, N. Y., today announced that the following War Department training camps would be held at Fort Niagara, New York, this summer:

Hq. Co. 98 Div. (OR) June 12-26.
M. P. Co. 98 Div (OR) June 12-26.
Service Co. 98 Div. (OR) June 12-26.
QMTC., Inf., Basic, Red, White and Blue July 1-30.
391st Inf. Rgt. (OR) July 10-24.
392nd Inf. Rgt. (OR) July 24-Aug. 7.
389th Inf. Rgt. (OR) Aug. 7-21.

The 28th Infantry, of the First Division, first to fight in France; first to conduct a trench raid on the enemy; first to take a prisoner in such a raid, first to enter Germany after the Armistic, will train the Reserve Officers and the young men of New York, New Jersey and Delaware who attend the CMT Camp.

"GRADUATION DAY"

By Reyburn Engles

It won't be long before we bid—
The Doughboy school fare-well,
And on the day we graduate—
Each one with joy will yell.

Of course we'll all be sorry—
To leave the school behind,
Where we gleaned a mass of knowledge—
To be handed down the line.

We'll scatter to the four winds—
Just where, we do not know,
But the dope we gathered down there—
Will stay with us, and grow.

We'll put forth every effort—
And will follow every rule,
And we'll strive to be a credit—
To the good old Doughboy school.

Our time has not been wasted—
We've improved in soul and mind,
And the hope to prove the axiom—
When we students join the line.

And yet there will be many—
Who will leave there with a sigh,
But you know we can't feel sorry—
As the closing day draws nigh.

SOME EXPRESSIONS OF THOUGHT ON THE INFANTRY

The Infantry believes in itself. It believes in the primary importance of Infantry in the organization and employment of armies. The Infantry believes also with the same strength in every other necessary arm and corps of the service. It recognizes all of the auxiliaries as essential to completeness of organization and to efficiency in use. It believes, however, in the restriction of every auxiliary to the exercise of its proper functions and to the maintenance of its proper relation in organization and use to the Infantry.

The Infantry believes economy essential to efficiency in military administration. It believes in securing the highest possible degree of military protection for whatever expenditures Congress in its wisdom chooses to authorize. Generally, therefore, the Infantry believes in basing expenditures upon the primary fighting element of armies—the Infantry soldier. It believes in subordinating all else to securing the largest number of these primal elements than can be fitted into an efficient and complete organization. —Infantry Journal.

SHANNON FIELD SCENE OF EXCITING POLO CONTEST WEDNESDAY

(Continued from page 1)

fast and daring, while the hitting was as a rule hard and accurate.

Elkins Leads Scorers

Lieutenant Steve Elkins was the high score man of the afternoon tallying no less than seven goals, some of them by long individual runs, and others after his mates had placed the bamboo in scoring position. Major Smith, the Benning leader, accounted for the other two goals. Captain Forsythe and Captain Whisner, although they do not appear in the summary as point makers, fitted into the Benning machine wall, passing accurately and hitting hard throughout the sixty minutes of play. The team work of the Infantrymen was largely responsible for their victory.

For the Oglethorpe officers, every member of the team scored at least once, Lieutenant Donaldson making four goals, half his team's total. The cavalrymen made up a strong combination that fought all the way and were nosed out only in the closing minutes of play.

The contest was between two very evenly matched fours and there is glory for the losers as well as for the victors. The afternoon's play was singularly free from fouling, only one being called during the eight periods.

Infantry Takes Lead

The Doughboys went after the visitors from the opening throwin, Elkins scoring not long after the beginning of the first period. The Benning riders remained on the offensive most of the period, at one time failing to score only because Forsythe's drive hit a goal post. Toward the end of the chukker the Cavalry counter attacked but Whisner stopped their drive with a beautiful back hand stroke.

The ball was tossed in on the Infantry 30-yard line to open the second stanza, and after some scrimmaging. Lieutenant Donaldson hit a beautiful shot under his horse's tail to tie the score 1 all. The Cavalry swept down the field from the next throw in, but Elkins stopped the attack, and ran the length of the field to bang the bamboo through for the Infantry's second tally. Before the period ended Captain Meador, of the visitors made it all even with a pretty backhander.

Forsythe Falls

In that period Captain Forsythe narrowly escaped serious injury when his horse fell and rolled over him, but after a short rest the Infantry No. 1 resumed play, although badly shaken up. Shortly before the accident, Elkins had made it three for the Benningites. Culton squared the match for Oglethorpe and then Major Smith and Elkins collaborated in a fine passing attack that culminated in another goal by Steve.

In chukker four the cavalrymen strove hard to catch up before mid-game intermission and once succeeded in putting themselves on even footing with the Doughboys, when Donaldson stole the ball and tallied, but Major Smith sent the Infantry into the lead again with a goal in which Forsythe aided greatly by riding of the opposition. The half ended 5 to 4.

Coming out for the fifth chukker the Infantry continued to force the pace with Elkins adding the sixth counter after taking a fine pass from Whisnre.

Cavalry Counter Charge

In the sixth session the cavalrymen launched a charge that swept the Doughboys back relentlessly and wiped out the Benning advantage. Donaldson scored and was quickly followed by Sutton. Donaldson scored again before the period closed and the Oglethorpe officers led 7 to 6.

The sixth period was the only one in which the Cavalrymen had a decided advantage, for in the seventh the Benning men came back to take the lead again on goals by Smith and Elkins. Grubbs relieved Forsythe in this chukker.

Facing defeat, the Oglethorpe players fought hard in the eighth and final chukker and evened the score 8 all on a 75 yard shot by Culton, but the Doughboys retaliated almost immediately, Elkins making the final goal of the game. The horsemen from Oglethorpe attacked with fury in an effort to at least send the game into extra periods, but despite their utmost exertions they failed to penetrate the Infantry's defense.

Lineup and Summary:

Infantry		Cavalry
Forsythe	No. 1.	Sutton
Elkins	No. 2	Donaldson
Smith	No. 3	Culton
Whisner	No. 4	Meador
Cavalry	0 2 1 1	0 3 0 1—8

STUDENTS PLAY POST OFFICERS FOR TITLE

(Continued from page 1)

exaggerated, Capt. Mulhall having failed to clear the field of fire on his Field Fortifications exam. It is understood that all students who have been found in any exam and all instructors who have ever held exams over ten days before returning them will be ineligible for play.

Capt. C. Nelson Jackson, manager of the Student Stars, best known to the members of the Company Officers Class as the agitator for pink ribbons instead of blue on the class diplomas, stated late last night: "I do not care to make an announcement at the present time, as I am too busy studying for tomorrow's tactical walk. However, all the brawn and sinew of this class will be devoted to truning out a team which will make the Class of 1926-27 one long to be remembered—at least, in so far as baseball is concerned. Companies B, and C, expect every man to do his duty."

Capt. John Rabbit Fountain, manager of the Native Sons, refused, with his usual taciturnity, to make a statement. "Our actions," he said, "will speak louder than words."

BATTALION IN ATTACK DEMONSTRATION WAS BRILLIANTLY EXECUTED

(Continued from page 1.)

second battalion, 29th Infantry, commanded by Major B. E. Bowen, 29th Infantry, with two companies in the front and one company in reserve, moved forward. The Artillery fire was raised to more advanced enemy positions, while the assaulting troops moved forward, preceded by an intensive fire from H Company, 29th Infantry, and the fire of one-pounders and Stokes mortars from the Howitzer company, 29th Infantry.

Reconnaissance planes of the 12th observation squadron flew over the enemy, obtaining information of their positions, and returned dropping the information in message form at the battalion command post. Guided by this information, artillery fire was directed on the enemy in their various locations and the attacking troops informed by messenger as to the enemy's dispositions.

As the battle progressed, the infantry gradually enveloped the enemy flanks and the additional strength of the reserve company was thrown into the fight in effort to push the enemy back. In a final effort the battalion commander committed his tanks, one platoon of light tanks of the 15th Tank battalion, to the action. The tanks moved forward, deliberately, but quickly, the machine gun and one-pounder tanks adding to the confusion of an already demoralized enemy.

Rules for Show

1. Awards—

First place—Trophy and ribbon.

Second, third and fourth places—Ribbons.

2. Jumps (six) will consist of the following:

(1) Brush
(2) Post and rail
(3) Stone wall
(4) Brush and rail
(5) Picket fence
(6) Triple bar.

Jumps will be offset so that the difference between centers will be approximately the widt hof the jumps. In all events in which ladies participate, jumps to be equipped with wings.

3. a. In all jumping the following scale of penalties will be applied:

(1) Tip in front—2 points.
(2) Tip behind—1 point.
(3) Knock down in front—4 points.
(4) Knock down behind—2 points.
(5) Getting off course—3 points.
(6) First refusal or run out — 3 points.
(7) Second refusal or run out — 6 points.
(8) Breaking from canter to walk—1 point.
(9) Halting on course—5 points.
(10) Halting twice on course (same horse)—Disqualified.
(11) Three refusals on course—Disqualified.
(12) Failure to be at starting point on time—Disqualified.
(13) Horse or rider fall—Disqualified.

(14 Failure to take jumps in prescribed order—Disqualified.

(15) Showing daylight between nose and croup, pair jumping—2 points.

(16) Separated by more than five or less than one horse length in hunt teams—5 points.

b. In pair jumping the horses will be judged under the foregoing scale as one horse. (The maximum penalty for the pair on any one jump is the highest penalty incurred by either horse of the pair on that jump.) Should one horse of the pair refuse or run out, the other may continue the gallop or the trot, anywhere on the course, until the other joins up.

c. In team jumping the horses will be judged under the foregoing scale as one horse. Should one horse refuse, he will be turned from column and take another try at the hurdle as the last horse in the column.

4. In all jumping classes the judge may order a horse from the ring when it is apparent that the performance of the horse prohibits its being placed in the ribbons.

5. No contestant may enter twice in the same event and no horse may be entered twice in the same event.

6. In the Ladies' Green Hunter Class (Class No. 14):

a. A lady who has ever won a ribbon in a jumping event may not ride a horse which has ever placed in a jumping event in any horse show, but may ride any other horse.

b. A lady who has never won a ribbon in an individual jumping event may ride any horse.

7. Enlisted men's events are open only on public animals.

8. The decision of the judge or judges in any class will be final and there will be no appeal therefrom.

DEFINING A SOCIALIST

Philanthropist — "Here, here; stop that. What are you doing to your little brother?"

Boy—"Ain't doin' nothin.'"

Philanthropist—"Why does he cry so, then?"

Boy—" 'Cause I took his candy away from him."

Philanthropist—"But didn't you have some candy, too?"

Boy—"Yes, but I ate it all up."

Philanthropist—"But that gives you no right to rob your little brother."

Boy—"Yes it does. I'm a Socialist."—5th Corps News.

VOLUME V. FORT BENNING, GA., FRIDAY, APRIL 29, 1927 NUMBER 32

AIR CORPS DEMONSTRATION BEGINS MONDAY

SIXTH CAVALRY FOUR DEFEAT DOUGHBOYS IN FINAL POLO GAME

Donaldson and Culton Feature in Exciting Game for Visitors. Smith Plays Usual Good Game

Sunday, April 24th there was one of the largest crowds of Benning's polo history in attendance at the game, the big field being entirely surrounded by spectators. The signal corps had installed amplifiers and through them Captain B. B. McMahon announced the chief features of the game. It was an innovation that added much to the enjoyment of the audience.

Doughboys Score First

The first half of the first period was evenly fought, the cavalry and Infantry being repulsed on drives at the goal. Toward the close of the chukker Elkins made a fine run and set the ball up for Pinky Burress, who promptly banked it through the post for the first goal of the game.

The visitors tied it up in stanza two. Donaldson set one up for Culton and the visiting No. 3 easily scored. The horse men continued on the attack but missed twice after forcing the Doughboys back to the last ditch. As the period ended, the Infantrymen counter attacked and were driven hard at the end.

The cavalry resumed the offensive in the third chukker, but wonderful defensive work by Whisner held them off. During this chukker inaccurate hitting due largely to the hardness of the field was particularly noticeable, the ball taking all kinds of queer bounces.

In the fourth session eacn team scored a goal. The Doughboys started the excitement pressing hard against the cavalry defense. The red head of Captain Burress was particularly prominent and after a few minutes of the period Pinky set up one that Elkins drove through to make the match all square.

Lounching a counter charge the cavalrymen went to the front again before the mid-game intermission. The scoring stroke was a beautiful 75-yard drive by Captain Meador that sailed far over the heads of the Infantry defenders and gave the doughboys no chance to stop the goal. About two minutes before the chukker closed Major Smith broke his mallet and was able to aid in the defense only by riding off opponents. It was after this mishap that the Oglethorpe riders scored.

Infantry Evens Count

In the fifth chukker the Infantry tied it up again. The cavalry started the attack, but the doughboys stopped them and drove down he field for their third and last counter, Eykins tallying the point. The cavalry came back strong

(Continued on Page 6)

STUDENT OFFICERS AND BENNINGITES MEET ON DIAMOND MAY FIFTH

Proceeds of Game to be Given to Garrison Children's School; Most Exciting Contest Predicted

By Capt. B. B. McMahon

"The telephone book has my name spelled incorrectly. It should be spelled Griffin, not Griffen," stated Capt. C. C. Griffin, captain of the baseball team which will defend the honor of the officers of the permanent personnel in the game to be played May 5 against the team of the student officers. "The printers really should be more careful. I shun publicity but if I cannot avoid it, I want the family name to be unsullied, at least typographically."

Outside of this, the grand old man of Benning baseball had little to say about the coming game. His manager, Capt. C. A. Pritchett, having added that contracts had been mailed out on Thursday to the players of the permanent personnel who, because of their preeminence in either baseball, bridge, or golf, were deemed worthy to don the uniform of the Native Sons, said: "I believe I may say, without fear of contradition, that the team we will turn out on Gowdy Field for the game will be entitled to more yardage of campaign ribbon than the entire student class. We are now negotiating with the students to effect an agreement whereby the combined ages and blood pressures of both teams must not differ more than the legal two and seventy-five one-hundredths percent."

Through the untiring efforts of Capt. C. Nelson Jackson, the well-known indoor sportsman who is managing the student team, and Lieut. Andrew Jackson Nichols, mezzo-contralto, a large trophy has been secured which will be given the winning team. The cost of this cup will not be taken out of the proceeds from the game, which will go in a lump sum to the Fort Benning Children's School.

As for the student team, Capt. C. Nelson Jackson stated yesterday, "If the actual war records of the members of our team were to be made known they would not be believed. I wish to brand as false the rumor that a Burroughs adding machine will be used to tally up the score of the game. In fact, I have no idea what kind of adding machine will be used. The very idea is proposterous."

Tickets for the game will be sold at the gate Thursday afternoon. A special cordon of police has been requested to keep the crowd in order, it being feared that partisan elements may attempt to influence the umpire's decisions by their undue beheavior. The management will countenance no roughhousing—at least, no more than is evident during a lacrosse game or a conference of the Company Officers Class.

HORSE SHOW WAS ONE OF THE BEST EVER SEEN IN THE SOUTH

Colonel Cootes Judged Each Event with Complete Satisfaction to the Filled Stadium; Capt. and Mrs. McClure Feature in Jumping

Repete with thrills, horsemanship and keen competition was the Fifth Annual Transportation and Horse Show of The Infantry School, held at Doughboy Stadium. Fort Benning Saturday.

This is an annaul event in the post taking place every year in the springtime, and this year's show surpassed all previous ones held, according to the verdict of the four thousand spectators. One of the most beautiful features of the whole show, was the ladies' musical drill—which showed the result of the careful coaching in the technique of riding which they have obtained from Captain Pleas B. Rogers. While the band played, and without directions being called, difficult maneuvers were executed perfect co-ordination from each charming equestrienne being received.

Probably the most exciting event was the polo bending race—in which Lt. Robert C. Oliver, A. D. C., won. The race was run in heats with four contestants striving in each event for two honors—the final decision being in favor of Lts. R. C. Oliver, T. Q. Donaldson, Capt. E. B. Whisner, and Major T. F. Taylor, in that order.

McClures Feature

Event No. 19—Pair Jumping, was featured by the riding of Captain and Mrs. R. A. McClure, who aroused the admiration of the audience by their faultless execution, each jump being clearly taken with the horses racing neck and neck the whole length of the course.

The 6th Cavalry, from Fort Oglethorpe, Georgia, down here for a Polo Tournament with The Infantry School, entered the Show, taking many places—Mrs. J. B. Wise and Lts. T. Q. Donaldson and R. E. Ireland being especially outstanding point winners for the visitors.

By means of an amplifier, Capt. McMahon official announcer, was clearly heard by all attending the show—this adding greatly to the pleasure of the spectators.

Two Accidents

The only two accidents of the show were in classes No. 13 and 18. Major T. F. Taylor, Advanced Class, had a bad spill from his horse when executing the hedge jump—and Mrs. McClure spilling in Event No. 18, while trying for 3rd place. Neither was hurt.

Many distinguished visitors attended

(Continued on Page 6)

PLANES TO MAKE TESTS AGAINST ALL GROUND TROOPS OF SCHOOL

All types of Planes ordered here; Asst. Secretary of War will witness exercises

The greatest air-plane demonstartion that has ever been held in the South will begin here on next Monday. At least twenty-five planes, including Bombers, Pursuit planes, observation planes and photographic planes have been ordered to Benning to take part in the official tests against ground troops. The Assistant Secretary of War Mr. Hanford McNider, will come here to witness the maneuvers. While at Fort Benning, Mr. McNider will be the guest of the Commandant, Brigadier General Edgar T. Collins.

The program calls for three days for its completion. Some of the tests will include bombing of targets represented by an Infantry Battalion on the march also bombing of a Battalion of Field Artillery on the march. There will be tests made to ascertain the effectiveness of planes in action against deployed Infantry and Infantry in the approach formation. The night work will consist mainly of dropping illumination flares to locate troops in bivouac or on the march. Probably the most interesting demonstartion will be the attack by pursuit planes o nan observation squadron. For work with live amunition, of courses troops will not be used, but the targets will be life size, built up in relief and covering the exact ground distance that troops would cover.

The planes ordered here will come from Selfridge Field, Michigan, Crockett Field, Texas, Maxwell Field at Montgomery, Alabama and Washington, D. C.

In addition to the Assistant Secretary of War the following officers of the

THEATERS

APRIL 29, TO MAY 6, INCL.
"SPECIAL ATTRACTION"

Three set of very interesting and instructive current pictures of two reels each taken by U. S. Navy will be shown Friday, Saturday and Sunday evenings, one picture each evening. These were loaned to us through the courtesy of F. J. Oliver, C. Q. M., U. S. Navy.

FRIDAY, APRIL 29

"SPANGLES,"—A big circus drama, featuring Pat O'Malley, Marion Nixon and Herbert Bosworth. It portrays a big three-ring show with wild animals, real freaks of amateur and daredevil performers. The thrilling scenes are bound by the threads of an inspiring and gripping romance.

"Batchelor Babies."—Jouvenile Comedy.

"Wings Of The Fleet," U. S. Navy show aviation from its infancy to date including plane construction, flights and plane carriers, dropping torpedors, the Shenandoah and many other keenly interesting aviation facts.

SATURDAY, APRIL 30

"WHEN A DOG LOVES," featuring the dog Ranger, in a gripping story of a dog's devotion, his triumph over environment and dealing swift and inexorable justice in the dark hours of the night. The story is of a girl's desperate struggle for love and happiness. The scene is laid in the crowded highways of New York.

"King Bozo."—Van Bibber Comedy.

Navy "Navy In The Near East"—(U. S. Navy)—an historical picture showing many beautiful scenes from The Holy Land, Our Relief work in the Near East, King Tut's toomb and other excavation work—a splendid picture.

SUNDAY, MAY 1

"LADIES AT PLAY," featuring Doris Kenyon, Lloyd Hughes and Louise Fazenda in a First National sprightly comedy, depicting two old maids, who were to receive a fortune of $6,000,000, provided they married within three days. These spinster left their knitting and antique dresses behind and came to Broadway in quest of their prey. Their fight to success is the meat for this uproarus comedy.

"Alice The Lumberjack."—Alice Cartoon.

"Pathe News."

"Shakedown Cruise"—(U. S. Navy)—A world cruise of 25,000 miles on the modern scout cruiser Concord through Gibralter, the Suez Canal, practically all ports of interest in Africa, including close-up of The Spinx and Pyramids; jumps to The Azores, South America and back to the U. S. You'll enjoy a $5000 journey in twenty-five minutes, cued to music by one of the best orchestras in the South.

MONDAY MAY 2

"WEST OF BROADWAY," starring Priscilla Dean, is a novel picture of golf and guns. It is a story of life in the open spaces where men are real he-men and golf instructors are women. The story is a new idea in screen entertainment.

"The House Without A Key No. 1." This is the first of a ten episode serial filled with mystery, intrigue and gripping plots. It is reported more entrancing than "The Green Archer."

TUESDAY, MAY 3

"THE DENVER DUDE," starring Hoot Gibson in a laughpacked, action crammed western. Hoot acts the part of a city dude, but when the time comes he proves the same two-fisted cowboy. One of the thrill producers is when Hoot jumps from a cliff, eighty feet high into a ten foot pool of water. Of course there is a "SHE" in it to soften the story.

"The Vulgar Yatchman."— Standard Cobedy.

WEDNESDAY MAY 4

"THE FOUR HORSEMEN," of the Apocolypse, starring Rudolph Valentino. A return feature of Rex Ingram's Screen Epic based on the novel by Blasco Ibanez. The extreme popularity of this exceptional film makes its description superfluous. The plot is powerful and the action awe inspiring; the story pictures Argentine, pre-war Paris and the turmoil of German invasion into northern France.

"In Dublin."—Will Rogers.

THURSDAY MAY 5

"THE BLUE EAGLE," starring George O'Brien in a tense story of the Bounding Main. The picture depicts a great battle fleet in action and starring episodes when a monster of the sea is attacked by a submarine.

"Pathe News"

FRIDAY, MAY 6

"EVENING CLOTHES," starring Adolphe Menjou in the story of a man who loved his wife so deeply that he rebuilt and later wrecked his whole life to prove it to her. The story is told with startling flashes of humor against the gay background of Paris and the French countryside.

"The House Without A Key," 2nd episode of this tensely interesting serial which, many say, eclipses "The Green Archer."

The Horse Show Ball at the Biglerville Mess on Friday evening was held in celebration of the Spring Horse Show in Doughboy Stadium the following day. Many dinner parties were served at Biglerville and almost an equal number were given at home. The demonstrations which always add greatly to the enjoyment of a party were most appropriate. There were two small ponies in temporary stalls on the front porch and a minature's show ring with a very stiff course of jumps in the middle of the floor until it was necessary to remove it to make room for the dancers. The beautiful assortment of trophies, cups and goblets on the mantle places at both ends of the hall and in shelves around the room filled all prospective riders with a keen desire for victory in the show the next afternoon.

* * *

Mrs. Kelly entertained at the Polo Club on Friday afternoon with a bridge party.

* * *

The Infantry School Bridge Club met on Thursday afternoon at the Polo Club.

* * *

An event greatly anticipated this week is the opening of the Swimming Pool on Saturday or Sunday. The Pool has been much improved under the supervision of Colonel Paul S. Bond, Captain Gus Braun, and Lieutenant Burback, so that the water can be kept clearer than formally, a beach and wading pond have been made convenient and quite safe for the children and non-swimmers, and the surrounding landscape made generally more attractive.

* * *

Miss Ruth Ahrends entertained with a dinner of twelve at her home before the Horse Show Ball at Biglerville Friday evening. The guests were Miss Becky Hill, Miss Mary Pendleton, Miss Dorothy Gowen, Miss Katharine Kingman, Captain Rice, Captain Blue, Captain Curtis DeWare, Lt. Hayden Boatner, Lt. Richard Prather, Lt. Griffith and Lt. Malcolm Kammerer.

* * *

The ladies of the 29th Infantry Bridge Club held their final meeting on Thursday evening when they entertained their husbands with a buffet supper and card game at the 29th Infantry Officers' Mess.

* * *

Major and Mrs. John Leonard entertained with dinner on Thursday evening at their home in Columbus.

* * *

The Officers' Club gave a Polo Tea on Sunday afternoon after the 6th Cavalry-Benning Game at the Polo Club, which was very largely attended. Among those present were General and Mrs. Collins, and Miss Betty Collins, Colonel and Mrs. Cocheu, Colonel and Mrs. Helms, Colonel and Mrs. Singleton and the sixth Cavalry players and their wives.

* * *

The Chapel Guild Benefit Bridge Party was held at the Polo Club last Thursday afternoon. There were more than thirty-two tables of players and several people came in for tea. Mrs. Hurdis won the first prizes and Mrs. Pleas B. Rogers the second. There were fifteen donated prizes. Mrs. Morrow was hostess to six tables, and Mrs. Van Vliet entertained the ladies of the 5th Section with five tables.

* * *

Colonel and Mrs. Ralph Kingman entertained with a dinner of sixteen at home Friday evening before the Horse Show Ball at Biglerville. The guests included Colonel and Mrs. A. B. Warfield, Major and Mrs. Garrison, Captain and Mrs. Wickliffe, Captain and Mrs. Dumas, Captain and Mrs. Febiger, Captain and Mrs. George King, Colonel Hanson and Colonel Dasher of Washington, D. C., who was their guest for several days.

Colonel and Mrs. Ralph Kingman and Miss Katharine Kingman entertained about three hundred guests with a Tea Dance at the Polo Club on Wednesday afternoon from four until seven o'clock.

* * *

Mrs. Vincent Lim will entertain with bridge next Monday afternoon at her home.

* * *

The Lacrosse Games between the Benning Team and Georgia Tech and the University of Georgia this week are drawing an increasingly large crowd. A person need witness only one game to be awakened to its dangers and the thrills of watching it. An old Indian game and but lately introduced as an American sport, it has grown rapidly in popularity. Games are played each spring with Tech and Georgia the only Southern college having teams. Friday and Saturday the two games will be played against the University of Georgia in the Doughboy Stadium.

Park at C. A. Morgan & Co. Open till 10 o'clock. Soft Drinks, Drugs and Cigars.

Advertising rates: $1.00 per inch. We reserve the right to reject any advertising matter.

All checks should be mailed to the Infantry School News, Fort Benning, Ga.

Entered as second class mail matter, April 12, 1924, at the post office at Fort Benning, Ga., under the act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in section 1103, act of October 3, 1917, authorized August 27, 1924.

DEVELOPMENTS IN EQUIPMENT

A new first aid pouch recently tested by the Infantry Board at Fort Benning has been adopted as standard to replace the type now issued to the service. Experimentation with a view to obtaining an improved pouch was started in 1920, and the Infantry Board conducted extensive tests in 1923 and 1921 on several models designed by the Jeffersonville (Ind.) Depot and the Medical Department at Carlisle Barracks, Pa. The long axis of these pouches was at right angles to the belt a feature unsatisfactory for Infantry use for the reason that the greater length caused an awkward flapping ofthe pouch when walking and interfered with the wearer when he sat down. The Carlisle pouch was considered too heavy.

Only one pouch, designed by the Jeffersonville Depot, was considered in the last test by the Infantry Board. It is made of woven webbing and is 5 1-2" long by 3 1-4" wide (the present issue is 3"x5") and is fastened by the means of one "lift the dot" fastener. As a result of this last test, the following advantages were found to exist in the Jeffresonville pouch over the present issue, which led to the adoption of the former as a standard for issue: (1) It is made of a heavier fabric and resists dirt more than does the present pouch; (2) the "lift the dot" fastener was found more reliable.

A company parade was ordered by the sergeant-major at the barracks. When all were in position he called out: "All men who are fond of music, step forward."

Instantly half a dozen soldiers, with visions of playing in the regimental band, stepped forward.

"Now," he roared, "you men bring that piano down from the officers' quarters on the fourth floor to the sergeant's mess in the basement.—Whiz Bang.

The following letter has been received from the Chattahoochee Valley Motor Club, relating to their membering campaign:

Editor Infantry News,
Ft. Benning, Ga.,
Dear Sir:

In connection with the campaign for members, in the Chattahoochee Valley Mtor Club, now under way, in Columbus and the club territory, Lt. Col. G. H. Williams will be in charge of the Ft. Benning Division.

The local AAA club wishes every officer and student at Ft. Benning to be informed of the special rate for AAA service and membership given to Ft. Benning. The rate is one half that charged to all other members in the club and carries not only the service of the local club, but also, that of the 868 other AAA clubs inthe U. S., as well as membership in the National Organization.

To make it easy for residents of Ft. Benning, Mr. W. E. Austelle, at the Post Exchange Service Station, will explain the particulars and receive applications for membership. The new standard AAA branch club sign is now exposed at the service station.

To assist Col. Williams anyone of the following who are members of the local club may be seen by those desiring to secure the benefits of AAA service. These with Col. Williams and Mr. Austelle form the Ft. Benning Division in Chattahoochee Valley Motor Club Campaign for members, they are: Lt. G. L. Brine, Major Lloyd B. Bennett, Major L. P. Ford, Major F. M. Maddox, Capt. C. M. Gale, Chaplain Jno. T. DeBardleben, Major Edwin B Spiller, Charles F. Betz, Sgt. J. E. Lanham, Capt. R. F. Loce, Capt. Don N. Holmes, Capt. Jno. M. Hite, Lt. E. X. Oberst, Capt. Henry G. Sebastian, Sgt. Harry M. Foster, Lt Jno. L. McElroy, and Capt. James L. Olsen.

Yours truly,
CHATTAHOOCHEE VALLEY MOTOR CLUB,
LELAND J. HENDERSON,
Secretary.

Anti-Aircraft Development

(Continued From Last Week)

The following colors of targets were tested: White, blue, deep red, light red, chrome yellow and orange. The deep red was found generally to be most suitable for day firing and the white targets for night firing.

Tests were made of targets equipped with flashlights to facilitate prompt location. On the first test, due to a light mist, the flashlights could not be seen from the ground, although the artillery observer reported that they were visible from his plane. On the second test the visibility was excellent and the flashlights could be seen from the ground. However, they were easily confused with stars and rendered little if any assistance to the searchlight battery.

Motion picture cameras were located on both ground and airplane for the purpose of locating any synchronizing bursts. This method gives some promise as a means to determine devictions. It is believed that if the amounts of all deviations were exactly known, there would follow the elimination of the cause of a large percentage of misses.

As has been the case in the past. fire control apparatus for anti-aircraft machine-guns still lags behind that for guns, although substantial progress has been made during the year in the solution of the difficult problem of directing anti-aircraft machine guns. The following machine-guns were fired during the exercise: Caliber .30 Browning machine-gun, Model 1917; Caliber .50 Browning machine gun, Model 1921. The .30 caliber gun now appears capable of full effective use up to 1600 yards and the .50 caliber gun up to 2000 yards.

A 37 mm. Browning automatic gun was also tested. This gun was fired at an average rate of 43 shots per gun per minute, although a maximum rate of 65 shots per minute was a attained during practice. With correction of present imperfections it is believed that 60 shots per minute may be considered a normal rate of fire. Judging from the firing it is thought that the gun is more accurate than the fire control data furnished it for test.

The result of the year's progress has been to increase the range at which targets may be engaged, to give greater rapidity to picking up and changing targets; to increase the volume of 3-inch gun fire from a salvo each five and a half seconds to a salve each three seconds; and to increase the hits per gun battery per minute from two to seven.

Below is a table of comparison on the firing of the three-inch gun in the Aberdeen tests with those of the Fort Tilden exercises in 1925.

3-INCH ANTI-AIRCRAFT GUN

	Aberdeen Proving Ground—1926	Fort Tilden 1925
Total shots fired for which results were computeted	5,188	4,343
*Number of hits	475	108
Per cent. of hits	9.15	4.67
Shots per battery per minute (4 guns)	76.64	43.4
Hits per battery per minute	6.9	2.03
Average altitude (yards)	2,297	1,890
Average slant range (yards)	4,392	3,962
Number of shrapnel holes (on 26 targets recovered)	263	
Average ground speed of plane, miles per hour	76	

*The number of hits in the gun firing tests was determined by plotting the coordinates of bursts recorded by air and ground observers.

The following is a summary of the salient points ofthe machine gun firing at Aberdeen:

CALIBER .30 ANTI-AIRCRAFT MACHINE GUN

Number of shots fired	95,613
Number of guns fired	6.8
Hits	979.59
Per cent. of hits	1.06
Shots per gun per minute	387
Hits per gun per minute	3.46
Average slant range (yards)	887
Average altitude yards	390
Average groundspeed of plane, miles per hour	79

CALIBER .50 ANTI-AIRCRAFT MACHINE GUN

Number of shots fired	52,536
Number of guns fired	5.3
Hits	296.7
Per cent. of hits	0.57
Shots per gun per minute	227
Hits per gun per minute	1.20
Average slant range	1,272
Average altitude, yards	550
Average ground speed plane, miles per hour	82

Note: The number of hits in the machine-gun firing was determined by examination of target.

QUARTERMASTER ASSOCIATION MEETS

The Fort Benning Chapter of the Quartermaster Association gave one of their customary enthusiastic Smokers on the night of April 26, 1927, the the Polo Club, Fort Benning. Following the established precedent, a large number of the civilian, as well as army, members were present.

The Commandant of The Infantry School. General Edgar T. Collins, was present, and stated that the idea of the Quartermaster Association in bringing together he officers of the Quartemaster Corps, the local civilian business officials, Quartermaster Reserve Officers, and the enlisted men of the Quartermaster Corps is a brilliant one, and such an organization should be estbalished in every branch of the Army. He complimented the Quartermaster Corps in general most highly for initiating this step.

General Collin's address was stimulating and complimentary both to the local Qaurtermaster and the Quartermaster Corp at large. His idea of such an association is that by bringing together the civilian and military personnel, a better understanding and fellowship are brought about, enabling the military personnel to understand civil life, and the civilian to understand the army life, which would be of the greatest benefit to the Federal Government in case of any emergency.

He also emphasized the fact that the success of any military establishment depended upon the support and cooperation of the local community. In this connection, the people of Georgia, and especially of Columbus and vicinity were highly complimented. He stated that cooperation has been one hundred per cent. forthcoming since the establishment of Fort Benning.

Mr. L. W. McPherson, President of the Deaton Grocery Company, presided as Toastmaster, introducing Homer Dimon, Mayor of Columbus, who with Messrs. Rhodes Browne, president ofthe First National Bank, T. C. Crawford, President of the Howard Bus Line, A Solomon Proprietor of the Cooper Mattress Company, and H. C. Smith, County Commissioner, entertained the members in their usual witty style.

Lt. Colonel A. B. Warfield, School Quartermaster and President of the local Chapter of the Quartermaster Association, delivered the welcoming address, and outlined the aims and purposes of the Quartermaster Association. He spoke of its future activities as follows:

The purpose ofthe Association is to bring about a relation between the Quartermaster Corps and the Commercial world at large, so that in time of any emergency, a perfect coordination between the two can be obtained. The Quartermaster Corps is to the Army what the commercial world is to the public, and is a large business supplying all other branches of the Army in time of peace and war.

He also expressed the desire of the Quartermaster Corps to meet more of the commercial representatives, as the personal acquaintance would increase the efficiency in business transaction. The Quartermaster desires to swell the membership to include every business official in the city of Columbus and this vicinity.

The real object of the meeting was to make plans for, and encourage, a large attendance for the anniversary celebration to be held June 16th, next, at the Aviation Field, Fort Benning reservation. The Aviation Field was agreed upon by all to be an excellent location for the occasion, as two large steel hangers are located on the field, with concrete floors and running water. This location provides excellent shade, and a course for the athletic events.

Music for the smoker was furnished by the 24th Infantry Jazz Orchestra, and the members were highly entertained by the 24th Infantry quartette, who sang popular song hits.

The menu served was typical of the Army at large—consisting of hot rolls, baked beans, pickles, cold slaw, cigars and cigarettes. This menu was prepared in the usual efficient style of the Post Bakery, which is a Quartermaster activity.

The large hall was recorated in the standard colors and Quartermaster Corps pennants, while pink roses graced the long tables placed in an "E" shape. Plates were set for 125 members.

Each member left the meeting with a clear conception of just what the Quartermaster Association means.

INFANTRY SCHOOL DETACHMENT

Corporal Ross and Private 1st Class Ernest L. Norwood were discharged during the past week and are looking for a new roost.

Crporal Crawley was discharged last week and re-enlisted in Company "C" 29th Infantry, where he is now a Sergeant. Congratulations, John.

Among the men recently transferred to the Detachment are Private Patrick from The Finance Detachment, who is now duty in the Personnel Section, and Private Horton from the 29th Infantry, on duty with the Quartermaster.

Our esteemed Personnel Clerk, Sergeant Morton, it taking a long sojourn in the hospital. We wish him a speedy recovery as we miss his "wise remarks."

Master Sergeant Gaston is spending a short furlough somewhere in the hills of Georgia.

Our congenial "Spud Murphy" availed himself of a three day pass and he must have had a good time judging from the way he looked upon return, full of pep and bushels of argument.

Lieutenant Pangburn has returned from Walter Reed General Hospital after an absence of almost four months. We are glad to have him with us again.

Private Christian has just returned from a three months re-enlistment furlough.

Our Mess Sergeant and Cooks, deserve mention, no let up in productiveness of quantity and quality.

BLACK BARONS TAKE SERIES

The Black Barons colored professional team from Birmingham, Ala., made a clean sweep of the series with the 24th Inf., winning three in a row. The first game, Thursday, April 21 was one of the best games ever played on Gowdy Field. It was a pitchers battle between Vance for the Inf., and Streeter southpaw for the Barons. There was no scoring done by either team until the ninth Owens first man up for the Barons walked, went to third on Thompson's single to right and scored when Parnell lifted a long fly to deep center, Thompson went to third when the ball was played home to get Owens, Thompson scored on wild pitch, this ended the scoring but although the Inf., tried hard in their half on the ninth they could not get a man around the circuit. Each pitcher gave up four hits and only nine men reached first safely on each team, Vance struck out five and walked three while Streeter whiffed three of the Happy Hearts and walked one. The only error of the game went to Meridth, Baron's second baseman.

Sccore by innings:

				R	H	E
Barons	000	000	002	2	4	1
Batt: Streeter, Williams.						
24th Inf.	000	000	000	0	4	0
Batt: Vance, Hampton.						

FRIDAY'S GAME

The Barons got away to a big lead, getting six runs off V. Williams delivery in three innings, Trammel relieved him but could not hold the hard hitting Barons. Thomas relieved Trammel in the seventh, but it seemed that they all looked alike to the Barons, as they continued to drive them out.

Pondexter pitching for the Barons was very effective at all time giving up but four hits. Oden for the visitors got two homers a double and single out of six times up.

Sccore by innings:

24th Inf.	100	100	000	2	4	3
Batt: Williams, Trammel, Thomas, Hampton.						
B. Barons	501	121	053	18	20	1
Batt: Pondexter, Williams.						

SUNDAY'S GAME

The large crowd that was at Gowdy Field Sunday to see a ball game, certainly got their moneys worth, and although the home team lost, they went down fighting and they never gave up until the last batter was out. Leonard although a bit wild in the first innings pitched a good game of ball and was given good support. But when you stop and think that they were playing against one of the best colored professional teams in the world, why I think that the 24th Inf., is due lots of credit for the showing they made especially in the first and last game.

Score by innings:

Black Barons	111	010	000	4	11	0
24th Inf.	000	000	000	0	5	2
Batteries: Barons, Peterson, Salmon, Williams.						
Inf. Leonard, Hampton.						

HQ. 83RD. F. A. BN.
Battery "A"

Headquarters Battery, 83rd F. A. Bn., in the opening game of the Artillery League, under the pitching af Hopkins, took Battery "A" to a tune of 9 to 4. Hopkins struck out 9 and allowed 7 hits while Rathel for Battery "A" struck out 8, allowed 9 hits and walked 4. McAuliffe's steal in the sixth brought in the first score for the victors.

THE BOX SCORE

Two soldiers in a negro regiment were boasting about their company bugler:

"G'long wit' you, boy," said one; "you ain't got no booglers. We is got the boogler, and when that boy wraps his lips around that horn and blows pay call, it sounds jest ike a symphony band playin'."

"Well, if you like music, that's all right; but if you is yearnin' fo' food, you wants a boogler with a hypnotic note, like we is got. Boy, when Ah hears old Custard-Mouth Jones discharge his blast Ah looks at mah beans and Ah says:

"Strawberries, behave yo'selves! You is crowdin' all the whipped cream out of mah dish!"—Whiz Bang.

SIXTH CAVALRY FOUR DEFEAT DOUGHBOYS IN FINAL GAME

(Continued from page 1)

but missed by inches and at the chukker's end the Benning men were on the offensive.

The sixth session was scoreless, although at one time Elkins hit the goal with a well-intentinued drive that eluded the horsemen's defense. Steve was hit in the mouth by one of Meador's lofts and was thought to be severely injured for a few minutes, but after considerable patching by medicos he resumed play.

Winning Goal

The winning goal was made in the seventh stanza. An Oglethorpe offensive launched from the very start of the chukker finally proved effective. Three times the mounted officers charged down the field only to miss. Three times the Infantry knocking was blocked by a cavalrymen. On the foutrh attempt Donaldson found the range and banged the bamboo through the post for the deciding goal.

The Benningites, faced with defeat, struggled desperately in the eighth, and last, frame to score, but it was not to be. They were at one time awarded a free penalty shot at the woven wicker pilons, but again Elkins' shot hit a post and the cavalry was saved.

Lineup and Summary:

Infantry		Cavalry
Elkins	No. 1	LaDue
Burres	No. 2	Donaldson
Smith	No. 3	Culton
Whisner	No. 4	Meador

Score by periods:

Cavalry	011	100	10—4
Infantry	100	110	00—3

Goals: Elkins (2), Burress, Culton (2), Donaldson, Meador. Officials: Umpires: Majors Cook and Peake. Scorer: Captain Ambrose. Timekeeper: Captain Partridge. Time of chukkers: 7 1-2 minutes.

HORSE SHOW ONE OF THE BEST EVER SEEN IN SOUTH

(Continued from page 1.)

the Show. Among these Col. and Mrs. Barnhardt of Fort McPherson, Col. Wagner, of Washington; Colonel Dascher, Washington, and General King, from Kentucky, as well as many of the local notables.

The Horse-Show was most efficiently planned and executed, and much credit is due the managers and all connected with it. General Collins congratulated each official after the show, and expressed his pleasure at the success attained.

GOLF AT FORT BENNING

"What's this game I hear so much about
Where everyone must be quiet, and never shout?
Golf?, To me its no game at all
To take a stock and hit a ball

Though I've never played it, I'll wager
I can hit that ball so far
That 'twill be an easy matter to make every hole in par.
"I'll take that bet," said a friend, "and just for fun,
Suppose you start right now on number one.

[redacted] lend you clubs, and a darned good ball."
On his first swing, he didn't hit the the ball at all.
On his second he made contact with a viscious whack
That sliced the ball to the old rail track.

He dubbed the the rest clear up to nine
And sank his tenth which was mighty fine.
"Well, that's not so good," siad he,
"I fully exepected t make a three."

On tee number two
He accidently followed through
Missed his put for a snappy seven
And finished the hole with a brilliant 'leven.

On Number three he hit the ball a mighty thud
And sliced his ball to the lake, right in the mud.
With something like form and grace,
And smearing mud all over his face

He sent his second out of the rough
Which answered his purpose well enough
His third, mircaculously, was on the green
Where he sank his fourth, whcih was mighty keen.

On number four he hooked his ball to green number eight,
Which was quite some shot, I'm here to state.
"See," said he, "I've reached the green in one"
"But," said I, "you're farther away than when you swung,"

And before I could tell him what to do,
He'd made number eight in two.
Said I, "Your trick shot was mighty good
And would excite envy, in even, Kirkwood."

But yu must use the green of number four
And play that hole before you record your score.
He finally played number four in twelve,
Which for him was played quite well.

On number five, he topped his drive; rolled the ball right up
Where it hesitated, wobbled, and fell gently in the cup.
Now, said he, "was that well done!
Don't you see I've made a hole in one!"

On number six he put seven in the polo field
But he fought it out, and didn't yield
And finished the hole in thirteen plus
After breaking his club, which made him cuss.

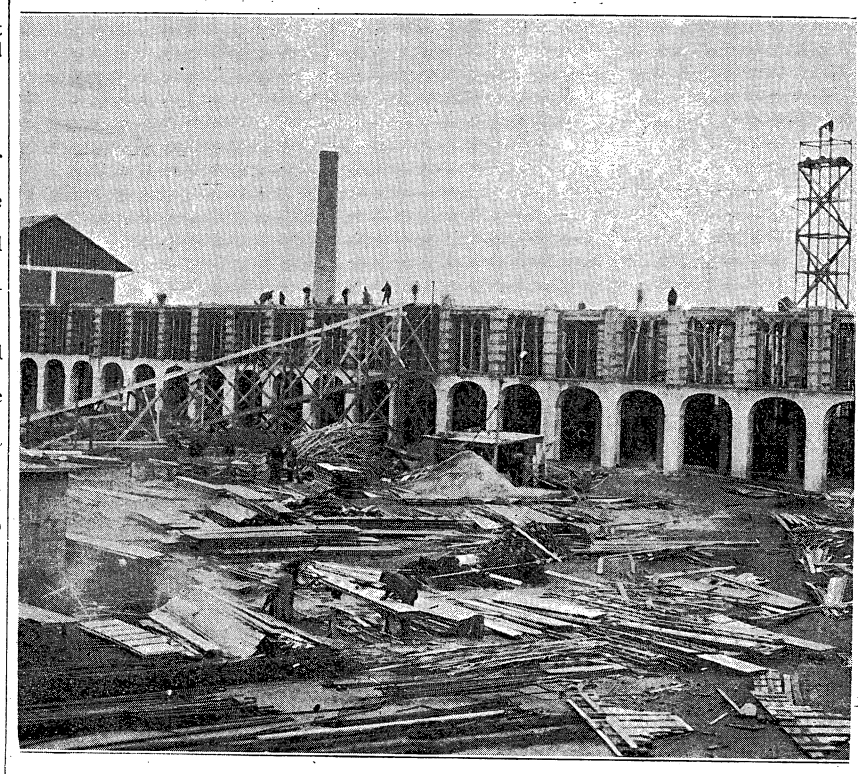
At number seven he started off, feeling bad
He looked as thugh that when 'twas over, he'd be glad.
He got himself into a devil of a fix,
But finished up with a snappy six.

On number eight, a ladylike shot
Placed his ball, out of bounds, into a lot
His second was a shot of three hundred yards or more
And it looked as if he'd make a damned god score.

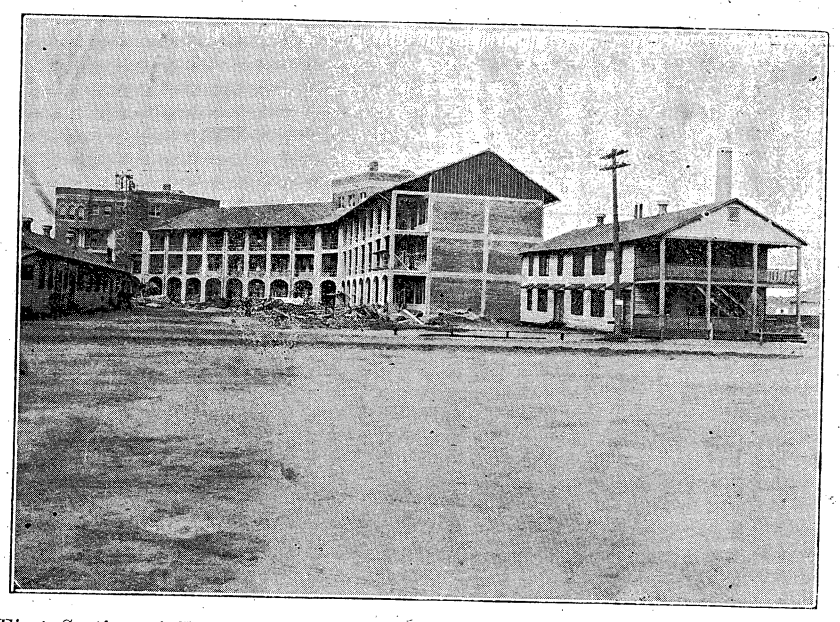
But he shot three more clear out of bounds
And kept his sixth within the grounds.
After much cussing, and saying things mean,
He finished the hole in exactly sixteen.
On number nine with a mighty swat
He send his ball to Colonel Warfield's lot.
His second, third, fourth and fifth, all went into the rough,
And throwing away his clubs, he said "I've had enough"

As you may see, I won my bet,
And my friend is dubbing yet.
And fifty years from now he'll be driving wide and far,
Trying his damnest to make the course in par.

—Annonymous.



Additional Barracks for Twenty-Ninth Infantry now under construction



First Section of Twenty-Ninth Infantry Barracks which was built two years ago

TENNIS TOURNAMENT BEGAN WEDNESDAY

The Tennis Touranment being held at Fort Benning commenced Wednesday afternoon, April 27.

With perfect weather and the courts in the very best of condition, those who were out for opening games, were treated to some very close and exciting sets.

Wednesday results in Singles Class A.

Col. W. C. Johnson won from Lt. Van Houton.

Lt. O. C. Bolt defeated Capt. Phillips 6-2, 9-7.

Capt. Marston won from Capt. E. H. Tilton 4-6, 6-2, 6-2.

Major R. A. Jones defeated Capt. J. V. Stark 6-0, 6-3.

Capt. Withers defeated Capt. Irving 7-5, 6-1.

Results Class B., Wednesday, April 27.

Major Norris defeated Withers R. 6-4, 1-6, 9-7.

Van Houton defeated Dunlop, R. H., Jr., 6-1, 6-3.

24TH INFANTRY DOES GOOD PISTOL SHOOTING

Excellent results were obtained in the record pistol practice completed last week by the 24th Infantry. At the beginning of the month a firing group of men who had recently enlisted in the regiment and those who did not qualify as sharpshooters or better during the last target season was placed under the instructions of Captains P. E. Leiber, W. T. Scott, J. L. Ballard, and J. C. Newton. The majority of these men had very little military service and this was their first experience with firearms of any sort. Of the 90 men, who completed the course, 77 per cent. qualified as marksman or better. The five highest expert scores were those made by Private Leet T. Parker, Company "H," with a perecentge score of 89.67, Private first class Tom Fields, Company "M," with 88.3; Private Robert Palmer, Company "F," with 85.17 and Sergeant William Harrod, Company "K," with 85 per cent. of a possible score.

INFANTRY LA CROSSE TEAM DEFEATS GEORGIA TECH

The Benning lacrosse twelve secured a measure of vengeance on the Georgia Tech butterfly chasers by defeating the Atlanta boys Thursday afternoon, 3 to 1, in a hard fought and biterly contested struggle.

The Atlantans, as on Monday, showed a decided superiority in passing and teamwork, but in Lieutenant Cornog, Doughboy goal keeper, they found an impenetrable obstacle. Time after time the visitors brushed the Infantry defense aside and swarmed around the goal, but on all save one occasion, Cornog blocked their well-intentioned shots and saved the day.

The Infantrymen scored twice in the first half, while the Atlantans were held scoreless, while in the second half the count was 1 all. Kammerer and Carraway were again the Inafntry's attacking aces, the former netting two goals and the latter one.

Even after yesterday's game Tech holds a clear margin of 3 games of four played between the two teams this year, the Atlanta collegians having previous to their trip to Fort Benning, won two games on their home field. This is the first year in which the Techites have ever been able to win a series from the Doughboys. Their lacrosse rivalry began in 1923.

Quartermaster Corps

UTILITIES BRANCH

Lieut. Col. P. S. Halloran, M. C., is not a member of the Q. M. C, but he might as well be a Utilities Officer in a pinch, for he has personally handled, through this department, the details of many and many a construction or repair job for the hospital while on duty here, and believe me, he knows his hardware! This week we finished packing his furniture preparatory to shipment to the Philippines, and the Colonel came around and told us goodbye. We felt almost as if we were losing one of our own number. We wished him the best of luck, and want to repeat the wish. We hope that his sucessor will be as good a sport and as square a shooter in all respects as Colonel Halloran. The only change we can possibly ask is that he shall not be quite as good a golfer.

If you are having trouble with your water service, be as lenient as possible with the Q. M. The water and sewers gang are working steadily on rotten water mains, replacing broken wood stave pipe with cast iron. It's a thankless job, but we believe that some relief is at last in sight. It may be that after the first of July enough funds will become available to allow some real work to be done on these lines.

QUARTERMASTER DET.

Quite a few new arrivals have joined us during the past few days and are being initiated inthe mysteries of Army Life, such as the K. P. degree, Knights of Room Orderly etc, Among these new men are: George G. Ames, George Anderer, William Campbell, Sidney Cohn, Isaac Ford, Teodore T. McGinnis, Dee D. McKnight, George F. Orr, Jr., Delmar Vitatoe and Berkley Williams. The christian name of George seems to be very popular among these new boys, but By George, we're glad to have them all.

Our base ball team is ready for action and is awaiting challenges from other teams who think they can play ball. Call 39 and ask for Sgt. Reynolds.

Monday we scraped the frost off our khaki and donned them. We hope the weather man will take the hint and dish out the proper temperature to go with them.

86TH MOTOR REPAIR SECTION

There are vacancies for five auto mechanics in teh Motor Repair Section. Men qualified will be given a rating on joining the detachment. This is the golden opportunity for you!

29TH INF.

HQ. CO. FIRST BN.

Sgt. Davis is back for duty with the company after an absence of several weeks.

Cpl. Black and Pfc. Combs returned recently from their re-enlistment furloughs. Cpl. Black reports he took unto himself a wife while in Pittsburg. Congratulations Cpl. We wish you luck and joy, every year a girl or a boy.

Yesterday we put on our last demonstration in the organization and functioning of a Bn. Hqr. and Hqrs. Co., for the officers of the N. G. We are looking forward with pleasure to the maneuver period.

We extend to Rgt'l Hdqrs. Co., and 2nd Bn. Hdqrs. Co., our congratulations for winning 1st and 2nd place with the communication cart in the horse and transportation show. Good work boys.

For some unknown reason Pvt. Odel. didn't make a successful "hello girl" at the signal office, consequently he is doing his regular turn of duty in the company again.

JUSTICE.

HQ. CO. 2ND BN.

This company has, in the past week received a number of new men and it looks like some farms are going to be short help when the spring planting starts.

At the Horse and Transportation Show Saturday, April 23, 1927, 2nd Bn. Hqrs. Company held up their reputation in speedy wire communication and carried off first honors. At first we thought we were only going to get second place; but after arguing that we were the only ones that could not be disqualified, we were given the cup. We will have to see that the mules name is engraved on the cup too, for he sure was a fast one.

Sergeant Lowe is back at Regimental Headquarters for 45 days duty, We cannot keep him with us, but Lewis says he does not care, he has moved up there to smoke his pipe.

WILLIAM B. SMITH.

HOWITZER COMPANY

Our good friend, Sgt. Yearty, has returned fr duty after quite an extended furlough. Indirectiy welearn that his mercantile business, established while on furlough, is operating on a paying basis. Good boy, Lawrence, that's the way Woolworth got his start.

Sgt. Tom Tompkin, the Stand-by of Howitzer Co., has purchased a Ford, Touring. Come on, Tommie, you'll never penetrate Tennessee with this means of transportation.

The Overhead of "C" Company is rationing with this organization while the command proper is on maneuvers. Another way to increase your Company Fund, Economy, my Lad.

The Company goes on the Range May 1st. Obviously this will have been our hardest year; but, nevertheless, our goal is still the same—One Hundred Percent. Qualification. Give 'em Hell, boys.

NICK CARTER.

COMPANY "E"

Well Company "E," lost the baseball game to the Service Company for the Regimental Championship 6 to 5 but they can't say that we did not make them play ball.

Corporal Miscar and Corporal Boling are back from their 90 day furlough and seem glad to be back. That must be the way they were strutting their stuff Saturday night in Columbus.

Corporal Oliver has used up three calendars counting the days until he gets discharged. See Sgt. Williams Oliver, and he will issue you a few more. We know you are going to re-enlist.

Sergeant Dalby and Corporal Miscar have changed their way of living now, they don't stay in town all night, when they go they come back about 4:00 A. M.

ISAAC M. YARBROUGH.

COMPANY "G"

We are glad to see an old timer around again after a three months re-enlistment furlough. Sergeant Herring seems to think Fort Benning a better place than real estate in Florida. He was unlucky in going to the sunny state before the fruit crop came in.

Private Catrer has just returned from a sudden visit to his home in Ohio. He came back quite unexpected, and expressed his desire for one more plate of Army "Slum."

Private Bush seems to be losing his wind since the buglars all deserted him with discharges and furloughs. His calls are getting weaker and weaker but he claims that he may hold out providing the cold weather lasts long enough. Private Hays is shinning his old trumpet to assist Bush as soon as he gets rid of the pool table. He claims bugling is better than playing the graphophone.

VAUGHN.

COMPANY "D"

Fourteen likely looking recruits from South and North Carolina, Louisiana and other Southern states arrived in Company "D" last week full of enthusiasm for the Infantry and the Infantry School. Perhaps their ardor will fade after a few months of service. One of them, Ellis will probably not be with us such a long time as he is agraduate of a prominent Southern Medical School. The pill rollers will probably get him. The recruits are:

Boggs, Martin, Lee, Andrews, Hawthorne, Ellis, Grant, Vail, Patchley, Hogan, Benoit, Robichaux and Farmer.

We are certainly sorry to see Bernard B. Swayze's dope bucket upset by "Pee Wee' Whittake, the galloping leader of the equally galloping seventh squad. About a month or so ago Swayze predicted in a signed article in the Infantry School News that "H" compnay would undoubtedly win the cart event in the Post Horse Show.

However just to show the size of our heart we are glad to extend to "H" company a standing invitation to see our gun as it has been placed for exhibition purposes inthe orderly room.

In a signed cntribution not so long ago Swayze prayed fervently that "H" company be relieved of the Blue Pennant. We are certainly glad to see that the Howitzer company succeeded in bringing home the bacon to the special units.

As for mule "polo" we really have'nt the time to chase an wooden spheroid around a green field. It takes all of our time to win first place in machine gun cart events, mounted night patrol, paper chase and scoring the most points in the Regimental Horse and Transportation Show and in many other ways helping to put the name of "D" company in the high places.

And another thing. When it comes to winning these events it don't take us all night to do it.

Sandifer, Snyder and Hope were discharged the past week for various causes. Good luck to you. Yoder bought out.

Bye-Bye Mr. Swayze, till week.

FINE AIR EXHIBITION SEEN HERE

INFANTRY AND FIELD ARTILLERY ARE ATTACKED WHILE ON THE MARCH BY PLANES SHOWING EXCEPTIONAL TECHNIQUE

Last of Demonstrations was Held Wednesday Morning; Spectators are Thrilled; Maneuvers Prove Interesting to Officials and Students; Aviators Go to Texas

By LT. GEO. L. POTTER

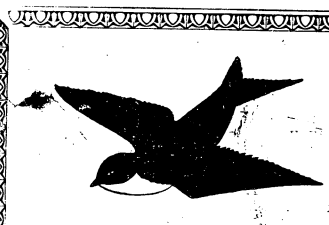
The closing program of the big aerial demonstration at Fort Benning, which has been in progress since Monday, came to a close Wednesday morning about noon. The demonstration opened with an attack on a battalion of Infantry marching on the First Division road at 9 o'clock. The division hearing the enemy planes approaching took to cover. As the planes swooped to the attack the Doughboys opened a simulated fire and after the planes had sprayed the Infantry with smoke, bombs and machine gun fire, the Infantry reformed and continued their march.

Following this a battalion of the 83rd Field Artillery moved into position and opened fire on the enemy. The scout planes, flying high, observed the results of the artillery concentration and working in conjunction with the guners, corrected their aiming points until the 75's were plunking into various targets. It was an excellent demonstration of the great assistance which the air forces can render to artillery in battle.

Final Event Held

The last and final event was an attack by aviation on a battery of field artillery in action. While, of course, no ammunition was used, it is believed that the artillery forces would not have enjoyed to any great extent their reception from the skies.

Thus was completed one of the finest air exhibition ever witnessed by a majority of the officers and civilians who witnessed the program. It was a revelation to the many who believed in the air service to a limited extent, and went far to prove the point that the best defense against air service is air service.



Blackbird—

Says that since the opening of the swimming pool the natural scenery of Benning is *prettier than ever.*

From Fort Benning the fliers will wing their way to San Antonio, Texas, where they will take part in the annual summer maneuvers or the second division. The time of their departure was not announced.

Tuesday's Program

It was the concensus of opinion of the many officers and civilians who attended Tuesday's program that the air show in which some 32 planes of the United States air forces took part, was the most comprehensive and complete of any ever witnessed. Thrill followed thrill until the spectators reached a point when another gasp would probably have produced nervous prostration. Time after time a group of planes would climb to an altitude approaching seven or eight thousand feet, then turning nose downward they would drop plummet like to the earth in a few seconds, swinging back upwards when but a few hundred feet from the ground. Particularly breathtaking was the attack by flights of pursuit planes against a group of heavy bombing planes, which were supposed to be on a mission of bomb dropping. The pursuit planes climbed to several thousand feet above the bombers, then dropped like stones, in front of behind and over the heavier and slower planes. One plane in particular flew at the rate of about 100 miles per hour over the spectators, clearing them by quite a safe margin. However, very few of the spectators were looking upwards, and as a result, the speed of the plane has been estimated at as high as 1,000 miles per hour, while one spectator declared that his hat had been knocked off by a wheel on the plane. All the spectators were quite close to the ground at the time of the planes passing.

Planes Leave for Texas After Demonstration

The aerial demonstration ended Wednesday noon, and before dust all the air fleet except 12 attack planes from Crockett Field, Texas, had taken the air and were winging their way toward San Antonio, where the greatest peace time concentration of army planes ever held in the United States will take place in connection with maneuvers of the famous Second Division, stationed near the Texas city. The Crockett squadron took off Thursday morning for their home station.

Concluding the big three-day demonstration at Benning was an interesting program Wednesday morning. At 9 o'clock a battalion of the 29th Infantry, marching out the First Division road was subjected to a simulated attack by a squadron of attack planes. The Doughboys, on the approach of the airmen, took to cover and opened a heavy imaginary fire on the attacking planes, while the aviators sprayed them with theoretical machine gun bursts and dropped hypothetical bombs in their midst. Finally the planes were assumed to have been driven off, and the Infantry resumed its march.

Closing the demonstration was a simulated attack on a battery of artillery in action. Of course no real ammunition was used, but it was the concensus of opinion that had the airmen been real enemies the lot of the gunners would have been anything but a happy one.

Thus closed the biggest air show ever seen in this section and it is believed that many who viewed the demonstration have become converts to the theory that the only real defense against air attack, is by defense in the air. The results from a military standpoint and the effects that these maneuvers may have on future ground and air tactics must have been highly satisfactory to the army and air corps authorities, though of course no details along this line have been revealed.

During the three days of the demonstration there was only a single accident and that of a very minor nature. Two planes were slightly damaged as one of them was landing but no one was injured.

Plane Crashes

Only one minor accident marred the landing of the air fleet. About 1:30 o'clock, on Monday an airman, whose identify could not be learned, experienced difficulty in landing and in order to avoid striking another plane which was already on the 29th parade grounds, swerved his plane sharply and broke his landing gear. It was generally reported that the aviator was injured, but both Colonel Delaplane and Lieutenant Hardee explained that no one was hurt.

List of Observers

A complete list of the officers visiting Fort Benning as observers of the air demonstartion follows:

Col. C. S. Lincoln, G. S.; Col. R. S. Fitch, cavalry; Lt. Col. Creed Cox, F. A.; Lt. Col. Troup Miller, cavalry; Maj. F. B. Wilby, G. S.; Maj. T. D. Osborne, F. A.; Maj. H. C Pratt, A. C.; Maj. J. J. O'Hara, cavalry; Maj. P. W. Booker, F. A.; Maj. J. R. Brabson, F. A.; Maj. R. E. Guthrie, C. A. C.; Maj. F. D. Lackland, A. C.; Maj. H. L. Twaddle, G. S.; Maj. Howard Eager,

SOLDIER MOORE AND DICK WHITE IN TEN ROUND GO SATURDAY

Fort McPherson Soldier Meets Pride of Columbus in Season's Feature Fight; Odds on Soldier

By HENRY AVERILL

Fort Benning's big air demonstration caused the postponement of the White-Moore fight card until 8 o'clock Saturday night, May 7. It was found that it would be impossible to make the necessary arrangements in the Doughboy Stadium without the service of large details, and the details could not be secured until after the air show, as the fort personnel were busily engaged in the maneuvers.

The two day postponement was acceptable to both White and Moore and the preliminary fighters, being all from this vicinity, raised no objections to the shift. Moore wired that he will be on hand for the night of the 7th.

The demand for fight tickets was brisk yesterday and it is believed that one of the largest crowds ever to see a fight at Benning will be around the ring Saturday night. The soldiers are banking heavily on Moore, who is a Fort McPherson doughboy to trim the pride of Columbus as well as on Danny Davis and DePratt, their other favorites, who will be on the card.

THE DOUGHBOYS AND THE BULLDOGS SPLIT EVEN IN LA CROSSE SERIES

The Infantry School split even in the two game series played here, Georgia winning the first game 5 to 3 and dropping the second one to the Doughboys 9 to 3. In the first half of the first game the Bulldogs swept the Doughboy defense aside, and with fine passing and hard running had piled up a 5 to 1 lead at the end of the first half, in the second half the Doughboys came back strong and held Georgia scoreless during the last half but could only chalk up two markers themselves. Drew for Georgia was the outstanding player on the field. He is rated as one of the best La Crosse players in the country.

The Infantry came back strong in Saturdays game, playing the Bulldogs off their feet, winning with ease 9 to 13. The Doughboys started the game with a rush passing the ball down the field at will and breaking up opposing plays before they were well started, the Infantry showed the best teamwork they have shown this season. The La Crosse team hopes to get an earlier start next sea-

Main Branch

Fort Benning, Georgia

Phone 217

General and Mrs. Edgar T. Collins, Colonel and Mrs. Cocheu, Colonel Helms and Colonel Singleton were in the receiving line of the Reception and Tea Dance held at the Polo Club on Tuesday afternoon. The party was originally planned in honor of the Assistant Secretary of War Mr. Harford McNider who was expected to visit Benning to witness the three day air maneuvers of the past week, but who was unable to come.

* * *

The 29th Infantry gave a "Hard Times Party" at the Hop Room on Tuesday evening. The receiving line included General and Mrs.Collins, the officers and ladies new to the regiment and the aviators who were guests at Fort Benning for the demonstration. The majority of the costumes were informal, cool and comfortable so that the spirit of comradie, aided by frequent Paul Jones, was attained and maintained throughout the evening. Striking costumes were worn by Lt. and Mrs. Aubrey S. Newman, Mrs. George Smythe, Lt. and Mrs. Stewart Beckley, and Miss Lola Lennon.

* * *

Mrs. Vincente Lim entertained with three tables of bridge and one table of Mah Jong on Monday afternoon. The prizes were beautiful inlays of Phillippino lace and were won by Mrs. Ruckle, Miss Kingman, and Mrs. Warfield in bridge and by Mrs. Earl at Mah Jong. Several guests came in to tea and a delicious salad course and ice cream and cakes were served.

* * *

Mrs. Stewart Beckley entertained the Field Artillery Bridge Club and a few guests with four tables of bridge on Tuesday afternoon. Iced tea was served during the game and ice cream with strawberry sauce and cakes were served afterwards.
The prizes for high score were won by Mrs. Murphy and Mrs. Pollin.

* * *

Captain and Mrs. Avera entertained with a bridge dinner of twelve Saturday evening of last week the first prize was won by Captain Pollin and the second by Mrs. Donaldson.

* * *

Mrs. Frank Vinson entertained a large party with bridge at the Polo Club on Wednesday afternoon.

* * *

The National Guard and Reserve Officers of the Class gave a very delightful dance on Friday evening at Biglerville in honor of the officers and ladies of the Garrison. There were two orchestras one at each end of the hall which played without intermission and dancing lasted until two o'clock.

* * *

Mrs. Kelly entertained very attractively on Friday afternoon with Bridge and Tea at the Polo Club.

* * *

The officers and ladies of the 83rd Field Artillery will have a picnic supper party on Saturday afternoon at Jefferson Hole, leaving the officers mess at four and returning by moonlight in reconaisance cars.

* * *

Mrs. Steele entertained with a bridge party at the officers club on Tuesday afternoon.

* * *

Mrs. Edgar T. Miller entertained with bridge on Friday afternoon in honor of Mrs. Henry Danhke.

* * *

Major Burne gave a supper party for forty guests at his home on Friday evening.

* * *

A "Get-To-Geter" party was given at the Log Cabin on Tuesday by the wives of the officers who will take the course at Fort Leavenworth next year. Bridge was played and refreshments were served.

* * *

Mrs. Lloyd Jones entertained with a large luncheon party on Tuesday afternoon.

Mrs. James Sproule entertained with bridge on Friday.

THE INFANTRY ASSOCIATION

Up to the time of the World War there existed only one institution that had as its purpose the furtherance of the progress of the Infantry branch of the Army. This institution was organized in 1904 by officers of the Regular Infantry and still carries on as the United States Infantry Association, with headquarters in Washington. The Association engaged in many bitter struggles to gain the proper recognition for the Infantry and it has been successful in its efforts. It was one of the leading proponents for the establishment of an office of a Chief of Infantry and for the building of a proper Infantry School, two most valuable assets of the Infantry service.

The Association established its official mouthpiece, the Infantry Journal, in 1904, published as a quarterly. After some years it became a bi-monthly, and within recent years it has appeared every month, giving the latest information on the developments in the Infantry and on allied topics as well as professional discussion on matters of timely interest to the Infantry and the Army.

The April number of the Journal was a very attractive special issue devoted to the Phillippine Islands. The May number, just off the press, devotes more than twenty pages to the discussion of the mechanization of military forces. The leading article is written by Col. J. C. F. Fuller, well-known British tank expert, followed by a discussion in which the following officers participate: Brig. Gen. S. D. Rockenbach, Col. Frank Cocheu, Col. C. H. Miller, Lieut. Col. W. B. Burtt, Lieut. Col. P. S. Bond, Major M. H. Thomlinson and Major M. E. Spaulding. The issue contains other material bearing on the question that is now being so widely discussed.

The Chief of Infantry is among those who believe that every Infantry officer to whatever component he may belong be an active supporter of the Infantry Association and should keep abreast of Infantry thought by reading the Infantry Journal. The dues to the Association, including the subcription to the Infantry Journal, is only $3.00 per year, the same as they were when the Infantry Journal appeared only as a quarterly and bi-monthly. The president of the Fort Benning branch of the Association is Col. Wait C. Johnson, 24th Infantry, and the local representative of the Executive Council is Lieut. Col. Asa L. Singleton, 29th Infantry.

ARMY DEMONSTRATES ITS PEACE TIME UTILITY

Our standing army stads ready to serve the citizenship in times of peace as well as in times of war.

San Antonio is fortunate in being the military center of the Southwest, for in case of any emergency in this territory thousands of men trained and equipped to meet emergencies are available. The army works quickly and intelligently whenever its service are required.

San Antonians remember the excellent work of the army during the flood several years ago. There are many lives that have been saved in Texas during the last twelve months by the efficient work of the army air service in carrying anti-crotalus serum to distant or isolated points.

But in a most striking manner the army demonstrated the value of its services in a time of distress, it illustrated splendidly the spirit of the man in uniform, by its work in the relief of Rock Springs.

Among the first to recah the scene of destruction were members of the Fifth Cavalry stationed at Fort Clark. They took charge of the situation immediately, on their own initiative and with the consent of all.

Immediately after the reports of the disaster had been flashed to San Antonio the army, always prepared, hastened to the relief of the striken community. Within a few hours tents, cots, surgical supplies, army ambulances and airplanes were speeding toward Rock Springs.

Army ambulances and ambulance planes returned from Rock Springs bringing the injured to San Antonio for medical attention. Many of the injured are now being treated at the base hospital.

By its efficient work in numerous emergencies the army is gaining more than ever the respect and admiration of the people throughout the eighth corps area.

The old idea that a standing army is a burden to be carried in time of peace only for the sake of protection in time of war, rapidly is being abandoned. We never know when fire, flood, wind or earthquake may exact a terrible toll of death and suffering. Then, it is that an organization, trained and efficient, is needed—immediately.

Furthermore, we should not overlook the fact that the army, in the course of its peace time activities, has been responsible for the saving of hundreds of thousands of lives. Army doctors, for instance, aided by the heroism of an enlisted men, won the battle against yellow fever.

Man, in reality, never enjoys a perfect satte of peace. He is continually at war with forces that would destroy him. The army, quietly and efficiently is fighting many of man's peace time battles.—San Antonio Light.

THEATERS

MAY 6, TO MAY 13, INCL.

FRIDAY, MAY 6

"EVENING CLOTHES," starring Alophe Menjou in the stoy of a man who loved his wife so deeply that he rebuilt and later wrecked his whole life to prove it to her. The story is told with startling flashes of humor against the gay background of Paris and the French countryside.

"The House Without A Key," 2nd episode of this tensely interesting serial which, many say, eclipses "The Green Archer."

SATURDAY, MAY 7

"WHISPERING SAGE," featuring Buck Jones in a story of romance and vengeance in the Basque country of the Pacific southwest. It is a picture of a hard riding race of the saddle and throbs with thrills and sparkling with laughter.

"Monkey Business."—Our Gang Comedy.

SUNDAY, MAY 8

"KID BROTHER," starring Harold Lloyd in another one of his big successes. The story involves robbery, Harold's brains against the brawn of a big burley crook and ends in a pleasing climax, wherein Lloyd through his clever foolishness becomes the hero marvel—the story is chuked full of laughs and thrills.

"Chop Suey And Noodles." —Fables.
"Pathe News."

MONDAY, MAY 9

"TOO MANY CROOKS," featuring Mildred Davis, Lloyd Hughes and George Bancroft in a rattling good farce showing what happens when "too many crooks" mistake a society debutante for an accomplice and invade Long Island.

"House Without A Key."—No. 3.

TUESDAY, MAY 10

"THE NIGHT OF LOVE," starring Ronald Colman and Vilma Banky in an intense romance, replete with emotion and dramatic brilliance. The scenes are laid in Romantic Spain, where passion run riot against a vast background of brooding beauty, and voluptuous reverly.

"Bull's Eye."—Sport Comedy.

WEDNESDAY, MAY 11

"THE COUNTRY BEYOND" from James Oliver Curwood's great novel; featuring Olive Borden, Ralph Graves and Gertrude Astor. The story is a soul gripping romance of love and adventure from the cloud piercing peaks of the northwest to the sky scrapers of New York.

"Collegians No. 6."

THURSDAY, MAY 12

"FASHIONS FOR WOMEN," featuring Esther Ralston and Raymond Hatton in a lavish photoplay of beautiful women, sensational love scenes, and sophisticated humor—all leading up to the grand finale of a gorgeous fashion revue. The background is the thrilling environs of gay Paris.

"Pathe News."

FRIDAY MAY 13

"ORCHIDS AND ERMINE," starring Colleen Moore in a gay tale of a telephone girl who dreamed of capturing a millionaire and reveling in the life of Orchids and Ermine among the elite, but she fell for a man of her own class. The story contains the usual attractive features, that only Colleen can insure. The settling is a $40.00 a day New York hotel.

"House Without A Key" No. 4."

Park at C. A. Morgan & Co. Open till 10 o'clock. Soft Drinks, Drugs and Cigars.

INFANTRY BASEBALL TEAM TAKES BOTH GAMES FROM GEORGIA FRESHMEN

Benning took both agmes of a two game series played here last Friday and Saturday with the Georgia University Freshmen, Fridays game was one of the prettiest games played here this season, it was a pitchers battle between "Wee" Grady Tolle for the Infantry and Murdock a southpaw for Georgia.

Tolle gave up three hits and issued one base on balls, while the Infantry got seven hits off Murdock and two free tickets to first.

The Infantry scored once in the first inning, Smythe, lead off man, singled to right but was forced at 2nd when Magagna attempted to sacrifice, Pete was safe at first on the play, Reeder hit a liner to center for two bags Pete stopping at third, scoring on Kellys sacrifice to left field.

The Bullpups scored their only run in the sixth inning when Butler got a two bagger off Tolle, the first hit he had given up, went to second on Paris sacrifice and scored when Griffin singled to right field.

Franz started the rally in the ninth, that brought home the bacon, when he beat out a slow grounder to third, Willis was safe on Riddles bobble Fat going to second, Tolle sacrificed them both up a notch then Mr. Smythe sewed it up with a long fly to deep right Fat coming home with the winning run.

BOX SCORE 1ST GAME

FRESHMEN	AB	R	H	PO	A	E

MOTHER'S DAY SERVICES SUNDAY AT THE INFANTRY SCHOOL

In appreciation of some of America's greatest heroines. The Mothers of the members of the Infantry School Command, appropriate services will be held in their honor at 10:30 o'clock at The Protestant Chapel, Sunday morning, May the 10th.

The program will include the rendition of "Mother-Love" by a well-trained choir of ten voices with Mrs. Edwin Butcher at the piano. Mrs. Edgar S. Miller will sing "Mother O' Mine." The choir is composed of Mesdames Jesse A. Ladd, Frank W. Young, James L. Ballard, Eugene E. Barton, Frances T. Green, Leonard R. Boyd, William A. Collier, Edgar S. Miller, Charles E. Hurdis, George L. King.

The decoration of the chapel for the occasion will be under the supervision of the Woman's Chapel Guild. The floral offerings will include greens from the forest and potted plants from the Green Houses in Columbus.

This program is being extensively advertised in the local and the city press. It is expected that a splendid audience will attend this service Sunday morning.

Sunday evening at 5:30 The Rose Hill Christian Church, Christian Endeavor will have charge of the Fort Benning Christian Endeavor program in the Protestant Chapel.

At 6:00 P. M. the Rev. G. R. Smith, assistant pastor of St. Luke's Methodist church of Columbus with the choir of that church will have charge of the evening service. St. Luke's Church has a splendid choir, and the assistant pastor is an speaker with a most pleasing personality.

Every member of the Infantry School command, their families and civilian friends are cordially invited to hear these programs.

INFANTRY SCHOOL DETACHMENT

Private Lowndes was discharged Saturday and immediately re-enlisted and departed on a three months furlough.

Private Clyde Morgan purchased his discharge last Saturday and is making a try at civil life in Columbus.

Corporal Fredericks recently received a well earned promotion to the grade of Sergeant.

The following named men are now the proud owners of Corporal Chevrons: Echlin, Manning, Henderson and Lacoss.

Private Fairfax is a new member of the Detachment, having been transferred from the 29th Infantry. He is now on duty at Garrison Headquarters.

Privates Madden and Howell were discharged Wednesday. Howell re-enlisted and is taking a three months vacation. Madden says he is going to try civil life in Columbus, having secured a position with the Chero-Cola Company.

"Tiny" Cochran is to be discharged Saturday and he says that the world outside is too cruel for a small man like himself and he is not taking any chances on not getting another meal ticket.

HQ. CO. 1ST BN.

The company is engaged in signal communications school at present, preparing for the meneuvers.

"Sweet Reiman" nas been relieved from special duty with the Post Exchange to do his stuff as radio operator during the maneuver period. Reiman says its a "raw deal" to take him off of a soft job to be sacrificed to the snakes and mosquitoes out in the woods.

Sgt. Rambole and his understudy "Laxton" are devoting most of their time renovating the desks in the orderly room, sofar they show every indication of being experts at the job.

HQ. CO. 2ND BN.

Corporal Rogers is now back with the Company after a 6 days furlough visiting his home in Adairsville, Georgia.

Private Griggs has been discharged from the hospital and has taken up his old duties of company runner.

We have in our Company a Corporal who sure does take the cake. Whenever he goes to town, the female of the species simply mob him. Oh! but he is good looking. But after this we are going to see that he has ample protection.

We can't bear to see good neighbor Company "H," or B. B. Swayze roasted in these columns byany member of company of the First Battalion, when said Battalion has won so few first prizes in any sport contests or Horse Shows. We know company "H," can put out and win back that which they have lost. Good luck to you Company "H," we in this company are all with you.

Sergeant Sterling will be discharged this week per ETS. but we all know he is going to take on another stack. How could we get along in this Company without him!

WILLIAM B. SMITH.

COMPANY "B"

There should be plenty of fish in Co. "B" now as there was twenty-five fishing permits issued a few days ago. Don't know what the boys want to catch, whether it is "Finny Fish," or "Fishy Fish." From the appearance of some it must be "Fishy Fish" they are catching. One fellow made the remark that he was so full of fish, he felt like he could float. Wonder who it was?

Six of our Co. Baseball Stars are out competing for berths on the Bn. Nine. Namely; Berthiaume, Loper, Hammonds, Guzman, McCurry, and last but not least, Our "All-Star," Pvt. Sargant, whose motto is: "Trap That Fly."

We are glad to have Pvt. Barr as Recreation Room Orderly again. Luck to you, maybe you will get to be Corporal again before long.

The First Sergeant has been very busy the last few days shining his desk, now it looks like "A Million Dollars." The best in the Regiment according to his estimation. Which is correct.

Wonder what is wrong with "Abie" Hoffman, and "Shrimp" Barrett, getting ready to wallop each other again?

"There Ain't No More."

BOLEY.

COMPANY "C"

Sgt. d'Entromont and several other men reported here for duty yesterday. They seemed to be glad to get some of Company "C's" good ole chow after being economized on in the Howitzer Company.

When Pvt. Moore came out here he was so weak he had to be carried on the rolls.

d'Entromont, of this company, certainly distinguished himself on the La Crosse field in the last game.

We have several good men who are going out for the Battalion baseball team. They are Corporals Couture, Brzostowski, Billiter and Vangroski. Here's hoping they make the team.

—John L. Biggerstaff.

The Well Dressed Officer Blacking His Sights

COMPANY "D"

Another one of those quite hectic pay days has gone into history. It was eventful to say the least.

We wonder why Sergeant Harkey spends so much time wistfully wandering around our company street. It cannot be that he is getting tired of "H" company.

Spring has arrived and with it the usual yearnings in the hearts of some of our young men for the pulchritudinous damsels of the Electric City. One more and we Go!

The maneuvers are just around the corner. On May ninth we will board the Toonerville Trolley for Camp Liscum, otherwise known as Sulphur Springs where the breezes blow and where the mosquitoes bite and bite and bite.

Sgt. Joe Dark according to latest reports has been smitten with the divine passion. Some call it love. The writer calls it foolishness being a confirmed, crusty old batchelor. Happy days, Joe.

What? No more lemonade? What kind of a dinner is this?

GEORGE R. BECKER.

COMPANY "E"

The Second Regimental NCO School is now over. Company "E," having won second high place. Those attending expressed their appreciation of having Lieutenant Boatner as instructor for drill and command examinations. Corp. Poisso was somewhat surprised when he went over the top.

Sgt. Dalby and Corp. Taylor has not been themselves for the past two months. It seems that every time their heart beats four times it spells the word love. Do not take it to serious boys, because true love never runs smooth. They went to West Point during the week end and some boys over there took their car and cotton O. D. coats but they were fortunate in getting a ride back to the Fort in a taxi that picked them up on the way over.

Corp. Pinero has put in to purchase his discharge and thinks he is a short timer, but he knows where his chow and a flop comes from. He states that Columbus is not wild enough for him, so he is going back to the swamps of Louisiana.

ISAAC M. YARBROUGH.

COMPANY "F"
NEWS FROM THE FRONT

The Company is raising Camp Egbert on its "pins" in fine shape. The Camp is being rapidly built-up. The old "F" Company spirit being maintained the while.

The advance detachment was able to take time enough off to make the Camp Commander an appropriate reminder of his work to come—a weapon of the deadliest nature. The Major will doubtless find use for this expensive gift.

The advance detachment came in from the woods to attend the show the other night—Golmore was heard to remark—"Why the place has not changed abit!"

Pvt. Odis Jackson was discharged—minor on 29th.

Pfc. Edelston is the latest worryer—he can not decide whether, "to be or not to be"—hungry.

Sgt. Boring and Pvt. Higginbotham are also on the fence.

O. W. NELSON.

COMPANY "G"

Private Stevens has decided that he wants to try out his water wings when he applied for a purchase discharge to return to Mississippi. He is a qualified swimmer and wants to return home to save the chickens from all getting wet. We can assure him a wet reception from the "Father of Waters."

Private Steele is again with us after spending a quiet vacation in the middle west. Things seem to be very dull in the oil fields, and he thinks Fort Benning better than wading around in the Mississippi flood.

Corporal Kirkland has lost ten pounds keeping his recruits in step. They are learning fast under his excellent tutorship. He claims they know the names of their squad leaders after two weeks training and he will have them posted on the names of the First Sergeant in a few days. Corporal Hoffman has stopped parting his hair in the middle for it has a bad effect on the moral of the new ones.

—Vaughn.

COMPANY "H"

Corporal McGuinness and Private First Class Sam Schwartz have returned to the fold. For the past forty-five days, they have been visiting relatives in New York. They report that civilian life is not what it "Usta wuz," but they will be powerful glad to get back to it.

Private First Class, Specialist fourth class John T. "Andy Gump" Caho has returned from a re-enlistment furlough. We are all glad to have "Andy" back with us, for it is a well known fact that he can sling a willing slum dish. He is one of the best cooks that attends our mess and we will be more than delighted to give proof to the potato pie.

In all earnestness and sincerity, we wish to congratulate our friends of Company "D" in winning the machine gun cart event in the Post Horse Show. The entries from that organization evidently worked a little harder than ours in preparation for the event. They won it fairly and squarely and we have no alibi to offer. However, it is about time for that organization to wake up a showing in that event. Since 1922, the first time that machine gun carts were shown in the annual horse show, "H" Company has won every time, with the exception of the 1927 event. While we hate to loose, we are glad that our friends of "D" Company have at last realized that it was about time for them to wake up and give us a little competition.

We also think that it would be much better if our machine gun friends of the First Battalion would give us a little competition in the matter of the Regimental Blue Pennant themselves, instead of boosting for an outfit from the Special Units. Why not come forward and win it from us yourselves? As Pricilla told John Alden, "Why don't you speak for yourself, George R. Becker."

—Bernard B. Swayze.

First Drunk Man on Street Car—Shay, wot times ish it?

Second Ditto (pulling out knife)—Ish Wednesday.

First Drunk—Shtop the car, ash where I get off.—Buffalo Bison.

PERMANENT PERSONNEL WINS OVER STUDENTS IN MOST THRILLING GAME

Student Officers Fight Hard but are Unable to Overcome Lead of Fast Playing Perms.

(By Capt. B. B. McMahon Enquirer-Sun.)

Hundreds of homes were in darkness and sorrow last night, hundreds of homes where once little children sang happily as their fathers returned from the day's arduous toil at Fort Benning. For the baseball team representing the permanent personnel plastered the student officers' team to the tune of 8 to 2, and it is seriously doubted whether the score represents the relative playing strength of the two teams, for the students gained their two runs by what some deep thinkers term skull-duggery or shenanigans.

Time and space will not permit a complete description of the game play by play and error by error.

The line-up.

The Advanced Class is Being Crowde d with Marked Problems this Week

PACIFIST CONTROL OF THE SCHOOLS

Superintendent McAndrew says that he cannot believe any member of the Chicago teaching force is justified in hindering the efficient management of the R. O. T. C. "Chicago has organized the R. O. T. C. as part of its school system, cooperating with the national government in maintaining reserve officer training service. It is a practical and obvious attempt to discharge the obligations of the school system. It takes a definite form much more satisfactory than mere vocal hurrah."

Certain of the teachers are endeavoring to hinder the management in this particular. They are trying to do more than that. They seek the abandonment of the service. The official publication of the American Federation of Teachers is opposed to it. Spokesmen for Chicago teachers say that most of the teachers deplore, oppose, and would prevent military training in the schools—Chicago Tribune.

BARRACKS BANTER

By Ad.

"Let 'em fill the song with the airy grace
Of the swoopin', divin' plane;
Wingin' it's way through azure space,
Scoutin' th' foes terrain;
Dronin' an' droppin' out of th' skies,
Guardin' from swift and sudden surprise—
Smoke-blinded Infantry.
—Song for the Infantry.

* * *

Things have been certainly "looking up" around Benning the last few days.

* * *

Watchin' some of those planes knocking off two and three hundred miles an hour made one sympathize with the native from the total immersion belt of Tennessee who was out hunting one day on his home mountain accompanied by his son, a soldier on furlough from Fort Benning.

Suddenly Dad noticed an airplane wingin' its way overhead.

It must have been the first plane to ever cross Hard Cider Mountain and certainly the first one that Pa had ever laid eyes on. For a long time he gazed at the "critter" in open-mouthed amazement.

"Wal I'm danged if I believe it." he exclaimed at last.

* * *

THE SOLDIER CREED

Away with your cringing, christian creed—
Cuddled and coddled in sanctity—
Ours is a Faith in the Christ, who freed;
His Father's temple of merchantry.
Tell us not that this Christ was meek,
Who scourged the mongers with flaming eye;
Christ, the Soldier would never seek
Peace that was purchased with infamy.

Teach us not of a Christ, who died,
Meekly martyred on Calvary;
Leave us our Broken-hearted God,
Draining dreg-depths of perfidy.
Say ye our thorn-crowned King was meek?—
Crucified cruelly — with unbowed head—
This is the meekness we humbly seek;
By such meekness we would be led.

Prate we not proudly the twice-turned cheek,
Timidly proferred an alien horde—
Christ commanded—(Ye call Him meek?)
"Sell ye your garment and buy a Sword."
Ours is the creed of a free-born breed;
Meanness and meekness are not the same—
"Lead us Great Captain," we humbly plead;
"Grant us the God-hood to play the Game."

Absent Minded Business Man (After kissing his wife)—Now dear I will dictate a couple of letters.

24TH INF.

Rejuvenating a 24th Infantry regimental custom the officers and ladies of the regiment serenaded Captains and Mesdames Ballard and Morrow at the quarters of the former last Wednesday afternoon. The regimental band played during the affair and cake and punch was served. In view of the size of the post and the great diversion of duties among the officers, these gatherings are a splendid means of welcoming new officers and their families to the regiment and of renewing social contacts among the older members.

24th Soldiers Entertained

A novel form of entertainment was provided by the Ladies Athletic Club of the 24th Infantry on the evening of April 25th when they gave a "barn dance" to the men of the regiment. The women wore gingham dresses and sun bonnets, while the men were attired in overalls. The affair was given in the Service Club of the 24th Infantry, which had been attractively decorated with bales of hay, farm implements, and sets of harness for the occasion. Music was furnished by the orchestra of which Sergeant W. B. Woods, of Company "H," is the leader.

The officers of the club responsible for the evening's activities were as follows: President, Mrs. Charles Fisher; vice-president, Mrs. Sam Harris; secretary, Mrs. Alfred Williams, assistant secretary, Mrs. Nelson Gilchrist; treasurer, Mrs. Floyd Harriston; mascot, Mrs. N. Van Hook.

Affairs of this nature are in keeping with the desire of the Regimental Commander, Colonel Wait C. Johnson, to have the recreational activities of the men conducted within the regimental area, and anything which provides clean and wholesome amusement for them at this station, has his hearty support.

24th Entertains Tuskegee

The cordial relations existing between Tuskegee Institute and the 24th Infantry were further augmented last Thursday when No. 5 mess of the regiment was host at an excellent luncheon to sixty officers, teachers and students of that institution. The visitors came to attend the baseball game played on Gowdy field that afternoon, and the opportunity to extend this courtesy was taken with much pleasure. Sergeant William Ellis and Jesse Tolbert had charge of the luncheon and to them is given the credit for the excellent way in which the necessary details were handled.

The enlisted personnel of the 24th Infantry were entertained at a dance given at the regimental service club on the evening of April 27th. Company "E" was the sponsor of the affair and the members of that organization were responsible for all details incident to its success. Privates Addie Vanleer, Percy Donison and Elco Bulton had charge of the refreshments and 1st Sergeant Levi M. Thornhill was the floor manager.

Training For the Inter-Mural League Commences

The decision of the Garrison Athletic Council to continue in operation the inter-mural baseball league among the units at this station was received with great pleasure by the 24th Infantry. Last year that regiment entered two teams, the Reds and the Blues. The former won the championship. Preparations are now under way to again enter these two teams. The baseball playing done by the soldiers of the 24th Infantry this year shows that they understand the game, and that each of the two teams will give a good account of itself in the coming inter-mural series.

NATIONAL SPORTS

STRIBLING LOSES TO LOUGHRAN IN TEN ROUND BOUT

Seeking to Redeem Self, Strbling Rushes Wildly and is Tied up, Loughran Gets 7 Rounds, Stribling 2

New York, May 3.—Tommy Loughran, clever light heavy-weight contender from Philadelphia, slammed out a rough victory over Young Stribling, Macon youngster, in a mauling ten round inaugural of New York's fistic season tonight.

Loughran's margin, piled up from the third round on as he met the fierce charges of the southerner with heavy body barrages and straight smashes to the head, brought him the decision of three judges. Ring critics gave Loughran seven rounds, Stribling two, while the first was even.

Coming back to New York rings after two disappointing fights here against Paul Berlenbach and Eddie Huffman, Stribling tore in Loughran with a wild attack that brought him little result. Loughran, stepped inside his punches consistently and in the constant clinching that marred the bout, roughed and clouted with the southerner on more than even terms.

Apparently this hope of redeeming himself before New York fandom robbed Stribling of cleverness and marksmanship. He repeatedly wrapped his left hand around Loughran's head in attempts to land his left hook and his fierce rights fell into the trap of Tommy's arms.

Stribling, in the opinion of critics, had an edge in the second and third rounds, when his rushing offensive bore Loughran's guard down, and laid him open to heavy body punishment. Loughran, from that point on, tied up the southerner completely in the clinches and hammered him solidly when clinches were not the order of the evening. There were no knockdowns.

A light rain, falling intermittently, threatened postponement of the show and brought forth the main bout before the semi-final. The battlers suffered little inconvenience, however. About 20,000 fans saw the card of four ten round matches staged at Ebbets field in Brooklyn.

DOUGHBOYS TAKE SATURDAY'S GAME FROM FRESHMEN

Saturday's ball game found the Infantry batters taking a toe hold and smacking the old horse hide out for base hits and turning the hits into runs, making seven runs off of eleven hits, and being assisted by six errors by the opposing team.

Lindsey pitched good ball for the Doughboys and held the Freshmen safe at all times while Riddle and Rothstein could not hold the Infantry sluggers in check.

The series with Ft. Benning is the first series the Bullpups have lost this season.

Score by innings:	R.	H.	E.
Georgia Fresh. 000 001 012	4	7	6
Infantry 111 030 10x	7	11	3

Batteries: Georgia Freshmen, Rothstein, Riddle (P) and Ethridge (C); Infantry, Lindsey and McCarthy.

ATLANTA BATHERS CONSIENCES WILL BE THEIR GUIDES

Atlanta, Ga., May 2.—There will be no bathing beach censors around when Atlanta's municipal swimming pools open May 28.

Bathing suits will be governed solely by the wearer's conscience, Councilman John A. White, chairman of the parks committee, announced today. "There will be no restrictions whatever on bathing suits," he said. "Bathers may wear one piece suits or anything else that their consciences dictate."

MANEUVER CAMPS TO OPEN ON SATURDAY PROBLEMS MONDAY

Everything Being Made Ready For Reception of Student Officers; Maneuvers End on Twenty-fourth

The camp sites at Harmony Church and at Sulphur Springs are the scenes of great activity this week, as the time for the student officers invasion approaches. Tents, messes, equipment, food, supplies of water and fuel, mess tables, chairs, sub branches of the post exchange and of the officers club, all are being taken care of in a methodical manner which misses nothing, and which at the same time, is accomplishing all of the desired results.

The long lines of tents, which constitute quarters for the students officers as well as the permanent personnel, all are practically ready for the opening of the field exercises, which begin next Monday morning. The signal communications personnel, which includes some 740 enlisted men, reached camp last Monday. Communication equipment has been issued to the various problem groups, and the communications personnel, functioning under Major Willis Tack, chief supervisor of communications for both camps, are ready for the first day of the war.

The signal communications personnel are in a great measure responsible for the success ofthe field exercises, as to them is entrusted the mission of efficiently handling and transmitting all messages and orders the field exercises. This they are ready to do, and there is no doubt but that they will carry on their part of the maneuvers successfully. For several months they have been receiving instructions in all phases or communications work, including raido, telephone, buzzer, and the correct handling and transmission of messages, from Major Willis Tack, Captain Frank McCoy, and Captain E. L. Rice. The men are efficient in their duties, and are ready to efficiently perform their part of the field exercises.

Wonder if there will be as many casualties in this years *stewgent* war as there were last year

AUBURN UNIVERSITY R. O. T. C. UNIT TO TRAIN HERE THIS SUMMER

Camp to Open on June 6th; Unit Formerly Trained at Camp Bragg

By HUGH G. GRANT

AUBURN, Ala., May 9.—More than 200 Alabama and Georgia boys, including several score from Columbus and vicinity, will be commissioned into the Officer's Reserve Corps of the United States army at the approaching commencement at the Alabama Polytechnic Institute May 22-24, inclusive. Major John T. Kennedy, commandant at Auburn distinguished army officer, announced this fact today. The group will be one of the largest graduating classes in the R. O. T. C., in the history of the college.

Major Kennedy also announced that the Auburn contingent of the R. O. T. C., would receive their summer training at Fort Benning, Ga., in lieu of Fort Bragg, N. C.

The fifty-fifth annual commencement will also mark the passing of the Infantry unit of R. O. T. C., at Auburn, Major Kennedy pointed out. Beginning next fall the Auburn unit will be a field artillery unit with one battalion of engineers. Auburn will have the distinction of being the only field artillery unit in the entire fourth corps area.

Old Auburn men, including many distinguished army officers, Gen. Robt. Lee Bullard, of World War fame, for instance, who throughout the past half century have shouldered their guns as Infantry men will probably ask the question, "Why?"

The question was answered today by Major John T. Kennedy, commandant, who pointed out that it is the policy of the War Department to utilize to the fullest the army equipment on hand. Auburn, with its field artillery equipment, it was pointed out, is the best equipped R. O. T. C. in the fourth corps area. In round numbers, the equipment here is valued at three quarters of a million dollars.

Here will be found for instance, eight 75 milimeter guns with caissons; one American 75; one British model 75; one 4 point 7 inch gun; one 155 milimeter Schneider Howitzer; one reconnaissance car; two 5 ton tractors; four trucks; one ordinance repair truck. And besides all tthis, for he engineering battalion, 400 rifles; 2 Browning machine guns; one 37 milimeter gun; one Infantry Howitzer; as well as 60 riding and draft horses, and small equipment, a veritable stage for a light war in the event of an emergency!

And more important is the human feature, the personnel, some 1100 stalwart Alabama boys who as a result of their military training at Auburn are ready for any emergency.

Within the next two weeks, several hundreds of these boys will be commissioned into the Officers' Reserve Corps.

(Continued on page 8.)

TABLET IN HONOR OF GENERAL BENNING UNVEILED ON TUESDAY

Acceptance Made by Colonel Helms For The Army; General Benning's Daughter Unveils Tablets

A bronze tablet, honoring the memory of General Henry L. Benning, was unvieled at the entrance to the Fort Benning reservation at exercises that were held Tuesday, afternoon The tablet was presented to Fort Benning by the Lizzie Rutherford Chapter of the United Daughters of Confederacy.

Addresses were delivered by Mrs. Oscar McKenzie, state president of the U. D. C., and Frank U. Garrard, Columbus attorney. The tablet was accepted by Colonel George W. Helms, executive officer of Fort Benning, on behalf of the post and the United States army.

U. D. C. Head Speaks

In Mrs. McKenzie's speech, she told of the work that is being done by the U. D. C. chapters in Georgia, and Mr. Garard paid high tribute to the memory of General Benning. Mr. Garrard was introduced by Miss Anna Caroline Benning, daughter of General Benning. A short speech of acceptance was made by Colonel Helms in the absence of Brigadier General Edgar T. Collins, commandant of the post.

The exercises were attended by several Confederate veterans. The Twenty-ninth Infantry Band, of Fort Benning, rendered a number of selections.

Program Rendered

The following program was carried out:

Selection — Twenty-ninth Infantry Band.

'Dixie"—Twenty-ninth Infantry Band.

Invocation—Lt. H. H. Fay.

Presenting Mrs. Oscar McKenzie, state U. D. C. president, Mrs. H. Fay Gaffney; page, Mrs. Percy Clarkson.

Addresses, Mrs. Oscar McKenzie; page, Miss Blanche E. Gaffney.

Introducing speaker, Miss Anna Caroline Benning; page, Mrs. Winifred M. Crawford.

Oration, Frank U. Garrard.

Orderlies: Eagle Scout Dana Johnson, troop 3 and Eagle Scout Joseph Russ, troop 11.

Acceptance in the name of the government, Colonel George W. Helms, U. S. A.

Unveiling tables, Miss Anna Caroline Benning.

Placing wreaths in honor of General Benning: City of Columbus, representatives, Mayor J. Homer Dimon; placed by Mrs. Reese Crawford; page, Mrs. Calvin DesPortes.

Confederate Veterans and Sons of Veterans, representative, Lee McGruder; placed by Miss Augusta Turner.

Charles S. Harrison Post of the American Legion and Boy Scouts, representatives, J. Wright Brown and Scouts Johnson and Russ; placed by Mrs. Calvin DesPirtes.

Star Spangled Banner, Twenty-ninth Infantry Band.

STRIBLING AND HERMAN TO FIGHT TEN ROUND BATTLE ON MAY 19th

Contest to be Staged in Columbus at Foxes' Ball Park; Much Interest Shown in Match

By HENRY AVERILL

Ticktes for the Herman-Stribling heavy weight fight to be held at Golden Park, May 19, were yesterday placed on sale at Doc Brooks Barber Shop, the Davis Sport Shop, the Mecca, and Smith's Billiard Parlor. Tanks Grantham, the matchmaker, says that in response to requests many of the paste boards will be sent to Fort Benning, to Montgomery and to other Alabama cities. It was reported last night that already many of the ducats have been sold here in Columbus.

Tiny Herman, Strib's 220 pound opponent will arrive in Columbus tomorrow, thus giving him almost a week in which to become acclimated here, and put the finishing touches on his training. He will probably work out at the armory. Grantham has announced that Herman may go over to Montgomery the first of next week, as fans of the Alabama capitol are displaying marked interest in the coming fight and have expressed a strong desire to get a close-up view of the big boy who has defeated many of the country's best heavies and who believes that he will stow the Georgia Peach away in less than 7 rounds when they get into the ring out at the home of the Foxes.

The main preliminary has been arranged. Rufus Miles will meet Billy "Goat" Harris of Phenix City in a six-rounder. These two promising young lightweights should provide a hectic session for the delectation of those who enjoy fast and furious action. Harris isn't the fastest boxer in the world, perhaps, but he has an iron jaw, a fighting heart, a terrific punch, and an awkward looking, but extremely efficacious style of defense. He believes in going after his man from the opening gong, and in the bouts the writer has seen in which Harris was one of the participants, the Goat has shown himself an exceptionally promising young scrapper.

Miles won the approbation and applause of the big crowd out at Fort Benning last Saturday night. His dashing offensive tactics, his lighting left and his powerful right gained him a draw with Danny "Demon" Davis, pride of the 29th Infantry, and one of the best lightweights in this section of the country.

Grantham's announcement of prizes for the prettiest girl at the fight has been the subject of much comment during the past twenty-four hours. The belles of the town are already beginning to plan their costumes and toilettes for the contest. I wonder if I'd like to be one of the judges! Probably not, for there's only one prize winner and think of the wrath of the disappointed misses. Paris once gave the apple to Venus, and look at the trouble he started, if Homer is to be believed.

INFANTRY SCHOOL BASEBALL TEAM WINS BOTH GAMES FROM CLEMSON TIGERS

The Infantry School Baseball Team celebrated the finish of the 1927 season by taking both games of a two game series from Clemson College at Gowdy Field.

Thursdays game was a pitchers battle between Ole Man McGaha for the Infantry and MaHaffey for Clemson. But for erros behind hi mthe Tiger pitcher might have won his game a couple of errors was very costly. The Tigers scored twice in the second inning when Eskew singled to left, was sacrificed to second by Moore and scored when Milling doubled to left. Milling scored the second run when Atkinson singled, but that gentlemen got careless on first and was a victim of the McGaha to Reeder combination. Their final tally came in the sixth when Mc. fumbled a slow roller and Hendee was safe, McGaha caught him off first so far that he made a dash for second making it safely when Red Reeder made a wild heave. He went to third on a passed ball and scored on a long fly which Sexton hoisted to center.

Willis for the Infantry walked in the second, was sacrificed to second by Smythe, scoring when Pete Magagana singled to left.

In the fourth Kelly was safe on an infield bobble. Heckert was safe when he lined one to Moore to hot to handle, Kelly going to second, Kelly scored on McCarthy's infield hit, Heck taking third, Franz hit to second and on an attempted double play, all hands were safe, Heck scoring.

In the fifth Reeder was hit by a pitched ball, stole second, went to third when Kel hit a hot one to first and scored on Heckerts single to left. Heckert stole second and scored on McCarthy's single through second. McGaha pitched a beautiful game having perfect control and his spitter breaking nicely.

Ole Man Mc. was hit on the head by a fast one in the fourth inning, but he seemed to pitch better ball afterwards.

Box score Thursdays game.

Summary: Two-base hits, Milling. Sacrifice hits, Hendee, Sexton, Moore, Smythe. Stolen bases, Reeder, Heckert. Struck out, by Mahaffey 4, McGaha 3. Bases on balls, off Mahaffey 2. Wild pitches, McGaha 1. Hit by pitcher by Mahaffey (McGaha, Reeder). Double plays, Sexton to Atkinson. Left on bases Clemson 3, Infantry 6. Earned runs, Clemson 2, Infantry 3. Time of game, 1:40. Umpires, Bennett and Davis.

FRIDAY'S GAME INFANTRY SCORES 12 RUNS IN 2 INNINGS; ROOSMA GIVES UP BUT TWO HITS

In the last game of the regular season the Doughboys won from the Clemson Tigers 14 to 0, making 12 runs in the first two innings.

The Dougbhoys played errorless ball behind Johnny Roosma's splendid pitching, the Tigers only being able to get two hits during the game.

The Tigers used four pitchers, but to no avail, the first two innings were more than enough, Jones started for Clemson but was relieved in the first inning after the Doughboys had scored six markers off his delivery, Moore who took over the burden was given a trip to the showers in the second after the soldiers had collected five runs off him, Martin relieved Moore and pitched good ball until the seventh when he was relieved by Mahaffey. The Infantry got to him for a run in the seventh and eighth innigs. The fielding of the soldiers was the feature of the game, Roosma was given errorless support, Franz pick up of Pearmans slow roller, being an exceptionally neat piece of fielding. Milling of the visitors made a remarkable running catch of Roosma's fly in the eighth inning.

The results, with the exception of the finals in the men's singles in the Garrison Tennis Tournament which has been in progress for the past two weeks are given as follows: Mixed doubles, semi-finals, won by Captain and Mrs. Wessels and Mrs. Elkins and Colonel Johnson; finals, won by Mrs. Elkins and Colonel Johnson, 6-3, 6-2. Ladies singles, semi-finals won by Mrs. Elkins and Mrs. Wessels; finals, won by Mrs. Wessels, 6-2, 6-4. Clas "B" Men's singles, semi-finals won by Lieut. Oliver and Bobby Withers, finals won by Bobby Withers. Men's doubles, semi-finals won by Marston and Withers and Johnson and Wessels; Finals won by Colonel Johnson and Captain Wessels, 6-0, 6-4, 6-4. The Men's singles finals were played on Thursday afternoon between Colonel Johnson and Captain Fieberger.

He received this telegram: "Your wife's mother is dead. Shall we bury, embalm or cremate her?" Wehreupon he replied, "Do all three; leave nothing to chance."—Town Topics.

29TH INF.

HOWITZER COMPANY

Private Anderson was recently discharged per ETS and after a prolonged argument with the Recruiting Officer was re-enlisted for this organization. He is now on twenty days—visiting friends and relatives of the "Grapevine State."

Permit us a sigh of relief upon the completion of the second term, The Non-Commissioned Officer's School. Four men of this organization stood the test of the storm, Namely: Privates Cunningham, Rogers, Smith, H., and the undersigned.

Our Company Commander has purchased a new car. Now he can safely say that he has an automoblie—before, we might question the statement. Great Stuff, Egad, my lad.

In case anyone has a "second hand" baby carriage they desire to sell please get in touch with Cpl. Miller of this organization. Too bad they are not an article of issue, John.

Nick Carter.

COMPANY "F"

Reinforcements were received last Monday for the battle front—The remainder of the 2nd Bn. joining the "F" Co. advance detachment in the sand fight.

Pvt. Edelston was discharged per completion of three years, but did not tie up again.

Pvt. Hicks was appointed Corporal—a well deserved promotion.

Pvts. Klubek, Ross and Holloway were appointed Pvt. 1st Cl. Congratulations are in order.

The Company will be glad to hear of the approaching marriage of one of its old buddies—"Rabbit" Crawford, has decided on this important step. We wish him all kinds of luck.

O. W. Nelson.

The recruits were having a musketry course, and the sergeant-instructor at the firing point was amazed to find that one man had failed to hit even the target after five shots. "Good Lord, Brown," he shouted, "what the devol is happening to your shots?"

"I dunno, sergeant," replied the man nervously; "all I can tell you is that they are leaving this end all right."—The Sketch.

WANTED

TO REMIND out-going officers, that if their children have any picture or story books, which they do not exptct to take with them.— The Children's School Library will appreciate the books, and some one will call for them if a message is left at the Infantry School News office—Phone 146.

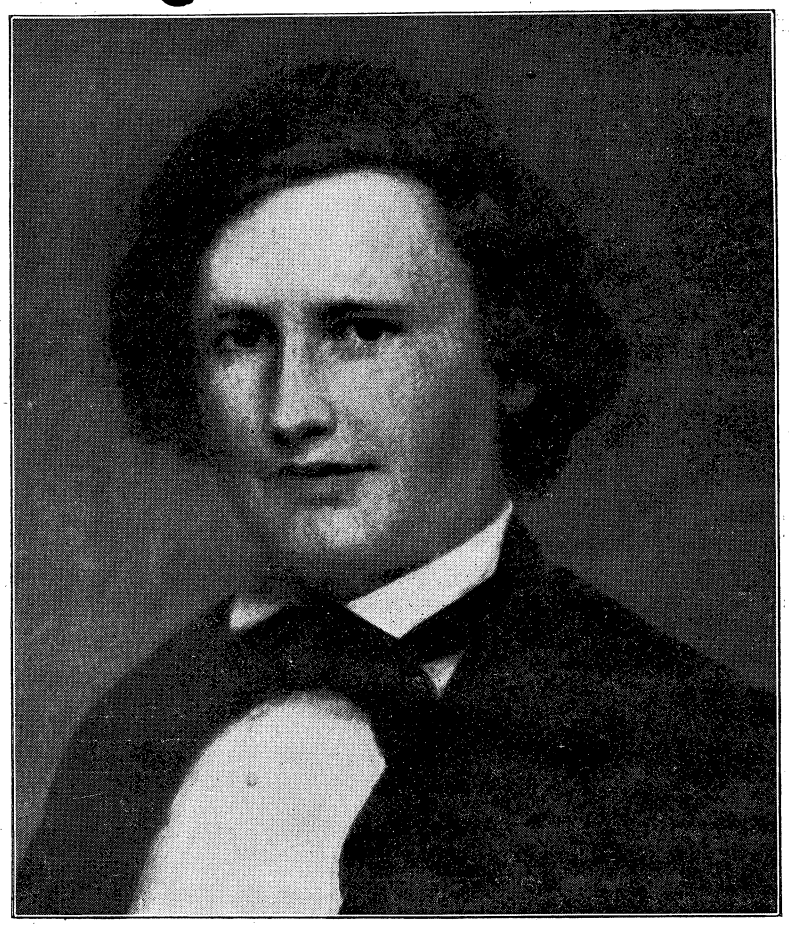
Forty-one People Die as Result of Fire

Forty-one persons on the average lose their lives each day through out the year in the United States as a result of fire. This makes the huge total of 15,000 people lost per year from this cause, says the International Association of Fire Chiefs. And the unfortunate point about this situation is that the majority of these fires which result in the loss of life are caused through neglect or carelessness. Permitting children to play with matches will always account for a big share of the toll, but a larger percentage is represented by fires resulting from so called "faulty housekeeping."

By this is meant allowing rubbish to collect around furnaces, chimneys to become filled with soot, or other hazard conditions to develop through failure to keep property in good order.

For ages the unusual things which people do when surprised by fire, particularly at night, have been the subject of jests.

But few realize that these antics are the rule rather than the exception. Fear of fire is heriditary and to wake up in the middel of the night and find your house afire is certainly not going to leave your mind in a placid state. The surprise and terror of a night fire is apt to make a person do the most ridiculous things. The Chief of a large eastern department tells of one fire at which a woman hurried to the street in a very abbreviated costume, but firmly grasping an umbrella and telephone directory in her hands. Another fire chief was rather amused to find an occupant of a residence, trapped by fire, standing at the window in her night dress and holding tightly beneath her arms an empty bird cage and a water pitcher. Still more amusing was the appearance of a very portly gentlemen fleeing to the street from a fire in his dwelling lightly clad and carrying with him two pillows. The way to avoid providing such amusement for the public and incidently protecting your life against fire at night, is to make sure before retiring that you know just what to do if awakened by fire during the night. Keep the door to your room closed and in the event of awakening and smelling smoke do not open the door quickly but rather open it slowly, and close it quickly if the hall without is filled with smoke and heat. But better still before retiring give your house and particularly the basement, the once over to make sure there is going to be no fire during the night.—Press Comment.



Major General Henry Lewis Benning; For Whom Fort Benning Was Named

WHITE BEATS SOLDIER IN DECISIVE RING BATTLE LAST SATURDAY

Soldier's Seconds Throw In Sponge in Fifth Round; Battling J. D. Wins

Knockouts terminated three of the four bouts on the Fort Benning fight card last Saturday night, and nearly 1000 fight fans who turned out for the fights were highly pleased with the evenings entertainment.

Dick White pride of Columbus won easily over Moore of Atlanta by a technical knockout after 2 minutes and 45 seconds fighting in the fifth round.

White landed on Moore where and when he pleased, he dropped Moore for short counts, time after time, but Moore always came back for more.

He rocked him with lefts and he socked him with rights, but when Moore seconds threw in the towel in the fifth, Moore was still on his feet and willing to fight.

In thef rist round White dropped Moore with a hard right to the stomach, but Moore kept plugging away and was strong at the bell.

In the second White hit Moore with every thing he had, but More came back in the last of the round, snapping Dicks head back with a vivicious right.

Round three found Moore carrying the fight to White during the early part, but when Moore went down before one of Whites rushes, he got the full force of Whites right knee in the face, cutting a gash over his right eye.

The fourth was all Whites, he put Moore down for the count of 8, but K. O. was on his feet weathering a storm of lefts and rights at the bell.

The fight ended in the fifth, White was hammering Moore about the ring, hitting him with every thing he had. Moore went down for the count of five, but was up again only to go down again, as the count recahed five his seconds threw in the towel, but Moore would have undoubtedly been on his feet before the count of ten, but it was apparent he could not win.

Battling J. D. Stops Sparkplug

The scheduled 8 round go between Battling J. D. 24th Infantry and Sparkplug of Phenix City was short but mighty hot while it lasted.

At the bell both fighters came out of their corners like a Kansas cyclone, and all that could be seen from the ring side, was a tangle of arms legs and boxing gloves. This fight only lasted one minute and forty-three seconds, but there was action every second it lasted. Sparky put up a good fight until J. D. connected a hard right with Sparkies ribs, taking all of the fight out him. He fell to the canvass, crying to high heaven that he had been hit low, although he was vigorously rubbing a spot just under his heart, Sparkie held a horizontal position until he was sure the referee had counted the fatal ten. Sparky knew the going was to be rough, and that a nice soft spot on the floor was better than, getting in the way of Battling J. D.'s wallops. Battling J. D. is a new comer to the 24th Infantry, but he seems to know how to do his stuff in the roped enclosure.

Buster Miles Holds Danny Davis To Draw

The second preliminary, a six round go between Buster Miles of Mobile and Danny Davis pride of the 29th Infantry, was by far the best bout of the evening, and was declared a draw, the decision suiting every one.

At the outset it was apparent that Miles was the faster of the two boys. He circled his opponent, sparring warily for an opening, while Danny stood in a half crouch waiting for an opportunity to use his famous right.

Miles wuold dart in using his left to the head but could not get away from Dannys rights to the body. Miles looked his best in the second round when he connected with Davis's head with three or four solid smacks, getting away without a return from Danny. Having tasted of Miles left and not liking it Davis devolped a defense that for the rest of the fight prevented Miles from landing anymore smashing lefts. In the fifth round Dannys long looked for chance almost came, when he landed a hard right to Miles jaw, but the bell closed the round before Danny could take advantage of it and in the sixth round Miles was careful to stay away from the danger zone.

The eyeopener, a six rounder between Gunner DePratt and Battling Mench was a fine fight. For three rounds the battling was even. Mench had all the better of the infighting while DePratt clearly outboxed his rival at long range shooting over blow after blow without an adequate return. From the fourth round to the finish the tide of battle turned to the Doughboy. In the sixth round DePratt had things all his own way, Menchs nose was bleeding profusely he had a deep cut under his left eye and was practically out on his feet, though still fighting grimly when Doctor MaHaney signalled the Referee to stop the fight.

Red Lindsey refereed the bouts and gave complete satisfaction to all except a few chronic knockers. Capt. C. C. Griffin and Doctor MaHaney were the Judges and they had the easiest job o fanybody, having to render only one verdict.

Lt. George L. Potter who arranged and managed the card, for the Infantry School Athletic Association is to be congratulated on giving the fans one of the finest fight cards seen hereabouts in many moona. What we want to know now is when do we have another one.

AN OLD RESIDENT—A PIONEER LEAVES FORT BENNING

Lieutenant and Mrs. C. B. Lenow and the children left Fort Benning early Sunday morning on leave of absence prior to sailing from New York, July 27th, for the Philippines Islands ther new station. When Lieutenant and Mrs. Lenow arrived here nearly seven years ago they were bride and groom, and at the time of their departure they had a daughter in school. This place was just like home to the Lenows—especially the kiddies—and there are mighty few officers in the Garrison at the present time who preceeded him to Fort Benning in the early days of The Infantry School, and remained here constantly during all these years.

SATURDAY, MAY 14

"HILLS OF KENTUCKY," starring Rin Tin Tin in a tale of the Grey Gh st of the Blue Grass where primitive passions run free and unrestrained among wild surroundings. In this story, man's best friend became his bitterest enemy. This is considered Rin Tin Tin's best photo play, brim full of thrills and excitement.

"Thundering Flees."—Our Gang Comedy.

SUNDAY, MAY 15

"THE FIRE BRIGADE," featuring May Mcavoy and Charles Ray in a picture credited with being the most sensational o fthe year. It is highly instructive as well as entertaining. Twenty engines were used and fourteen buidings destroyed in obtaining the wind fire fighting sequences of this remarkable picture. The play presents a powerful, object lesson in preventing and combating fire risasters. If you fear THRILLS don't see this pitcuer.

"Pathe Review."
"Pathe News."

MONDAY, MAY 16

"THE RED MILL," starring Marion Davies with Owen Moore, Louise Fazenda and George Siegman in this play from the stage hit by Victor Herbert. The secene is laid in Holland and virifies this pitcuresque country of windmills, camals, pigtails and wooden shoes. Among the sensational highlights of this picture are a glittering winter festival on a frozen canal with several hundred participants, strange secenes in a huge replica of an old Dutch village and eerie adventures in an ancient haunted mill. The plot is absorbing.

"The House Without A Key," No. 5.

TUESDAY, MAY 17

"THE BRONCHO TWISTERS," starring Tom Mix in a story depicting an elaborate Spanish fete with a beauty contest in the patio of the Ortega Mansion. There are over 200 actors and actresses in the cast. Romance, hard riding, the guady glatter of Spanish costumes and nerve tingling thrills characterize this picture.

'Amidst The Millions."—Sport Comedy.

WEDNESDAY, MAY 18

"KNOCKOUT RILEY" starring the inimetable Richard Dix in a comedy melodrama o fa steel worker who becomes a prize fighter almost against his will, is framed on the eve of a big fight and sent to prison, trains on the rock pile and gains revenge upon his release when the plays the hunch of his sweetheart and knocks out his old arch enemy who is the wearer of the championship belt.

"Kiss Me Kate."—Cameo Comedy.

THURSDAY, MAY 19

"ATTA BOY," starring Monte Banks the dimunutive comedian in six reels of clever comedy thrills. It is the story of a cub reporter who faces discharge if he fails to make good on a story, the series of exciting adventures he experiences present food for side splintting laughter and hair raising moments.

"Pathe News."

FRIDAY, MAY 20

"ALTERS OF DESIRE," starring Mac Murray with Conway Tearle in a charming comedy drama staged in Paris and the gay realms of the South. It is a tangled romance of two worlds replete with comedy and dramatic highlights.

"House Without A Key," No. 5.

24th REPRESENTED ON INFANTRY TEAM

In the selection of candidates to attend the competition at Camp Perry, Ohio, for final selection on the Infantry Rifle Team four members of the 24th Infantry were chosen. These are Captains C. L. Steel, Paul Steele, W. B. Wilson, and Sergeant Scott Bradford, Service Company. Their departure will be some time during the first week in June. The regiment feels proud of its representatives in this competition and hopes for their contiued success.

The series of delightful 24th Infantry dances, throughout the winter season, terminated on the 6th with a most enjoyable affair at the Polo Club. Each attendant wore the costume of his or her favorite sports. These varied from bathing suits to parlor dancing. For the occasion the hall had been attractively decorated by the Hop committee with streamers, green moss and sports pictures. These drawings of sport activities had been prepared by Captains Stanley Saulier and E. T. Jones, and Corporal Paul C. Wright of Headquarters Company 24th Infantry. Music was furnished by the orchestra of which staff Sergeant Louis A. Scepis, Service Company 24th Infantry, is the leader.

Many dinner parties were given for the occasion. Captain and Mrs. Paul Steele entertained Captains and Mesdames T. F. Weesls, F. O. Schimdt, N. W. Osborn, J. C. Newton, E. M. S. Stewart, J. E. Dahlquist and Lieutenants and Mesdames H. S. Kelly and Clyde Grady. Captain and Mrs. Walter T. Scoot had for their guests, Colonel and Mrs. W. C. Johnson, Colonel Lincoln, Captain and Mesdames C. L. Steel, F. J. Derohan, J. L. Ballard, John Tamaz and Lieutenants andMesdames R. S. Mackie, Edward Walsh, Lieutenant and Mrs. Fred W. Caswell entertained Colonel and Mrs. J. M. Walling, Captain and Mrs. Butler Knight, and Lieutenant and Mrs. J. H. Becque.

Company "F" 24th Infantry gave a dance to the enlisted personnel of the regiment Wednesday evening the 3rd inst. to which all married men, their wives and a certain number of single men and their friends were invited. The Service Club of the 24th Infantry was used for the occasion. About 120 persons were present and enjoyed the evenings activities. Captain E. M. S. Stewart, the commanding officer of Company "F," and a few of his friends attended. Sergeant Willie B. Wood, Company "H" and his jazz orchestra furnished excellent music. 1st Sergeant John R. Gunn was general manager of the affair. Corporal Henry Dunn and Cook Wilton Jones were responsible for the refreshments which consisted of ham sandwiches, cake, and punch. To them belongs the credit of providing a most enjoyable evening's entertainment.

Monday afternoon Capt. Doll invited us to be his guests to see two comedies and we enjoyed them so much. We think Capt. Doll is very kind to think of us and we want him to know how much we appreciate it.

We are the proud possessors of two large umbrellas which will give shade to the little people who play in the sand boxes. Something else to be thankful for!

INFANTRY TEAM PLAYS LAST GAME SUNDAY

By LT. GEO. L. POTTER

The Infantry School team will play the last game of the season next Sunday afternoon, at Fort McPherson, Atlanta, where they will meet the Atlanta Crackers in an exhibition game. The contest has been arranged as part of a program, which is to be given for the purpose of aiding the disabled veterans of the state. Lieutenant John Weckerling, 22nd Infantry, who is in charge of the program, has arranged many interesting eevnts, and it is expected that a large crowd will attend the show.

An invitation has been extended to Gene Tunney, heavyweight champion of the world, to attend, and it is reported that he may come. Colonel Wait C. Johnson, commanding officer of the 24th Infantry and president of the Infantry School athletic association, is paired with Jack Mooney of Atlanta, in a tennis match with Ty Cobb, Jr., and Hop Owens, the tennis matches being played at the same time as the baseball game beween the Infantry School and the Atlanta Crackers.

Other features will include a ball game between the 22nd Infantry and the Sears Roebuck club, exhibition flying by Doug Davis, polo games, band concerts, and an exhibition of driving golf balls by Bobby Jones .

The following list of players of the Infantry School baseball team will make the trip:

Captain Fountain, Lieut. Smythe, Lt. Reeder, Lt. Roosma, Lt. Van Studdiford, Sgt. Heckert, Sgt. Kjelstrom, Sgt. McCarthy, Sgt. Franz, Sgt. Willis, Sgt. McGaha, Sgt. Lindsey, Corporals Magagna, Tolle, Norris, Pvt. Newman.

A UNANIMOUS VOTE OF CONGRATULATIONS, Q. EMMERS WIN BALL GAME

The 29th Infantry, Gas Regt., Finance, and M. R. S. extend hearty congratulations to the Q,Emmers on the report that they came out victorious in their game last Sunday over the North Highland Valentinos.

We have interveiewed some of their star players and they seem to be a bit conservative about the game, in fact the only facts we could learn about the game was that Harry A. Ray formerly picked for all Army, played a star game, handling every thing in his territory like a big leaguer.

NATIONAL SPORTS

DEMANDS CHECKS WITHIN FORTY-EIGHT HOURS

CHICAGO, Ill., May 11.—Ban Johnson, president of the American League, fined Ty Cobb and Al Simmons, ranking stars of the Philadelphia Athletics, $200 apiece as further punishment for their conduct a week ago that ended in riotous disorders.

President Johnson, in a letter to Connie Mack, manager of the Athletics, demanded that the fines be paid within 48 hours, or further suspensions would follow. Johnson lifted the suspensions on Cobb and Simmons yesterday, allowing the Georgia peach to participate in the "homecoming" celebration staged in his honor in Detroit.

The American League executive placed responsibility for the situation that terminated in the throwing of "murderous pop bottles" and required police protection for the umpire, "Red" Ormsby, on the shoulders of Manager Mack. The Philadelphia management, Johnson declared, displayed "lack of fairness, intelligence and true sportsmanship."

Cobb was fined, Johnson said, for his "lack of intelligence" in bumping the umpire. Simmons was characterized by Johnson as "a young outfielder, plainly lacking in knowledge of the American League's established customs."

President Johnson's letter to Mack follows:

"The conduct of a player, by word or action that would tend to excite the partisan element of a baseball crowd to wrath against the decision of an umpire, is one of the most reprehensible occurences that can happen in a game and stamps the offender as entirely devoid of the highest principles of manhood.

"This plainly happened in the Boston-Athletics game of last Thursday, in Philadelphia, when Simmons, a young outfielder, plainly lacking in knowledge of American League established customs, fanatically, by declarations and gestures incited the spectators against Ormsby, who had rendered a decision eminately proper, but adversely to the Athletics.

"There was the throwing of great numbers of murderous pop bottles in close proximity to the umpires, the swarming of angry spectators on the field and police protection was in order for the American League official who handled the game.

"Much of this, unfortunately, must be attributed to the lack of fairness, intelligence and true sportsmanship on the part of Philadelphia management.

"During the hight of this regret table incident, Cobb in taking his place at bat, accidently (as he claims) "bumped" the umpire. He apologized, but the point has been conveyed to the crowd of his displeasure over the umpire's decision. The mischief had been done."

"Well," admitted the plaintiff, ruefully, "I thought it was a bit of luck." —John Bull.

GRADUATION AT WEST POINT

WEST POINT, New York—Tuesday, June 14, 1927, was announced today by Brigadier General Merch B. Stewart, Superintendent of the United States Military Academy, as Graduation Day for the Class of 1927. Two hundred and three cadets will be graduated. It is expected that the Secretary of War, Dwight F. Davis, will make the address of the day. Major General Charles P. Summerall, Chief of Staff, will also be present and will make a short talk in the nature of a welcome into the Army to the graduating class. The tentative June June Week program was also given out today. Although academic work and military training ceases Friday, June 3, the ten days of activities scheduled will not actually commence until the organ recital cadet chapel at 3:30 p. m., Sunday, June 5.

Always a brilliant time in the annals of the Military Academy, this coming June Week promises to eclipse former ones. It will witness one most important change which is that involving the presentation to the graduating cadets not only their diplomas but also of their [illegible] signed commission as second lieutenants in the United States Army. This will be the first time in the history of the Academy that graduated cadets have received their commissions on the day of graduation. Another feature which will add greatly to the interest of the week will be the two performances of "The Fall Guy," by James Gleason and George Abbott, to be given by the West Point Players, who have made such a fine impression during the past year.

June Week will ge well under way with the opening of the ninth annual West Point Horse Show in the riding hall at 9:30 a. m., Monday, June 6. Morning and afternoon sessions will be held both Monday and Tuesday. It is always one of the bright spots of June Week and is held for the benefit of the Army Relief Society and the West Point Relief Fund. As usual, formal guard mounting and cadet regimental parade will occur at 5:30 p. m., every evening beginning Sunday, June 5. Cadet hops, band concerts, and motion picture shows will take place almost nightly. The spectacular first class ride, participated in by every cadet of the graudating class, will be held in the riding hall at 10:00 a. m., Thursday, June 9. Other important features will include the presentation of "Stars" to Dinstinguished Cadetts at the parade on Saturday, June 11; and the Alumni Exercises and Review of the Corps of Cadets by the Alumni at 11:30 a. m., Monday, June 13. Graduation Parade, the most colorful of all cadets parades, will take place at 6:00 p. m., and Graduation Hop in the cadet gymnasium at 8:00 p. m., Monday evening. Graduation exercises will be held at 10:00 a. m., Tuesday, June 14.

Baccalaurate sermons will be delivered on Sunday, June 12, at the 8:00 a. m., mass in the Catholic Chapel and at the 11:00 a. m., services in the Cadet Chapel. Also on this day will occur an informal organ recital, at 3:30 p. m., in honor of the visiting alumni. General Stewart's reception to the cadets of the graduating class will be held Monday, June 13, from four to six.

The physical training side of a cadet's life will be exemplified on several occasions during the week. The intramural athletic work of cadets will be exhibited not only by the final championship games in intramural baseball and lacrosse on Monday and Tuesday, but also by the spectacular athletic review scheduled for 11:00 a. m., Friday, June 10. Every cadet takes part in this review wearing the athletic unifrom appropriate to the sport in which he participates. In addition, on Wednesday, June 8, at 10:00 a. m., the entire fourth calss gives a gymnasium exhibition in the cadet gymnasium. It is possible, too, this year that a modern penthalon contest will be held for all members of the Corps of Cadets.

Guests badges, an idea sponsored by General Stewart last year, will again be worn by relatives o fcadets of the graduating class. The wearing of these badges gives to mothers and fathers of cadets a sense of that esprit de corps that can come only to those intimately connected with the Academy; and it enables cadets, officers, and friends of the Academy to single out, among the thousands of visitors, those whom it is especially desired to honor on this occasion of June Week and Graduation.

24TH TEAM IN THREE GAME SERIES WITH PROS

The 24th Infantry baseball team opened a three game series with the Montgomery White Sox professionals (Colored) Thursday afternoon at Gowdy Field, the first game beginning at 3:30 o'clock.

The White Sox are reputed to be a team comparing favorably with the Black Barons of Birmingham, Alabmaa, who played the 24th Infantry several weeks ago.

It has been announced that Vance who pitched record ball in the Knoxville series will start tomorrow. In the game in question, Vance pitched 57 balls in the entire nine innigs. hTe remaining games will begin at 3:30 on Friday and Saturday.

"And what did you name the baby, my little man?" asked the visitor.

"Ma and pa were going to name it Mary," replied the little fellow, "but they changed thei rminds to John."—America's Humor.

The colored recruit during the Big War threw his pack on the ground and his rifle beside it.

"I ain' goin' walk another step, nah suh!"

"But dem Dutchmen sho' goin' git you, if'n you stay heah," argued the sergeant.

"I don't keer. I'se plum broke down. I kain't walk another step. I'se most daid."

The sergeant hurried on to rejoin his company. Presently a fresh rattle of machine-gun fire sounded to the rear, with a steadily increasing thunder of bursting shells. A saddle-colored figure flew up the road, overtook the company and was well on its way to the Mediterranean when the sergeant discovered it to be his broken down friend of but a few minutes before.

He grabbed the latter in full stride. "Hey, thought yo' couldn' walk no futheh?" he demanded.

"Hell, big boy, yo' don' call that walkin' does yo'?"—America's Humor.

The sergeant was taking the recruits' squad.

"For the last time," he shouted, "I ask you the simple question: "What is a fortification?"

The recruits stoo dfast to a man. No one answered. Striding up to the most intelligent-looking man, the N. C. O bawled: "Tell me, what is a fortification?"

The answer came like a cork out of a bottle:

"Two twentifications, sergeant!"—Bombay (India) News.

Hodges—So your wife does fancy baking! What is her specialty?

Burton—Stumma Cakes.—America's Humor.

AUBURN UNIVERSITY R. O. T. C. UNIT TO TRAIN HERE THIS SUMMER

(Continued from Page 1)

of the United States Army. They will hold the rank of Second Lieutenants and will be subject to call upon a declaration of war.

The present R. O. T. C. organization was established at Auburn early in 1917 in accordance with the National Defense Act of 1916. In October 1918 the organization was supplanted by the A. T. C., demobilization having followed the signing of the armistice, and the R. O. T. C. again established.

Since the reestablishment of the R. O. T. C., in 1908, the Auburn unit has been rated "distinguished college" by the War Department seven consecutive times, a record, we believe unequally among the many R. O. T. C. units throughout the United States.

Staff officers here are now expecting the annual rating from the War Department, the inspection having been made several weeks ago.

Those in charge of R. O. T. C. at Auburn have been Col. F. W. Rowell, who served until he was assigned for active duty in the World War, Major E. T. Winston, Capt. Albert E. Borrs, Major I. S. Spalding, who took charge following demobilization of S. A. T. C., Major John E. Hatch, and beginning with this year, Major John T. Kennedy, present commandant, all distinguished army officers. Major Kennedy saw service in China, the Philippines, and also in France.

The staff this year comprise 10 army officers as follows: Major John T. Kennedy, commandant, awarded Congressional Medal of Honor for action in Philippines and the Distinguished Service Medal for service in World War; Captain George H. Cushman, Jr., Capt. Kenneth G. Althaus, awarded decoration of French War Cross with Palm and Belgian War Cross; First Lieut. William B. Leitch, First Lieut. Bennett H. Bowley, Jr., Captain B. Conn. Anderson, Captain James M. Garrett, First Lieut. Crowell E. Pease, First Lieut. Charles P. Jones, First Lieut. Wilson B. Higgins.

For the first time this year, the Auburn R. O. T. C. unit will train at Fort Benning, Georgia. Major Kennedy will be in charge. The units in training there will include engineers from Auburn, University of Alabama, University of Tennessee, field artillery from Auburn, signal corps and ordinance from Georgia Tech, and the camp will be held from June 6 to July 17.

Many distinguished army officers have received their military training at Auburn, notable among these being General Robert Lee Bullard, who commanded the first army corps in France in the World War and General R. E. Noble of the sergeant-general's department retired. The American Legion post at Auburn is named for the late John H. Willis, an Auburn man, one of the first commissioned officers to be killed in France.

Auburn military establishment organized in 1872 was from the first one of the best student army units in the country. A number of distinguished men have headed the organization including General George P. Harrison, commandant 1872; R. A. Hadaway, 1873-81; General Lane, 1881-83; Dr. Tucker H. Frazier 1884; Lieut. M. C. Riccards, 1885-88; Lt. John B. McDonald, 1888-91; Lieut. John H. Willis, 1891-95; Lieut. M. O. Hollis, 1896-98; who left to go into the Spanish-American war; Colonel B. S. Patrick, 1898-1916. Colonel Patrick is now a leading insurance man in Birmingham.

The numerical staff of the present R. O. T. C. unit is approximately 1100 including members of the freshmen, sophomore, junior and senior classes. The R. O. T. C. courses are required in the first and second years and the advanced courses are elective. All seniors are cadet commissioned officers, while all juniors are cadet non-commissioned officers, and freshmen and sophomores are cadet privates. The R. O. T. C. course included six weeks attendance at camp usually at the end of the junior year.

The courses of instruction in the R. O. T. C. credit courses covering four years and include fundamentals of military science, instruction on designs of guns, as well as hygiene, sanitation and first aid, reconnaissance and communication, minor tactics, command and leadership, prinicples of military organization as well as military history and policy of the United States and military law.

MANEUVER CAMPS TO OPEN ON NEXT MONDAY; STUDENTS MOVE SATURDAY

(Continued from Page 1)

In supplying the camps, motor and rail transportation will be used. Communication will be maintained by radio, and by telephone, a special line having been installed by the signal corps. The erection, maintainance and supply of the two camps constitute a big task, yet one which always has been handled with little difficulty. Every effort has been made to supply comfort in every sense of the word, and the maneuver period is considered to be one of the most enjoyable phases of the school year.

For the fourth consecutive time, "B" company of the 15th tank battalion, has again taken the field for the annual field exercises which are participated in by the students of the Infantry School. Each year a large part, in fact practically all, of the men of the organization have been used as signal communications personnel, and most of them are quite experienced in their duties as such. To "B" Company, are attached a number of men from the other organizations of the tanks, details being sent from "A," "C," and headquarters companies.

All of the men are fed by "B" company's mess, as well as many of the officers detailed for the exercises in supervisory capacities. "B" company has perfected several novel methods in the preparation of food for the men. In place of using wood as do most of the other organizations, in heating water for washing and other purposes, the company uses three gasoline burners, which in ten minutes will heat a twenty gallon G .I. can full of water to the boiling point. The rolling kitchens, ordinarily made to burn wood, has also been converted into a gasoline burner by means of a clever device. Once lighted, this kitchen will cook while the company is on the march, without further attention. The heat can be regulated from a simmering fire, to a heat three times more intense than that given off by a wood fire. During rain and wet weather the cooks do not have the trouble usually experienced in building fires with wet wood. The heating unit was made by Staff Sergeant Villiers, and it has always proved to be of the greatest assistance in every way. Visitors are always welcome, and each year this novel heating and cooking device is inspected by practically all of the student officer personnel.

UNUSUAL PITCHING IN 24th KNOXVILLE GAME

The pitching done by Columbus Vance of the 24th Infantry nine in the baseball game played between that regiment and Knoxville College on the 4th at Gowdy Field was most remarkable. His performance was that which is seldom witnessed in any baseball game. Colonel Wait C. Johnson states that in his 30 years of baseball experience he never has seen the equal. Vance had such perfect control that he retired five men on five pitched balls. Starting with the last man at bat in the second inning, each in the third,and the first in the fourth received one ball, hit it and was promptly put out. Again in the seventh inning he retired each opponent on one pitched ball. The last 22 Knoxville players were put out on 42 pitched balls. Throughout the whole game Vance did not throw over 60 pitched balls or about 2.2 balls per player at bat.

In his exceptional pitching Vance was assisted by splendid fielding by other members of the 24th team. While the visitors secured three hits they were unable to get a man across the home plate while the home team scored five runs.

The Knoxville players were more fortunate in the second game held on the 5th. In this contest they were able to secure one run. However, victory remained with the 24th team as by superior playing they were able to get 4. A spectacular event of this game was the exceptional fielding of right fielder Henry Bell in the 5th inning.

The box score of the game on the 4th is:.

WAR PROBLEMS EFFICIENTLY HANDLED

MANEUVERS ARE HALF OVER; PROBLEMS HAVE BEEN WELL EXECUTED

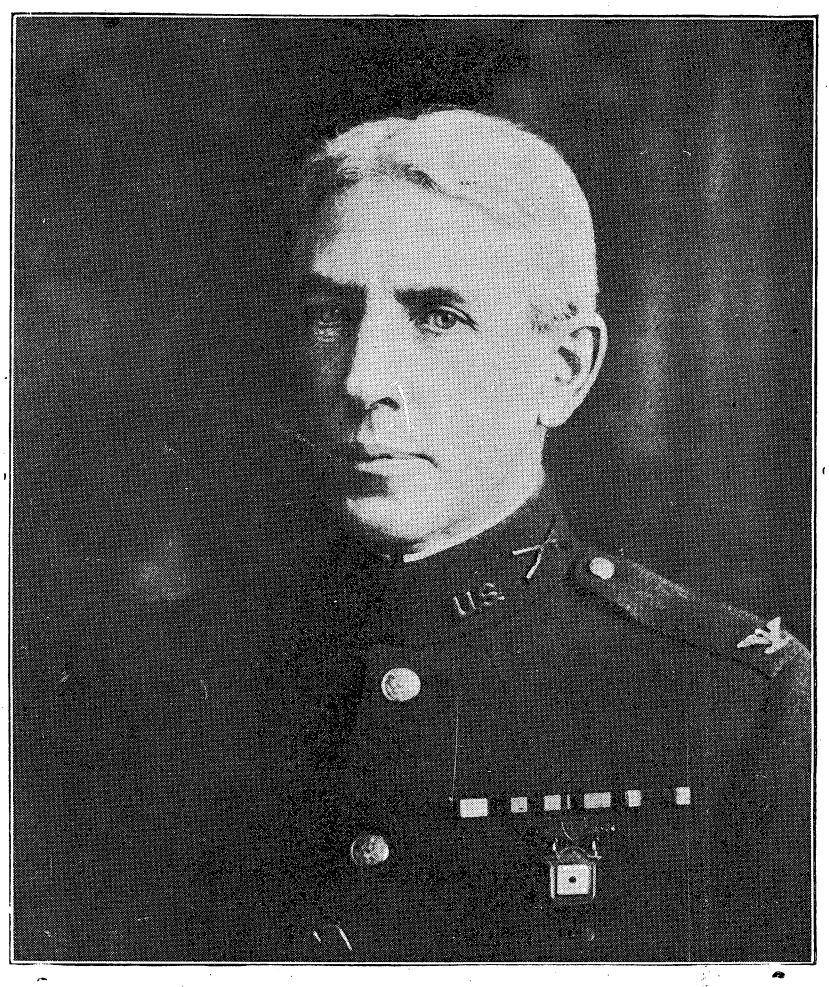
Inter-Change of Groups at Harmony Church and Sulphur Springs Completed Thursday

By LT. GEO. L. POTTER

Yesterday, the war was half over. Early Thursday morning the student officers mounted their respective trucks, stuck in their spurs and galloped off to their respective problems. At the end of Thursdays work the students from Harmony Church will go to the Sulphur Springs, camp, while those at Sulphur Springs camp will abide at Harmony Church. The entire set of field exercises are divided into two sets, each consisting of four problems. The first half of the series being completed Thursday by each group, the exchange was made, and today will find the enemy opposed by new forces.

The remaining problems, four in number, will be completed on Friday and Saturday of this week, and Monday of next week. The communication personnel furnished by the national guard enlisted men's class, the 29th Infantry, the Fifteenth tank battalion and other organizations, have most creditably fulfilled all that was expected of them. All of the problems have proceeded in a most satisfactory manner, and while many difficulties have been encountered, all have been overcome. The student officers have demonstrated the efficiency of the teachings of the Infantry School, and have shown by their efforts that they

(Continued on page 2)



Major General Robert H. Allen, U. S. A., The Chief of Infantry.

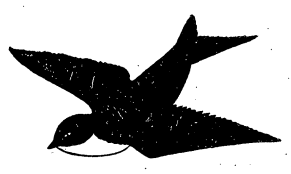
CHIEF OF INFANTRY WILL ARRIVE HERE FROM FORT SCREVEN ON MAY 24th

Five Days to be Devoted to Looking Over the Entire Garrison by Infantry's Distinguished Chief

Major General Robert H. Allen, the Chief of Infantry will arrive at Fort Benning on the morning of May Twenty-fourth for a visit and inspection of the Infantry School. General Allen will come to Benning from Fort Screven, Georgia. The Chief will in all probability be taken directly to the maneuver camps to witness the last of the problems. The Camps will close on the twenty-fourth of May and the Student Officers will return to academic work for the last four days of the school year.

It has been learned that General Allen is particularly interested in the new barracks, which are being built for the Twenty-Ninth Infantry here and also the General will undoubtedly spend considerable time in consultation with the Infantry Board.

While at Fort Benning General Allen will be the guest of Colonel George W. Helms, Infantry U. S. A. the executive officer of the Infantry School.



Blackbird—

Says that there is no use going to see a musical revue these days—there is too much side-walk competition.

INFANTRY SCHOOL TEAM LOSE TO CRACKERS IN CLOSE GAME

Doughboys Hold Fast Atlanta Professionals To 1 to 0 Score

The Doughboys from Ft. Benning traveled up to Atlanta last Sunday and held the Southern league Crackers to a 1 to 0 score, in a fast and interesting game, which was witnessed by a large crowd of fans from Atlanta and Ft. McPherson.

The game Sunday was played for the benefit of the disabled Veterans of the State of Georgia, and was a huge success in every way.

Johnnie Roosma pitched a brilliant game for the Infantry and was given errorless support by the rest of the team.

Heckert, Smythe and Reeder handled several hot ones that looked like sure hits, putting the batter out in each instance.

A hard drive down the third base line turned Heck around at least twice but he got his bearings and nailed the runner at first.

"Red" Reeder picked off a couple of line dirves over on first, that had two-

CHIEF OF STAFF TO BE PRESENT AT GRADUATION EXERCISES

Major General Summerall to Come to Benning for Close of Present Academic Year! Length of Stay Is Problematical

Major General Charles P. Summerall, U. S. A. Chief of Staff of the Army, it has been announced, will be present for the graduation exercises of the Infantry School Classes on the twenty-eighth of May next. On his last visit here the Chief of Staff stated that he would return to Benning for the Graduation exercises if the exigencies of his office would permit and it is a matter of great gratification to the commissioned and enlisted personnel of the command that General Summerall can spare the time and undergo the inconveniences of the trip from Washington to visit the Infantry School again.

The School is indeed honored this year in having both the Chief of Staff of the Army and the Chief of Infantry both present at the graduation exercises of this years classes of Student Officers.

MANEUVERS ARE HALF OVER; PROBLEMS HAVE BEEN WELL EXECUTED

(Continued from Page 1.)

are able to fight this war, or any other war.

The messes for the student officers, six in number, have been operated by the school for bakers and cooks, which is commanded by Captain Leslie Bowman, Quartermaster Corps. The meals have been excellently prepared, and satisfactory both in quality and in quantity. Yesterday being a really hot day, there was some hot water in the showers, and it is expected that, as soon as the ice in the Upatoi melts, that facilities for swimming will available.

It is rumored that the attack of the Reds which yesterday afternoon was hurled against the right flank of the defending Blue army was broken up by a surprise. It seems that a Blue spy has wormed his way inside the Red lines, carrying with him a field telephone. The spy finally found one of the telephone lines connecting the Red command posts, and hooked in his ttlephone. Calling on the wire, the Blue stated that he was a Red officer, and under such representation managed to ascertain the full and complete plans of the Red Commander. After many narrow escapes, during which he nearly lost his season ticket, the spy returned to Blue headquarters, where he was decorated with honors suitable to the occasion, and governed by the tactical situation. Thus when the Red army rolled pondeously forward, and were about to, in their opinions win the fray, the earth opened beneath them, and into the remnants of what was once a brave army, the Blues poured a withering fire. It has been reported that some of the Red officers lost as much as three months leave during the fight.

The "passage of lines" which was effected this afternoon from one camp to another, is expected to bring new developments in the war for freedom. Both armies feel greatly refreshed by the change of scenery, and the morrows events are being looked forward to with great expectancy.

INFANTRY SCHOOL TEAM LOSE TO CRACKERS IN CLOSE GAME

(Continued from Page 1.)

bagger labeled on them, and Smythe in center took one that was good for the circuit in anybodys ball game. Mickey McCarthy proved that all pitchers look alike to him by getting two hits out of three times up, his two hits represented the Doughboys total for the game.

George Smythe also did his stuff, when he worked the pitcher for a walk in the third inning, and stole second with yards to spare.

The only score of the game came in the sixth ining when Schwab caught one of Roosma's fast ones on the nose and drove it out for a trip around the circuit.

Box Scores:

Headquarters Twenty-Ninth Infantry
Office of the Regimental Commander
Fort Benning, Georgia,
May 9, 1927.

General Orders No. 16.

Regimental Blue Pennant

1. The following named company is announced as winner of the "Regimental Blue Pennant" for (April, 1927) created by T. M. No. 19, these Headquarters 1924, and awarded to that company, which, in the opinion of the Regimental Commander has attained and maintained, in its company area the highest standard as regards physical and mental well-being of the organization:

Company "B", 29th Infantry
Commanded by
Captain Joseph H. Rustemeyer,
29th Infantry.

2. The companies quartered in the brick barracks were not included in this competition.

3. The Regimental Commander compliments the winning company upon its splendid achievement and cites it as an example to the other companies composing the regiment.

4. Attention is directed to paragraph 6, R. D. B. No. 260, c. s.

By order of Colonel Gowen:
C. C. Griffin,
Captain, 29th Infantry,
Adjutant.

Official:
C. C. Griffin,
Captain, 29th Infantry,
Adjutant.
Distribution "C" and "X".
CCG—1m1.

HOWITZER CO.

We anounce with sorrow the death of Private First Class Comer D. McBroom, which occurred on May 11, 1927, at Fort Benning, Georgia.

Private McBroom was a native of Baxter, Tenn., where he was born on May 7, 1902. His early years were passed on a farm; but later entered the service of his country, September 9, 1926.

To the members of the company he was a dear friend and to the Service a fine soldier.

COMPANY "H"

While there is a bountiful supply of work to be done around the camp, every one seems to be having a very good time. A lot of dope that is handed out each day may seem like so much "Bologna" to a large per centage of the men, we know that it is all meant for a purpose, and it is up to us to find out the exact meaning of it all.

Corporal MsGuinness returned from furlough just in time to grab of the Permanent Charge of Quarters job. Some lucky dog, I call it.

It is great fun to line up at the regular time for chow, and find that all men will have to go the stables to water and feed all the mules and horses, that is if you know what I mean.

Private Bilbrey has returned from an unintentional furlough and has taken up his regular pastime, "Dodging Work."

Private William R. (Whistlin' John) Neal has returned from furlough. He spent the batter part of his time getting through the flooded area. His home is in La. We are going to examine his feet tonight to see whether he has webbing between his toes. It is said that the majority of them have, if you know what I mean.

BERNARD B. SWAYZE.

COMPANY "A"

Since our last apperance in this column numerous promotions have been made in this organization, to-wit:—Our beloved Corporal Jason Fugate is now seen wearing three stripes also a very broad smile, Private First Class "Mike" Fesnick received a well earned Corporalcy, while Privates Ayers, Berninger, Earle, Gupfert, Hart, Kelone, Lorance, Miller, C., Pittman, Sago, Wholey and Wills were appointed Privates First Class.

Corporal Douglas Powell, ex Company Clerk, is very studiously engaged in the pursuit of knowledge; it develops that Corp. Powell has aspirations toward becoming a commissioned officer. We wish him the best of luck.

SNOOKS AND GRAY.

24th SWIMMING POOL TO OPEN

Acquatic sports and swimming will comprise an important part of the training of the 24th Infantry during the Summer months. The regimental pool has been renovated, and repaired and filled, ready for this seasons activities. It will be maintained for the purpose of providing instruction in swimming for all the enlisted men of the regiment and such of their families and friends as are invited to attend. The pool is attractively located in the ravine about 500 yards West of 24th Infantry Headquarters. It is approximately 125 yards long by 50 yards wide with an extereme depth of 17 feet at the North end, tapering off to zero at the South. The water supply is obtained from a small stream and springs. All water is clorinated by means of an improvised chlorinator. It is estimated that the natural flow is sufficient to change the water at least once a week. The surface spillway is ample to take off all floating impurities.

Expert swimmers and qualified Red Cross life savers will be on duty daily at the pool. Each enlisted man will be instructed until he is able to swim at least 50 yards. It is contemplated to hold a series of swimming races, water polo and diving contests. Last year events of this nature were held, which not only provided an excellent recreational feature, but also furnished valuable training. This year competitions will be held not only among the organizations but there will be a number of individual events as well. With the excellent facilities at hand and the proposed program it is believed that great enthusiasm will be evoked in all forms of aquatic sports.

TREMENDOUS LOSS OF LIFE AND PROPERTY EACH YEAR FROM FIRE

Fire Chief R. L. Smith of Pittsburg, Pa. in his recent talk on fire prevention, gave some very interesting facts about the terrible losses to the country every year from fires, he has been in the fire fighting game for 26 years.

He stated that the yearly loss in the United Sttes amounted to the appalling figure of $570,000,000, causing the loss of 15,000 lives and 100,000 more or less serious injuries.

Statistics show that 65 per cent of the fires occur in homes, also that 85 per cent of all fires could be prevented by a little forethought carefulness and the use of common sense.

This tremendous loss is, of course, being paid for ultimately by the consumer, which means all of us, so that it behooves everybody to help eliminate this loss.

Mr. Smith stated further that the per capita fire loss in Europe ranges from 11 to 35 cents and in America $5.70.

He said that some of the specific conditions causing unnecessary fire losses are:

(a) Open fire places and stoves.
(b) Bags, rubbish and old paper stored in the attic, cellar or beneath stairs.
(c) Amateur electric wiring.
(d) Oily mops placed in cupboards.
(e) Use of various compositions (gasoline, benzine, etc.) for cleaning clothes and gloves.
(f) The careless manner in which these are used and stored.

—(From Int. Fire Chief.)

CADET PRAYER

O God, our Father, Thou Searchers of Mens hearts, help us to draw to thee in sincerity and truth, may our religion be filled with gladness and may our worship of thee be natural.

Strengthen and increase our admiration for honest dealing and clean thinking, and suffer not our hatred of hypocrisy and pretense ever to diminish.

Encourage us in our endeavor to live above the common level of life. Make us to choose the harder right instead of the easier wrong, and never to be content with a half truth when the whole can be won. Endow us with courage that is born of loyalty to all that is noble and worthy, that scorns to compromise with vice and injustice and knows no fear when truth and right are in jeopardy. Guard us against flippancy and irreverence in the sacred things of life. Grant us new ties of friendship and new opportunities of service. Kindle our hearts in fellowship with those of a cheerful countenance, and soften our hearts with sympathy for those who sorrow and suffer. May we find genuine pleasure in clean and wholesome mirth and feel inherent disgust for all coarse-minded humor. Help us in our work and in our play, to keep ourselves physically strong, mentally awake, and morally straight, that we may the better maintain the honor of the Corps untarnished and unsullied, and equit ourselves like men in our efforts to realize the ideals of West Point in doing our duty to thee and our Country, all of which we ask in the name of the great Friend and Master of men. —Amen.

BUILDING GOOD CITIZENS—Perhaps there would be less concern about American youth if due consideration were given to the fact that wholesome and constructive agencies having to do with youth were never more prominent than today. There is a reminder of this fact in the preparations that are being made for summer recreation and training for many classes of young people, For example, there are the citizens' military training camps which are to be opened at various points in the country in the next few months.

From year to year these camps have been appealing to larger numbers of young men. The instruction, discipline, outdoor recreation and other advantages they offer make them a unique opportunity for many thousands of youths ranging in age from 17 to 31 years. The opportunity is restricted to no particular class or group. The requirements for admission, within the limits of facilities, are simply physical fitness, good moral character and American citizenship, or at least the expressed intention to become a citizen of this country. A particular effort has been made to preserve the democratic spirit of these camps. There is no distinction with respect to wealth or social position, race or creed. They are intended for Americans and are designed to teach the principles of Americanism.

The camps have been termed builders of American citizenship. The limited expense of maintaining them is one of the soundest investments the government makes. They merit the support they have gained not only from American youth, but from citizens generally.—Kansas City Times.

HARVARD WEST POINT FOOTBALL

WEST POINT, New York, May 16.—By an agreement signed today between the athletic representatives of Harvard University and the Military Academy, and approved by the official authorities of both schools, Harvard and the Army will meet in football at Cambridge on October 20, 1928. At the same time it was announced that the baseball teams of the two schools would meet here at West Point on April 14, 1928.

The announcement of the football agreement, which was signed after several conferences between the athletic authorities of the two schools, was received here with great satisfaction. The game will mark the resumption of football relations after an absence of seventeen years, the last game, a six-to-six tie, being played here in 1910. The teams first met in 1895. Eleven games were played between that year and 1910, of which number, Harvard won all except the tie game in the latter year. Seven of the ten were won by the margin of one touchdown each. The 1909 game was called at the middle of the second half because of an accident to Cadet Byrne. Harvard was leading at the time 9 to 0. The injury to Cadet Byrne proved to be fatal. The mortar battery on the main plain is now called Battery Byrne in memory of that gallant cadet.

Seven baseball games have been played between the two schools, the first in 1897, the last in 1920. Army has won two and Harvard three; two have been ties. It is expected that arrangements will be made shortly to provide for contests in all sports in which Harvard and the Army do not now meet. The two schools have maintained rather consistent athletic relations in polo, fencing and tennis.

COMBAT TRAIN LEADING 83rd FIELD ARTILLERY IN BATTERY SERIES

The four Batt. teams in the 83rd F. A. are fighting it out for the championship of the 83rd Field Artillery.

The series opened April 26th and will end about the first of June. The winning team will be presented with a beautiful silver cup at the end of the series. The Combat Train is leading the league by a good margin, having won four games and lost none, they have won the series for the past three years, and every thing looks like they are going to repeat again this year.

The Cannoneers are looking towards a very successful season in the Intra-Mural series, as they have the best bunch of players to pick from this year they have ever had.

Hopkins, Kilgo, Spivey, and Drawdee will probably do the hurling for the Redlegs in the coming series while in Kirby and Ridley, they have two as good receivers as will be found in the Post.

Quite a few of the old timers will be found in the line up this year, among them is McAuliffe, Reid, Cole, Esperidge, Derrick and Hirtzel. Several men who have came to the outfit since last season are showing up good in the Battery series.

Standing in Battery League:	W.	L.
Combat Train	4	0
"B" Battery	2	1
"C" Battery	1	2
"A" Battery	0	3

ENGINEERS BEARD LIONS

Sunday afternoon the Seventh Engineers, playing their first game of the season, defeated the Phenix City Lions at the Swift Athletic Field in Columbus by the close score of four to two.

The score, however, does not fully demonstrate the Engineer's superiority in every department fo the game. The game was featured by the excellent pitching of Perkins, Briner's catching, the timely hitting of Brock and Cameron, a beautiful double steal by Cameron and Kingsbury and the pink bloomers most exquisitely filled by a young lady who sat in a sedan parked on the side line. The bloomers are mentioned because of their blinding effect on Long Si Perkins who on divers occasions crossed Briner in the matter of signals.

Score by innings:

Engineers	022	000	000—4							
Lions	000	001	100—2							
	AB	R	1B	SB	SH	PO	A	E		
Engineers	35	3	9	7	1	27	5	3		
Lions	32	2	4	5	0	27	13	6		

Earned Runs, Engineers, 1, Three base hits, Brock. Struck out, by Perkins 10. by Peacock 9. Wild pitches, Perkins 1. First on balls, off Perkins 2; Peacock 3. Left on bases, Engineers 7; Lions 6.

15TH TANKS

By Lt. Thomas Brinkley

Company "B" 15th tank battalion, the heavy tank company at Fort Benning have acquired another honor. which is something that any organization would be proud of. Since the system of sclecting the Commandants orderlies from the art of Fort Benning has been in effect, the 15th tank battalion, fifty-three have been selected from Company "B" The organization has and to compete at guard mount each day with two other companies from the battalion. Competition always is keen, and in the 15th tank battalion orderly bucking has been developed to a science.

As a rule all members of the guard detail are bucking, and the officer of the day frequently has to have the men strip off their outer clothing, in order to determine which man is the best. Uniforms and equipment are perfect, and it is a pleasure to observe the neat guard detail which daily goes on duty from the battalion. The men, in striving to make orderly for the Commandant, are not doing so in effort to avoid walking post, but for the purpose of making a record for their organization. This pride in organization among the members of Company B, has enabled them to make a fine record in the face of strong competition. Not only does this company get the reward of furnishing the Commandants orderlies, but it has always furnished the majority of the battalion commanders orderlies. One month, of the 30 orderlies furnished Major Edgar S. Miller, battalion commander, twenty-eight came from Company B.

The men of Company B, and their commander, Captain L. D. Thorpe, are justly proud of the organizations record, and are to be congratulated upon their splendid organization.

INFANTRY SCHOOL DETACHMENT

Sergenat Joe ("Fuzzy") Morton purchased his discharge last week and was gone back to the hills of Georgia. We hate to see him leave but we all wish him the best of luck in civil life.

Corporal Fred E. Davis completed a three year hitch last week and is going to try civil life for a while.

Some thirty wearers of the green hat cord are out helping fight the War between the Blues and Reds. They say life in the great open spaces is very enjoyable.

Among the recent arrivals in the organization are Privates King, Sims and Naquin. King and Sims are both on duty in Garrison Headquarters and Naquin is trying out in the Personnel Section.

Sergeant Lyke returned from a long vacation Tuesday, but is going to leave the service for good, having accepted a position with the Muscogee Motor Company of Columbus.

Our baseball team started their practice Monday afternoon. With a lot of new material and the "old timers" like McCarthy, Heckert, Duff, Morgan and Tolle, our prospects of winning the pennant are better than in recent years. We are all wishing the team the best of luck, you bet the I. S. D. will give the team the fullest measure of support.

She was only a pirate's daughter—but, oh boy, what a Kidd!

THEATERS

MAY 20, TO MAY 27 INCL.

FRIDAY, MAY 20

"ALTERS OF DESIRE," starring Mae Murray with Conway Tearle in a charming comedy drama staged in Paris and the gay realms of the South. It is a tangled romance of two worlds, replete with comedy and dramatic highlights.

"House Without A Key," No. 5."

SATURDAY, MAY 21

"HELD BY THE LAW," featuring Johnnie Walker, Marguerite de la Motte and Ralph Lewis in a convincingly realistic drama from the inspired pen of Raymond Veiller, master of the pen who wrote "Within The Law." The cunningly woven plot dooms an innocent man to the chair; although you see the crime committed you cannot figure out how this man can be saved. Mystery, suspense, thrills and an amazing climax characterize this picture.

"Baby Clothes."—Our Gang Comedy.

SUNDAY, MAY 22

"THE SEA TIGER," starring Milton Sills with Mary Astor and an excellent cast in a vivid and and colorful story staged inand around the wilds of the Canary Islands, a mid Atlantic possession of Spain. Sills, as a Spanish fisherman with rings in his ears, depicts the passions of love, hate, jealously and sacrifice in this absorbing melo-drama of the high seas and savages islands.

"Alice Foils The Pirate."—Cartoon.

"Pathe News."

MONDAY, MAY 23

"THE LADY IN ERMINE," starring Corrine Giffith with Francis X. Bushman and a strong cast in an epoc picture of regal splendor, laid in the romantic surroundings of Austria and Italy. A bride of three hours is given the choice of her honor or her husband's life and the loss of her palatial surroundings. This is a gripping melo-drama.

"House Without A Key," No. 7.

TUESDAY, MAY 24

"BLIND ALLEY," starring Thomas Meighan with Evelyn Brent and Greto Nissen in a snappy story laid in Times Square, New York. This new type of story for Meighan offers many thrills, among which Tom is hit by a cab in the Square and Greta is shangnaied in a taxi to Astoria. This story is fast, clever and interesting.

"Wide Open Spaces."—Graves Comedy.

WEDNESDAY, MAY 25

"GIGOLO" starring Rod La Rocque in one of the most powerful screen attractions of today. The story is from the popular pen of Edna Ferber. Gigolo means "professional dance man." The story is of the son of a wealthy American parents; he is educated abroad; when war breaks out he joins the Lafayette Escadrille, his face becomes mutilated, then is remade by plastic surgery. His boy sweetheart becomes a nurse, she does not recognize him. Finally his identity is disclosed and a pleasing romance ends happily.

"Collegians No. 7."

THURSDAY, MAY 26

"THE MONKEY TALKS," starring Olive Borden in an exciting story of behind the scenes of Paris stages. The story is a combination of human and animal affection centered around the actors, actresses and trained monkeys of the Follies Bergeres and a Parisian circus. Attractive ladies of the follies plus the absorbing drama of the story promise this film to be far above the sound of its title.

"Pathe News."

FRIDAY, MAY 27

"CHILDREN OF DIVORCES," featuring Clara Bow and Esther Ralston in a story of society life of New York, California and Europe. It is an expose of the evils atending the off-spring of divorced parents. The play is filled with beautiful love scenes, throat-tightening moments of tragedy and intense dramatic situations.

"House Without A Key," No. 8."

Park at C. A. Morgan & Co. Open till 10 o'clock. Soft Drinks, Drugs and Cigars.

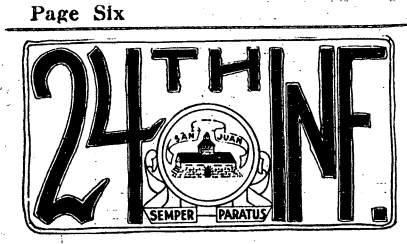
C. Schomburg & Son

1121 Broad St. Columbus, Ga.



The enilsted men's dance on the 11th inst. to the personnel of the 24th Infantry was given by Company "G" of that regiment. All married men, their wives, a few maids of the garrison and single men were invited. About 125 persons were present and enjoyed the evening's activities. The music was furnished by Sergeant Louis A. Scipio Service Company and his orchestra. 1st Sergeant Walter Jones was general manager and Mess Sergeant Fred Wright was responsible for the refreshments.

Visitor: "Do you find poultry-keeping pays?"

Farmer: "Well, no; I can't say it pays me, but it pays my son Mike."

"How's that?"

"Well, you see, I bought him the fowls, I have to pay for their keep and buy the eggs from him, and he eats them."—The Arkansian.

ENTRIES LARGEST IN S. E. HISTORY

Ten Colleges and B. A. C. Entered. Cleckley to Represent Local Legion Post in Three Events

Approximately one hundred college athletes from the states of North Carolina, Georgia, Alabama and Tennessee, will compete in the Southeastern Amateur Athletic Union championship tourney at the Memorial Stadium here Saturday afternoon.

Track and field stars from Auburn, Tech, Georgia, Oglethorpe, Furman, Clemson, Chattanooga, Vanderbilt, Alabama, Presbyterian College and the Birmingham Athletic Club will strive for honors.

An especial feature will be the entry of Harvey Cleckley, University of Georgia and Oxford, England star athlete and student, as a representative of the Charles S. Harrison post of the American Legion. Cleckley, a native of Columbus, a nephew of the late Dr. Cleckley, while a Rhodes scholar at Oxford, attained international fame in the 100 and 200 yard dashes and in the low hurdles. He played football at Georgia under Coach George Woodruff.

Events for School Athletes

In addition to the events for adults there will be events for high school and grammar school athletes. Baylor, of Chattanooga, Phillips High, of Birmingham, Tech High, of Atlanta, Boys' High of Atlanta, McCaulie, of Chattanooga, Columbus High, Lee County High; Newnan High, Darlington High, of Rome and the Fifth District A. and M., have entered contestants in the high school events.

In the grammar school events, Seventh Street, Eleventh Street, Sixteenth Street, McIlheny, North Highlands, Waverly Terrace, Linwood, East Highlands, Wynnton, Phenix and Girard students will participate.

Vandy Relay Team Entered

The Vanderbilt relay team which clipped two-fifths of a second off the S. I. C. record last week. Will be here to give all rivals a merry run.

HDQRS BAT., 83rd F. A. BATTALION LEADS IN THE INTER-BATTERY SERIES

Wednesday's game between Hq. Bat and Battery "A" leaves McAuliffe's camels in the lead with Games won 4 and no losses. Hopkins twirling for Headquarters chalked up a record of 12 strike-outs, while Drawdy of Battery "A" recorded only 4.

Q EMMERS DOWN NEWARKERS IN SUNDAYS GAME

The Q, M. C. baseball team motored down to Columbus Sunday afternoon and romped on two pitchers to win from the Newark Shoe Salesman 12 to 2. Toggrette pitching for the soldiers turned in a good game and was given good support. The game was played on the Industrial Diamond, and was witnessed by quite a crowd.

The Q. Emmers have made a good beginning having won their first three games they look like they are going to make some body hustle in the B. League this year. The bases Sunday were furnished by the Dixie Brickyards. Any teams desiring games with Q. M. C. call Corp. Ray, Quartermaster Det.

HOT SHOTS

A police dog that made a distinguished record in France during the World War visited a country dog.

One day while roaming through the woods they saw a skunk.

"Better be careful" warned the country dog when the police dog started barking his annoyance.

Warning did no good, so the country log started for home.

An hour later the police dog returned, his ears were flopped down, his tail drooped, and he looked doggone sick.

How did you come out? asked the country dog.

"Aw, I whipped him alright": was he reply. "I got him down and walloped him, and had him on the run but the darn thing gassed me.—Whiz Bang.

When a colored revivalist was caught hugging one of the young girls of the congregation, members of the flock asked for an explanation.

The preacher got a picture showing the Good Shepherd holding a little lamb in His arms. "As Ah am de shepherd oh this flock" said the Reverend "Ah ought to be able to hol, a lamb in mah ahms if Ah wants to. This was a satisfactory explanation to the deacons and elders, but they called a little meeting in the Sunday school room and while there formed this resolution which was then read to the preachers: "We, de deacons and elders of dis yah church, resolved it is alright fur Brudder Jones to hol, de lamb in his arms if he wants to, providing it am a ram lamb. —Whiz Bang.

The Major was approached one day by a youth who had obviously been in the service only long enough to draw his uniform.

The rookie failed to salute, but the Major overlooked it.

"Say" began the buck cordially, ever drink anything?

The Major was truthful as well as kindly. He admitted that once in a while he took a little nip, and then turned away.

Wait a minute, said the rookie, I got some here.

This was too much for the Major.

"Corporal of the guard": he bawled.

Aw gee: protested the recruit, don't call your friends, there's only enough for two.—Whiz Bang.

CAVALRY MORE NEEDED THAN EVER

In his graceful and comendatory address of the Cavalry School at Fort Riley, Major General C. P. Summerall, chief of staff of the United States Army, paid a tribute to the work of the mounted branch of the service which will be read with interest by all who have the welfare of our system of national defense at heart, "There has been a great deal of misinformation broadcasted relative to the cavalry," said General Summerall. "It is a fact that cavalry is of far more importance that it ever has been before. In order to have good cavalry, of course, we must bear in mind that its efficiency is, above all things, dependent upon the proper conditions of animals and upon proper ability to conserve, maintain and care for them."

This testimony, from an officer competent to speak upon a subject to which the layman gives little or no thought, should serve as a useful stimulus to horse lovers everywhere who are encouraging mounted sports in this country. Particularly will the words of General Summerall by the promoters of the steeplechase, wealthy men of more or less leisure, whose ultimate aim is the development of a series of contests in the South which shall attract the best of horseflesh from abroad, where the institution has been a fixture for many generations. The American officer, General Summerall states, is regarded as one of the best riders in the world; rather surprising characterization when it is recalled that the American citizen does not naturally and at first associate his own countrymen, outside the cowboys and the professional jockeys, with superiority in the saddle. The Army cavalry schools, in turn, are among the best to be found anywhere, and it must be particularly gratifying to their able heads, like Generals Booth and King, to find the work they are doing so thoroughly appreciated by their distinguished superior officer.—Boston Transcript.

Late one night a traveler in a Pullman was seized with an attack of indegestion, so his wife slipped on a kimona and hurried to the wash room to prepare a mustard plaster. She rushed back, hastily threw aside the curtains, and applied the plaster securely before discovered it was not her husband, but a strange man.

About two hours later a terrific roar issued from the stranger berth.

Porter "he howled," who the hades put a porcupine in my bed?—Whiz Bang.

They call that girl Giraffee, because she's all neck, and has a spotted career.—Michigan Gargoyle.

Ole—Tillie, vill you marry me?

Tillie—Yaas, Ole.

A long deadening silence falls.

Tillie—Vy don't you say something, Ole.

Ole—Vell. Ay tank ay say too much already.—Washington Dirge.

A blizzard is the inside of a hen.

A circle is a round straight line with a hole in the middle.

George Washington married Mary Curtis and in due time became father of his country.

Sixty gallons make one hedgchog.

Georgia was foundered by people who had been executed.

CURIOSITY

Hard Boiled Sergeant—Hey, wateryuh doin' with that machine gun?

Rookie—I was just lookin' fer the engine.—Drexerd.

Farmer (to druggist): "Now be sure an' write plain on them bottles which is for the Jersey cow and which is for my wife. I don't want nothin' to 'appen to that Jersey cow."—National Safeteria Owner.

"Come on," muttered the condemned convict, as the executioners seemed in no hurry to spring the trap. "I can't be hanging around here all day."—Louisville Satyr.

Said the garage man's son: I had a pre-ignition that the play would come through my side of the line.—Bison.

"The brotherhood of man is on its way."

"What makes you think so?"

"I hear a Princeton and a Harvard man are going into business together."—Colgate Banter.

"My husband examined many diamonds before buying this one for me, and he says it's the flower of them all."

"You mean **Flour.**"

"Why?"

"It's paste."—Cincinnati Cynic.

A convenient way of blowing out one's brains is by a continued use of the saxophone.

A kiss in time would save nine situations out of ten.—Old Maid.

"What you need is electric baths."

"Nothing doin', doc. I had an uncle drown that way up in Sing Sing.

"Where are you going, daughter?"

"Downstairs to get some water."

"In your night gown?"

"No, in this pitcher."—Yellow Jacket

The usual She: How do you like Mike Lynch?

The ditto He: Oh! You clinch pretty well.—Brown Jug.

A pony-skin-covered arm protruding from a collegiate looking car ahead of you means that the driver is:

1. Knocking the ashes off his cigarette.
2. Going to turn to the right.
3. Telling his date to quit smoking all his cigarettes.
4. Going to turn to the left.
5. Pointing out where his bootlegger lives.
6. Going to back up.
7. Telling his girls, yet, he's sure her date passed out.
8. Saluting a passing collegiate car, or going to stop.—Mink.

"I can't marry that woman."

"Why not?"

"I've divorced her three times now."

RED CROSS LIFE SAVING CHAPTER GRANTED "B" CO. 15th TANK BATTALION

Only Individual Company In U. S. Army Qualifying For This Honor

With impressive, dignified ceremonies, Co. B., 15th Tank Battalion, on Wednesday, May 11, 1927 at the Fort Benning swimming pool was granted a charter as an Affiliated Life Saving Corps, of the American National Red Cross. Upon the receipt of this charter, this organization of Heavy Tankers has the honor, and the unique distinction of being the only individual company in the United States Army possessing one of these coveted documents which indicates skilled perfection in the art of swimming and life saving methods. In order to obtain a charter of this nature it is necessary that a company, a battalion, regiment, post, camp or garrison have not less than ten individuals who have qualified in the life saving methods and water safely programs, and passed the Senior Life Savings test of The American National Red Cross, and in this, Co. B., as an organization, stands out in a class by itself.

General Collins Makes Presentation.

At 2:15 o'clock the entire company, which is on duty out at the maneuver camp, arrived at the swimming pool, having been brought in by trucks, for this auspicuous occasion. At 2:30 o'clock Brigadier General Collins, The Commandant, The Infantry School, arrived at the pool, and upon his appearance the entire Company lined up along the bank.

General Collins addressed the members of the organization in words appropriate to the occasion, and expressed his gratification upon this signal achievement of "B" Company, and advanced the idea that it takes an excellent organization to be successful in an undertaking of this nature. He cited many concrete examples of the necessity in the Military service of soldiers knowing how to swim. He referred to an incident in the Philippine Islands, when a body of troops arrived at a stream of water, and there was no way to get over except by swimming. There were some who couldn't swim and they had to be carried across. This he said like many other forms of athletics and sports, develops leadership and morale. General Collins expressed a desire to see more names added to the charter at the end of the next season.

At the conclusion of his interesting address, The Commandant presented the charter to Captain L. D. Thorpe, who had sole charge of training the men, and at the same time handed him the insignia of a Senior Life Saver and Instructor in the Life Saving Corps, and then to the following he presented the insignia of a Senior Life Saver, and personally congratulated each man individually.

Sergeant Charles Real; Corporal Homer B. Pope; Corp. Willie Sanders; Corp. Cleveland Bryant; Corp. Frank Vallery.

The absent members to whom the insignia will be mailed are: Sergt. M. W. Squirrel; Sergt. M. S. Spear; Corp. Claud B. Hall; and Corp. Wm. Peace.

These last four accepted discharges from the Army to accept lucrative positions with recreational activities in civilian life, and the training they received at Ft. Benning in the Tanks was responsible for their employment in important positions.

Commodore Longfellow of the Life Saving Dept. of the Red Cross, with Headquarters in Washington, D. C., was present, and gave a lecture accompanied by a demonstration in life saving and first aid. He congratulated the Tankers on the honor which had come to them and dedicated the pool to Father Neptune being dressed suitably for the occasion, that is in garments representing Father Neptune.

Capt. Gustav J. Braun was Master of Ceremonies.

Company "B" is an all round efficient organization. As a motorized outfit it can be safely said that it is without a peer, and it can easily take its place along-side the best Doughboy Company in the United States Army, and Saturday morning inspections will bear out this statement. This Red Cross accomplishment has brought honor to the company, renown to the Battalion, and favorable notice to entire Fort Benning.

24th INFANTRY TAKE ENTIRE SERIES FROM MONTGOMERY WHITE SOX

Col. Johnson's Happy Hearts stopped the Montgomery White Sox, colored professional team in three games here, and sent them back to Alabama fully convinced that if they were professional the soldiers must have been super pros for the White Sox never came close to winning a game.

In the first game played Thursday the soldiers, got eleven hits and scored a run for every hit, while Vance, and Thomas, held the Sox helpless, all they could get being one lonesome run.

There was no game Saturday the grounds being wet, but a doubleheader was played Saturday evening and a large crowd saw the Happy Hearts run away with both games, Seats pitching for the 24th got in a whole in the first inning when errors by McCrary and Johnson put runners on a scratch hit by Peterson and an error by King at second scored two men, but after this the Sox were helpless, the 24th winning 9 to 3.

In the second game Ole Man Cat Hayward took the mund for the soldiers and after three men were on and nobody down showed a few of the youngsters how a baseball should be pitched, by striking out the next three batters on ten pitched balls, some pitching. The White Sox scored three runs in the seventh inning, but the 24th was enjoying a twelve run lead and the runs were merely gifts.

Vance batting for Battles in the sixth suffered a bad sprain when he stole home on the pitchers wind up, he will probably be out for a couple of weeks.

Score by innings: Friday's Game:

2th Infantry	210	021	230	—11
White Sox	000	000	010	— 1
Saturday's Game:				
24th Infantry	031	015	000	—10
White Sox	200	000	100	— 3
2ND Game:				
24th Infantry	111	144	000	—12
White Sox	100	000	030	— 4

NOTES OF THE NATIONAL GUARD ENLISTED MEN'S CLASS AT CAMP EGBERT

We wonder what bug has bitten one of the non-Coms from New York and caused him to make reveille so frequently.

Rain certainly has a wonderful way of speeding up wire laying, and losing messengers, between message centers.

Isn't it funny how the O. D. at Fort Bening dislikes rolled sleeves. Some one is always taking the joy out of life, eh, Corporal?

Wonder if that master sergeant's letter was worth that nine mile walk Sat. night. Must have been to judge by his grin.

Wonder who we will be attached to next for rations. Who started this lunch idea anyhow. What! No asparagus.

And the members of our class at Camp Liscum think they have a wonderful camp, sulphur water and all. Yea, their types would.

Our acting top kick is certainly a brave fellow. We have heard of using alligators for grips, purses, etc, but never before have we heard of using one for a foot warmer and bed-fellow. And—er—why blame it on an innocent little grasshopper?

And Jimmie says, "We have just twelve more days to do this in."

A Little Bird.

SOLDIER DROWNED WHILE SWIMMING IN RIVER

Body Private Comer D. McBroom Found At Bradley's Landing

The body of Private Comer McBroom, Howitzer Co. 29th Infantry, who was drowned last Wednesday, May 11, while swimming in the Chattahoochee river was sent to his home in Baxter, Tenn., Monday in compliance with the telegraphic request of his mother.

According to reports of the drowining, Pvt. McBroom accompanied by Privates Johnson and Reynolds of the Howitzer Co. were swimming in the river, a race across the river from the Georgia to the Alabama side was suggested. The three struck out for the Alabama side where Reynolds and Johnson safely arrived. On looking for their companion they discovered that he was no where to be found. It is believed that he was caught by a strong current and carried under to his death.

The body was found Saturday about two miles from the place where he was drowned, on the Georgia side near Bradley landing.

Private Maskoski of the Howitzer Co., was the first one to find the body. Private McBroom was highly esteemed by the Officers and enlisted men of the Howitzer Co., and had made many friends since coming to the organization in September 1926.

GENERAL SUMMERALL AGAIN VISITS SCHOOL

Student Officers Graduate on Saturday

STUDENT OFFICERS COMPLETE WAR PROBLEMS; RESUME ACADEMIC DUTIES

Field Exercises are Extremely Well Executed by the Present Student Classes; Graduation Looked Forward To

(By Lt. Geo. L. Potter)

The war god, "Mars", has hidden behind the horizon, and the white dove of peace, together with the eagle of victory, perches on the banner of the Blue army. The final effort of the peace drive was successfully completed Wednesday afternoon, and the Red army routed. The last field exercise has been closed, the last message lost, the missing messenger found, and the war of 1927 is over.

Immediately after the departure of the student officers for their respective fields of action, the student officers camp was struck, assembled, and prepared for shipment to Fort Benning. Wednesday the permanent personnel camp at Harmony Church was dismantled, while that at Sulphur Springs was taken down Thursday. All student officers returned to their quarters in the garrison Wednesday evening, immediately following completion of the last of the field exercises.

Many and varied have been the experiences of the Blues. While the exercises have ben both hot and dusty, as rule the weather has been fairly cool, and practically no rain fell.

The last few days of the school year will be devoted to academic work, and the turning in of equipment. In

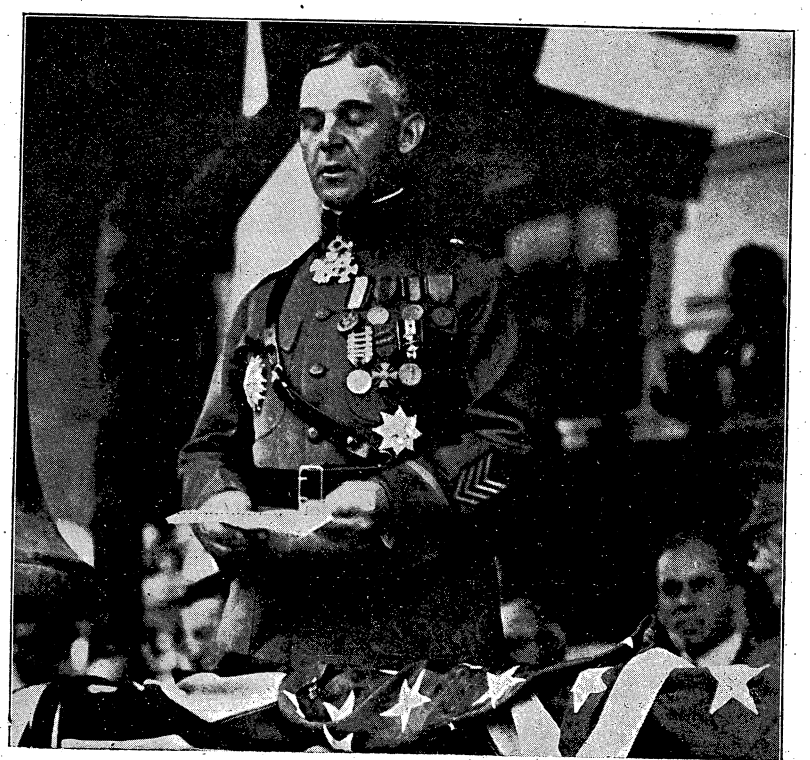
Wonders if a Sulphur Springs mosquito prefers a New York round steak to a Michigan pot roast.



Major General Charles P. Summerall, U. S. A., Chief of Staff of the United States Army.

CHIEF OF STAFF TO BE PRINCIPAL SPEAKER AT CLOSING EXERCISES

All Officers are Keenly Interested in Probable Message that Army Head will Bring from Washington; Last Address to Commissioned Personnel of the School is Recalled

Major General Charles P. Summerall will arrive in Columbus this evening at eight ten o'clock; the Chief of Staff will be met at the train by the Commandant of the Infantry School Brigadier General Edgar T. Collins and the officers who are to be special aides to the General while he is at Fort Benning. General Summerall will be accompained by his personal Aide Captain L. C. Allen. The Chief of Staff is coming to Fort Benning or the purpose of being present and delivering the principal address at the graduation exercises of the Infantry School.

On Saturday noon following the graduation exercises the General will be the guest of honor of the Columbus Chamber of Commerce at a luncheon at the Hotel Ralston. General Allen, the Chief of Infantry will also be present on this occasion. General Summerall's visit will be extremely brief; he will leave Fort Benning at four o'clock Saturday afternoon for the return trip to Washington.

Other than the fact that the Chief of Staff is a distinguished soldier the commissioned presonnel at Fort Benning are particularly interested in the General's visit. On his last trip to the Infantry School, General Summerall spoke to an assemblage of all officers of the Garrison and his message at that time was of extreme interest to all; his optimism and his frank relation of the business being transacted in the War Department for the improvement of the Army as a whole at once held the concentrated attention and respect of all of the Officers listening to the General's address.

CHIEF OF INFANTRY VERY ACTIVE IN HIS INSPECTION OF SCHOOL

Visits maneuver camps within an hour after his arrival in Columbus; greatly interested in Cooks and Bakers School; breaks Benning record at golf

Major General Robert H. Allen, Chief of Infantry of the United States Army, arrived in Columbus Tuesday morning at 5:50 o'clock. He was met at the station by Col. George W. Helms, Executive Officer of the Infantry School. During his visit, which will be of several days duration, General Allen will be the guest of Colonel Helms. Immediately following his arrival, General Allen had breakfast with Col. Helms at the Hotel Ralston, following which they motored to Fort Benning. As General Allen entered the garrison, Batt. B. 83rd Field Artillery, commanded by Captain G. T. Winton, F. A., fired the customary salute in his honor.

General Allen was met at the Upatoi bridge by his escort, Co. E. 24th Infantry, commanded by Captain E. T. Jones, with the officers of that organization, Lieutenant George Dedrick 24th Inf. and Lieutenant R. S. Mackie 24th Inf.

The escort was preceded by the 24th Inf. band.

General Allen proceded at once to the maneuver camp at Harmony

(Continued on page 2)

MAJOR GENERAL FRIES VISITOR HERE

(By Lt. Geo. L. Potter)

Major General A. A. Fries, the Chief of Chemical Warfare Service of the Army, arrived in Columbus Monday afternoon about 1 o'clock. He was met at the station by Colonel George W. Helms, Executive officer of the Infantry School, and first lieutenant John H. Becque. Chemical Warfare Service, who was detailed as complimentary aide-de-camp to General Fries during his visit. General Fries then was escorted to the Ralston Hotel for luncheon, following which the party returned to Fort Benning. As General Fries entered the garrison, Battery "C", 83rd Field Artillery, commanded by Captain W. B. Weston, F. A., fired the customary salute in his honor. Post Headquarters was visited, followed by a tour of the garri-

(Continued from Page 1)

son, during which General Fries noted Church, where he was the luncheon guest of Brigadier General Edgar T. Collins, commandant of the Infantry School.

The Chief of Infantry looked over several of the field exercises and returned to the garrison in the afternoon.

Later in the afternon he rode over the post, and noticed the many improvements that have been made since his last visit.

The Chief of Infantry is not following any set schedule in his present visit to the Infantry School, but during his stay will ysiit all of the many activities of the garrison. Wednesday morning General Allen visited the Department of Experiment, of which Colonel Harris Pendleton is the chief, and also the Infantry Board, of which Colonel Harry A. Eaton is the President.

General Allen was the guest of the Columbus Rotary Club Wednesday, for dinner, and many other social functions have been arranged in his honor. General Allen will be present for the graduation exercises of the Infantry School, which are scheduled for Saturday morning at ten o'clock.

Addresses Columbus Rotary Club

Among the prominent speakers at Wednesdays Rotary Club luncheon at the Ralston was Major General Robt. H. Allen, Chief of Infantry of United States Army.

General Allen who will remain at Ft. Benning until after the graduation exercises Saturday, spoke of the splendid cooperation of the citizens of Columbus in all things pertaining to the betterment of Ft. Bennnig. He stressed the fact that while appropriations for housing a large per cent of the personnel of the garrison had been made, no provision for academic and administration buildings of permanent character have yet been made.

He solicited the coperation of the club and other Columbusites in obtaining the necessary funds for this important project, stating that Chairman James of the House Military committee will probably visit Columbus and Fort Benning in the summer or fall.

General Allen, Chief of Infantry, spent yesterday afternoon inspecting many of the various projects at Fort Benning, including the new area of the 83rd Field Artillery, and the new post bakery, with which General Allen expressed himself as being very much pleased. Later in the afternoon, General Allen played the nine hole golf course, breaking par for the course. He also played some very fast tennis with Colonel Wait C. Johnson, commanding the 24th Infantry, and president of the Infantry School athletic asociation.

Thursday, General Allen conferred with the Infantry Board, on various matters pertaining to the Infantry, and witnessed a deonstration of the new anti-aircraft machine gun. Thursday afternoon, the Chief of Infantry witnesseth the tryouts of the Infantry rifle teams, which will compete with the teams from other branches of the service this summer at Camp Perry, Ohio.

STUDENT OFFICERS COMPLETE WAR PROBLEMS; RESUME ACADEMIC DUTIES

(Continued from page 1.)

addition, preparation for the grand exodus of the 1926-27 student officers class, is in progress. From Fort Benning, following the graduation exercises, the officers will scatter through out the United States, Porto Rico, Panama, Hawaii, Alaska, the Philippines and China. And probably, in all those places, at some time or other will be recounted how the war of 1927 was won, together with reminiseences of the great and only Major Hulhall.

Saturday morning, beginning at ten o'clock, graduation exercises of the classes will be held on the commandant's lawn, or, should inclement weather prevail, in the war department theatre. The classes will probably be addressed by Major General C. P. Summerall, Chief of Staff of the Army, Major General R. H. Allen, Chief of Infantry, and Brigadier Edgar T. Collins, Commandant of the Infantry School. With the close of the graduation exercises, the school year, one of the most satisfactory since the beginning of the Infantry School, will officially be closed.

MAJOR GENERAL FRIES VISITOR HERE

(Continued from Page 1.)

the many improvements which have been completed since his last visit some two years past.

Arriving at Harmony Church camp, General Fries was the dinner guest of Brigadier General Edgar T. Collins, Commandant of the Infantry School. The dinner was attended by members of the commandants staff, in addition to which, were Judge Arthur Lynch, of Columbus, and Mr. T. G Reeves, also of Columbus, Judge Lynch was the first commander of the Chas. S. Harrison post of the American Legion, which Mr. Reeves was the last to occupy that position, having been succeeded by Captain Bert Lennon, present commander of the local post. Judge Lynch is, at present, department commander of the Georgia department of the Legion.

Later in the evening, General Fries addressed an open meeting, to which all officers were invited. The address was most interesting, being on the subject of National Security. Among other subjects, General Fries, who is Department Commander of the District of Columbia, American Legion, praised the efforts of the Sojourners Club (Masonic), and of the American Legion, in accomplishing what they have along educational and other lines.

General Fries left Columbus at 7 o'clock this morning for Atlanta, from where, following a brief visit, he will return to Washington, D. C.

24TH REDS IN THREE GAME SERIES

A three game series of fast baseball will be on the card for Saturday, Sunday and Monday. Arrangements have been completed for a series between the 24th Infantry and the professional team from Jacksonville, Florida, namely the Jacksonville Red Caps. This series of games should equal the series between the 24th Infantry, and the Black Barons, of Birmingham, Ala., which was played last month.

It is stated that the Red Caps took two of a three game series from the 24th Infantry last year, the series being played in Jacksonville. Any team doing that can be counted upon to furnish good baseball. The 24th team is in splendid condition condition. All of the pitchers are ready to start ,and the games are expected to prove closely played between two evenly matched teams.

BENNING BASEBALL TEAM MAKES FINE SHOWING FOR THE SEASON

Finishing a schedule of twenty-one games played with some of the leading College and Professional ball clubs in the South, the Infantry Schol Baseball Club, shows twelve games won to nine lost.

FAREWELL PARTY

The Dance and party of the I. S. D. held Saturday, 21st May, was after the nature of a farewell party in honor of Mrs. Louise P. Ford, who for over three years has been the Godmother and First rooter for the Families and Teams of the Infantry School Det.

When the dance was at its height, Major Bootzs called the gathering to attention and with a few well-chosen words expressed the appreciation of the I. S. D. and on behalf of the organization, presented Mrs. Ford with a beautiful Gorham Silver after dinner Coffee Service. The surprise element was most apparent and it was many minutes before Mrs. Ford could clear her eyes or voice to respond.

The I. S. D. looses a good friend in Mrs. Ford and that they have a real appreciation of the many unannounced and never-advertised helps and boosts given by Mrs. Ford, was evidenced by the cheers and fearful leave takings that followed the presentation.

Major and Mrs. Ford will leave on Saturday for their new station with the 6th Infantry at Jefferson Barracks, Missouri.

At that, every time a girl steps out in the rain she is bound to get water on the knee.—C. C. N. Y. Mercury.

The Narragansett Maneuvers

For the purposes of description, the territory now defending itself against this proposed landing party is known as the Narragansett Bay area. Under the command of Major General Preston Brown a force of some 2500 men (who represent an army of about 70,000), with anti-aircraft batteries, coast Artillery, observers, radio experts, signalmen, infantry and field artillery, is ready to ward of the battleships, cruisers, submarines, destroyers and airplanes which will strike as one weapon in the Narragansett Bay war game which will soon be on in earnest.

It will be the purpose of the defending army to locate the "enemy" fleet and, through carefully planned communications, to prepare for its attack at the proper point and with adequate weapons. Tactical plans now in possession of the Army and Navy boards of strategy will be given a severe but beneficial test during the present week. Many mistakes may be made by both sides but they will be corrected by the experience and, in the end, the land, sea and air forces will be better trained and equipped for whatever emergency duty may be in store for them.

Naturally, New England will take a keen interest in the maneuvers, first because the movements of land, sea and air forces are always interesting and secondly because the success or failure of the present maneuvers has a special significane to the people in this part of the country. The security of our coast is an important matter even in days of peace, and its security is second to no other consideration in time of war.—Providence Journal.

"Hello!"

Father:—Certainly.

Boy:—Then sign my report.—Chaperon.

LINDBERGH'S LETTERS OF INTRODUCTION

The Columbus Enquirer-Sun says this, editorially, of Captain Charles Lindberg's arrival in Paris after his epochal flight across the Atlantic:

Shortly after Charles A. Lindbergh stepped from his plane on French soil after his epochial flight from America, the youthful flyer naively informed Ambassador Herrick that he carried with him two or three letters of intorduction "because this is a new country to me and nobody knows me here." Obviously, young Lindbergh confidently expected to reach Paris and he had prepared himself by obtaining letters of introduction, since in his modesty it had not occured to him that the moment he landed at Le Bourget Field he would be more widely known than many presidents, kings and emperors. When the youngster told the United States ambassador of the letters of introduction, Mr. Herrick patted the boy on the back and told him to go to bed and not to "worry about a stranger; there isn't anyone in France who won't konw you when you awake."

The ambassador was right, of course. All France acclaimed the heroic young American. She had lost two of her heroes—Nungesser and Coli—who had failed in the venture that sent Lindbergh from one hemisphere to another, but France, always generously eager to honor a hero, regardless of nationality, was swept by a fire of enthusiasm over the wonderful feat of Lindbergh. And Frenchmen have done their utmost to convince the young American flier of their appreciation of his great achievement. Many honors have been bestowed upon him—among them the Legion of Honor—and as long as the blond youth remains in France he will be that country's hero.

When Ambassador Herrick told young Lindbergh that all France would know him, the ambassador's statement was correct as far as it went. But the whole world knows "the lone flier," and the whole world honors him. His feat was the greatest in aviation, and the news of the successful termination of his flight was the biggest story since the signing of the armistice.

And through the tumultuous rejoicing that has attended his success, the young American has calmly smiled. When he left New York he said: "So long, I'm off." When he arrived in Paris, he smiled: "Well, here we are." Modest through it all, is this determined and daring air monarch, and that is one of the reasons why he has been greeted with the unrestrained plaudits of the people and the unlimited praise of the press.

THE ALARMING INCREASE IN ANNUAL LOSS BY FIRE

In the past 50 years, while the increase in population has ben 150 per cent. that of fire losses has been 686 per cent.

In 1870 fire losses averaged $19.00 per minute—today, the figure is $1,044.

The Committee on Safety to Life of the National Fire Protection Association recently stated that 50 per cent. o fthe educational institutions of the country were unsafe.

We teach school children fire prevention, and yet in many cases they are taught the doctrine in a fire trap. Is this economics or humanity? Insurance companies are but collectors and distributors of the fire loss. They pay the losses as they occur, thus enabling the restablishment of business, but collect all such amounts, with the cost of doing business, in the premiums of succeeding years. The rates are large or small in proportions to the fire losses.

Manufactures who pay the largest premiums, add these with other items of expense to the cost of their product, and this is all paid by the final consumer. The bread we eat, the clothes we wear, the books we use and the machinery we operate will have in their cost a part of the national fire loss.

THEATERS

MAY 27, TO JUNE 3, INCL.

FRIDAY, MAY 27

"CHILDREN OF DIVORCE," featuring Clara Bow and Esther Ralston in a story of society life of New York, California and Europe. It is an expose of the evile attending the off-spring of divorced parents. The play is filled with beautiful love scenes, throat-tightening moments of tragedy and intense dramatic situations.

"House Without A Key," No. 8.

SATURDAY, MAY 28

"HIDDEN LOOT," featuring Jack Hoxie in an unusual story of daring and mystery with an exciting bit of romance that will satisfy every lover of love. The plot is laid somewhere in Arizona.

"Sugar And Spooks."—Our Gang Comedy.

SUNDAY, MAY 29

"WHITE GOLD," starring Jetta Goudal with W. K. Howard in a story with irrisistable power from the picturesque dance halls of Mexico to the barron desert country of the great American southwest. It involves a beautiful dancing girl, a young sheep-raiser, a resentful father and "the other man." The story is a vast symphony of hatreds and human passions.

"Chase It."—K. Kat.

"Pathe News."

MONDAY, MAY 30

"THE FLAME OF THE YUKON," featuring Seena Owen, who played the steller role in "Shipwrecked" and "Intolerance." This is a thrilling melodramatic story of the Canadian northwest during the gold rush days. The Flame is a siren who lures men into the Modas dance hall, where they are deprived of their gold. An American awakens the flame's better nature and after many startling incidents she becomes a party to righting wrongs. It is a gripping story.

"House Without A Key," No. 9.

TUESDAY, MAY 31

DOUBLE FEATURE NIGHT

"THE GORILLA HUNT," Ben Burbridge's authentic picture of life in the jungle wilds of unexplored Africa. This picture is a remarkable nature study showing the lost land of the gorilla where man never before trod; this is not a drama, but is an exciting narative.

"CYCONE OF THE RANGE," featuring Tom Tyler and his pals in an exciting story where Tom is mistaken for a desperado, is hunted and captured by a mob, which, driven to desperate fury prepares to hang him. At the crucial moment a strange intervention occurs.

WEDNESDAY, JUNE 1

"ARIZONA BOUND," starring Gary Cooper, a six foot two inch good looking cowboy, who can act as well as make a horse do everything except play marbles. It is a whirlwind story of a nonchalant westerner who, suspected of stealing a shipment of gold, vindicates himself in the eyes of the world after a breath-taking series of adventures, and wins the girl.

"Crazy Like A Fox."—Chase Comedy.

THURSDAY, JUNE 2

"THE SILENT LOVER," starring Milton Sills in a colorful picture depicting the tale of a man's regeneration in the French Foreign Legion. The setting of the play is in the land of the mystic Moors—If you have read Beau Geste you will realize the absorbing interest this film will offer.

"Pathe News."

FRIDAY, JUNE 3

"FAUST," from the world renowed story by Gothe starring Emil Jennings as Satan, and Camilla Horn as Margerite. The setting is in Germany and portrays the struggle between the good and evil in every man, and the temptations of power and riches offer.

"House Without A Key," No. 10.

BARRACKS BANTER

By Ad.

The shouting and the tumult dies;
The Captains and the Loots depart
Yet some of us must sacrifice
Our holidays—and hold the Fort.

* * *

"CALL YOUR SHOOT"

The Coach was instructing a very green but very attentive recruit. One could tell from his rapt expression that the recruit wasn't missing a word that the Sergeant was saying.

"Now every time you shoot," the Sergeant instructed, "Watch and see where you are aiming and then mark in this column in your score book where you think the shot should hit."

"Yes, sir." The recruit was studying his score book earnestly. "Every time I shoot I mark down where the shot should hit."

For a long time the young soldier aimed carefully at the target and then desperatively jerked the trigger.——

As the dust clouds began to settle again he crawled cautiously back to the position on the sandbag rest where he had been when the gun went off. Salvaging his scorebook from the settling dust he got out a pencil and began making a note in his book. As he finished the coach glanced over his shoulder.

"Wait a minute," he growled, "What's that, there note?"

"Why them's initials, Sarge," the recruit explained, "I didn't have room for the words so I just wrote L. O. K."

"L. O. K.!" exclaimed the mystified coach, "what does that mean?"

As the recruit grasped his rifle with trembling, desperate fingers and settled down on the sandbag again he looked up at the Coach.

"Sarge," he said,"That means 'Lord Only Knows!'"

* * *

We notice that our old friend "Hank" Averill of the Enquirer-Sun has not lost the fountain-head of his inspiration, Commenting on the unexpected release of Tom Daniels he says, "——they were afraid to put him in the outfield for fear a ball might fall on his head and kill him."——or worse to that effect.

Which reminds us of some of Hanks's difficulties on the "News." One day he was making a desperate attempt to give a young athlete a good send-off and in his article referred to him as "that tow-headed boy"—unfortunately the compositor made him a two-headed boy.

Even worse than this was time when Hank had the honor of writing an article about a certain well-known Cavalry officer. At one point he referred to the sturdy old cavalryman as "the doughty Major."———Fine! !——only once more the compositor trained in the setting up of articles about Infantrymen, made the fatal error—and the article read, "the Doughboy Major." If you know the intense feeling of brotherly love and devotion that exists between the Cavalry and Infantry—the respectful veneration that all Cavalrymen feel toward their martial superiors—you can imagine how our "Hank," always modestly avoiding praise and rewards—sedously avoided the "Doughty Major."

Bandit:—Put 'em up, buddy, and if you move you're dead!

Wise Frosh:—That's contrary to reason, my dear sir; if I move, that's a sign I'm alive.—Missouri Outlaw.

Chaplain's office and quarters are located in Catholic Chapel Building, Academic Area, Phone 74.

Quartermaster Corps

Quartermaster Corps Detachment

On June 11, 1927, the baseball season officially opens as far as the Quartermaster Detachment is concerned. We certainly hope to win the Company League pennant this year and drink out of that cup that is now in possession of the Service Company, 29th Infantry. At a recent meeting a schedule was adopted and everything is all ready to go.

Sorry to hear that one of our old buddies, now in the I. S. D., is sick in hospital. Cpl. James C. Quinn would appreciate a visit from any of his old comrades. We hope he will soon be up and about again.

Several new additions have been made to the Quartermaster ranks and all ar ecordially invited into the fold. (Note to the Recruiting Officer—We could use a few more real good ball players.)

The narrow gauge railroad has certainly been doing its bit during maneuvers, and much credit is due Sgt. Ellis Lee and Corpl. Cook. They have worked early and late to keep the little old dinkies going.

And last but not least, the beans and other vegetables are now being supplied from our garden to add to the already generous tables of our genial mess sergeant, Sgt. Trepanier. The best mess in the Army is our motto. Thanks for the vegetables, Sgt. Gillispie.

Supply Branch

Two cars of tentage, valued at $30,000, were loaded out for Mississippi Valley flood relief Monday afternon. This brings the total value of supplies shipped from this station for flood relief work to $97,000.

On Tuesday, May 24th, the entire office force of the Supply Branch, including the stenos, undertook the job of delivering baggage via truck and Quartermaster narrow-gauge limited from the Maneuver Camps to the respective quarters of the student officers. While no undue amount of brain work attaches to a job of this kind, still it is no small task to deliver 800 different pieces of baggage to 400 different addresses scattered over a radius of twelve miles.

Warrant Officer and Mrs. J. K. Rogers left Fort Benning May 24th to travel by auto to New York City, where they will embark for Hawaii.

Sergt. E. M. Smith is enjoying a well earned furlough after thirty years of service. He will be retired at the expiration of his furlough.

Leave has been granted Captain J. W. Howder for two months and ten days, effective June 16th. At the expiration of his leave he will report to the Subsistence School in Chicago.

Utilities Department

Packing and crating season is on in full force. We are working nearly one hundred men and could probably use a few more, if good ones could be found and if we had sufficient transportation to keep them supplied with materials. This has, so far, been a peculiar year. Supplies were purchased on the same basis as for the past six years, but already we have had to double the order on barrels, excelsior pads, and strapping iron. Book boxes have run 50 per cent higher than heretofore. It seems that this year's students had more fine china and high grade furniture, and larger libraries than their predecessors. Most of those so far packed lived in Columbus. Only a few of the bachelors, resident on the post, have made application.

The new Signal Corps building, back of Fire Station No. 1, is beginning to take on enough shape that it can be visualized when complete. It will be one of the strongest and handsomest structures on the reservation and a mark for future builders to shoot at

INFANTRY SCHOOL DETACHMENT

The Detachment held a dance last Saturday evening, which will be the last one until the summer months are over. They had as their special guests Major and Mrs. Louis P. Ford, who are to leave this station shortly. At this time Major Bootz with very appropriate remarks presented to Mrs. Ford a silver service donated by the members of the Detachment to show the high estem in which she is held by the entire command. The dance was largely attended and was considered a decided success by all.

The war is over and the boys are all glad to be back in camp again after two weeks in the open. None of them seem to be casualties.

The National Guard Non-Commissioned Officers Class will graduate Friday morning and depart for their home immediately after. We are sorry to see them leave as they are a very fine bunch of men and have made many friends here as well as in Columbus.

The main topic of discussion nowadays is the new Table of Organization which increases the strength of the Detachment to 420 men.

Seaby W. Cahoon re-enlisted in the Detachment last week. He was discharged last September and after nine months in civil life decided that after all it is easier to get along here than in civil life.

Roy Dotson, who purchased his discharge last January has acquired himself another three year meal ticket in the Detachment.

Private Lynch has returned to duty after a ten weeks stay in the hospital.

24TH INF.

Last Tuesday morning a detachement of the 24th Infantry, consisting of a rifle company and the band, had the honor of escorting the Chief of Infantry, Major General Robert H. Allen, into the garrison. Upon his arrival at the Upatoi bridge the detachment was formed in line and rendered the proper honors. They then conducted him into the main part of the post.

To have been selected for this duty was a great honor for the 24th Infantry and is evidence of the fact that their training and military appearance are in keeping with the standards require by the Chief of their branch of the service. Captain E. T. Jones was in command. He was assisted by Lieutenants R. S. Mackie and George S. Draderick and Warrant Officer R. B. Tresville.

COMPANY "H" ENTERTAINS

An evening of delightful recreation was provided by Company "H" 24th Infantry to the men of that regiment by an exceedingly well conducted dance held on the 18th. The regimental Service Club had been properly prepared and the musical numbers well selected. Sergeant Willie B. Wood of the sponsor company and his jazz orchestra played rag time as only Colored musicians are able. The serving of the excellent refreshments, was done in a highly efficient manner, under the direction of Mess Sergeant William Ellis. Sergeant George Jones had charge of all details and the evening's entertainment was noticable for the smoothness and ease by which all matters incident to the affair were executed.

Rookie:—Who is the best known man in the army?

Recruit:—This Private Keep Out; I se his name everywhere.

Rookie:—I don't know. What about General Admission?—Ala. Rammer-Jammer.

BADGER FIGHT AT CAMP EDGBERT

On Monday night, May 23, 1927, the Sojourners Club sponsored for the entertainment of the officer personnel a Badger Fight.

A full grown Nesquillian male badger, was presented by the Ben Tone Ranch, Eastern Oregon for the occasion.

The badger weighed 38 lbs., and when he was dragged into the fighting pit, he never hesitated a moment about going into action.

The badgers opponents were Captain Roger's dog "Bombo" who won the Tampa Badger and Tampa Whippet in 1926, and Lt. Clears' dog "Wasuzi" the only American Airdale that ever won the decision in an Oriental badger contest.

The contest ended in the second chukker, after two minutes and thirteen seconds of fierce fighting, the badger caught "Bimbo" coming in with a straight right to the button, putting that boy down for the count, at the same time he neatly side stepped Wasnuzi's rush, he sprang into the air landed on Wasuzi's neck, applying what is known in badger fighting as the "choker" better known as the strangle hold, and was slowly putting his shoulders to the mat when the "HOLDER OF THE BAGDER" gave the badger such a hard yank that he broke his hold on Wasuzi and the badger hit the side of the pit so hard that his skull was crushed to pieces.

The "Holder" claims he did this in a fit of excitement, but it has been rumored that there are others that think different.

Contest officials were:

Trainer—Lieutenant George Dederick.
Holder of Hounds—Captain Pleas B. Rogers.
Time Keeper—Major Robert H. Fletcher, Jr.
Anouncer—Major Edwin Butcher.
Clintch Breaker—Major Henry J. M. Smith.
Referee—Lt. Col. Joe Kingman.
1st Second—Lt. Col. Channing E. Delaplane.
2nd Second—Captain Bert Lenon.
Holder of the Badger—V. N. Known.
Veterinarian—Captain Dan Mallon.

29TH INF.

COMPANY "F"

We are sorry to loose Sgt. Boring. He was discharged the 21st and went straight back to Tennessee where they arrest people for saying that a monkey has a tail.

The company will be glad to hear that Ex-Corporal Briggs now is the proud father of a baby girl. Ex-Corporal Chaney has anounced his engagement. "Rabbit" Crawford was married on the 14th inst. Next!

The war is over—the Company acquitted themselves very well. a careful check of the company revealed that during the great war between the Reds and the Blues this outfit had no slain—the only losses were one man retreated and two were captured—they are now being held as prisoners—but not of war.

O. W. NELSON.

The Commencement Exercises of the Children's School will be held in the Park near the Boy Scout Cabin on Friday afternoon, May 27th at 2:30. This has been a successful year. Three pupils, Gertrude Allison, Marie McCammon and Jack Hall have completed the work of the seventh grade.

The exercises will consist of folk dances and drills by the pupils, Capt. King kindly furnishing the music. After the program the children will have a treat of ice cream.

Louise Rice has presented the school library with some very attractive books which she has out-grown. We expect to enjoy them for many years, and appreciate them very much.

Too:—What is a Scotchman?
Troo:—A person who eats salted peanuts on his way to a friend's house for a little drink.—Cincinnati Cynic.

EIGHTY-THIRD FIELD ARTILLERY BATTALION, INTER-BATTERY SERIES

Batttery "B" scored another victory over Battery "C" on a thrilling slugging contest on the 24th Infantry Diamond, Tuesday afternoon, May 24th, to the tune of 22 to 2. Numerous errors of the chow-hunters was the main reason for their defeat. Vaughn in the last of the 1st scored himself by making the circuit on error of Page, right fielder for Battery "C" and forcing Bruno and Wargo across the rubber, making a tital of three scores for a get-away. Wargo's hitting was excellent, getting 4 clean hits out of 6 times at bat. Jeffers who has been on a vacation handled a mean second base for the snow-birds and from all indications will be a hot contender for the Battalion Team. He smacked a clean one over center field for a homer, scoring Benard, Bruno and Wargo. Bruno pitching for the winners struck out 5, walked 3. Parker got 7 strike-outs, walked 3, but due to the poor support of "C" Battery was taken out in the last of the 5th, when Miller took over the mound. Miller was also given poor suppprt as will be noted by the number of errors recorded in the following box score:

Summary of the Game:

"C" BATTERY:

	AB	R	H	PO	A	E

EIGHTY-THIRD FIELD ARTILLERY BATTALION INTER-BATTERY SERIES

Thursday afternoon, May 19th, saw Headquarters Battery, better knwn as McAuliffe's Camels, gain another victory in the 83rd Field Artillery Battalion Inter-Battery series, by walloping Battery "C" to a defeat of 23 to 8. The chow-hunters failed to connect with Hursts' speed ball until the last of the sixth during which inning they got away for 5 runs and four hits. The Camels scored in every inning except the 3rd and at the end of the game each player was credited with at least one run. Derrick got away with four hits, five runs out of seven times at bat, while Hopkins who relieved Hurst on the mound the last of the 8th recorded a thousand percent. batting average. Mention must also be made of Hurst's eagle eye as he got away for a total of 3 hits out of four times at bat and crossed the rubber for a count three times:

Summary of the Game:

HDQRS. BATTERY:

	AB	R	H	PO	A	E

Hurst: 5 strike-outs, walked 5. Hopkins: 2 strike-outs, walked 1. Kilgo: 3 strike-outs, walked 4, hit 2. Parker: 0 strike-outs, walked 2.

SOLDIER GORMAN MAKES FINE SHOWING IN FIRST APPEARANCE HERE

In his first appearance in the ring here Soldier Gorman of the Infantry School Det. gave a good account of himself, and showed the fans that he is a willing mixer, besides carrying a wallop in both mitts. Gorman stepped six rounds in the main preliminary before the Stribling,-Herman bout. His opponent was Ralph Taylor from Atlanta. Gorman gave Taylor an eight pound advantage in weight, but held him to a draw in the best fight of the evening.

Gorman scored the only knockdown of the evening, dropping Taylor in the third round with a hard right to the jaw.

We hope to see Gorman get a chance at some of the much touted local talent in the near future, and you can bet your boots that he will give a good accunt of himself.

Cole, R. P. Hdqrs. Battery, 2nd Base; McLeod, Hdqrs. Battery, 2nd Base; Blue, "A" Battery, 2nd Base; Hatley, "A" Battery, Short Stop; Eskridge, Hdqrs. HDQRS. BATTERY AND COMBAT TRAIN, EIGHTY-THIRD FIELD ARTILLERY, BN.

Field Headquarters Battery 83rd F. A. Wins over Girard Lambs at Gowdy Field

On Sunday afternoon, the Combat Train Camels made it six straight victorys. Hopkins, stellar pitcher for Combat won his fifth game in as many starts. It was a hit and run contest. The final score being 15 to 1 in favor of the Camels. The hitting of Hopkins, Artillery pitching Ace was a feature as was his pitching. Allowing but four scattered hits.

The entire Artillery club was in the race for batting honors each player connecting safely at least once.

VOLUME V. FORT BENNING, GA., FRIDAY, JUNE 3, 1927 NUMBER 37

INTRA MURAL LEAGUES TO OPEN ON THE ELEVENTH OF JUNE

Seven teams to Comprise the Battalion League While Five Teams of Smaller organizations Will Make Up Company League

Baseball teams of the two Intra-Mural Leagues of the garrison are now hard at work and are fast rounding into first class condition for the opening of the Intra-Mural season on June eleventh, at Gowdy Field.

At a recent meeting of the Fort Benning Athletic Association it was decided to have a Company League and a Battalion League. The Battalion league will be made up of teams from the larger organizations in the garrison and games will be played daily on Gowdy Field with a double-header on Sunday. Last year the Garrison Championship was won by the Twenty-Fourth Infantry Reds. They carried off the honor by winning many hotly contested games and the brand of baseball displayed was excellent. This year there is much keen rivalry between all of the teams in both Leagues. There will be especially keen competition between the two teams from the 29th Infantry and the two teams from the 24th Infantry. The teams of the Battalion League are as follows: Infantry School Detachment, 1st Battalion 29th Infantry, 2nd Battalion 29th Infantry, the 24th Infantry Reds, 24th Infantry Blues, 83rd Field Artillery, and the 15th Tank Battalion.

In the Company League the following teams will compete for the pennant: Service Company, 29th Infantry, Howitzer Company 29th Infantry, Company "A" 7th Engineers, Company "F" and the Ordnance Detachment combined, and the Quartemaster Detachement. Games in this League will be played on Gowdy Field immediately following the game of Battalion League on Monday, Wednesday, Friday and Saturday of each week.

CHIEF OF STAFF ADDRESSES INFANTRY SCHOOL GRADUATES AT CLOSING EXERCISES

Presents Diplomas to Three Hundred and Seventy-seven Regular, National Guard and Reserve Officers. The Chief of Infantry Was Also Present

Graduation exercises were held at Fort Benning, Saturday, May 28, 1927, Major General Charles P. Summerall, Chief of Staff, lauded the Infantry School emphasized the importance of the Infantry in battle, and gave detailed advice to the parting officers as to their future military conduct; following his address, General Summerall presented diplomas to 377 graduates of the Infantry School. The students included officers of the regular army, the national guard and the organized reserve.

The Chief of Staff was introduced by Brigadier General Edgar T. Collins, commandent of Fort Benning, who pointed out that the commencement exercises were the seventh in the history of the Infantry School.

The classes, General Collins said, have attained high standards of excellance. He lauded and congratulated the graduates and added:

Confidence in Graduates

Gentleman of the classes of 1927, the Infantry School, is content to place its reputation in your hands. We are satisfied that where ever your assignments may take you, that where ever your duties may be, your careers will be characterized by faithful loyal, and efficent service to our army and our country. Attending the exercises, which were held at ten o'clock Saturday morning, were Major General Robert H. Allen, chief of Infantry, and Representative W. C. Wright, of the fourth Georgia district.

CLOSING EXERCISES OF CHILDREN'S SCHOOL HELD LAST FRIDAY AFTERNOON

Certificates are Delivered to Young Pupils Completing the work in the Seventh Grade; Captain Doll Speaks to Children

The closing exercises of the Childrens School at Fort Benning were held last Friday afternoon, in the Park near the Boy Scout Cabin.

The natural theatre with its flowing stream and beautiful trees made a beautiful setting for the children in their dainty costumes.

The following program was carried out, the 29th Infantry Band under direction of Capt. George L| King, furnishing the music.

1. Rythmic Drill—Kindergarten Class.
2. Folk Dance (How do you do, My Partner)—Low 1st Grade.
3. Backward Drill—High 1st Grade.
4. Swedish Clap Dance—2nd Grade.
5. Flag Drill—3rd, 4th and 5th Grades.
6. Delivery of certificates to Gertrude Allison, Marie McCammon and Jack Hall, who completed the work of the 7th grade—by Capt. F. S. Doll, the officer in charge of the school.

Capt. Doll in a short talk, expressed his satisfaction in the work accomplished by the school.

At the close of the program the children were treated to ice cream.

The past year has been one of the most successful in the history of the Children's School. As has been stated before the School has no funds available except those derived from tuitions and donations. The director and faculty are to be congratulated upon the efficient way in which this course has been handled.

ALL ARMY TEAM TO COMPETE FOR THE PRESIDENT'S CUP

Selection of Team Has Hearty Support of Chief of Staff; Corps Areas to Send Ten Best Players to Benning

This fall an All-Army team will be in the competition for the President's Cup. With the hearty support of Major General C. P. Summerall, Chief of Staff, who is desirous of seeing the Army annex the cup, plans are being carried out to assemble the team at Ft. Benning, Ga.

Orders have been issued to all Corps Area Commanders (except the 9th) to submit the names of their 10 best players and candidates will be selected from these men. The 9th Corps Area has been exempted because of the fact that their annual game with the Navy in the University of California Stadium has become more or less of a Western classic.

Major J. A. Van Fleet, of the class of 1915 at the Military Academy and former star cadet full-back, has been selected as head coach because of his excellent record at the Academy and the splendid results he obtained as coach of the University of Florida team in 1923. Major Van Fleet has been ordered to duty at Fort Benning, Ga., from Panama, where he has recently arrived after a visit to West Point to consult with "Biff" Jones and a stop in Washington for conferences with Major General Allen and G-3.

Assisting Major Van Fleet will be the following officers all of whom are former Military Academy stars and have been recommended by "Biff" Jones; 2nd Lts. J. S. Stowels, R. P. Reeder and T. F. Plummer all former backfield men; 2nd Lts. P. E. Yeomans, quarterback in '26, and H. R. Baxter, end in '26.

24th INFANTRY TEAM WINS ENTIRE SERIES WITH RED CAPS

West-enders Out-slug the Florida Aggregation; King and F. Williams Feature With Homers in Saturday's Game; 24th Team in Birmingham for Series With Barons

The 24th Infantry took the entire series of three games from the Red Caps, colored professionals from Jacksonville, Fla., here the past Saturday, Sunday and Monday. The visitors were no match for the Happy Hearts, although when they got to Vance in the first inning of Saturdays game for three runs, it looked like they were going to turn the soldiers any way but loose. But when the 24th sluggers began to do their stuff, things soon looked different, King and F. Williams, hit homers, while the rest of the team collected base hits galore, a total of twenty-two hits being registered by the team, the final score being 15 to 7 in favor of the soldiers.

The Red Caps showed a better brand of ball in Sundays game, but were not good eonugh to win, the playing of King and Hayward for the 24th was the feature of the game, King scored five runs out of six times at bat while Hayward at third base handled eight chaoes without a bobble, and some of them looked like sure hits.

Leonard for the 24th pitched good ball while Mitchell for the Red Caps would have turned in a better game with proper support, the final score for Sundays game was 8 to 3 in favor of the Soldiers.

Mondays game was a see-saw affair all the way, the soldiers scored six runs in the first two innings, while the Red Caps got four in the fourth inning and one in the fifth, the soldiers scored again in the sixth but in the seventh the Reds shoved over three runs and took the lead for a minute but the soldiers came back and tied it up in the eighth, and held the visitors scoreless in the first half of the ninth.

The soldiers got busy in the last half of the ninth and shoved over the winning tally, making it a clean sweep for the three games.

Sloan Williams made his debut as a pitcher, showing plenty of smoke on the ole horsehide.

The 24th team left Thursday for Birmingham, where they play the Black Barons a three game series, which will wind up the season for them as the Intra Mural league opens the following week, and then it will be the Reds and Blues. The 24th Infantry has enjoyed a very successful season, the Black Barons, being the only team to take a series from them.

NECKING

In this age of flappers, sheiks and shebas, the dictionary of colloquisms has had added to it the word "necking." Now comes the Army to claim for the ancient fort of Niagara, near Youngstown, New York, the old yet modern sounding title of "Fort On-The-Neck." No less a distinguished soldier than Colonel R. E. Ingram, commanding the 28th Infantry, of the First Division, is authority for the statement that "Niagara" is an Indian word, meaning, "On the neck."

This may, or may not, explain the popularity of the Fort Niagara, or, on-the-neck, with the youth of New York, New Jersey and Deleware, who, three months prior to the opening of the CMT camp for 1927 over-subscribed the quota for Niagara by more than one hundred.

Fort Niagara has been occupied in turn by Indians, French, English and Americans.—Press Release 28th Infantry.

FIRE PREVENTION

In 1925 fires cost the United States $525,000,000 worth of property and 15,000 lives, the fire cost per person annaully is $5.25. The average cost in Europe is about 33 cents. Some one has esimated that the United States burn annually half as many buildings as it erects, and that the American people pay yearly half as much for fires as they do for new buildings. The annual cost of the fire departments is $800,000,000, in Europe it is $90,000,000. The fire hazard is increasing every year, because of the increasing congestion in large cities and carelessness in the construction of buildings.

Garduation Hop was held at Biglersville on Friday evening, the Eve of Commencement. The distinguished receiving line was formed by General Charles P. Summerall, chief-of-staff, General Robert H. Allen, Chief-of-Infantry, General and Mrs. Edgar T. Collins, and Colonel and Mrs. Cocheu.

* * *

Upon seeing the Soldier's Burying ground at Fort Benning for the first time one must be struck with its solemn dignity—on the crest of a hill, surrounded by pine trees, with beautiful distant views—lie the men and women and children who have gone on before.

On Memorial Day this impressive resting place was glorified by flowers and flags and the songs of many Southern song birds.

The graves were decorated by various clubs and societies and military organizations. The American Legion and others. The sentiment was a kind that prompted the sending of these floral tributes and the flowers so beautiful that deep appreciation was expressed by those visiting the cemetery.

The Georgia Division of the Daughters of the Confederacy Lizzie Rutherford Chapter sent a very beautiful floral piece and Miss Anna Caroline Benning as chairman of the executive committee of the Ladies Memorial Association also sent beautiful flowers. The Chapel Guild placed flowers in memory of the infant sons and daughters of Fort Benning.

* * *

A large and enjoyable swimming party was given by Miss Dade Warfield at the Post Swimming Pool on Wednesday evening in honor of her guests Miss Moore and Miss Barry.

* * *

Mrs. Edgar L. Miller was at home on Thursday afternoon of last week at a very charming tea in honor of the departing ladies Mrs. Maxon Lough, Mrs. Karlstad and Mrs. Eaton. Mrs. Miller was assisted by Mrs. Albert Peake, Mrs. A. B. Warfield, Mrs. Edwin Butcher, Mrs. Franklin, Miss Mary Pendleton, Miss Katherine Kingman, and Miss Ruth Almands. Mrs. Miller and the guests of honor received in the parlor. Punch was served on the front porch by Miss Pendleton, while salad, sandwiches, cakes, candy, tea and coffee were served from a beautiful appointed table in the dining room.

* * *

The engagement of Miss Isabelle Levy to Lieutenant Alexander Doback, 15th Tank Battalion has been announced. The wedding will take place at Esqueline on June 9th. After returning from their honeymoon Lieutenant and Mrs. Doback will be at home on Block 40.

* * *

Mrs. Charlotte Pou Dahnke, wife of Lt. Henry Dahnke, 15th Tank Battalion honored the bride Miss Isabelle Levy with a three table card party at her home on Tuesday afternoon. The bride was given an orange glass powder box as guest prize. The refreshments served were grapefruit salad, beaten biscuits, cheese crackers, nuts and ice tea. The first prize a deck of cards was won by Miss Katherine Kingman .

* * *

Mrs. Charles Wickliffe gave a card party on Wednesday afternoon of last week of seven tables. The frames were played and there a delicious course of peach ice cream and cake were served. Mrs. Hilliard won an amber glass water pitcher and glass as first prize. Mrs. Ellis won the second prize of silk hose and Mrs. Pollin won an amber glass mayonnaise bowl and spoon as third prize.

* * *

FRIDAY, JUNE 3

"FAUST," from the world renowed story by Gothe starring Emil Jennings as Satan, and Camilla Horn as Margerite. The setting is in Germany and portrays the struggle between the good and evil in every man, and the temptations that power and riches offer.

"House Without A Key," No. 10.

SATURDAY, JUNE 4

"HEY HEY COWBOY," featuring Hoot Gibson in a reckless tornado of horsemanship and adventure. Hoot, employed as a detective is grabbed by the wrong boss, then begins an hilarious cycle of laughable situation that never cease until he has the girl tucked under the curve of his arm. This picture presents excellent entertainment throughout.

"Uncle Tom's Uncle."—Our Gang Comedy.

SUNDAY, JUNE 5

"THE GENERAL," starring Buster Keaton in a supercalibre comedy. This picture is based upon actual historical fact, the Andrew's railroad raid of 1862. It took one year to produce this picture at a cast of over half million dollars. The film is characterized as being one of the best laugh provokers ever produced.

"A Night Out."—Fables.

"Pathe News."

MONDAY, JUNE 6

"BERTHA, THE SEWING GIRL," starring Madge Bellamy in a story of intrigue, artists models, love, jealousy and stirring action. The play is superior to its title.

"Hello Goodby."—Mermaid Comedy.

TUESDAY, JUNE 7

"WOLF'S CLOTHING," starring Monte Blue with aPtsy Ruth Miller in a crashing melodrama of the New York subways. New Years night on Broadway a subway guard and society girl decide to take in the great white way on its biggest night. In the midst of swirling gaiety in a New York night club they run into a whirlwind of adventure in crooks dens, rum running boats, crashing subway trains, ball rooms and bedrooms. It's a thriller with lots of laughs.

"Reckless Races."—Sport Comedy.

WEDNESRAY, JUNE 8

"RITZY," Pstarring Betty Bronson in a bright comedy of modern youth characterized by a delicious sense of feminine phychology. The story is of an American heiress who rashly asserts that she shall wear a ducal cornet and is then compelled to make good her boast with resultant amusing complications.

"Collegians No. 8."

THURSDAY, JUNE 9

"PLAY SAFE," featuring Monte Banks in a whirlwind of side splintting comedy. Runaway trains, automobile near catastrophies, runaway horses and humans swinging on ropes over bottomless chasms are some of the breath absorbers of this comedy thriller. You'll like it.

"Topics of the Day No. 3."

"Pathe News."

FRIDAY, JUNE 10

"CABARET," starring Gilda Gray in an amazing expose of New York night life. The story follows a talented dancer from poverty to the glittering turmoil of New York night life. As a cabaret star, she risks both her honor and reputation in protecting her younger brother from a tragic demise.

"Kicked Out."—Lloyd Comedy.

PACE SETTERS ENTERTAIN

The Pace Setters of Company "I," 24th Infantry conducted an enjoyable dance at the Regimental Service Club last Saturday night. The affair was given as a final windup of the activities of the school year and with particular reference to the work done by the organization during the recent maneuvers. About 350 persons, including several prominent colored civilians, attended. Corporal Floyd Hairston, the company mess sergeant, providede delicious refreshments consisting of ruit salad, ham and cheese sandwiches, ice cream and cake. The hall was attractively decorated by Corporal Motte Puryear. Through out the evening an excellent punch, prepared by Private Less Allen, was served. Sergeant Woodie Bassham, as floor manager, had general supervision of the whole affair.

WANTED

TO REMIND out-going officers, that if their children have any picture or story books, which they do not exptct to take with them.— The Children's School Library will appreciate the books, and some one will call for them if a message is left at the Infantry School News office—Phone 146.

R. O. T. C. STUDENTS HARD AT WORK

COMMANDANT TO LEAVE FOR WASHINGTON ON TEMPORARY DUTY

General Collins Ordered to Capital for Conference with All Other School Heads

Instructions were received on last Sunday directing Brigadier General Edgar T. Collins, The Commandant, The Infantry School to proceed to Washington, D. C., in time to arrive in that city on June twentieth, for temporary duty. The purpose of General Collins' visit to Washington is to attend a conference of all Commandants of General and Special Service Schools of the Army. The exact time of the Commandant's departure from Fort Benning and Columbus has not been announced.

INTRA MURAL GAMES START ON GOWDY FIELD TOMORROW

Teams to Play Opener Are in Best of Condition For The Afternoon's Event

The Intra-Mural Baseball series for the Battalion League will start tomorrow afternoon on Gowdy Field at two o'clock. The opener will be contested by the 24th Infantry Blues and the 2nd Battalion Twenty-ninth Infantry nines. There will be no game between teams of the Company League.

All teams in both leagues have worked hard to get in shape for what promises to be the fastest and most closely contested intra mural baseball games yet witnessed at Fort Benning. It is predicted that the pennant race in both leagues will be very close.

R. O. T. C. CAMP HERE IS SCENE OF MUCH ACTIVITY: STUDENTS SHOW ABILITY

Benning's First Civilian Camp is Progressing Efficiently Under Leadership of Major Kennedy.

University Students from Auburn, Tech, Georgia, Alabama and Tennessee Universities poured into Benning Monday to attend the Fort's newest military training establishment, the Reserve Officers Training Corps Summer Camp. The Camp was all ready when the students arrived, having been prepared and equipped by the personnel here.

As fast as students arrived they were taken to the Gymnasium, given a thorough physical examination; issued their war clothes and taken back to the Camp all set for action.

The Regular officers who are to conduct the summer training, reported here June 2nd and immediately organized the Battalion on paper, so that when the students arrived every thing was finished, except making out the Company roster.

The students were met at the depot in Columbus and transported by trucks directly to R. O. T. C. Hdq., at which place they were registered given a processing.

The honor of being the first to report is held jointly by A. A. Berger, of Florence, Alabama and T. A. Edwards of Sheffield, Ala., both students at Ga., Tech; they arrived in Columbus, Saturday by train, caught a bus to Benning and used the "Ankle Express" from the bus station to R. O. T. C. camp.

The first to face the examing board Monday morning was Max E. Kohnn from Pensacola, Fla.

The training program for the summer is as follows: From 6:30 a. m. to 11:30 a. m., will be devoted to military training; each organization performing duties approprite to its branch of the service. The afternoons, except for a few which will be spent on the range and on field training, will be devoted to athletics and other forms of recreation. Arrangements have been made for the R. O. T. C. Students to share with the Benning personnel, the excellent recreational facilities such as the golf links, swimming pool, tennis courts, theatres, etc.

One feature that is sure to prove an attraction, especially to the young ladies of Columbus and near cities, is the sched-

(Continued on page 2)

QUARTERMASTER CORPS WILL CELEBRATE 152ND ANNIVERSARY JUNE 16

Entire Day Will Be Devoted to Games and Barbecue on Aviation Field Here; Col. Warfield Master of Ceremonies

On June 16th the Quartermaster Corps will celebrate the 152nd Anniversary of its organization in the United States Army. The Infantry may have its Organization Day, the different companies celebrating the day in their own way, but when it comes to knowing how to pull a celebration "as is a selebrashun," the old Q. M. C. can't be beaten!

Every year, all Quartermaster Corps activities cease for one day—that of June 16th, and have a grand and glorious jubilee! This June 16th will mark the 152nd birthday of the founding of the Quartermaster Corps of the United States Army.

One hundred and fifty-two years ago, at Carpenter's Hall, in Philadelphia, a group of earnest and patroitic men adopted a policy which they thought would be for the benefit of the American

(Continued on page 2)

STAR FOOTBALL PLAYER ORDERED TO BENNING: WILL ASSIST VAN FLEET

Lieutenant P. E. Yeomans, Star Quarterback of Military Academy Team To Help Coach All-Army Team Here

Lieutenant Prentis E. Yeomans, U. S. A., who has been stationed at Fort Clark, Texas has been ordered to the Infantry School for duty. Lieutenant Yeomans comes here for the purpose of assisting head Coach Van Fleet in the training of the all Army Team which will be assembled at Fort Benning early next fall. Lieutenant Yeomans played on the United States Military Academy team in 1926, playing the position of quarterback with unusual distinction and ability. This year's All-Army team promises to be the best yet, due to the fact, that General Summerall, the Chief of Staff is squarely behind the assembling of the team from all part of the Army. In addition to Lt. Yeomans there will be Lieutenant J. S. Stowel, Lieutenant T. F. Plummer and Lieutenant H. R. Baxter assisting Major Van Fleet. All of the coaches are former West Point stars.

TWENTY-FOURTH INFANTRY WINS SERIES FROM BLACK BARON TEAM

Soldiers Outplay Birmingham Professionals in Every Department of Game. Vance and Leonard Exhibit Fine Form on Mound

The 24th Infantry *Baseball team of* Fort Benning, led by Captain W. F. Gent, athletic officer, invaded the sacred precincts of Florian Slappey and Bud Peagler in Birmingham, Alabama, on June 3rd, where they were scheduled for a series of baseball encounters with the Black Barons, a professional colored team of no mean reputation.

The Black Barons filled with expectancy of initiating the soldiers into the Over The River Burial Society and covering the 24th with the gloom of defeat were greatly surprised when their offers were turned down and the doughboys hammered and clouted their way into a rival lodge, the Sons and Daughters of I will Arise on Friday afternoon. Then to add insult to injury the soldiers turned around and on Saturday afternoon blackballed any and every aspiration these same Black Barons had of joining the newlod ge.

The first game was played at Rickwood Field on Friday afternoon and with Vance hurling airtight ball and with magnificent support, aided by the clouting of Bell, King, Battles, Williams and Haywood, the game was put on ice to the tune of 16 to 7.

The results of the game Friday seemed to incense the Barons and on Saturday afternoon they took the field determined to recoup for their defeat the day before, but the soldiers had tasted victory and had their minds made up to chalk this game up in the winning column or bust. Both teams played air tight ball for four innings, in the fifth the doughboys by clever stickwork and base running pushed across a marker only to have the Barons retaliate in the sixth with three runs. It was the lucky seventh for the 24th. They called for Phoebe and made their point putting them three runs to the good. The eighth yielded two for Birmingham and one more for the 24th with a goose egg apiece in the ninth and the second game was safely stowed away 7-5.

Great credit is due Leonard who was slated to pitch Saturday and made a very creditable showing. Leonard had been ill from a touch of ptomaine poisoning but being slated to pitch this game he gamely ascended the mound and hurled a fine grade of ball.

Upon application of manager Jones of the Black Barons, Vance and Williams of the 24th were allowed to stay over and assist in the defeat of the Kansas City Monarchs. Vance pitched a good

(Continued on page 2.)

All checks should be mailed to the Infantry School News, Fort Benning, Ga.

Entered as second class mail matter, April 12, 1924, at the post office at Fort Benning, Ga., under the act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in section 1103, act of October 3, 1917, authorized August 27, 1924.

MAY EXPLORERS

In May, 1804, Capt. Meriwether Lewis and Lieut. William Clark, with 29 picked soldiers, left St. Louis to explore the "Western Empire." On November 15 of the following year they reached the mouth of the Columbia River. It took them eighteen months to follow the westward movement of this Nation's boundaries.

On May 8, 1919, a squadron of United States naval planes took off from Rockaway Beach for a transatlantic flight. The NC-4, the only one to complete the trip, landed in Lisbon. This was just nineteen days after the start, and stops had been made at Halifax, Trepassey, Horta and Punta Delegada.

Early in the morning of May 20, 1927, Capt. Charles Lindbergh left Roosevelt Field, and shortly after dark the following day he had reached Le Bourget. In less than 33½ hours two continents had been linked and the Atlantic crossed.

Each of these May adventures marked a definite step in the progress of the United States and the world. The difference in the time that passed between the first and second and the second and third marks the speed with which civilization is advancing.—Washington Post.

GROWING APPEAL OF CITIZEN TRAINING

A woman's committee organized at Detroit to encourage young men to enter the citizens' military training camps this summer has received the commendation of Secretary Davis of the War Department. The forming of such a group, the secretary said, was the first instance of its kind in the country.

The incident may be taken perhaps as an evidence of the growing public sentiment in favor of the type of training represented by these camps for young men throughout the country each summer. Employers, school heads and others having to do with youths have shown an increasing inclination to cooperate by directing attention to the camps and, where necessary, so arranging employment that enlistment for the service would be aided.—Kansas City Times.

Angry Wife—Will you tell me what that long red hair on your coat means?

Cornered Husband—My dear, that means just one thing—trouble—M. I. T. Voo Doo.

QUARTERMASTER CORPS WILL CELEBRATE 152nd ANNIVERSARY JUNE 16th

(Continued from page 1.)

Revolutionary Army and the advancement of independence of the colonies which they represented. This group of men was the Continental Congress, in solemn conclave, and the policy was expressed thusly:—

RESOLVED: That there be one Quartermaster General for the Grand Army, and one deputy under him for the separate army. That the pay of the Quartermaster General be $80 per month, and that of the deputy $40 per month.

The first Quartermaster General was Major Mifflin, of Pennsylvania, who was appointed to that position by the Commander-in-Chief, General George Washington. History is silent as to the officer who earned the $40.00 per month.

Since then, there have been many quartermaster generals, but the rank has risen from that of Major to that of Major General, and the pay is somewhat more than $80 per month. The Quartermaster Corps no longer is just a step-child of the Army, formed to take care of the odds-and-ends, but is one of the most important of all branches, taking care of the Army in the way of all clothing and food supplies, which everyone will agree is a most important function.

This year, everyone connected with the Quartemaster Corps; officers, warrant officers, enlisted men and civilian employees, and many of their friends from Columbus, will hie themselves to the Aviation Field, located at Benning, and there enjoy a huge barbecue. There will be the barbecue proper, and all the "fixin's" that go with it;—pickles, mashed potatoes, baked beans, ice cream, cold drinks, etc. etc. etc.

Colonel A. B. Warfield, Q. M. C., Quatermaster, will be master of ceremonies, and he has assured everyone of having a good time. He has appointed a committe, headed by Captain A. L. Littell, Q. M. C., to plans and arrange for the transportation to the picnic of those members of the Quartemaster Corps who have no means of getting there; for the athletic events; the award of prizes; and last but not least (in fact most important), the food supply. The main committee has had a meeting and various sub-committees have been formed to attend to each function; for when the Quartemaster Corps does anything, it does it well!

In fact, a most glorious time is promised all who are fortunate enough to belong to the Quartemaster Corps—or those who are friends of the members.

TWENTY-FOURTH INFANTRY WINS SERIES FROM BLACK BARON TEAM

(Continued from page 1.)

game and Williams in right field knocked down several hard ones.

While in Birmingham the 24th Infantry team were the guests of the Black Barons and their treatment was royal and all the soldiers expressed a wish to return to that Alabama town for seconds on their good time.

First Game:

THEATERS

JUNE 10, TO JUNE 17, INCL.

FRIDAY, JUNE 10

"CABARET," starring Gilda Gray in an amazing expose' of New York night life. The story follows a talented dancer from poverty to the glittering turmoil of New York night life. There, as a cabaret star, she risks both her honor and reputation protecting her younger brother from a tragic demise.

"Kicked Out."—Lloyd Comedy.

SATURDAY, JUNE 11

"HILLS OF PERIL."—One of Buck Jones most thrilling pictures, sparkling with laughter and containing a love story of unusual charm. The stupendous picturesque hills of California form the background of this absorbing story of moonshine, mountaineers and trained horses.

"War Feathers."—Our Gang Comedy.

SUNDAY, JUNE 12

"SPECIAL DELIVERY," starring Eddie Cantor in an hilarious comedy of the misadventures of a letter carrier, a policeman and a fireman. These are three musketeers of a different type, rivals in love but comrades in a pinch where a crooked broker uses the mails to defraud. This picture went over "big" on Broadway; it is a side jolter.

"Alice Helps The Romance.—Alice Cartoon.

"Pathe News."

MONDAY, JUNE 13

"THE TELEPHONE GIRL," featuring Madge Bellamy, Warner Baxter, May Allison and Lawrence Gray in a melodrama with a political campaign as its background. A woman's reputation hangs in the balance and a young telephone girl outwits the schemers at the crucial moment. The story is laid around Atlantic City and New York, depicting well-to-do people on the political world's upper crust.

"Madame Mystery."—Roach Star.

TUESDAY, JUNE 14

"OUTLAWS OF RED RIVER," starring Tom Mix with his remarkable horse, Tony, in an exciting tale of Texas Rangers, a girl, outlaws and stage coaches. This time the hero holds up the stage before the desparados have the opportunity. Mix undergoes many hairbreath escapes before he emerges successfully.

"Going Great."—Mermaid Comedy.

WEDNESDAY, JUNE 15

"MR. WU," starring Lon Chaney in another one of his mystery masterpieces. Adding ably, in the cast are Renee Adoree and Ralph Forbes. The story is of the son of a powerful Chinese family who, educated in England, returned to his own land of mystery and combined oriental stealth with occidental efficiency. This is an absorbing picture.

"Radio Bug."—Cameo Comedy.

THURSDAY, JUNE 16

"WINNING OF BARBA WORTH," featuring Ronald Colman and Vilma Banky ina screen version of that famous book by Harold Wright. It is a story of the clash between native American ideals against the sordid greed and grab of high finance. The story is of absorbing interest and posesses many thrilling moments.

"Pathe News."

FRIDAY, JUNE 17

"VENUS OF VENICE," starring Constance Talmadge and Antonia Moreno in an unusual romance of the Canal gypsy of the city of waters and an American painter. The tragedies, near tragedies, thrills and surprises that find their source in the companionship of these two are the elements that make this story an outsanding comedy drama of the season. ffl

"Step Lively."—Lloyd Comedy.

SUMMER TRAINING CAMP FINISHES PROCESSING AND STARTS TRAINING

Student Soldiers Enter Into Active Phase of Training Under Maj. J. T. Kennedy

(By David Warren Lantz)

The R. O. T. C.—Cadets from the Colleges of Alabama, Tennessee and Georgia—arrived last week in a heterogenous hegira of bobbed and battered Fords; miracously rejuvenated Buicks, Cadillacs, and every mode and manner of motor equippage. Some cautious souls even arrived by rail, while a few ambitious youth "westonized" in via "shanks mare."

After a hectic week of "processing" the Camp, comprising some three hundred and eight cadets under the command of Major John T. Kennedy, has settled down to the routine study of practical courses in the duties of the Field Artillery, Engineers, Ordinance and Signal Corps.

The students are being given a six weeks course covering every phase of the branch of the Army, to which they belong. Nothing is overlooked, from Engineering problems to kitchen police. The cadets have entered into the game with an ardor which even the full-field pack leaves undaunted. Their camp is kept in excellent order and has the appearance of a well organized Army post. The cadets are already able to make a showing in close order drill which is a credit to any organization. They are soon to invade the field of athletics and they will undoubtedly carry off their share of the honors.

The Field Artillery class, commanded

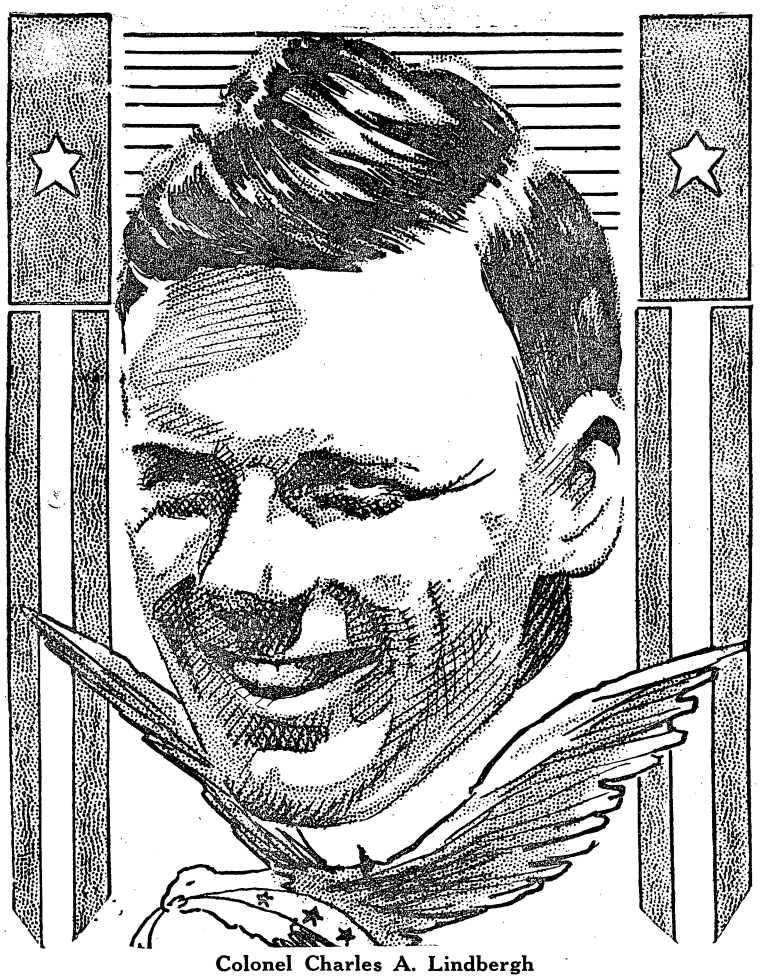
Blackbird—

Wonders whether Lindbergh is a bird or whether Byrd will be a Lindbergh.



Colonel Charles A. Lindbergh

FIRST GAME PLAYED ON GOWDY FIELD LAST SATURDAY AFTERNOON

24th Infantry Blues and 2nd Battalion 29th Infantry Play Exciting Game for Opener. Big Crowd Witnesses Contest

Baseball opened with a bang. The "Kellys" went over the top in the first game of the series with a clean cut win from the Blues of the Twenty-fourth Infantry. The Howitzer team of the Twilight League nosed out their traditional opponents, the Engineers.

Both of Saturday's contests were won by the narrow margin of one point. Sad to relate, the "Kellys" lost their 100 percent average in a hot fight with the Twenty-fourth Infantry Reds. Coincidently they lost to the Reds by the same score that they won from the Blues.

So far nothing much has been decided in either League except that the season should furnish some good entertainment for the local fans. Both of last years' Champions have won their games, but many new faces in the line-ups of the different teams promises the possibility that the old dope bucket may be upset.

(Continued on Page 6)

PRINCE OF PILOTS FLIES TO ST. LOUIS WITH ARMY ESCORT

Metropolis of the Mississippi to Greet Hero with the Real Spirit of St. Louis

Colonel Charles A. Lindbergh went to bed at his Park avenue apartment about midnight, his representatives said, leaving instructions that he be awakened at 5:30 o'clock this morning in order to fly to St. Louis.

Lindbergh will be greeted at the field by Mayor Victor Miller, Edward Hilden, chairman of the welcoming committee, and three backers of his New York to Paris flight, Major Albert Bond Lambert, Harry F. Knight and Harold M. Bixey, president of the chamber of commerce.

After the brief and informal welcome is completed, Lindbergh will be taken to Knight's home in St. Louis county where the flier's mother, Mrs. Evangeline Lindbergh, also will be a guest. Mrs. Lindbergh arrived this afternoon in a private railroad car.

At a formal dinner at Hotel Chase Saturday night, the city's gift of a gold box and a scroll will be presented.

Sunday afternoon Lindbergh is to appear at Art Hill in Forest Park and after a speaking he is to place a wreath on top of the hill. His plane, Spirit of St. Louis, will be mounted on a platform eight feet high, throughout the day. Art Hill will accommodate about 10,000 spectators.

Lindbergh's final appearance Sunday will be at the municipal opera in Forest Park, where he will appear on the stage between the first and second acts.

The End of An Epic

At dawn Friday morning Colonel Charles A. Lindbergh crawled into the cramped cockpit of his beloved Spirit of St. Louis and hopped off for St. Louis under the escort of 28 government planes.

The city of St. Louis awaits the returning hero gaily decked in holiday attire. The welcome that awaits "Lucky" Lindy will outrival anything ever accorded a St. Louisian. The lone pilot will wing his way low over the city and finish his epochal flight at Lambert-St. Louis Field.

As Lindy wings westward over the broad Mississippi, glides down toward the flying field the cheering throngs that await him will be in strange con-

(Continued on page 2)

SUMMER TRAINING CAMP FINISHES PROCESSING AND STARTS TRAINING

(Continued from page 1.)

by Captain Garrett, consists of 128 men from the Georgia Institute of Technology. This course includes Field Artillery line drill, tractor driving, manuvering with guns limbered up, map reading and orientation, reconnaissance and occupation of positions. Each cadet is allowed twenty rounds of 75 mm. ammunition for service firing. The course is to finish with a five day hike.

The class in Engineering, under Captain Lee Dillon, consists of 74 men from the Universities of Alabama, Georgia and Tennessee. The course comprises field application of military engineering, infantry drill, sketching, demolition, bridge and road construction, field fortifications, and wire entanglements.

The Engineer class is living in pup tents at Harp's Pond and is building several bridges under service conditions.

The Ordinance class consisting of 41 men from Georgia Tech under Captain Skinner, is studying the types and designs of Ordinance tanks and the demonstration of their uses. The course also includes study of machine guns and 50 cal., auto-rifles, range demonstrations, chemical warfare, ammunition storage and magazine construction and location; use of fire control instruments; assembly of French 75 mm. guns, service rifle and pistol. The course is finally rounded out with a long hike.

The Signal Corps, under Captain Stafford, consists of 55 men from the Georgia School f Technology. Their course includes operation of radio and the telephone; practical application of communications; military map reading; demonstration of air service and carrier pigeons; and finally a problem in communication under field service conditions.

PRINCE OF PILOTS FLIES TO ST. LOUIS WITH ARMY ESCORT

(Continued from page 1.)

trast to the lonesome, deserted field which has so often been his goal as an Air Mail flyer. It is this same Lambert Field which marked the end of so many of his flights in the Air Mail.

About a month ago the Daily Press made casual mention of a chap named Lindbergh. A Nebraskan, they said he was. The name seemed oddly familiar, but not being accquainted in the Cornhusker State we dismissed the matter from our mind and even the later information that "Slim" Lindbergh hailed from Michigan and Missouri as well as Nebraska failed to arouse our interest.

Then one morning the name LINDBERGH flamed forth in the headlines and buried away in the tail-end of an article we found a pregnant sentence. "Lindbergh left his home in Little Falls, Minesota and traveled to Nebraska to learn flying," so the sentence read.—Little Falls—Lindbergh—no wonder the name had seemed familiar to a native Minnesotan. Ten years ago the press carried that same name in equally flaming headlines. But the first Lindbergh was never known as "Lucky" and as we write it comes to our mind that "Slim" Lindbergh has deprecated his nickname. We wonder if "Slim" has ever stopped to think the matter over; for the matter of luck is the one great difference between the father and son.

Charles Lindbergh, Sr., a splendid specimen of the Swedish-American citizen, was every bit as brave and bold as his son; but he was unlucky. Unlucky in espousing an—at that time—unpopular political cause. Unlucky in that he possessed the very boldness and calculating audacity that has rendered his son famous.

We never thought as we watched "Slim" Lindbergh cutting corners around Little Falls on his dusty motorcycle that we would some day wish we had taken the trouble to make his closer acquaintance, but then we expect that members of the Minnesota Society must have felt rather odd as they welcomed "Charley" Lindbergh home.

Time was when Little Falls was chiefly distinguished for an Electric Light Plant. A real plant at that; located at the end of Main Street; where it hemmed in the mighty Mississippi between high rocky walls. But, all the giant turbines of the Little Falls Light and Power Company not withstanding,——the far-flung line of lamps lighted by the Little Falls Light Plant, were they all hung together in one blaze of glory could never equal the cold white light of fame that now beats on the tow-head of "Slim" Lindbergh.

HOWITZER COMPANY "STRAFES" ENGINEERS

On Saturday the Howitzer Co., of the w. k. Twenty-ninth Infantry, apeing the famous Chicago "Hitless Wonders" took the opening game of the Benning Minor League season from the Seventh Engineers by the score of 3 to 1.

"Long Si" Perkins for the Engineers pitched a no-hit game but his prodigality with free passes to first and the fact that he should sue the rest of the Pontonier team for habitual non-support combined to cost him the game.

The Engineers collected six hits from Morrow, including a lusty duoble by Brock, but the Howitzer hurler kept the bingles well scattered and only one Pontonier made the circuit.

Briner in the first made a shoe-string catch of Smythe's fly and in the third Smythe retaliated by doing the same for Dispain's liner. However Smythe did not on his neck with the easy grace of Briner and the Engineer carried off the honors for trick fielding.

BOX SCORE

ENGINEERS:

	AB	R	SH	PO	A	E
Brock,	2	1	0	1	1	1
Dispain,	3	0	0	1	0	2
Briner,	3	0	0	1	1	1

1ST GAS REGT

Saturday, June 4, 1927, was Organization Day in the First Gas Regiment and was fittingly observed on the banks of the Ochillee Creek, several miles beyond the village of Ochillee.

The enthusiastic members of this patriotic little outfit were wide awake when the roosters began to sneeze on this eventful morning. For this was the day everyone looked forward to with fond interest that they might reveal in their notable accomplishments of the past year.

Two Libertys and a G. M. C. truck were most generously furnished by the Motor Transport and conveyed most of the enlisted personnel and supplies to within half a mile or so of the scene; the last lap of the journey, with the exception of a wagon to transport supplies, being made by "ankle express."

The company arrived on the spot where an elaborate barbecue was in the course of preparation in time to take advantage of a two hours' plunge into the cool depths of the sparkling Ochillee before dinner. The location proved so favorable that the swimmers, much to their delight, were allowed to wear their birthday suits. Not a mosquito was in evidence so the pleasure seeking Gasoligists had only "Old Sol" to contend with. And believe it or not he certainly presented some of the boys with an Indian's complexion.

Next on the program came a regular old country barbecue prepared by skilled negroes. Ice cold near beer and soda-pop, sweet and dill pickles, cheese, crackers, bread, barbecued pork, etc., was so abundant that much of it had to be given to the negroes.

Very few if any accidents occurred and about the only misfortunes I can recall were on account of the bad sandy roads we encountered. We found it hard going at times and were forced to use strength in order to cross sand beds. Then, too, the poor fish[illegible]n must have had a hard day, for no sooner than "Dynamo" (Pvt. Beam) cast the reflection of his homely mug upon the clear waters the fish were seen no more.

Robert D. McLeod,
2nd Lt., 1st Gas Regt., Commanding

(By Ellen Louise Warfield.)

VENABLE-TURNER

One of the most prominent social events of the coming week will be the marriage of Captain Benjamin Wilson Venable, Infantry U. S. A., to Miss Augusta Benning Turner of Columbus, Georgia. The ceremony will take place at the home of the bride on Front Street at five o'clock in the afternoon of June the twenty-third.

Miss Turner comes from one of the most prominent and distinguished families of the South. Fort Benning was named for Major Henry Lewis Benning, Miss Turner's great uncle.

The wedding will be a very quiet affair, only relatives and close friends of the couple being present. Father Joseph Moylan and Chaplain McKenna, of the Army, will officiate. Immediately after the ceremony the couple will leave by motor for Asheville, N. C., Charleston, W. Va., and Washington, D. C., and will return to Fort Benning where they will be at home after September first.

* * *

DOBAK-LEVY

The marriage of Miss Isabel Levy on June the ninth, to Lt. Alexander Dobak of the Tanks, was one of the most beautiful of the year. The ceremony was performed just at sunset in the Summer House, of the garden at historical and beautiful Esquiline, the home of the brides grand mother, Mrs. Lionel Levy.

The bride was attended by her sister, Mrs. Ella Hoke Levy and Lt. Theodore Lamar Dunn was best man. Among those from the Garrison attending the ceremony were Colonel and Mrs. Helms, Colonel and Mrs. Ralph Kingman, Colonel and Warfield and the members of Lt. Dobak's class at West Point, who are stationed at Fort Benning. Lt. and Mrs. Dobak will be at home in Block 40, after August 1st.

* * *

Mrs. L. G. Yoder entertained with a most delightful five table bridge party on Tuesday, June seventh. Mrs. Hurdis won the first prize. Mrs. Weston the second and Mrs. Winton the cut prize, a filet collar and cuff set.

* * *

Miss Katherine Kingman, the daughter of Colonel and R. W. Kingman left Fort Benning on June seventh to attend the commencement exercises during June Week at West Point.

* * *

Miss Dorothy Gowen was hostess at luncheon and bridge on June third. Those attending were Misses Barry and Moore, the house guests of Miss Warfield, Mrs. Newman, Misses Kingman, Kilbourne, Ahrends, Warfield.

* * *

Mrs. Wayne Smith and Mrs. Kenneth March were joint hostesses for two most pleasant bridge parties on June first and third. At the first party Mrs. McCoy won the high score prize, a lovely amber pitcher. Mrs. Wade Johnson, the second two card table covers. Mrs. Lim was complimented with a Houbigant compact. On June third the first prize, an ice chocolate set was won by Mrs. Hudson. Mrs. Elliot won the second prize an ornamental waste basket.

* * *

Mrs. Hudson complimented her sister, Miss Mary Riviere with a bridge party on the afternoon of June the eighth. Those atending were Mesdames Warfield, Wycliffe, Riviere, Lavine, Wayne, Smith, Wood, March, and the Misses Barry, and Moore.

* * *

Miss Katherine Kingman, on the evening of June the sixth entertained with bridge, "Al Fresco." The guests were Misses Collins, Pendleton, Warfield, Barry, Moore, Levy, Dorothy Gowen, Betty Gowen, Mildred Gowen, Lt. and Mrs. Danhke, Mrs. Prather, Captain Barnett, and Lts. Kammerer, Dobak, Prather, Reeder, Jeter, Dunn, Boatner, and Grubb.

* * *

Miss Isabel Levy was complimented with a Bridge luncheon given in her honor by Miss Ellen Louise Warfield on June the second. The center piece was a figure in bridal dress and viel and the prizes and favors were in keeping with the sentiment of the occasion. The guests were the Misses Betty Collins, Josephine Barry, Aileen Moore, Mary Pendleton, Katherine Kingman, Dorothy Gowen, Ruth Ahrends, and Mesdames Lim, Miller, Smith, Newman, March, Massey, Dahnke, Hudson, Smithers and Wood.

* * *

Miss Williamson and Miss Mullins gave as a farewell to Mrs. Osborne, who leaves shortly for Washington, an eight table bridge party on June the fourteenth. Mrs. Wessels won the first prize, an orchid flower. Mrs. Rogers, silk hose and Mrs. Lytell a bridge set.

* * *

A most pleasureable innovation was the "Hay Ride" given by the Misses Gowen on June 14th in honor of Mr. Lawrence Prather who is the guest of his brother, Lieutenant R. G. Prather. The ride out the First Division Road under the full moon was thoroughly enjoyed by those members of the younger set attending. The participants were the the Misses Barry, Warfield, Dorothy Helene, Mildred, and Betty Gowen, and Lieutenants Boatner, Kammerer, Jeter, Prather, Mack and Reeder.

* * *

Colonel and Mrs. Warfield entertained about forty guests with a swimming party in honor of their daughters house guests, Miss Barry, and Miss Moore, on the evening of June, the second.

PLAYGROUND PICNIC AT 24TH INFANTRY POOL

Through the kindness of the Commanding Officer of the 24th Infantry, Colonel Wait C. Johnson, about 200 colored children of the city of Columbus and their parents were able to enjoy a picnic at the regimental pool last Saturday. The affair was conducted by the Columbs Recreation Department as an outing for all colored children of the city's playgrounds. Arriving about 10 o'clock in the morning the day was spent in acquatic sports and athletic contests.

Events of this nature are in keeping with the policy of the regimental commander of cooperating with the local civil authorities in providing clean and wholesome amusements. Such projects will always have his hearty support. In this instance the pool and its envirions not only were turned over to the visitors but life guards, operating under the supervision of the regimental recreation officer, Lieutenant Robb S. Mackie, were furnished as well. There life guards were expert swimmers and have completed the Red Cross course of instruction in life saving. They were Sergeant Frank Toomer, Privates Johnnie Martin, Alonzo R. Strong of Company "L," Toomie Bough, Company "E," Jesse Johnson, Company "E," Harry Aaron, Company "C," and Allen Johnson, Company "K," 24th Infantry.

Woman—I want that dog shot at once.

M. P.—I can't shoot him here in this residence district. The bullet might go right through him and hit somebody.

Woman—But couldn't you shoot him lengthwise?

Chocolate Bar—What am dese here dark specks in dis here oatmeal?

Dusky Man—Keep youh coat buttoned. Dem dark specks in dat dar oatmeal am dese here things dey call calories.— Middleburg Blue Baboon.

83RD FA

Subject: Commendation.
To: The Commanding Officer,
83rd Field Artillery,
Fort Benning, Georgia.

1. It is with satisfaction that I express my appreciation for the valuable assistance and whole-hearted co-operation furnished the Academic Department by all officers and units of your command during the past school year.

2. The demonstrations presented involving the employment of field artillery were of a superior order and aided materially in the successful instruction of all classes.

Frank S. Cocheu,
Colonel, Infantry,
Assistant Commandant.

3. It is with great pleasure that I publish such commendation to the entire battalion. I wish also to express my appreciation to every man in the 83rd Field Artillery Battalion for the efficient and loyal support rendered during the two years I have commanded the battalion. During the past year an unusually heavy burden of construction has been placed upon the command. The work has been skillfully and rapidly accomplished without materially effecting the firing and draft efficiency of the command.

4. I feel that I will never be assigned to command a better organization than the 83rd Field Artillery Battalion. It has performed magnificiently as a motorized battalion. As my orders have been published taking me to other duties on June 30th I will not have an opportunity to see training completed as a horse-drawn unit. I have full confidence however that the battalion will live up to its reputation. General Summerall said of the 83rd "It has done its full share toward raising field artillery standards of the army."

By Order of Major Donaldson:
G. A. Pollin,
Capt. 83rd F. A. Bn., Adjutant.

After the commendation which was given the 83rd Field Artillery by Colonel Frank S. Cocheu, the Assistant Commandant had been received an additional commendation was received by that organization from the General Inspector Lieutenant Colonel Robert C. Humber, I. G. D., it reads as follows:

"4. Major Robert S. Donaldson, 83rd F. A., is to be commended for the exceptionally high state of efficiency of his command, the 1st Battalion, 83rd Field Artillery."

7TH ENGINEERS TO BUILD DAM AT HARPS POND

The Seventh Engineers has moved into camp at Harp's Pond on the Fort Benning reservation, for the purpose of constructing a dam. This location was formerly a mill pond, but the dam has been out for several years. The Engineers it is understood will erect a concrete wall probably on the site of the old dam.

The Infantry School intends to use this site as a recreation center, where each organization stationed at Fort Benning may, during the summer monhts, use the lake and grounds for recreational purposes.

The lake, when completed, is to be stocked with trout and bass, and should within a couple of years furnish sport to those who love the click of the reel and the pull of the rod. During the winter season it should prove to be a very attractive resort for wild duck and geese.

R. O. T. C. AND PERMANENT PERSONNEL

A fine lot of young men are visiting us. They have given up a large part of their vacation time to come down here and "rough it with the Regulars." What they will think of Fort Benning; what they will think of the Regular Army; and what they will tell the home-folks when they leave here after their sojourn with us, depends entirely upon ourselves.

They have heard us "cussed" and they have heard us praised; now it is up to us to help them find out the facts for themselves. They will believe what they see, and they will believe what they hear; here in Benning. It is up to each and every member of the garrison to show the boys what a Regular Army man really is.

Benning itself is a beauty spot. There is no finer sight in Dixie than the lordly sweep of the Chattahoochee valley. The splendid new buildings emerging from the clutter of wooden, wartime type of structures, which distinguished the old Camp Benning, will give the student soldiers some conception of the tremendous scope of the project embraced in the new Fort Benning. They will undoubtedly recognize in the Doughboy Stadium a worthy monument to the fighting infantryman. In Gowdy Field they will find something just a little better than the typical American baseball park. They will certainly find our golf course and tennis courts more than adequate.

So that leaves the proposition genuinely up to the permanent personnel. Do not be afraid to welcome these boys of the R. O. T. C. They are not "high-hat," these college chaps. Show them what you know and how well you know it. If you do all this in the proper spirit you will not only teach these young men a proper cencration for the flag they serve, and a right respect for the army and its honorable occupations; but you will yourselves learn a new respect for your profession, and gain an increasing confidence in your own abilities as a soldier.

Work is the curse of our drinking classes.—Colgate Banter.

LINDBERGH—BYRD

There is something very pleasant about the quiet and gentlemanly manner in which Colonel Charles A. Lindbergh and Commander Richard Byrd go about this business of conquering the air. Commander Byrd with his giant Fokker might have equalled, but could not have eclipsed Lindbergh's daring flight. But he did a far finer thing. He quietly refrained from any attempt at dimming the glory which has come to our Prince of Pilots and flying pioneer.

The Services have lived up to the proud distinction of their name. The Navy has placed our flag on top of the world. The Army has linked the Old World with the New. But these achievements, momentous as they are, will soon be forgotten by the fickle public. The very tremendousness of their significance will ultimately doom them to forgetfullness. The impetus given to aerial navigation by Lindbergh's thunderbolt dash across the Atlantic will result in innumerable record-breaking flights.

Only a trick of Fate can keep either Byrd or Lindbergh from doing their share in the further conquest of the air. The next record should be established by Commander Byrd. Lindbergh, with his faultless flying technique should be successful in anything which he attempts. There is something about the way our young Colonel handles himself in the air that makes us believe that the Age of Winged Men is here. He kicks himself loose from a dead airplane like a trooper quitting the stirrups of a shot horse.

We are glad that the Army has had a hand in hastening the dawn of the new era. We have clung to this old planet long enough. It is time that men were shaking the dust from their shoes. As Lindbergh said, when he started on his week-end trip to Paris; "Let's go!"

COMPANY TRAINING NEWS

"Company Training," a volume just off the press of the Book Department, United State Infantry Association, Washington, D. C., consists of 760 pages containing an abridgement of 46 Training Regulations pertaining to the training of the Infantry company.

This book cntains the "meat" of approximately 7100 pages of Training Regulations. The production in size has been accomplished by the elimination of unessential language and certain paragraphs and diagrams not important for a book f this kind.

All drill movements or other difinite instructions are quoted verbatim from the Training Regulations and great care has been exercised in the compilation of this material that no principles or methods of the regulations are changed. The book also contains all the changes in the regulations and is up to the minute.

The principal value of this book lies in the fact that it permits of its being carried very handily whenever and wherever reference is necessary to the essentials of the Training Regulations. It is provided with flexible cover, and because of the thin paper used it is not too bulky to be carried in the pocket.

The book is valuable for officers and N. C. O.'s of the rifle, the machine gun, howitzer, headquarters or the service companies.

Price $2.10 per copy; in lots of ten or more, $1.80 per copy. Postage prepaid.

"Why do you suppose that fellow's running back and forth in front of the voting booth?"

"Oh, he's probably just exercising his franchise."—Wash. Cougar's Paw.

Boy:—Can you write with your eyes closed?

Father:—Certainly.

Boy:—Then sign my report.—Chaperon.

THEATERS

JUNE 17 TO JUNE 24, INCLUSIVE

Friday, June 17

"Venus of Venice," starring Constance Talmadge and Antonio Moreno in an unusual romance of the Canal gypsy of the city of waters and an American painter. The tragedies, near tragedies, thrills and surprises that find their source in the companionship of these two are the elements that make this story an outstanding comedy drama of the season.

"Step Lively," Lloyd Comedy.

Saturday, June 18

"The Cheerful Fraud," starring Reginald Denny, the comedian of unique personality in a supercomedy, from the popular novel by K. R. G. Browne. The story surrounds English nobility and American aristocracy woven into a wierd plot of crookery among the elite. It offers a continuity of real comical comedy, insuring a most enjoyable evening for patrons.

"Fourth Alarm," Our Gang Comedy.

Sunday, June 19

"Slide Kelly Slide," featuring William Haines, Sally O'Neal and Harry Carey in a clever comedy success of the baseball diamond. Actual pictures of the world series showing many crucial plays of the great contest appear in this film. Thrills, spectacle and romance characterize the picture. If laughing overheats you stay away from this play. If you love baseball, do not miss it.

"Felix Braves the Briney," K. Kat.

Pathe News.

Monday, June 20

"Wedding Bills," starring Raymond Griffith with an excellent supporting cast in a rollicking comedy of a whimsical bachelor who is much in demand as a best man at weddings. Every one depends upon him to patch up difficulties. A vamp and a valuable necklace that has a way of disappearing, keeps him busy and then he falls in love.

"Hooked at the Alter," Ralph Graves

Tuesday, June 21

"Senorita," starring Beebe Daniels in a romantic comedy drama. It is the story of a girl who wishes she had been born a boy; she dons masculine garb to the confusion of her heridatary enemies—a joyous saga of love and adventure in South America ensues. You'll like it.

"Below Zero," Mermaid Comedy.

Wednesday, June 22

"Getting Gertie's Garter," starring Marie Provost with a cast headed by Charles Ray in a screen version of Avery Hopewood's stage success. This picture proves that it is easy to give your fiancee a garter, but getting it back again—even though it has your picture on it—is another thing. A rapid continuity of laughs characterize this story.

"Collegians No. 9."

Thursday, June 23

"The Music Master," from the stage success by David Belasco, featuring Lois Moran with Neill Hamilton, Norman Trevor and Alec B. Francis in a tensely interesting melodrama depicting the parental affections of a musical genius and his almost forlorn guest for the love of his youth. The story ends in a happy reunion.

Pathe News.

Friday, June 24

"The Nervous Wreck," starring Al Christie in a most amusing story of a self-stiled invalid who goes west to die. He meets a girl—the incentive to die leaves him. His many misadventure with bandits, auto parties and the law form a melee of fun which insures laugh thrills from start to finish.

"Are Crooks Dishonest?" Lloyd Comedy.

BARRACKS BANTER

By Ad.

Pretty soft for those aviators to find beer at the end of their trip instead of a bier.

* * *

As Lucky Lindy says, flowers make a lovely tribute just so long as you can smell them.

Rolling Bones don't feather you're Nest:———A Sop's Fibbles.

* * *

Lucky Lindy sighted land and then he saw a pig looking out of the kitchen door at a couple of men fighting——and he knew he had reached Ireland.

THE 24th INFANTRY IS AFTER TROPHY

In order to hold the interest of the men and stimulate their skill in machine gun marksmanship various competitions are held annually and beautiful trophies are awarded to the individuals and groups who are the most successful. Among those awarded annually is the EDWIN HOWARD CLARK MACHINE GUNNERS TROPHY. This trophy, which is provided for in the will of the late Captain Edwin Howard Clark, United States Army, is a Silver Cup of appropriate design and inscription. In addition there is a cash prize. It will be awarded to the Machine Gun Company, Infantry Regiment, having the highest average score per man for the target season. The trophy will be the permanent possession of the company to which awarded.

The Machine Gunners of the 24th Infantry, Colonel Wait C. Johnson, Commanding, have made up their minds that this trophy is going to rest in one of the orderly rooms of one of their companies. Under the supervision of Captain Paul Lieber, who is in charge of all machine gun training in the 24th Infantry, and assisted by a corps of competent commissioned instructors, the work is progressing rapidly. The men are enthusiastic and anxious to learn.

If any other organizations of machine gunners on this post or elsewhere in the army have their eyes on the EDWIN HOWARD CLARK MACHINE GUNNERS TROPHY they had better step out for when the 24th makes up its mind that they are going to get something they usually get it.

Joe:—I wonder if this candy is *good*.

Peg:—It dosen't taste so bad after it gets in your mouth.

Joe:—Well, idiot, how does it taste before it gets in your mouth?—N. Y. State Lion.

SECOND BATTALION, 29TH SHOOTING FOR RECORD

The Second Battalion of the 29th Infantry is all set to pile up a score, in rifle marksmanship, which will demonstrate the motto of the Regiment, "We Lead The Way." 40 men from Headquarters and 85 men from each line Company will shoot for record this week, and expect to qualify 100 per cent. Each Company has done excellent shooting for jawbone record, and confidently expects to win the first place in the Regiment.

E. Company has offered prizes in addition to the Regimental przies, in every class. The highest platoon will eat a chicken dinner at the expense of the lowest. The highest squad will receive $2.00 per man and in addition a $5.00 prize to be selected by the squad. Prizes of $5.00 each will be awarded to the highest, Expert, Sharpshooter, Marksman, Recruit and previously unqualified man. $2.00 for highest score at each range. 1 weeks K. P. to the lowest man in each squad. E Company has made some fine scores and confidently expects to be the first in the Regiment.

F Company has adopted the slogan, "Qualify Or Bust," which is accepted literally by the noncoms of the company. They have reduced the art of shooting to an equation; a spoonful of brains plus one oz. of grit equals Expert rifleman. The Company has offered prizes in every class, at every range. The man making the highest score will have his name and all previous scores, engraved on a silver or bronze plate, which will be hung in the Company recreation room to promote high scores in rifle shooting. F Company won first place in the Battalion last year and declare that this year they will beat everything else out of sight.

G Company will give them all a run for high place. They have made many fine scores for jawbone and are all expecting to beat those scores for record. G Company has offered prizes in every class. The highest platoon will revel in a chicken banquet, at the expense of the lowest, while the providers will sit by and consume G. I. beans.

FIRST GAME PLAYED ON GOWDY FIELD LAST SATURDAY AFTERNOON

(Continued from Page 1.)

SUNDAY'S GAME

In a well played hard fought game here last Saturday the 2nd Battalion came from behind to over come a four run lead in the last two innings and won the opening game of the Intra-Mural series from the 24th Blues 5 to 4.

Leonard pitching for the Blues held the hard hitting Kellys scoreless for several innings, but weakened in the eighth, the 2nd Bat. scoring four runs to tie the score, the Kellys shoved over the winning run in the ninth. Johnny Roosma pitched a good game for the 2nd Battalion, keeping the Blues nine well scattered.

BOX SCORE

2nd Bn., 29th Infantry vs. 24th Infantry Blues

2ND BN. 29TH INFANTRY:

	PO	A	E	AB	R	H
Parris, cf,	2	0	0	4	0	2

Summary and Lineup:

Score by Innings:

2nd Bn., 29th Inf. ..... 000 000 041—5
24th Inf. Blues ..... 100 000 300—4

Three Base hits: Leonard 1, Two base hits: Thomas 1, Cooper 1, Hits off Leonard 9, in 8 1-3 innings. Wild Pitches: Roosma 1, Struck out: by Rossma 5, by Leonard 1. Sacrifice Hits: Petway 1, Franz 1, Kjelstrom 1, Double Plays: 2nd Bn. 2, 24th Infantry Blues 1, First on Balls: off Leonard 5, Hayward 1, Roosma 2.

Empires: Mack and Childs, Scorer: Scipio.

SUNDAY'S GAME

The Infantry School Det. defeated the Caisson Riders, Sunday afternoon 10 to 2, Morris pitching his first game for the I. S. D. gave up four hits, and held the hard hitting Red Legs safe all the way.

Estridge played a great game at second for the Artillery and was also credited with two of their four hits.

Although the Artillery team has been weakened by the loss of some of their best men, they have not quit by any means, but show the greatest fighting spirit of any team in the league, and with a team like that, they are going to win ball games.

The I. S. D. has one of the best infields in the league, and we haven't seen any fly balls getting away in the outer gardens, and with the addition of no other person than Mr. Pvt. Astynax Douglas to the afore mentioned it looks like a great year for the Greenies.

Empires: Kammerer and Woodard. Scorer, Scipio.

2ND GAME SUNDAY

The Tankers played good ball behind Lindseys pitching, winning their opening game of the series from the 1st Bat.'s on Gowdy Field, Sunday afternoon.

McGaha, famous spitter held no terrors for the Tankers, eleven hits being made off him in seven innings.

Hedgecock played a great game in center for the Tankers, getting two hits and scoring two runs out of three times at bat, while Magagana and Reeder were the outstanding players for the 1st Bat.

Both teams showed up well and every thing looks as if the race is going to be fast and furious for all concerned this season.

BOX SCORE

Empires: Hall and Stetler, Scorer Scipio.

MONDAY'S GAME

The 2nd Bats dropped one of the hardest fought games ever played on Gowdy Field to the Reds, Monday evening, the final score being 5-4.

Newman and Vance pitched great ball and they were both given perfect support. When the Kels came to bat in the first half of the ninth the score stood 4-0 in favor of the Reds, but the 2nd Bat,s had only started to fight, Franz and Roosma were both safe on hits to the outfield, King tried to catch Franz at the plate when Kelly hit to second, but the throw was wild Roosma took third on the play, Newman singled scoring Roosma and Kelly, Davis and Cooper were easy outs, but Jimmie Thompson hit one to the left field fence scoring Newman, Dean made the third out, the Reds came back to tie the score in their half of the ninth, the Kels were unable to register in the first half of the tenth but the Happy Hearts had their rabbits foot working and shoved over the winning run in their turn at bat.

TUESDAY'S GAME

The 24th Blues took Tuesdays game from the Artillery only after a hard fight, the Artillerymen are playing better ball every game, and Tuesdays game was any bodys "ole" game until the last put out. Stokes pitching for the Blues struck out sixteen men, that is a record for this season on Gowdy Field. Kilgo pitched good ball for the Caisson Riders striking out five batters, although he was charged with an error when he used his head to block Reeds throw to catch a runner at second.

Umpires: Smythe and Norris; Scorer Scipio. Time of Game 2:25.

WEDNESDAY'S GAME

The I. S. D. made it two straight wins in the Intra-Mural series by defeating the Terrible Tankers, Wednesday afternoon 7-3.

Conrad held the Green Cords at his mercy for five innings, but weakened in the sixth, and was relieved by Lindsey. Lindsey was hit hard, the I. S. D. getting six runs off his delivery in the three innings he pitched.

Tolle was off form, being hit hard by the Tankers, but his support was good, two lightning double plays being made by the infield.

GENERAL SUMMERALL'S ADDRESS TO THE THIS YEAR'S GRADUATES

(Editor's Note: This address is published principally for the benefit of the foreign subscribers to the Infantry School News.)

General Summerall's address follows:

The thoughts uppermost in my mind on this occasion are those appreciation and congratulations. The ceremonies are the culminations o fa year of useful and arduous labor to the Army of all connected with the school. The Commandant, Staff and Faculty have by their leadership and their attainments imparted effective instruction of the most far reaching consequences for the good of the military establishment. While they have been unsparing of themselves and have exacted a full measure of labor from others, they have been smypathetic and understanding in their dealings with each individual. They have examplified the idea of standards in the exercises of command, and it is a privilege to convey the commendation that they deserve. The students have given a repsonse worthy of ther opportunities and of the efforts put forth in their behalf. Through the professional and technical knowledge that they have gained they have profited personally and their prestige and progress in their chosen careers they have been immeasurably enhanced. At the same time their increase effeciency cannot fail to raise the standards of their organizations and thus advance their arm toward its ultimate goal of efficiency. While the task here has been hard their reward in the gain of service are corresponingly abundant.

These superior cannot have been accomplished without the industry and the intense interest of the officers and men of the school troop and detachments. They have performed the labor of the post, conducted the highly technical departments of the school and carried out all demonstrations in a manner worthy fo their repuation as good soldiers. The technical services have likewise cared for the health, comfort and well being of the command in an eminently satisfactory manner. To all I extend my heartiest thanks.

Woman Lauded

No enumeration of the elements that have brought success to the school would be complete if it did not include the contribution of the women. They have shown the characteristic fortitude and helpfulness of the army wives in adapting themselves uncomplainingly to living conditions that cannot be avoided and to the deprevations of their husband's companionship. Their cheerfulness and interest in the success of their men have harkened and spurred them to give their efforts unreservedly to their daily demands. It will be the privilege and the duty of the husbands to reward them by the increased devotion and consideration hereafter, if such be possible.

Insofar as the civil community has been related to the post the people of Columbus and environs have given proof to a neighborness and hospitality traditional of the South. They have incorporated this great institution in their civic life and have shown surprising generosity in all their dealings. It is our hope that this bond will be strengthened from year to year.

Material Development

The school deserves credit not only for the professional accomplishments, but equally for the material developments that have taken place. By resourcefulness, industry, and marked economy, the building, roads, grounds, utilities, and recreational comfort and welfare, and, therefore, to the peace of mind and receptive power to the students.

It has been an especial pleasure to include in the mmebers of the classes officers of a sister service, the Marine Corps, and of other countries with whom we are on terms of peculiar amity. Their presence and personal friendships that have been formed will be helpful in promoting understanding and good will between our armed forces and our people. A welcome will wait those who, we hope, wil be your successors.

The Chief of Infantry and the Infantry branch are to be congratulated upon the possession of this school, which from a crude and small beginning has grown within a few years to be the source of Infantry doctrines and Infantry spirit in the Army, It is a tribute to the vision and faith of those who founded it and who selected this site for its home.

Its influence may yet bring history to our arms if an unhappily our agencies of peace should fail.

Rode of Infantry

While it may appear trite to reiterate the rode of Infantry I feel that in the confusion of public thought concerning the art of war the ocassion should not pass without the reaffirmation of the part that the army has ever taken, and in all human probabilities that it must ever take in battle. Quite properly the school teaches that various arms any many agencies are indispensable for the efficency of the army. Thus the fire power of the artillery, the aircraft, and the tanks, the mobility and the extended action of cavalry, the art of fortification of the engineers, the technical communication of the signal corps and the peculiar contributions of other branches have their assigned parts in the campaign and in battle. No one of them, nor all combined could drive a properly organized enemy from his position or prevent his ultimate advance. They are valuable only as they serve and save the Infantry. It is only the Infantry that can capture prisoners and guns or that can prevent the enemy from crossing our lines.

Highest Honor

While it must not be claimed that Infantry can act alone with resasonable hope of success, it is absolutely true that the other arms, save cavalry fighting as Infantry, would be doomed to certain failure. The Infantry marks the battle line; their dead tell how the tide of battle is moving; theirs is the post of the highest honor for it is the place of greatest danger. Every soldier knows well the truth of the doctrines, and our service schools are to guarantee that the training of our troops will be sane and sound. The men who bear the burden of responsibility for national defense are eagerly urging the development and the increase of all forms of artillery and ammunition of aircraft and bombs, of authorized chemicals and technical accessories, but they are equally determined to have a highly trained Infantry armed with improved, semi-automatic rifles, machine guns, tanks and all other appropriate Infantry weapons.

The especial privilege that the students have enjoyed of gaining increased knowledge imposes upon them a correspondingly increased obligation of imparting their knowledge. It is not practicable for every officer in the army to attend a service school. Indeed it is not essential that all should do so if those who have become qualified will properly teach. Many of you will go at once to commands and all will de so eventually. Every post, and indeed every battalion and company can and should be a school for professional training. It is the duty of commanding officers of every echelon to organize and conduct the technical as well as the practical training of the officers and enlisted en of his unit. There is no place where, and no season when, this cannot be done and no circumstances under which it will not add to the contentment as well as the efficiency of those commanded.

Impart Knowledge

Let it be a primary objective of each one of us to see that all of our subordinates are taught by oyu as least as much as you have learned and more as you acquire additional knowledge. Even were you deeply interested the army expects and has a right to demand a full measure of your time and talents. You are honored by a commission in the Nation's armed forces. You may be entrusted with a high and grave responsibility for other men's lives and upon your preparation and your conduct may rest the issues at victory or defeat and the very existence of our country. From a population of more than one hundred and twenty millions of people, you are among twelve thousand men to whom is confided the responsibility of maintaining and disseminating the science and the art of war. You have only to continue to require of your subordinates the same degree of industry that you have practiced at this school to experience a soldier's pride in creating a fighting command. It is not even sufficient that you should be qualiied to exercise the duties of your grade. War demands youth. It is upon the shoulders of younger men that the task of leading corps, divisions and brigades would rest. Your studies should include troop leading of the higher echelons if you would be prepared to avail yourselves come in an emergency.

Pride in Uniform

While it is true that the officers of your generation are trained more highly than your predecessors, it is equally true that the army of today has not emphasized something that is at least essential to the profession of arms. Fighting efficiency cannot be obtained through academic methods alone. It can only be realized by possessing and inculcating the military spirt. Basically this spirit manifestes itself by pride in being and officers or soldier. There must be pride in the uniform, in the rank and command one exercise, in the traditions of ones branch and of the army, in the social status that one enjoys in the military heirarchy. The expression "officer and gentlemen" must be in reality one word, and he who would be the best officers must also be the truest gentleman. Military spirit carries a worthy impulse to excell by merit and to advance ones self in the reputation and rank not by self seeking or injury to others but by unselfish rivaly and sheerability. It seeks not material gain but the honor of excelling. There is no asset in peace like the reputation of having highly efficient soldierly command and no guarantee for advancement in war like having a command that takes its objective. First class troops whether in garrison or in cantonment can only be created through the existence of the military spirit. Efficiency cannot be hidden and no place or service is to obscure for it to be recognized or regarded.

Military Spirit

The military spirit is disclosed by the discipline of a command. This is not a discipline of the guard house or the fear of punishment. Such evidences are the failure of discipline. True discipline can only come from self respect and pride in one's organization and service and it is infused the officer who possesses the qualities and who deals justly with those under his authority.

The military spirit inculcates loyalty; it abhors criticism of superiors or complaints about hardships. It seeks to cooperate and secure perfect team work. It creates an atmosphere for effective command, in which an order gathers strength as it is transmitted and reaches the point of execution with irresistible force.

The military spirit is reflected by the dress and the department of the command. The wearing of neat and correct uniform is the best advertisement of any organization. The erect bearing, and ecermonial salute and the formal phraseology in military intercourse give tone and dignity that are distance aids to discipline. Unhappily these evidences are too often emphasized by their absences.

No training of troops worthy of the name can exist without the military sipirit. Perfunctory movements in close order and ceremonies and unlimited commands, and uncorrected errors are a harmful waste of time, while even a short exercise with spirit and precision will develop the mental attitude and a mechanical perfection that are basic in training.

Punctiliousness as to detail is the basis of efficience whether it concerns the individual or the organization; *whether* it related to the business or the recreational activities of the command; whether it has to do with the equipment and care of men, animals or transportation; whether it effects the internal life of troops or their associations with the civil population.

It is inconsistent with the military spirit for an officer to permit himself or his men to become unfit physically through prevention causes for the active service that may be required of him. Physical fitness may often require self denial and simplicity of living but those are among the soldierly virtue that the army must possess.

The military spirit is evidenced by the conscientious devotion to duty that often requires high moral as well as physical courage. It is not uncommon to hear comments about inefficient individuals, whereas commanding officers have it within their power to require reasonable standards of efficiency within the power of everyone of to place wilful neglects and failures upon efficinecy reports with the view to the elimination of the unfit. Only a lack of moral courage to face the temporary disapproval of others appear to deter responsible authorities in many cases from the full discharge of their obligations. The army is what the commanding officers in every echelon make it, and its efficiency is a measure of the military spirit of the officer corps.

There was a time when a man was described as "an officer of the old school" because he was embodiment of the military spirit. Such men exalted duty with troops and sought arduous rather than inactive service. There can be no greater calamity than a sentiment which underrater assignment to a regiment and gives preferment to officers who have not qualified primary as troop leaders. Such is the spirit that has come down to us in the customs of the service which have the binding force of law. It may be asleep in the hearts of men but it can never die, for like nobleness it "will rise majestly to meet thine own." If your command has a military spirit and a technical training that you are qualified to impart, it will be superior in peace and it will take its objectives in war.

Today there is celebrated the victory of one of our greatest battle days. On the 28th day of May, 1918 the 28th Infantry, supported b ythe sister arms and the services, made the first American assault in the Great War at Cantigny. By its superior military and technical training it carried its objectives with such courage, fortiture and galantry that the Allied world took heart and the enemy was correspondingly shaken. The regiment paid a terrible price in killed and wounded, as the Infantry must always do, but its spirit rose with its losses. I need give you no further proof of the truth that I have tried to convey than the example of this noble regiment whom the American army honors on this anniversary.

GORMAN AND TAYLOR FIGHT TEN ROUNDS TO DRAW AT LAGRANGE

"Bud" Gorman, I. S. D. Detachment who drew with Ralph Taylor on the Stribling-Herman card in Columbus last month, again finished all even with the LaGrange boy last Friday night in the main ten round go held at LaGrange. The fight was full of action all the way and the fans were highly pleased with it.

Gorman is a very clever boxer and a hard hitter, which he showed in his fight with Taylor, when he dropped him with a left hook to the jaw, in the second and seventh rounds.

Sergt. Cadenhead, Medical Det. dropped a close decision to Dallas Hunt of LaGrange in the six round semi-finals.

Gorman is "raring" for a fight with Conway of Ft. Bragg, who is at present time holding the welter weight belt of the 4th Corps Area.

We would like to see these two boys get together in the same ring, for Conway wants to fight in Benning again, claiming that the poor showing made against Grantham in his last fight here was due to his not being in condition, and Gorman is anxious for a chance to show the fellows here that he can do his stuff in the squared circle.

24th INFANTRY N. C. O.'s JUDGES AT TUSKEGEE DRILL COMPETITION

The pleasure of selecting the winners at the Annual Competitive Drill and Physical Exercises by the Cadet Regiment of Tuskegee Institute, held by that institution on May 24, was the good fortune of three non-commissioned officers of the 24th Infantry. These men were First Sergeant Walter Jones, Company "G," First Sergeant John R. Gunn, Company "F," and Staff Sergeant Henry Moore, Headquarters Company. The regimental commander, Colonel Wait C. Johnson, Captain A. L. Hamblen, and Chaplain Alexander Thomas also attended and witnessed the exercises.

The commandant of cadets, Colonel W. H. Walcott, expressed himself highly pleased with the method of procedure and decisions of the judges. He stated "I want to thank you for sending to us Sergeant Jones, Gunn and Moore who gave us the best service we have ever had from judges. It is a source of pleasure and satisfaction to have such close relationship with the 24th Infantry."

McCLELLAN OPENS WITH 800 ON HAND

Eight States in Fourth Corps Area Send Big Delegation of Young Men to Military Training Camp

CAMP McCLELLAN, Ala., June 15.—With the first note of reveille this morning one of the largest and best "Citizens" Military Training camp ever held at Camp McClellan, Alabama, was ushered in. Today the final day of reporting finds about 800 young men ready and anxious to start their month of pleasant work.

These men, the flower of Dixie's young manhood, come from all states in the fourth corps area, which includes Alabama, Florida, Mississippi, Tennessee, Georgia, North Carolina, South Carolina, and Louisiana. Approximately the same number come from each state with Alabama having a slight lead.

Lieut. Colonel James A. Higgens, Infantry, will command the C. M. T. C., this year, and with his record as a soldier and leader of men and the able staff he has selected, the best camp ever held at McClelan is assured. His staff is as follows:

The 2nd battalion of the 22nd Infantry from Fort McPherson, Ga., with Major H. J. Keeley commanding will sponsor the C. M. T. C. Everything that will add to the comfort and pleasure of the men during their month's stay has been prepared by this organization. Tents have been pitched and made ready for occupancy. Messes are equipped and ready to start functioning as soon as the men arrive, and different forms of amusements, including picture shows, games and athletics, have been provided.

The men are taken care of as soon as they arrive at the railroad station. Here they are met by an officer who sends them to camp with a guide in a motor truck or other form of conveyance. As soon as they arrive at camp they are met by the chaplain who welcomes them to camp and starts them on their processing. This includes the turning in of their civilian clothing which may be worn when on pass and holidays, registreing, getting a physical examination and drawing their uniform and equipment. As soon as the processing is over they are signed by their company commander to a squad and tent. This takes the better part of a day so that on the morning after arrival everyone in camp is ready to start the scheduled program of training.

While plenty of work has been scheduled for the C. M. T. C., it will not be all work. There will be plenty of time for play and recreation. The work has been so planned as not to be tiresome and irksome. Reveille will be at 6 a. m. Breakfast at 6:30 with drill starting at 7:30 and lasting until 11:30. The afternoons will be devoted to class room work, massed athletics, games and various forms of sports, Wednesday and Saturday afternoons and Sundays will be holidays.

The organization of the C. M. T. C., will be similar to that of the companies sponsoring it. Each company of the 22nd wil lhave a company of C. M. T. C., with extra non-commissioned personnel assisting in the instruction. The C. M. T. C., students will, however, have a separate mess. Mess sergeants have been detailed for this purpose.

Even with all the hustle and bustle of getting everything ready for the trainees when they arrive, the moral side of their training has not been englected. Major Emmett P. Smith, chaplain, has been detailed to conduct the religious services and to talk with the young men at other times. Announcement has been made that services will be held each Sunday morning and night and that Vesper services wil lbe held each Wednesday.

Everything that could possibly be done to make the young men during their month's stay better, mentally, morally and physically and thereby better citizens and men, has been done.

AMERICAN LEGION DECORATES 24TH INFANTRY GRAVES

On Memorial Day the Charles S. Harrison Post of the American Legion decorated the graves of soldiers and dependents of soldiers of the 24th Infantry who are buried at the cemetery at this station in a fitting manner. This act is appreciated by the officers and men of the regiment. Expressing their feelings, the Regimental Commander, Lieutenant Colonel Jason M. Walling, said "the flowers, flags, and splendid condition of these graves are more elegant than words. The loving and tender care here displayed is but another evidence of the loyalty, brotherhood and broadmindness of the American Legion. As Commanding Officer of the Twenty-Fourth Infantry I wish to state that such kindly deeds as here pictured are deeply appreciated by all members of the regiment and to express as my opinion that it is mainly through such kindly and unheralded acts on the part of the American Legion that your splendid organization will endear itself to the country and so retain the great respect it now enjoys."

DIRIGIBLE TC-5 VISITS FT. BENNING

MARINES AND DOUGHBOYS SPLIT SERIES

PRETTY HEADWORK WINS THE FIRST GAME FOR SOLDIER SWATTERS

Gobs Get Revenge in Second Game With 5 to 2 Win; Wood and Kelly Star For Locals

Good pitching on the part of Wood of the R. O. T. C., combined with costly errors on the part of the Monari and Monteith of the Marines gave the Doughboys a slight edge in the first game of the two-game series whcih opened here last Monday. Wood looked good, not only in the box, but at the bat. Sankey and Reeder were there in the pinches and staged one neat double play, but it remained for White to bring home the bacon. Not content with four assists and four put-outs this sterling second-sacker scored a much needed run with a piece of clever head-work that had to be seen to be appreciated.

It was a good game and the score of 3 to 2 pretty well tells the story. The boys from Parris Island might have won with fewer errors but it is our opinion that Mr. Wood had their number.

Tuesday's game was not so good. The "sea-soldiers" found our Johnny Roosma in the second inning and proceeded to pound out enough runs to win the game. A doughboy counterattack in the fourth frame threatened dangerously until Smith cracked the ball down to Monteith

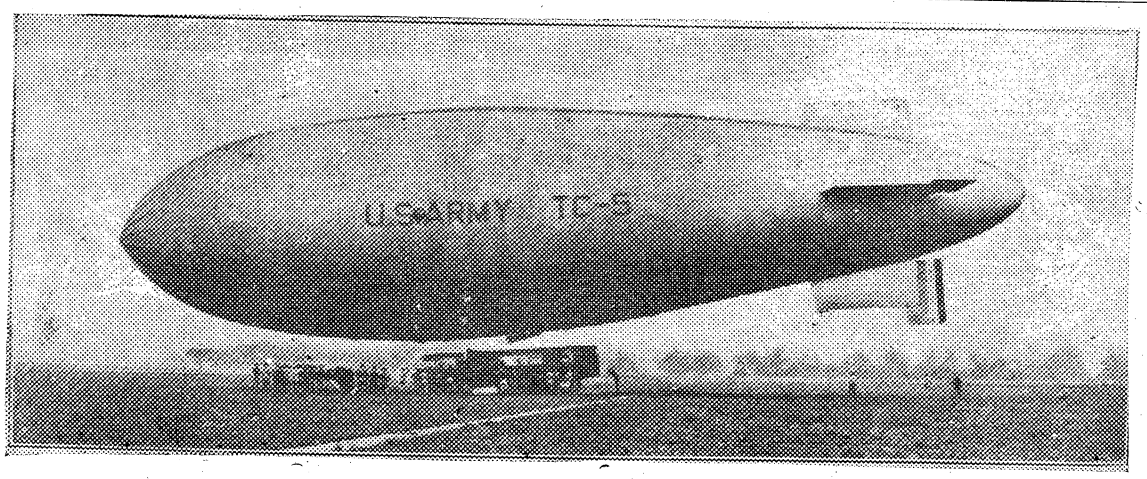
(Continued on Page 6)

MAJOR GENERAL POORE RETIRED HERE ON JUNE TWENTY-SECOND

Distinguished General Visitor at Benning When He Reaches Age Limit

Major General Benjamin A. Poore, U. S. A., was retired from active service here on June the twenty-second having reached the statutory age limit of sixty four years. At noon on last Wednesday a salute of thirteen guns was fired by a battery of the Eighty-third Field Artillery in General Poore's honor. For the past ten days General and Mrs. Poore have been visiting their daughter Mrs. Charles L. Bolte and Captain Bolte here in the Garrison.

From Fort Benning General and Mrs. Poore will go to Washington and New York and will later sail from New York via the Panama Canal for San Francisco and from there they will start on trip around the world.



CAPTAIN LAURENCE F. STONE PILOTS BIG AIRSHIP HERE TO PHOTOGRAPH FORT TERRAIN

Delayed by Damaged Rudder at Fort Bragg the TC-5 Makes Second Start from Langley Field and Arrives Here at 2:38 Friday Morning, Making Trip in 17 Hours, 33 Minutes. Landing Delayed Awaiting Daylight.

Cruising cautiously southward from Langley Field, the TC-5, Commanded by Captain L. F. Stone wakened the camp last night with its roaring motors.

The big blimp, delayed several days on account of damage to its rudder and unfavorable weather conditions, made the trip from Langley Field to Fort Benning in 17 hours and 33 minutes flying time. It left its home field at nine o'clock eastern time, arriving at Fort Bragg, N. C., at two o'clock, eastern time, and left there for Benning at 3:05 eastern time.

The TC-5, with Captain L. F. Stone, Air Corps, in command, has come to Benning for the purpose of taking aerial photographs for use in the course of instruction given student fliers at Langley Field. It will probably remain here several days.

Sighted in Georgia

The dirigible was first sighted in Georgia at Social Circle late last night. At 11:45 o'clock it passed over Covington, Ga., and flew low enough to ask a woman on the street the name of the city. Upon being told their location the officers headed the blimp toward Columbus, 160 miles to the southeast. At 12:20 o'clock this morning the giant dirigible was reported passing over Griffin, Ga., but there was no further report until the big motor was heard in the eastern section of Columbus.

Columbus people heard the hum of the motor of the dirigible at 2:30 o'clock. The big ship was not sighted, however, but the sound indicated that it was in the eastern section of the city. A patrolman reported that he had heard the blimp's motor in the eastern section. Residents of Wynnton heard the motor and saw the lights on the dirigible as it passed over.

Reaches Forth Benning

The dirigible passed over Wynnton and headed southeast toward Benning. At 2:30 o'clock it reached the post, and was sighted by the bridge guard, as it was moving toward the aviation field near the Chattahoochee river.

Immediately upon the arrival of the dirigible at Benning, a detachment of men of the Fifteenth Tank Battalion was ordered to the field to assist in the landing of the giant blimp.

At three o'clock it was learned that the dirigible would not be landed until daylight, due to the fact that the field is not equipped with sufficient lights for a landing in the darkness.

Mooring Arrangements

Mooring arrangements were made at the Benning air field several days ago, and it was expected that the landing of the TC-5 would be effected without considerable trouble, although

(Continued on page 2)

FIRST ECHELON OF THE SECOND BN. 29th INF. HANGS UP HIGH SCORES

"Kelly"—Seven Time Expert Tops List With 323; 98% of Men Qualify

The second Battalion of the 29th finished the first lap of the annual target season, with a qualification of 98 per cent.

Sergeant Kjelstrom made the highest score in the Battalion with 323.

He is the well known "Iron Kjelstrom," of football fame, also he is one of the best all round athletes in Fort Benning. This makes the seventh consecutive year that Sergeant Kjelstrom has qualified as expert rifleman.

Corporal Kirkland of Company "G" made second highest score with 317 and Corporal Adams of Company "E" third with 317.

Headquarters Company of the second Battalion, qualified 1 expert, 9 sharpshooters and 24 marksmen, from 34 men shooting the course.

Of the 76 men who shot in this group from "E" Company 9 qualified as expert, 18 as sarpshooters and 45 as marksman.

From Company "F" 75 men fired the course, 5 qualified as expert, 16 as sharpshooters and 48 as marksman.

Company "G" leads in qualification, of the 81 men who fired the course only one failed to make the grade, 8 men qualified as expert, 11 as sharpshooters and 61 as marksman.

CAPTAIN LAURENCE F. STONE PILOTS BIG AIRSHIP HERE TO PHOTO BENNING TERRAIN

(Continued from page 1.)

it was said that sixty men would be required to handle the giant balloon.

The plan was to line up the men in a V-shaped formation, the blimp to fly toward the point of the formation and throw two ropes over. The soldiers were to catch hold of the ropes and bring the ship to the ground.

First Dirigible Here

The TC-5 is the first dirigible to come to Columbus and Fort Benning and it is expected that it will be here several days. Major Courtney Hodges, infantry instructor at Langley Field, arrived here last week and has been awaiting the arrival of the dirigible.

Captain A. W. Stevens, of Fort Bragg, well known aerial photographer will take a number of photographs from aboard the dirigible. Views of the terrain at Fort Benning will be photographed for stereotican use in the flying school at Langley Field, incident to the course of instruction as to infantry tactics.

LOW AT COVINGTON

The dirigible TC-5, enroute from Langley Field, Va., to Columbus, Ga., circled low over here at 11:45, apparently in an effort to satisfy its officers as to their location. After coming so low as to be able to conduct conversation with a woman who told members aboard where they were; the big ship took to the air again. Covington is about 160 miles northeast of Columbus.

OVER SOCIAL CIRCLE, GA.

The dirigible TC-5, enroute from Langley Field, Va., to Fort Benning, Ga., passed over here late tonight.

LEAVES FOR BENNING

The army dirigible TC-5, spent an hour here this evening on its way from Langley Field, Va., to Fort Benning, Ga., for photomotion work. The trip was resumed at 3.05 o'clock under favorable weather conditions.

The huge silver ship, in command of Captain Stone, took on 300 gallons of gasoline for the remainder of the trip and picked up Captain A. W. Stevens, Fort Bragg aerial photographer.

It was estimated the TC-5 would reach Fort Benning about midnight tonight. Captain Stone expressed opinion that his ship would average about fifty miles an hour.

REACHES FORT BRAGG, N. C.

The TC-5 blimp arrived at Fort Bragg at 2 P. M. today after a flight from Langley Field. The blimp tied up to the mooring mast and made arrangements to take on board Captain Stevens, army photographer. Late in the afternoon the ship will take off for Fort Benning, Ga.

LEAVES LANGLEY FIELD

The army blimp TC-5 took off from Langley Field this morning at 9'oclock for Fort Benning, Ga. The ship was commanded by Captain Stone of the 19th airship company at the Hampton station.

The blimp is on a special aerial photographic mission and will be away from its home station for some time. It will stop at Fort Bragg, N. C., today, and will continue its journey to Fort Benning late.

The ship carries a crew of five.

Local interest in the visitor from the Hampton station has increased daily and Benningites have been scanning the horizon with as much anxiety as Parisians watched for the arrival of Colonel Lindbergh.

Captain Stone's cruiser belongs to the U. S. Army non-rigid type, and was constructed by the Airships Incorported of Hammondsport, N. Y. This concern is in the closest cooperation with both the Army and Navy in their respective lighter-than-air programs. Founded in May, 1920 this firm with a force of 40 skilled hands is engaged in the production of every kind of flotation gear for both heavier and lighter-than-air craft for military use. They manufactured accessories for the ill-fated Shenandoah as well as the giant Los Angeles.

The TC-5, while considerably smaller than the Los Angeles, is a big craft itself measuring 165 feet in length and capable of doing 60 miles an hour under favorable conditions. Its great bulk makes it an easy target for sudden squalls and for this reason it was delayed in its second start for Fort Benning.

Captain Laurence F. Stone, A. C., in command of the TC-5, was formerly an Infantry officer and transfered to the Air Corps in 1920. The captain, a member of the 19th airship company is a graduate of all of the Air Service Schools and has cmmanded aircraft for about a year. Accompanying Captain Stone is Lt. Gillespie, A. C., and a warrant-officer and three non-commissioned officers. Captain Stephens is not a member of the ships regular crew.

While the local hangers are too small for the big craft satisfactory mooring facilities have been arranged and a detail from the 15th Tank Battalion will assist in anchoring it.

Captain Stone is a close personal friend of Captain John M. Hite, and will be his house guest during the time that the TC-5 is stationed at Fort Benning.

Damaged Rudder

In a thunder storm last night the TC-5 damaged a rudder. This may make it necessary for the big blimp to go to Pensacola for repairs.

CHANCE OR OPPORTUNITY

There is a statement which goes too often unchallenged in "this mans Army." It is the favorite growl of disgruntled "bucks" and over-impatient non-commissioned officers.

"An enlisted man hasn't got any chance in the army....."

Any Chance! No——It is not a matter of Chance. It is rather a wide open opportunity that awaits any man—if he can deliver the goods. The editorial page of the Camp Lewis News gives a shining example. This splendid tribute to a fine old soldier is a fitting answer to those army-agnostics who find the service a blind-alley to opportunity. We quote from the "News":

Colonel Patrick H. Mullay completing a service lasting over thirty-two years....

Colonel Patrick H. Mullay

Completing a service lasting over thirty-two years which has been continuous since his entrance as a Private in the Fourth Infantry, August 29th, 1894, rising to his present rank, July 1st, 1924, Colonel Patrick H. Mullay was placed on the retired list, by orders received from the War Department last Thursday.

Colonel Mullay brought to the service, though a mere youth when first he donned the uniform of a buck private, as a carefree rollicking chap, a conscientious conception of personal responsibility that the following years were to develop to a finely attuned whole. His kindly natural personality, gracious ways and sense of fairness have won for him the admiration of all, both commissioned and enlisted men with whom he has served in the many years he has given to his country. His soldierly bearing, easiness to approach hath merited for him the affectionate name of Colonel "Pat" by which he is known throughout the service.

Though the contemplation of retirement may be to some a realization of vivid reality, and the rapid passage of time Colonel Mullay separates himself from active service and the atmosphere of army life graciously, and with those rewards that are the crowning fruits of honest labor well and faithfully done. To bring to each day for over a quarter of a century, that sympathy and earnestness to every detail great or small; to entertain ever a sense of fairness and justice for one's fellow man, to go forward with time, to realize the possession of friends without number and to have won the admiration of men who have reposed their trust and confidence in another, are truly worth while compensations, while recollections of early day struggles and experiences as they flood the hall of memory are the worth while things that make retired life the pleasant sunset it should be.

Possessioning a voice of rare baritone richness and a lover of the songs of other days while blessed with a natural wit, peculiar to his happy race, Colonel Mullay has made many evenings happy for those fortunate to be in his company and left treasured memories of admiration for his wholesome personality. 'Tis pity with the march of time that those who were the conecting links with the wars of other days, who were the products of the "old army" are relinquishing their hold and even their presence, as new and younger generations rise to step into their familiar places. It is with the sincerest of good wishes that the numberless friends of Colonel Mullay wish him every success and happiness as he withdrawn his presence from active army life.

May he ever keep alive his happy jovial nature and as time ripens for him may his rich voice ever charm the new friends with whom he contacts as he spreads cheerfulness and hope to those fortunate to meet and know Colonel "Pat."

To those who will rise up and say, "Why that was the 'old army' ", we will call attention to the recent Graduation Class from West Point. The name Hans W. Holmer heads the list and H. A. Kurstedt follows it. Regular Army enlisted men both of them. Surely there is food for thought in the retirement of this fine old Colonel who began his career as a Private in the old Fourth Infantry—and in the graduation from West Point of these two young Lieutenants who found the Army through the far-flung contacts of the Recruiting Service.

An old lady from the country came into a big New York hotel late at night. She was given a room with a bath adjoining. The next morning the polite desk clerk inquired how she slept through the night.

"Not very well," replied the old lady. "The room was very nice and the bed was pretty comfortable, but I couldn't get much sleep because I was afraid some one might want to take a bath, and the only way to it was through my room."—Princetn Tiger.

Cinderella: Godmother, must I leave the ball at twelve?

The Good Fairy: You'll not go at all, if you don't stop swearing.

—Wisconsin Octopus.

Vanity: What do they call those new round baggy hats the women are wearing now?

Fair: Dunno—must be a new type of bean bag.—Chaperon.

Eva: Fred gets a lot of sentiment out of his pipe, doesn't he?

Catherine: Yes. It's positively sickening when he cleans it!

—Ohio Sun Diel.

"Abie, vhat you mean by blaying mit metches on de zidevalk? Come right away in de store and blay mit 'em."—Amherst Lord Jeff.

Rastus: Lady, Ah wants a flesh-colored bathin' suit for mah gal, and Ah don't want no pink one neither.

—West Point Pointer.

"He done me wrong," wailed the algebra problem as the freshman handed in the exam paper.—Iowa Frivol.

Major and Mrs. Oscar W. Griswold had as their guests at a farewell dinner, given Saturday, June 18, in honor of Colonel and Mrs. Gowen, General and Mrs. Benjamin Poore, and Major and Mrs. Charles Elliot.

* * *

The "Picnic" swimming party held at Jefferson's Hole on the banks of the Ossawichie, on the evening of June 21, complementing Miss Martha Whitford, the guest of her sister Mrs. Norris, proved most entertaining. The exciting dives into unexpected pools were delightfully refreshing after the heat of the day and the campfire built on the rocks added to the charm of the occasion. Those entertained in this novel and pleasant fashion by Capt. and Mrs. Norris were: Lieut. and Mrs. Rickey Rice, Mrs. Hill, Misses Dorothy and Betty Gowen, Dorothy and Marie Russ, Williams, Warfield, Barry, Lennon, Hill and Lieuts. Hurt, Grubbs, Yeomans, Reeder, Mack, Kammerer, Jeter, Wilson, Gailbreth and Van Houten.

* * *

Lieut Col. and Mrs. Asa L. Singleton have as their guests Colonel Singletons two nieces, Miss Elizabeth Medlock of Atlanta and Miss Mary Pompelli of Macon. Miss Medlock will accompany Col. and Mrs. Singleton to San Francisco to be with them for three years while attending art school.

* * *

Mrs. George P. Winton was hostess for a bridge luncheon given on Friday, June 17 in honor of Mrs. Donaldson, who is leaving for San Francisco. The high score prize was won by Mrs. Avera, and Mesdames Donaldson, D. S. Moore, and Barton were complimented with guest prizes.

Others enjoying her hospitality were Mrs. Threman who is visiting Mrs. Weston, Mrs. Clark, the guest of Mrs. McPherson, Miss Mullens, Mesdames Loyd, Jones, G. A. Pollen, Weston, Rodgers, Oliver, Beckley, Murphey, Wryckley, Denson, Yoder, and Fay.

* * *

Lieut. and Mrs. Ancrum entertained with an informal dinner June 19, in honor of Miss Ruck of Dennison Texas, who is visiting her sister Mrs. Ancrum.

* * *

A most pleasing summer-time affair was the swimming party given by Lieut. R. G. Prather for his brother Mr. Louren Prather on June 14. A cigarette race and various impromptu entertainments provided by Lieut. Reeder made the party a complete success.

Mrs. Ralph Kingman left the post Sunday evening to go by boat from Savannah to New York where she will join her daughter Miss Katherine Kingman enroute to West Point. Mrs. Kingman and Miss Kingman plan to spend the summer at West Point, and in the Adirondacks.

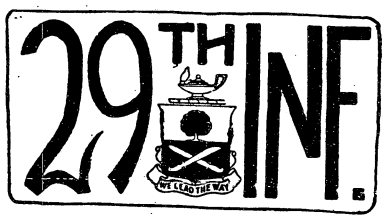
Me—How do people tell you twins apart?

She—Oh, my sister has a mole on her thigh.—Princeton Tiger.

"We had a burglar break into our house last night."

"Did he get anything?"

"I'll say he did; the wife thought it was me."—Rutgers Chanticleer.



COMPANY "H"

It has been quite a while since we have appeared in these columns, but it has often been said that "Absence makes love more binding." Let us hope that we have not lost any of our friends because of the laziness of the scribe.

We have had quite an exciting go of it since the beginning of the Range Season. Forty-one men from the Company are detailed each day to the Service Company, and it is very easy to guess what their duties are. It is quite refreshing indeed to see "Blind" Ellis driving his two distinguished looking steeds of the long ear type down the Regimental Street. He takes to the job as if it were the one thing that he had done all of his life. "Speedy" Crabb has also been alloted the position of chauffeur and custodian of two of the dear little Missouri representatives.

We will soon be stacked up with Recruits, as we are receiving them quite rapidly. We hope that these men will be as well pleased with the Company as we are. In fact we feel sure that they will not regret for one moment that they were assigned to the best Company in the Regiment.

Any one in the market for Pop Corn, Peanuts, Parachutes, Marbles or acting Corporal Chevrons, please call on Pvt. 1st class Geo. D. Davis. He is over stocked on the items, and unless he can sell them in the closing out sale, he will have to put on a fire sale.

We all join in unison in our praise for the one man of the month, Corporal Felix (not the cat), G. Matthews. Cpl. Matthews is a well deserving man, having worked for quite a while in the supply room, and during the maneuvers he was the man who made everything in the propetry line check up in the final He has truly worked for everything that he has gotten since he has been with us. Good luck to you "Dan."

BERNARD B. SWAYZE.

NOTES FROM THE R. O. T. C. CAMP

By Henry W. Moore and Wm. T. Dunkin

With three weeks at camp life just completed ninety-six Georgia Tech students who are members of the Signal Corps and Ordnance Units of the Reserve Officers Training Corps have become well accustomed to the army as it is run at Fort Benning, and are looking forward to some big times during the three weeks that follow until the end at camp. The Signal Corps is in charge of Captain R. E. Stafford, and First Lieutenant E. R. Wells, and the Ordnance is in charge of Captain A. H. Skinner. All these officers have been stationed at Tech for the past year.

The first week of camp was confined to the taking of physical examinations, drawing of equipment, and getting an introduction to the work of the respective units.

Work which the Ordnance company has taken up includes repairing and driving some of Uncle Sam's tanks, a road march with an Ordnance maintenance company, assembling and firing of infantry accompanying weapons, a gas attack demonstration with the Chemical Warfare Service, storage, and a field artillery demonstration.

The Signal Corps has been operating field telephones, buzzer sets, and radio nets. The cadets made a thorough inspection of the Fort Benning radio station last Monday.

During their second week the Signal Corps shot on the pistol range, and a large number qualified as marksman. William O'Neal of Macon, and a student in Electrical Engineering at Tech qualified as Pistol Expert, and C. N. Hughes of Atlanta qualified as sharpshooter.

Daily sandlot baseball games are played between the Ordnance and Signal Corps, and the honors are about evenly divided. An R. O. T. C., baseball team composed of students from all the R. O. T. C., units in camp, from Tech, Auburn, and Tennessee, is managed by "Doc" Trevor of the Tech Ordnance Company. Other athletics include tennis, swimming, and golf. Horseshoe pitching laurels rest in the hands of "Papa" Hood, alternate captain of the Tech football team for next year, and H. S. Cudger of Chatsworth, Georgia, who is first sergeant of the Ordnance Company.

Regular Friday night dances are held at the post gymnasium which have been well attended by the society girls of the Fort and Columbus. These dances are in charge of the recreation committee which is composed of J. D. Ambrose and Tom Hoskins of the Ordnance, and Henry Moore and Jack Holman of the Signal Corps.

Scabbard and blade National Honorary Military Fraternity has organized a provisional company. The following have been elected officers: Merritt Burns of Auburn, Captain; Ben Sankey of Auburn, First Lieutenant; Henry Moore of Tech, Second Lieutenant, and S. M. Callshoe of Tennessee, First Sergeant.

Delinquencies in the performances of military duties at camp are punished a little more severely than at Tech as Ben Lee Crow found out when he was put on K. P. detail for missing retreat, and Jim Miller, president of the Briarean society at Tech for the past year who was assigned to Sunday K. P. for being late to reveille after a flying trip home.

Here the boys learn everything not only about the army but about housekeeping, dishwashing, sweeping, bedkeeping and grass pulling, for when Saturday morning comes everything must be spick and span for inspection, or the various skin list details will grow in size.

CHIEF OF STAFF COMMENDS SERGEANT ANSLEY SMITH 15th TANK BATTALION

World War Veteran Personally Commended for Services Rendered General Summerall During Visit Here

While the Chief of Staff was visiting Fort Benning for the Commencement Exercises of the Infantry School, Sergeant Ansley Smith, 15th Tank Battalion acted as Orderly for the distinguished soldier, having been selected from the entire Garrison for this high honor.

It was very proper that Sergeant Smith should act in this capacity, for it was while serving in the First Division—commanded by General Summerall—that Sergeant Smith was awarded the Distinguisher Service Cross for heroism in action, and cited so many times for bravery that there is not room enough for all his stars on his Victory Ribbon.

The following letter from General Summerall is highly prized by Sergeant Smith—who is known as Alabama's World War Hero:

WAR DEPARTMENT
Office of the Chief of Staff
Washington
May 31, 1927.

Sergeant Ansley Smith,
15th Tank Battalion,
Fort Benning, Ga.

My Dear Sergeant Smith:

I wish to thank you for acting as my Orderly upon the occasion of my recent visit to Fort Benning and to commend you for the excellent appearance of your unifor mand equipment as well as your soldierly bearing and attentiveness to duty.

Yours very truly,
C. P. Summerall,
Major General,
Chief of Staff.

Boss—What are you two darkies doing walking so slowly up those stairs?

Midnite—We is wo'kin, boss. We is carryin' dis heah desk up de stairs.

Boss—I don't see any desk.

Midnite—For de Lawd's sake, Carbona, we done forgot de desk!—Iowa Frivol.

"This is a pretty snappy suit," remarked the baby as he was put into his rubber panties.—Coalgate Banter.

CELEBRATION 152nd QUARTERMASTER ANNIVERSARY HUGE SUCCESS

On Thursday, June 16th, the Quartermaster Corps at Fort Benning celebrated the 152nd Anniversary of the organization of the Quartermaster Corps. It is estimated that one thousand persons, consisting of military personnel, civilian employees and members of the Quartermaster Association, were present, with plenty of enthusiasm for the occasion.

The aviaition field was the scene of the festivities and the flat surface of the ground lent itself admirably as an athletic field. In the morning hurdle races, egg races, dashes and broad jumping featured, while in the afternoon the floor of one of the huge air service hangars made an excellent ballroom floor. Music for the occasion was rendered by the 24th Infantry Band. The athletic events were proportioned to give everyone a hand in the fun, there being tests of athletic skill for members of both sexes—running, jumping, hurdling, the tug o'war, and baseball for men; running and hurdling for the women; and races for the little tots. Captain S. B. Massey acted as starter and Lt. W. A. Allison officiated as chief time keeper. Cash prizes were awarded the members of the various events.

The refreshment committee, headed by Captain L. E. Bowman, served in a true Quartermaster fashion. Soft drinks and ice cream were served throughout the day, and at 12:30 p. m. there was dinner consisting of barbecued beef and pork, barbecue sauce, frankfurters, potato salad, cold slaw, sliced onions, dill pickles, olives, rye bread, parkerhouse rolls, ice cream and drinks. For the kiddies there was milk and assorted sweet cookies. The dinner was most attractively arranged on tables in one of the large hangars, with sufficient seating capacity to take care of the entire gathering. Within ten minutes after the call for dinner everyone present was served.

Lt. Colonel A. B. Warfield, School Quartermaster and President of the local chapter of the Quartermaster Association, acted as Master of Ceremonies, and saw to it that everyone enjoyed himself to the fullest extent. Telegrams received from the Quartermaster General, and from other chapters of the Quartermaster Association were read.

The various organizations of the garrison were well represented as guests of the Quartermaster Association. Among those present were the Commandant, General Edgar T. Collins, with his staff, the Regimental Commanders and staff of the 29th Infantry, 24th Infantry, 83rd Field Artillery, 15th Tank Battalion, 1st Gas Regiment, Ordinance Department, 7th Engineers, Infantry School Detachment, and Signal Corps. Mayor J. Homer Dimon, many of the Quartermaster Association members, and other civilians from the city of Columbus were also present.

One of the many interesting features of the day was the drawing of tickets at 9:00 A. M. and 2:30 P. M. Each ticket was numbered and at each of the above hours a ticket was drawn from the box, the holders of the winning tickets being given $5.00. Mr. I. S. Byrd, a civilian employee of the Utilities Department, and Private Ansley of the Quartermaster Crops Detachment were holders of the money-drawing cardboards.

All who attended the celebration pronounced it one of the most successful affairs ever held by the Quartermaster Corps at Benning. Much of the credit for this success was due to the untiring efforts of the Chairman of the Executive Committee, Captain A. L. Littell, who is also Secretary and Treasurer of the local chapter of the Quartermaster Association.

THEATERS

JUNE 24, TO JULY 1, INCL.

FRIDAY, JUNE 24

"THE NERVOUS WRECK," starring Al Christie in a most amusing story of a self-stiled invalid who goes west to die. He meets a girl—the incentive to die leaves him. His many misadventure with bandits, auto parties and the law form a melo of fun which insures laugh thrills from start to finish.

"Are Crooks Dishnest"? Lloyd Comedy.

SATURDAY, JUNE 25

"ROUGH AND READY"—A blue streak western starring Jack Hoxie in an original, fascinating and thrilling tale of over-polits cowboy who won the heart of the girl he loved and saved the ranch from the clutches of desparados.

"Fourth Alarm."—Our Gang Comedy.

SUNDAY, JUNE 26

"MICHAEL STROGROFF," from the remarkable story by Jules Verns, featuring Ivan Moskins and Nathalie de Kovanko in this most melodramatic thriller, which, for forty years has been a predominating stage success all over the world. Captain Michael Strogroff, Secret Courier, is ordered by the Czar of Russia to deliver a message to his brother the Grand Duke, at Irkutsk, 5,000 miles across Siberia. Strogroff has to fight his way through country infested with Tartar rebels. On his way he takes it upon himself to guard a young girl, Nadia, who is seeking to join her father. Strogroff at great hazard to himself makes it appear that the girl is his sister. His trip across the Steppes is fraught with unending danger and daring adventure, culminating in a race against the chief of the rebels to be first to reach the besieged garrison at Irkutsk, and deliver the message which will expose the Tartar plot. Captain Strogroff finally succeeds and alos wins the girl after a very dramatic fight at the end of his journey. This play is tensely gripping throughout.

"Alice's Spanish Guitar."—Alice Cartoon.

MONDAY, JUNE 27

"SUMER BATCHELORS," starring Madge Bellamy in a more daring chronicle of today than "Flaming Youth" by the same author, Warner Fabian. This story ran in McClure's Magazine. The summer batchelor's code is, "An address a day keep boredom away"—Don't tell your wife everything ,or she'll guess the rest; when taking a girl for a drive—be sure you'll run short.

"Plumb Goofy."—Cameo Comedy.

TUESDAY, JUNE 28

"ROUGH HOUSE ROSIE," starring Clara Bow in a fast moving comedy of cabarets, amusement parks, stage doors and boxing rings, all brought deftly together by the up-and-rising actress Clara Bow. It is purported to be a riot on the screen.

"Hay Foot-Straw Foot."—Cameo Comedy.

WEDNESDAY, JUNE 29

"THE RETURN OF PETER GRIM," from the stage triumph by David Belasco, featuring Janet Gaynor, also Alec B. Francis, Richard Walling, John St. Polis, Florence Gilbert, Lionel Belmore and John Roach. The picture is based on time worn question—"Can the dead return." It unfolds as sweet a love story as has ever been told and is a picture you will always remember for its beatuy and tenderness.

"Fares Please."—Mermaid Comedy.

THURSDAY, JUNE 30

"TARZAN AND THE GOLDEN LION," from Edgar Rice Burrough's colossal jungle story. It brings to the screen the essance of romance and adventure—a glorous fantacy in whcih the mystery of the dark continent and the ternal lure of Africa are enchantingly blended with a gripping, thrilling story of a desparate struggle against terrible odds.

"Pathe News."

FRIDAY, JULY 1

"LOVE MAKES 'EM WILD," featuring Johnny Harron, Florence Gilbert and Sallie Phipps in a story of today. It is a rapidly moving comedy depicting the graphic pages from the life of man who was regarded as a mere worn until he proved that even a worn can turn if the going too rough. Romance and comedy are the principal features of this picture.

"Cow's, Kimona."—Tryon.

"Lil says she got to bed Saturday night at ten."

"Yeah, I have a picture of her doing it."

"Great! I'd like to see it."—Notre Dame Juggler.

BARRACKS BANTER

By Ad.

THE BALLAD OF LINDY'S LUCK

...Once Man trod, a timid Clod, the stolid, solid Earth;
Born of Dust, he hugged the Crust of Clay that gave him birth——
...Then a blonde lad laughed—his silver craft, on a pathless journey hurled—
O'er a trackless Main, his plunging plane, wakened a wondering world.
..."Allons!"...

Away on the lift of a shifting breeze;
Daring the death-damp of filming fog;
Scorning the threat of the trackless seas—
Earthbound, he left us—a Prince, incog.
...Calm-eyed Captain, audacious, cool—
Doubting, we dubbed him a flying fool.

Lone in the pit of his plunging plane;
Hugging the ramp of a rock-ribbed shore;
Conning his craft like some Viking Thane;
Helmed he his course to the breakers roar.
...First in the lists of the air-courier—
Flying pilot and pioneer.

Soaring with roaring strut and stay,
Through the wet threat of the clinging sleet;
Trailed by the murk of a dying day——
Dauntless, he fared o'er a darkling Deep.
...A droning dot, through the darkness hurled——
Lost to a waiting, watching world.

A midge in the mist, he met the morn—
A silver midge in the dawn-swept sky—
Swift-winged scout of an Age, new-born;
Seeking a landfall with eager eye.
...Ye Sons of Erin, who cherish pluck—
Re-name your Headlands, "Lindy's Luck."

Swiftly seeking the silver Sceine——
By some sure instinct, that beggars Chance——
The Pilot, guiding his gliding plane.
Found the warm heart of happy France.
Lindy, you left us a lad, unknown
Colonel, you "cracked-up" upon a throne.

...Lord of the Earth, Man knew his worth; but doubted the Order New—
From a drift of dreams, he had built machines—better than he knew.

...Born of Dust, he learned to trust, the worth of his winged cars
To the faint, far goal——his Immortal Soul, reborn——in the Dust of Stars.

15TH TANKS

COMPANY "B"

LUCKY TIGER COMPLETES NON-STOP FLIGHT TO MONTGOMERY

Our ambitious flying ace, Tiger Flower, after days of postponed take-offs, on account of bad weather, at last started on his dangerous journey. At 5:10 A. M. Sunday, he had his plane on the take off run ways, located outside of "B" Company kitchen. At 5:30 A. M. he had it warming up, and exactly at 6:00 A. M., he climbed into his silver ship, "The Spirit of Company "B," and was on his perilous way. He had a perfect take off.

The personnel of Company "B" followed his flight with feverish interest. They all realized what a dangerous feat it was. A non-stop flight from Fort Benning, Georgia to Montgomery, Alabama, crossing the treacherous Chattahoochee River. Tiger's progress is given below:

12:00 Noon. "The Spirit of Company "B" sighted off Shark Tooth's Shoal, flying about 5000 feet high, making great speed."

6:00 P. M. "The Spirit of Company "B" sighted over the mainland of Alabama, headed into a driving rain storm. Plane was climbing when sighted."

11:30 P. M. "Spirit of Company "B" sighted just outside of Tuskegee, Alabama. Going very rapid. The lone pilot, 'Tiger' Flower has reached his half way mark."

9:00 A. M. "Spirit of Company "B" sighted outside of Montgomery."

9:15 A. M. "Luck Tiger" circled the field three times, then made a perfect landing. The mob very nearly tore his plane into bits."

"Such a demonstration by the natives of Alabama has never been seen before. Tiger is the hero of the day. As soon as he had landed he asked if there were any M. P.'s this far out, and then collapsed from exhaustion. We will print more next week about the Tiger's reception. Latest bulletin stated he was still sleeping.

PRETTY HEADWORK WINS THE FIRST GAME FOR SOLDIER SWATTERS

(Continued from page 1.)

and caught Franz napping off first.

It was good baseball though and the fans got their money's worth. "Kelly" starred, featuring in two double-plays, one unassisted, Smith's triple in the second cleaned the bases and put the game on ice, for the "Marines."

Ellis, clever doughboy center-fielder, thrilled the crowd with a running one-handed catch of Miller's long drive to the centerfield fence. It was real slap bang baseball. Plenty of hits and not too many errors; and enough double-plays to keep the fans on their toes.

KELLYS TAKE WEDNESDAY'S GAME FROM INFANTRY SCHOOL DET. 5-0.

WEDNESDAY'S GAME

The 2nd Bat. won Wednesday's game from the Green Cords in what would have been one of the prettiest games of the season but for the third inning, when the Kellys got to "Wee" Grady for six hits and scoring five runs.

"Big" Newman was never in trouble, his slants keeping the I. S. D. batters baffled all the way, three hits being all they could collect off him in the nine innings.

Tolle gave up one hit after the third inning, but the Kellys were sitting in the golden chair.

In the last half of the third it started to rain and it looked as if rain was going to stop the game, at this period it became a battle of wits between McCarthy and Kelly, with Kelly trying to speed things up to make it a ball game and Mac. trying to lock the wheels of time, and praying for another flood. The Umps were getting all the worst of it, besides geting wet, so the game was called until they could decide on the weather, but although the Greenies prayed long and loudly, the rain ceased and the battle went on, neither side being able to score during the last six innings.

The Micks started off in fine style, Heckert first man up got a walk, Ryan sacrificed him to second, McCarthy took one in the ribs for a free trip to first Heckert was safe on third when McDuffy dropped Thompson peg to catch him, Mc. going to second on the play, but the Doughboys tightened up, White and Douglas being easy outs.

McDuff started the third inning off with a single to center, Tolle fumbled Parris' bunt both runners being safe on the play, Tolle threw McDuffy out at third, when Franz bunted down the third base line, Roosma singled to center scoring Parris, Kelly came up and got his first hit of the series, scoring three bagger, Franz and Roosma scoring on the hit, Kelly scored a minute later when Newman hit a two bagger to left, Hi Davis followed with a clean hit to center scoring Newman, Cooper was an easy out Thompson fanned to end the misery, six hit and five runs being the total.

The last six innings were scoreless, Tolle holding the Second Bat. to one measley hit while Newman gave up two, Douglas and Morgan each getting a single.

THE ENGINEER R. O. T. C. HIKE

In the training of Engineer R. O. T. C., students it is customary to have a hike and temporary camp for instruction in the real life of our army engineer. They usually have a ten day camp and the time is spent in instruction in various engineering problems.

Following this order of duty, the Engineer Company of the R. O. T. C., unit of Fort Benning took a hike and a ten day camp which began Monday, June 13th and terminates Wednesday, June 22nd.

The company is in charge of Captain L. S. Dillon, C. E. Engineers, and 1st Lieut. B. H. Bowley, C. E. Engineers. They are assisted in the instruction work by 1st Lieut. W. B. Higgins. They also have an able assistant in Sergeant Allison of the 7th Engineers. The Company is composed of students from Auburn, Tennessee, and Alabama. It numbers eighty, and has some very fine looking material for future officers within its ranks.

The Saturday before our hike we were issued the materials and supplies to form a complete pack. We were then instructed in the method of rolling our blankets and forming the packs. The boys took in all they could between thoughts of their last week-end out before our 10 day stay in the woods, and managed to have one ready Monday morning.

At 6:30 A. M., Monday the company with Cadet Captain Fred Woods of Tennesee in charge, we formed with our packs and rifles, Lieut. Bowley relieved Captain Woods as commander and we started on our way. Captain Dillon went ahead to locate the kitchen so we would have some food when the correct time came. Captain H. W. Taylor of the Medicine Corps, accompanied us on the trip to care for all the pass-outs, blisters and other parts. We walked at the regular army step and tune walking 50 minutes and resting 10 minutes. We reached our desination after walking approximately 16 miles and everyone was ready to greet the mess call a few minutes later.

In the afternoon we pitched our pup tents for the ten day stay in the woods. The crowd was really worn out when time came to go to sleep even though we were on the ground. The several days were spent preparing camp sight and talks on Camp Sanitation by Captain Dillon. They gave us this day to recuperate from our walk to which most of our members are unacustomed.

The remainder of the time in camp was spent on Bridge Building and Trench digging. The Bridge occupied the most of the time and was the most interesting subject we have had in our first 2 weeks of training. Lieut Bowley took charge of the first platoon which consists of the largest men of the company and Captain Dillon took the second Platoon.

Lieut. Bowley's detail was given the task of erecting a bridge over a creek approximately 20-ft., wide. The bridge is to be used for artillery travel and therefore had to be very substantial. Lieut. Bowley divided his detail into smaller groups and assigned them to different task inorder to insure good work without congestion. One group had to cut the material from the woods and bring it to the bridge while another group were demolishing the old bridge and preparing the banks for the proper foundations. The logs were peeled and sized for a bridge 26-ft., long and 13-ft., wide. We then placed the foundations and fastened them together with drift bolts. The stringers were placed with a block and tackle and after these were fastened the flooring or decking crew began covering it with poles of approximately 6-inch diameter. This was finished in approximately 12 working hours and presents a very good looking bridge as well as a serviceable one. We distributed the work over two mornings, because we do not work in the afternoons.

Captain Dillon's detail were assigned a similar task except their materials were to come from a wrecked house. This is a very good place to secure your material in case of emergency.

The next assignment was for Lieut. Bowley's detail to erect a bridge approximately 40-ft. long. It required a couple of piles bents for support. The same system was followed in placing the men but here we had to rig up a pile driving apparatus and Lieut. Bowley who is a very competitent engineer rigged up a very unique apparatus and a very practical one by placing a gin pole on the bank and raising it to approximately 450 with the s-:le2miifnala..... mately 45 degrees with the horizontal. This was raised by a block and tackle and guided into place with guy lines. From the top of the gin pole he suspended the hammer leads which were two oak poles fastened together with cross pieces and drift bolts on a pulley. The hammer was a log of around 13 inches in diameter and approximately 5-ft. long. This was suspended to the leads and worked from the bank. This worked fine and the bridge was successful.

Captain Dillon's detail was also assigned a corduroy road to build and another small bridge.

Our last day was spent in digging trenches of the traverse type. It was a type of a firing trench.

We broke camp Wednesday morning and hiked part the way back when we learned we could ride the remainder. The camp ended a success and every one is happy.

Pete Wheeler of Hickory Holler had ordered four tire covers from a mail order house. They were sent to him, and a few weeks later the manager of the mail order house was surprised to find the following letter on his desk:

"Gentlemen: A few weeks ago I ordered four tire covers from you. I put them on, and hadn't drove fifteen miles before the blame things had wore clear out. Now I want some new tire covers or my money back. Pete Wheeler."—Kansas Cour Owl.

I. S. D. CHALLENGES "REDS" SUPREMACY

GALLOPING GREEN HATS SHOWING FINE FORM IN EARLY SEASON GAMES

"Wee" Grady Tolle Turned Back "Blue" Batsmen in Big League Style

The end of the past week in the Intra-Mural series found the I. S. D. Green Cords and the 24th Inf. Reds in a deadlock for first place, each team having won three and lost none. The 1st Battalion came very close to turning the dope bucket over on the 16th, getting a three run lead over the Reds in the early innings of the game and then losing the game on errors in the last two frames.

The 2nd Bats ran away with the 83rd Artillery in last Fridays game, by a one-sided score. Hopkins pitched good ball, but given poor support, but Drawdy who relieved him didn't seem to try to pitch, in fact Fridays game was the first game where the Caisson Riders were ever known to quit fighting, no matter what the score was, but with Drawdy just lobbing them over any old way it seemed to take the spirit out of the whole team.

Come on 83rd and fight if you lose, for every fan in the post admires the fighting spirit you have been showing, all season.

The Green Cords are stepping dead ahead this year with one of the niftiest teams they have had in years, although picked to win, they surprised every one Saturday evening by shutting out the hard hitting Blues from the 24th Inf., "Wee" Grady was in rare form giving up three hits and was backed up with perfect support, with McCarty in the infield and "Big Doug" behind the platter, there does not seem to be any room for improvement, although if any more Tolles happen to enlist, why the Greenies could use them.

Another surprise of the week was the poor showing the Tankers made against the Reds in Sundays game, for every one was expecting to see the Tankers give the league leaders a real fight. "Slim" Harris, who gave the Reds more trouble last season than any other pitcher in the league, seemed to have lost his cunning, the Reds hitting him at will.

But such things will happen to the best of teams, and the Tanks will roll a long ways before the end of the present series.

24th INFANTRY "REDS" BATTER ARTILLERY WITH HIT BARRAGE

The Caisson Riders were unable to hold the hard hitting Reds Tuesday evening and the final score stood 1-2 in favor of the Reds.

The Artillery is working hard to strengthening their team, which has considerably weakened by the loss of most of their best players.

Kilgo was very wild, walking six batters, and hitting two, Paschal who relieved him pitched good ball, but the Reds had already stowed the old ball game away.

Hill was very effective for the Reds, although the Artillerymen got to Murrell who relieved him for a couple of scores, in the last frame.

HOWITZER COMPANY RUNNING WAY FROM OTHER TEAMS IN CLASS B LEAGUE

The Howitzer Co. 29th Infantry seems to have the Indian sign on the rest of the teams in that league as they have won every game they have played in the series. Three of the teams are tied for second honors while the 'Q' Emmers are at the bottom of the list with all lost and none won.

But the season is still young and many things can happen, and you know the old saying "The first shall be last, etc.;" but we will just wait and see.

STANDING OF TEAMS

ENGINEER POOL TOURNAMENT

The First Annual Pocket Billiard Tournament of the Seventh Engineers was successfully run off at the Engineer Recreation room.

Corporal Unavage of the Howitzer company 29th Infantry won the title in a well played match game with Private Jones of the 7th Engineers by the score of 50-29 in 22 innings.

Men from four differennt organizations in Fort Benning were entered namely: Unavage, Payne and Thomas of the Howitzer company, 29th Infantry; Smith and Everett of the I. S. D. McKnight, Q. M. C. and Jones, Dispain, Bosworth and Reynolds of the 7th Engineers.

The delicate safety play of Unavage was the big feature of the series. The showing of unexpected strength by Private Jones in taking second place was particular gratifying to the Pontoniers.

Unavage also turned in the high run of 16 and the best game completed in 12 innings.

24TH MACHINE GUNNERS RECORD FIRING

Despite rainy weather and unfavorable visibility the machine gunners of the 24th Infantry made satisfactory scores during their record firing of the past week on the 1000 inch range. All guns and tripods had been carefully overhauled by the Ordinance Department prior to going on the target range, so were in excellent mechanical condition.

Visibility of shot groups being such an important factor in machine gunnery the fact that good scores were made under such unfavorable conditions indicate a high degree of training and proficiency in the use of this weapon. Private First Class John Booker, Company "D" secured 169 points out of a possible 200. Corporal Verreese Andrews, Company "D," made 163, Corporal David Mann, Company "H," 160, and Private Fuller Stead, Company "M," 159.

MAT AND MITT ARTIST TO PUT ON CARD AT FORT BENNING NEXT WEDNESDAY NIGHT

The feature attraction of Wednesday night's card will be a return match between Roy Hamilton of Fort Benning and Charlie Loch of Columbus, both men are grapplers of no mean ability, as Loch has met and defeated some of the best men in the South at his weight and has gone out of his class several times and always given a good account of himself.

Roy Hamilton won a handicap match from Charlie in their last meeting, the Soldier was by no means satisfied, as Loch threw him once in 48 minutes, and was never able to come near getting a fall in the remaining 12 minutes, as Loch was to get two falls in one hour.

This time there is no handicap and both men are out to win, the best two out of three deciding who will carry home the bacon.

"Bud" Gorman one of the best leather pushers seen here in many moons will meet Bob Walden of Columbus, Gorman will meet Sergt. Conway of Fort Bragg, the present welterweight champion of the 4th Corps Area here in July for the title, so many of the fans who have not seen him in action, can form their opinion Wednesday night.

Walden is a new comer in fistic circles here, but is said to be a mighty good boy, so it looks as if this fight is going to be (plenty fitting).

Pacconni the fight "Wop" will meet Grady Martin of Columbus, and this promises to be a slam bang affair all the way, as both men are noted for their ability to take and give, (Rock 'm and Sock 'em).

Sergeant Cadenhead meets Rufus Miles, Columbus toe dancer in the last match of the evening, and if it is possible to get Miles to stop long enough to fight a little we predict that Mr. Miles will probably have to be led to the next dance, altho a certain sports writer seems to vary the least bit from our way of thinking.

Tickets can be bought through orderly room jawbone.

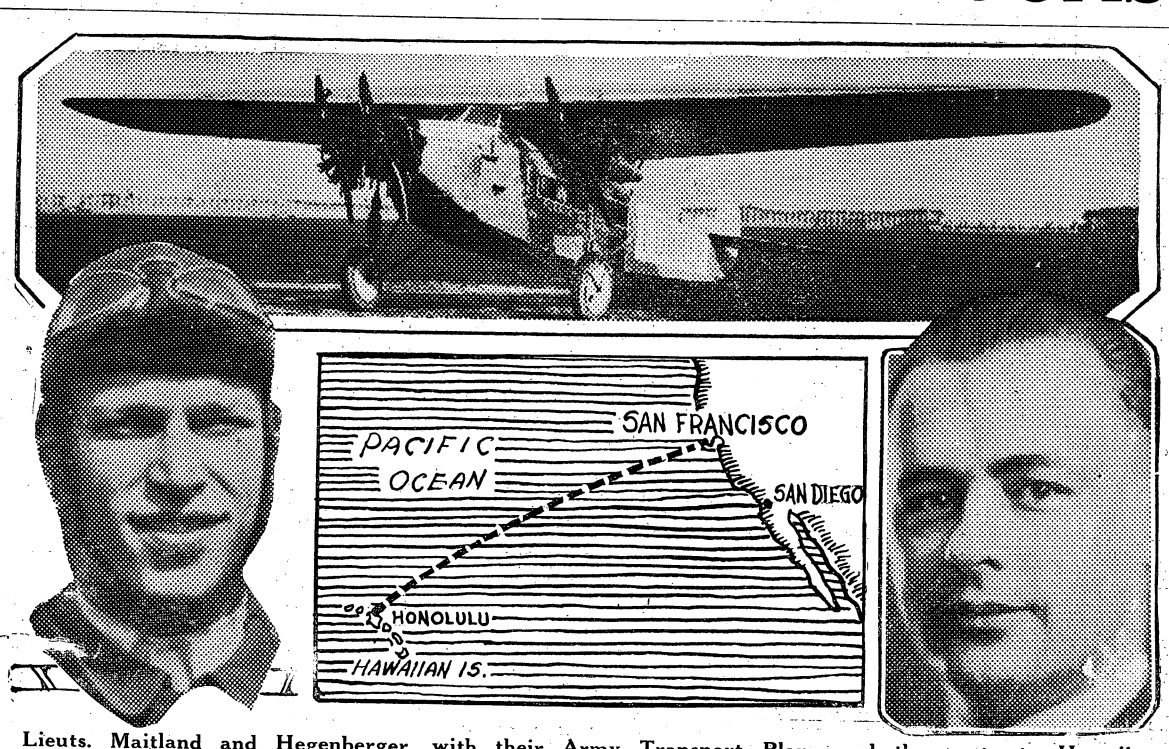
FLIERS SET NEW RECORDS

* * * * * *

CED DOWN OFF FRENCH COAST



Lieuts. Maitland and Hegenberger, with their Army Transport Plane and the route to Hawaii.

one-half to six days to traverse the desolate waste of water that stretches from San Francisco to Hawaii, but the intrepid army airfarers breakfasted one day in Frisco and the next in Honolulu.

Maitland and Hegenberger by their successful flight, completed the pioneer work begun by their brothers of the navy on August 31, 1925. On that date three giant navy planes made the first attempt to cross the Pacific from San Francisco Bay to Hawaii. Two years of aviation have made a tremendous difference. While the Navy's attempt two years ago was made with seaplanes, equipped to light on the water, and the course was marked and guarded by destroyers, the army flight was made unattended and unassisted in a regulation army transport plane equipped only for land flying. Such is the confidence of the modern pilot in his winged cars.

Data of the Hawaiiian Flight

Completing the 2400 mile flight between San Francisco and Honolulu, the army fliers, Lieuts. Lester J. Maitland and Albert Hegerberger arrived at Wheeler Field, Island of Oahu, at 6:22 A. M., Pacific time.

The fliers left Oakland, California at

BYRD---ARCTIC ACE FORCED BACK TO COAST AFTER REACHING PARIS

Poor Visibility at LaBourget Makes Dry Landing Dangerous and Byrd Seeks Open Water to Alight

The commandant of Le Bourget air field announced at 8:30 this morning (Friday) that he had received a radio message from Havre saying the American trans-Atlantic fliers were safe at Versur-Mer, although the plane was smashed. He was seeking further information. The message said the airmen had remained aloft until 5:45 A. M., French time and then made a forced landing within 200 yards of the beach.

Commandant said he had talked with the telephone operator at Ver Sur Mer who confirmed that the aviators were safe.

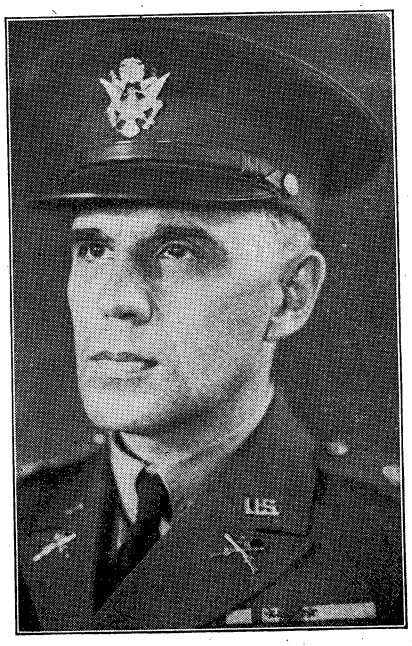
The telephone connection was bad and the commandant said he could not learn the details.

Further details reaching Commandant Benvoise from Havre said the plane flew over the Parisian region at three o'clock this morning and then headed for the sea coast where it was forced to land.

(Continued on Page 5.)

TO LEAVE BENNING SOON

Major Robert H. Dunlop, A. G. D., U. S. A.



Major Frederick E. Uhl, Infantry, U. S. A.

Major Frederick E. Uhl, Infantry, U. S. A., (Right), and Major Robert H. Dunlop, A. G. D., U. S. A., (Left), are both to leave Fort Benning very soon, much to the regret of their many friends in the garrison. Major Uhl will take a short leave sometime in July and will then proceed to Fort Leavenworth, Kansas where he will be a student at the Command and General Staff School for the coming academic year.

Major Dunlop will leave Fort Benning about the fifteenth of July on leave of absence and after his leave he will be on duty in the Adjutant General's Office in the War Department at Washington, D. C. Major Dunlop will be relieved as Adjutant of the Infantry School by Major Daniel S. Torrey, A. G. D., U. S. A. who has already reported for duty. Major Uhl will be relieved as Assistant Executive Officer by Major Edwin Butcher Infantry, U. S. A.

CO. "G" 29TH INFANTRY HANGS UP HIGH RECORD WITH THE RIFLE

Company "G" 29th Infantry completed record firing with the rifle Wednesday, June 29, 1927 for all men present for duty June 1st. There were 150 men on the rolls on that date. 143 completed the course. The other 7 were either sick in hospital or on re-enlistment furlough. Of the 143 men who fired, 16 qualified as expert riflemen, 32 as sharpshooters, 93 as marksman and only 2 failed to qualify. The average score per man is 281.68 and the percentage of qualification is 98.67. Of five Officers who fired, three made expert and two sharpshooters with an average score of 309.6. Lieut. Gailbreath led the company with the excellent score of 324. Corporal Kirkland made high score for the enlisted men with 318. Corporal Newman was second with 316 and Corporal Wilson third with 314. Of men who had never fired the course before, private Foster won first prize, with 313, private Craig second with 310 and private Pritchard third with 307.

The company is justly proud of this record and believes that it will be hard to beat.

Lady Tourist (doing the cathedrals of Scotland):—This is Gothic, isn't it?

Juvenile Guide (severely):—No. mum, it's Presbyterian.—Virginia Reel.

VETERANS HOSPITAL RECREATION HALL DEDICATED

24th Infantry Band Furnishes music

The new recreation hall of the U. S. Veterans Hospital at Tuskegee, Ala., was dedicated with appropriate exercises last Saturday. The 24th Infantry band played for the occasion and remained at Tuskegee over Sunday rendering several concerts both at the hospital and at Tuskegee Institute.

The officials of both institutions were high in their praise of the conduct of the personnel of the 24th Infantry band and showed their appreciation by the excellent reception that was given to doughboys. Col. H. F. Ward, commanding officer of the government hospital took personal interest in the welfare of the band and upon the departure of the 24th Infantrymen Monday morning made a short talk to them thanking them for the splendid concerts and conduct while guests of the hospital.

JULY 1, TO JULY 8, INCL.

FRIDAY, JULY 1

"LOVE MAKES 'EM WILD," featuring Johnny Harron, Florence Gilbert and Sallie Phipps in a story of today. It is a rapidly moving comedy depicting the graphic pages from the life of a man who was regarded as a mere worm until he proved that even a worm can turn if the going is too rough. Romance and comedy are the principal features of this picture.

"Cow's Kimona."—Tryon.

SATURDAY, JULY 2

"The THIRD DEGREE," starring Dolores Costello in a supreme murder mystery melodrama. It is a story of circus performers and millionaires who became deeply involved in matrimonical difficulties. Intrigue, blackmail and the law forcibly assert themselves in this picture.

"Seeing The World."—Our Gang Comedy.

SUNDAY, JULY 3

"RUBBER HEELS," featuring Ed Wynn and Chester Conklin in a clever comedy, the scenes of which are laid in New York City and Niagara Falls. It is the story of a band of jewel thieves who carry on their crookedness while posing as private detectives. The crown jewels of a Russian Princess are the cause of many complications. It's comedy from start to finish, but is bound together by a good pilot.

"The Pests."—Fables.

"Pathe News."

MONDAY, JULY 4

"NOBODY'S WIDOW," starring Leatrice Joy in a sparkling comedy drama of a man's guile, and a woman's wiles. The story is packed with romance, fun, thrills and escapades—the adventures of a newly married couple whose barque is almost wrecked in a sea of circumstancial evidence.

"Long Fliv. The King."—Chase Comedy.

TUESDAY, JULY 5

"THE MAGIC GARDEN," Gene Stratton Porter's last novel, featuring Margaret Morris and Raymond Keane. It is a story of the titanic power of childhood life, born amid the witchery of an old fashinonable garden, flowering in romantic palaces of historic Venice, and attaining its full splendor where the girl and the boy meet again—in The Magic Garden. You will thoroughly enjoy this attractive story.

"Pound Foolish."—Cameo Comedy.

WEDNESDAY, JULY 6

"SPLIITTING THE BREEZE," featuring Tom Tyler and his pals in a throbbing romance of the west, bubbling over with comedy and tense drama. A strain of mystery adds materially to the action of this story.

"Collegians No. 10."

THURSDAY, JULY 7

"THE UNDERSTANDING HEART," from the recent gripping story by Peter B. Kyne, featuring Frances X. Bushman, Jr., Joan Crawford, Rockliffe Fellows and Carmel Myers. This is an absorbing story of the timberland, revealing the stalwart courage of a girl and the heroic chivalry of Forest rangers. Intrigue and romance most effectively bind the threads of this splendid play.

"Pathe News."

FRIDAY, JULY 8

"THE NIGHT BRIDE," starring Marie Prevost in a riotous bull's-eye comedy smash. An expectant bride-to-be on her way to the marriage altar discovers her finance in the embrace fo her own sister. Then, finding herself in the home of a bitter woman-hater, who mistakes her for a burglar; a new and rosier romance enters her life. The story terminates with a surprising climax.

"Gimmie Strength."—Adams Comedy.

Why It Pays To Advertise Now

The Infantry School News is mailed to each incoming officer weeks in advance of his arrival in Fort Benning, Georgia.

HOWITZER CO. 29TH INFANTRY BOASTS ONE HUNDRED PER CENT. QUALIFICATION

One hundred percent. qualification in marksmanship in the principle arm the last four years is the proud boast of the Howitzer Company, 29th Infantry. This record was started under Captain W. G. Burt, and has continued the past three years under Captain A. D. Bruce.

In recognition of this good work, the Company celebrated on Friday, June 24th, with a day of fun and amusement, capped by a huge barbecue dinner in the Company Hess Hall that night. The evening program was featured by several outstanding events—the Regimental Commander, Colonel James B. Gowen spoke briefly on the achievement of the men; the Battalion Commander, Major J. F. Franklin told how he made such good results possible by letting the Company Commander run the show; the President of the Board conducting the tests remarked on the high morale and willingness of the men; and Master Sergeant Bartholomew S. Cusic, (retired) a former first sergeant in the Company expressed briefly, "How the Howitzer Company does it." The entertaining features of the dinner were persented by Sergeant Yearty and Mr. Treadway of Columbus, Ga., in the form of slight of hand, magic and the intricasies of balancing everything from a cue ball to a rifle and bayonet.

In recognition of outstanding performances of the men during the range season, Captain Bruce awarded engraved wrist watches to the following men for high scores:

High score with 3" T. M. & 37 mm. gun—Private Thomas, A. B. 98.75 per cent.

High score for recruits—Cpl. Wingate, 98.25 per cent.

High score, Rifle "C" Course—Private Potter, 219.

The Twenty-ninth Infantry orchestra supplied the musical strains necessary to complete a most successful evening.

The Howitzer Company, being the only such company in the Army, has started test work on the two new weapons contemplated for use in the Infantry, a new 37 mm. gun and a 75 mm. mortar, to replace the present model 37 mm. gun and 3" Stokes Mortar. Plans have been formulated to conduct this work on the following schedule:

1st Platoon—Marksmanship.

2nd Platoon—Drill.

Transportation group—Transportation.

The first two groups will then change assignments and at the end of the 2nd period all groups will be combined for a fifteen day march which will include marching, maneuvering and tactical employment. Upon the completion of this work a period will be devoted to smoothing out discrepancies and formulating the new Training Regulations.

In addition to the above tests Howitzer Company is active in athletics. The baseball team is leading in Company Baseball league sponsored by the Infantry School Athletic Association.

She was only a pirate's daughter—but, oh boy, what a Kidd!—Cincinnati Cynic.

SECOND DIVISION HAS MOST DECORATIONS

Forty Per Cent. of Croix De Guerres To This Unit

The May number of the Indian Head, the official publication of the Second Division Association, contains some very interestin gfacts about the old historic Second Division.

Members of the Division at Fort Sam Houston should be proud of this famous Division and the many accomplishments accredited it during the World War. The Division let the American Expenditionary Forces in France during the war and was awarded 735 more American decorations and citations than the next highest American combat division and 2,985 more French decorations.

Forty per cent. of all the Croix de Guerres, to mention one French decoration, awarded to the 35 combat divisions, went to members of the Second Division. The Division is the only division in which every divisional unit is entitled to wear the Fourragers of the Croix de Guerres. The only other division receiving it was the First, and the award was not made to the Headquarters, trains and small units of the First Division.

Facts concerning the Division, that were established in The Indian Head follows:

American: 7 Medals of Honor; 708 Distinguished Service Crosses; 22 Distinguished Service Medals; 13 Oak Leaf Clusters. Total, 750.

French: 55 Legion d'Honneur; 5 Order of the Black Star; 51 Medaille Militaire; 3,665 Croix de Guerre. Total, 3,776.

Belgian: 2 Order of Leopold 1; 1 Order of Leopold 11; 4 Order of the Crown; 10 Croix de Gurre. Total, 17.

British: 2 Distinguished Service Order.

Italian: 1 Order of the Crown; 22 Croix de Guerre. Total, 23.

Montenegran: 2 Order of Prince Danilo; 8 Medaille de Bravourse. Total, 10.

Panamanian: 8 Medaille la Solidaridad.

Roumanian: 1 Order of the Star; 1 Order of the Crown. Total, 2.

Total of all decorations received, 4,588.

Here follows the price of these honors, for officers and men: Killed in action, 3,412; died of wounds, 1,725; wounded in action, $17,957. Total battle casualties, 23,216.

The next five divisions, in point of casualties, were: First, 22,320; Third, 15,401; Forty-second (National Guard) 14,683; Twenty-eighth (National Guard), 14,139; and Twenty-sixth (National Guard), 13,664. Of the National Army Divisions, the Seventy-seventh had the highest casualt rate, 10,194.

Waffle Tosser:—I say, my good man, why do you shovel your food into your mouth with your spoon?

Diner:—'Cause they won't let me use me bricklaying trowel without I can show a union card.—Chicago Phoenix.

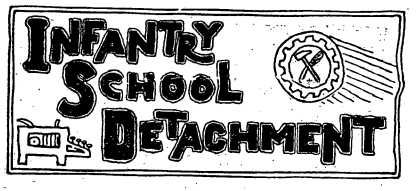
RALSTON HOTEL
J. F. Somers, Mgr.



Here we are again after an absence of several weeks. Our absence was due to the fact that everything was running so smoothly that there was nothing to write about.

"Spud Murphy" recently received a well earned promotion to the grade of Sergenatn. Spud says that he will not be too hard o nthe boys.

Second Lieutenant P. E. Yeomans, Cavalry, is attached to the Infantry School Detachment. We are indeed glad to have him with us.

It is with deep regret that we report the loss of Master Sergeant Don R. Gaston on July 1st. He is taking a 25 day leave prior to departure for China on July 27th, 1927. Sergeant Gaston has been in the Detachment several years and has made many friends in the Garrison as well as in Columbus who will regret his departure, but we all wish him success at his new station.

Some thirty men of the Detachment are now enjoying their well earned furloughs after a hard School Year.

Private Robert W. Braswell has been transferred to the Detachment for duty with the Protestant Chaplain.

Our ball team seems to be having some tough breaks but we are not discouraged and still have high hopes of winning the pennant. The team expects to journey to Tallassee, Alabama, on July 4th to play a double-header.

Privates 1st Class Garner and Singletary are being discharged today. They have expressed their intentions of reenlisting immediately.

Private Saloum has returned from a sixty-day furlough spent in Cleveland, Ohio and Detroit, Michigan. He expects a wonderful time, but says he is glad to be back.

All checks should be mailed to the Infantry School News, Fort Benning, Ga.

Entered as second class mail matter, April 12, 1924, at the post office at Fort Benning, Ga., under the act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in section 1103, act of October 3, 1917, authorized August 27, 1924.

THE PRESENT DAY COST OF ARMAMENTS

The London Economist gives some interesting figures covering the expenditures of the great powers of the world for military and naval armaments.

France is the greatest military nation of our time. Her "preparedness" expenditures, expressed in dollars at par rate of exchange, is greater than that of any other country and amounts to $1,207,000,000 a year. This is more than three times what France spent in 1913, but the percentage of the total national income expended on armaments has been reduced from 5.3 per cent. in 1913 to 3.7 per cent. in 1925.

Italy comes next with an expenditure of $931,000,000, or 4.1 per cent. of the national income. The United States ranks third in defense expenditures with $788,000,00, but is lower than any country in Europe with a rate of 1.3 per cent. of the national income. Great Britain ranks fourth with $583,000,000, or 3.1 per cent. of the national income.

In a comparative sense these figures are misleading so far as the United States and Great Britain are concerned. The American and British armies and navies are recruited on a voluntary basis. The pay of soldiers and sailers, therefore, must be high enough to tempt men from civilian occupations. France and Italy, on the other hand, have conscription. The pay of their soldiers and sailors is set at a merely nominal figures; the expense of maintaining their armies and navies, therefore, is much smaller than it would be under the American or British systems.

Of all the great powers, Germany alone, under the requirements of the Treaty of Versailles, is spending very much less on armaments than before the war. She spent $480,000,000 in 1913 and only $180,000,000 in 1926. For the latter year her defense expenditures amounted to 1.4 per cent. of the national income, a figure only slightly larger than that for the United States.—Cincinnati Times Star.

"Boy, this is sure a patriotic pen."
"How come?"
"It's gon dry, my boy, gone dry."—Aggrievator.

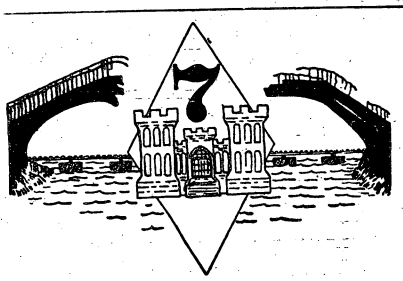
"What do you mean, your father sells waterproof milk?"
"It holds water."

Colonel James B. Gowen, Infantry, U. S. A.

COLONEL JAMES B. GOWEN GOES TO FORT HAYES, OHIO TO ASSUME NEW DUTIES

Colonel James B. Gowen, commanding officer of the Twenty-Ninth Infantry since June 16th, 1924, leaves Fort Benning on or about the 1st of July to assume his new duties as Chief of Staff of the Fifth Corps Area, under Major General Dennis E. Nolan, at Fort Hayes, in the City of Columbus, Ohio.

The Colonel's family will remain at Fort Benning for several weeks after the Colonel's departure for Fort Hayes.



The Engineers have their camp in shape and have begun work on the dam at Harps Pond. We can't talk very much just at present but will give a more detailed description later.

Will someone ask Cpl. Bevis how far it is to Harps Pond from camp? But perhaps his Pedometer was not working, what do you say Cpl.?

Several of our men have been detailed in the R. O. T. C. perhaps the R. O. T. C. students will learn what a real Pontonier soldier is.

Cpl. Richard Teal is due to be discharged in a couple of days by way of purchase. Cpl. Teal has been with the Engineers for over six years and he thinks the varied life of a traveling man is more suitable to his temperment than being one of Uncle Sam's Pontoniers. Cpl. Teal is a native of Griffin, Ga. We dislike the thought of his going but wish him all the luck possible.

Sgt. Dolphus Greenfield, our commendable motor Sgt., is due to leave on furlough July 1st. To refresh our memory, Sgt. Greenfield has lately embarked upon the 'troublesome' seas of matrimonty. Perhaps he thinks his "Better Half" won't make him stand reveille.

"Ye Scribe" almost fainted when he was served ice cream for two successive meals Sunday.

"We" killed a rattle snake the other day 6 ft. 8-in. long and weighed——— But we did kill an enormous rattler tho. Pfc. Newberry laments the fact that we did not keep it alive for him. He consoles himself by letting the hide repose on his bunk during the night. Which great writer says, "There is one born every minute"? We will explain this next time.

She (rapturously):—I want a strong man! A silent man! A man of grit!
He (disgustedly):—Yeh, you want a deaf and dumb ash man.—Grinell Malteaser.

"Lived here all your life?"
"Don't know, haven't died yet."—Mink.

THE CHALKY CHAMPAGNE

150th Machine Gun Battalion, Chalons France, July 14-18, 1918

Mid the scrubby trees of the old Champagne.
In hiden pits on the chalky plain,
Lay silent lads with nerves of steel,
Who did not seem to heed or feel,
The hour swiftly drawing nigh,
When blazzing streaks would tear the sky,
Awaiting there in the pits, alone
Lay machine guns squads of Wisconsin's own.
A shell screams through the black of night
And bursts a flash of dazzling light.
A signal; Then as rain from the sky
The air is filled with scream and sigh
Of shells which flash with the light of day.
In quest of their hiden human prey.
But as nerveless beings of steel and stone,
Lay the grim-faced youths of Wisconsin's own.
Five hours when not a foot of groound,
Is left unmarked by the hellish pound,
Of flying iron from bursting shells,
That churned the chalk to a blazing hell.
Tearing through dug-out roof and wall,
Enshrouding the dead in a ghostly pall.
And still in the hiden pits alone
Awaiting there lay Wisconsin's own.
As the dark of night lifts with the dawning day,
The close massed ranks of dirty grey,
Follow the lines of the bursting shells
And rush the trench with a frenzied yell.
Then from the shallows of nest and pits,
The hidden mouths of machine guns spit,
Into their faces with firey breath,
Their message of torture, pain and death.
The grey lines break in that sheet of red
Leaving the field strewn with maimed and dead.
Run as though men who have gone insane,
From the torturing crack of the seering flame.
Over the field they had marched "en masse",
They stagger and fall mid the steel and gas.
Shattered and bleeding, spent and done
They meet the fate of Atilla the Hun.
But lo, in machine gun pits there lay,
Lads with eyes blind to the light of day.
Their sols gone on to a higher plane,
Than the chalky fields of the old Champagne.
Grounding their arms in eternal rest,
Their names by state and nation blessed.
Their manhood awes, their curage thrills,
Immortal sons of Wisconsin's hills.

ARMY AIRMEN HOP TO HONOLULU

(Continued from page 1.)

7:09 A. M., June 28, and finished their trans-Pacific flight in 25 hours and 43 minutes.

Throughout the flight they were seen only once—by the steamer Sonoma, when 750 miles from the California coast. The huge plane landed on a rain soaked field and taxied the entire length of the field before it circled and came back to the reviewing stand where its arrival was awaited by the highest army, navy and civil authorities in the island.

BYRD—ARCTIC ACE FORCED BACK TO COAST AFTER REACHING PARIS

(Continued from page 1.)

Ver Sur Mer lies about 135 miles west of Paris, and about thirty miles south of Havre.

If Commander Byrd landed at Ver Sur Mer at 5:45 o'clock this morning, Paris time, he was in the air 43 hours 21 minutes from the time the America took off at Roosevelt field, N. Y., Wednesday morning.

"Repeat the words the defendant used," said the counsel for the plaintiff in the case of slander.

"I'd rather not," said the witness timidly. "They were hardly words to tell to a gentleman."

"I see," said counsel "then whisper them to the judge."—The Scream.

BIG BOOST FOR FORT BENNING BOXERS

CAPTAIN MABBUTT SEEKS CANDIDATES FOR FISTIANA AMONG BENNING BOYS

Local Talent Fortunate in Securing Services of Experienced Coach Who Has Handled Some Very Famous Fighters

Captain Charles J. Mabbutt is coaching the boxing team, at the Post gymnasium, with the intention of organizing an all Army team for the Olympic games, to be held in Holland, in 1928. He was Colonel Johnson's assistant at the Olympic games in Paris in 1924, and is now a member of the Olympic Boxing Committee. He managed and coached the boxing team which made the trip to Buenos Aires, for the Pan-American Boxing Championships, in 1926. At the Philadelphia Sesqui-Centennial Exposition, Captain Mabbutt had full charge of the Army boxing team which won 4 places against the Navy 3 and the Marines 1.

Captain Mabbutt has had a very wide experience in managing and training boxers, including several world champions. He is an athlete of wonderful record, having played football for 23 years and during that time he had "time out" called only once. He is an ardent lover of sports for their own sake and is carrying on the work in boxing in addition to his regular duties as Property Officer.

As Chairman of the Southeastern Association of Boxing the Captain is going to organize an all Army team to compete in the 1928 Olympic meet, in Holland. He will be glad for any men aspiring to fistic honors to come to the Post Gym. at 2 p. m., any afternoon. He wants any young men, ages 18 to 23, who are interested in boxing, the less experience the better. No rum hounds or habitual smokers need apply.

The builders of puglistic talent of Benning is very fortunate in having this opportunity of training under so able a coach and leader and we hope to have every man who would like to learn boxing, try out under Captain Mabbutt.

BOEING PURSUIT PLANE IS SPEEDY

In a rigorous test given it over the Camp Lewis Area the past week, a pursuit plane invented and manufactured by the Boeing Airplane company of Seattle did better than 180 miles an hour, to the satisfaction of those who witnessed the trial.

Army pursuit planes now used in the army haave a speed of a little better than 165 miles an hour. As a result of this successful test the new Boeing plane will be shipped to the army test field at Dayton, Ohio, where it will be given further and harder trials for speed by Army experts.

A bi-plane with a Packard twelve cylinder air motor, this latest development has a thirty-foot wing spread and weighs less than 3000 pounds. Planes of this type are used by the army for scouting and as scouts for slower moving larger planes in war time.

TAKING NO CHANCES

Mose and Sam had just cut a nice juicy watermelon. Being very courteous, Mose held both slices out to his companion, but to his surprise, Sam ignored good manners and chose the largest slice.

"Where is yo mannahs, niggah?" Mose asked indignantly. "Why, if you had offered dem to me, I would have took de smallest piece."

Whatcha gripin' about?" returned Sam with a satisfied air. "Dat's what you got, ain't it?"—Okla. Whirlwind.

FROM THE R. O. T. C CAMP

(By Sterling S. Tatum.)

Dear Rookies:

The Field Artillery Unit found another thrill i ntheir "Uncle" Samy Monday morning when they were escorted out some three or four miles to actually fire the guns they had been waiting for three long years to man.

They had previously gone through a strenuous three weeks drill to brush up a bit on what the Freshmen are supposed to learn. After this practice the officers in charge, at last placed their confidence in the boys and let them go to it.

Much excitement with a touch of "Gun Shyness" prevailed during the first few rounds. This soon disappeared through and we found out that the guns were friendly to all but the enemy.

The boys are now feeling at home on the guns and are showing good marksmanship. Many problems have been fired and shrapnel patterns around the targets prove that "Uncle Sam" has wisely invested a good portion of his "Jack."

Fires are prevailing over the range, due to shrapnel burst in the dry grass and and under brush. The range has been fired up daily so far, but the boys have proved themselves to be excellent fire fighters as well as cannoneers. It is a regular routine to fire the guns until 3:00 p. m., and then trek over the hills and swamps to amend their wrongs against fire prevention and forest protection.

The main attraction to the boys it seems is the arrival of the rolling kitchen at the noon hour. There's a mad dash, a line suddenly formed and said the rattle and din of mess kits and canteene the K. P.'s haven't a chance. It takes guns and ammunition to demoralize the enemy and target practice to develop an appetite.

If the "cinder box" still runs and Riley Cunningham is off of extra Kitchen Police duty, I'll let you in on what I know.

"Optimistically"
K. P. DUTY,
(Extra Observer.)

(By J. B. Beard.)

To the fox, the bay of the hound is a sound of fear and warning, to the lost child the approaching of darkness is a signal of danger, but to the boys in R. O. T. C. Camp there is nothing so dreadful as the bugle call every morning at five o'clock which means that every one must roll out of his bunk. The first part of the curriculs for each day is that of a setting up exercise which lasts for fifteen minutes. This limbers up the tired muscles, helps to awaken those who have spent the evening out and most of all sends all hurrying to the mess hall with a ravishing appetite which means complete distruction to the large dishes of eggs and toast that are setting on the table.

Before eight o'clock on the night of June 6th, two hundred and ninety-seven students had reported to Fort Benning, to get a touch of real army life for the six weeks which was to follow. Auburn, University of Alabama, and University of Tennessee, and Georgia Tech, are the four schools from which the R. O. T. C. Units are composed.

Auburn contributed the largest quota to the number enrolled by sending one hundred and seventy-one husky lads to learn a few points on playing the game of war. Of this number one hundred and twenty-seven are members of the Field Artillery Unit while the remaining forty-four compose the Engineer Unit.

The first week spent by the Artillery Unit was that of familiarizing the students with the equipment they were to use in their work during Camp. This consisted of laying and connecting telephone wires and the use and operating of telephone switchboards. The use of the instruments for figuring deflections for laying of the guns and quite a bit of time being devoted to the driving of tractors and to tractor drill. The tractors used are two and one-half and five ton tractors; they prove very efficient in the moving of the guns and ammunition and exemplify quite a bit of speed in doing this work.

During the second week one hour each day was devoted to sight seeing to the most interesting features of Fort Benning. The places visited were first the bakery where several of the boys found out that stolen sweets are costly by picking up pies that had just been removed from the ovens. With pockets and blouses bulging with cookies, the cooks had failed to watch, the rowdy boys next visited the ice plant, from there to the cold storage room where was witnessed thousands of pounds of "bull" they try to chew three times a day. The next place on the program was that of the laundry or our button depository. From there we adjourned to the machine shops where many interesting types of work was in progress. After one hour tour in the morning we would settle down to our regular work which grew more serious as the days pass by. At the beginning of the third week we started our real work out in the field as battery detail going into action. Here we experienced many of the obstacles which would confront us in war. These were overcome only by hard work and preservance.

The fourth week and up to the present time is given to the Artillerymen, their first view of what is the real work of their Unit. It is that of firing the French 75 mm. guns. This is the most serious and hardest part of our work, yet it is the most interesting most fascinating of all.

At Fort Benning the entire R. O. T. C. Unit is afforded almost every tune of recreation that could be obtained in an Army Camp. Several base ball diamonds, tennis courts, voile ball courts, a golf course, swimming pool, recreation room and the opportunity to serve on K. P. are the types of recreation open to the boys. Aside from this there has been an R. O. T. C. dance each Friday at the Infantry School gymnasium to keep the boys from forgetting how to look into the lovely eyes and talk to the fair maidens during these weeks. We have an R. O. T. C social committee headed by Douglas Copeland, of Auburn, and by 1st Lt. Chas. F. Jones, also of Auburn, as an official advisor.

With the drawing near of the fourth of July, every one is being extremely careful not to get caught breaking any rules because punishment far such is serving on K. P. or extra duty the FOURTH.

MEATING AT THE ALTAR

Padre:—Do you take this woman, for butter or for wurst?

Hardre:—Oh, liver alone. I never suasage nerve!—Virginia Reel.

The marriage had just been consummated. The high-powered young business man groom turned to the peacher. "Well, what do I owe you?"

"Ah—er—whatever you think it's worth."

"Good enough and a fair proposition. I'll give you fifteen per cent of her earnings for the next year, less her cost to me."—Pomona Sagehen.

GORMAN AND LOCH WIN FAST BOUTS

On Wednesday night a large crowd of fans witnessed the boxing and wrestling card at Fort Benning. The wrestling match which was the main feature of the program was somewhat of a disappointment, when Hamilton's arm was so badly injured that Captain Tolson, attending surgeon, refused to allow him to continue the match. Loch took the first fall in 5 minutes 9 1-2 secnds, pinning Hamilton with a double wrist lock and arm and head scissors.

In the main boxing bout Bud German of Fort Benning won easily over Bobby Waldon of Columbus. Gorman outclassed Waldon, hitting him at will and having him in distress at the last of the 8th round. Gorman will probably fight Conway of Fort Bragg in July for the welterweight championship of the 4th Corps Area.

Rufus Miles of Columbus stopped Cadenhead of the Medicos with a clean left to the button in the beginning of the fourth round of a scheduled 6 round bout. Miles was picked to win before the bout but the K. O. came as a surprise to everyone.

Grady Martin won the decision over Paccioni in a 6 round go, giving the Battling Wop a bad drubbing. Martin used a left jab with telling effect, having Patsy in a bad way in the last two rounds, although the Wop was still fighting.

Captain Mabbutt, trainer and coach of national reputation, officiated as referee in the wrestling match, while "Red Lindsay." 15th Tanks, was the third man in the boxing ring.

"Look here, Jack," the old girl said reproachfully, "you wouldn't marry me for my money, would you?"

"Not if there was any other way to get it," he said thoughtlessly.—Lehigh Burr.

She:—My friends all tell me that I'd make a good chrus girl.

He:—Impossible!—Texas Ranger.

"REDS" VS. "KELLYS" IN CRUCIAL CONTEST

BATTLING SECOND BATS MEET RED CHAMPS IN SATURDAY SET-TO

Week-End Contest Should Do Much to Decide Outcome of Pennant Race

The end of the past week found the Happy Hearts from the 24th Infantry leading in the Intra-Mural series, while the 2nd Bats. are in second place.

The Green Cords went down to third place when they dropped a desperately fought ten inning battle to the Reds Saturday evening.

Both teams fought hard to win, and the stands were in a (Hi Fever) during the whole game, as it was a toss up after the sixth inning which team would win, this was one of the deciding games of the first half of the serics, if the Green Cords had won the race would now have been a triple, tie, but when the Reds won, it puts them away out in front in the first half.

Both teams played great ball, although errors that came in the pinches were responsible for the Greenies defeat.

With Kelly hitting the old apple on the nose again the 2nd Bats., have hit their stride and are giving the Reds a battle for first place, in fact when these teams meet again it will be the deciding game for the first half, although the I. S. D. still has a chance if they can stop the Reds and Kellys in their next time around.

The Tankers fell before the Kels in Sunday's game, Lindsey being hit hard, while eight micues behind him did not help any, Mays a left hander who relieved Lindsey had the 2nd Bats guessing the four innings he worked, giving up three hits. Big Newman seems to get better every game, having fourteen strikouts to his credit Sunday, besides doing some mean stickwork to the opposing slabmen. "Red Reeder's" crew has started on a winning spree, after dropping their first two games, they trimmed the Blues last week and also won over the 83rd Field Artillery Sunday evening 11 to 5, the 1st Bats are hitting the ball now, and although their infield had an off day Sunday, the 1st Bats will be a long ways from the cellar at the finish.

The Artillery seems to be jinxed, the fellows have worked hard to build a team and it seems that Ole Man Jinx not satisfied with seeing them fighting to win with a team of new men, he comes along and cripples the best players at the most important positions, in Sunday's game Estridge at second base, and Jefferies at short were hardly able to get around due to injuries, but they stayed in and did their best, and although they lost they fought, and what more can any good soldier do?

KELLYS CONQUER 24TH BLUES 5-3

The Kellys won a close game from the Blues yesterday, 5 to 3. Stokes, a recent pitcher gave the 2nd Bats plenty of trouble, eleven batters going out by the air route during the game. Stokes lost his own game in the sixth inning. Hi Davis was safe on Seat's error at short, Kelly was hit by the pitcher, Newman laid one down and all hands were safe. Coper bunted to Stokes who fumbled and then threw wild, three runs resulting, Cooper going to third on the play, but the old ball game was over all but the shouting although the Blues tried hard in the seventh inning, getting to Roosma for three hits and scoring two runs.

Johnny Roosma, 2nd Bat pitcher, still carries a clean slate, not having lost a game he has pitched during the series.

HOWITZER HAMMER PONTONIERS FOR EASY VICTORY IN TWILIGHT LEAGUE

What has happened to the Engineers Baseball Team. Consistent contenders for first place throughout the season of 1926, they fought to the bittter end with the hard hitting Howitzer and Service Company and only conceded the cup to the Service Company after a bitter post-season struggle.

Yesterday they played the Howitzer again—and How. Echo does'nt answer. We imagine that Dutch Smythe is partly to blame. The whole team seems to have just a little of the old Smythe spirit.

The Engineers got the jump on the little gunners in the first frame but in the third stanza Long George Cameron (One time hope of the Doughboy Team), faltered and fell and at the end of the inning the score was three to one. Not so bad. The fourth inning was better—for the Bridgebuilders—no scores on either side. Them came the fatal fourth. Cy Perkins—who had relieved Long George in his moment of disaster—fell a victim to the Howitzer barrage and the lack of support from his team mates. Four more runs resulted and the score stood seven to one.

The next inning was even worse—technically speaking—although the Howitzer boys could only manage to garner three runs. The seventh—the sometimes Lucky Seventh—started with a couple of aspiring young pontoniers hitting the ball for screaming safeties. Brock, burly second sacker came in and registered a beautiful hit that rolled to the fence but Groves was out trying to reach home. The inning ended dismally—and with it the game—with the score ten to three.

Two more innings might have told a different story. Perkins was just getting down to business and when that boy starts working he is hard to stop. Furthermore the Howitzer were not putting out the same snappy play that they had during the first part of the game. Prosperity may have bothered them or their tremendous lead may have made them unwary. But—the game was for seven innings and that settled it.

What we started to say is—What is the matter with the Castle crew. We saw at least six players on the field who burned the league up last year but Wednesday they acted like so many "duds." Dispain and Mallory couldn't hold the ball and Brock couldn't let go of it. Cameron caught a screaming liner and then threw it to third with a runner frozen to the sack and foxy George Smythe too far off second to get back safely. Perkins held the Howitzer to scattered hits that scarcely passed the infield, but the infield juggled and muffed them while a really capable outfield watched the awful spectacle with wistful eyes.

The Engineers should be a better team. It seems a pity that the same crew that inspired Captain Colby last year to inaugurate the Class "B" League, should slump so dismally. The men are there and they have the goods. The Engineers manager should be able to make them deliver. The Twilight League serves a definite purpose in Fort Benning Athletics. It gives the smaller organizations a chance to exercise their baseball abilities. It is impossible for these smaller organizations to compete with the larger battalion teams. It is equally impossible for a satisfactory team to be organized from several units. They cannot work together like a one unit team can. Therefore the Class "B" League.

The League is now reduced to four teams. The loss of another team will make it impossible for the league to continue. We most sincerely hope that the old Engineer team can be reviewed. The men are there—last year the spirit was there—so Pontoniers it's up to you to get into the game and show us some of your old-time stuff.

DUFF TWIRLS GREAT GAME FOR GREEN CORDS, WINNING OVER 1st BATTALION 9-5

Playing in his twenty-ninth straight season of Army baseball, Sergt. Duff stood the 1st Bats on their respective heads Tuesday afternoon at Gowdy Field and but for an error at short and a couple of misjudged flies in the outfield, he would been credited with a shutout victory.

Ole Man McGaha started on the mound for the 1st Bats but has spitter was not working very well, the Greenies getting six hits and scoring five runs off him in three innings, Mays relieved McGaha and pitched good ball, but errors behind him proved costly, five errors being made at second base.

Duff was a puzzle to the 1st Bats mixing up his slow curves with a fast cross fire delivery that kept them guessing all the way.

Besides being credited with six strikeouts, Duff got one hit, and scored two of the Green Cords runs, being safe at first once on an infield error.

Pete Magagna the 1st Bats regular catcher was out of the line up Tuesday but we hope to see Pete back in harness and the 1st Bats on the winning side in their next game.

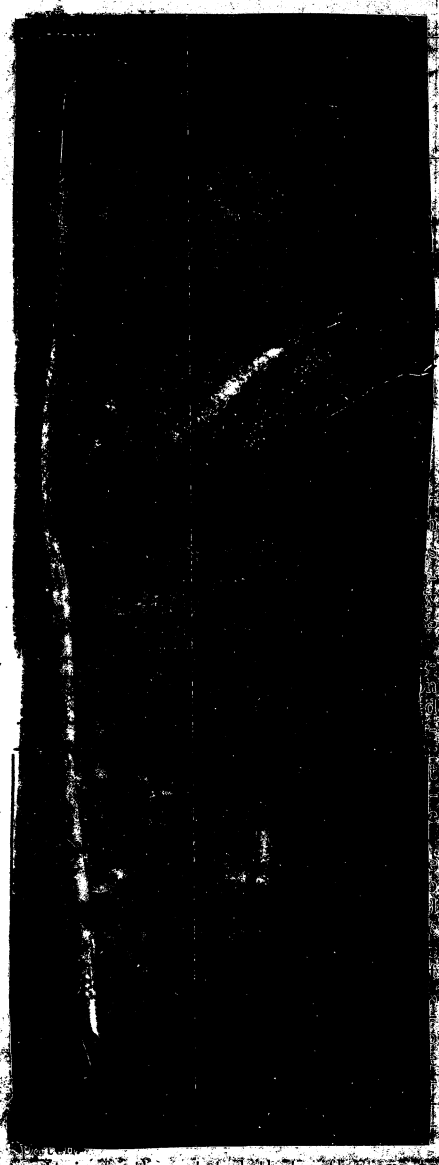
FORT BENNING, GA., FRIDAY, JULY 8, 1927 NUMBER 42

CAMP CLOSES NEXT WEEK

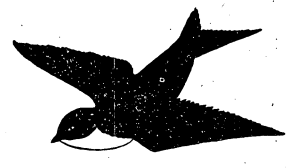


It is further stated that rifles are to be replaced by a new type of automatic one-man gun with cartridge drums like a machine gun, which will make it possible for units of a smaller size to deliver a spray of bullets and maintain a superiority of fire at present out of the question with war-strength battalions. The fire power of the new battalion would be ten times that of the present one.—Times Picayune.

THE "REGULARS" SPEAK TO THE R. O. T. C.

Company! 'Ten-shun! Call the Roll.—
Stalwart ranks that answer boldly;
Stern young faces, resolute,—
Burnished arms—that glitter coldly;
High, hot flame of eager youth—
Dampened not by peace-mad, prateing
Pacifists, whose luke-warm love
Harm our Country more than hating

Company! 'Ten-shun! Forward March.—
Steady lines that swing out bravely
Fresh young faces, eager-eyed—
Guidons bright, that flutter gaily
March!—March Onward, in the van
Hark not to apostatory,
Cringing 'pologists who'd sell
Our ancient birthrights and our glory.



Blackbird—

Wonders who the medical officer was who was going to Pensacola in the TC-5 at 3:00 o'clock A. M.

FORT'S FIRST SUMMER CAMP ENTERS FINAL PHASE MONDAY

Student Soldiers Have Responded Splendidly to Training Under Regular Army Personnel. Their Camp Has Been a Model of Military Neatness and Reflects Great Credit of Students and Instructors

The R. O. T. C. Summer Training Camp has been a decided success. The students have entered into all the phases of practical military training while their usual earnestness and have certainly derived full value from their experiences. The Artillery unit has had its baptism of fire—and powder-smoke, dust and sweat—and the students will return to their armory drills with a new conception of their duties.

The Engineers and Ordnance Units have tried out in practice the principles of Marksmanship taught them before in theory. And they have done splendidly. Some of their records in firing the Class "B" course are rather remarkable. The Engineers went through their protracted hike like veterans and profited imensely in Field Engineering. The Ordnance boys were very fortunate in having the local Ordnance men for instructors and have received practical instruction of incalcuable value.

The Signal Corps Unit—profiting by the splendid facilities of the Benning terrain—have worked out problems in practical field communication illustrative of the theoretical situations which they have studied in the past.

The boys have entered whole-heartedly

OFFICERS RESERVE CORPS REGULATIONS CHANGED IN NEW INSTRUCTIONS

Promotion by Certificate of Capacity Replaced by System of Credits for Work Performed

The Secretary of War has directed issuance of instructions for a number of changes in the administration of the Officers' Reserve Corps, exclusive of federally recognized National Guard officers. The effect of these changes will be as follows:

1. Whereas formerly promotion to fill vacancies was dependent upon a certificate of capacity, which was obtained only by conformity to a prescribed standard, the forthcoming regulations will permit substitution of 300 hours' work in the preceeding five years. Fifteen day's training will be counted as 100 hours of such work.

2. Time required in each grade prior to promotion will be as follows:

As a 2nd Lieutenant	3 years
As a 1st Lieutenant	4 years
As a Captain	5 years
As a Major	6 years
As a Lieut. Colonel	7 years
Total	25

3. For promotion above the grade of Major, in the cases of those who were not officers in the World War, qualifications must be shown either by graduation from the General Service Schools or by the passing of special examinations.

4. When vacancies exist and the Secretary of War authorizes promotion to the grade of Brigadier General in the Officers' Reserve Corps, selection will be limited to the eligible list of Colonels who have demonstrated their qualifications by examinations and practical tests.

5. Whereas in the past in some cases assignment to units has been made of officers living outside the grographical areas of such units, hereafter promotion will be made to such vacancies from officers within the unit area.

6. More responsibility for adminstration of the Officers' Reserve Corps will be placed upon Rerseve officers by provision for a board of Reserve officers, acting on an inactive status, in each Corps Area. These boards will advise on cases of separation and re-appointment of Reserve officers. and also will advise Corps Area Commanders with reference to other questions pertaining to the Organized Reserves and the Officers' Reserve Corps.

7. The Unassigned Section of the Officers' Reserve Corps will be discontinued. In lieu thereof, the privilege of assignment, and active duty training will be accorded only to those officers who, during the five-year period of an appointment, have obtained a certificate of capa-

(Continued on Page 5.)

29TH INF.

HQ. CO. 2ND BATTALION

Here we are back again with some news after an interval of a few weeks. This company has just finished firing on the rifle range in record style. Of the 65 men firing, we had 3 experts, 17 sharpshooters, and 40 marksmen. Only 5 failed to qualify, This makes a percentage of 93 per cent and an average score per man of 275, all of which we are very proud of as 26 of the 65 men firing were recruits having never fired a rifle before. Sgt. F. C. Davis was the high man in the company making a score of 311, this being his 12th year as an expert rifleman.

The 2nd Battalion sure showed the Reds some fast ball playing Saturday, July 1st and came on top. The wonderful support given the team from the grandstand was sure great and none other than the boys from the Gas Regiment should receive credit for this. They made noise of all kinds and we hope that they have saved a little of it for our next hot game with the Reds.

Starting Tuesday, July 5th, 18 men from this company go on the range to fire the pistol course and from all reports we are going to have 18 expert pistol shots. Now that we are back on the air again we will broadcast again next week at the same hour.

WILLIAM B. SMITH.

COMPANY "E"

Company "E" has high hopes of making high place in rifle marksmanship when the season is over.

The Automatic Riflemen qualified 100 per cent.

Our First Sergeant High Davis has been laid up with the other knee, in the hospital for several days and has just got marked duty again. Missed him in the 2nd-Batt-24th Infantry (Red) Ball game July 2, 1927, but his substitute came through very good. Cmpany "E" had four men in the game Saturday which won from the 24th Infantry Reds 8 to 7.

Sgt. Dalby and Corporal Taylor is looking very bad to day after their trip to West Point, Ga., too much chicken dinner.

ISAAC M. YARBROUGH.

COMPANY "F"

Yes Company "F" still has high man—Sgt. Kjelstrom has not been beaten as yet—his high score of 323 with the rifle still stands high, but we realize that the 1st Bn. has not shot yet.

1st Sgt. Reddy has returned from a well earned furlough—we are glad to have him back.

No one need come around this company telling about near-escapes—just look 'em over. A grand and glorious Fourth was had by all.

Cpl. Hicks is taking a three months rest—he says that he is Tennessee bound.

Pfc. Dorsey has returned from a three months furlough, he reports that the cotton crops will be good this year.

O. W. NELSON.

COMPANY "H"

The Rifle platoon has started it's range practice. The line-up of the men who are going to fire the rifle from this company this year have set their hearts to it. It seems to me that there will be quite a bit of competition among the men who fire. There is one man that will certainly qualify. Who? Shrimp Vincent, of course. How do I know that he will. He told me so, and that is final.

We are again turning our thoughts toward the ring. The question that puzzles us more than anything else about the Benning bouts, is "Why don't they get that walloping "Tony" DePratt matched with some good man and give the fans a chance to see some real good fighting? DePratt has never disappointed the fans, and it is a settled fact that he is still able to give fight.

Private George Davis is having a number of dreams lately. If our spiritual medium is working good, we may be able to get in touch with his thoughts some of these nights. When we do, if there is space in the News, it will be published over his name. Don't feel too bad abut it though if he seems to be a little up in the air for he has been rather deeply interested in *Parachettes* for the past month. He is making good, because you can see him talking real confidentially to Sgt. Cody. Now when Cody buys, it stands to reason that the product must be good.

Now that we have our "fo' bit" rations, all we need to cultivate that home atmosphere, is to get some good hme cooking and "Egg bread made of corn meal." It doesn't make much difference with "Country" Pyles—he "eats 'em like they lays."

BERNARD B. SWAYZE

A SOLDIER'S DREAM

I had played blackjack the night before, hadn't slept much, and to-day was very sleepy. The morning's work was done and I leaned forward on my desk and was soon asleep.

The time I slept was only a matter of minutes, yet if the things that passed through my mind in those minutes could be realized, it would be a matter of years.

It was sometime later, I don't know just how long, but anyway we were having a war with A Foreign Power and her allies. She had stirred up another brawl with Mexico and Nicaragua, and while our Pacific Fleet and most of our marines were fooling around down there, they had attacked the Philippines, split Creigidor wide open and before our fleet could get there had gained a foothold. And it was on Philippine soil that the war was being waged.

When I quit the Army before the war, I had immediately taken a job with the Pathe' News as cameraman. When the war broken out I was sent to the Philippines to get some official pictures, both or the news reels and for the War Department's files. When I asked the Commanding General the best place he had for me to get some real scenes, he pointed to a place on the map and said: "If it is action you want, right there. The 29th Infantry is in position there, and if action is to be had, it will be there." I wanted to ask him if it was the same old 29th I had served in at Fort Benning, but he seemed to be very busy. But I was soon to find out that it was indeed the same old Doughboy Demonstration Outfit that I had helped to chase millions of "reds" across the sand hills of southwest Georgia and over the Chattahoochee.

Next day I started for the place of action, and as I neared the front, saw a sign "29th Inafntry," and found Headquarters in an old grass hut. I was very much surprised to find Gustafson, Colonel, U. S. Army, in Command, with Lieutenant Colonel Shrimp Vincent as his Executive Officer. After talking a while with the Commanding Officer, and swapping a few lies with his executive, I started for the Front. But before I had gone ten steps, Colonel Vincent wanted to bet me fifty pesos that Walter Johnson was a left handed pitcher.

Finally, after being forced to take up the stagger formation through thick artillery fire, I reached the front where the 2nd Battalion was in position, commanded by Major Oliver Crabb, supported on the right flank by the 1st Platoon of Company "H," under 1st Lieutenant Shoemate. I went right up to where the boys were in position, laying a machine gun barrage on the enemy, keeping their heads down while our infantrymen advanced. And with the guns steadily hammering, I was able to ask the old boy a few questions.

He told me that most of the boys we knew back at Fort Benning, had either been killed off or promoted, and that only a few remained. Edward Ball had risen to the rank of major, but in the early days of the war had tried to hold a twelve inch shell down by sitting on it, and soon spruted wings. Corporal Causey had tried to show a bunch of Recruits how to charge a man with a bayonet, using a tree for the man. He had charged the tree with such force that when he missed the tree with his bayonet he had smashed into it and killed himself. Private Dyke had entered the Air Corps, and not being satisfied with the parachute, had invented him a sky hook, so that when something went wrong with the plane, he could reach up, hook his hook into the sky, and hang there until a plane came to his relief.

Over to our left I saw a sign "Cody's Novelty shop," over a little lean-to and under it was another "Eat Cody's Pies, jawbone." I went over, and from Cody learned that he was having a jolly time with the war. He told me that of the boys who were still with the outfit was "Country" Pyles, who was still a corporal, and in command of the 3rd squad. Leamon Carter had at last been made a Private First Class after years of bucking. Harkey, Meadows and Pieters were on the Ball team, excused from all batties. All they had to do was police up after the war, bury the dead, etc. Sergeant Paul Stephens had gone back to Jonesboro, Arkansas, raised a company of volunteers, and led them into war. He stopped a cluster of machine gun bullets one day, and his 2nd in Command, Lieutenant Swayze, of Yazoo, took over his duties, carried on in the same way, even to the point of stopping the 2nd burst of bullets from the same gun. Sergeant Crane, together with Corporals Duff and Lowe, had married in Columbus, and claimed exemption. But after a month of married life, Sergeant Crane decided that dodging rolling pins was worse than dodging shrapnel, so he had re-enlisted.

After we had talked of old times for awhile, and after sampling one of Cody's delicious cocanut pies, I heard a familiar voice call "get up heah," and looking arund saw "Blind" Ellis, driving a pair of mules to a spring wagon, hauling the ammunition.

The Infantrymen having gained their objective, 2nd Lieut. Frank Chilton, Esq., was planning to move the platoon forward (Lieutenant Shoemate had been killed while we looked n). The enemy was shelling us sharply now, and I was sitting up my camera to get some pictures of the barrage when a giant shell bursted in my face and all went black—bells were ringing.

I awoke to find that my shell had been a book of Army Regulations hurled at me by First Sergeant D. W., who was siting with both feet on his desk, and shouting; "Hey, you, answer that—telephone; the ink-well's coming next."

R. O. T. C. DANCE AT FORT BENNING

Quite a number of girls from Columbus attend the R. O. T. C. dances at Fort Benning, and one of the most enjoyable was that of Friday evening last. The boys in the college sets are also included in this hospitality and escort the girls to the fort.

Mrs. E. H. Simms is chaperone at the fort for these dances.

Among those of the high school and college set from Columbus, who were present for the dance on Friday last were:

Miss Eugenia Bridges, of Atlanta, Miss Joe Fisher, of Newnan, Miss Pauline Johnson, Miss Laura Waddell, Miss Vera Howard, Miss Dorothy Kilgore, Miss Majorie Cargill, Miss Elizabeth Fort, Miss Ethel Holden, Miss Evelyn Knight, Miss Minnie Laney, Miss Leonora Woodall, Miss Odetta Ferrandon, Miss Frances Levy, Miss Evelyn Trost, Miss Frances Dexter, Miss Ethel Woodruff, Miss Lucy Wingate, Miss Ella Neill, Miss Betty Chipley, Miss Leona Ferrandon, Miss Emma Kate Hyatt, Miss Grace Reid, Miss Ermine Trulock, Miss Frances Cozart, Mr. and Mrs. Henry Trost, Harold Lummus, Jack Crane, John Illges, Jr., Chas. Dudley, Jack Walton, Wm. Fambrough, ill Kline, Dimon Woodruff, Covington Riley, of Birmingham, Johnston Woodall, Porterfield Shepherd, Spencer Waddell, Bill Howard, Chas. Davis, Jimmy Carter.

DAUGHTERS OF MR. T. E. GOLDEN EXPECTED FOR VISIT TO OLD HOME

Major and Mrs. Robert J. Halpin, of Fort Sam Houston, Texas, near San Antonio, are expected the latter part of the month for a visit to her father, Mr. T. E. Golden, at his handsome home on upper Third avenue.

Mrs. Halpin will be pleasantly remembered as Miss Melissa Golden of Columbus.

Major Halpin was stationed at Ft. Benning prior to his marriage to Miss Melissa Golden, and since their return from China, where they were stationed on foreign service, they have spent part of each summer with her father, in Columbus. Major Halpin has recently been transferred to the general staff.

INTERESTING NEWS OF MR. AND MRS. A. M. WILSON, JR.

Lieut. and Mrs. A. M. Wilson, Jr., and children were expected the first of June for a visit to her parents, Mrs. Fred Clarke, in St. Elmo Place, but owing to the floods in Mississippi and Arkansas, they postponed their visit, and went to St. Louis, from which point they left for Fort Rice, N. Y., for a visit to Lieut. and Mrs. G. M. Badger.

Mrs. Wilson and Mrs. Badger are sisters. The former will be remembered as Miss Juliet Clarke, and the latter as Miss Laura Belle Clarke, of this city.

After a visit to Fort Rice, Lieut. and Mrs. Badger and children will go to Annapolis for a visit to her brother, Commander J. C. Clarke, who is an instructor in the United States Naval Academy.

From Annapolis the A. M. Wilson, Jr.'s will go to Pinehurst, near Macon, for a visit to his parents, thence to Columbus for a visit to her parents, Mr. and Mrs. Fred Clarke.

From Columbus Lieut. and Mrs. A. M. Wilson and children will go to their new station at Fort Sam Houston, Texas.

LIEUT. AND MRS. A. A. DOBAK OCCUPY QUARTERS AT FORT BENNING

Lieut. and Mrs. A. A. Dobak, who have been spending a fortnight at Esquiline with their grandmother, Mrs. L. C. Levy, since their return from their wedding journey to Atlantic Beach, have been assigned quarters at Fort Benning, having taken possession a few days ago.

The wedding of Miss Isabel Levy to Lieut. Alexander A. Dobak was a beautiful event of early June, taking place at "Esquiline," the ancestral home of the bride.

On next Friday night, the Fort Benning Provisional company of Scabbord and Blade, national honorary military fraternity, will sponsor the final grand military ball. This dance will be held in the garrison gymnasium and invitations will be sent out to the most select young ladies of the vicinity to attend.

* * *

Mr. and Mrs. Hugh Jordan, of Dallas, Texas, with their two sons, Hugh Jr., and Teddie, are also expected the latter part of July for their annual visit to her father, Mr. T. E. Golden.

Mrs. Jordan will be pleasantly remembered as Miss Warnie Golden, of this city.

* * *

Columbus friends of the Halpins and the Jordans are anticipating their visit with the keenest pleasure.

* * *

Columbus friends of Capt. and Mrs. J. W. Singleton, who have been making their home at Wilson's Dam, near Florence, Ala., will be interested to know that they have been transferred to Memphis, where they will be stationed with the United States Mississippi commission department.

* * *

For a number of years Capt. and Mrs. Singleton resided in Columbus, which they continue to call "home," and they, as well as their children, have many friends here.

* * *

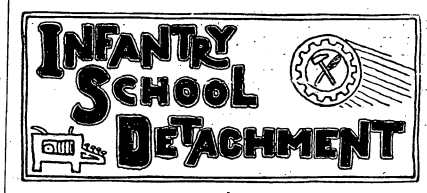
Friends of Mrs. Albert Greene (Francena Singleton) will be interested to know that she and Mr. Greene are making their home in St. Louis.

* * *

Mrs. T. H. Pratty (Clara Singleon), with her husband, is making her home in Mayfield, Ky.

* * *

Miss Helen Singleton, the youngest of these attractive daughters, will go to Memphis, where she will make her home with her parents.



The members of the I. S. D. are very proud of the excellent sportsmanship and fighting spirit, displayed by the Detachment ball team, on Wednesday last.

They fought well and gamely but were obligded to concede the game to the second Battalion the first they have lost this season. Grady Tolle pitched a good game, allowing only 6 hits and walking none. The weather was very bad, the game having to be stopped twice on account of heavy showers of rain. The ball team is eager to meet the second Bat. in the next game of the series, confident that they will duplicate their victory over them, as in the first game between the two the Green Hat Cord came off victorious.

NOTED MAGICIAN VISITS FORT BENNING, GA.

"PRINCE NOTAES MAJAHAR," the noted illusionist of East India, will offer a thirty minute entertainment at the Main Theatre, Saturday and Sunday nights, July 9, and 10.

"Prince Majahar's" nativity is India; he was educated in England and several other foreign countries and has traveled the world. He speaks seven different languages fluently. As a coversationalist one finds him most interesting and well informed; his occidental training combined with a thorough knowledge of East India's hidden mysteries makes him a most versitile entertainer. In addition to performing new and unusual tricks of magic, Prince Majahar will exercise his powers of occultism by answering questions submitted him by members of the audience—He does not see the writing on the papers submitted. It is believed that his engagement will prove amusing and keenly interesting.

FIRST SERGEANT JENNINGS SCORES HIGH MARK IN 24TH INFANTRY MARKSMANSHIP

The first group of the 24th Infantry in rifle marksmanship completed record firing on the Shelton range last week. Practically all organizations were well pleased with tthe results of the first group and as consequence are anticipating better results from the remaining groups. The second group will complete record firing today.

First Sergeant Julius Jennings, of Company "C" made the highest score with a total of 335 points. Sergeant Jennings has about twenty-five years of actual service to his credit and will retire within two years. He enlisted in the 24th Infantry on October 13, 1904 and served in that regiment until 1917 when he was detailed for duty in the Quartermaster Corps. He spent two years in France during the World War. After the war he continued with the Q. M. C. until 1923 when he was assigned to the 24th Infantry. He served with the doughboy outfit both in the Philippines and Mexico. He is one of the most popular men in the 24th Infantry.

Several other men in the first group who made high markers are as follows: 1st Sgt. George Larkins, Co. "L," 326; Corp. H. J. Haywood, Co. "E," 323; 1st Sgt. Osborn Bryson Co. "B," 316; Private James Fletcher, Co. "F," 316; and Sgt. H. Williams, Co. "K," 312.

Stu:—What is Jack so pleased about?

Dent:—Why, he's got an idea for an invention that will make him a millionaire.

Stu:—An idea worth millions?

Den:—A cake of flying soap for shower baths.—Virgina Reel.

R. O. T. C. NEWS NOTES

Record firing was completed this week by the Ordnance and Engineer Units, Fourty-one per cent. of the cadets qualified as marksmen, in rifle marksmanship course B.

J. H. Bryson senior from G. Tech. Made Expert with a score of 236 out of a possible 250. The following qualified as sharpshooters: G. M. Cole, G. Tech; O. F. Olson, G. Tech; D. C. Merrill University of Tenn.; T. H. Pierce from Auburn, S. R. Calhoun, University of Tenn., and H. R. Nichols from Auburn.

The Engineers Company is finishing the week with pistol firing on Simpson Range while the Ordnance Company is trying their hand at Field Artillery fire and control at Davis Hill.

The Artillery Unit finished their two weeks' range practice this week, all of the observation, control and firing of the pieces being handled by the students themselves, under the supervision of the Artillery Officer, instructors and personnel from the 83rd Battalion F. A.

Many problems have been capably fired by the students, much to the credit of their ability, interest and prior training.

Advertising rates: $1.00 per inch. We reserve the right to reject any advertising matter.

All checks should be mailed to the Infantry School News, Fort Benning, Ga.

Entered as second class mail matter, April 12, 1924, at the post office at Fort Benning, Ga., under the act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in section 1103, act of October 3, 1917, authorized August 27, 1924.

CAPTAIN WESLEY J. WHITE, REFEREE

"The best players like to know that the game is going to be played as it was intended to be played. If the rules are wrong, enforce them as they are written, and it will not take long to get them changed."

Such is the straight forward creed of Captain Wesley, J. White, chosen referee of the International Polo Matches, as quoted in July, POLO.

"Great referees of polo are so rare," says POLO, "it is small wonder that the little group of serious players trying for America's international team of 1924 looked somewhat askance at the young military man who came out of the West to officiate in the last series of matches with the challenging Britons."

America's greatest players comprised this group. Years of experience had taught them the intricacies of polo, and one may appreciate with some sympathy their suspicions of doubt as to the ability of this newcomer to command one of the most trying of polo posts.

"It didn't take Capt. Wesley J. White very long," observes POLO, "to prove his right to command. Quietly and simply, with authority but without show of force, he promptly proved that he knew polo, understood its rules, and meant to referee them impartially. Never having come in contact with the great players of the East before, not knowing internationalists from novices, he recognized no reputations. He didn't mean to recognize reputations. Polo was polo to him, players were simply players, and rules rules."

"When Capt. White carried the referees whistle, he called fouls as they were committed, without regard to the rank of the player committing them. As a result, play on Long Island fields became stricter and cleaner, there was a a noticeable improvement in play, and Capt. White won the respect and admiration of every man who played before him."

Needless to say, when the question of an umprie for the international matches of 1927 came up, the United States Polo Association turned at once to Capt White. The War Department was appealed to, and as a result Capt. White is to proceed East from Fort Sill, Oklahoma, on a leave of absence from the Army, some time after July 1.

Captain White's plans after going to New York will be largely in the hands of Mr. Louis E. Stoddard, chairman of the Polo Association. It is safe to assume, however, that he will officiate in practice matches for both American and British players before the international series begins.

As a boy, Capt. White was raised on the plains of Oklahoma and Texas. His earliest remembrance has him kicking a pony along after a steer, a much better introduction to the game of polo than might be supposed. Approaching manhood, he went into the Army, where his duties kept him close to the Mexican border for eleven of his sixteen years' service.

It was in the Army that Capt. White learned the rules of polo, and, he adds, "it was in the Army that I first realized that if the game of polo was to live, we had to abide by the rules."

Capt. White's polo career started in 1918, when, after the Armistice, he took up the sport as a member of several Army teams. During the season of 1923, he was a member of the successful Fort Bliss four, which won the junior and high-goal championships of the Pacific Coast and reached the final round of the California open tournament. He played the energetic No. 2 position, and was handicapped at two goals, a rating later raised to three, and this year to five goals.

In the spring of 1924, Capt. White was transferred to Hawaii, but was soon back in the United States as a member of the Hawaiian Division team, which played in Pacific Coast tournaments. A broken wrist forced him to withdraw from action before the tournament season was over, but his showing and that of his team was highly creditable nevertheless. Of five teams competing in a round-robin on the Coast, the team from Hawaii finished second to the Midwicks, with five games won and and three lost.

That accident cost the Hawaiian four a fine polo player, but it brought the United States an international umpire. Capt. White didn't lose his interest in polo then because he happened to be incapacitated. Instead he began to referee matches, making a keen study of the rules.

In the spring of 1924, he began to officiate in matches on the Pacific Coast and his work was of so high a character that he was recommended to the Polo Association as the foremost polo official in the country. The recommendation was so exceptional that he was invited East to direct play in the international trial matches. It need hardly be added that: "P. S.: He got the job."

Capt. White has had other important polo assignments in addition to that of handling the international matches. He refereed the National junior championship games at Rumson the year of the last international series, refereed the open championship contests that same year, and has officiated in other competitions since.

"Who was that peach I saw you with last night?"

"She wasn't a peach—she was a grapefruit."

"Why grapefruit?"

"I squeezed her and she hit me in the eye."—Frisco Magazine.

Senior:—What will it cost me to have my car fixed?

Garageman:—What's the matter with it?

Senior:—I don't know.

Garageman:—Fifty-two dollars and sixty cents.—Yale Record.

HIGH FINANCE

Bill Collector:—Where is your husband, madam?

Lady:—I'm a widow.

Next day he wrote it off as a bad debt.—Lehigh Burr.

THEATERS

JULY 8, TO JULY 15, INCL.

FRIDAY, JULY 8

"THE NIGHT BRIDE," starring Marie Prevost in a riotous bull's eye comedy smash. An expectant bride-to-be on her way to the marriage altar discovers her finance in the embrace of her own sister. Then, finding herself in the home of a bitter woman-hater, who mistakes her for a burglar; a new rosier romance enters her life. The story terminates with a surprising climax.

"Gimmie Strength."—Adams Comedy.

SATURDAY, JULY 9

"MAGICAN CONJOURER & HYNOTIST PRINCE NOTRAES MAJAHAR" East India's noted illusionist will render a thirty minute entertainment producing unusual tricks mystery and demonstrating his occult powers by answering questions submitted by members of the audience. He does not see the questions; he also offers a reward of $25.00 to any one who can, with chains and ropes, tie him, so that he cannot release himself.

"SILVER COMES THROUGH," starring Fred Thompson and his horse with a personality, "Silver King," in a vibrant romance centering around the race track. Love, pathos, vital action and drama intermingle in a beautifully told story of the west.

"Snookum's Playmate."—Century Comedy.

SUNDAY, JULY 10

PRINCE MAJAHAR will offer a complete change of program Sunday night.

"CONVOY," featuring Dorothy Mackaill with Lowell Sherman in a picture based on a short story by John Faunter Foote. It deals with the Navies' service in the World War. The sacrifice of a girl who risks the love of her finance to conduct an affair with a German spy. The great battle of the North Sea is depicted in this play. The unlimited resources of the navy were placed at the disposal of the producers for this film.

"Topics Of The Day No. 7."

"Pathe News."

MONDAY, JULY 11

"WHIRLWIND OF YOUTH," starring Lois Moran with Vera Voronina, Donald Keith and Alice Mills. It is the tender story of a girl, disillusioned in Paris by the consuming ferver of a great love which becomes shattered, then, reaches a happy conclusion against the World War's sweeping background.

"His Day Off."—Cameo Comedy.

TUESDAY, JULY 12

"VALLEY OF HELL," starring Francis McDonald with Edna Murphy in a story of romance and intrigue in the great west. It is filled with thrills.

"Return Of The Riddle Rider No. 1."

WEDNESDAY, JULY 13

"CORPORAL KATE," starring Vera Reynolds in a gripping human story of the woman's side of the World War. It is brimming with drama, tears, laughs, pathos and realism. It deals with the adventures of three girls who, as "buddies," entertain the troops on the French fighting front.

"Wise Crackers No. 1."

THURSDAY, JULY 14

"JIM THE CONQUERER," from the story by Peter B. Kyne, starring William Boyd with Elmor Fair. Jim started out by conquering a woman's heart, and ended by taming bad men of the western frontier. It was a long jump from Italy to Montana to settle with the man who killed his father, but Jim "got his man."

"Pathe News."

"LOVE'S GREATEST MISTAKE," featuring Evelyn Brent, William Powell, James Hall and Josephine Dunn in a story of New York's night life. Skyscrapers, bright lights of Broadway and a popular night club where the upper stratum of the underworld rub elbows with celebrities and sightseers form the background of this melodramatic romance.

"Hotsy Totsy."—Day Comedy.

BARRACKS BANTER

THE PRIMAL URGE

In aeons dark, of an ancient time,
On the shore of a sunless Sea;
Ere ever the spark of a Soul Sublime
Had leavened the Spawn of the murk and slime—
A creature longed to be free.

Then the Great All-Presence divided the need
Of this Creature that longed to be free,
And willed It wings that It might be freed
From the murk of the misty Sea.

Banished, the mists of that ancient time—
Still by the surging Sea—
Stirred by the spark of a Soul, Sublime—
Spawn of the Dust, that once was slime;
A creature longs to be free.

And The Great All-Presence, who knows the need
Of this Creature that longs to be free,
Has willed him the wings he may be freed
From the surge of the silent Sea.

FULL 18 HOLE GOLF COURSE COMPLETED

SECOND NINE HOLES COMPLETED ON POST GOLF COURSE

Colonel Warfield realizes long Cherished plan to provide full golf facilities for Fort Benning

The second nine holes of the Fort Benning golf course have been completed and members of the Club began playing on the new half of the course on July third. Considering that the new half of the course is brand new the condition of the greens is already astoundingly good.

The new addition to the course is over rolling ground and it extends from the vicinity of the Golf Club House in the direction of the new Hospital. The out nine which has been in use for the past eighteen months is considered one of the best in the South. A representative of THE SOUTHERN GOLFER who is considered an authority on golf course architecture has stated to Colonel A. B. Warfield that the greens on the Fort Benning course are the best that he had seen anywhere in the South. The out nine is over practically level ground but the majority of the holes are long and well bunkered.

The Fort Benning golf course was built from funds furnished by the Officers' Club and has cost approximately three thousand dollars. In addition to the funds from the Officer's Club nearly all of the organizations in the garrison have contributed with labor and machinery to complete the course. The Fort Benning Golf course as it stands today would represent an investment of about fifty thousand dollars, exclusive of the cost of land, in civil life.

To Lieutenant Colonel Augustus B. Warfield, the Infantry School Quartermaster goes most of the credit for the successful completion of such a good golf course at Fort Benning. Colonel Warfield's thorough study of golf course construction, extending over a period of several months and his untiring efforts and natural ingenuity have given to Benning a golf course of which we are all proud. Incoming officers may look forward with a great deal of pleasure to playing on this course.

BATTLING "BUD" GORMAN HOLDS BOBY SMITH TO DRAW IN FAST EIGHT ROUND BOUT 4TH JULY

"Bud" Gorman of the Infantry School Detachment, fought Bobby Smith one of the leading contenders for the welterweight belt of the 4th Corps Area, eight fast rounds to a draw at Ft. Oglethorpe the Fourth of July, the first four rounds found Smith with a slight lead, but Gorman came back and was forcing the fighting at the finish, the fight was pronounced the best fight of the card by every one, and a return match will be arranged as both boys are rearing to decide who is the best man.

Gorman will probably meet Conway of Ft. Bragg here some time in July if the bout can be arranged, and if they do, well you will certainly see plenty of action, for Conway is anxious to show the fight fans here that his poor showing against Tanks Granham here last winter was due to his not being in condition, while Gorman is confident that he can give Conway a very busy evening.

Anyway we want to see these two boys get together, for seeing is believing, Red Keenan is also looking for trouble, and he says that he will never be satisfied until he can get Benny Ragan in the squared circle, and get revenge for the fight he lost to Benny here after he had won practically every round, he was forced to quit in the eighth round when he had his left eye lid cut open, from coming in contact with Ragans head.

Battling J. D. heavyweight from the 24th Infantry would like to show his wares if any of the colored profs. care to take a chance, it will be remembered that J. D. stopped Spark Plug the Alabama Woof Cat in one minute, in his first appearance here and since then, (there ain't no more) or they can't be heard from.

MAYS HOLDS "REDS" HELPLESS IN ELEVEN INNING BATTLE

Mays certainly has upset the dope bucket. Holding the slugging "Reds" to scattered hits and allowing only 1 run. Vance who opposed him did some pitching himself allowing only four hits and striking out fifteen batters; but the 1st Battalion was not to be denied it was there moment in the sun and they certainly made the most of it.

It was Mays' wicked underhand curves that did it. In the first frame Billiter singled after Sheriff fanned and Reeder tripled after McCauley struck out. Billiter scored and that was all the counting done until the nine inning when Battles reached first on a fumble and stole second. Trammel singled scoring Battles and evened the score.

The tenth was scoreless. In the eleventh Sheriff was safe on an error and stole second. Reeder grounded to second scoring Sheriff. And that was all and enough. The "Reds" were helpless going out One, Two, Three, after McCrary made first on a fumble.

GREEN HATS JOURNEY TO OPELIKA FOR FOURTH OF JULY CONTEST

The Infantry School Detachment divided a double header with Opelika, Ala., Monday the 4th of July at Opelika.

The Soldiers took the first game 8 to 6, losing the second game 5 to 3, Newman had his batting eye with him in the first game getting four hits out of five trips to the plate. Shotgun White, was there with the willow getting two hits and scoring twice, besides playing a nifty game around the middle station.

The second game went to the Ole home town, 5 to 3, the I. S. D. batters not being able to solve Whitney's curves, while Morgan was touched for ten bingles. But anyway it was a great fourth and every one came home tired but happy.

CLIMBING "KELLYS" LEAD LEAGUE

CHAMPION REDS ROUTED IN HOT CONTEST LAST SATURDAY

Johnny Roosma Comes to Rescue While Teammates Touch Trammel for Timely Hits

Quite a few surprises happened in the past week of baseball in the Intra-Mural series, the Artillery handed out the biggest surprise of the week, when they shut the 24th Inafntry Blues out Saturday afternoon 1 t 0, the Cannoneers played real baseball and from the way they were handling the olehorsehide Saturday it looks like they will be heard from before the season is over.

The Red Legs also gave the Green Cords an awful scare Thursday afternoon the I. S. D. made sixteen runs in the first inning, enough runs to take the fight out of any team, but the Red Legs came right back and held them to three runs in the remaining eight innings, while they were collecting ten markers for themselves, it seems as if the Jinx that has been hovering over the Caisson Riders all season has been chased, and now we want to see the boys from the West Side do their stuff.

The 1st Bats continue to win their ball games although minus the services of their regular catcher, Gussman is filling in good behind the plate, and several Tankers found that he had a mighty mean peg down second way.

The Reeder Clan celebrated the 1st of July by taking the Tankers in tow, Mays pitched a good game, keeping the Tanks' hits well scattered, while the 1st Bats were showing over six runs to win 6 to 1.

The Tanks came back Sunday and walloped the Green Cords hard and heavy, Douglas pitching his first game for the I. S. D., found that it is lots easier to receive than it is to give as the Tankers hit every thing he offered them right back at him. Duff relieved Douglas in the third inning, but the Terrible Tankers were not to be denied, once they had got going the final score finding them on the big end of a 9 to 6 score.

The Second Bats won over the 24th Reds in Saturday's game, after nine innings of nerve racking baseball, this game was witnessed by a large majority of the personnel of the Post, it was one of the deciding games of the race in the first half, if the Reds won it was almost a cinch that they would win the first half, but when the Kellys came out winners, it puts the two teams in a tie for first place, Saturday's game was a battle worth seeing in anybody's park, Newman started for the 2nd Bats while Trammel made his first appearance on the mound this season for the Reds, both teams were in fine form and it was anybodys old ball game until the last batter was out, Newman was a trifle wild during the first of the game, Roosma relieving him in the latter part of the seventh inning and holding the hard hitting Reds helpless the rest of the way.

A record breaking crowd of fans were out for the game, and they were well rewarded, with one of the hottest affairs seen on Gowdy Field this season.

It looks now as if the first half is a toss up between the Kellys and Reds, although the other teams are still fighting it out for first division honors.

Box scores of the past week's games, are as follows:

TERRIBLE TANKERS SPIKE ARTILLERY'S GUNS TO WIN GAME 15 to 3

After making a nice start and holding the Tankers helpless for three innings, the Caisson Riders went up in the air and let the Tankers run away with Wednesday's game. Saddler started the trouble in the fourth inning, when he ran from center field over into left to get a fly ball that McAuliffe was all set for, but Saddler was watching the ball and ran into Mc causing him to drop the ball, which would have been an easy out, four runs being the result.

The Tankers were out after batting averages, every man on the team getting at least one safe bingle, while Rowan who twirled for the Tankers got three hits out of five trips up. Peroxide Lindsey smashed out two hits and was credited with one sacrifice. The Tankers are showing a better game of ball, and the second half will find them going good, if they keep up the brand of ball they have shown in their last two games.

KELLYS SHUT OUT ARTILLERY IN TUESDAY'S GAME SCORE 9 to 0

The Kelly's added another scalp to their belt Tuesday afternoon, defeating the Red Cords by a shut out 9 to 0. Barron pitched his first game for the Kellys and did a good job of it, Reed pitched a good game for the Artillery, but poor support was responsible for the one sided score. Fat Franz has finally found his batting eye, and we are pretty sure he will be numbered with 300 hitters next week, if he continues to pole them out. Kelly has boosted his batting average from zero to 333 in the past ten days, and Franz says he is out to show some of these hard hitting Bambinos who will lead the way the next time batting averages are exposed.

HOWITZER COMPANY STILL LEADING CLASS "B" RACE

The Howitzer Company, 29th Infantry is still leading the way in the class "B" league, with 4 games won and none lost, while the Service Company, 29th Infantry is a close second with one lost and three won, the Q. Emmers and the Engineers are fighting it out for third place each having won one and lost three.

The Q. Emmers swamped the Bridge builders in Wednesday's game 8 to 1, putting them in a tie for third position, but it is a long time yet, and probably next week may find a change in some of the present won and lost columns.

SCHEDULE BEGINNING JULY 9

July 9—Quartermaster Det. vs. How. Co., 29th Inf.

July 13—Quartermaster Det. vs. Service Co. 29th Inf.

July 16—Service Co. 29th Inf. vs. Co. "A" 7th Engineers.

All Class "B" games will start immediately after the Class "A" game is finished.

R. O. T. C. ENGINEERS BREAK RECORD

BENNING BUILDING BOOM PROMISES PERMANENCE IN LOCAL HOUSING

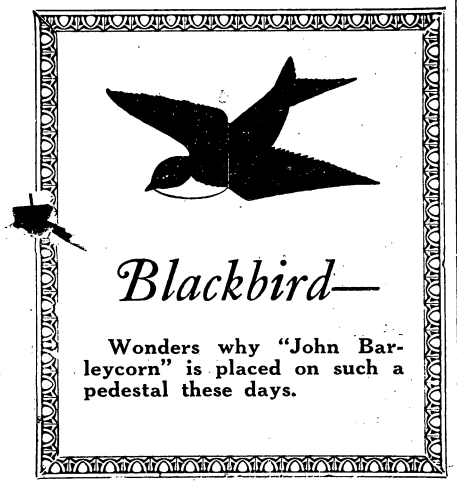
New Signal Office Nearly Completed. 29th Infantry Barracks Soon Be Ready For Occupancy

With the new Signal Corps building nearing completion and the Twenty-ninth Barracks swiftly altering the Benning skyline the old Fort is changing so rapidly that even the permanent personnel who are enjoying a well earned Academic leave will hardly know the place when they return next Fall.

The new Signal office is a distinct adornment to the local landscape. Of brick and stucco, it rises two stories and a half in the desolate area left by the removal of the old Southern Depot. It combines the advantages of a strictly up-to-date telephone exchange with the conveniences of permanent and suitable quarters for the Signal Corps personnel.

The New Barracks, which will soon be ready for occupancy, add immensely to the military appearance of the garrison and should result in an increased smartness in the appearance of the troops quartered in them.

The old Benning of tents and tumbled down barracks is practically a thing of the past. Our Theatre is certainly as good as any movie house in this part of Georgia and when the addition is completed and the stage in operation Benning's major theatrical needs will be amply cared for. The Golf course presents 18 holes of unalloyed pleasure for the average golfer. There should be some interesting play on the local links this winter.



BOBBY JONES LEADS FIELD

Atlantan Keeps Head and Sets Fast Pace. Final 36 Holes Today. Two Strokes Ahead of Hodson

ST. ANDREWS, July 14—Grim faced and bareheaded, Bobby Jones fought his way over the St. Andrews course today and because he wouldn't be licked he won his fight and scored 72 for his second round in defense of his title of open golf champion of Great Britain. With his sensational 68 of yesterday he stood with 140 as the leader of the field after 36 holes, with 36 to be played tomorrow.

Bobby lost his smile and his cap but he kept his head.

Scotland in all her centuries of sterling golfing deeds never witnessed a braver one-man battle than Bobby fought. Golf for the champion today was hard, grinding work.

SMITH AND BRONTE NEAR HAWAII

Plane Making Good Progress Despite Handicap of Heavy Fog

SAN FRANCISCO, July 14.—Computations based on the latest 7:15 P. M., bearings sent out by Ernest L. Smith and Emory B. Bronte on their flight from Oakland, Calif., to Honolulu, showed them to be 630 nautical, or 725 land miles from San Francisco. This position made the average speed of the plane 92 land miles an hour.

None of the radio stations here had heard from the plane since its 7:15 P. M., reports. Efforts were being made to communicate with the steamer Frank H. Buck, 800 miles out from San Francisco to ascertain weather conditions and ask her to make raido connections with the plane if possible.

Two of four pigeons carried by the plane were reported released at 3 P. M., to fly back to their San Francisco loft. They had not arrived at 10 P. M., but persons in charge of the loft declared it was possible the birds had reached land somewhere and, as is their habit, the pigeons would alight, rest for the night, and continue on to the loft in the morning.

FLYING THROUGH FOG

SAN FRANCISCO, July 14. — The Radio Corporation of America, at 6:14 o'clock tonight picked up a message from Smith and Bronte giving their position as latitude 35.08 north, longitude 130.46 west. "Still foggy, going fine," the message said.

POSITION IS GIVEN

SAN FRANCISCO, July -4.—The Federal Telegraph company at 7 o'clock tonight picked up a message from Smith and Bronte giving their position as follows: Latitude 34 degree 37 minutes north; longitude 132 degrees 11 minutes west. The radiogram stated only the flier's position, adding no details.

63 MILES AN HOUR

SAN FRANCISCO, July 14. — The Radio Corporation of America station here reported receipt of a bulletin from Smith's plane at 5.27 P. M., giving its position approximately 430 miles out from San Francisco. The message said fog still prevailed, otherwise everything was "fine."

ARMY POLO TEAM COMPLETE

The squad of United States Army players assembled at Mitchell Field, not far from the center of Long Island polo, is now complete. Capt. Peter P. Rodes is in charge of the group, which includes Capt. G. E. Huthsteiner, Capt. J. S. Tate, Capt. C. A. Wilkinson, Capt. C. H. Gerhardt and Lieut. G. C. Benson.

The Army players are making frequent appearances in polo matches outside Mitchell Field, first, because they are anxious for strong opposition, and second, because the field at the Army Polo Center is hardly fit for fast competition. Army players are entered in various Meadow Brook tournaments and are making careful preparations to defend the Junior Championship of the United States, which is to be played in Philadelphia this month.

Among the first practice matches played by the Army were these:

At Piping Rock, June 7:

ARMY, 13	MEAD. BROOK MAGS
Lt. G. C. Benson	Mr. Marshall Field
Capt. P. P. Rodes	Mr. W. A. Harriman
Capt. J. S. Tate	Mr. Devereux Milburn
Capt. G. E. Huthsteiner	Mr. W. G. Loew

Referee: Mr. J. C. Cooley.

At Roslyn, June 9:

EASTCOTT, 11	ARMY, 9
Mr. J. C. Cooley	Lt. G. C. Benson
Mr. E. A. S. Hopping	Capt. P. P. Rodes
Mr. E. W. Hopping	Capt. J. S. Tate
Mr. A. C. Schwartz	Capt. G. Huthsteiner

A point of interest about the Army play lay in the fact that the pony string assembled at Mitchell Field is one to be watched carefully. Most of them were fast and rugged.

ENGINEER CADETS CUT BRIDGE BUILDING TIME BY MANY MINUTES

Student Soldiers of the R. O. T. C. Swing Sturdy Ponton Bridge Across the Chattahoochee in 32 Minutes and 5 seconds;

On Friday morning the R. O. T. C., at Benning will hold ceremonies appropriate to closing a most successful summer camp. At 9 A. M., the Battalion will be marched to their parade grounds where they will form a square facing the stand.

Brig. Gen. Collins, Commandant of the Infantry School will give a brief address and present commissions, in the reserve, to eight of the students who have finished the R. O. T. C., training. Every student finishing the course will be awarded a certificate after which the badges won in rifle marksmanship will be presented. Finally the winners of the R. O. T. C. field meet, held on Saturday last, will be given prizes. This has been the first summer training camp to be held at Benning and has been one of the most successful.

The students have studied four branches of Army work, Artillery, Engineering, Ordnance and Signal Corps. On Wednesday the Engineer students and 40 Signal Corps formed a composite company for the purpose of building a pontoon bridge. This company under the supervision of their instructors, built a bridge across the Chattahoochee river in 32 minutes 5 secnds which beats any record as yet by a wide margin. The bridge was over 300 ft., long and built of heavy pontoons. It was put together perfectly and met all requirements. The bridge building was a part of the regular training for Engineer students and was so well carried out that all records for this type of bridge were broken.

In addition to being a part of the company which built the pontoon bridge the Signal Corps marched to Harps Pond where they stayed four days. While there they had, as a problem, to put out what is known as a divisional signal net, or a full set of communications for a war strength division in the field. This problem was carried out very efficiently and well.

The Artillery unit made a four day hike, under service conditions, with a battalion of motorized artillery. The first camp was made at Randalls Creek, on the Buena Vista road. Next camp was at Sulphur Springs and then at Harps pond, from there to Benning, covering 65 miles in all.

The Ordnance accompanied the Artillery, as a Mobile Ordnance Repair Section. They kept the tractors and motor equipment in good endition while on the march. This method enabled both Ordnance and Artillery to have Actual practice in field work.

LIEUT.-COL. WALLING ORDERED TO DUTY WITH ORGANIZED RESERVES AT TOLEDO, O.

The receipt of War Department orders sending Lieutenant Colonel Jason M. Walling to duty with the 83rd Division of the Organized Reserves causes a distinct loss to the Garrison. The active participation of Colonel and Mrs. Walling in the garrison life will be hard to replace. Their spirit of comaraderie and helpfulness will stay, but their place in the hearts of those remaining can not be filled.

During his tour of duty at this station Colonel Walling has been the Executive Officer of the 24th Infantry. In no small degree the improved condition of training, housing, and morale has been due to his efforts. One of his desires has been to augment the friendly relations existing between the 24th Infantry and colored civilian institutions in the South. Another has been his attempts to increase the esteem of the local population for the colored soldier. In these he has been singularly successful.

Lieutenant Colonel Jason M. Walling, Infantry, U. S. A.

The Fort Benning Dramatic Club owes a great deal of its success to the enthusiasm and consistent work of Colonel and Mrs. Walling. As one of the founders, Mrs. Walling helped form the neclus of those interested in dramatic art which has grown into the present splendid organization. As chairman of the play reading committee her engaging personality and dramatic knowledge have contributed materially to the club's many pleasing and creditable performances. During the past year the growth of this organization from a small group to its present large membership is due to persistent and unfailing efforts of the Colonel as publicity officer.

Colonel Walling's entrance into the service was as an enlisted man in the Hospital Corps on April 2, 1900. Early appreciating his merit he was placed in charge of the hospital at Carranglan, Nueva Ecija, Luzon, in June 1900. During his stewardship about 5000 natives were given emergency care and vaccinated, and in appreciation of his good work a street of the barrio was named after him.

With the reorganization of the Army in 1901, he was commissioned a second lieutenant of Infantry on February 2nd of that year. His first task was to take over the subsistence supply of troops on the islands of Cebu, Letye, Negros, Bohol and northern Mindanao. The latter item included the supply of General Baldwin's troops of the 27th Infantry in the fierce engagement at Bayan early in 1902.

Colonel Walling graduated from the School of Musketry, Presidio of Monterey in 1909, from the Army School of the Line, as Distinguished Graduate, in 1914, and from the Command and General Staff School in 1925 and following his graduation was placed upon the General Staff Eligible List.

He participated in the Pulajan Campaign in Leyte in 1906 and 1907, the Campaign against the Moros in Jolo in 1911, and in several other minor engagements in that province. In 1903 he was selected to go to Alaska for staff duty at Fort Davis (Nome). While there he occupied almost a score of staff positions among them officer in charge of the first wireless station ever established by the army between Fort Safety and Fort St. Michael.

Particularly interesting events in the Colonel's career occured when he was Superintendent of Subsistence Department Potato Farm at Camp Vicars in Mindanao from November 1909 to August 1911. This farm was an extensive experiment conducted by the Army to determine definitely whether or not it was feasible to raise potatoes in Mindanao for issue to troops. With the exception of a few enlisted men, all labor was performed by Moros. Horses, mules and carabao were used as draft animals. Seed was brought from Japan, Siberia, California, Colorado and Maine. Fertilizers of all kinds and all known expedients were used. As a result of this study it was definitely established that while potatoes could not be grown as a commercial venture, other plants such as peas and beans could.

From December 1918 to September 1923 Colonel Walling served in the Inspector Generals Department. In this capacity he was inspector in the 9th Corps Area for the states of Washington, Oregon, Idaho, Montana, and the territory of Alaska, and rendered exceptionally meritorious service to the Government. This was the period when the backwash of the war was cleared up and great versatility was required on the part of army officers of experience to distinguish between fraud and indifference or ignorance of correct procedure.

CO. "B" MOPS UP IN THE ANNUAL BATTALION SWIMMING MEET

Surprise of the Contest was Showing Made by "C" Company

By LT. CLYDE GRADY

At the annual inter-organization swimming meet of this battalion held at the garrison pool on Tuesday afternoon, Company "B" came out victorious with forty nine points to their credit out of a total of sixty-three awarded for the entire Unit. In other words the Mark Eighters made more than three times as many tallies as the three other organizations combined. They were warded first place in the 50 yd. breast stroke; 50 yd. back stroke; 50 yd. free style; 100 yd. free style; diving; 440 relay, and in fact they landed every first place, three seconds, and two third positions. The outstanding contestants of the Heavy Tankers were: Sanders, Pope, Lucas, Pope, Real, Gunter, Guidroz, Bryant, and Adams.

The performance of "C" Company was the surprise of the meet, and the audience was astonished at the rapid strides made in this company in organizing a team of aquatic performers who show that they possess qualities which make excellent swimmers. The future of this organization in forthcoming meets may be viewed with optisism. This company won second and third place in the 50 yd. breast stroke; second in 50 yd. back stroke; third in diving and second in the 440 relay. Men who deserve especial honorable mention in this event are: Hall, Mattson, Weatherford, Taylor, and Nourse. While the last named man (Nourse) did not land in first, second, or third place, yet he showed stamina and will power that does him credit, and for he goes the limit of every ounce of his strength. He is young, likes training, and was up gainst some of, yes the best men in Fort Benning.

While "B" Company walked away with this particular contest with ease, it shouldn't be discouraging to the other organizations for they have just as much potential ability as have the Mark Eighters, and all that is necessary is to bring it out, and train the men, and work them hard, just as does the Commanding officer of "B" Company. They work all the year. When the local pool is closed they load in trucks and go to Britton's pool in Alabama. In winter when the weather is quite chilly they drive the sixty-two miles to Warm Springs, Georgia and continue their training uninterupted. Hard work and consistant training is absolutely essential in any kind of athletic competition if the individual expects to attain victory.

24TH INFANTRY SWIMMING MEET

As a respite during the strenuous work of target practice, the 24th Infantry enjoyed itself with aquatic sports on the 6th at their delightful swimming pool located west of the regimental area. The affair consisted of a number of events requiring skill in swimming.

Participants were soldiers of the various companies causing keen rivalry among the organizations as to which one could secure the most points. The honor of winning first palce was obtained by Company "E" which secured 35 points. Second place fell to Company "K" with 30 points and third to Company "G" with 15.

The various events and the winners of the same were as follow:

50 Yard Breast Stroke:
1st place:—Pvt. Jesse Johnson, Co. "E" Time 43 seconds.
2nd place:—Sgt. A. P. Jackson, Co. D.
3rd place:—Pvt. Charlie Tellis, Co. B.

200 Yard Free Style:
1st place:—Pfc. James Bolds, Co. "G" Time 3 minutes 3 seconds.
2nd place:—Pvt. Benny Perry, Co. "F."
3rd place:—Pfc. Lawrence Tillis, Co. "K."

25 Yard Cigarette Race:
1st place:—Pvt. Jesse Johnson, Co. "E" Time 15 2-5 seconds.
2nd place:—Pfc. Harold Tholmer, Co. "G."
3rd place:—Sgt. Harrison Hogan, Co. "E."

50 Yard Back Stroke:
1st place:—Pvt. Alonzo Strong, Co. "E" Time 38 seconds.
2nd place:—Pvt. Roosevelt Johnson, Co. "A."
3rd place:—Pfc. O. T. Thibodeaux. Co. "G."

Plunge for Distance:
1st place:—Pvt. Allen Johnson, Co. "K" 36 ft. 5 inches.
2nd place:—Pfc. James A. Heard, Co. "G."
3rd place:—Pvt. Benny Perry, Co. "F."

75 Yard Free Style:
1st place:—Corp. Benjamin Adams, Co. "K" Time 51 seconds.
2nd place:—Pvt. Alonzo Strong, Co. "E."
3rd place:—Pvt. Ben E. Fields, Co. "F."

50 Yard Rescue Swim:
1st place:—Pvt. C. P. Milton, Co. "I" Time 1 minute 2-5 seconds.
2nd place:—Pvt. Sandy Billingslea Co. "K."

50 Yard Free Style:
1st place:—Pvt. Jesse Johnson, Co. "E" Time 29 1-5 seconds.
2nd place:—Pvt. Allen Johnson, Co. "K."
3rd place:—Pvt. Robert Palmer, Co. "F."

25 Yard Equipment Race:
1st place:—Pvt. Benny Perry, Co. "F" Time 1 minute.
2nd place:—Sgt. Harrison Hogan, Co. "E."
3rd place:—Pvt. C. B. Taylor, Co. "K."

200 Yard Relay Race:
1st place:—Company "K" Time 2 minutes 27 seconds.
2nd place:—Company "E."
3rd place:—Company "G."

R. O. T. C. DANCE AT FORT BENNING

Last Friday night's R. O. T. C. dance in the Fort Benning gymnasium was one of the prettiest staged by the collegians so far. It was intended as the farewell party but these dances have become so popular that it is felt another one at the close of the students last week here would be a great success. Mrs. Simmes, official hostess for the R. O. T. C., stated that Friday's dance was one of prettiest she had seen. The youths from all over Dixie have become thoroughly acquainted with Fort Benning and Columbus both officially and socially and will take away many pleasant memories with them. The usual and proper shyness marked the first R. O. T. C. party given. Everything was strange to all concerned. Special buses with chaperones were provided to transport the young ladies out from Columbus but better liason was soon established and special buses were no longer necessary. The young ladies were finding their way to parties in every increasing numbers, either in student owned or student directed private transportation.

Friday's dance was staged under the auspices of the Fort Benning provisional company of Scabbord and Blade, a national honorary military fraternity. They decorated the big hall with many allied and American flags. The officers of the Fort Benning provisional company of Scabbord and Blade are: W. M. Burns, Auburn, Dothan, Ala., captain; B. T. Sankey, Auburn, Nauvoo, Ala., first lieutenant; Henry Moore, Georgia Tech, Atlanta, second lieutenant; and B. M. Gallaher, Tennessee, Johnson City, Tenn., first sergeant.

Mrs. A. B. Warfield, of Fort Benning, and Mrs. Simmes, of Columbus, chaperoned the party.

The music for dancing was furnished by Shepherd's orchestra, of Columbus.

* * *

BUFFETT SUPPER AT COUNTRYSIDE

In honor of their son and daughter, Capt. and Mrs. George Read, Mr. and Mrs. Homer Dimon were hosts at a delightful buffet supper last evening, entertaining at their home, "Countryside" on the Steam Mill road.

The supper was served, in the spacious dining room, and the guests took their plates outside of the spacious lawn, where tables and chairs were arranged.

There were about eighty friends included in this hospitality, and among the guests were many visitors.

* * *

Lieut, and Mrs. A. M. Wilson, Jr., who are visiting his parents in Pinehurst, Ga., are expected the latter part of the month for a visit to her parents, Mr. and Mrs. Fred Clark, in St. Elmo Place.

Prior to her marriage Mrs. Wilson was Miss Juliet Clark, of this city.

FOR MRS. GEORGE READ AND MRS. WINNEFRED CRAWFORD

As a special courtesy to Mrs. George Read (Nell Dimon) and Mrs. Winnefred Crawford, Mrs. Rhodes Browne and her daughter, Mrs. Majorie Browne Strother, were joint hostesses at a delightful tea this afternoon, entertaining at the Log Cabin.

The affair was most informal, and the invitation list was confined to a group of intimate friends of the honorees.

* * *

Mrs. Robert J. Halpin, of Fort Sam Houston, formerly Miss Melissa Golden, of this city, will arrive the latter part of the week for a visit to her father, Mr. T. E. Golden, on upper Third avenue.

She will be accompanied by her young nephew, Hugh Jordan, Jr., of Dallas, Texas.

* * *

Mr. and Mrs. Gurney Smith have returned from a delightful trip to New York City.

En route home they spent a while at camp Meade, Md., for a visit to their son and daughter, Lt. and Mrs. Blakeney.

Mrs. Blakeney was Miss Bessie Mary Smith, of this city prior to her marriage.

* * *

Lt. and Mrs. Blakeney are stationed with the tank corps at Camp Meade.

29TH INF.

REGIMENTAL HQ. COMPANY

Our 1st Sergeant has departed on a ninety day furlough, his intentions are to visit his people in Detroit, Mich., but that's only his intentions.

Our erstwhile enemy, the Hon. Andy Gump, Mess Sgt. has discovered a new recipe for pudding, known as Listerine Pudding. The scribe has not been so unfortunate as to have eaten any of it, but from the shouts and yells that were issuing out of the Kitchen the day it was discovered, he feels very lucky. Egad—

It is rumored that Sgt. Mouring created quite a sensation at the Swimming Pool the other day, by displaying his manly form and charms before quite a notable gathering. He also discovered how to do the Loop-the-Loop, Side-slip, Immelman turn and the Tail Spin with a Chevrolet. Fooey, what brains.

Cpl. Clark was reported, or rather seen walking from the bridge last night, What was wrong, Glory? Out of Gas.

Sgt. O'Neil went to the Sup. Sgt. to get a helmet for his cat, to keep the bricks from falling on his head or bean. Why not get a dish pan from Woolsworths, Bucky?

H-r-r-rumph, Ah, dear readers, the latest out. Lindbergh, Bryd, Chamberlain and Maiteland have nothing on the Cocky-Ex-Marine, Cpl. Devoice who told some farmers that he went up in the TC-5, took a drink out of the Big Dipper, polished up the North Star, took the fur off the Little-Bear and drank up all the milk in the Milky-Way, and made a safe landing back to Mother Earth. How about a snort, Bull? and maybe I'll discover the big Green Diamond that Capt. J. Dixon is looking for over in Alabama.

We are very sorry to terminate this, but part of the syndicate has gone to the city, and as its the part which has all the brains, it is quite impossible to continue.

—Hoope & Gump.

HQ. CO. 2ND BN.

This Company has finished firing the last range of the season in good style. Of the 19 men and 1 officer firing the pistol, 2 qualified as sharpshooters, and 16 as marksmen. Only 1 man failed to make the required 60 per cent. Sgt. Biggerstaff our worthy 1st Sgt. made the highest percentage, missing expert by only 3 per cent.

July 15th will see a good number of men from this Company on special duty, at various places over the post, relieving men who are to fire on the rifle range.

Corporal Harrell who has been with us for two years, has just been discharged via the purchases route, and we wish him good luck in his civilian life.

Pfc. Cook has also bought out and was discharged this week. Cook has not found enough time in the army to work on the invention of his which he says is going to revolutionize the motive power industry of the universe. Good luck Cook we hope you make it.

Four more recruits have been added to the Co. in the past week, Pvts. Stilley, Richardson, Carter and Duncan, bringing our total up to the required 76 men.

WM. B. SMITH.

COMPANY "H"

Private Butler and Private Coffey have been appointed Private First Class. Private Specialist Sixth Class Sam Schechowitz was promoted to Private First Class. Private First Class John W. Dyke was rated Specialist Sixth Class. Butler was also rated Specialist Sixth Class. These men are all well deserving men, and the whole Company join in with me in extending their compliments to these men, for nothing is better to see than to see a man get that which he deserves.

"First Sergeant" *Private First* Luther Easterling seems to be having a good time down Columbus way. We also hear that some of the members of the fairer sex are trying to get too familiar with him by addressing him by his first name and leaving off the *Sergeant* part.

The range season is almost here. It is a popular belief in the company that we will turn out with some high scores this year. We intend to make up for the bad scores that were made last year, and if possible, to make some scores that are worth boasting of.

Private First Class Rex Graham has returned from a furlough to his home and other points. It is understood that while on furlough, he attended a business College. We know that he made good, for anything that Rex goes after, he usually gets.

We are looking forward to Private Davis' next Dream with no little interest. "Blind" Ellis says that he is promoted from "Mule" Skinner by that time.

BERNARD B. SWAYZE.

COMPANY "F"

The Skirmish Run has been run as it was never run before—Ask Sgt. Singletary.

The pistol shots are doing their stuff with more or less Success.

Is Skates having the time of his life? Yes he has gained 24½-pounds. He has got a job that agrees with him as nothing else could do. Plenty to eat and little work. Sure we would like your job.

This company has received it share of the Rookies—We welcome you all and know that you will be stanch upholders of this organization's fine company spirit and reputation.

FINE WORK BEING DONE BY THE COLUMBUS NURSE ASSOCIATION

Any method that is employed to lengthen human life, be it scientific or otherwise is indeed a benevolent work. Regarding the work of the Columbus Public Health Nurse Association the Columbus Enquirer-Sun has this to say editorially:

Immunization clinics for the prevention of typhoid fever, smallpox and diphtheria are being conducted in Columbus by the Public Health Nurse Association, which organization recently made public the following statement:

Lengthening of human life has been accomplished. Prof. Irving Fisher tells us that in the first quarter of the twentieth century, the United States, England and Germany show the amazing pace of lengthening human life to be forty years per century.

This has been accomplished by preventing disease. Immunization clinics are held each week day for the prevention of typhoid fever, smallpox and diphtheria at the office of the Public Health Nurse Association in the George Home building at 1 o'clock p. m., and Saturdays from 1 to 4 p. m.

Typhoid fever has already made its appearance in our city—some deaths has been the result—deaths that might have been prevented; much suffering might have been avoided, as well as the great unnecessary economic loss to the industry and family.

Immunization is free to those unable to pay the ten cents which is a charge made to cover the cost of sterilization material.

The colored clinics for immunization will be held at the following dates and places for the next three weeks: Friday, at 4 p. m., Fifth avenue and Seventh streets. Colored Health Center. Tuesday at 4 p. m. East Highlands Colored School, 13th avenue and Twenty-fourth street.

Immunization for typhoid fever or diphtheria consists of three doses of vaccine given one week apart for three consecutive weeks.

The Public Health Nurse Association is offering a valuable service to the people of Columbus and they ought to take advantage of it. Every precaution against disease should be taken and there should be no delay.

THE MODERN QUARTERMASTER

I am a perfect pattern of a modern Quartermaster.
I've inside information how to test all paint and plaster;
I know all breeds of onions and each make of good magneto,
With recipes to kill the bad Anopheles mosquito.

I'm very well acquainted, too, with matters crematorial,
I understand all forms of bricks, and processes sartorial,
About dry rot in timber I am teeming with a lot of dope,
With many peppy facts about six different kinds facts of harness soap.

I'm very good identifying anilinedyed parlor rugs,
I know the natural habits of the cinch and sev'ral other bugs.
In short, regarding everything from alloy steel to plaster,
I am the perfect pattern of a modern Quartermaster.

I konw how special orders should be phrased in Igorrot,
Can pow-wows warts from donkeys and control a motor boat;
I know just how much bunting goes in each Star Spangled Banner,
Can wipe a dandy plumber's joint and teach the grand planner,

And I have learned shoemakeing and the way to test merino,
As well as how much pork to feed each Yank and Filipino.
I know the different forms of piles for oats and logs and O. D.-pants,
With data that intrigues on loads for lorries, dogs and ele-phants.

I'm excellent repairing tires and writing ads and cutting peats
And buying tacks and washing shirts and laying asphalt in the streets.
In short, to give a service that's more accurate and faster,
I am the perfect patern of a modern Quartermaster.

By Captain Douglas R. Hobart,
Q. M.-Res.

THE JOY OF BEING THE EDITOR

Getting out this paper is no picnic,
If we print jokes people say we are silly;
If we don't they say we are to serious,
If we clip things from other papers
We are too lazy to write them ourselves,
If we don't we are stuck on our own stuff.
If we stick close to the job all day,
We ought to be out hunting up news,
If we do go out and try to hustle,
We ought to be on the job in the office,
If we don't print contributions
We don't appreciate true genius;
And if we do print them, the paper is filled with junk.
If we make a change in the other fellow's write up, we are too critical,
If we don't we are asleep.
Now like as not some guy will say,
We swiped this from some magazine.
WE DID—Exchange.

A KEY HOLE ROMANCE

One of the local hotels caught on fire, and in the newspaper description of it, we found the following statement of it: "Miss Zelle, who was taking a bath when the fire started, was saved by the watchfulness of the porter and the shine-boy."—Puppet.

I rose and gave her my seat;
I could not let her stand—
She made me think of mother, with
That strap held in her hand.

Half—What makes you think that my head is made of cork?

Pint—It always seems at the mouth of a bottle.—Pennsylvania Punch Bowl.

THEATERS

JULY 15, TO JULY 22, INCL.

FRIDAY JULY 15

"LOVE'S GREATEST MISTAKE," featuring Evelyn Brent, William Powell, James Hall and Josephine Dunn in a story of New York's night life. Sky-scrappers, bright lights of Broadway and a popular night club where the upper stratum of the underworld rub elbows with celebrities and sightseers form the background of this melodramatic romance..

"Hotsy Totsy."—Day Comedy.

SATURDAY, JULY 16

"THE TERROR OF BAR X," starring Bob Custer in a breathless tale of hard riding, two fisted, gun toting cowboy, who fought against tremendous odds to win life and safety fo rthe girl he loved.

"What'll You Have.—Century Comedy.

SUNDAY, JULY 17

"THE UNKNOWN," starring Lon Chaney who plays the part of a sinster armless side show freak. It is a strange mystery melodrama with a circus as its background. Chaney throws knives with his feet and performs other marvels while secretly ruling a strange underworld in this gripping story. The film is considered remarkable for its photographic celverness as well as the acting of its cast.

"Bull's Eye."—Sport Comedy.
"Pathe News."

MONDAY, JULY 18

"DOWN THE STRETCH," featuring Marion Nixon with Robert Agnew and Otis Harlan in a race track story by Gerald Beaumont. It depicts, to a remarkable degree, the part of the race meet which the fan in the stand, or paddock seldom sees, the trials, troubles and pleasures of that motely mob that makes up jockeys, trainers, handlers and mere hangers on, the sport of kings. Thrills comedy and intrigue accentuate this picture of fast moving events.

"Ring Up The Curtain."—Lloyd Comedy.

TUESDAY, JULY 19

"NEW YORK," starring Recardo Cortez with Lois Wilson in an absorbing melodrama portarying the spirt, looks, activities, habits, custms and varied peoples of this great metropolis. It is the story of an east side trap drummer who comes in contact with a society miss. They were about to marry when his former sweetheart, a Bowery beauty is murdered in his apartment, Circumstacial evidence is converted after the jury convicts him, when his best friend discovers the real killer. A stirring climax results.

"Return of the Riddle Rider No. 2."

WEDNESDAY, JULY 20

"TILLIE THE TOILER," starring Marion Davies in a new hit based upon the Rus Westover Newspaper Cartoon feature. Tillie is fond of Mack, but tells him that she must marry a wealthy man; she sets her snares, Mack aids her and the mix up begins. Farce and pathos intermingle most pleasantly in this pleasing story.

"Wise Crackers No. 2."

THURSDAY, JULY 21

"SOMEWHERE IN SONORA," featuring Ken Maynard with Kathleen Collins, in an adaption of the novel by Will Livingston Comfort. It is a stirring story staged in Mexico and Arizona. The unusual feature of it is the fact that the Mexican becomes the hero.

"Pathe News."

FRIDAY, JULY 22

"ROLLED STOCKINGS," featuring James Hall with Louise Brooks. It is a rollicking tale of "Rolled Stockings" and short skirts, centering around two brothers, students at college, who fall for the same girl. It possesses pep, thrills and love interest. This picture is credited with being a very pleasing comedy.

"Sea Scamps."—Juvenile.

BARRACKS BANTER

"MOWER" TRUTH THAN POETRY

During the summer months at Fort Benning, all duty will be suspended in the afternoon except the necessary "gardening" and fatigue.——"

* * *

"Good-Night!"—Mr. Wodall has referred to Fort Benning as a post.—Might we call your matutinal attention, Mr. Woodall, to the School Quartermaster—among other pertinent and indicatory "straws."

* * *

"What makes the buglers blow so sad?"
Said Files-On-Parade.
"They're feelin' bad—they're feelin' bad."
The Color Sergeant said.
"What makes the Reds all look so Blue?"
Said Files-On-Parade.
"Mays struck them out—Mays struck them out."
The Color Sergeant said.
"And they're huntin' grave-yard rabbits' feet this mornin'."

* * *

An Eastern college professor says that married men are smarter than single men: In some ways the professor is right; but experience is a mighty dear teacher.

* * *

Anyway the Army aviators are proving that they are first-class Flight-ing Men.

* * *

Mr. Levine has certainly got a lot of nerve discarding one Ace in hopes of drawing another.

TALENTED MUSICIAN JOINS MAIN THEATRE ORCHESTRA

Thomas Metzgar, flutest and picolo soloist has become a permanent member of the Main Theatre Orchestra. He states that Jazz drove him into the Army—the flute and picolo have no place in in the orchestra, they are instruments of melody, not noise.

Mr. Metzgar has been a professional musician for eithteen years and has played in numerous high class musical organizations, among which are The Milwaukee Symphony Orchestra where he remained three seasons; The Buffalo Symphony Orchestra, and most recently, Radio station WREO, where his melodious notes penetrated the four winds to distant parts of the globe.

He was born in the Tyrolican Alps of Austria, where the inhabitants live in the throes of music; started the study of music at the age of twelve, and since has studied under eminent masters.

The Main Theatre of Fort Benning is to be congratulated upon its success of securing such a talented musician as Mr. Metzgar.

Sunday evening, July 17, Mr. Metzgar will render a flute solo in the Main Theatre, entitled "The Alpine Shepherd" by P. Morlacchi. This selection will be offered during the intermission between the Comedy and Feature picture.

ERRONEOUS!

* * * * * * * * *

The Fort Benning golf course was built from funds furnished by the Officers' Club and has cost approximately three thousand dollars. In addition to the funds from the Officers' Club nearly all of the organizations in the garrison have contributed with labor and machinery to complete the course. The Fort Benning Golf course as it stands today would represent an investment of about fifty thousand dollars, exclusive of the cost of land in civil life.

* * * * * * * * *

In the above paragraph which appeared in last week's NEWS the statement that the cost of the Golf course was approximately three thousand dollars is erroneous, according to an announcement made by the Secretary of the Officers' Club. The cost of the Golf course as it stands today is in the neighborhood of fourteen thousand dollars. The amounts that have been expended each year for the course are as follows: 1923, $3,213.00; 00; 1924, $4,107.64; 1925, $3,669.25; 1926, $3,600.00; total appropriated to date, by the Officers' Club, $13,989.89.

SWEENEY OF THE TERRIBLE TANKERS TO MEET GORMAN IN MAIN GO OF CARD TO BE HELD HERE JULY 21ST

Red Keenan and Mickey Kendricks Will Settle Feud of Long Standing

Benning fight fans will have a choice bit handed out to them on the night of the 21st, Sweeney of the 15th Tanks who is well known here as a football player and all round athlete, will meet Bud Gorman pride of the I. S. D. in a ten round go.

Although he has never done any work in the ring here, Sweeney is rated among the best fighters in the Army today at his weight, before coming to Benning he did quite a bit of fighting and he has a good record, and any one who knows him knows that there is going to be plenty of action for Sweeney's middle name is fight.

Gorman has made a good impression every where he has fought since coming here every one who saw him fight Taylor on the Herman-Stribling card in Columbus some time ago said that, the Gorman-Taylor was really the feature of the card, he also fought Bobby Smith ten rounds to a draw, at Chattanooga, on the Fourth of July, and they say it was a fast bout and full of action all the way. So this fight should be a slam bang affair with a knockout some where for some body.

Red Keenan and Mickey Kendricks are matched for an eight round go and this fight is going to be good, Keenan is in fine shape, due to his setting down to hard training for the past couple of months, and Mickey is certainly going to have plenty to do next Thursday night.

Oikari from the 29th will meet Emmet Hunt of LaGrange, Oikari is making his first appearance in the ring here but he is looking good while training packing a good punch in either mitt and also showing a good defense. Hunt won a decision over Cadenhead of the Medical Corps, over at LaGrange some time gao.

Other bouts are being arranged, bringing the total up to more than forty rounds of boxing.

If a suitable opponent can be found, Battling J. D. heaveyweight from 24th Infantry will be matched, it seems since J. D. hung the Kao on Spark Plug, that most of the fighters are giving J. D. a wide berth, although not yet arranged there will be at least two bouts between colored fighters of the 24th Infantry. This card will be one of many that will be held here twice each month.

FIVE BATTERS IN INTRA-MURAL LEAGUE BATTING OVER 400

The end of this week finds Nash of the 24th Blues leading the batters of the Intra-Mural league by a good margin, Nash average shows him hitting 521, while S. Williams 24th Reds is next with 466, Douglas I. S. D. is in third place with 434 while Kelly of the 2nd Bats, is right on his heels with 432, Rowan of the Tanks is batting an even 400.

Kelly got away to a poor start at the beginning of the season, going hitless for the first three games, but in the past two weeks he has been a terror to opposing pitchers, hitting every thing that has been pitched to him.

SPORTOPICS

By THE PIRATE

Every body seems to take it for granted that when the Artillery is marked up for a game that it is just another game the Artillery will lose.

Did you ever stop and think that the Artillery is the one team in the Intra-Mural league that deserves more praise and credit than the mighty Kels or the Reds, those fellows go out and play ball knowing that they are under a big handicap with hardly no show at all, but they never grumble and they fight just as hard as though they were fighting for first division honors, when the rest of the teams are out at practice the Red Legs are probably doing guard or various other duties that come every day. Those fellows come out to play ball sometimes after doing a guard the night before, or probably they have been hard at work all morning, but they get out there and do their best under these conditions and although losing they show the world that they are he soldiers every one of them, and lets hand it to them win or lose they are Darn Good Sports.

Wonder what the Tanks did with their left handed shortstopper?

A lady in the grandstand wanted to know if Shotgun White was balking when he hit the ball and then lay down and rested until he was thrown out at first in the game against the 1st Bats. some time ago.

Sure was getting warm when Kelly tried to show ump that Ole Man McGaha was guilty of a balk when he made that funny movement with a runner on base anyway it must have had some effect on the Ole Boy as he blew up in the next inning and threw Roosma,s bunt away.

Cue Ball Smith came over and told the score keeper a few things the other day said he wasn't getting enough batting average and to show that he was a Ty Rogers-Ruth, he slammed out four safe hits out of five trips up, you win Cue Ball.

RESULTS OF R. O. T. C., TRACK MEET HELD SATURDAY, JULY 9, AT THE DOUGHBOY STADIUM

The Artillery Unit easily outdistanced all competition gaining 56 points out of a possible 126. The Engineers followed with 25 points to the Ordnance Unit's 23 and the Signal Corps 22.

The Engineers distinguished themselves in the Javelin Throw taking first, second and third places. The Redlegs didn't have a chance in the Three-legged Race, the Signal Corps and Ordnance setting the pace. Following are the results of the Track Meet which was held at 8:00 A. M., on Saturday, July 9th, in the Doughboy Stadium:

ENTRIES:
Field Artillery Units (A. P. I.)
Engineer (API; U. of Ala.; & U. of Tenn.)
Signal Corps (Ga. Tech.)
Ordnance (Ga. Tech.)

SUMMARY OF EVENTS:

100 Yard Dash:
1st Tuxworth, F. A. Time 10 4-5.
2nd Wood, F. A.
3rd Snooks, Ord.

880 Yard Dash:
1st Tamplin, F. A. Time 2:17 2-5.
2nd Callaher, Engr.
3rd Skinner, S. C.

220 Yard Dash:
1st Wood, F. A. Time 23 3-5.
2nd Ellis, F. A.
3rd Snooks, Ord.

One Mile Run:
1st Duncan, F. A. Time 5:13 2-5.
2nd Callahan, Engr.
3rd Alexander, Ord.

Three Legged Race:
1st Skinner, Trowbridge Signal Co.
2nd O'Connell, Barwick Signal Co.
3rd Waite, White Ordnance.

440 Yard Dash:
1st Tamplin, F. A. Time 55 3-5.
2nd Finnell, Engr.
3rd Ellis, F. A.

Shoe Race:
1st Preston, Signal Co.
2nd Salter, E. G., F. A.
3rd Broyles, Engr.

1000 Yard Relay Race, 20 man team:
1st Field Artillery Unit.
2nd Ordnance Unit.
3rd Engineer Unit.

Shot Put:
1st Hood, Ord., Distance 42'-9".
2nd Pearce, Engr., Distance 33'-8½".
3rd Crowe, Signal Co., Distance 31'-0".

Broad Jump:
1st Tuxworth, F. A., Distance 20'-7½".
2nd Herrick, Signal Co.
3rd Finnell, Engr.

Discus:
1st Hood, Ord., Distance 114'-10½".
2nd Holman, Signal Co.
3rd Vander, Sys F. A.

High Jump:
1st Tuxworth, F. A., Height 5'-7".
2nd White, Ord.
3rd Goldwasser, S. C.

1st Merrill, Engr., Distance 145'-6".
2nd Pearce, Engr.
3rd Gallaher, Egr.

Summary:
Field Artillery Unit 56.
Engineers Unit 25.
Ordnance Unit 23.
Signal Corps Unit 22.

Individual Points Won:
Tuxworth, F. A., 15.
(100-Broad-H. J.):
Hood, Ord., 10.
(Discus-Shot.):
Tamplin, F. A., 10.
(440-880.):

LAST GAME—JULY 13

CLOSE GAME BETWEEN FIFTEENTH TANKS AND CAISSON RIDERS WEDNESDAY

If any one went to Gowdy Field Wednesday afternoon expecting to see the Tankers run away with the Red Legs, they certainly were disappointed, for although the Tankers were the winners, they certainly had a busy afternoon, Hopkins held the Tankers to five hits while the Artillery got 11 hits off Rowan, but poor base running and a costly error let the Tankers carry home the bacon.

Brawdy had a great day at bat getting 4 hits of 5 times up.

Spivey and Estridge got two safeties each while Wade was the only Tanker to get two safe bingles.

The feature play of the game was a double killing, that started at McAuliffe in right, McAuliffe to Estridge to Ridley to Hatley.

Kelly says baseball is agreat game, but (OH: YOU UMPIRES.)

JULY 13, 1927

83RD FIELD ARTILLERY:

	AB	R	H	PO	A	E
Estridge, 2b,	5	0	2	3	4	1
Drawdy, lf,	5	1	4	1	0	0
Hopkins, p,	5	0	1	0	7	0
Spivey, 3b,	5	0	2	2	0	1
Jeffries, ss,	2	0	0	0	2	0
Hatley, ss,	2	0	0	2	2	0

SECOND "BATS" SHOULD WIN FIRST ROUND

CONQUERING "KELLYS" BLAST GREENHATS HOPES; SWAMP FIRST "BATS"

Good Pitching in the Pinches Combined With Timely Hits and Snappy Fielding Has Placed the "Kellys" Well in the Lead

Benning fans certainly enjoyed some topnotch baseball during the past week. While Cliff Green has been pulling a "Landis" over the Fox-Nut "hit-and-run" affair Gowdy Field has been the scene of some fast, clean baseball.

Mays Plays With Reds

In the first game of Thursdays (July 7th) doubleheader the 1st Bats held the 24th Infantry "Reds" scoreless for eight innings. The game which ended in the evelenth inning was featured by good work on the part of both pitchers and splendid support.

The Reeders scored once in thefirst inning on a single by Billiter and a three bagger to right by Reeder, this was all the scoring until the ninth inning when the Reds tied the score, when Battles was safe on an infield error, stole second and scored on Trammell drive to center. Neither side scored in the tenth, but in the eleventh, Sheriff was safe on Battles error at third, went to second on sacrifice, and then stole third on Vance's wind up and scored when Reeder tapped a slow grounder to second, King came close to a double killing on the play, tagging Billiter on the line and making a lighting throw to first that Reeder beat by a hair.

The Reds were unable to register in the last half of the eleventh, Mays, and Vance pitched great ball, Mays gave up six scattered hits and struck out seven batters, while Vance gave up four hits and struck out fifteen men, Mays control was perfect, not a batter getting free transportation off him, while Vance was giving away two walks and hitting two batters. This was by far the best game of this season, both teams playing air tight ball.

I. S. D. DROPS ONE TO BLUES

Errors at times when they meant runs and Stakes pitching spelt defeat for the I. S. D. team in the second game at Gowdy Field, Thursday evening, July 7th,. Stokes gave up only three hits and struck out nine of the opposing batters, while the Blues got eight bingles off "Wee" Grady, who seemed to be slightly off form, while the infield was charged with seven errors.

The Green Cords seem to have lost their stride, they were playing great ball at the beginning of the series and it looked like they would be among the winners, but something seems to have gone wrong, as the old pep just isn't there any more. Come on Green Cords wake up and fight, you have got plenty of time, it doesn't seem possible that the team that was giving the Reds and 2nd Bats, a battle for first place a few days ago would be letting the tail end teams be running away with them now.

But we all have had days so lets go, its a long time until the final bell.

REDS ROMP ON TANKERS

The second inning of Fridays' game July 8th, spoiled what would have been a mighty close game, Mays pitching for the Tanks was getting along fine until the last of the second inning when with two men out the Reds started a batting rally, scoring six runs off Mays and getting three more off Conrad who relieved Mays before the final out was made.

There should not have been any scoring in the second inning, but here is the mystery, for some unknown reason the Tanks sent Rowan a lefthander out to play short, so with two men out in the second inning, the next batter hit an easy one to short, who fielded the ball perfectly, but by the time he had got himself in position to heave to first the runner was safe, and then it seemed the Reds realized that short was the place to put it, for out of three easy outs for a right hander at that position, three men were safe at first, while Rowan was getting in position to make the throw. But we live and learn so we can die and forget, thats that.

The game was well played and but for the second spasm would have been a nip and tuck affair as the Tankers scored three runs while the Reds scored three in the remaining seven innings of play.

FIRST BATS SCARE "KELS"

The Kels won over the 1st Bats., Saturday afternoon, July 9th, but they certainly began to sit up and take notice before the game was over, the 2nd Bats., have always figured the games with the 1st Bats., as easy money, but they got the surprise of their sweet young lives Saturday evening when the 1st Bats., fought them to a standstill.

The Kels scored three runs in the third inning, but the Reeders came right back i ntheir half of the fourth and tied it up, the 2nd Bats., got one of their lucky breaks in their half of the fourth, with men on the bases, Ole Man McGaha did the unexpected, throwing Johnny Roosma's bunt wild to first two men scoring on the error, Birdsong in left picked out this critical moment to drop the first fly ball he has missed this year when Franz hit one to left, the Kels piled up a four run lead during this comedy of mishaps, but the 1st Bats., never gave up the ship, they made the Kellys step lively to hold their advantage the final score being 9-6 in favor of the Kels.

The 1st Bats., will bear watching in the second half, and if there is a dark horse in the race don't be surprised to see a red headed first baseman riding it.

BLUES 7, TANKERS 5

Red Lindsey was unable to get rid of the Jinx that has been following him all season, and although he pitched a good game of ball, the breaks were against him, and the Blues chalked up a win over the Tankers at Reds expense, in Sunday's opener, July 10th. Red has been in good shape this season and has pitched good ball, but it seems that he just can't win, if any one has a left hind foot of a grave yard rabbit, Red would like very much to borrow it for a few days.

Cueball Smith was high man for the Tanks at bat getting four out of five, while Nash and Powell for the Blues were each credited with four hits each.

REDLEGS WEAKEN AFTER SIXTH

The Artillery gave the Reds a battle worth while for six innings Saturday afternoon, July 10th, but when Kilgo weakened in the last of the sixth, the Reds started a stampede that was never stopped, Pascal who relieved Kilgo was met with a deluge of base hits, that kept the outfielders on the go, the Artillery played good ball behind Kilgo and both the infield and outfied showed a big improvement in their play, but the Reds seemed to hit Pascal, at will, and no team in the world could have fielded the drives that were being hit to the Artillery in Sunday's game.

Kilgo pitched a good game for six innings, and had the Reds helpless until the sixth inning, Thomas pitched his first game of the season for the Reds and turned in a good game.

"KELS" SHATTER I. S. D. HOPES

With Kelly himself leading the attack the 2nd Bats., removed another obstacle from their path in their drive for first half honors, when they defeated the I. S. D. team Monday evening, July 11th, 1 to 4.

Tolle was hit hard, eighteen hits being garnered off his delivery, while Heckert and Shotgun White, tried to out do each other in the miscue column, five errors being charged to these two old Vets.

But the Green Cords are centering their plans on the second half, and from all indications there is going to be some dust flying, when the second half opens, as the 1st Bats., also are planning on making a hole in the line in the second period.

There is a rumor that the 1st Bats., are going to have a brand new catcher to begin the second half, and this fellow Bradley can certainly do his stuff behind the plate for we have seen him in action, and he is mean with the hickory also, but Nick McCarthy and Kelly are not wasting any time, besides there is a bunch of dusky ball players over in the West end of the post that are going to have a whole lot to say in the second half, so all we can do is sit still and wait, and time will tell.

STANDING IN CLASS "B" LEAGUE REMIANS UNCHANGED HOWITZER CO. SURE WINNERS

The Howitzer Co. is still away out in front, having their first game to lose, the Service Co. their nearest rivals are rearing to get a chance to put the first black mark on their season record.

The Q. Emmers and the Bridge Builders, are still plugging along, and both teams are awaiting the opening of the second half, when the yhope to make it a different story, in the won and lost column.

The Q. M. and Engineers seem to be having trouble getting started, as both teams have a good bunch of men to build a team from, and the Bridgebuilders have always put a good team out for baseball, but this year seems to be an exception, and we hope to see a close fight in the last half.

DEMPSEY WINS

FORT FIGHTS DRAW RECORD CROWDS; PROGRAM DECIDED SUCCESS

Divided Interest Between Dempsey-Sharkey Fight and Post Bouts Shown by Columbusites and Garrison Personnel.

Fine weather and a good crowd, drawn out possibly by the chance of hearing the Dempsey-Sharkey fight reports. The first card started with a four round bout between Gainey and Crawford 24th Infantry. Crawford won the decision. Crawford weighed in at 135 lbs., and Gainey at 144.

The second bout between White and Lawson, 24th Infantry went 3 rounds to a decision. White winning. White weighed in at 158 lbs., and Lawson at 155.

The third fight featuring Battling J. D. of the 24th Infantry against Kid Heard otherwise known as the Alabama Wildcat went three rounds to a decision. Battling J. D. certainly succeeded in taming the Wildcat. Of course Battling J. D. got the decision. This was a heavyweight bout. Weighs about 190 lbs.

In the fourth fight Peters of Fort Benning won a decision from Wadkins of Columbus in three rounds.

Haines of the 29th Infantry got the decision in a three round session with Haverland of the Quartemaster Corps.

Carter, weighing in at 138 lbs., fought Hines of the 29th Infantry in a three round fight. Carter got the decision.

The best three round fight of the evening was between Bakewell of the Quartermaster Corps and Battling Sam of the Infantry School Detachment. The fight

They Said He Couldn't Come Back

SHARKEY TWO TO ONE FAVORITE

The crowd which dribbled in by twos and threes during the day increased to hundreds an dthousands as darkness began to fall. The weather which was very promising throughout the afternoon took an unfavorable turn as darkness fell. The threat of early rain makes it possible that the main bout may be advanced on the schedule.

Odds which favored Sharkey two to one throughout the day had changed to eleven to ten favoring Dempsey as the preliminary rounds were run off. The crowd numbered 200,000 with a gate receipt of $1,200,000.

DEMPSEY SLASHES SHARKEY THRU 7 SAVAGE SESSIONS

Staggered and Groggy in First Round, Old Master Stages Smashing Comeback.

Yankee Stadium New York, N. Y., July 21.—Jack Dempsey staged a sensational comeback tonight by knocking out Jack Sharkey in the seventh round of a 15 round match before a wildly cheering crowd of 82,000 in the Yankee stadium. Sharkey took the count of ten after going down from a vicious right hand wallop to the jaw. The Boston sailor had claimed a foul blow to the midsection just before the climax but the referee, Jack O'Sullivan, refused to allow it and counted him out.

Dempsey's knockout victory, which sent the crowd into a delirious outbrust, followed a slashing, slugging battle from start to finish. The former champion staggered in the first round and groggy, came back to force the fighting and finally dropped his young rival.

Dempsey was the first to enter the ring followed in about three minutes by Sharkey. Sharkey went to Dempsey's corner and shook hands and smiled as he whispered in Dempsey's ear.

Gene Tuney entered the ring and shook hands with Dempsey greating him with a smile. Going to Sharkey he barely touched his glove in greeting. Sharkey smiled as Tunney retired from the ring.

ROUND ONE

Dempsey came out in a crouch and fell into a clinch, hammering five short rights to the body as Sharkey missed a left hook. Dempsey bored in again, drilling hard smashes to the ribs. Jack hooked two lefts to Dempsey's head. They were close again and Sharkey got in two more to the head. Sharkey struck Dempsey with a left to the head. Dempsey bored in again, took two lefts to the head and again drove short punches to Sharkey's body. Sharkey looked tired. A left hook shook Sharkey's head back. Sharkey licked Jack with two right uperouts. Dempsey, reeling and groggy, wove about the ring under a fusilade. Sharkey smashed him again with rights. Dempsey was groggy as Sharkey missed a long right. The bell caught Sharkey half way through a right swing. Dempsey went to his corner very tired.

ROUND TWO

Dempsey's seconds worked on him while Sharkey lay back calm and confi-

(Continued on page 8.)

29TH INF.

HQ. CO. 2ND BN.

Starting last Monday our entire company went on special duty, with the exception of a few NCO's to relieve men firing on the range with the first Battalion, and it looks as though we will have to call on the Charge of Quarters, Supply Sgt. 1st. Sgt. and Clerks to do the K. P's.

Private First Class George Batty who has been our company clerk has been transferred to Fort Monmouth, N. J., and Private First Class Hitchner has taken his place at Regt. Hdqrs's. Private Smith has taken Hitchner's place as Battalion Clerk.

The mystery of tent No. 2 is finally solved and the squad is very busy house cleaning. They almost carried Cpl. Terry's bunk out of the tent the other night, so when they get that bad there should be something done about it.

Two Corporals were appointed this week, Private First Class Palmer, and Private Lamastus were the chosen two. Corporal Palmer is our Asst. Supply Sgt. having had this job for a good while, and his appointment is well deserved. Corporal Lamastus is an old soldier and is also deserving of this rank. Good Luck boys, but don't be to hard on the privates, remember you were both privates once yourself.

WM. B. SMITH.

COMPANY "E"

Company "E," is till on the range making bulls-eyes. We have qualified 93 percent. on the rifle. 100 per cent. on Auto rifle and 71 per cent. with the pistol. The first platoon beat the second platoon on high shooting for the chicken dinner.

We still have 52 men to fire the rifle with the First Battalion and expect to have a higher percentage when the season is over. One of our old cooks "Hoot Gibson" re-enlisted the other day and is back on the job now. Glad to have you back, Hoot.

Corps Bache and McDonald are going to the Coaching School for entrance to West Point, we hope you make it.

Corp. Joe Felber has recently stood the examination for commission as second Lieutenant and knows that he made a good mark on his papers. We are in hopes that he will be appointed Second Lieutenant when notified of his standing.

ISAAC M. YARBROUGH.

COMPANY "F"

The muleskinners and other special duty men reported for work Monday. We can't imagine how some of those guys will ever get a pair of mules hitched up.

It has been suggested that a certain Sergeant trade his motorcycle for a horse. That is if he could get a horse that wouldn't buck or slide into ditches. It is getting so that every time he comes down the Company street there is a frantic rush to the tents by everyone.

Basket ball and football practice during the last few days has proved that Co. "F" should come out with honors in both sports.

The company doesn't know whether to offer congratulations or condolences to Corporal Duncan upon his recent disagreement as the other party of the argument has not been interviewed.

"Farmer" Lane says that his corn and "punkin" crops are coming along fine. He has issued a warning that anyone caught in his watermelon patch will be turned over to Sheriff Ludwig as a "case."

"Chief" Oltalvaro the Columbus Boxer of much reknown has enlisted for China. This son of South America received his first training as a soldier in this company serving a one year and a three year "hitch." It was here that he founded his reputation as a clean, hard hitting fighter.

Corporal Conley made his appearance in the Company Street Sunday but as his furlough is good for another week, he will reside temporarily in the "Electric City."

Lt. Rothermich has left on a month and a half leave of absence. We wish him a good time.

Lt. Baumann has left on a month's leave. We think he will have some news for us upon his return.

Life's what you make it—you can't go wrong,
With lips a' smilin' and hummin' a song.
Sometimes you'll worry, feel grouchy and blue.
Forget it soldier! Cheer up and go through!

K. CLARK.

COMPANY "G"

Since Private Barnett went on special duty at the Service Company Corrals, the Jack Asses are looking worried. They realize that he will finally talk them to death if he stays there. Although Private Barnett is holding a mean line and handling a curry comb to perfection.

Private Bivens is offering a reward for his hat lost somewhere in Texas. It blew out of the pullman car window just as the Sunset Limited was entering Houston, while he was visiting points in that state a few weeks ago. Private Duplechin and Hood were members of Bivens party, and all were greatly benefited by the effects of the Texas sand and sun.

Corporal Walker is again with the company after attending the West Point Preparatory School in Atlanta last year. Walker was unfortunate in the result of the examination as his average was not high enough for admission to the Academy. We regret this misfortune, but are glad to have him with us again.

VAUGHN.

COMPANY "H"

The range season has at last arrived. The puffing and blowing is yet to begin. Sergeant Craine's legs have not grown one particle since he was ten years old. All in all, we are having one glorious time. Sergeant Whittington is running Sergeant Craine a close second.

Now comes the most important subject of all. Sergt. Louis F. Cody, the novelty man, has invented a new bulls eye for the sighting bar. It is White. Who else but Cody could ever dream of such an outlandish thing to use for a Bull's eye.

Now to get back to that range practice. The way that things started off Monday morning, it seems that there will be more to qualify with higher scores than there were last year, even to include "Bozo" McGuinness. "Shrimp" Vincent got more hits on the rifle range than anyone else (this includes the ten that hit the butts.) How about that 49 standing, "Shrimp?"

Private First Class George D. Davis says that if he ever gets over this one, that he will try it again. What about "SALLY?"

That issue of clothing that was issued to Corporal "RAGS" Carroll has about seen its tour of duty. Sgt. Cody says that it will not effect the clothing allowance much if he draws at least one pair of Fatigue clothing and lend them to those who have loaned to him.

COLLINS-BARNETT

General and Mrs. Edgar T. Collins announce the engagement of their daughter, Mary Elizabeth, to Capt. Allison J. Barnett, the wedding to take place this fall.

* * *

Miss Collins is an attractive and charming young woman, and during her residence at Fort Benning has made many friends both among the army and civilian social sets.

Capt. Barnett is a popular member of the army set, and too has made many friends among the civilian social set.

* * *

MRS JOHNSON ENTERTAINS

A most charming bridge party was given by Mrs. Wait C. Johnson last Monday afternoon in honor of Miss Pearl Shewman and Miss Edith Newton who are visiting Captain and Mrs. John C. Newton. Miss Shewman is the sister of Mrs. Newton and Miss Newton the sister of the Captain. The young ladies have arrived from Berkeley, California, for a month's visit at the garrison.

Four tables of bridge were set and color scheme carried out in the refreshments was green and yellow. The score prizes consisted of dainty jewel compacts. The first was won by Miss Young and the second was secured by Mrs. H. L. Dale. The guest prizes were very attractive. One was a box of bath powder and puff and the other was a bottle of perfume. The former was given to Miss Shewman and the latter to Miss Newton.

Those attending the party were Miss Dade Warfield, Mrs. D. H. Torrey, Miss Alice Torrey, Miss Helen Young, Miss Louise Young, Miss Jane Kilburn, Mrs. Marie Kilburn, Mrs. L. W. V. Kennon, Mrs. R. S. MacKie, Mrs. J. C. Newton, Miss Edith Newton, Miss Pearl Shewman, Mrs. H. L. Dale, Mrs. C. B. Rucker, Miss Betty Gowan, and Mrs. H. L. Gwynn.

24th INF. ENTERTAINS FOR COL. AND MRS. WALLING

"Farewell and success at your new station" was the keynote of the delightful dance held by the 24th Infantry in honor of Colonel and Mrs. Walling at the Polo Club last Monday evening. The affair was given as a visible expression of the esteem, high regard, and warm friendship held by the personnel of the regiment towards Colonel and Mrs. Walling. It was given at that time as Colonel and Mrs. Walling left the garrison last Wednesday for their new station at Toledo, Ohio, where he will be on duty with the Organized Reserves. The entire garrison was invited. A large number attended and took advantage of that opportunity to express to them good wishes and hopes for a successful and happy tour of duty at their new station.

24th MACHINE GUNNERS COMPLETE RECORD FIRING

The current target season has been completed by the 24th Infantry machine gun organizations with satisfactory results. The scores obtained this year are considerably higher than those of last season. The number of men who completed the course was 116 of which 98.3 per cent. qualified as second class gunners or better. The average score per man was 297.1.

The best shooting was done by Company "D". Their average score per man was 318. Sergeant Ahlu P. Jackson of that organization secured the highest score in the regiment with a total of 369 points. Other excellent scores made by men of that company were Private W. D. Frazier 366, Corporal Sam Cokely 365, and Private Connez R. Shockly 364 points.

Company "M" had an average score of 297.1 per man. The best shot of that organization was Private First class Strad Fuller with 359 points. Sergeant Lorey V. McNeill secured 349, Private Louis Gardner 339, and James Harris 333.

The average score of Company "H" was 292.2. In that company Private Willie Felder was high man with a score of 366. He was followed by Private Levie Simpson with 348 Corporal David L. Mann with 346, and Sergeant Smith Washington with 339.

THE SUMMER SOLDIER

The creation of Summer Training Camps for citizens is one of the wiser of the many sound provsisions of the National Defense Act of 1920. These camps are giving to our young men between the age of seventeen and twenty-two some of the rudiments of soldiering, a course in physical development and instruction in the duties of a citizen.

To the close observer the military situation is encouraging from the standpoint of National Defense. Not so much of the National Defense Act has become a dead letter. Congress, with the dearly earned lessons of the World War freshly in mind, passed this excellent program of national preparedness; and with the passing years, old lessons have not been forgotten.

It is particularly gratifying therefore, to note that progress is still being made. The Citizen's Military Training Camps and the Reserve Officers' Training Corps are doing a vital service.

The Summer Camps are, at least, doing what was not done before the outbreak of the World War. In this, these camps thousands of young men are being taught the essential facts of soldiering. Here many of them come to realize that the Flag can be an object of veneration.

The Reserve Officers' Training Corps in the college is training more than 110,000 men annually. We owe to the R. O. T. C., and the C. M. T. C., the fact that the Nation is a little more able to defend itself than it was before the days of the A. E. F.

It is worse than foolish to attack these Summer Training Camps as tending to "militarize" the youth of the country. It is ridiculous to charge that they create an unholy lust for war. Any man who has spent his holidays learning to roll a recalcitrant pack and then carried it for dusty, weary miles on practice hikes; and many who has blistered his hands snapping a nine-pound rifle through the manual of arms, while he did the One—Two—Tree—Four of close order drill under a blazing sun has not learned to love the thought of war. These men should be encouraged and defended by all Americans who believe a self-respecting people should be prepared to maintain their rights, and defend themselves. "The Summer Soldier" deserves the Nation's respect.

Lieutenant Colonel Asa L. Singleton, 29th Infantry, U. S. A.

Lieutenant Colonel Asa L. Singleton, 29th Infantry, U. S. A. much to the regret of the Twenty-ninth Infantry and the entire garrison will leave Fort Benning on about the first of August for San Francisco where he will assume his duties on the Staff of the Commanding General of the Ninth Corps Area. Colonel Singleton has again been detailed to the General Staff.

The Ninth Corps Area is commanded by Major General John L. Hines U. S. A. who, until recently was Chief of Staff of the Army. Colonel Singleton has an enviable record in General Staff work and in 1923 was especially selected by the War Department to observe and report upon the joint Army and Navy maneuvers in Panama.

THEATERS

JULY 22, TO JULY 29 INCL.

FRIDAY, JULY 22

"ROLLED STOCKINGS," featuring James Hall with Louise Brooks. It is a rolicking tale of "Rolled Stockings" and short skirts, centering around two brothers, students at college, who fall for the same girl. It posseses pep, thrills and love interest. This picture is credited with being a very pleasing comedy.

"Sea Scamps."—Juvenile.

SATURDAY, JULY 23

"WAR PAINT," from the story by Peter B. Kyne, starring Tim McCoy with Pauline Starke and Karl Dane in a thrilling tale of frontiersmen of the early days. Real Indians, feature in this picture, some remarkable feats of horsemanship. The story centers around a fort, the military and a pleasing romance.

"Nickel Hopper."—Mable Normand.

SUNDAY, JULY 24

"ROOKIES," starring Karl Dane and George K. Arthur, the world's greatest comedy team in seven reels of mirth, side splitting from start to finish. It is the hilarious tale of a chap who goes to training camp to escape the clutches of the laws; he ran into enough escapades, laughs and romance to last him a life time and enough trouble to make him long for jail. Miss your dinner rather than miss this lip cracking picture.

"Scrambled Eggs."—Fables.

"Pathe News."

MONDAY, JULY 25

"THE PRAIRIE KING," starring Hoot Gibson in a snappy, speedy, peppy, hard riding story of a girl who thought the man she had trusted was trying to swindle her, but all the time he was working to transfer his mining claim over to her. This is a story of rapid moving events.

"Janes Flirtation."—Century Comedy.

TUESDAY, JULY 26

"AFRAID TO LOVE," starring Florence Vedor in a riotous comedy concerning a beautiful girl who made herself up as a dowd and married a man to save him from a scheming adventuress. This is a scrambled honeymoon that comes out right after a number of hilarious adventures.

"Return Of The Riddle Riders" No. 3.

WEDNESDAY, JULY 27

"THE BRUTE," featuring Monte Blue with Lucila Hymas and Clyde Cook in a rip-roaring western epic drama of oil gushers, hard westerners and the ever attractive feminine. It is a story of beauty and the brute.

"Wise Crackers No. 3."

THURSDAY, JULY 28

"THREE HOURS," starring Corrine Griffith in a tense drama depicting romance among the wealthy and poverty stricken of San Francisco.

"Pathe News."

FRIDAY, JULY 29

"THE LOVE THRILL," starring Laura La Pante; she knew what she wanted, and she got it, too! But only after she'd hopelessly entangled herself in the lines of a couple of confirmed batchelors by means of a glorious chain of white lies. This brilliant comedy was made to be laughed at. It succeeds if you are bent on maintaining a long stern face—stay away from this picture.

"Bad Breaks."—Cameo Comedy.

BARRACKS BANTER

By Ad.

".... Jack be nimble, Jack be quick—
A jolt to the jaw will do the trick——"

* * *

Curiously enough the methods of the Wets and Drys are identical. They are both busily engaged in "downing" John Barleycorn.

* * *

And Old John's outstanding characteristic is that he is a hard man to handle after you down him.

* * *

The ancient Greeks used to say: Give me a place to stand on and I will move the world.

* * *

Charley Lindbergh might say: Give us enough gas and we'll find the place to stand on.

* * *

Being a Military Leader in China means keeping just so far ahead of the axe.

* * *

Smith has been criticized for sending out a call for help before he was sure that he was in danger.—But then we shouldn't blame a chap named Smith for worrying when his motor began coughing. As some one has said:

".... it isn't the cough that carries you off,
it's the coffin, that follows the coughin'...."

"KELLYS" CREW WIN FIRST ROUND

SECOND "BATS" IN LEAD WITH CHAMPION "REDS" A CLOSE SECOND

1st Bat., 29th Infantry Achieves First Division After Sensational Drive

The end of the first half of the Intra-Mural race finds the 2nd Bats. in first place while the 24th Reds are in second place.

The 1st Bats came behind to cinch third place in the last two weeks, winning three of their last four games, the Green Cords who were at one time picked as prominent penant contenders were toppled from third place by the 1st Bats., drive, and it was also the 1st Bats., who spoiled the Reds chance for victory in the first half.

And it looks like the 1st Bats., are going to be mighty troublesome in the second half, although there is going to be trouble for everybody in the last half, for right now every team in the league is priming up for a last desperate dash for first honors; the Artillery will make a better showing in the second, as their game has been getting better of late, and although not picked as first place contenders, they are sure going to be heard from when the fireworks open.

The Kels certainly are due plenty of credit for the fight they put up in the first half, after trailing the Reds in the first part of the race the Kels went into a tie for first position by winning over the Reds in their second meeting, and when Mays of the 1st Bats., submarined the Reds for a 2 to 1 win in eleven innings, the Kels moved into first position, where they have been ever since. Although they have never been out of sixth place the Blues have come nearer to putting the skids under the Kels than any other team, each time these teams have met the Blues have had victory within their grasp, only to let it elude them at the last moment, in their last meeting Stokes had the Kelly batters at his mercy fanning eleven of them, but lost his own game in the sixth inning when he threw the ball way on an infield bunt allowing the winning runs to score.

The Green Cords have one of the best teams in the league and started the season off in great form, but something seemed to go wrong toward the latter part of the first half, but the second half will find them fighting like they have never fought before, and if Ole Man Jinx will stay away, the Green Cords hope to be on the board with the Kels in the finals.

The Tankers never seemed to be able to get going in the past half, Red Lindsey one of the best pitchers in the league has not been able to turn in a victory this season, and Red has got just as much stuff as ever, and he has pitched winning ball, the Tankers have not been able to get going, but with a new start and an even break, the Tankers still have a chance to regain their lost prestige.

The happy hearts from the 24th Infantry last years' Champions are going to be dangerous contenders in the last lap, with Vance and Trammel both in condition, and also with the addition of Sloan Williams to their pitching staff, they are picked as the team that will meet the Kels in the play off, but no matter who wins, Benning base ball fans are going to be treated to some of the hottest baseball that they have seen in many days, and the only person that is to worry is his Honor, Mr. Ump.

The past week saw some close affairs at Gowdy Field, last Thursday in the first game the Green Cords held the Reds scoreless for eight innings, while they had been able to register once and it looked like a sure victory for the Green Cords, when with one man out in the ninth and two men on base, Shotgun White took an easy grounder and tossed to Heckert at second for an easy double, but Heckert let the throw go through him and both men were safe, the next man singled with the bases loaded, FINIS.

The Red Reeders continued their drive when they won the second game from the Blues 6-4, Mays under hand delivery being to much for the Blue batters.

The Tankers out hit the 2nd Bats., in Fridays' game but were unable to make their hits count for runs, the Kellys took advantage of their nine hits to score six runs. Parris led the Kels with the willow, getting three hits out of five times up while, Hedgecock of the Tankers also had three safeties to his credit out of five chances.

Saturday afternoon was good for nothing but ducks, as the weather man turned a little flood loose down on Gowdy Field.

"REDS" WHITEWASH "BLUES"

Pitching airtight ball backed up by almost perfect support in the opening game Sunday, Vance for the Reds hung up nine goose eggs in a row for the Blues, while the Reds were scoring eleven markers off Leonard. Leonard was not responsible for the score, as he pitched a good game giving up only seven hits, but his support was rotten, ten errors being made by the Blues, Seats, leading with a total of three of them, each one being costly.

Trammel led the Reds attack getting three hits out of three times up, McCrary was credited with one time at bat no hits but he scored four of the Reds runs.

MAYS BESTS "WEE"
GRADY TOLLE

The 1st Bats., cinched third place in the first half, when Mays beat Tolle in a pitchers battle in the second game of Sunday's doubleheader.

Both pitchers pitched good ball and were given good support, the 1st Bats., played an errorless game while the Green Cords were guilty of two fumbles in the infield.

Mays gave up four hits and whiffed eight of the opposing batters while Tolle gave up six hits and struck out two batters, both pitchers were a little wild, Mays walking five while Grady issued three free tickets.

This was the last game for the Green Cords in the first half, and the rest of

LINDSEY LOSES TO BLUES

The Jinx that has been hovering over Peroxide Lindsey all season was still on the job Monday afternoon, when the Blues took a close decision from the Tankers 6 to 5.

Red who has always been able to win an average percent. of his games has been unable to win a single game during the first half, he is just as good as ever but it seems that he just can't win, but here is hoping he shakes it in the last lap.

Dawson and Brown featured the Blues victory with two hits each while Hedgecock and Wright got two bingles each for the Tankers. Leonard relieved Stokes in the third inning held the hard hitting Tankers helpless, allowing them only three hits.

"KELLYS" CALM ROMPING "REEDERS"

The league leading Kels put a crimp in the 1st Bats., winning streak Tuesday afternoon when they ran up a 16 to 1 score on the Reeders.

Mays who has been going good this season was sadly off form, the Kellys hit him with every thing but the dugout, six errors by the infield did not help matters any, Berthieume at second got three out of five attempts.

Newman had quite a large day walking twelve men, and strking out twelve, the Kellys played errorless ball behind him keeping the 1st Bats., well in check, and outside of Newman's wildness the 2nd Bats., sure did look like real champions Tuesday afternoon.

WEDNESDAY'S GAME
BLUES GIVE REDS HARD FIGHT, BUT LOSE GAME IN LAST INNING 3-2

The Blues and Reds mixed and mingled in a mighty good game of baseball Wednesday evening and the lowly Blues kept the mighty Reds on the defensive all the way, both pitchers allowed eight hits, and both teams played good ball behind them, Vance's hitting was the feature of the game getting two three baggers that helped put the old game on ice.

Thomas for the Blues and Battles for the Reds also drove out a triple each. This is the last game of the first half for these teams.

The last half of the Intra-Mural league will open Sunday afternoon, with the 24th Infantry Blues and the Green Cords from the I. S. D., prizing the lid off.

SPORTOPICS

By THE PIRATE

Fat Franz notorious shortstopper from the 2nd Bats is taking daily work outs over at the Post Gym with the leather pushers, when asked what was the big idea Franz was very much surprised to find that the press was not aware of the fact, that besides playing baseball, basketball, football, la crosse and pinochle, that he is a mean man in the squared circle.

Red Lindsey came over this morning and asked us if we would ask the readers of this little paper if any one would be so good as to tell him what you have to do to change your luck? He wants to know before the opening of the last half.

Pop Heckert says besides letting his error at second lose the game to the Reds, he also lost two teeth and got a split lip in the bargain. Some error.

Mays says that his periscope got out of fix and he could not submerge on the Kellys in the last game but that he will carry an extra one along from now on.

Sloan Williams carries a graveyard rabbit foot in the right pocket of his blue sweater, a certain Staff Sgt. says that you can always tell when Sloan is due to pitch, says that when you see him wearing that sweater around and keeping his right hand in the right pocket that he is just getting his rabbit foot to workin, seems like it has had the desired effect lately.

DEMPSEY SLASHES SHARKEY THRU 7 SAVAGE SESSIONS

(Continued from page 1.)

dent. Jack came out slowly and Sharkey missed a left. Sharkey drove Dempsey to the ropes with a right to the jaw. Dempsey fought fiercerly at Sharkey's body but laid on heavy in the clinches. Dempsey missed a wild left hook. In close, they swapped jolts to the ribs. Dempsey held as Sharkey clubbed him to the body. Sharkey nailed Dempsey with a left to the head and drove Dempsey to the ropes with short rigths to the jaw. The Boston boy was landing at will, solid smashes to the chin that rocked Dempsey. They slugged fiercely in the center of the ring as Dempsey nailed Sharkey with two hooks to the chin. Dempsey was very tired after the flurry but managed to hook his left hand twice on Sharkey's chin. They were in a clinch at the bell.

ROUND THREE

A small cut appeared under Dempsey's left eye from Sharkey's jab. Dempsey drove a long left to the stomach and then took a left and right uppercut as he swayed to close quarters. Dempsey missed a left to the head but landed two right jolts on Sharkey's chin. Jack Dempsey shuffled in, apparently stronger, crowding Sharkey with a body attack. They were locked in a clinch. They stood for a moment and looked each other over, tired from the fierce pace. Dempsey whipped over a right uppercut as he wove in. Sharkey caught Dempsey with a wicked right smash to the chin as the former champion came in to whale at the Boston boy's body. Sharkey buried two lefts in Dempsey's body and Dempsey stepped back. Sharkey slipped and went down in his own corner but was up without a count. No blow was struck as the bell ended the session while Sharkey was on his knee.

ROUND FOUR

Sharkey was a bit less confident as he came out and missed a wild right. Jack bobbed out of the way of Sharkey's jab. Dempsey drove Sharkey around the ring with fierce punches to the body Sharkey breathed hard as Dempsey nailed a left to the chin and a right to the ribs. Sharkey cut three left jabs into Dempsey's face and hooked both hands to the face. Dempsey's right eye was bleeding badly. Dempsey came in again with a short right to the body and lifted Sharkey's head with a right uppercut. Sharkey missed a right uppercut and took two smashing jolts from Dempsey's left hand. Sharkey missed often as Jack bobbed about. Dempsey nailed Sharkey with a left hook full on the jaw, driving the sailor into a defensive crouch in a neutral corner. They were plugging away at the body at the bell.

ROUND FIVE

Dempsey appeared to be finding himself under the heat of the milling. He shuffled out and skimmed Sharkey's chin with a left. Sharkey stabbed Jack about the head but Dempsey caught a left hook on his nose. Sharkey spit blood as Dempsey swung in close for another short armed body attack. Sharkey met him with a right upper cut coming in but Dempsey got in two lefts to the ribs. Sharkey landed a straight right to the head and Dempsey clinched. A cut appeared on Dempsey's left cheek. Dempsey bored right back throwing rights to the body but taking Sharkey's left four times to the head. Dempsey hooked a solid left to Sharkey's body and sent his left four times to the head. Dempsey drove a solid left to Sharkey's head and the sailor wobbled. Another left drove Sharkey back but the Boston boy came out slugging as the round ended.

ROUND SIX

Sharkey, apparently much fresher than Dempsey was playing a waiting game. He let Dempsey rush him again and Jack missed a long left to Sharkey's head. Sharkey was short with a left to the chin but his right smacked solidly on Dempsey's jaw. Dempsey missed a long left. Dempsey come steadily on however, ramming away to the body but Sharkey was all elbows on defense. Sharkey slapped a right to Dempsey's face. Dempsey folowed him and they bobbed at each other until Sharkey shot Dempsey's head back with a terrific right uppercut to the jaw. It was the cleanest and hardest punch of the fight so far. Dempsey leaned in, however, pushing Sharkey to the ropes. Dempsey caught the sailor coming out with three smashes to the head and the crowd booed as Sharkey deliberately poked Dempsey in the face after the beel.

ROUND SEVEN

Dempsey was weaving again and Sharkey held as the fire grew hot about his body. Dempsey suddenly whpped his left into Sharkey's stomach and followed with a straight, right hand smash to the jaw that sent Sharkey down. Sharkey got to his knees at the count of nine, swayed and fell flat on his face as the referee counted ten. Sharkey's handlers claimed the blow was foul but the referee disallowed it. Probably the greatest ovation given a fighter was accorded Dempsey as the referee raised his hand in victory.

The stadium fairly rocked. The round had left only 45 seconds.

BULLETIN FIGHT

PRELIMINARIES:

Yankee Stadium New York, July 21—The first preliminary to the Dempsey-Sharkey heavyweight battle tonight ended quickly when Joe Monte of Brockton, Miss., knocked out Frank Muskie of St. Paul, Minn., a sparring partner of Shampion Gene Tunney, in the second round of a six round match.

Muskie outboxed Monte with a show of cleverness in the first round but took the long count, flat on his back, toward the end of the second round after being toppled by a right hook to the jaw. There were only 23 seconds left in the round when Monte, a 23 year old former amateur, landed the crusher. It was a victory for the Sharkey camp as Monte is under the wing of Johnny Buckley, Sharkey's manager. Their weights were Muskie 173; Monte 174.

Sandy Seifert veteran Pittsburgh heavyweigh, stopped the knockout winning streak of Wyoming Warner, Cheyenne youngster, by winning a six round decision. The crowd booed the verdict.

Sandy beat the youngster rather badly about the body but took a steady barrage of solid righthand shots to the chin. Warner pinned Seifert to the ropes in the first round and nearly finished him, but Sandy came back with a steady, close range attack to gain the award—Seifert weighed 183; Warner 172 1-2.

FORT FIGHTS DRAW RECORD CROWDS

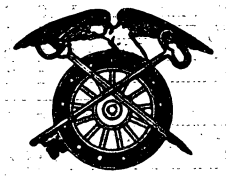
(Continued from page 1.)

was a draw neither scrapper being able to get a decision.

Oikari, 29th Infantry weighing in at 130 lbs., lost the decision in a six round go, to Dallas Hunt of La Grange who tipped the scales at 140 lbs. It was a good fight and both of the boys showed up well. The decision was very close.

Red Keenan of Fort Benning and Mickey Kendricks of Columbus, Ga., mixed it in what was intended as an eight round fight. "Red" carried the fight to Kendricks all the way through and in the sixth round Kendricks eye was badly cut and bled so freely that his seconds threw the towel in the ring. Keenan won the fight on a technical K. O. It was Keenan's fight all the way and he took every round by a wide margin.

Quartermaster Corps



Utilities Branch

Fiscally speaking, Spring is here! The careful and planting of our garden by means of volunanimous reports and detailed estimates, backed up by urgent requests, have begun to show results. The beautiful blooms, our annual allotments of funds, are appearing. These will be judiciously prune, carefully nursed through storms, and protected from the raids of unprincipled parties. After many moons of fatihful application, the fruits will appear (let us hope) in the shapes of better homes, improved roads and walks, more electric lights, fresh paint, and other items of interest. Though the blooms may seem to be small and lacking in brilliancy, and the fruits without the beauty, size, and abounding quantity to be expected of such a large field as ours, let us not forget that our Uncle, from whom all these things come, is a very economical man so far as we and our brothers of the Naval Department are concerned. Some day—who know? he might change his mind.

HOWITZER CO. 29TH INFANTRY RUNAWAY WITH CLASS "B" CHAMPIONSHIP IN FIRST HALF

The Howitzer Company finished the first half of the Company League series with a perfect record, not having lost a game during the series.

The Service Company is in second place while the Q. Emmers and Bridgebuilders are in a tie for second division honors.

The Howitzer Company has one of the best Company teams ever turned out here, and it would not surprise this part of the Army to see them give some of the Class "A" teams a warm reception if they ever got the opportunity.

Although it is a cinch that the Howitzer Company are the winners in the first half, there are several postponed games yet to be played, that will probably change the standing of the other three teams.

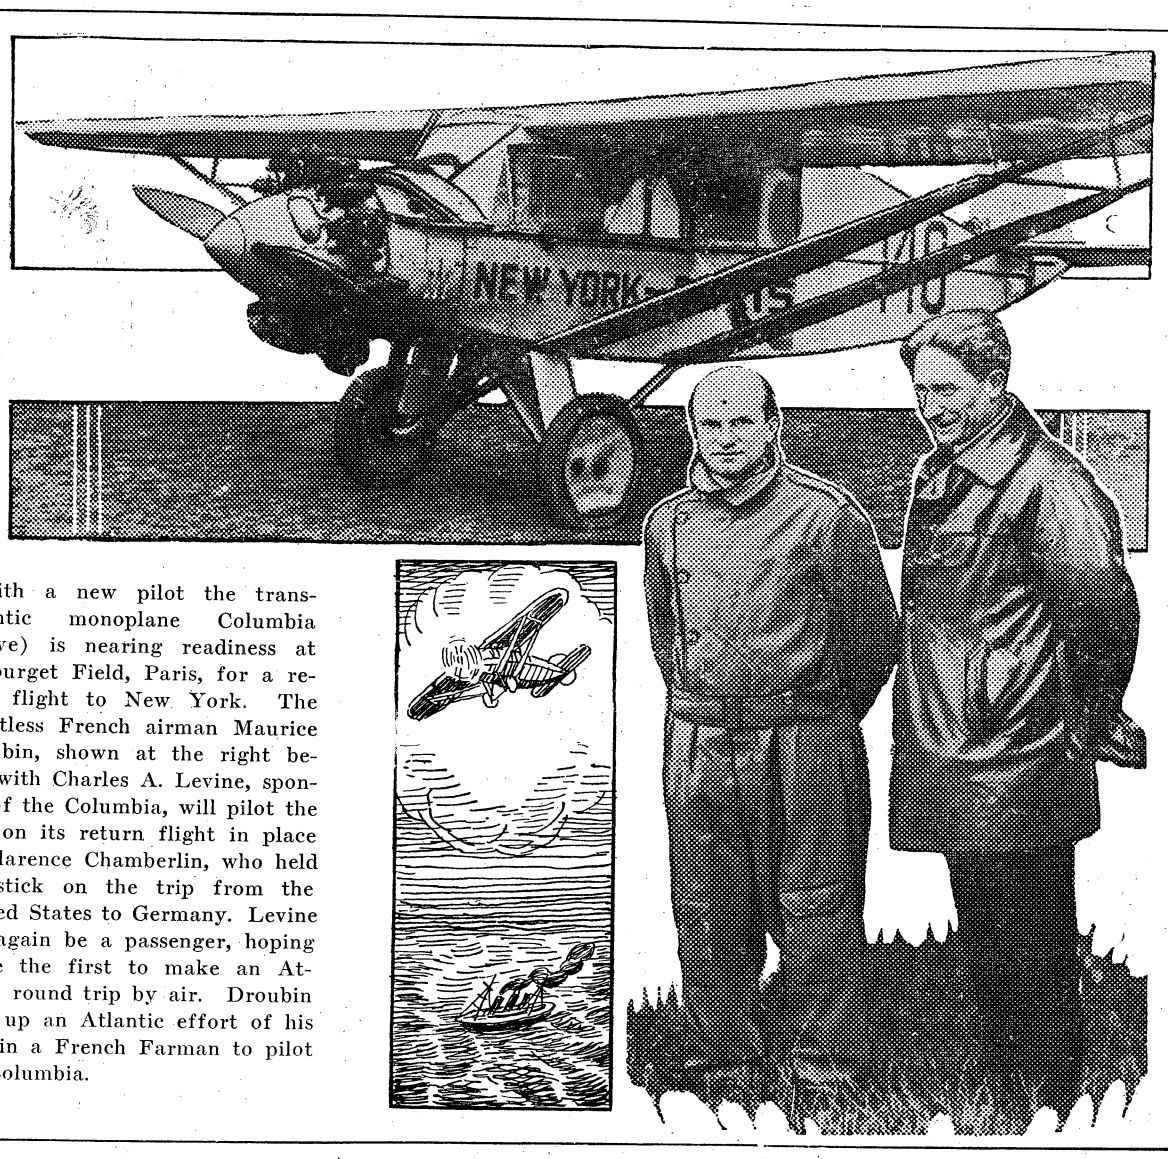
Vol. V. FORT BENNING, GA., FRIDAY, JULY 29, 1927 NUMBER 45

247 OFFICERS ORDERED TO SCHOOL



With a new pilot the trans-Atlantic monoplane Columbia (above) is nearing readiness at LeBourget Field, Paris, for a return flight to New York. The dauntless French airman Maurice Droubin, shown at the right below with Charles A. Levine, sponsor of the Columbia, will pilot the ship on its return flight in place of Clarence Chamberlin, who held the stick on the trip from the United States to Germany. Levine will again be a passenger, hoping to be the first to make an Atlantic round trip by air. Droubin gave up an Atlantic effort of his own in a French Farman to pilot the Columbia.

FLAMES SWEEP SAWMILL DURING EARLY HOURS LAST FRIDAY MORNING

Spectacular Sight Greets Early Risers As Chief Willis Fire Fighters Subdue Roaring Flames

A dense column of black smoke ascending Heavenwards in the windless dawn of Friday morning guided the Fire Brigade to the conflagration like the Pillar of Cloud that guided the ancient Israelites.

Not a breath of wind was stirring when one of the sawmills, situated on the Biglerville Trolly line, across the tracks from the R. O. T. C. camp site burst into flames. The fire, feeding avidly on the pitchy and resinous pine timbers, gained instant headway and even before an alarm could be given the mill plant was a total loss.

An immense column of dense black smoke, natural by-product of a pitch pine fire, mounted thousands of feet into the morning sky before it reached some upper air strata where a vagrant current stirred the column and billowed it out into a broad black canopy. It was spectacular beyond words, but it was hardly worth the price of one of our busy sawmall plants.

The fire started Friday morning (22nd) about 4:00 o'clock. Although the Department arrived on the scene promptly the blaze had attained such headway that they were unable to save the mill or its contents. The lumber in the mill yard was blazing fiercely, but this part of the first was extinguished without a very great loss.

The Utilities at Benning will have a modern electrically driven sawmill to take the place of the one which burned. The old mill and the machinery it contained was a total loss. The same soldier personnel will have the operating of the new mill, which will be of much greater capacity.

Construction work has already begun on the new electrically driven sawmill which will be equipped with up-to-date machinery, and will have a capacity of some 20 thousand feet of lumber daily. The new mill is to be built on the site of the old mill.

The new mill will be operated by the same soldier personnel as the old one. Capt. Massey, Post Utilities Officers will have supervision over the sawmill while Sergeant Foall of the Quartermaster Corps will have full charge of operating the machinery, with Corporal Coody of the Infantry School Detachment as bookkeeper and general office manager.

The plant must be put in operation at the earliest possible moment as it fills a vital need in the construction and upkeep program of the Infantry School.

The sawmill has been operated by soldier personnel with the exception of one civil service employee, Mr. Philips who is head sawyer.

STUDENTS FOR SEASON 1927-28 WILL ARRIVE EARLY IN SEPTEMBER

List Shows 77 Members in Advanced Class and 170 in Co. Commanders Class

Publication of the Roster of Students for the Infantry School for the Season of 1927-28 shows the following named officers comprising the Advanced Class:

ADVANCED CLASS:

Avery, Irving C., Captain, Inf.
Barker, George R., Captain, Inf.
Barnes, James C., Captain, Inf.
Baxter, Jere, Major, Inf.
Bell, Virgil, Captain, Inf.
Bigelow, Muraice C., Captain, Inf.
Bissell, Harry H., Major, Inf.
Boudinot, Truman E., Captain, Cav., (S. C.)
Brown, Lloyd D., Captain, Inf.
Gallahan, James W., Jr., Captain, Inf., (P. S.)
Cianchini, Luis F., Captain, Inf.
Cotton, John W., Captain, Inf.
Culin, Frank L., Jr., Captain, Inf.
Culp, Clarence M., Captain, Inf.
Davidson, Lewis C., Major, Inf.
Devore, Leland S., Major, Inf.
Drollinger, Ziba L., Major, Inf.
During, Fred, Captain, Inf.

29TH INF.

HQ. COMPANY 2ND BN.

Nothing much new has happened this past week as about all the men in the company are on special duty of some kind or other. There are a few left though, and they have been given the job of moving our orderly room. While this move is taking place, 2nd Battalion Headquarters is located at the Recruit Center, and tent No. 1, is our temporary company Headquarters.

Tent No. 1, is finally cleaned up, and it's a good thing that it is, as our 1st Sergeant has decided to make it his place of abode pending our new orderly room.

Two new men have been added to our company this week, Private W. H. Smith, and Private A. C. Elkins, both of whom we welcome into our fold, and may they some day be a 6th class specialist.

Cpl. Johns, one of our short timers, has informed us that he does not intend to re-enlist, for another three years in Fort Benning, but has decided to try the Air Service next. We don't know if he means as an aviator or as a spectator, but anyway Johns we wish you good luck in your next jump.

The results of the beauty contest will be published next week.

WM. B. SMITH.

TOO MUCH FOR A PHIL-
DELPHIA LAWYER

A young foreigner was being tried in court, says the Public Ledger, and the questioning by Lawyers on the opposite side began.

"Now, Laszky, what do you do?"

"Ven?" asked Laszky.

"When you work, of course," said the lawyer.

"Vy, work—"

"I know," said the lawyer, "but what at?"

"At a bench."

"Oh," groaned the lawyer. "Where do you work at a bench?"

"In a factory."

"What kind of a factory?"

"Brick."

"You make bricks?"

"No, de factory is made uv bricks."

"Now, Laszky, listen," said the lawyer. "What do you make in that factory?"

"Eight dollars a week."

"No, no! What does the factory make?"

"I dunno; a lot uv money, I think."

"Now listen! What kind of goods does the factory produce?'

"Oh," said Laszky, "good goods.'

"I know, but what kind of good goods?"

"The best."

"The best of what?"

"The best there is."

"Of what?"

"Of dose goods."

"Your honor," said the lawyer, "I give up."

THEATERS

JULY 29, TO AUG. 3, INCL.

FRIDAY, JULY 29

"THE LOVE THRILL," starring Laura La Plante; she knew what she wanted, and she got it, too! But only after she'd hopelessly entangled herself in the lives of a couple of confirmed batchelors by means of a glorious chain of white lies. This brilliant comedy was made to be laughed at. It succeeds. If you are bent on maintaining a long, stern face, stay-away from this picture.

"Bad Breaks."—Cameo Comedy.

SATURDAY, JULY 30

"WESTERN WHIRLWIND," starring Jack Hoxie; this is the story of a returned war veteran who took the oath of sheriff to avenge the death of his father, but found himself tied by a promise not to fight. It is a thrilling story of the strange predicament of a self made coward.

"Ten Years Old."—Our Gang Comedy.

SUNDAY, JULY 31

"RESURRECTION," from the Russian novel by the great Leo Tolstoy, starring Rod La Rocque and Delores Del Rio. This powerful story depicts the life of Prince Demitri, who at first loved honorably, then after two years in the Royal Guards, became synical of woman's virtue and man's responsiblities. He became a profligate, awakened to frightful reality and the gripping climax is "The Resurrection." The story is a tense melodrama of Russian nobility and Siberian misery.

"Buggy Ride."—Fables.

"Pathe News."

"VIOLIN SOLO:" During the intermission musician Joseph Caunza will render the melodious "Ave Maria," by Grounoud. Musician Caunza, assistant first violinist of the Main Theatre Orchestra, is an accomplished artist. He studied four years in the Boston Conservatory of Music and has rendered valuable services in our orchestra.

MONDAY, AUG. 1

"THE WORLD AT HER FEET," starring Florence Vidor in an amusing story of worldly women synopsized. This is a farce comedy of subtlety and delicacy. A tangle of domestic relations that doesn't unsnare until the final fadeout; it is a love and laughter film.

"Don Key."—Roach Star.

TUESDAY, AUG. 2

"THE MYSTERY CLUB," featuring Matt Moore and Edith Roberts in a story of six wealthy club members who plan viliany as a past time. It is a gruesome, sinster tale of crime and intrigue. It gives you the sneaky-creapy feeling that crawls along your spine and causes your hair to stand on end; it is claimed that this thriller will haunt you for weeks.

"Return of the Riddle Rider No. 4."

WEDNESDAY, AUG. 3

"TOM'S GANG," featuring Tom Tyler and His Gang. This story deals with the difficulties which arise over the will of a wealthy ranch owner. An imposter tangles affairs which do not right themselves until almost too late.

"Wise Crackers No. 4."

THURSDAY, AUG. 4

"THE TENDER HOUR," featuring Billie Dove with Ben Lyon and Montague Love in a tense melodrama, laid in Pre War Russia. It is a lavish pageant of of romance and luxury wherein youth calls to youth—a beautiful American girl is bought by a Grand Duke. All Paris knew the lovers secret, but the Duke did not know it until "The Tender Hour."

"Pathe News."

FRIDAY, AUG. 5

"FRISCO SALLY LEVI," starring Sally O'Neil and Roy D'Arcy in a comedy-romance from the pen of Alfred A. Cohn. It is a rollicking Irish-Jewish comedy filled with romance, humor and pathos.

"By George."—Century Comedy.

MRS. B. W. VENABLE TO RIDE IN HORSE SHOW AT GREENBRIER WHITE SULPHUR SPRINGS

Columbus friends will be interested in the extended wedding trip of Capt. and Mrs. B. W. Venable, the latter Augusta Turner, of this city. Their marriage was an interesting event of early June, and as Capt. Venable obtained a two months leave of absence, they planned a most extensive honeymoon trip.

From Columbus they went to Charleston, West Va., for a visit to his relatives, and will spend a while in Washington, D. C.

Greenbrier White Sulphur Springs, West Va., has also been included in the itinerary, where they were invited as the week-end guests of Mr. and Mrs. Dick Venable, Mr. Venable being a brother of Capt. Venable, and attended as best man for his wedding.

The Dick Venables have a summer cottage at Greenbrier White Sulphur and are popular members of the exclusive colony there.

Quite an honor was conferred upon Mrs. B. W. Venable (Augusta Turner) when she was invited to ride one of the thoroughbreds in the horse show which takes place at Greenbrier White Sulphur Springs today.

Mrs. Venable is an experiend rider, and often has enjoyed the privileges of the Fort Benning stables.

A stay at Wrightesville Beach, N. C., will also be included in the wedding itinerary, and Capt. and Mrs. Venable will probably spend a fortnight there and are expected home the latter part of August.

FOR MRS. ROBERT J. HALPIN OF FORT SAM HOUSTON, AND Mrs. L. G. BIGG-RS, OF WEST PALM BEACH

Lovely in detail was the bridge party Wednesday afternoon at which Miss Sarah Golden was hostess, entertaining at the Log Cabin in honor of her cousin, Mrs. Robert J. Halpin, of of her father, Mr. T. E. Golden, and Fort Sam Houston, Texas, the guest her aunt, Mrs. L. G. Biggers, of West Palm Beach, the guest of her sister, Mrs. J. P. Golden.

Lovely zennias and dahlias adorned the Cabin, and after the game a delicious salad course and tea were served.

The honorees were presented with silk hose, and the high score prize was a pair of Japanese shoes trees.

The invitation list was confined to the close relatives and a few intimate friends and those present were:

Mrs. Robert J. Halpin, Mrs. J. D. Haney, Mrs. Lucile Fletcher, Mrs. J. H. McDuffie, Mrs. Cliff Peacock, Mrs. Cliff Smith, Mrs. Theo. Golden, Mrs. W. O. McDonald, Mrs. Gurney Smith, Mrs. Jack Pease, Mrs. L. G. Biggers, Mrs. Nathan Dykes, Mrs. Cliff Averett, Mrs. E. J. Knight, Mrs. George Golden, Mrs. Will Pease, Mrs. John Peacock, Mrs. George Cox, Mrs. S. B. Hatcher, Mrs. T. S. Methvin, Mrs. R. D. Gay, Mrs. Porter Golden

Lt. and Mrs. A. M. Wilson, Jr., who have been visiting his parents, in Pinehurst, Ga., have arrived in the city for a visit to her parents, Mr. and Mrs. Fred Clark, in St. Elmo Place.

Prior to her marriage, Mrs. Wilson was Miss Juliet Clark, of this city.

COL. GOWEN NEW CHIEF OF STAFF

Former Commander of 29th Infantry at Fort Benning Comes to Assume Important Post

Col James B. Gowen, recently commander of the Twenty-ninth Infantry at Fort Benning, has arrived at Fort Hayes and assumed his new duties as Chief of Staff, Headquarters Fifth Corps Area, Fort Hayes. Colonel Gowen replaces Col. John F. Madden, formerly Chief of Staff, who becomes commander of the Twenty-sixth Infantry at Plattsburg Barracks, N. Y. Lieut. Col. E. K. Sterling, General Staff, has been Acting Chief of Staff since the departure of Colonel Madden on June 6.

The Military career of the new Chief of Staff of the Fifth Corps Area, headquarters at Fort Hayes, Ohio, Col. James B. Gowen, began in 1894, when he was appointed a cadet at the Military Academy at West Point, N. Y., from the sixth district of New York. He was born in the Empire State on September 25, 1872. He graduated from West Point and was appointed lieutenant of Infantry on April 26, 1898, in time to take part in the Santiag campaign (Spanish-American War). He was promoted to first lieutenant on March 2, 1899; to captain October 3, 1902; to major July 23, 1916; to colonel July 1, 1920.

He has spent many years of active service with the Tenth Infantry (now stationed at Fort Thomas and Fort Hayes). He has been at various times regimental adjutant, commissary and company commander in this regiment. He was three years with the Sixteenth Infantry in the Philippines, where he was active in suppressing the insurrection and assisted in installing and supervising the first civil government tried in the Islands under American rule at Malabon, just north of Manila.

He is on the initial G. S. C. elegible list; an honor graduate of the Army School of the Line, 1912; garduate of the Army Staff College, 1916, and Army War College, 1923.

He was Executive Officer at the Army War College from 1919 to 1922, and director of the Infantry Board engaged in development of new equipment, etc., for the Infantry branch from 1923 to 1925.

He has been in command of the Twenty-ninth Infantry since June 16, 1925. This regiment is stationed at Fort Bennings, Ga., where the Infantry School is located, is used to demonstrate to the student officers, the latest and most up-to-date Infantry technique and training. —The Fifth Corps News.

SPARE THE ILLUSION

Daughter—He says he thinks I'm the nicest girl in town. Shall I ask him to call?

THE PRETTY MAID

"Oh, whither now, my pretty maid?"
Inquired the kind old pastor.
"I goeth now to town," she said,
"To get a porous plaster."
"Oh, why dost want, my pretty maid,
This thing called porous plaster?
Hast rheumatiz?" the pastor said;
"Or, hast thou met disaster?"
"Oh, sir, I fear," the maiden said,
"That sore we need the plaster;
The neighbor's goat has raised Old Ned
And kicked Tom in the pasture."
"And thou wilt use it, pretty maid,
Upon the goat?" he asked her.
"Oh, no, you fool," the maiden said,
"Not on the goat, dod gast her."
"What, then, wilt do, my pretty gal,
With this 'ere porous plaster?'
"I'll use it where the goat kicked Tom,
But I don't mean in the pasture.

HOMESICK

No matter how happy this camp life can be,
Or just how contented I am.
There's nothing 'twould go any better to me,
Than a piece of that "Home-made-Ham"!

It's great just to roam o'er the fields all-day.
And sing by the light of the moon.
But give me that dear little cottage of Grey.
And songs that the night-birds croon.

I'm homesick I guess, but I can't see why.
For everything's going just right.
I guess it's the ghost of a lullaby.
That haunts me at dream-time each night.

"ORPHEUM CIRCUIT ARTIST" APPEARS AT MAIN THEATRE

"HAPPY BILL COPE," will render popular selections on the Banjo, Guitar and Accordian, Friday, Saturday and Sunday evenings of this week at the Main Theater. He will appear on the stage immediately following the comedy picture.

Mr. Cope is talented and versitile; the cognomen "happy" aptly describes him; his renditions are filled with pep and ginger. There is not a dry moment during his act. The audience enmasse tingles to the swing of his musical fingers. The Main Theater is to be congratulated upon its success in having secured the services of Mr. Cope.

SPEAKING OF COLUMNISTS

In this particular locality we enjoy the work of one of the country's very best columnists. Mr. W. C. Woodall, of Columbus, Georgia, writer of "Good Morning" in the Columbus Enquirer-Sun is ranked in the opinion of the writer with Mr. Rothwell Browne who writes the "Postscripts" column in the Washington Post, Jay E. House who writes "On Second Thought" in the Cincinnati Enquirer, Mr. J. K. Baxter of the Panama Herald and many other prominent columnists throughout the country. The Enquirer-Sun is to be congratulated upon the retention of Mr. Woodall.

FORT LEAVENWORTH, KANSAS, OBSERVES CENTENNIAL CELEBRATION THIS YEAR

Fort Leavenworth, Kansas, home of the Command and General Staff School of the United States Army, is this year observing its centennial celebration. A hundred years of history now look back upon the military post, established on a high bluff overlooking the Missouri river by General Henry Leavenworth in 1827. The Fort was named in honor of the general who caused the first crude fort to be erected as a defense for the early frontier. From it have gone forth to the wars, since that day, men who have played important roles in the nation's military histoy.

Albert Sidney Johnston, Sherman and Kearney were there before the Civil War. Alexander Doniphan's daring expedition to Mexico began its march from old Fort Leavenworth. General Pope was in command of the fort and the entire Western Department through a period when campaigns against the Indians were the regular order.

Following General Pope came five distinguished generals, Augur, Nelson A. Miles, Potter, Wilcox and Wesley Merrit. Colonel Elwell S. Otis, was the first commandant of the old infantry and cavalry school established at Fort Leavenworth in 1881, by the efforts of General Pope and General Sherman. In 1890 General Schofield, then Commanding the United States Army, ordered a department of Military Art to be established at the school. The first schools were organized with an idea of training only junior officers, but it gradually extended its scope and finally evolved into an institution devoted to the training of officers for command and general staff work.

Fort Leavenworth acted as a recruiting center during the World War and over four thousand men were mobilized and half of them sent overseas into battle from this fort. McAndrew, General Pershing's chief of staff, had come directly from the Fort Leavenworth school's command to the war. Under him were other brilliant young officers, namely: Generals Hugh Drum and LeRoy Eltinge. Harry A. Smith, now a Major General, was in charge of the military educational system of the army in France.

A hundred years of invaluable service to the people—the history of Fort Leavenworth is one for the nation to look upon with pride.

INTER-MURAL BASEBALL SCHEDULE, 2ND SERIES

The second half of the Inter-Mural Baseball League opened July 24, 1927.

All members of the Infantry School command are cordially invited to any and all of these services. Come, you will receive a warm welcome.

BARRACKS BANTER

By Ad.

Mrs. Jack Dempsey may be a high-toned lady, but we don't expect that she objects to having Jack carry his fortune around in his "sock."

* * *

The Drys are talking about organizing a Third Party: What we want to know is how a Dry Party expects to get "organized."

* * *

If Colonel Charles Lindbergh were to accept all the invitations tendered him by Prominent American Citys he would have to be a combination of Methuselah and the Wandering Jew.

* * *

According to some authorities John Barleycorn is dead; and observation leads us to believe that there is considerable mourning over his "beer."

* * *

1975 Traffic Cop:—(To speeding aviator)—"Hey there! Who do you'se think you are? Elija goin' to Heaven in a fiery chariot."

* * *

Though the "popular" Song is a curse,
Let's give thanks that its usually terse;
For it's not meant to last,
And is written quite fast;
So it can't get much verse or much worse.

* * *

Alarmists warn that our great cities would fall an easy prey to an invading fleet of enemy bombers.—If that is the case we should develop more Sky-scrappers to protect our skyscrapers.

* * *

The Geneva conference is only trying to decide whether it is better to have one's battleships sunk by a friend or an enemy.

* * *

Someone should call the Soviets attention to the fact that no one can prosper financially who records all his transcations in Red.

* * *

With New York City facing the possibility of a strike of all the elevated and subway lines we may expect a revival of "The Sidewalks of New York."

* * *

Many leading pugilistic experts including our own Sport Editor were firm in the belief that Sharkey would beat Dempsey. They said, "there ain't no fighter ever been able to' come back!" Now many of them are equally firm in the belief that, should Sharkey and Dempsey meet again, Sharkey will win. Evidently they have at least changed their minds about a fighter being able to come back.

* * *

If Captain Mabbutt ever sees Sweenie climbing through the ropes again, when he is refereeing a fight, we will bet that the Captain hollers for help.

* * *

There isn't a bit of truth in the rumor that Captain Mabbutt's horse fell down the other morning and that the Captain was found by his orderly, gravely counting 'Ten' over the prostrate equine.

* * *

The Editor of the "News" has decided to "retire"—No the Captain hasn't reached the age-limit; but the Good-for-a-Year Cords on his Coupe have.

* * *

It does seem imminently fitting that our new Telephone Exchange should be so Centrally located.

* * *

The condemned criminal had mounted the scaffold. All the little details had been attended to. "Is there anything you would like to say," inquired the kindly Prison Chaplain.

"Well, sir," the poor wretch fingered his 'cord cravat," "all I can say is that I guess I am at the end of my rope."

GORMAN-KEENAN FEATURE FIGHT CARD

SUDDEN RAIN BRINGS "RED-LEGS" RUIN

Cannoneer "Come Back" Balked by Cloud Burst in Ninth Inning

With Kelly's crew booting the ball and fanning the air with futile bats while a rejeuvenated gang of "Red Legs" hold the hard hitting First Bats., to a tie anything may happen, in the Second half of the Intra-Mural season.

The power of the Jinx must be unlimited. The Cannoneers, Cellar Champions of the first half of the season opened the second half with what should have been a win; but an act of God intervened. The Heavens opened and the ensuing deluge wiped out two markers for the 83rd and left the Artillerymen the poor honor of having held the Romping Reeders to a tie.

We have heard an unconfirmed rumor that Major Boots has taken over the reins of the I. S. D. team. Perhaps Wednesday's game was a result. Let us hope that the Major doesn't intend to keep up the fifteen inning idea. It was a good win though and added another element of doubt to an already complicated situation.

GREEN CORDS LOSE OPENER TO BLUES, IN SPITE OF THRILLING TRIPLE PLAY

The 24th Blues took advantage of a five run lead in the early innings of opening game Sunday afternoon, the Green Cords came back and tied it up in the [illegible] Blues put over the [illegible]th to win 7 to 6.

The Detachmenteers fought hard, but saw victory vanish in the ninth when with two men out and a runner on third, Cleveland at short took an easy ground ball and threw to first for the third out, but the Umps favored the runner on a hairline decision and the Blues were in first place.

The Greenies pulled the first triple play of the season in the first inning. The Blues had two men on the path, Seats on third and Powell on second, Thomas hit to White who held Seats on third then whipped the ball to first getting the runner, Morgan made a quick throw to Douglas at third, Seats starting for home, Douglas caught Seats at the plate with a perfect throw to McCarthy, Powell took advantage of the play to go to third but found Douglas and the ball waiting for him when Mc. made a lightning throw to third.

Brown for the Blues did some mean stick work getting four hits out of five trips. The Green Cords don't seem to be playing the old game as they were expected to play, seven errors being the main cause of their defeat Sunday, lots of work with the hickory and a little tightening up in the infield.

The Blues are going to be troublesome and from the way they are hitting the old apple they are going to cause opposing pitchers plenty of trouble.

Hits: off Stokes 3 in 5 1-3 innings, 3 runs; off Leonard 3 in 3 2-3 innings, 3 runs. Winning pitcher: Leonard. Struck out: by Stokes 4; Leonard 1; Tolle 1. First on balls: off Stokes 3; Tolle 2.

Umpires: Kammerer and Brinkley. Scorer: Scipio. Time of game: 1:50.

SECOND BATS SWAMP TANKERS IN SECOND GAME SUNDAY

The Second Bats ran wild in the fourth inning Sunday afternoon, and before the Tankers could put them out, they had seven scores hanging on the scoboard.

Rowman started pitching for the Tanks but the Kels got the range on him and he took a walk, enter Conrad, the Kellys continued to drive them out until, Conrad was yanked and Mays another south paw took the mound, but the slaughter continued.

Red Lindsey was called to the rescue in the fifth and the fun was over, Red pitched great ball for four innings giving up three hits, striking out four batters, and issued no passes.

Roosma added another game to his own column, while Cooper at second for the Kellys made his first error of the season.

Lt. McElroy went to 1st base in the fifth inning, J. Smith going to right field, and the way he handled the ole apple down there was plenty fitting.

First on balls: off Rowman 1; Roosma 2. Hits: off Rowman 7 in 3 innings, 6 runs; off Conrad 1 in 1-3 innings, 1 run; off Lindsey 3 in 4 innings, 0 runs. Losing pitcher: Rowman.

Umpires: Bennett and Reeder. Scorer: Scipio. Time of game: 2:05.

RAIN RUINS RED LEGS WELL EARNED VICTORY

If ever a team lost a ball game after they had it in the old kit bag, the Red Legs certainly was the team, after going into the first half of the ninth with the score tied at 4, all the Red Legs shoved over two counters that should have put anybody's ole game on ice.

But just as the 1st Bats., were getting ready to die hard, the heavens begin to weep, and combined with a certain Redheads prayers there was nothing to do but call it a draw, but it was one of the times when IF it hadn't have rained. Sheriff played a great game for the Reeders getting 3 hits out of 4 times up and also scored two of their four runs.

Ridleys playing at first was the feature of the game, accepting 14 chances without a bobble, he also got two hits.

"RED" KEENAN KO'S KENDRICK AFTER SIX SLASHING ROUNDS

"Bud" Gorman Stops Sweenie's Swift Career and Tumbles Terrible Tanker 33 Times in Ten Rounds for Decision

Ringside Rumors

By THE PIRATE

Two months ago every one was saying that "Red" Keenan, one of the niftiest little fighters the Army ever produced, was through.

After looking "Red" over Capt. Mabbutt said he was not through he had just begun. And anyone who saw the "RedHead" stop Mickey Kendricks in the fifth round last Thursday night agrees with Captain Mabbutt that Red has just begun.

* * *

In developing fighters Capt. Mabbutt can almost be rated as a miracle man, and for the short space of time he has been here he has already made a wonderful improvement on the ambitious young leather pushers of Benning. "Red" Keenan and Gorman are two good examples of the improvements that he has made.

* * *

The tactics Sweeney used in his fight with Gorman would wear any man down if he was not in excellent physical condition; but Gorman was not even breathing hard at the end of the fight.

* * *

The way Keenan shot that right over was a sight for sore eyes. I was never more surprised in my life, than, when from the tap of the bell "Red" stepped out and took the offensive; driving Kendricks all over the ring in the first round with straight punches that had plenty of steam back of them; and he never let up until Mr. Kendricks asked for the "ole family dishrag."

* * *

With al lthe respect for Sweeney, that boy had had better stick to football and La Crosse and leave the gentler art of glove slinging alone, for a flying tackle

is alright in football, but when you are tackling a "circular" saw loaded with boxing gloves that just rain on your body while you are doing the said tackling, its "bum bizness," and then there is the referee to be thought of; every time you take the horizontal pose he has to raise his good right arm in cadence to the count and for a man to do this thirty-three times and always hold the pose until the count of nine—well my advice is: "don't try it no more."

* * *

"Bud" Gorman is one of the cleverest fighters we have seen in many moons and Captain Mabbutt says as soon as it is possible to get Conway and Gorman in the same ring that Benning will also claim the welter weight champion of the 4th Corps Area, the title now held by Conway of Fort Bragg.

* * *

Oikari although losing the decision to Dallas Hunt of La Grange in their fight here on the 21st gave a good account of himself and the verdict was close, lots of the fans thinking it should have been called a draw.

Hunt is one of the best boys we have seen here in some time, but the Doughboy from the 29th gave a good account of himself and Mr. Hunt was never even close to adding him to his K. O. list; which at the present time is about twelve in number.

* * *

What the fight fans of Fort Benning are "rarin" to see is some colored heavy that would at least make Battling J. D. extend himself. He has never had a chance to show his stuff since coming here, and from what we have seen of him he can certainly step if given a good opponent, Kid Heard wasn't as good as Spark Plug, for although Sparky did not last very long, there sure was some dust flying while he was there; but Kid Heard simply out-ran J. D. for three rounds.

* * *

Kid Bakewell from the Q. M. and Battling Sam from the I. S. D. put up a fast three round bout that brought a roar of applause from the crowd, Bakewell packs an awful wallop and he came near putting Sammy to sleep in the first round when he caught him on the button with a hard right, but they were using big gloves and Sammie shook it off although he was a bit groggy at the bell. The last two rounds were fast both boys setting a pace that kept the crowd in an uproar.

* * *

Carter was perfectly willing to fight Hines, but he was never able to get Hines to stop long enough for that. The only person hurt in this bout was the referee who got run over when Carter got Hines cornered.

* * *

White and Lawson, of the 24th, swapped some healthy wallops during their three round argument, but White was too clever for Lawson, easily taking the decision.

* * *

If every one in Benning continues to take the interest in the fight game that is apparent now, it is an assured fact that it won't be long before Fort Benning will be noted for its fighters as well as many other accomplishments that are credited here.

* * *

So every body get ready for the next card—if arrangements can be made, Gunner DePratt will meet Young Pthomey, middelweight champion of the Army, Navy and Marine Corps, and Red Keenan and Bud Gorman will also be matched with suitable opponents.

So Come on, Fight Fans, and Watch 'em—

Rock 'em and Sock 'em—

SPORTOPICS

By THE PIRATE

The first triple play of the season goes to the Green Cords, and the hardest game of the season goes with it, after overcoming a five run lead the Ole Jinx came and lit on first base in the ninth with two gone.

Fat Franz and Red Lindsey were in Sweeney's corner last Thursday night, and still people argue that there is no such thing as a Jinx. Well you see what happened to Sweeney.

It's every body to his own notion, and to show how I feel I will just bet my last pantoon check on Sharkey if he meets Mr. Dempsey next Fourth.

Harmonica Collins campion middleweight of Bugaloosa, showed some of the prettiest footwork I ever saw when he sidestepped his bout with De Pratt Thursday night.

Not mentioning any names but a certain party sure was tickled over the fight returns when they were anounced at the ringside last Thursday night.

Wonder what it was Mick found wrong with Nash's bat, seems like they let him bat with the wrong bat, as he liked to knocked the old apple over the "scoboard."

"Red Reeder" said that he has seen some mighty dry spells, but that he never needed rain any worse in his life, and was never glader to see one, like the rain that came last Monday aftenoon.

And so the Albany Nuts sold a player for sixty-five thousand kopecs, well all we have got to say is that all the Nuts are not in Albany.

SUDDEN RAIN BRINGS "RED LEGS" RUIN

(Continued from page 6)

REDS HIT NEWMAN HARD TO WIN OVER KELLYS 8 TO 3

Although the Kellys fought hard they could not hold the Reds in Tuesday's game.

Newman was hit freely, the Reds getting 13 hits off him and they were mostly of the long range variety.

The Reds started the trouble in the second inning, Hampton was safe when Dean muffed his fly to right field, Bell laid one down to Newman who fumbled, both runners being safe, Battles dropped a Texas leaguer over second Hampton scoring, Cooper took F. Williams grounder catching Bell at home, Williams goes down on first ball pitched, Franz took Thomasons' throw but was unable to get Battles at home on the play, Battles scoring, Vance grounded out to Franz, McCrary went out, Cooper to Roosma.

The Kels came back in the fourth tieing the score, Franz first man up fouled three then picked out a good one for a single to center, Roosma popped up to King, Kelly doubled to center, going to third when Williams let the ball get by him, Franz scoring, Newman hit one to center for two cushions scoring Kelly, Cooper and McDuffy were easy to the infield.

The Reds put the game on ice in their half, Bell singled through second, S. William laid one down and beat it out, F. Williams hit to the flagpole for a triple, scoring Bell and S. Williams, F. Williams scored on Vance's long sacrifice fly to rightfield, McCrary out Franz to Rossma, Johnson singled but was thrown out trying to steal the middle sack.

Kelly went in to catch in the fifth Tommy going to left, Big Newman seemed on the verge of elevation, King singled to left, Trammel was out Newman to first, McDuffy fumbled Hampton's grounder both runners safe, Bell takes one of Newmans benders in the back for a free trip to first, the bases were loaded, Kelly made a bluff throw to second that like to have proved fatal when Newman interfered, Franz making a quick recovery, cutting King down at the plate on a lightning throw to Kelly, Sloan Williams popped up to McDuffy.

The Reds scored one in the sixth when F. Williams singled, went to second when Roosma missed Newman's throw to the bag, advanced to third on McCrary's slow grounder to the infield and scored on a wild pitch by Newman.

Johnson flew out to center for the third out.

Inability to hit spelled disaster for the Kels, Cooper first up in the seventh was safe when S. Williams dropped the ball at first, McDuffy singled through second, Davis pops up, Thompson flew out to center, Parris was called out on an awful wide strike.

The Reds got out in the eighth, S. Williams fanned, F. Williams singled, Vance walked McCrary popped up, Johnson hit three bagger to the right field scoring Williams and Vance but is thrown out at home when he tried to stretch it for a home run.

The Kellys made a last rally in the ninth, Newman doubled to left, Cooper out to infield, McDuff singles scoring Newman, Davis flies out, Tommy goes out at third to first.

First on balls: off Vance 1; Newman 2. Hit by pitcher: Newman (Bell); Vance (Roosma). Wild pitches: Newman 2.

Umpires: Jaynes and Norris. Scorer: Scipoi. Time of game: 1:55.

FIFTEEN INNING BATTLE

The Detachmenteers and Terrible Tankers battled for fifteen innings Wednesday afternoon before the Green Cords were able to break the tie and win.

Although both teams fought hard to win and every man did his best, the honors of the day go to Shotgun White playing centerfield for the Green Cords.

In the eleventh inning Bowe first man up for the Tanks singled to right, stole second when Douglas peg was high, Wright next man up hit a line drive to center that looked like a sure hit, White made a running shoestring catch of it, doubling Bowe at second who had already rounded third on his way home.

Shepherd pitched a great game for the I. S. D. going all the way and holding the Tankers scoreless the last eleven innings.

Shepherd is another old time who has come back in great form. Some time ago he shut the Reds out for eight innings and lost the game by a two to one score when the infield weakened behind him in the ninth inning.

The Greenies hung up one marker in the first frame, Douglas hit the first fall pitched for a single to left, Morgan out pitcher to first Douglas going to second, White grounded out to McElroy, Douglas going to third, Douglas scored when Bowe fumbled McCarthy's grass

cutter at short, Heckert went out pitcher to first.

Ashe and Shepherd scored in the second on some loose work by the Tankers. Wade scored for the Tankers in the last half of the second. Ashe scored again in the fourth with the help of another wild throw.

Wade, Smith, Lindsey and Bowe scored for the Tankers in the fourth. This ended the markers until the ninth when the Green Hats revived and pushed Morgan over for a count. There was no more scoring until Cleveland and Douglas crossed the plate on some pretty hitting by the I. S. D. in the fifteenth inning. The Tankers were too tired to come-back so the game ended.

Quartermaster Corps

Ye Olde Printe Shoppe Gossipe

One day last week Mr. Smith, our well meaning if misguided shop foreman, glanced around the office and after clearing his throat a number of times to engage the undivided attention of one and all, made some remark to the effect that with the unlimited talent brought together in that room it seemed to him to be a shame that not one of us was entered in the race for this year's grand prize for journalism. Well, as Goodrich often remarks: "The Buck Stops Here." The writer found himself saddled with the responsibility of rendering to the cold world a weekly account of the Print Shop's sins. It has been a long, long time since any one of the Shop contributed to the NEWS. I have not, as yet, been able to find out what happened to the last man who tried. Come to think about it though, there have been a number of quite important things come about here in the past month or so.

The all important gods who sit somewhere behind oaken desks have, in a fit of generosity, provided the G. I. cash to buy a new folder. We recommend that the old one be mounted on a granite base and dedicated to Dubey and Phipps. They deserve it, in fond rememberance of the hours they have spent over the antique wreck.

At the lintoype Mr. Davidson and Pfc. Dollar may still be found pecking away at the keys while Pvt. Heisler has just returned from a re-enlistment furlough spent in K. C.

The greatest number of changes in the shop personnel have been in the cylinder press department. Pfc. Luell purchased out about a month ago and the last we heard of him he was in Nashville. Norwood and Webb were discharged recently. The latter, in spite of many and loud declarations to the contrary, reenlisted and is now on furlough. Malo took a little vacation last month and liked the outside so well that he thinks he will soon be doing his earning, learning and traveling in the army of the one hundred million.

Methinks that this going to be a touch year for Tunney, Dempsey and Sharkey. Monsieurs Trivisani & Phillips of the bindery and the jobbers respectively have taken up the art of mawl and brawl. The Shop trembles.

A very sad thing has come to us. Our lady has been taken to the hospital. The day she left the shop sunk into the deep, dark, dank depths of despondency. Gloom permeated the place and many of us have not eaten for days. Oh! have mercy on humble sinners and restore her to us! She is our pet. We need her kind face to cheer us in our trials and tribulations. Dubey, call up the veterinarian and see if he will give us back our dog! J. E. M.

"GUNNER" DEPRATT—CHAMPION

GENERAL BOOTH IS VISITING THE GARRISON FOR SEVERAL DAYS

Assistant Chief of Staff from Washington Pays Fort Benning a Call

Brigadier General Ewing E. Booth, General Staff, Assistant Chief of Staff to the Chief of Staff of the Army is a Fort Benning visitor today. General Booth arrived in Columbus, Georgia on Wednesday evening and was immediately taken to Fort Benning and to the Commandant's Quarters where he is a guest. On Thursday morning at eight thirty o'clock a salute of eleven guns was fired by a battery of the Eeighty-Third Field Artillery for General Booth. General Booth accompanied by the Commandant, Brigadier General Edgar T. Collins inspected the Battery which fired the salute in his honor.

The length of General Booth's stay at Fort Benning is not definitely known, however it is expected that the General will remain in the Garrison for several days.

The nature of General Booth's visit is not known, but, it is asumed that his visit is for the purpose of looking over the construction of Barracks and other buildings of the Post and also the progress of training in the various organizations of the command.

FORT FOOTBALL SQUAD ASSEMBLING EARLY FOR FALL PRACTICE

Army Hopes for Victory in President's Cup Game Grow Brighter as Plans for 1928 Team Materialize

Major Van Fleet has returned to Fort Benning from Superior Wis., where he has been attending "Pop" Warners Football Coaching School.

Major Van Fleet will be head Coach of the Army football team assembled at Fort Benning which will compete with the Marines for the President's Cup at Washington, D. C., November the Nineteenth.

Lt. Yeomans who will be assistant Coach is now attending the Rockne Football Coaching School at Bucknell University, Lewisberg, Pa.

He will return to Benning in the next few days.

The thirty players from the Army at large, will arrive around the 15th of August. It is contemplated to take the entrie football squad to Tybee Beach Georgia for the period of Aug. 20th until Sept. 20th.

Local Lad K.O.'s All-Service Champ and Coveted Title Comes to Benning

3,000 Startled Spectators See Ptomey Tumbled by Smashing Left as Feature Fight Opens. Battling J. D. Crowns King of Atlanta in Ninety Seconds

(By AL DURDEN.)

Gunner De Pratt knocked out Willie Ptomey middleweight champion of the Army, Navy and Marine Corps at the Doughboy Stadium, Thursday night in one of the shortest title bouts on record.

Ptomey who has stopped the best men in his weight from the three barnches of the service was a victim of De Pratts dynamite left in just nine seconds after the beginning of the first round.

Both men came out at the bell and then things happened, Ptomey feinted with his left, then put over a pretty right to De Pratts head, it was a fatal move for in that moment his right jaw was a wide open target and De Pratts lightning left hook that never traveled over six inches made a perfect pinwheel on the ole button. The three thousand fans were dumfounded, it seemed impossible, but as the referees droning count neared the fatal ten and Ptomey remained motionless on the canvas the Doughboys came to life, the stadium simply shook with the roar that went up from throats of the triumphant Bluecords as they swarmed about the ring to seize De Pratt and bear him away from the ring a new born champion.

Battling J. D. of the 24th Infantry, stopped Charley King one of Walk Millers highly touted colored heavys of Atlanta, in just one minute and thirty-two seconds of fighting, King who has been boasted as a second Tiger Flowers was no match at all for the piledriving J. D., after King had strutted big town stuff in tht first half minute, catching J. D. with straight jabs to the head and face, the big boy from the camp of the Happy Hearts started slinging leather, King kept up the pace for a moment but when J. D. whipped over a left to the jaw that carried a ton of TNT along with it little Charley kissed the rosin but came up at nine with plenty of fight left. The finish came a few seconds later when J. D. crashed a left to Kings stomach and followed up with a hard right to the jaw, King was out and the Referee could have counted one thousand if necessary.

THREE ROUND "PRELIMS" PROVE BIG FEATURE

Jack Phillips and Battling Sam both from the Green Cord out-fit opened the bouts with a slashing three round affair that was a slugging match from the word go. Both boys put up a good fight and although Phillips got the decision it was a mighty good bout and made a hit with the crowd.

Kid Bakewell of the Q'Emmers won a decision over Carter of the M. P. outfit, Bakewell used a mean uppercut to the body with telling effect, and had his man groggy at the finish.

Roughouse Smith, 29th Infantry, Kayed Porterfield from the Medicos in a whirlwind affair, Smith turned the trick with a right to the stomach and left to the jaw.

Say where has this Smith been all the time?

Moore and Parker both of the 29th Infantry went three rounds, Parker winning on points.

Kid Colombo, 29th Infantry, and Charleston Main from the M. P.5s started off at a fast pace, Main did all of the latest dance stops on record, Colombo let him live until his capers ceased to be funny, then Mr. Colombo put on a mean look swished over a couple of hard wallops and the Gumshoe lay down to sleep.

Oikari and Cadenhead two 135 pounders put up a fast exhibition both boys showing plenty of stuff, Oikari was given the decision.

Peters of the 29th Infantry, had Kid

Duke, R. T. Walker, Captain, Inf.
Ellis, Roscoe B., Captain, Inf.
Ennis, Riley F., 1st Lt., Inf.
Essig, Thearl W., 1st Lt., Inf.

(Continued on Page 4.)

29TH INF.

On Monday, July 25th first Sergeant David W. Smith of H. Company 29th Infantry was officially retired from active service with the Regular Army. Sergeant Smith was transferred to the Demonstration Doughboy Regiment some 20 months ago in the grade of private and soon rose to that First Sergeant. He has been discharged four times in the grade of sergeant and once as corporal. All of Sergeant Smith's discharges, covering a period of over 30 years, have character "Excellent."

For several months Sergeant Smith was assigned to special duty at the Recruit Center. As an instructor of recruits he was started many a man towards a successful career as a soldier. By reason of his long service, of the highest character, Sergeant Smith was very well fitted to train men fresh from civilian life and many recruits will carry him in memory as their Ideal Soldier.

Sergeant Smith's first enlistment was in "K," Company, 27th Infantry. From 1904 to 1919 he served in the Coast Artillery. After an enlistment in the Ordnance he re-enlisted in the 8th Infantry. The last four years he has served with the 29th Infantry. Sergeant Smith saw service in the Philippines and France.

On July 26th the Second Battalion, 29th Infantry held a Battalion Review in his honor. The following is an extract from the order then published:

"—retirement of Sergeant Smith marks the close of a long and honorable career as a soldier of the United States. His record of service, loyalty, and application to duty is an enviable one and is one to be emulated by all men who have the best interest of their country and themselves at heart.

The congratulations of the Regimental Commander and the entire command are tendered Sergeant Smith upon the completion of his long service and cordial good wishes are extended for his future success and happiness in his well earned retirement."

STAG PARTY

The Rhode Island Red rooster was astonished one day to see his friend, the Plymouth Rock rooster, sitting philosophically upon an egg.

"What on earth are you doing there, Bill?" he inquired curiously.

"Well," the Plymouth Rock explained, "it's got so nowadays that this is about the only kind of a job a feller can hold without being effeminate."

CORNET SOLO MAIN THEATRE SUNDAY NIGHT, AUG. 7

Musician Charles F. Younger, during the intermission period at the Main Theatre, will render the melodious "Twilight Dreams," composed by Herbert F. Clark of Sousa's band. Mr. Clark is considered the greatest cornetest living. Musician Younger is a cornetest of no mean ability. His musical accomplishments are accredied purely to his training in the United States Army. Prior to the outbreak of war Younger enlisted in the Fourth Infantry at Dallas, Texas; during the World War he served with the 1st Aero Squadron band attached to the 144th Aero Squadron. Subsequent to the war he transferred to the 29th Infantry where he has since played as 1st Cornetest in the band of that regiment. In addition, thereto, musician Younger renders the golden tones which flow from the cornet in the pit of the Main Theatre; his ability of sight reading makes it possible for him to follow difficult cued music which accompanies the varied pictures presented to the Benningites. This solo will add materially to the enjoyment of theatre patrons.

Quartermaster Corps

Ye Olde Print Shoppe Gossip

Last month Corp. Dubenowski's bindery department has been literally swamped under with work. A score of big jobs that have been germinating slowly and without gusto in the hand comp., Linotypes, and presses have suddenly bloomed out into almost finished products. The rear end of the shop is a bewildering mass of printed matter waiting to be folded, collated, stitched and wrapped. As a result nearly all of us have helping out at the plebian tasks of that section. Well, it is this sort of thing that will make competent printers out of us. The fact that we sometimes have to help the other fellow at his job sort of breaks the routine and adds to our knowledge of the printing game.

Now that the writer is in the subject he can not help but make a remark or two of a more or less complimentary nature. Did you ever notice how the army recruiting slogan "Earn, Learn and Travel" sometimes has a tendency to draw dark looks from a soldier, especially if the "Learn" part is recited with a little emphasis? By George, the legend rings true as far as we men over here at the shop are concerned. If we do not pick up a trade it is our own fault. That leads me to wonder just how many people of the post have any idea of what we have over here.

* * *

As an example of research work done here we might point out Mr. Smith and Pvt. Heisler's work with the Kelley Press. When these two ingenious gentlemen are seen emerging from the job press department covered with grease and with a sort of cheap look on their faces one could guess without much effort that they have been delving into the dark secrets of that complex piece of printing mechanism—the Kelley. About the same thing happens when Corp. Dollar performs a major oeration on his Linotype. Seriously though, there is quite an opportunity here for the man who keeps awake. Even a book binder draws fairly good money on the otuside.

NEW BUILDING AND LOAN ASSOCIATION CHANGES NAME

Announcement is made in this issue that the Columbus Building & Loan Association will change its name to the Commonwealth Building & Loan Association.

It is stated that this change is made out of courtesy to the Columbus Mutual Loan Association, with whose name there has been considerable confusion.

Since its organizatiin a little while ago the Columbus Building & Loan Association has had very successful growth, and have already been forced to secure larger office space. New quarters have been secured at 12 Thirteenth street, and will be occupied about August 10th.

During the four weeks which this company has been in business, the subscriptions for shares has amounted to $164,500.00.

The Ancient Art

"The manly art of self defense"—a high-sounding, but forthright phrase, that is as aptly descriptive of boxing today as in those days of ancient glory, when the Marquis of Queenbury first formulated the rules of Fistiana.

The Army, dedicated to the service of National Defense, must always be vitally interested in boxing. Particularly when it is considered that our combat rpinciples place so much reliance on the individual. What better training for a soldier, in times of Peace, than to place him in a roped arena, facing a pitless antagonist, with no choice but to defend himself to the best ability of his own mind and muscle.

Other sports have their crowded galleries, whose chanted cheering or shouted council may make or mar their favorite's fortunes; but the fighter—once the red haze of battle has dimed the white glare of the resined ring—is a man alone. During those swift seconds of smashing blows and flashing footwork, no one can help him. It's the Man that counts in the ring. The man of trained and co-ordinated mind and muscle. Even the trainer can help only before the bout—and indifferently between rounds. The crowd is there, of course—it must be there; but to the fighter it exists only as a cheering, jeering blur of humanity. And the greater the crowd the more concentrated the loneliness of the ring.

There's a plain, broad moral to the things. Every soldier should learn to box. It's the bayonet manual—without the bayonet. Every veteran knows the crowded loneliness of battle; when the red haze wipes out everything but the man who is trying to get him—and lucky is the soldier who can meet his antagonist with the calm self-confidence of the trained boxer.

BACHELOR PILOTS

Only single men will be admitted to the army's primary flying schools at Brooksfield, Texas, and March Field, Riverside, Calif. through a change in army regulations.

Due to the increased interest in aviation, caused by the Atlantic, Pacific and other flights many college graduates and men of all ages and stations in life are making applications to learn to fly, the announcement said. The air service hopes soon to have the fields filled with college graduates.

THEATERS

AUG. 5, TO AUG. 12, INCL.

FRIDAY, AUGUST 5

"FRISCO SALLY LEVI," starring Sally O'Neil and Roy D'Arcy in a comedy romance from the pen of Alfred A. Cohn. It is a rollicking Irish-Jewish comedy filled with romance, humor and pathos.

"By George."—Century Comedy.

SATURDAY, AUGUST 6

"LONG PANTS," starring the inimitable Harry Langdon in six rollicking reels of irresistible laughter. This film is exceedingly unusual in that a story of tragedy and sentiment is told with laughs and jest. Jumping from one tragic situation to another, Harry Langdon keeps toppling from the frying pan into fire which gets hotter with each stirring climax. You'll like this radical film departure.

"He Forgot To Remember."—Cook Comedy.

SUNDAY, AUGUST 7

"THE BELOVED ROGUE," starring John Barrymore in a burning, thrilling, dynamic romance of a lovable rollicking rogue and a ravishing kissable maid. It is the story of an underworld poet and adventurer, vivifying his maddest live escapade. Barrymore's remarkable stage talent is particularly evidenced in this drama.

"Swat The Criok."—Harold Lloyd.
"Pathe News."

MONDAY, AUGUST 8

"FIGHTING LOVE," starring Jetta Goudal in a romantic story of love, passion and self sacrifice. It shifts from the stately palaces of Italy to the hot pitiless sandy wastes of the African Desert. A woman of noble birth is to marry a rake, she rebels and marries an old colonel who is recalled to Tripoli to repel an Arabian uprising. She falls in love with his aide, learns that the colonel is dead, marries the aide then finds the death report false. The story is absorbing.

"Cleaning Up."—Tuxedo.

TUESDAY, AUGUST 9

"THE LADY OF THE HAREM," featuring Ernest Lorrence, Greta Nissen, Wm. Collier, Jr., and Louise Frazenda in a colorful spectacle production of Ancient Persia in the days of the Arabian Knights. The plot is woven around a kind hearted confectioner, a beautiful enchantress, an oppressive sultan and two lovers. The picture is filmed on a scale of almost unprecedented gorgeousness.

"Return Of The Riddle Rider No. 5."

WEDNESDAY, AUGUST -0

"HIS FIRST FLAME," starring Harry Langdon in a comedy of five fighters and gloom extinguishers fair ladies and a confligration of excitement. Come to see this picture prepared to wear your laugh mask.

"Wise Crackers No. 5."

THURSDAY, AUGUST 11

"THE CIRCUS AGE," featuring Tom Mix and his wonder horse, Tony, in a colorful western. This story with its threads of romance presents thrills of the circus coupled with typical western equestrian excitement. It is filled with fun catches.

"Pathe News."

FRIDAY, AUGUST 12

"HORSE SHOES," starring Monte Banks in a "reel" comical comedy. He meets a pretty girl—they run to catch a train—are taken for newly weds, endeavor to establish the falsity of it and merely entangle themselves more deeply. The story is a riot of fun frim start to finish. Pretty girls, some shapely, some fat, attractive men—if such there be—all embroidered in this comedy of errors.

"Love Mania."—Tuxedo Comedy.

COMFORT

What matters how the day has gone,
How troubled I have been at heart,
How madly life has spurred me on?
What matters all the ache and smart?
This holds me faithful to my post—
Night brings me home where all is fair;
Home to the ones I love the most.
And perfect comfort waits me there.
—Edgar A. Guest.

Then there was the well-known manager who was brought up at a Fifth Avenue hotel. Tipsily reconnoitering, he opened a warbrobe. The latest occupant, packing hastily, had left behind her a lovely, lace nightgown. The new occupant teetered carefully toward the door, pressed the button and handed the cobwebby thing to the bellhop.
"Here, boy," he said. "Have that filled."—Laughter.

LEAGUE LEADERS WILL CLASH SUNDAY

WEEK-END BATTLES SHOULD SETTLE SERIES

"Red" Should be Able to Stop "Blues" While "Kels" Wrestle "Reeders"

The 24th Infantry "Blues" got off to a good start an dare holding it. The "Reds" are playing more like the champions of last year and will certainly give the "Kelly" clan a tough fight before the finish. The "Kels" themselves are playing good ball but must do better if they hope to take the pennant.

BLUES AND REEDERS BATTLE TWENTY INNINGS

Thursday's game will go down on record as one of the longest and hardest fought games ever staged on Gowdy Field. It was brought to a finish in the last half ow the twentieth inning when a wild throw and a single to right field gave the Blues the winning marker.

Both teams player airtight baseball, Bertiumes playing at second was the feature saving the game fo rthe Reeders on two occasions he acted as pivot man on double plays that cut down sure scores, Hafapint Baker playing the middle station for the Blues took a line drive off Guzmans bat that turned him a couple of flips but he held on to the ole horseside, if this ball had went for a hit the game would have been over, both pitchers pitched a great game, Stokes made a new strikeout record when he fanned twenty-one batters, Ole Man McGaha also made a record when he went the entire distance with out walking or hitting an opposing batter.

The Blues scored one run in the second, the Reeders tied it up in the fifth, only to have the Blues come back and take a one run lead in their turn at bat, the First Bats., not to be outdone, starting with a hit by McGaha, scored in the eighth to tie the score.

McGaha and Stokes then settled down to a pitchers duel, and they gave as fine an exhibition as has ever been witnessed since baseball has been played at Ft. Benning. Both teams were turned back time and again without scoring although each team looked like sure winners at different times.

The Blues put over the winning marker in the last half of the twentieth inning Stokes first man up popped up to Guzman, Seats flied out to center, Thomas hit an easy grounder to Sheriff who made a wild throw to irst, Thomas going to second, Powell then hit a single to right field, Thomas scoring, ending one of the greatest games ever witnessed at Gowdy Field.

REDS RUNAWAY WITH "RED LEGS"

Showing a reversal of the form they showed against the First Bats., in their first game, the Artillery were easy victims for the Reds in Friday's game.

Errors were costly for the Artillery, while the Reds batters went on a rampage every man o nthe team getting at least one safe hit, Bell getting three.

Jefferies hit some terrific smashes to the outfield that were just a few feet short o fthe fence, but the Red outfielders were always playing back for him, and they always fell in a Reds glove.

Cole and Hopkins got two safeties each but the Red Legs could not connect when hits meant runs.

NEWMAN HOLDS CORDS WHILE KELS WIN

Big Newman slants were a puzzle to the Green Cords in last Saturday's game, only four hits were made off his delivery, while the Kelly Bambino's were getting to Tolle and Shepherd for nine safeties which attached to eight errors b the Greenies gave them a total of thirteen runs.

Inability to hit and miscues in the infield were the Detachmenteers biggest trouble, the loss of this game spoils the I. S. D.'s chances in the pennant race as they have already lost two out of their first three games.

BLUES CINCH FIRST WITH WIN OVER TANKS

In the first game of Sunday's doubleheader the Blues from the 24th Infantry won over the Tankers 8 to 1 and are still leading the teams in the second half, Leonard pitched a good game, giving up five hits while Lindsey was touched for eleven safeties, Hergecock got two of the Tanks five hits while Brown led the Blues with three hits out of four times at bat. Stokes for the Blues hit one for the circuit.

VANCE'S "SHUTOUT" BEATS FIRST "BATS"

Vance and Kautz fought it out in the second game, Sunday, the Reds winning 3 to 0, but the Romping Reeders gave a good account of themselves, fighting to the last out, Vance gave up two hits. Kautz held the hard hitting Reds to seven bingles, both teams played good basebal and it was a game well worth seeing. Although the Reeders have lost their last two games they have played mighty good baseball and the breaks have just been against them.

KELLYS WHITEWASH REDLEGS

The Kellys drove out sixteen hits, scoring ten runs while Johnny Roosma was letting the Cannoneers down with two measley hits in Monday's game, every man on the 2nd Bats., team got at least one hit, Cooper was high with three safeties to his credit. Kelly ran wild on the bases, stealing three cushions during the fracas.

RED REEDERS OUTSLUG TANKERS

In a hard hitting contest the Romping Reeders hit three of the Tankers slab artist for twenty-three hits scoring fifteen runs, in the meantime the Tankers were doing a little slugging themselves, getting twelve hits and scoring seven runs. Sheriff hit four out of six times up while Ole Man McGaha smacked out a three bagger and a home run during the excitement.

BLUES AND REDLEGS IN SLUGFEST

The Red Legs from the 83rd came very near pulling the Blues out of first place in Wednesday's game, the Blues finally winning out 10 to 6.

The Caisson Riders hit the old pill hard and really deserved a win but for erratic fielding.

Spivey and Big Jefferies hit a home run, Jefferies poling one out, that was a record breaker while Auliffe and McLeod got a three bagger each.

Stokes hit one for three cushions while Petaway slammed one out for two bags, these were the only extra base hits for the Blues.

A PRIVATE STILL

A zealous revenue officer was sent up into a Kentucky district to try to locate several "moonshine" stills which were known to exist.

Meeting a native, the officer said:

"I'll give you $50 to take me to a private still."

"Sure I will," was the reply, as he pocketed the money. "Come with me."

For many weary miles over the mountain roads they trampled, until they came into view of army camps. Pointing to a soldier on a step inside the square, the native said:

"There, you are, sir, my brother Fred. he's been a soldier for ten years, and he's a private still."—National Republican.

TROUBLE AHEAD

"Shame on you!" stormed the judge to the colored prisoner. "You come into this court and state that, because you believe in signs, you refuse to go home and live with your wife. I repeat, shame on you! A man living in this age shouldn't let superstition break up his home!"

"Jedge," replied the defendant, "'tain't superstition Ah's afeard on, but Ah do believe in signs. Fo' de las' three nights, aftuh Ah'd kone to bed, Ah could heah dat woman homin' mah razor."

LOCAL LAD KNOCKS OUT ALL-SERVICE CHAMPION

(Continued from page 1.)

Thompson of Columbus licked to a frazzle but got careless in the second round and was rewarded by getting clipped on the chin for the count for his carelessness.

Collins and Heard each weighing over two hundred pounds, both men from the 24th Infantry, put on the battle of the giants and it was a battle as long as it lasted, the air was full of leather until Heard landed one that would have made the original Jumbo feel bad and it put Collins where the birds sing and the flowers bloom.

Whiskers Harris gave Kid White an awful beating in their three round go, Harris is new to the Benning fans but he showed plenty of power last night, and we hope to see him go again. Both men were from the 24th Infantry.

Cecil Williams who used to be with the 24th Infantry, made a punching bag out of Blouin of the 24th Infantry, but could not put over the sleep producer.

Hamilton of the I. S. D. who weighs 130 pounds gave a wonderful exhibition in weight lifting, he supported ten men on his shoulders at once, held up 800 pounds on his stomach and chest with neck and heel bridge, and let four men bend steel around his neck with out even flinching.

It won't be long now, before the old pigskin will begin to take the place of the horsehide, and take a tip from me the Belleau Woods will be past history when the Doughboys hit the Leatherneck's line.

SPORTOPICS

By THE PIRATE

The sweetest music I ever heard is that made by an opposing batters bat as it cuts the empty air on the third strike, said Sgt. Logan Duff, when asked his favorite music, and my next best is a pack of Redbone hounds in full cry behind a red fox that is stepping on across the country.

What is the matter with the Green Cords? That hole at short is leaking, those batting eyes are weak, and lots of support in the grandstand would do giod if some of those habitual I told you so growlers that smile at nothing but pay day and mess call would come out with the proper spirit and show the team that they are for them win ir loose.

Loses a twenty inning pitchers duel: And they said McGaha was getting old, he sure looked good although he lost, but it was a great game win or lose and both teams deserve plenty of credit for the fight they put up.

There is a game played quite a bit in Benning around the first of the month that is very interesting as long as your money lasts, but once you are broke there is no fun in playing it, it originated in the jungles of Africa and owing to the thick undergrowth it had to be played in a close place, because the little square cubes are easily lost, so they call it African golf, and the dots represent the number of strokes, for instance its par is eight and the gentleman goes out in seven, well the next shooter tries to come out in eleven, etc.

CAPT. MABBUTT MAKES EXCELLENT PROGRESS IN ORGANIZING ARMY TEAM

Under the direct supervision of Captain Mabbutt, expert trainer and veteran football player, some 40 ambitious amateur leatter pushers are daily working at the Post Gym. The purpose is to organize an all Army team to compete in the 1928 Olympic games, in Holland.

Captain Mabbutt has inaugurated a novel and very efficient system in training boxers. A number of rings are chalked out on the floor with two men assigned to each ring, and under the tuition of the Captain the boxers are graded and matched, so as to keep every man working at top speed.

GLEE CLUB MEETING

The Infantry School Glee Club met at the Polo Club on Wednesday, August 3rd in a combined business and social meeting. Plans for the coming school year were discussed and a policy adopted, contemplateing the production of two Operettas. One prior to the Christmas vacation and the other during latter part of school year. The productions will be selected at the next meeting which will be held at the Polo Club on Tuesday evening, August 9th at 7:30. An informal and thoroly enjoyable musical program was presented after the business meeting.

The INFANTRY SCHOOL NEWS

This Paper is Published Without Expense to United States Government

Vol. V. FORT BENNING, GA., AUGUST 12, 1927 NUMBER 47

MR. SGT. E. M. SMITH, Q. M. C., RETIRES FROM SERVICE

Genial Property Sergeant—Who Saw Action During '98—Retires to Enjoy the Fruits of His Thirty Years of Soldiering.

Of course he is not leaving us. Trust an old soldier for that.—Not that Sergeant Smith is old; forty-nine marks little more than the half-way mark.—But thirty years of exceedingly active service gives any man the right to be called an "old soldier." Those who miss the genial surveyor of property will find his smiling face lighting up the busy portals of Mr. Austell's Post Excange Filling Station.

And the thought of that young "old soldier," retiring to the certain comfort of his $135.00 a month, gives us pause. Everyone knows the all-too-prevalent type of soldier, who gold-bricks and duty-dodges his way along; beating every detail he can while he eagerly checks off the remaining days of his three year enlistment.—"Re-enlist.—11, No! I'm no fool.—" He'll promptly tell you.—We wonder—Can it be that this hale and hearty middle-aged man—who can look back with undimmed eyes on thirty years on honest and faithful service to his country—and calmly await the mellowing touch of a still remote old age with the satisfied assurance that the wolves of want will never haunt his door—is the fool that the disgruntled young soldier refers to?—The best answer to that question would be a statement from some of Sgt. Smith's ex-comrades of '98—who did not re-enlist.

Last Tuesday night the Quartermaster Detachment gave a "Stag" party in honor of Sergeant Smith. We understand that it was a gala affair. Japanese lanterns dotted the lawn and spacious porches which surround the Quartermaster Recreation Building. Only an untimely shower prevented the party from being held on the lawn. However rain failed to dampen the spirits of the crowd; the Recreation Room became the scene of the festivities and the "Smoker" was pronounced a huge success.

As a token of the high esteem in which the Sergeant is held by his comrades in the Quartemaster Corps, he was presented with a splendid set of silver. Captain A. L. Littell, Q. M. C., made the speech of presentation. Following this ceremony the Sergeant shook hands with all the members of the Quartermaster Detachment, while the Twenty-Ninth Infantry Band gave the proper touch to the occasion by rendering the soft strains of "Auld Lang Syne. Sergeant Smith then made his farewell bow with a stirring speech in which he gave some good advice to the younger members of the Quartermaster Corps.

Naturally no Quartermaster Corps celebration would be complete without the necessary refreshments. In this case sandwiches with "almost" beer, cigarettes, cigars and coffee were served to the guests.

Sergeant Smith is married and will in the future make his home at 1971 Lake Drive, Columbus, Georgia.

RED KEENAN TO MEET BENNY REGAN; BUD GORMAN FIGHTS GRADY MARTIN

Q. M. Bakewell and Jack Phillips Feature of Three Round Bouts

August 18th will see the sons of sock from Benning and other points mix and mingle at the Doughboy Stadium.

The feature bout will be between Red Keenan and Benny Regan, these boys need no introduction, the Redhead is wuz and always wil lbe in Hq. Co. 29th Infantry, Benny Regan claims Atlanta for his home town, both boys are good and this fight is well worth traveling miles to see for Red Keenan is better now than he has ever been and that's saying something; Regan is rated as the best feather in the South and says that Red will never stay the limit, time will tell but I would put my shekels on the Redhead if I was a sporting man.

Bud Gorman meets Grady Martin and right here I want to say that all of you unbeleivers who have been saying that Gorman can't fight wil lllearn a few things if you are present, Martin is a good boy and he certainly did shove the leather to the Battling Wop in his last fight here, well lets see him repeat.

Gorman is giving away about eight pounds to fight Martin but I am picking the Green Cord to win, and I certainly want some of the fellows that don't think

(Continued on page 2)

"ATTENTION TO ORDERS"

August 9, 1927.

Detachment Orders)
No. 33)

1. Master Sergeant Eugene M. Smith, R-920502, Detachment, Quartermaster Corps, after more than thirty years faithful and efficient service in the United States Army, has been placed on the retired list at this station effective August 4, 1927, and will be sent to his home, pursuant to authority contained in paragraph 5, S. O. 180, W. D. dated August 1, 1927.

2. Master Sergeant Smith's service is as follows:
   Co. "G," N. C. Inf. May 11, 1898, to November 3, 1898
   Tr. "K," 12th Cav. June 15, 1901, to March 27, 1903
   Tr. "K," 12th Cav. March 28, 1903, to March 27, 1906.
   Tr. "K," 12th Cav. March 28, 1906, to March 27, 1909
   Tr. "K," 12th Cav. March 28, 1909, to March 27, 1912.
   Tr. "K," 12th Cav. and Q. M. C. March 28, 1912, to March 27, 1915
   Q. M. C. March 28, 1915, to May 5, 1919
   Q. M. C. May 6, 1919, to May 5, 1922
   Q. M. C. May 6, 1922, to May 5, 1925
   Q. M. C. May 6, 1925, to August 4, 1927.

3. Master Sergeant Smith has the following foreign service:
   Philippine Islands from August 30, 1903, to August 15, 1905.
   Philippine Islands from August 1, 1909, to January 15, 1911.

4. The Detachment Commander congratulates Master Sergeant Smith on so successful a termination of long and faithful service. The entire Quartermaster Corps personnel extend to him their sincere and best wishes as he separates himself from further active service and they further extend their best wishes to him and his family for a pleasant and successful life in the civil world.

A. L. LITTELL, Captain, Q. M. C. Commanding

CAPT. MABBUTT STATES FACTS ABOUT FORT FIGHTS

Arbiter of Army Boxing Team—Who Looms Largely in Local Limelight—Airs Views on "Gunner" DePratt's One-Sock Knockout.

We have been fortunate in obtaining the following article from Captain Mabbutt in which he makes clear, some matters regarding Benning Boxing.

"I have been asked by a great number of persons as just what took place in the fight between Willie Ptomey and Gunner DePratt, and to the untrained eye it was really hard to see the action that took place when these two gladiators faced each other in the main event of our last fight card at the Doughboy Stadium. At the sound of the gong both fighters advanced from their corners to the center of the ring and sparred for an opening. Ptomey started a right hand punch for DePratt's chin and Gunner started a left hook for Ptomey's chin at exactly the same time. The left hand of DePratt had only a distance of eight inches to travel to Ptomey's chin while Ptomey's right hand was about thirty inches from Gunner DePratt's chin and it was just a case of a left hand traveling a shorter distance than a right hand. If our readers will pay attention at our next bouts watch the position of the fighters hands they will find the boxers of the better class hold their right hand in a position near their right breast and their left hand held out in a line about eighteen inches from their own chin and about eight inches from their opponent's jaw one can readily see it was just a case of a left hand being able to travel a shorter distance, approximately eight inches, than the right hand that is forced to travel a distance of approximately thirty inches (in fight terms this is known as beating them to the punch.)"

Private Louis A. Bakewell of 1636 Dupree Street, New Orleans, La. won a three round decision over Charlie Carter of Alabama. This man was a slashing three round fight and Bakewell stepped on the gas and exceeded the Quartermaster gait and won from the fighting member of the Military Police.

The first bout of the evening brought about Battling Sam of the Infantry School Detachment, one of the many fighters of Sunny Italy, and J. J. Philips, of Besford, Florida, one of Major Bootz's wonders from the Print Shop. These two young pugs threw about a million punches at each other in the three rounds they fought. The decision was close and I think Philips won by a couple of punches.

The bout that ran a close second to the Phillips-Battling Sam contest brought together Deacon Porterfield of the pill rollers and mysterious Billie Smith of the 29th Infantry. The fight was fast and furious with things about even the first two minutes of the fighting when the Deacon made the sad mistake to get his mess hall in front of one of Smith's famous right hand smashes. The birdies were singing "Home Sweet Home" when Porterfield's seconds applied the smelling salts. Porterfield grants it was a lucky punch and asks for a return match.

The boys that box in the amateur bouts are given a Post Exchange Book, valued at $5.00, for first prize and Post Theatre Book, valued at $2.50 for second prize. This is thought by the Athletic Council the proper way to take care of the amateur as they will be able to purchase from the Post Exchange the necessary equipment for a fighter's wardrobe with the prizes they receive in the three round amateur bouts.

When Mysterious Billie Smith was called to Captain Dunlop's office and presented with his $5.00 Post Exchange Book for first prize, in the Smith-Porterfield fight, the big boy's face lighted up like a Jewish Cathedral and he said, "Captain, this is like getting paid for eating ice cream."

This is a golden opportunity for the young boys of the Army to learn how to box. They have one of the best gymnasiums that can be found anywhere in the country, fully equipped and everything a fighter needs to train and condition himself. Expert instructors, good gloves and someone to watch them to see that the youngsters do not overwork themselves at the beginning. The same boys, in civil life, would be required to join the Y. M. C. A., the Knights of Columbus, Y. M. H. A., or some civic gymnasium with a yearly assessment of about $25.00 per year and then they would have to train at nine o'clock at night, after supper, as an amateur boy must work every day in the week to get

(Continued on page 2)

RED KEENAN TO MEET BENNY REGAN

(Continued from Page 11.)

Gorman can fight to take this opportunity to find out.

The three fights are proving a big feature and this card will be the best yet in the three round class, as Captain Mabbutt has been able to match the me nso that there will be no oneside affairs.

When Bakewell and Phillips got together you are going to see a battle, these two boys are on top in their class and one of them will go to second place after this fight, both boys are good but Phillips wil lhave to watch that Q'Emmers right for it sure is loaded with dynamite.

Ringside Rumors

By THE PIRATE

On Thursday evening, August 18th, Benning Boxing fans will witness a rare treat, when Red Keenan will face Benny Regan of Atlanta. This will be the second time for these two to be matched, last time Benny showed himself master of Old Red Keenan,—however, under the able coaching of Captain Mabbutt, Red has comeback and is in better condition than he ever was. He has conquered one Hendricks who bested him before and is confident that he will hand Benny a sleep-sock on Thursday night.

Bud Gorman of the I. S. D. will meet Grady Martin of Columbus in the semi-final. This will be a sure enough fight from start to finish. Both boys have shown their ability before the Benning Fans on several occasions, and will be out for a knockout from the gong.

There will be ten amateur bouts in which the winners of former matches will be matched against winners of their class. Battling Philips of the I. S. D. will meet Bakewell of the Q. M.

Doc. Porterfield of the Medicos will not believe that he cannot lick Smith of the 29th and will demonstrate that it was a very lucky punch that put him away before.

CAPT. MABBUTT STATES FACTS ABOUT FORT FIGHTS

(Continued from page 1.)

enough of money to pay his room rent and board, the necessary training expenses and medical attention. This is all given to the boys of Fort Benning free and should one of them be injured they are taken care of and draw full pay as the injury is considered in the line of duty. (A word to the wise—don't overlook this opportunity, learn to fight while Uncle Sam pays the freight.)

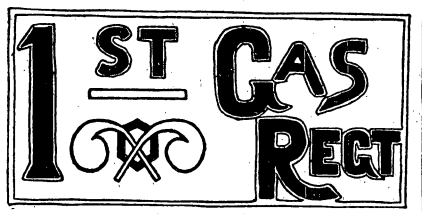
Major and Mrs. Lawrence W. Young and two charming daughters, Miss Helen and Miss Louise have arrived at Fort Benning.

Before entering the army Major Young was adjutant general of North Carolina for two terms. They have many friends in North Carolina, South Carolina and Georgia, and are delighted to be in the south again.

Mrs. Young and the daughters will leave Sunday for a visit to Asheville.

* * *

Capt. and Mrs. Clyde Lloyd Hyssong and little daughter, Gloria, who have been visiting their sister, Mrs. A. J. Taylor, on Wildwood drive, left Tuesday morning by motor for Colorado, to visit Captain Hyssong's parents. They are making the trip via St. Louis and Kansas City to Denver. After the visit to relatives there they will go through Salt Lake City and Yosemite Valley to San Francisco, from which port they will sail on November 3 to the Philippine Islands, where Captain Hyssong has been ordered for duty.



The following named Chemical Warfare Reserve Officers of the 301st Gas Regiment, having reported for duty at this station on July 31st, 1927 are now undergoing instruction here:

Lieut. Col. Thomas Hubbard McHatton, CW-Res., Address, College of Agriculture, University of Georgia, Athens, Ga.

GET IT DONE

It isn't the job we intended to do,
Or the labor we've just begun,
That puts us right on the balance sheet;
It's the work we've really done.

Our credit is built upon things we do,
Our debits on things we shirk;
The man who totals the biggest plus
Is the man who completes his work.

Good intentions do not pay bills;
It's easy enough to plan,
To wish is the play of an office boy;
To do is the job of a man.

—Richard Lord.

The world is full of ruts, my boy,
Some shaller and some deep,
And every rut is full of folks
As high as they can heap.

Each one that's grovelin' in the ditch,
Is growling at his fate,
And wishing he had got his chance
Before it was too late.

They lay it all to something else,
Or say 'twas just their luck;
They never could consider it
Was just the lack of pluck.

Now, here's the word o' one that's lived,
Clean thru from soup to nuts;
The Lord don't send no derricks round
To hoist folks out of ruts.

MASTER SERGEANT McNULTY CAPTURES GIANT ROCK-FISH AFTER FOUR HOUR STRUGGLE

"He was a very honest man—
We could not doubt his word;
But the tales he told of that pleasant land
Were the strangest ever heard . . "
—Anon.

Wonderful are the tales they tell as they drift back to the Benning Plain from their far-flung holiday adventures. It remained however, for Patrick J. McNulty of the Infantry School Detachment to cap the climax and dot the 'i' of the seeemingly impossible. The tale comes to us on good authority and the very excellent stationery of a Gas corporation in Tampa, Florida. That the gas is confined entirely to the corporation and has nothing to do with the story is amply attested to by the picture produced herewith.

It seems—so the story goes—that McNulty, in company with two gentlemen of Tampa,—Messrs. Stanley Wallace and E. N. Stevens—had ventured forth upon the smiling surface of Hillsboro Bay in quest of what old Izaak Walton might have termed "ye gentle fishe." Armed only with a boat and the necessary fishing accessories such as bait they trolled and angled with baited breath over the balmy Bay along the palmy shore. We doubt if McNulty ever thought of catching anything more than a nice mess of perch or possibly one sizeable "red" snapper. We can imagine Mrs. McNulty at home with a pan of flour and a well-greased skillet; hopefully awaiting Patrick's return—had she known what Patrick was really bringing home she would have been digging a barbecue pit—

Lacking exact data—but having seen the picture of the fish—we can only imagine what happened when "Mac" hooked the finny mammoth. If he is a movie fan he may have had visions of "Mobey Dick" dashing off with the business end of his fishing tackle. Possibly he thought his line had fouled some new type of submarine equipped with a Wright "Whirlwind" Motor. Mr. Stevens of Tampa is our authority for the statement that, "the struggle lasted for over four hours." Mac and the monster fish fought desparately for the precious fishing tackle. And Mac has a mighty good line. Many times in those four hours of thrilling, thrashing struggle the desparate denizen of the deep threatened the lives of McNulty and his two companions.

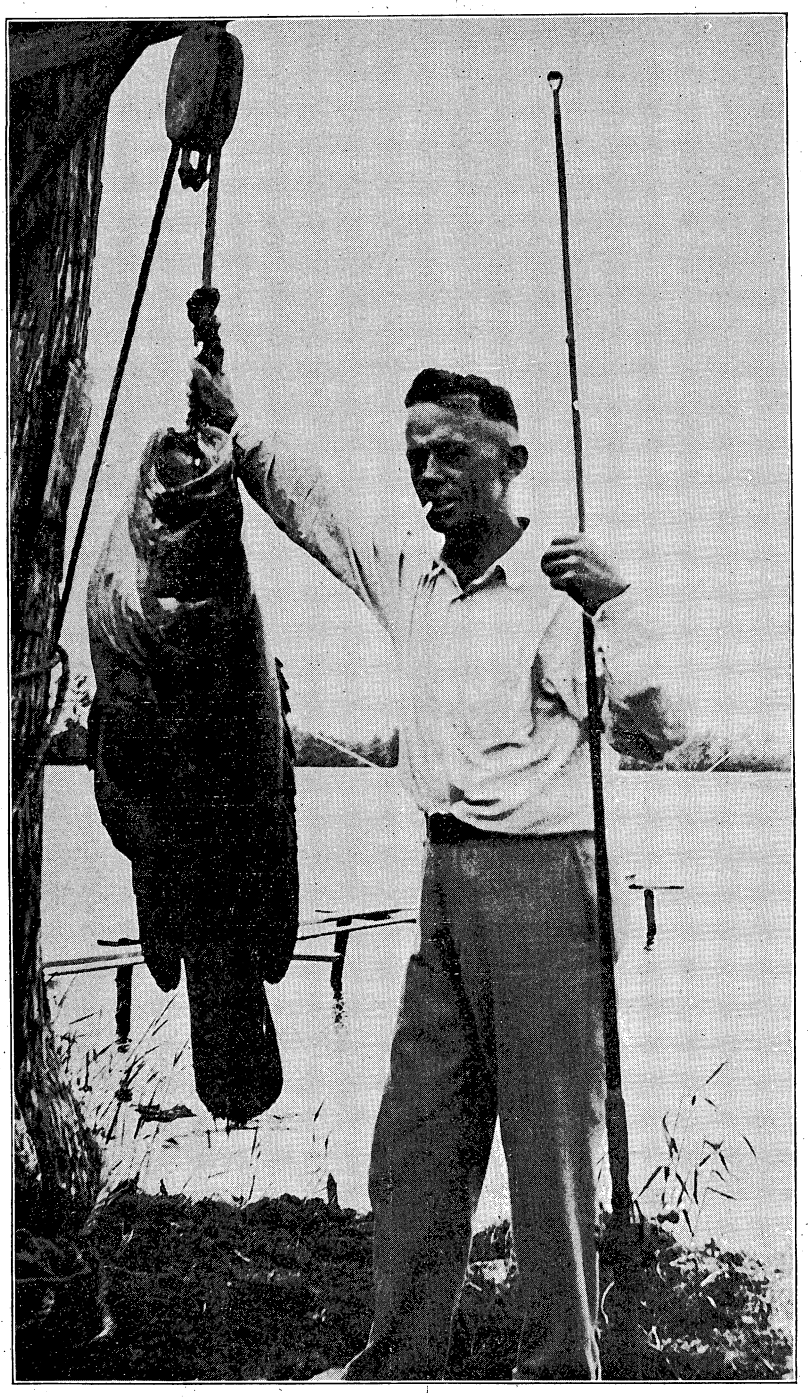
It was a one reel thriller. Mac's line at last "gave out"; the fish had taken all Mac had to give him. And now the story takes on the gripping, epic quality of a Norse saga. The Monster fish, with one last desparate lunge for freedom, pulled the Sergeant overboard into the salt-sea waters of Hillsboro Bay. Most men would have given up the unequal struggle; even Jonah gave in before the Whale gave up—but McNulty is a man of sterner stuff. For twenty minutes the doughty, doughboy Sergeant clung gamely to his trusty rod while the maddened sea-monster struggled savagely to escape the inescapable. Twenty minutes the Sergeant tasted the birny waters of the bay. In the water and under the water, as the fear-struck fancy of the desparate fish dictated. Nearly exhausted he was atlast rescued from the briny deep by his two comrades in the boat. With the last of his strength he reeled in his line and retrieved his hard earned prize.

And a worthy prize it was. A monster Rock Fish, weighing over one hundred pounds. To take the picture the fish had to be swung off the ground on a block and tackle. If you doubt that a fishline could land a fish so heavy that it took a stout rope to hold it up remember; any large body is considerably lighter in the water—especially salt water .

One of McNulty's companions—whether it was Mr. Wallace of Mr. Stevens, we do not know—must have suggested that he once more cast his line into the limpid waters of the bay. This however McNulty firmly refused to do, stating that one fish of this kind was sufficient for the days catch.

We must touch rather lightly on further exploits of Sergeant McNulty in Florida, as we can furnish no photographic proof. Everyone knows that Mac is a good shot. While on his vacation he tried his skill at alligator hunting. The largest 'gator bagged measured eleven feet in length. The first shot did not kill this fellow and he very nearly wrecked the boat, that put out to bring him in. Mac however finished him with a shot in the eye.

While we greatly appreciate the kindness of Mr. Stevens and Mr. Wallace in furnishing us with the data regarding Master Sergeant McNulty's adventures—data which we know that McNulty would have modestly witheld—we cannot help but feel that they are holding something back on us; Mr. Stevens, in his letter, says "Mack does not fear large 'Gators or monster Rock fish; but Florida Snakes; Ah, that is a different story."



And a worthy prize it was. A monster Rock Fish, weighing over 100 pounds

Of the thirty-six dramatic situations there seem to be only two or three that can be adapted to the movies.

NATIONAL DIRECTOR U. S. ARMY MOTION PICTURE SERVICE VISITS FT. BENNING

Mr. R. B. Murray, National Director of the United States Army Motion Picture Service visited Fort Benning, Tuesday, Aug. 2, 1927. He was accompanied by M. W. Smith, Manager of the Potomac Branch of the Motion Picture Service, Mr. Murray and Mr. Smith paid their respects to the Commandant's office, then made a rigid inspection of the motion picture activities of the Garrison. They expressed themselves as being well pleased with the neat and orderly projection rooms, the screens and arco fans of the 29th and 24th Infantry Theatres.

Regarding the Main Theatre Mr. Murray stated that there was nothing like it in the Army and the orchestra surpassed anything the army boasted, in fact he compared the orchestra favorably with the best civilian movie houses of the South.

Mr. Murray stated that out of 105 motion picture houses in the U. S. and Panama only twenty-five were self-supporting and that the surplus money derived from these twenty-five houses was used to support theatres at the other eighty stations where the limited number of personnel made impossible self-support. Incidentally, Fort Benning is leading the twenty-five paying stations.

Mr. Murray is highly progressive, his heart and soul are in the bettering of recreational facilities for the Army. He wages a continual fight to improve theatres and secure the best pictures available for projection. His office furnishes branch managers with latest authentic data on the calibre of pictures on the market.

Mr. Smith is directly responsible for securing the splendid pictures which Fort Benning has shown upon the screens in its theatres. In his untiring efforts he has materially aided Capt. Doll in determining just what type of photo plays are most desired, and on what nights of the week to show different types so that all individaul tastes will be satisfied.

The authorities of Fort Benning are grateful to Mr. Murray and Mr. Smith for their wholehearted cooperation in affording this station splendid recreational factilities in the line of motion pictures and up-to-date movie house appurtanences.

We might add that the moving picture houses of Fort Benning are among the few in the United States that show seven different pictures per week, fifty-two weeks of the year.

THEATERS

AUG. 12, TO AUG. 19, INCL.

FRIDAY, AUG. 12

"HORSE SHOES," starring Monte Banks in a "reel" comical comedy. He meets a pretty girl—they run to catch a train—are taken for newly-weds, endeavor to establish the falsity of it and merely entangle themselves more deeply. The story is a riot of fun from start to finish. Pretty girls, some shapely, some fat; attractive men—(if such there be)—all embroidered in this comedy of errors.

"Love Mania."—Tuxedo Comedy.

SATURDAY, AUG. 13

"DRUMS OF THE DESERT," from the noevl by Zane Grey, featuring Warner Baxter, Fort Sterling and Marietta Millner in a virile epic drama telling of the Vanishing American. It is different from any other western, is mighty in scope and sweep, and portrays life in the wilds as only Zane Grey can describe it.

"Beware."—Mermaid Comedy.

SUNDAY, AUG. 14

"THE OVERLAND STAGE," starring Ken Maynard in a stirring tale laid in the northern Dakotas. Photoplay Magazine describes this picture as follows: "Ken Maynard takes a hand in making American history, and he does a good job of it; a rousing western and good for the whole family." Enough said. See it.

"Hooks and Holidays."—Sport Comedy.

"Pathe News."

MONDAY, AUG. 15

"SENSATION SEEKERS," from the story "Egypt," by Ernest Pascal, featuring Billie Dove and Huntley Gordon. This story is a carnival of parties, smart clothes, swank society and Pagan Gods of wine, women and song! with a twentieth century girl leading the mad whirl and a minister of the Gospel in a romance of intrigue and thrills.

"Whispering Whiskers."—Sennett Comedy.

TUESDAY, AUG. 16

"OH BABY," starring Madge Kennedy in a howling comedy with a great prize fight climax. Little Billy, the forty inch comedienne, most aptly convents cauliflower ears into cash. The story is full of pep, laughs and howls.

"Return of the Riddle Rider No. 6."

WEDNESDAY, AUG. 17

"TIME TO LOVE," starring Raymond Griffith in a novelty show of hilarious thrills. First, Grifith returns as a spirit to his spiritualistic sweetheart who thinks him dead, and second, the star and his leading woman are unexpectedly carried up into the air in a captive baloon which is being used as an artillery target.

"Wise Crackers No. 6."

THURSDAY, AUG. 18

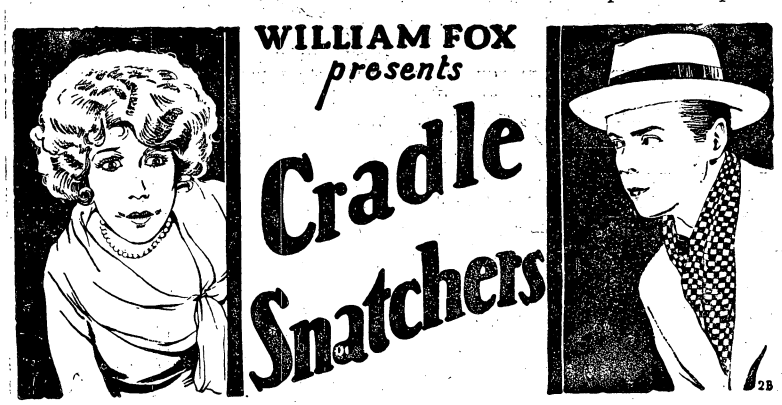
"WHITE FLANNELS," featuring Louise Dresser with Jason Forbards in one of the most poignant mother stories ever told. It is the drama of a coal miner's wife, who wanted her son to be a white-flanneled college boy, from the story by Lucian Cary, published in The Saturday Evening Post. Romance, college football life and nine disasters feature in this play.

"Pathe News."

FRIDAY, AUG. 19

"CRADLE SNATCHERS," starring Louise Fanzenda in a riotious comedy of women with young ideas. Louise is one of the three wives whom their husbands try to deceive into thinking they go duck hunting, when in reality they go "chicken" hunting. In this comedy-drama of middle aged couples the wives prove that they are not as simple as they seem. Three hired college shieks play the part of loving Romeos. The picture is cramed with mirth provoking suspense.

"Honeymoon Hospital."—Imperial.



GLEE CLUB

"The Infantry School Glee Club met at the Polo Club on Wednesday, August 3rd, in a combined business and social meeting. Plans for the coming school year were discussed and a policy adopted which contemplates the production of two operettas, one prior to the Christmas vacation and the other during the last part of the school year. The productions will be selected at the next meeting which will be held at the Polo Club on Tuesday evening, August 9, at 7:30.

An informal yet thoroughly enjoyable musical program was presented after the business meeting by the following members:

Capt. L. Tharpe, Selection from "Pinafore."

Capt. W .W. Jenna, Pianologue and Whistling.

Col. G. W. Helms, Selection from "Pirates of Penzance."

Marion Boyd and Capt. Cecil Rutledge, Duet from "Pirates of Penzance."

Mrs. Partirdge, Vocal Selections.

Mrs. E. S. Barker, Vocal Selections."

Joe Tank, our boy friend, is such a rapid swimmer that his ambition is to swim an hour in twenty minutes.—Annapolis Log.

"WHAT IS A ROOKIE"?

Following are the best answers submitted. The names of those presenting answers are not published because of the fact that some desired their names withheld:

1. Psychoneumatologically speaking, a "Rookie" is a psychoneurotic hypochondriac, with tendencies toward hyocenesthesia, bordering on dementia praecox manic depressive type.

2. Rookie—a "has-been" civilian and a "would-be" soldier with a mis-fit uniform and a sore arm.

3. Rookie is the man who thinks that he will see the world when he joins and is assigned to the I. S. D. for duty.

4. A Rookie is the man who always says that he knows how to operate a typewriter and is assigned the lawn mower instead.

5. A Rookie is the man who tells all about how he is going to write to his senator.

6. A Rookie is a soldier in the metamorphic state.

7. What we were before we was as we is.

8. A Rookie is one who never understands the laws of militarism.

9. A Rookie is a recruit that is a green onion in the service.

Hans Holmer—Honor Man

Leading a long list of graduates, we find Hans W. Holmer, Regular Army appointee, achieving the highest honors of the United State Military Academy. Cadet Holmer, who began his military career with the Headquarters Company of the Thirtieth Infantry, Regular Army, was first in a graduating class of 203 members. With a distinguished record extending over three years, he won that tribute which is paid to only one man at the Academy each year—for there is, in the entire Academy, only one "Honor Man" named annually.

Holmer made enviable scholastic grades for his entire academic career covering a period of four years. Out of a possible 2975 points he made 2757.05.

Cadet Holmer really merits an exclusive title as "distinguished cadet," for in addition to being "distinguished" on his four years work as a whole, he was a "star man" for three years. To attain the latter honor at the Academy it is necessary for the recipient to maintain an average of 92 per cent. or more in all subjects during the preceding year, which means that from his plebe year Holmer kept his star throughout the remainder of the four-year course.

This remarkable young man distinguished himself in the following subjects: mathematics, natural and experimental philosophy, chemistry, engineering, ordnance and gunnery, economics and government, military art, and military hygiene.

During his last year at the Academy this paragon of soldiers was also a cadet lieutenant. This is a high honor in itself and one toward which many aspire but few attain. Holmer is also an expert shot with the rifle and pistol and was, during his attendance at the Academy, an assistant business manager of the cadet's year book, The Howitzer.

That the success of this Regular Army appointee is due in great measure to his military training in outfit of the line, there can be little doubt, for the records indicate that during the past several years—in fact almost ever since the World War—those cadets who have prepared for West Point examinations in Army Schools have subsequently more than held their own at the Academy. In last year's graduating class, for instance, there were approximately a score of young men who had found their way into the academy through the ranks of the Regular Army. From among their number were chosen the incumbent for two of the highest offices at the Academy—that of Cadet Captain and Regimental Adjutant. In addition there were three other cadet captains, seven cadet lieutenants, five major "A" men, four minor "A" men, and the editor-in-chief of The Pointer, while still others made high scholastic honors.

Considering that practically the same record has been repeated again this year, with a smaller percentage of ex-Regular Army men graduating, it is reasonable to assume a connection between Army training and Academic honors.

The road to West Point is open to every enlisted man of the Regular Army, who is within the prescribed age limits—eighteen to twenty-two years—possessed of the necessary physical, mental and moral qualifications, and who has served one year with the colors.

Those qualified mentally at the time of enlistment who need some "brushing up" for the entrance examination will be given an opportunity to prepare themselves while in the service. For the benefit of soldiers desiring to compete in the entrance examinations, a school is conducted annually in each of the nine corps areas, and in the overseas departments. Any soldier otherwise qualified, who shows promise, is admitted to one of these schools, where he receives expert and specially devised instruction, every effort being bent on equipping him to pass the final tests. In addition to this, commanding officers of all organizations are authorized to make special concessions in favor of soldiers preparing themselves for West Point, and allow them the necessary time off for study, either privately or at nearby schools, during seasons of the year when the corps area preparatory schools are not in session.

"THE DOUGHBOY SPEAKS"

By REYBURN ENGLES

Here's to you, Haughty Red-Leg—
With your mighty ten inch gun,
Some times I almost envy you—
When sweating 'neath the Sun.

And yet I realize that you—
Have got a task to do,
And, as a loyal Doughboy—
I doff my hat to you.

And to you, our dashing "Trooper"—
On that far flung border guard,
You have lightened up our burden—
And have made our task less hard.

But this task, has been your duty—
It was alloted you to do,
But, just to show appreciation—
The Doughboy bows to you.

And to you "Old Wagon Soldier"—
Just keep those guns 'a rolling.
We'll want you close behind us—
When the order comes to "Go In."

We'll need your well timed barrage—
And we'll also count on you,
To be right on the job with us—
And help the Doughboy through.

From the M. P. to the General Staff—
Through every Corps and Branch,
Your coordination means success—
To each well planned advance.

We need the help of every arm—
To make the burden light,
For the Doughboy with his bayonet—
When he enters in the fight.

IN HOLLYWOOD

Mrs. Celle-Lloyd: "How did little Jackie Cutie's mother come out with her divorce?"

Mrs. De Focus: "She was awarded the custody of her husband, and little Jackie must pay $500 a month for his support."

KURSTEDT ET AL

Kurstedt, number two man in the class, was a close competitor of Holmer throughout the four years of their academic career, and merited the title of "star" man for two years, while gaining distinction in the following subjects: Spanish, drawing, engineering, ordnance and gunnery, economics and government, military art, and military hygiene. During the current year he was a cadet captain, and for two years was an "A" man on the wrestling team.

Not all the honors which appointees from the ranks of the regular establishment attained were borne by Cadets Holmer and Kurtstedt, however. Five other members of the graduating class also hailed from the Army, making seven in all, while a like number came from the National Guard organizations of five states, making thus a total of fourteen members from the service at large.

Included among the fourteen who received their appointments via the enlisted route there were two cadet captains, (including Kurtstedt), three cadet lieutenants, six cadet sergeants, and one captain and three managers of cadet athletic teams—which is not a bad all-round record of achievement for a little group of fourteen "marked" men in a class of 203, an assemblage of young men admittedly drawn from the cream of the nation.

In addition to the foregoing honors, four of the military appointees were pistol and three rifle experts six won their "A's" in sports; three were engaged in work on the two cadet publications. The Howitzer and the Pointer; two took part in the annual Hundredth Night Show and one a cadet hop manager.

Outstanding among the Regular Army appointees, besides Holmer and Kurstedt, was cadet John. A. Schwab, who began his military career with the 15th Service Company, Signal Engineer School. He was among the cadet captains, and was ranked by fans and experts alike as one of the Academy's foremost polo players.

Cadet John R. Lovell, who formerly "soldiered" in the same organization with Schwab, also made a distinguished athletic record. For three years he was a member of the football squad, and held his place on the boxing team for four years, while maintaining an academic record which does credit to his scholastic abilities.

Among the seven members who came from National Guard organizations, three were considered as outstanding among the class. They were: Arthur E. Solem, appointed from the Medical Detachment, 128th Infantry, Wisconsin National Guard, Paul D. C. Berrigan, formerly of Company D, 101 Infantry, Massachussets National Guard; and Benjamin Whitehouse, appointed from Battery F, 111th Field Artillery, Virginia National Guard.

Solem was a cadet lieutenant, a number of the varsity lacrosse team for three years, and was on the football squad for the same number of seasons. Berrigan won his fame with the racket wielders, and was manager of the cadet tennis teams during the current year. Whitehouse, a follower of "the chief American sport," was manager of the cadet baseball team during the same time.

The former enlisted men in the graduating class of June 14, 1927 are:

Canada, Cyril E. Williams, 15 York Street. St. Catharines, Ontario, 49th Bombardment Squadron, Regular Army; Conn., John T. Holst, 30 Clark St., New Haven, 11th C. A. C. Band, Regular Army; Iowa, John R. Lovell, 222 N. Davis St., Ottumwa, 15th Service Co., Signal Corps, Regular Army; Mass., Paul D. Berrigan, 938 So. Broadway, So. Boston, Co. Opportunity

Many young men in this country seriously desire to make the Army their profession. Some have supposed that if they enlist they will definitely and irrevocably place themselves in a class whose limits of promotion are quite narrowly restricted. This is so far from being the case—as proven by the example of Cadet Holmer—that almost the reverse is true. It can in fact be truthfully said that the young man who enlists in the Regular Army will find his way made easier; his hopes of achievement more fully realized—and at the same time the expense of his preliminary training is entirely borne by his "Uncle Sam."

Apparently the defense in the Sacco-Vanzetti case is that they should not be punished for murder—because they are anarchists.—This is in line with the reasoning that you shouldn't kill a cat that it eats canaries because it's a cat.

RULE FOR WEARING OF MEDAL OF HONOR

Change in Uniform Causes Amendments to Army Regulation

Though the Medal of Honor is not in general use, only eighteen officers and three enlisted men at present in the Regular army having received the award, its importance justifies careful attention to details, according to an announcement issued by the War Department last Saturday. Ammendments recently have been issued toprovide for the method of wearing the Medal of Honor with the lapel collar uniform coat.
With the standing collar the Medal of Honor was worn pandant from the ribbon placed around the neck under the collar and passing out between the upper and lower hooks of the collar with the Medal proper hanging about one inch below the collar. With the lapel coat, the Medal of Honor is now to be worn pendant from the ribbon placed under the whie collar with the medal proper hanging over the cravat.

A group of Scottish lawyers were gathered round a brew of toddy one night when the conversation turned upon a question of pronunciation. "Now I always say 'neether'," one of them said in discussing pronunciation of the word 'neither,' "I say 'nayther'," remarked another. Turning to a third he said, "what do you say, Sandy?" Sandy, whose head was a little muddled by too many helpings of toddy woke up from a gentle doze, "Me?" he said, "Oh, I say 'whusky'."

CAUSE FOR IRE

Company "E"

July 26, 1927.

Subject: Commendation of Staff Sergeant Louis A. Scipio, Service Co., 24th Infantry.

To: The Commanding Officer, 24th Infantry. (Thru C. O. Serv. Co., 24th Inf.(

While Chairman of the 24th Infantry Dance Committee I had to depend to no small extent upon Sgt. Scipio to arrange details in connection with the orchestra night's work.

Sergeant Scipio's handling of the orchestra and details incident thereto, under circumstances which at times was very inconvenient, manifested a high degree of efficiency and thoroughness along these lines. He was always punctual in regard to time, and music rendered during the dances was excellent.

Other members of the orchestra are commended for their cooperation and loyalty, and for their willingness to help in making the dances successful.

(Sgd) ERNEST T. JONES,
Captain 24th Infantry.

1st Ind.

Serv. Co., 24th Inf., Ft. Benning, Ga., July 26, 1927. To: Stf. Sgt. Louis A. Scipio, Serv. Co., 24th Infantry.

It is with pleasure that I send you the above commendation. I was on the hop committee for the last officers' hop and join Captain Jones in his praise for Sgt. Scipio and his orchestra.

Work well done always reflects very favorably on your company and as your company commander I wish to thank you for your efficiency and thoroughness.

A copy of this commendation will be placed with your record.

(Sgd.) GEORGE C. CARRINGTON,
2nd Lieut., 24th Infantry.

2nd Ind.

Headquarters, Twenty-Four Infantry, Fort Benning, Ga., July 30, 1927. To: The Commanding Officer, Service Co., 24th Infantry.

In forwarding this letter of commendation to Sergeant Scipio the Regimental Commander desires to extend to Sergeant Scipio and the entire orchestra his personal commendation of the splendid work of the orchestra during the past year.

By order of Colonel JOHNSON:

(Sgd.) C. L. STEEL,
Captain, 24th Infantry,
Asst. Adjutant.

Companies Give Farewell Dinners

Three companies of the 24th Infantry, which were put on the inactive list recently, gave farewell dinners in their respective mess halls last week. Companies L, K and M had their dinners last Friday, Saturday and Sunday, respectively. These organizations commanded by Catains S. G. Saulnier, W. W. Jenna and A. B. Helsey, respectively, spared no efforts in making the dinners a complete success, and from all reports these dinners proved to be the best in the history of the organizations.

Colonel Wait C. Johnson, commanding the 24th Infantry, was an nonored guest at each of the dinners. He praised the past records of the organizations and stated that he felt sure that all members would continue to "carry on" in their new outfits as they had done in their parent companies.

The Reds Feed the Blues

In accordance with a regimental custom the Red baseball team of the 24th Infantry acted as waiters to the Blue baseball squad of the same regiment in the regimental area last Tuesday morning. Colonel Wait C. Johnson was the host of the occasion. The Blues having averaged 277 and the Reds 270 in the past target season, therefore the latter passed the favorite Southern fruit to the Blues who demonstrated that they could get away with that about as fast as they could put down batters on Gowdy Field. The Blues were also the victors last season. If the work of the Blues in the watermelon feed is any indication of victory on Gowdy Field this month, it looks like they will put up a good fight for the pennant in the second baseball series. Colonel Johnson and staff also attended the feed.

24th Infantry Reorganized August 1

In compliance with recent Tables of Organization received at the Infantry School the 24th Infantry was reorganized by the placing of the Third Battalion on the inactive list and the abandonment of the machine gun companies of the regiment. This is the second time that the third battalion has been placed on the inactive list, as that action was taken in 1920. Two years later it was made active, thus making the regiment a three-battalion organization. The regiment was stationed at Fort Benning at that time. The personnel of the machine gun companies and the third battalion were transferred to the remaining companies of the regiment, making the total strength of the rifle companies approximately 105 men at this time. The Service and Headquartrs companies have total strength of about 150 and 130 men, respectively, at this time. In the reorganization of the regiment the officers commanding companies are as follows: Company A, Capt. E. F. Paynter; Company B, Capt. E. F. Gwynn; Company C, Capt. M. E. Craig; Company F, Capt. S. G. Saulnier; Company F, Capt. W. W. Jenna; Company G, Capt. A. B. Helsey; Service Company, Capt. P. B. Rogers and Headquarters, Capt. J. C. Newton. Majors E. O. Powers and L. W. Young command the first and second battalions, respectively.

MASTER SERGEANT ALBERT R. MANN, 24TH INFANTRY, RETIRED—DINNER HELD IN HIS HONOR

The thirtieth day of July, 1927, marked the close of a successful army career for Master Sergeant Albert R. Mann, 24th Infantry. The records of Mann's career indicate that it not only proved to be a successful career; one filled with "Excellent" discharges, but one of action on the battlefield.

General Orders No. 4, headquarters 24th Infantry, dated June 30, 1927 announced the retirement of Master Sergeant Mann. His enlistment records show that he enlisted July 1, 1899 in Company A, 25th Infantry and served continuously in that organization until February 4, 1913 when he re-enlisted in Company A, 24th Infantry. Sergeant Mann rose to the rank of First Sergeant and was later promoted to the rank in which he was retired from service. He has served with Headquarters Company for several months prior to retirement.

Seregant Mann saw action with Company A, 25th Infantry in the Philippines fighting the hostile Pulajanes. He also had active service in the punitive expedition in Mexico in 1916 in the pursuit of Pancho Villa.

The last paragraph of the retirement order reads as follows:

"This non-commissioned officer has served, honestly and faithfully and for steady application to duty, fidelity and good service is rewarded by honorable retirement. The regiment congratulates him on this successful conclusion of his career in active service and its good wishes accompany him upon his retirement to civil life."

Dinner in his honor

As a fitting close to the successful career of Sergeant Mann a farewell dinner was given in his honor Monday evening, August 1st, in Mess Hall No. 1, 24th Infantry at which all officers of the regiment were present as well as all non-commissioned officers and families. Captain William F. Gent, commanding Company A, which sponsored the dinner, as Sergeant Mann had practically all of his service with this organization or the regiment, was master of ceremonies. After the guests had enjoyed a good chicken dinner, Captain Gent made a few opening remarks in which the service of Sergeant Mann was praised with a few humorous incidents of his career. Colonel Wait C. Johnson, commanding 24th Infantry, then made a very interesting speech in which he spoke very highly of Sergeant Mann, stating that the service of Mann should be a shining light and example for other men of the regiment. Colonel Johnson then presented Sergeant Mann with a handsome watch as a token of remembrance from the regiment. Captain J. D. Forsythe and Chaplain Arthur Thomas were the other speakers both of whom made fitting remarks.

Sergeant Mann responded very appropriately to all the addresses of farewell. He stated that he had enjoyed his service and had appreciated all that had been done for him by the officers of the regiment and the service as a whole. He then recited a poem which was highly enjoyed by all. This poem was written by Sergeant Mann and is quoted as follows:

"The Summing Up of a Tour of Service be it 3 years or 40."

Years of revielle, years of mess calls,
Years of fatigue calls too,
In your career as soldiers,
Are things that you must do.

Years of recalls, years of retreat calls,
Years of the old tattoo,
Years of which every private
And non-com must go through.

Years of drill calls, years of parade calls,
Years of the old army taps,
Years in which every soldier,
Must expect a few mishaps.

So if the 1st Sgt. details you
For guard or K. P. for the cook,
Just remember he runs a roster
And your name is in that book.

Remember what you said when enlisting,
It was not 'No,' it was 'I will',
So go at your work with pleasure,
Your oath, try to fulfill

Go along with your duties as soldiers,
Do them right; that's alway the way,
Keep your service record and equipment clean,
Then you will be Top Kick some day.

And remember, Colonel Johnson's slogan,
I am sure he will always play fair,
If you cannot be good, be careful,
If you are right, he will always be there.

At the close of the ceremonies, Sergeant Mann was congratulated by every officer and non-commissioned officer of the regient. A dance was given in his honor later in the evening at the 24th Infantry Service Club. Music was furnish for both the dinner and dance by the 24th Infantry orchestra.

NO COMPLAINT

"Young man," called down the girl's father sternly from the top of the stairs, "have you any idea what time it is?"

"Twelve o'clock, sir," replied the exgob.

"Well?"

"And all's well."

29TH INF.

Hdqrs. Co., 2nd Bn.

We are having a great time in this company trying to get the necessary police and daily duties done, being so very short of men. It sure does look good to see some of the NCO's bending their backs to "pick up" at police time.

Corporal Ebbers has been in the hospital for the past few days recuperating from a recent operation, and from the last reports he is getting along O. K.

Pfc. Sanders, an old member of this company and who a short time ago transferred to Regt. Hqrs. Co., to be mounted orderly for Lt. Col. Singleton, has just transferred back to this company. We all welcome him with open arms.

We have had only two men finish record firing with the 1st Battalion so far, and both came through with qualifying scores. Private Gondek made 305, and Private Evans 258.

It really is a shame to print the results of the first week's Beauty Contest, because Sgt. Otis Parris is so far in the lead of the other contestants that they all look like "Lon Chaneys." The first week's results are as follows:

Sgt. Parris	21
Cpl. Bennett	12
Sgt. Stragand	7
Pvt. Bean	3

and a great number who have only 1 vote.

Corporal Bennett, our Columbus sheik, says that he is going to pass Sgt. Parris this week, having been down town lately canvassing for votes.

WM. B. SMITH

Company "E"

Group "A" of the Recruits, numbering 21 men, have finished firing and have qualified 6 sharpshooters, 13 marksmen and 2 Bolos. Not so bad.

One of our best men, Corporal Willie Pollan, has left us for a trial at civilian life. We wish him luck.

Pfc. "Hoot" Gibson, the hero of Hamilton road, has decided to be a woman hater from now on.

Sgt. Dalby has been discharged but has taken out another stack. Corporal Taylor is also expected to re-up.

Pfc. Thomas has been rushing a certain party on 1st avenue pretty hard lately. We expect him to pass around the cigars any time now.

Sgt. "Shorty" New has finally navigated the swimming pool as far as the raft.

THOMAS R. McDONALD.

Company "F"

Our Company Commander for the past three years, Captain Holmes E. Dager, has taken a well earned leave.

Captain R. B. Lovett has assumed command. We extend to him the wholehearted cooperation and earnest loyalty and respect that this company has ever become justly known for.

Sgt. Stotts is with us again, after a rather extended visit to his native wilds of Arkansas. He left fifteen days ahead of time—we understand—slow train, etc.

Pfc. Murdock has received his well deserved Corporals chevrons. Pvts. Derbyshire, Barnhardt and William C. Davis have been appointed Pvts. 1st Class.

Warning—Be careful and don't take any wooden money. Mighty dangerous in this company.

O. W. NELSON

Company "G"

The automatic riflemen of this company went over the top in both Course "A" and "X." The First Battalion will have to go some to beat us. Private Walinski made the highest score in the battalion, having never seen an automatic rifle before, until a week previous to firing, and said "He did not have much time to lose in a hurry." Private 1st Class Trivett made the highest score in Coure "A."

Private Pointer is leaving us tomorrow to go to his home for good, and we are sorry to say that the "Pointer" Range will be closed. All roads are open to traffic now that Sergeant Brown has completed firing. Acting Corporal Tate was seen lately posting his relief down by the old saw mill. He has increased the size of his first class chevron in order to give the home folks a good impression while he is away on a ten day leave.

Out of twenty-four recruits firing in Group "A," Springfield rifle, twenty-four qualified, including Sergeant Brown and Miss Paulk. In the group there were one expert, eleven sharpshooters and twelve marksmen.

VAUGHN

Company "H"

The talk has been going about that Willie Ptomey was watching that right of Gunner DePratt's. My advice to Willie is that he watch both of those hands. Gunner has two real good ones.

The papers stated that Gunner landed a good hard blow to Willie's chin, and that the blow had all of the Gunner's strength and weight behind it. That blow was nothing, you should see some of them that he hands out around the Gym. Man, he is dynamite. If he had hit little Willie with all of his strength, and it had been as effective in proportion to that one that he did land, there would be a funeral somewhere in Alabama.

It is a pity that the fight did not last long enough for Willie to show us and "the people back home" what he could do. In fact, we would like to see the Gunner matched with someone who could last long enough for us to see just what he could do with some real competition. He has not had a chance to show it since he has been at Fort Benning. The longest bout that he has had lasted only three rounds, and you all know what his opponent's face looked like after the fight.

We are having a real hot time on the range. Some of the Parade Ground Experts are showing us what they can't do. Boys, remember that the best way to make expert is to sit behind that gun and take nothing for granted. I have seen it fail too many times.

Sergeant Norbert L. Craine has at last been rewarded for his good work in the company. He now has three up and two down and holding the ace of diamonds in the hole. The men of the company extend to you their many congratulations, and assure you that they are behind you and will help you to make the best organization in the regiment even better. (This is not hand shaking either.)

Corporal Horance F. Pharr, after having acted as Mess Sergeant for a long time, has been rewarded with a promotion to the grade of Sergeant. He had his shirt in the tailor shop two minutes after he had read the order. Good luck to you "Country." May all the beans unite in helping you to make the Company "H" mess bigger and better.

Private First Class Fayette Vincent, (better known as Shrimp) has at last received that "deserved" promotion. You have been a hard worker, "Shrimp" and have shown that when it has to be done you can do it. May you be a success in your exhalted position, that of a corporal in the United States Army. Boys, watch his smoke.

Privates Edward F. Ball, Albert Shoemate and Raymond F. Bond have been promoted to Privates First Class. How's the chance for a "two-bit" tip boys. You know how it is. When you get all of that money, you will hardly find time to spend it all. Need any help?

Private Ackard Hayes has come back to us from a short stay at the Fort Benning Wire City. We hope that he will be as well pleased with the organization as some of the rest of us. In fact we feel sure that he will get quite a kick out rising with the bugles, instead of by the whistle and on the double.

That man Pieters that you saw fight in the ring the other night (I mean the bow legged one) says that Thompson can not whip him. It was a matter of his phyiscal fitness when he entered the ring, that whipped Pieters. I have seen him fight before, and feel that he can out point, out hit, and win from the man that he "faughten" the other night.

Private First Class David Gustafson and Adolph Kuzmiske are to be discharged real soon. Better start to thinking about taking out another stack. You can't find much better men than are in "H" Company, and it surely is a good outfit.

Private Jack Adams is also due for discharge soon. It wouldn't be a bad idea for him to figure on stciking around.

As the old saying goes, "Durn these Georgia flies an' the police force of a certain 'City' we know of."

REGIMENTAL BLUE PENNANT

1. The following named company is announced as winner of the "Regimental Blue Pennant," for July, 1927, created by T. M. No. 19, these Headquarters 1924, and awarded to that company, which, in the opinion of the Regimental Commander has attained and maintained, in its company area the highest standard as regards physical and mental well being of the organization:

COMPANY "B" 29TH INFANTRY
COMMANDED BY
Captain Joseph H. Rustemeyer, 29th Infantry

2. The following named company received honorable mention:

COMPANY "H," 29TH INFANTRY

4. The Regimental Commander compliments the winning company upon its splendid achievement and cites it as an example to the other companies composing the regiment.

5. Attention is directed to paragraphs 6, RDB. No. 260, 1926.

By order of Lieut. Colonel Delaplane:

CAN "KELLYS" CREW COME BACK SUNDAY

MID SEASON SLUMP SHOVES SECOND BATS INTO THIRD PLACE

"Red" Defeat of "Blues" Last Sunday Gives Last Year's Champs Commanding Lead in Final Round of Season

The Blues lost Sunday's game to the Reds after a hard fight and also dropped first place to the Reds.

The Blues have put up a great battle in the last half, after keeping the Red Legs company in the cellar during the first session they started the last half with a rush and lost their first game Sunday. Still they have a good chance to win first place and a chance to play off for the championship.

The Caisson Riders have been playing a much better brand of ball in the last half and gave the Tankers the shock of their lives when they gave them a nice drubbling by the score of 9 to 7.

They also gave the Green Cords a close fight in Monday's game and started a rally in the last frame that made the Greenies sit up and take notice.

The Tankers however, seem to be in a hard run of luck. They were defeated by the Red Legs Friday, August 5th, but come right back and fought the Reds to a standstill Tuesday and were leading by four runs until the fifth inning when the Reds sluggers got busy; finally winning 8 to 6.

The 2nd Bats., are not showing much form in the last half, but we all have our off days and we don't worry about the Kellys for they will be ready when the big day arrives.

The Romping Reeders are still showing plenty of fight. They took the Greenies by storm but bowed to the Kellys, McGaha's boat was slightly listing to port and his control wasn't so good when they played the Kels.

The Green Cords are the puzzle of the league, they just seem to be unable to get together, there is no doubt about their ability to play ball, there is no better infield in the league, Heckert, McCarty, White and Morgan, their outfield is above the average and in Douglas they have one of the best catchers on Gowdy Field. Tolle, Shepherd, Bennett and Duff should be able to take care of the itching but they loose and no one seems to be able to explain.

BLUES OVERCOME FIVE-RUN LEAD IN NINTH INNING, WIN GAME IN ELEVENTH

Going to bat in the ninth inning five runs behind the Blues opened up their heavy artillery driving Big Newman from the mound and tieing the score. The Kellies seemed to take a severe attack of buck fever in the ninth and the Blues taking advantage of every miscue tied the score in the ninth and came back in the tenth to score six runs and win 14 to 8.

Stokes drove out a home run in the ninth putting across the tieing run and bringing in the winning run but was called out when the ball was played to first for failure to tag first on his circuit trip.

The North end of the grandstand went raving crazy at the spectacular finish.

RED LEGS OUTSLUG TANKERS TO WIN 9-7

The Red Legs hit the old apple hard and won over the Terrible Tankers 9 to 7 Spivey went on a batting rampage getting a home run and two three baggers out of five times at bat, Estridge also hit for the circuit while Bowe for the Tanks hit one that was good for four cushions, the Red Legs collected fourteen hits off Lindsey while the Tankers touched Paschal for ten.

ROMPING REEDERS ELIMINATE GREEN CORDS

The Reeders jumped on Shepherds offerings in the third inning of last Saturday's game and before the smoke and dust had cleared there were seven markers on the scoboard, Snappy Bennett relieved Shepherd and held the Reeders helpless, but the 1st Bats., were never in danger as the I. S. D. batters couldn't connect. The Reeders pulled two double plays that broke up what looked like sure scores.

REDS SHOVE BLUES OUT OF LEAD

Although putting up a hard fight the Blues were helpless before Trammels pitching Sunday, the final score being 6 to 3 in favor of the Reds.

Trammel gave up only three hits while the Reds were getting to Leonard for ten safeties, McCrary and King got two hits each.

This puts the Reds in first place in the last half of the Intra-Mural race.

KELS SWAMP REEDERS

The 2nd Bats., took a poke at every pitcher in the Reeder Clan Sunday afternoon and they connected plenty strong, Ole Man McGaha was off his feed and just couldn't get the ole apple to do right, Kautz relieved him but was about to run the outfield to death, Hampshire then took the burden and held the Kels in check for the last three frames, giving up three scattered hits and no runs. Roosma and Cooper led the slaughter with four hits each.

NEW HURLER WINS FOR GREEN CORDS

Downey pitching his first game for the Detachmenteers won his game over the Red Legs, the Artillery ut up a good game of ball and made a deperate rally in the ninth that looked dangerous, but were unable to overcome the Green Cords lead. Both teams played good ball, the Caisson Riders out hit the I. S. D. but could not make their hits count for runs.

LINDSEY CAN'T SHAKE JINX

The Tankers took a four run lead over the Reds in the first three innings of Tuesday's game, but were not able to hold the hard hitting Reds.

Lindsey iptched a good game and was given good support but the Reds were to strong, making their thirteen hits count for nine runs.

F. Williams led the Red attack with three hits, Wright got two of the Tanks hits one of them a three bagger.

Our All-Service Champ.

Gunner De Pratt was born in the "Show Me" state back in 1903, but his parents moved to Kansas a few years later, Gunner now claims Columbus, Kansas as home. Gunner enlisted in the Field Artillery in 1920, serving two hitches with the Caisson Riders, going to the Doughboys for his third hitch.

He first started boxing at Camp Bragg in 1923, since that time he has made a good record putting on the finishing touches when he knocked out Willie Ptomey all service middleweight champion for the title at Fort Benning, Aug. 4, in exactly ten seconds, turning the trick with one punch, a left to the jaw. De Pratt is one of the hardest hitting middleweights in the game today, carrying a knockout in either mitt.

One of the leading papers of Columbus referred to the all service middleweight championship as the mythical title, for their benefit I would like to say if being the middleweight champion of these three branches of the serviec is mythical a fellow has to be some fighter to be a mythical champion, for some of the leading fighters of today are men that are exservice fighters.

De Pratt says that he wants it understood that he is a fighting champion and that he is ready to meet Gob, Leatherneck, or Doughboy at any time or place. Ptomey is clammoring loudly for another chance, says he never got started, etc.: De Pratt is leaving everything to Capt. Mabbutt, but fans you can just be sure we are going to see our champion do his stuff against some of the best of them before many moons, and all we have to say is (Sock 'em De Pratt the Referee will do the rest.)

Park at C. A. Morgan & Co. Open till 10 o'clock. Soft Drinks, Drugs and Cigars.

FORT FIGHTERS FEATURE FAST CARD

KEENAN FINDS FOUNTAIN WITH RIGHT AND LEFT TO JAW FOR COUNT

Gorman Gets Decision Over Martin in Slow Fight Featured by Fancy Footwork and Caressing Clinches

Over fifteen hundred fans braved the threatening weather Thursday night to see the Benning mitt artist make a clean sweep over all opposition in the feature bouts of the evening.

Jimmie Fountain who substituted for Regan was no match for the fighting Redtop from the 29th Infantry.

Keenan simply played with the boy from the land of flowers in the first round rocking him to sleep in the second round with a right and left to the jaw. Fountain was never able to land a clean blow on Red during his stay in the francas he did try bounding off the ropes once, but Red did a clever piece of sidestepping letting Jimmie miss by a foot, Red driving a hard right to Jimmie's stomach.

Keenan put Fountain down for a short count at the start of the second round with a left hook to the jaw, Jimmie came up groggy and went down to stay when Red stepped in with a right and left to the jaw.

Martin Loses To Gorman

Soldier Bud Gorman upheld the family name when he gave Grady Martin Columbus lad a sound licking in the semi-final.

The bout was slow owing to the fact that clinches seemed to be the order of the night, things picked up in the third round when Gorman walked into one of Martin's haymakers getting a gash opened over his right eye that brought the claret, Gorman ceased petting and started fighting with the result that Martin came to his corner at the bell with his right eye bleeding and also carrying a nice goose egg on his forehead where a high one landed.

Gorman had Martin in a bad way in the last round but did not have steam enough left to put the sleep producer across.

Amateur Bouts Please

Kid Bakewell from the Q'Emmers and Jackie Phillips from the Green Cords started things going with one of the "sluggenest" round affairs of the evening. Both boys showed their ability to take and give and although Bakewell earned the decision, he certainly had a busy evening as Jackie is one of the willingest little mixers among the Benning fighters.

Wilson Kaos Bickner

Ruff House Wilson from the 29th Infantry bung the "ole" on Bouck Bickner from the I. S. D. in the second round; but these boys certainly socked while it lasted and although Wilson won he had kissed the canvas twice himself before he finished Bucky. In the first round with nobody down both boys landed a jaw breaker at exactly the same time both hit the floor together, sat up, looked the situation over, climbed on their respective underpining and started chunking leather again, Ruff House had Buck in a horizontal pose at the bell but fast work by his seconds saw him ready for the second stanza, Bickner connected early in the second and down went Ruff House, but then Ruff House got mad, and when a right swing that started down near the swimming pool and stopped on Bickner's ear—FINIS.

Asher Wins From Sewell

Baby Asher, Hq. 29th Infantry, gave Kid Sewell of Columbus a good lacing in their three round argument but was unable to hang on the finishing touches.

Stokey And Moyer Draw

Ace Stokey and Kid Moyer rocked and socked each other for three rounds but neither boy seemed to have the advantage at the end, the fight being called a draw, the verdict meeting the approval of the crowd.

"Shimmy" Sam Wins

M. P. Carter certainly needed his club last night when he mixed and mingled with Battling Sam the Shimmyest fighter we ever saw. Carter would be watching Sam do the latest blackbottom one second and "zowie" he would get the benefit of 8 ounces of leather right smack on the kisser, then Mr. Carter would lose his temper and rush Sam around the ring cutting big holes in the atmosphere with his gloves, but Sam just danced away with the grace of a Hulu vamp, winning in a camel walk.

Revenge is Sweet

Young Peters came back and got revenge in large quantities when he hit Battling Thompson of Columbus with every thing but the ring post Thursday night, Thompson knocked Peters cold in their first fight here a month ago but the little battler from the 29th Infantry plastered Thompson last night until that gentleman decided that the referee was socking him to, and there is no doubt that he would have been listening to the tweet of the little birdies if the fight had gone another round.

Colombo Conquerors Columbus

"Handsome" Hardy of the Electric City—130 pounds—grabbed a live wire when he tackled "Kid" Colombo of "H" Company, 29th Infantry—130 pounds. Hardy was altogether too soft too weather the Machine Gun barrage and finally resorted to "necking" to save himself from the dusty canvas. The boy from the Suicide Squad still needs something he didn't have last night; if he had shown real form he would have rocked the Columbus boy to sleep in the seconr round.

Brault Batters Bryant

"Foot" Brault—119 pounds—"A" Company, 29th Infantry won a war dance with "Link" Bryant of the Tanks. This was a close decision and looked like a draw—even to the Sports Writers from the Big City Dailies.

Parker Pummels Gresham

Gresham—137 pounds—Medical Corps swallowed the bitter pill of defeat in his battle with "Blondy" Parker—138 pounds—"E" Company, 29th Infantry. Parker is a lad of promise. He seems to have a cool head and fights carefully but agressively. It was a treat to watch this bout although Gresham was sadly outclassed. The "Pill Roller" was a game boy though and certainly stayed out the three rounds.

Cranford Spanks Little Jo-Jo

Speedball Cranford—135 pounds—24th Infantry rocked Jo-Jo Anderson—135 pounds, the Wild Man from the 24th all over the ring. Jo-Jo has a style that is reminscent of Molla Mallory or Big Bill Tilden at their best. Jo-Jo's chopping style would win him fame on the tennis court. The bout went to Speedball with the hearty applause of the ringside.

Leaping Williams Downs Adonis

"Leaping" Williams—156 pounds—24th Infanrty took three fast and furious rounds from "Adonis" Gainey. Williams had the fight at al ltimes but Gainey put up fairly good opposition. Big Boy Hamilton did not put on a strongarm act and Referee Dailey must have thought that the crowd was not satisfied. In the third round of this bout Dailey rung the bell by jerking one of the ringside ropes off the post.—The crowd cheered.

Heard Whips Adams

Bacon-grease Bobby Heard — 198 pounder—24th Infantry took an easy decision from Kid Adams—190 pounds—24th Infantry. It looked like a Ko in the second when Adams took a count of nine.

Angel Child Takes Poison

Whiskers Harris the Dark Angel—150 pounds—took all the Arsenic that Young Bob Lawson of Cuba could give him. Lawson's experience didnt' help him much as the Angel Child got the decision.

FAST FIGHT CARD PROMISED FOR NEXT THURSDAY

On next Thursday night—cloudbursts permitting.—One Happy Hunter, a negro heavyweight from Atlanta will mix it with Battling J. D. Peaks from the Twenty-Fourth Infantry, in the only professional fight of the evening. This should be a bout worth seeing. Battling J. D. is certainly looking for trouble from the hungry way he has been studying The Black Hurricane's Poster—pasted up in the Gym. J. D. looked as though he would like to do the Hurricanes pasting for him. Besides the J. D.—Hunter go, there will be fifteen amateur prelims, of three rounds each.

WEARING OF UNIFORMS WHILE ON MILITARY POSTS STRESSED IN W. D. LETTER

Attention Called to Abuse of Discretionary Privileges in Use of the Authorized Uniform

The wearing of the uniform is the subject of a letter issued by the War Department to corps area, department and other commanders. The letter calls attention to the apparent indifference on the part of many regular army officers to the wearing of the uniform on military posts, and says futher:

There is a growing tendency, the letter says, among our officers to wear civilian clothes and athletic clothes to avoid wearing the uniform of their office. This attitude towards the uniform on the part of the officer has become so marked as to be accepted almost as a matter of course. Enlisted men are permitted to drill in some places in fatigue clothes and to wear them on occasions and under conditions where the uniform should be properly worn. If the pride of the soldier for his uniform declines, it will have a correspondingly injurious effect upon the military spirit.

Enlisted men are authorized to wear the fatigue uniform on duty in the performance of which the clothing worn may become soiled or unsightly. The War Department allows a certain discretion in the lower echelons of the army as regards the using of the fatigue uniform for enlisted men. While attending stables, cleaning equipment and material manning, under certain conditions, the heavier calibre guns, and performing certain other duties out of ranks to be determined by the proper authority, the fatigue uniform serves a valuable purpose. But the prescribed uniform for drill is the service uniform—not the fatigue clothes—and the substitution of the fatigue uniform at drill for the prescribed uniform of the soldier is in no way contemplated in the above regulations. Any abuse of the discretion permitted therein shows a lack of appreciation of military psychology.

Officers on duty with troops must be impressed with the great value of the uniform as a menas of instilling the military spirit. Some such marked designa-

(Continued on page 2)

The Student Officers ordered to Fort Benning, Ga., are mailed a copy of the Infantry School News each week before arriving in Fort Benning. The ads carried in the NEWS should be of great help to the officers upon arrival in COLUMBUS.

WEARING OF UNIFORMS WHILE ON MILITARY POSTS STRESSED IN W. D. LETTER

(Continued from page 1.)

tion in the habit of dress of the fighting man as distinguished from his fellows has been a valuable inheritance from the experience of past ages. The wearing of civilian clothes on a military reservation by Regular Army officers not only creates in the officer an attitude of indifference and repugnance, but transmits this spirit to the enlisted man and contravenes one of the most universally acknowledged aids to discipline and martial pride.

The Secretary of War directs that the Army Regulations and the War Department orders concerning the wearing of the uniform by officers and enlisted men be interpreted in the spirit indicated herein and that commanding officers everywhere charge themselves with re-establishing that pride in the wearing of the uniform which has been the unique privilege of the fighting man from time immemorial.

HORSEMAN IS KILLED BY LOW FLYING PLANE

EL PASO, Texas—Robert E. Griffin, private first class, Troop E, Seventh Cavalry, was instantly killed today, when a low flying airplane struck him as he rode his horse in joint air and land maneuvers near Fort Bliss.

Private Griffin was galloping his horse over the mesa, three mile east of the wireless tower when he was struck by the landing gear of a plane piloted by Cadet E. P. Rose. He was decapitated.

Cadet Rose said he was flying low when he ran into some bumpy air and the plane dropped lower still. He did not learn of the accident until he had landed after the maneuvers.

Scores of other troopers were near Griffin when the accident occurred.

He came home and, as they say in the movies, found his wife sewing on a tiny garment.

"My dear! My dear!" he cried.

"Don't be silly," she replied calmly. "This is my new evening gown."—Ames Green Gander.

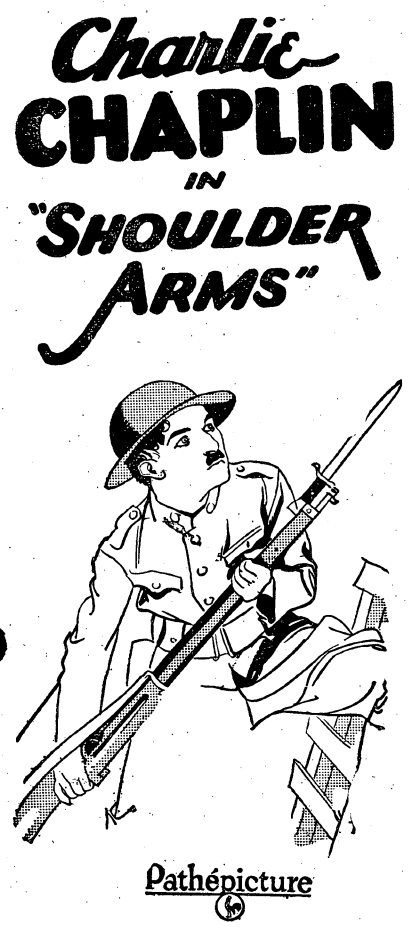
SUNDAY SPECIALS

SUNDAY, AUG. 21

"SPUDS," starring Larry Semon in a comedy war that ends gloom in an uproaring victory of laughs. Spuds, champion potato peeler for the A. E. F. helps out his old buddy, Arthur, who is a Captain. Arthur faces court-martial over a lost pay car. A pretty French girl, two spies and shot and sheil combine a mele of difficultiec that warrant side jolts from start to finish.

"Shoulder Arms" starring Charlie Chaplin in a reissue of this supreme comedy film. This is a special Sunday treat.

"Pathe News."



SATURDAY, AUG. 20

"NO MAN'S LAW," featuring Rex, the King of Wild horses, with Barbara Kent and James Finlayson. Greed, hate, passion and love characterize this tense drama. These elements are softened by frequent splashes of comedy.

Two horses, two comic burros, a mine shaft in the desolate desert and twenty-four hours' time insure this to be a highly dramatic picture.

"Bringing Home The Turkey."—Our Gang Comedy.

MONDAY, AUG. 22

"FAST AND FURIOUS," starring Reginald Denny in an automobile romance that skids into a million complications. Action from start to finish and laughs galore. Reginald Denny is the author.

"Sweet Baby."—Cameo comedy.

TUESDAY, AUG. 3

"THE LAST OUTLAW," featuring Gary Cooper in a western drama of cattle rustlers, frontiersmen and the law of the wilds.

"Return Of The Riddle Rider No. 7."

WEDNESDAY, AUG. 24

"BARBED WIRE,"—Pola Negri in a story, dealing with the backwash of the battlefields in prison camp where there is no roar of guns, but where hatred and suffering are more intense than at the front. It is the story of a patriotic French girl and a man who represents all she hates, a German prisoner. It is from the novel by Hall Caine.

"Wise Crackers No. 7."

THURSDAY, AUG. 25

"MAN POWER,"—Richard Dix with

Mary Brian in a mixture of comedy and melodrama with Dix as an ex-officer of the Tank Corps. He finds work in a tractor plant, shows up the manager's trickery, uses one of the tractors to save the village from an overflowing dam, and incidentally wins the company president's daughter.

"Pathe News."

FRIDAY, AUG. 26

"PRINCE OF TEMPTERS," featuring Lois Moran, Ben Lyon and Lyra De Putti in a story of European settings and intrigue. A boy released from a monastery to take an important position in the social world becomes embittered by many adventures into which his innocence leads him. He turns to London as a field of wild flirtations which win him the reputation of a heart breaker. It is a powerful love story.

"Dizzy Daddies."—Roach Star.

Quartermaster Corps

Pvt. Rolka, main stay of the hand comp. department, has taken a furlough. As far as we have been able to find out he must have left parts more or less unknown. Perhaps though, he may even reach that perfect Utopia, his beloved Dee-troid, of which he so often speaks and in terms that would put to shame any Florida realty dealer.

Cpl. Dollar finds that the life of a new born Non Com of the Q. M. C. is not exactly as bright and cheery a job as it is often cracked up to be. He discovered that with his strings he fell heir to a flock of Johns whom he must father and nurse through their adolesence.

Pfc. Trout now reigns ace high over the mighty Miehle. As the last member of a rapidly dwindling race of feeders he is getting a golden opportunity to display his wares.

Cpl. Harry Smith, our gestulating son of Abraham, Issac and Jacob, trampled all tradition underfoot when he expended the necessary pieces of silver for a tank of gas an dused it to drive his Ford out from town twice during last week. No doubt that explains the weak, drawn look on his face and the dejected droop of his sholders. It must have been a heart rendering battle he fought with himself when he allowed those shekels to pass from his hands.

Here it is the middle of the month and the shop labor efficiency has suffered naught at the red eyed ogre, Georgia Corn. As far as Johnnie is concerned we want to congratulate him on his resolutions that have kept him from being enticed by that flaming youth, Pop Little, into going astray.

Heard in the bindery the other day:

Johnnie:—"Awright, Phipps if you don't quit standin' 'round looking' wise I'm gonna get the—'ll outta here."

Phipps:—"Thas what I'm paid for ta look wise and see that you guys work."

All of which disapproves the theory that wine, women and song saps the strength of a man and leaves him a service wreck at the mercy of the hard boiled world.—J. E. M.

* * *

As a matter of fact our shop is as well equipped as any of its kind. The fact that the equipment is housed in an ex-cow barn does not alter the fact that nearly every branch of the printing profession is practiced by soldier printeds in turning out the thousand of copies of matter used by the post each month.

* * *

And another thing, as Andy Gump says, did you ever see faster foot work than shown by Captain Mabbutt when he referees? For a man of his weight he is certainly fast on his feet. And he is certainly helping to bring boxing to the front rank at Benning.

Rubber Heels

"Next comes the Soldier—
Full of strange oaths, and bearded like the pard;
Seeking Glory, even in the cannons mouth. . . ."

So, or somewhat so, said Shakespeare some three hundred years ago. But the Bard of Avon were he here today would lyre a very different lay. The soldier today who should so forget himself as to become "bearded like the pard" would undoubtedly make the acquaintance of the 107th Article of War—an article which, like marriage covers a multitude of sins. Nor would he fare much better, should he too frequently or publicly become "full of strange oaths."

But even the "Old Army" as we know it was noted for its neat appearance and properly decorous speech—at least in public. It is the "New Army" of which we would speak; the New Army of lapel collars and rubber heels; the New Army of fifty cent rations and fifty pound packs. Surely this is a far-cry from the bearded and booted bravados of old. And yet the adoption of the new uniforms has been so gradual that the change has come almost unnoticed and its underlying significance unrealized.

Personally we believe that it is the outward semblance of the inward form. As the lapel collar has less of the cramping, formally military appearance characteristic of the stand-up collar—so has the New Army lost some of the old cramping formality of the Old Army. And likewise as the recently authorized rubber heels permit the promenading soldier to pursue his way, quietly—so will the soldier himself learn to mingle less obtrusively among his civilian neighbors.

We would not point a normal if we could. Time alone can tell the worth of innovations. Personally we liked the smart click of leather heels—in drill. We had an equally personal dislike for their clumping akwardness at all other times. But we learned to like leather in the "Old Army" and are possibly prejudiced. The new men—the "rookies" —who have never clicked their heels together, "audibly," may never know the difference.

"I told you I didn't want to come to this masquerade. I never saw such snobs. I'm having a terrible time!"

"Put on your mask."—Notre Dame Juggler.

REGIMENTAL SWIMMING MEET

The Regimental Swimming Meet will be held at the Garrison Swimming Pool 8:00 A. M., 29th August, 1927. (Monday. The following is a list of events and the order in which they occur:

(1) 50 yard breast stroke.
(2) 50 yard back stroke.
(3) 100 yard free style.
(4) Finals—50 yard breast stroke.
(5) 440 yard free style.
(6) Fancy diving.
(7) Finals—100 yards free style.
(8) Relay race 400 yards (Teams of 4 men.)

Organizations will hold their own tryouts prior to 19 of August, 1927. All events open to both officers and enlisted men of their respective organizations.

The 1st and 2nd Battalions and Special Units will enter in each event not less than the number of contestants as indicated below. A list showing the names of entries and events will be submitted not later than noon, 25th of August, 1927. Places will be drawn for by lot at that time.

Additional entries may be made from the organizations. Contestants may enter as many events as they desire. Officials for this meet will be designated at a later date. Rules fo rthe meet are announced as follows:

(a) 50 Yard Breast Stroke, (4 men).

At the pistol shot competitors shall dive and swim on the breast. Both hands must be pushed forward and brought backward simultaneously. Both shoulders must be kept on line with the surface of the water. When finishing the race the touch must be made with both hands simultaneously. Any competitor introducing or using a side stroke during the race will be disqualified.

(b) 50 Yard Back Stroke, (2 men).

The competitors shall line up in the water facing the starting line, at the starting signal they will push off on their backs and commerce and continue swimming on their backs throughout the race. Swimming on the side or in any other manner than on the back during the race shall be a cause for disqualification.

(c) 100 Yard Free Style:

Each competitor shall stand with one or both feet on the starting line and when the signal is given, shall plunge; stepping back before the signal is prohibited. Each competitor shall keep a straight course. Any contestant who, when out of his own water, interferes with another competitor, is liable to disqualification.

(d) Diving, (4 men):

The program shall consist of the following dives: Running Front Dive, Back Dive, Running forward Jack-Knife, Back Jack-knife, and three (3) voluntary dives, to be named by the individual. Judges shall award points according to a fixed scale, taking into consideration the following: Manner of the dive (Proper carriage, confidence and form), and the force and speed of the dive, the entrance into the water and how the run or take off is performed. In all Jackter within six feet of the diving board. knife dives the competitor shall enter wa- All head dives with arms at the sides are ruled out. Shallow and all other front dives are considered as plain front dives. In all somersaults or Jack-knife dives with twists, the somersault or Jack-knife must be completed before twisting.

(c) Finals for 100 Yard Free Style:

Entries for finals 50 yard breast stroke and 100 yard free style will consist of the winers of the 1st and 2nd places in the trial heats.

(f) Relay Race, (1 Team, 4 men):

Teams of four (4) men each. Each member swims 100 yards, Free Style. As swim is completed each member will touch the next member of his team on any part of his body in such a way as is clearly visible to the Judge at that point.

(g) 440 Yard Free Style, (2 men):

He—"I'm full of pep."

She—If that's pep, I never smelled gin.—Mink.

COLONEL W. C. JOHNSON ON LEAVE

Colonel and Mrs. Wait C. Johnson left Fort Benning last Wednesday for an extended vacation throughout the New England states and in Washington, Colonel Johnson will be at the Army and Navy Club in Washington for a week when he will leave for Boston where he will play in a tennis match at the Longwood Cricket Club, on September 4. This match will be played in the National Veteran's Tennis Tournament. He will participate in a match with Captain Walter Anderson, U. S. N., as his partner. For several years Colonel Johnson and Captain Anderson have met as opponents in the Army and Navy tournaments and this will be the first time they have been paired as partners in any tournament.

OFFICERS REPORT FOR DUTY

Several officers have reported for duty with the 24th Infantry within the past few weeks, a majority of whom have just returned to the United States from foreign service. Captain Earle I. Paynter, commanding Company "A" returned from a two year's tour in the Philippine Islands where he was on duty with the 57th Infantry at Fort McKinley. Lieut. John T. Sunstone, assigned to duty with Headquarters Company, likewise has recently returned from the Philippines where he was assigned to the 31st Infantry in Manila. Lieutenant Allan F. Haynes reported for duty this week with the regiment having been on duty for the past four years in Washington as aid to General S. D. Rockenbeck.

COMPANY "H" TWENTY-NINTH INFANTRY

Fort Benning, Ga.
August 16, 1927.

We regret to announce the death of our esteemed friend and fellow soldier, Private First Class David Gustafson. Private Gustafson died of heart failure at 4:30 Saturday afternoon, August 13, 1927. He had been with us for almost three years, being due for discharge the 15th of August. He had many friends in Company "H," and the Regiment as a whole, always having a good word for those who came in contact with him. We all sorrow in the loss of our dear friend, and only hope that we may in some way glorify his remembrance.

He was to have received his discharge at 11:30 Monday, August 16, and it had been filled out, having Character EXCELLENT and an efficiency rating of Above Average. He was truely a soldier.

Bernard B. Swayze.

BARRACKS BANTER

By Ad

"For East is East, and West is West,
And never the twain shall meet—"

But now we are informed that the Fifteenth Infantry at Tientsin, China, requires each man to learn three hundred words of Chinese. Mr. Edward Lear might have said:

Some soldiers who lived in Tientsin
To study Chinese, did begin
For at barter and trade
They were sorely afraid
Some "China boy" might take them in.

* * *

England and France—according to the Literary Digest—are already discussing the "next war in Europe." Evidently the European "Pipe of Peace" is a lead pipe.

VITAL STATISTICS

$3,000,000.00 Gate expected for Dempsey-Tunney fight at Chicago.—Evidently somebody is fighting, Mad.

"QUALITY" - - "SERVICE"

The Columbus Loyal Order of Moose No. 1317 under the direction of their State Supervisor William T. Sheffield has opened their charter for a limited time only. The iniation fee is now $10.00. The I. O. O. M. stands for purity, aid, and progress, it is patriotic, fraternal, social and benevolent—"one for all, and all for one." For the convenience of the soldier personnel stationed at Fort Benning, Ga., a special class will be conducted about the first of September. The lodge meets Thursday night of each week in the lodge rooms which are located in the Mills Building, Columbus, Ga. JOIN NOW and save $15.00 of the initiation fee.

WHAT EVERY WOMAN KNOWS

"A car?" stormed an angry father. "Of course you can't have a car! Why, you would be absolutely helpless if you found yourself with a flat tire."

"Oh, no, I wouldn't Daddy," the daughter retorted confidently. "I've given flat tires the air before this."

An army chaplain, extremely popular with the soldiers, was strolling along the street one day in citizens' clothes. Meeting a soldier he stopped and gave him a nod of recognition. The soldier was taken aback; then recalling the padre's genial countenance, he ejaculated: "Now, where in Hell have I seen you before?"

"I couldn't say," responded the padre. "What part of Hell do you come from?" —Laughter.

Why Is a Mutual Building and Loan Association an Ideal Investment?

First—**Safety,** money loaned on first mortgages and association under state supervision.

Second—**Availability.** Your savings on a pass book subject to withdrawal any time.

Third — **Earning Power** — greatest with safety, as quoted in magazine of Wall street.

FISH STORY THREATENS PRODUCTION OF SHOPS

A heated controversy which, unless subdued, threatens to adversely affect production at the principal motor transport repair centers of the army, has sprung up during the last two months among the motor mechants of Camp Normoyle, Texas, Camp Holabird, Md., and Fort Mason, California. The point at issue is "what is the best method for catching fish?" It all started by the publication in The Speedometer in May of an interview with Technical Sergeant Julius Kleinhenz of Camp Normoyle in which the Quartermaster non-com. set out the following as the most efficient procedure in fish production:

"Take a brace and bit and bore a hole in the water. When the fish come up through the hole the fresh air causes them to swell up; they can't get back through the hole so a man in a boat can easily go along and pick them up."

As simple and unassuming as this little statement was, it immediately brought forth a wall of protest from the motor transport shop personnel at Fort Mason, California. In the June issue, The Speedometer published the following:

"Royal subjects of King Neptune and proven experts in the piscatorial art at Ft. Mason object most strenuously to public, getting impression from The Speedometer that army motor mechanic catch their fish in such an antiquated manner as described by your Camp Normoyle correspondent. It is decidedly obsolete beyond economical repair and should be replaced under the new unit replacement system by the following:

"Take an old discarded broom handle or baseball bat (golf maniacs may use a golf club); get into the middle of the lake and cast about you on the waters a quantity of Copenhagen snuff. Fish of any size like this and when they come up above the water to sneeze, soak them with whatever you have."

Normoyle truck fixers ground their teeth with rage, and then from Holabird, heretofore neutral, came a red hot note threatening to sever all diplomatic connections with the Speedometer if either the Normoyle or Fort Mason fish production methods were adopted, and demanding that the Holabird plan be accepted as standard for the Quartemaster Corps as follows:

"Proceed to the water's edge armed with any old club and with several plugs of star tobacco carefully cut into cubes. Cast these cubes on the water. The fish will ferociously attack these cubes and chew them up. When they come to shore to spit they can be dispatched with ease."

The Speedometer has not yet heard from Jeffersonville, the big motor center in Indiana. If this station fails to vote with one of those already heard from and has the nerve to submit a plan al its own, the matter will have to be referred to the Quartermaster General for a decision. This thing can not go on.—Speedometer.

29TH INF.

Hdqrs. Co., 2nd Bn.

We, in this company regret to hear of the announcement of the death of our good friend and neighbor, Private First Class David Gustafson, Company "H," 29th Infantry. "Gus" was a good soldier and always had a kind word and smile for everyone, and we all sorrow in the loss of such a good, true friend and fellow soldier.

1st Lieutenant A. J. Nichols, who has been our Company Commander for the past year, has been transferred to Regimental Headquarters Company, and 1st Lieutenant Keith K. Tatom, has taken Lt. Nichols' place. We are all sorry to see Lt. Nichols go and wish him the best of success in his new company, and hope that some time we will be fortunate enough in getting him back with us again.

A great deal of interest has been shown in our race for the beauty honors in our company, and a great many votes have been cast this past week. The standing this week is as follows:

Cpl. Bennett, 23.
Sgt. Parris, 21.
Pvt. Bean, 19.
Sgt. Stragand, 16.
Sgt. Lowe, 15.

Just as predicted last week, Cpl. Bennett was at Columbus geting votes and by the looks of this week's standing he has been very lucky. We don't know where he got them but it wouldn't take long to guess. A dark horse has entered the race this week and Sgt. Lowe (it) has landed in 5th place. I think that the votes came in by mail from Cusseta. In view of the fact that the race this week is so closely contested we have agreed, after numerous requests, to extend the last day of the contest to Sept. 1st.

WILLIAM B. SMITH.

Company "E"

Not much of importance in the outfit this week. Our new Corporals Bailey and Dollar are sure strutting their stuff with their new "Balloon" stripes. The company lost a hard fought game to "A" Co. Sunday by the tune of 10 to 8. A ninth inning rally of 3 runs fell two short of tying the score. Thomas and Tillman played a good game for the losers. Capt. Rutledge is now coaching the 2nd Battalion Ball team and has started off in fine shape by beating the "Reds" 5 to 4 in Sunday's game.

Corporal Myers has been discharged but re-enlisted and is spending his 3 months furlough in Cleveland. Pfc. Bunch is leaving us today by means of the purchase route.

T. R. M.

Company "F"

Cook Van Winkle has got one passenger carrying cycle. It don't take a sedan to get them all out for a spin. She seemed to enjoy it too.

That must have been a rough plane ride that our 2nd Byrd took. Surely Rooney must have landed on the rocks to get in his present fix.

This Bn. has demonstrated that we may be down but we are never "OUT."

We are pleased to announce in this column, the wonderful taking way of introducing himself that one of the esteemed members of this company has shown himself master off—Yes it was on Sunday—Was she pleased to meet him? Ask his companion in (?)—Cpl. Duncan.

We have several worried soldiers in this company—they are making up their minds as to whether they will stick with their Uncle or have a try at the dark, cruel world. Lamb, Ross, Daugherty, Hays and Cpl. Cheslock are on the fence.

We hope that they will stay with us for another "hitch" at least.

Wait until Sgts. Lance and Stotts get their motorcycles—we plan to cycleize this outfit intirely.

O. W. NELSON.

Park at C. A. Morgan & Co. Open till 10 o'clock. Soft Drinks, Drugs and Cigars.

REDS FACE FIGHT TO HOLD PENNANT

"KELS" KONKRING KLAN ROUTS RAMBLING "REDS" IN 10-INNING TUSSLE

Blue Basmen Hold Team in First Place with Win Over Reeders—League Leadership Race May Result in Three-Cornered Tie

Although shoved out of first position when they dropped a game to the Reds last week the Blues moved back in front when the Kellys took a ten inning battle from the Reds Sunday afternoon.

The Tankers have been unable to break into the win column during the last half, but the 2nd Bats., used three picthers before they could check the Terrible Tankers last Thursday, August 11th.

The Tankers are certainly on the "toboggan" and they don't seem to know where to get off, they play good baseball but miss all the breaks. The Red Legs from the 83rd have shown the biggest improvement of any team in the league. They fought the Reeders for fifteen innings in Saturday's game; the 1st Bats., just barely putting over two runs in the fifteenth to win.

The Green Cords got an even break for the week losing to the Blues and winning Sunday's game from the Tankers.

The feature game of the past week was between the Kels and Reds Sunday afternoon. A crowd of three thousand fans saw the two teams fight it out for ten innings before the Kellys put over the winning marker in the tenth.

The Kels played the old game when they came from behind to tie the score in the ninth and win the old game in the tenth.

The Tankers and Green Cords were forced to cease firing because of darkness in the seventh inning of the second game Sunday, the Green Cords winning 6 to 4.

It seems as if the Reds and Blues are going to make a finish fight for the honors in the last half, and the Blues are making the last years champs extend themselves to hold the pace.

We don't know yet who will face the Kellys in the series but the 2nd Bats., are out to win and the way they are going now it looks like some body is going to have to step out to win from the Kellys this year.

THREE KEL PITCHERS STOP TANKERS

Old Man Harkey was easy for the Tankers in Thursday's game, August 11th, eight bingles being marked up against him, Pyle was just as easy, but Johnny Roosma stopped the parade when he went to the mound the Tankers going the same old route 8 to 4. Roosma pitched nohit, norun ball the four innings he was on the slab.

Conrad was doing good work on the mound for the Tankers, but for some unknown reason lefty Mays relieved him and then the Tank outfield did its daily dozen.

Score by innings:

2nd Bat.	020 023 010—8
Tanks	010 030 000—4

GREEN CORDS DROP ONE TO BLUES

Leonard bested Tolle in a pitchers battle last Friday, August 12th, Tolle started the fire works himself when with two men out he took an easy hop and tossed it over Morgans head at first the runner going to third from where he scored a moment later on an infield hit.

The Blues played errorless ball behind Leonard while the I. S. D. pulled five miscues that were costly.

Heckert got two of the I. S. D. hits, Baker got three fo rthe Blues.

Score by innings:

I. S. D.	000 000 001—1
Blues	001 022 00x—5

REDLEGS LOSE 15 INNINGS TO REEDERS

The Red Legs and Reeders went fifteen innings in Saturday's game, August 13th before the winner could be declared.

Ole Man McGaha and Sleepy Paschal both pitched airtight ball although the Red Legs made seven errors back of Paschal.

Estridge led the Artillery attack, smacking out four safe bingles, Jefferies also hit three safe ones, Red Reeder had a big day at first base getting twenty-five putouts to his credit.

McGaha and Berthieume of the 1st Bats., got a three bagger. The Red Legs and 1st Bats., have a tie game to play off, and the Gunners are looking for revenge in their next meeting.

Score by innings:
(15 innings:.):

1st Bat.	011 000 000 000 102—5
Artillery	001 000 100 000 100—3

KELS COP 10 INNING TILT FROM REDS

While three thousand fans tried to raise the roof off the grandstand Sunday, August 14, the Reds and Kellys fought it out for ten innings, before the Kels inally wonout in the tenth inning 5 to 4.

Fat Franz played a great game at short and several of his spectacular stops and throws saved the Kellys from sure defeat.

Both teams played good ball and although it looked like sure victory for the Reds when they went into the ninth two runs ahead the Kellys never gave up the ship, but came back and tied the score, and then shoved over the winning marker in the tenth, this puts the two teams even for the year with two wins each.

Score by innings:
(Ten innings:):

Reds	000 011 110 0—4
2nd Bat.	000 000 103 1—5

TANKERS LOSE TO GREEN CORDS

Tolle gave up only five hits in the last game of Sunday's twin bill, but errors back of him let the Tankers score four runs, but the Greenies evened matters up by driving out eight safeties off Conrad for a total of six runs. The game was called in the seventh inning because of darkness.

Shotgun White hit one to the flag pole for three cushions, besides playing a great game at second base.

Score by innings:
(Seven innings):

15th Tanks	000 030 1—4
I. S. D.	104 000 1—6

REEDERS LOSE TO BLUES

The Blues had their batting eyes with them Monday afternoon, August 15, and after driving Kautz from the mound in the eighth inning and then proceed to dress McGaha up in the ninth scoring three runs off him in the final frame.

The Reeders died hard, making their nine hits account for seven runs, but were never able to overtake the Blues after the fifth inning.

Score by innings:

Blue	200 200 123—10
1st Bat.	100 300 201 —7

SPORTOPICS

By THE PIRATE

Well Ptomey has been promised a return match with Gunner De Pratt in the near future, Ptomey claims that he never had a chance to do his stuff here. We admit he never got started, for what stopped him would stop anything human, but it seems that Ptomey is under the impression that De Pratt just had that punch borrowed for the occasion; he doesn't seem to realize that Gunner carries that wallop in either mitt and that it will be the same sad story again if the Doughboy finds the button, for its a cinch that Willie can't borrow a bomb proof jaw.

If it was left up to me to pick the gamest baseball player in Fort Benning I would not hesitate a moment in naming Ole Man Heckert of the Green Cords, a few of the fans take a huge delight in calling Heck a "Sohed" etc.; but for a man that has been playing the game as long as Heckert has and for a man to take the razzing that he does from a few "Wise Willies" and still stay in there and fight as he does he must have plenty of what I would call grit.

If any one has any doubt about our football team this season just drop over around the Gym and take a look at some of the new arrivals. Boy, I certainly would hate to be a Marine, when Major Van Fleet gets a football machine made from this material finished I don't believe you could stop them with the Johnstown flood.

BATTLING J. D. HAS GOOD RECORD

Battling J. D. Peak one of the best colored heavyweights in the game today is a member of the 24th Infantry at Fort Benning, Ga.

J. D. was born in Nashville, Tenn., and started fighting at Des Moines, Iowa back in 1917 while he was with the 92nd Division.

He made quite a name for himself as a fighter while in the service and at the close of the war started fighting around New York where he made a mighty good record, some of his best fights include a knockout over Tut Jackson, Kid Norfolk and King Solomon, these men are good and a Kao over these fellows is a thing to be proud of, J. D. holds one decision over Bud Gorman but took a good lacing from him in their last fight.

Knowing that you will wonder what he is doing back in the Army, I will try to tell you as he told me.

"I never had any trouble winning fights and I like to fight, J. D. said, but after I trained hard for a fight, that was my least trouble, after the fight was over and I got the long green my trouble really started and I always wound up, broke. So I just decided to come back to the Army and stay and quit fighting, but I am learning to fight now better than I ever did before and I intend to stay in the Army and keep right on fighting, because I don't even know what trouble is now." J. D. stopped Charley King colored heavyweight from Walk Millers stables in one minute and thirty-three seconds at Fort Benning, August 4th.

"ALL I CAN SAY:"

Said Mr. Ford.....

"It has speed, style, flexibility and control in traffic.

"There is nothing quite like it in quality and price.

"The new car will cost more to manufacture, but it will be more economical to operate."

THINK WHAT THIS MEANS!

Consider the recognized value of our old friend, the Model T, which sold into the many milions. And yet the new Ford will bear absolutely no resemblance to the Model T.

ENGINEERS STOP SKINNERS WITH ONE TO ONE TIE IN TWILIGHT LEAGUE OPENER

The bushwhacking Pontoniers are certainly upsetting the dope bucket. Coming from behind yesterday they tied the hard-hitting ball-busters of the Service Company and the score stood one to one when one of our periodic cloudbrusts brought the game to an untimely end the score reverting to the fifth inning.

If the Engineers can keep up the pace that they showed yesterday afternoon the race in the Class "B" League should be very interesting. Perkins seems to be his old self again and with Groves behind the bat the Pontoniers have a class "A" battery. Wigley looks good at third and Briner can handle short with a little more speed. Long George Cameron stamps a wicked first base and it's a wild throw that misses him. Brock was better at second than he has been before this year. Possibly the old boy is staging a comeback.

Defensively the Engineers have improved. Any team that can hold the Service Company to a lone tally in six innings is good. If their offensive shows as much improvement we can expect to see the old "Castle-Clan" in the fight for the Cup.

STANDING OF TEAMS

	W.	L.	Pct.
24th Blues	7	1	875
24th Reds	7	1	875
2nd Bn. 29th	7	2	778
1st Bn. 29th	3	4	430
Inf. School Det.	3	5	378
83rd Field Art.	1	6	143
15th Tank Bn.	0	6	000

SECOND BATS STILL GOING STRONG

Terrific hitting coupled errorless ball marked the Second Battalion—I. S. D. game Wednesday. Newman was a puzzle that the Green Hats could not solve and Kelly's Crew connected freely with the I. S. D. offerings. If the Kels can keep up this kind of a pace they should romp home with the pennant without much trouble. The terrible tale follows:

2nd Bat.	341 600 121	—12
I. S. D.	000 001 000	—1

Lady (visiting prison)—"And how did you come to be put in here, my good man?"

"I'm unlucky," declared the imprisoned wood alchol vendor, who was in a confidential mood. "One of my customers didn't go blind and he identified me."—Laughter.

The INFANTRY SCHOOL NEWS

This Paper is Published Without Expense to United States Government

Vol. V. FORT BENNING, GA., AUGUST 26, 1927 NUMBER 49

INTER-MURAL SEASON WILL END SUNDAY

"KELLYS" PLAY WINNERS SECOND HALF-SEASON LITTLE WORLD SERIES

Next week should see the end of the 1927 Inter-Mural Baseball Season. Several games are yet to be played. As yet the issue remains in doubt between the 24th Infantry Blues and the 24th Infantry Reds. Should either of these teams win eough of the remaining three games they will meet the 2nd Battalion 29th Infantry to decide the Garrison Championship.

SLOWLY TANKERS TUMBLE LEAGUE LEADERS

The Peroxide Blonde from the Terrible Tankers got loose from the Jinx that has been riding him during the last half of the season and held the league leading Blues in check while the Tankers were driving six runs across the platter to win 6-3, in last Thursday game, Aug. 18. Cue Ball Smith slammed the ole pill out for three safeties scoring two runs while Lindsey and Bowe rapt out two each. Hafapint Baker did the best work for the Blue batters getting three hits out of four times up. Ole Man Harris was right on the job at first for the Tankers getting fourteen putouts at that station without an error, he also rapped out one hit and also scored one of the Tankers markers. Both teams wielded the willow, the Blues getting fourteen hits while the Tankers were driving out eleven.

Score by innings:

		R.	H.	E
Tanks	000 033 000	6	11	2
Blues	011 001 000	3	14	4

Batteries: Tanks: Lindsey and Bowe, Blues: Leonard and Dawson.

MAGAHA'S SPITTER BEATS SPEEDBALL TRAMMEL

When Ole Man McGaha is right he can't be beat, and when he is wrong he is wrong and he just can't win, and that has been proven on several occasions this season. Although the 24th Reds got seven hits off his delivery last Friday, Aug. 19, they were scattered, the Reds only scoring once during the game. Trammel pitched great ball for the Reds giving up two hits and but for errors the score would have been 0-0 at the end of the ninth. The Romping Reeders played great ball behind McGaha while the Reds infield blew up in the eighth inning letting two runs come in, and giving the 1st Bn. a one run lead and the game. To Lt. Reeder goes the honor of being the miracle man of Benning baseball. With the poorest propect of a team in the post, to begin with, he has built up a team that can compete with the best and if he continues with the 1st Bn. next season, why just lay your shekels on the Romping Reeders.

Score by innings:

		R.	H.	E.
1st Bat.	000 000 020	2	2	3
24th Reds	001 000 000	1	7	5

Batteries: 1st Bn. McGaha and Guzman, Reds: Trammel and Hampton.

Next week the News will go to sixteen pages; due to the demand for advertising space. We regret that in this issue some items have been condensed and adds omitted.

CANNONEERS COLLAPSE IN FIFTH

Playing big league ball for the first four innings and leading the "2nd Bats." by a 2 to 1 score, the Artillerymen went to pieces in the fifth and never were able to stop the Kellys again. Big Jefferies smashed out a four bagger in the fourth inning with one man on giving the Redlegs a one run lead, but in the fifth for no reason in the world the Gunners from the 83rd went to pieces and when the smoke of battle cleared away in the ninth inning the score board showed the 2nd Bats. 22 to the Artillery's 3. The Redlegs are a puzzle; if they can play ball four innings, why not nine. If rain had stopped all the games the Artillery has taken part in during the last half, before the fifth inning the Redlegs would be in first place—It beats me.

Score by innings:

		R.	H.	E.
Artillery	000 201 000	3	5	7
2nd Bats.	010 074 82x	22	17	1

Batteries: Artillery: Hopkins, Reid, and Ridley, 2nd Bats. Roosma, Harkey and Felder.

TERRIBLE TANKERS ROLL OVER ROMPING REEDERS

It took the original Red Reeder himself to stop the Terrible Tankers in the first game of Sunday's double header, but although the fighting Redhead pitched nohit no run ball, he started late as the Tankers had already gone to the post office with the old ball game. Durchell started on the slab for the 1st Bats but the first two batters sent him to the showers, Kautz relieved him and although being able to get them over he just couldn't get them by, Reeder showed real pitching ability holding the Tankers hitless during the last two innings. J. Smith and Ole Man Harris led the Tankers attack with three hits each to their credit. The Reeders outhit the Tankers but could not make their hits count.

Score by innings:

		R.	H.	E.
Tankers	201 000 030	6	10	3
1st Bats.	102 001 000	4	12	2

Batteries: Tanks, Conrad, Mays, and Bowe; 1st Bn.: Durchell, Kautz, Reeder and Guzman.

BATTLING J. D. K-O's KING SOLOMON

MR. SGT. FULLER, I. S. D. GOES ON RETIRED LIST

Another fine old soldier has done his thirty "plus" and retired to the secure comfort of some One Hundred and Thirty Odd Dollars a month and the pleasant recollections of a life of adventure beneath the starry flag.

Master Sergeant Herbert W. Fuller, Infantry School Detachment, was placed on the retired list on Saturday, August 14th, after completing thirty two years of Army life, the greater part of which was spent in active service. The Detachment was assembled on Saturday at 12:00 o'clock and Major Bootz, Detachment Commander personally recounted to the assemblage the salient features of Sergeant Fuller's long and interesting army career. The Major particularly stressed the fact that although Sergeant Fuller was through with active service he still belonged to the military order, even though he was retired. The Major then extended the heartiest congratulations of the entire Detachment to Sergeant Fuller and wished him every success in his well earned retirement.

Master Sergeant Fuller was born in Fayetteville, North Carolina, in 1871 and in 1901 he enlisted in the Twelfth Cavalry. He served two exciting years in the Twelfth and saw plenty of active, scrappy service.

Sergeant Fuller enlisted with the 17th Infantry in 1906 and was with them in Cuba. He was also in the Seventeenth on the border and went into Mexico with General Pershing

During the World War Sergeant Fuller was on duty at the Federal Penitentiary in Atlanta. During this period he was on guard over Eleven Hundred German prisoners of war.

In 1919, when the stirke situation in West Virginia became threatening the Sergeant again saw active service when it was found necessary to send troops there on strike duty.

Sergeant Fuller came to Fort Benning away back in 1921 and since that time he has been a member of the Infantry School Detachment. That he will be missed goes without saying; any man with as colorful a career as Sergeant Fuller's would be missed in any walk of life. We can imagine him in far-off Los Angeles—his future home—dreaming of the days when as a recruit cavalryman he first boarded a transport to cross the broad Pacific to the distant Philippines.

THIRD STRAIT FOR ENGINEERS

Mallory, relief pitcher de luxe, stopped a Service Co. rally and won yesterday 15 to 12. Dispain saved the day with a shoestring catch in the last inning.

"WALK" MILLER'S MAULER TAKES TEN COUNT IN FIRST ROUND

There is magic in the way that Captain Mabbutt manages boxers. In fact so successful is he in turning out knock-out artists that many people who come to witness the Fort fights feel that the professionals who meet the soldier sluggers are has-beens or never-was is. We believe that this is putting the cart before the horse, a not uncommon mistake when budding writers too hastily hitch their Pegasus plugs to the literary chariot.

Battling J. D. continued his knockout career last night when he put "King" Solomon of Atlanta away in the first round. When will these local fight "stables" awaken to the fact that it takes a real fighter to stand up to J. D. This man had a "rep" before he came here and if anything he is improving it. A match with "Tiger" Flowers is what we need to make J. D. extend himself.

In the first prelim, Brault of the 29th slipped over a K. O. on Weaver of Columbus, in the first round. The Electric City boy never had a chance.

Walls and Wisher, Tankers, followed. They put up a mighty good fight. Walls dropped Wisher twice but couldn't get a K. O. Walls got the decision.

Green of the 29th beat Head of Columbus on a technical knockout, in the first round. Head hurt his hand and gave up, but Green had him outclassed anyway.

Moore "C" Company 29th KO.'d Taylor of Columbus in the first round. The City boy was game but not good enough.

Asher of the 29th rocked Ward of Columbus to sleep in ten seconds of the first round. Asher is on the way to make another "Gunner."

Westbrooks of the 29th outclassed Wadkins of Columbus but was careless and fouled his opponent. Of course Wadkins won.

Porterfield, of the Pill Rollers put up a classy exhibition when he KO.'d Haviland of the Q'Emmers in the first round. This was a slugging match.

Parker, 29th, put Carpenter of the same outfit away in the second round. This boy Parker is certainly showing class.

Cadenhead, Medical Corps got the decision over Thompson of Columbus in a close fight. The Medico looked especially good in the third round. The other rounds were about fifty-fifty.

(Continued on page 2)

A copy of the News goes to each Student Officer and each Officer stationed at Fort Benning, Georgia.

"WALK" MILLER'S MAULER TAKES COUNT FIRST ROUND

(Continued from page 1.)

Moyer and Starkey fought out their feud from last week. This is a friendly feud that gives plenty of entertainment. Starkey got the decision.

Battling Sam of the I. S. D. must have an unholy horror of K. P. In his bout with Wilson of the 29th he won a well earned decision over a classy opponent. Major Bootz should prove a valuable assistant to our fighting promoter.

The School Detachment went over the top when Kid Phillips, fighting printer, beat Hardy of Columbus after weathering a stormy first round. The Kid has got the condition and that is what counts.

Crawford knocked Smith out with little trouble and Johnson did the same to Cox.

Williams won his decision over Gainey and Whisers Harris won his bout with Lawson.

Park at C. A. Morgan & Co Open till 10 o'clock. Soft Drinks, Drugs and Cigars.

LIEUT. AND MRS. WOODWARD STATIONED AT FT. BENNING

Lieut. and Mrs. N. D. Woodward and Mrs. Hugh Baird left the first of August and are having a delightful motor trip, visiting relatives in Charlotte, N. C., Washington, D. C., Annapolis, Md., Niagara Falls, N. Y., and points in Canada.

They will return through the Shenandoah valley and arrive in Columbus the first of September.

* * *

Lieut. and Mrs. N. D. Woodward will be at Fort Benning for another year, to the delight of their Columbus friends.

THEATRE PARTY

Sunday evening, August 21st, Headquarters Battery, 83rd Field Artillery held an enjoyable theatre party at the Main Theatre.

Sixty members of the Battery, equipped with pop corn and soda pop marched to their seats and for a couple of hours watched Charlie Chaplin and Larry Semon imitate some real soldiers. Their boisterous applause when comedy was Paramount, and undivided attention to the more pathetic parts of the pictures indicated a warmth of Battery spirit that is to be envied.

OUR buyer has just returned from the New York market, and beautiful Fall styles are arriving daily.

You are assured that women's apparel purchased at our Shoppe is charmingly styled, beautifully made and reasonably priced.

The smart shopper who appreciates real values is our best patron.

She has found that The Vogue offers the cleverest frocks.....at prices that appeal to her intelligence.

Welcome to Columbus.....and may we very soon have the pleasure of meeting you. We offer, for your convenience, charge service.

Victor HIS MASTER'S VOICE

Quartermaster Corps

Ye Olde Printe Shoppe Gossippe

Sergeant Lawrence E. Doll, who has been with the print shop for the past six years, was relieved from duty last week. He has been ordered to report to the Quartermaster School in Philadelphia for a nine months course in Q. M. C. subjects. Sgt. Doll had worked in all departments of the shop and was familiar with the army print game from A to Z. During his time here he had seen the shop from a comparatively small unit to one of the best in the army. Coming as a Private, Doll left as a Sergeant and as Assistant Shop Foreman.

Cpl. Dubenowski succeeds Sgt. Doll as Asst. Shop Foreman.

Our new folder came the other day and has been installed at last. It is of the latest newspaper model and is capable of handling from 2 to 32 pages. We are justly proud of this new addition to our equipment and would be glad to have our friends drop around to see it in action.

Pvt. Salvatore Amarants, "B" Co. 29th Infantry, is on special duty here for a few days. He is receiving trial prior to a proposed transfer. We hope to be able to keep him and, further, that he will like his new job if he does stay with us.

Beyond a doubt Pvt. Bolka reached his beloved Detroit. One of the fellows heard from him about ten days ago and he was on his way. Some of us cannot help but wonder at his apparent anxiety to reach the place. No denying the facts though that Detroit is in Michigan, that Swedish girls are blonds, and that it is said that gentlemen still prefere these same blonds.

We have been brought to believe that the spawn of the ice wagon is the football star. We have to admit though that the ice wagon has't got a thing on the printing press when it comes to the sons of the ring. Witness the last Benning fight card where Phillips, Sam, and Bicknell, all of the print shop, helped so much in solving Capt. Mabbutt's prelim card.

Phipps has taken a furlough and someone said something about Hot Springs, Ark.

Corp. Harry Smith is also on furlough.

Speaking of Smith and Smiths in general, reminds us that Mr. C. W. Smith, our foreman, has found himself in quite a bad way. It seems that one Smith, (C. W. at that), of a very nearby town has been in and out of jail and the newspapers a great deal this summer. It has gotten to the point where even C. W.'s (our C. W.), best friends are pointing him out to their friends when they think he is not looking. Deciding that something must be done at once Mr. Smith proposes to change his name. Many and varied are the ones suggested by the shop in its effort to help him. Dubey thinks that Aolph is a "right smart name" but others of us would like to see our executive adopt something with a little more dignity—Chauncey or Percival for example. Taken all in all it is a deep subject and one that merits the combined mental effort of us all.

Mr. Davidson, civilian linotype operator, has taken a vacation. He will be back about the middle of next month.

J. E. M.

Those who believe that the English have no sense of humor will try to prove it by this from the London Globe:

"Bill," said the invalid's friend, "I've come to cheer you up a bit like. I've brought yer a few flahrs, Bill. I fought if I was too late they'd come in 'andy for a wreaf, yer know. Don't get down 'earted, Bill, Lummy, don't you look gashly! But there, keep up yer spirits, ole sport. I've come to see yor and cheer yer up a bit. Nice little room yer have 'ere; but, as I sez to meself a-comin': Wot a orkard staircase to get a coffin dahn."

"Went downtown to get a marriage license today, but I had my pockets picked clean on the way."

"Some people have all the luck!"—Annapolis Log.

TACTICAL ERROR

Two Negroes from a little town in Alabama had served in France in the same stevedore outfit, but had become separated when the time came for embarkation and did not meet again until this year. Rushing up to his old friend, Abe Johnson cried:

"Boy, Ah's glad to see you! Whah yo' been all dis time?"

"Hump!" said Link Washington Sadly, "Ah went in de EXIT of de decootiein station an' instead of gittin' decootied Ah got cootied an' couldn't git away."

THEATERS

AUGUST 26 TO SEPT. 2, INCL.

FRIDAY, AUG. 26

"PRINCE OF TEMPTERS," featuring Lois Moran, Ben Lyon and Lyra DePutti in a story of European settings and intrigue. A boy released from a monastery to take an important position in the social world becomes embittered by many adventures into which his innocence leads him. He turns to London as a field of wild flirtations which win him the reputation of a heart breaker; it is a powerful love story.

"Dizzy Daddies."—Roach Star.

SATURDAY, AUG. 27

"A HERO ON HORSEBACK," starring Hoot Gibson in a fast western, wherein he plays the part of a died-in-the-wool gambler with nimble fingers and sharp wits for faro, roulette, cards, and ivory cubes. He is a free lance son of the prairie whose fortunes varied from ranch owner to penniless cowboy and finally to bank president and mine owner. You'll like it.

"Newly Weds Bill."—Snookums Comedy.

SUNDAY, AUG 28

THE YANKEE CLIPPER

"THE YANKEE CLIPPER," featuring William Boyds, Elinor Fair, Junior Coghlaw, and Walter Long in a story of tremendous appeal. The theme of the picture deals with the winning by an American clipper ship of a "historic race with a British vessel from Foo Chow, China, to Boston, by which the supremacy of the American seaman, throughout the clipper ship era, was maintained against the world. With the introduction of steamships, England assumed first place. The love of an American skipper for the daughter of an Englishman, vests the story with warmth. There is an abundance of wholesome comedy so that laughs and sighs and thrills follow one another in quick succession.

"Charleston Queen."—Fables.

"Pathe News."

MONDAY, AUG. 29

"ROLLED STOCKINGS," featuring James Hall, Louise Brooks and Richard Arlen in a swift stepping comedy centering around two brothers, students at college, who fall for the same girl. It has pep, thrills and love interest galore.

"The Iron Mule."—Tuxedo Comedy.

TUESDAY, AUG. 30

"PIRATES O FTHE SKY," starring Charlie Hutchinson, the "Dare-Devil" of the sky, in seven reels of mystery and breath depriving action. It is a thrilling drama of the Air Lanes. The story contains comedy, pathos, suspense and excitement galore.

"Return Of The Riddle Rider No. 8."

WEDNESDAY, AUG. 31

"THE FOURTH COMANDMENT," starring Bell Bennett with Mary Carr, Henry Vitcor, June Marlove and Robert Agnew in a great drama of heart throbs. It is the life story of a woman who, as sweetheart, wife and mother, wrongs and is wronged, gives and takes, suffers and punishes, and who finally learns the true meaning of the word "Love." It has been stated that this story reaches the highest pinnacle of emotional acting ever seen on the screen.

"Wise Crackers No. 8."

THURSDAY, SEPT. 1

"QUICKSANDS,' starring Richard Dix with a splendid supporting cast, in a western picture that is as tensely gripping as its title.

"Pathe News."

FRIDAY, SEPT. 2

"THE AUCTIONEER," starring George Sidney in this great Warfield-Belasco play, which is brought to the screen with all its laughter, tears and human elements. It is a story laid in the business infested envirous of New York City and possess an interesting intermingling of high finance, stock exchange brokers and human sympathies.

"Meet My Girl."—Graves Comedy.

ALSO GOOD FOR HEARTACHE

"What's the matter, Bill, you look sick?"

"Headache."

"I had a bad one myself last night, but when my sweetheart kissed me the pain passed away. Why don't you try that?"

"Believe I will, old top. What'd you say her name was?"—Wash. Cougar's Paw.

"I've got a good girl now."

"What makes you think she is a good girl?"

"Because I met her walking home from an auto ride."—Laughter.

Advertising rates: On request. We reserve the right to reject any advertising matter.

All checks should be mailed to the Infantry School News, Fort Benning, Ga.

Entered as second class mail matter, April 12, 1924, at the post office at Fort Benning, Ga., under the act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in section 1103, act of October 3, 1917, authorized August 27, 1924.

Salute

Snap out of that summer slouch! If you must adorn the Post Office facade, do it positively; not negatively—if you would seek a siesta in the heat of the day, seek it but not somnambulating about the post, and, above all—salute.

Snap into your salute, smartly; eye to eye. Make it a challenge to your superiors and a hearty recognition of blood-brotherhood to your subordinates. When you salute, don't be indifferent and don't be servile. Be proud that you have a right to salute and a right to a salute in return. Remember that it is the sign manual of the finest army in the world. An army that has never lost a war.

If you think that saluting doesn't make any difference; if you think that a little lounging around the post doesn't make any difference—consider this. There is a vast difference between a City, and a Big Town. The difference is not in the population; neither is it in the form of government or the size of the buildings; consider this example.

There is a certain Western community. The population is well over 100,000; ten and twelve story buildings predominate. On entering this community one is struck by a remarkable aspect of the local scene. On every advantageous street corner—sprawled, perhaps, on the brass railing of some towering bank, or lounging against the polished granite corner of a lofty office building, is a gang of ogling, lolling loafers. Intelligent looking, generally—well-drest, as a rule—they are nevertheless a jarring note in the busy, business-life of the—community. That place should be a City—thinks it is a City now—but actually it is still a Big Town with its gang of town loafers on every corner.

Visitors to Benning—and they are many—expect a great deal of us. The days of Genesis are ended. We have folded our tents like the Arab—but we have not silently stolen away. Brick and cut-stone has reared in our midst a splendid nucleus for the great Benning of the future. People are beginning to think of this place as the biggest military school in the world. But big as we are, we will never get out of the Small Town Class unless we watch our step.

So snap out of the Small Town stuff. Step out briskly and salute smartly—aggressively. The old soldier likes to salute, and appreciates a salute in return. If he doesn't get it he feels cheated. Don't duck and dodge—step out and get what's coming to you.

General Orders,
No. 13

WAR DEPARTMENT,
Washington, August 8, 1927.

The following is published to the Army for the information of all concerned:

WAR DEPARTMENT,
Washington, August 7, 1927.

ORDERS:

The Acting Secretary of War announces, with deep regret, the death of Major General Leonard Wood, United States Army, retired, which occurred at Boston, Massachusetts, on the 7th of August, 1927.

General Wood joined the Army as a contract surgeon in June, 1885, and saw his first service in Arizona, which was then a field of active operations against hostile Indians, in which operations he took part from the beginning of his service. He became an assistant surgeon with the rank of first lieutenant in August, 1886, and was advanced to the rank of captain January 5, 1891. While holding this position in the Medical Department, he was appointed colonel of the First United States Volunteer Cavalry for service in the war with Spain May 8, 1898; accepted an appointment as brigadier general of Volunteers in July 1898, and as major general of Volunteers in December, 1898. He reverted to the rank of brigadier general in April, 1899, but was again advanced to that of major general of Volunteers in December, 1899. He held the latter rank until June 30, 1901, when he was honorably discharged from the volunteer service and resumed his duties with the Regular Army under his appointment as brigadier general which he had accepted in March, 1901. He was advanced to the rank of major general in the Regular Establishment August 8, 1903, and was placed on the retired list at his own request October 5, 1921, to enable him to accept appointment as Governor General of the Philippine Islands, which office he held until the date of his death. He was on vacation in the United States since June 20, 1927.

Although educated for the medical profession and appointed to the Army as a medical officer, he demonstrated his capacity for the military profession in the Apache campaign in 1885 and 1886, and was commended in orders "For gallant and hazardous service, courage, and energy, encouraging the command under the most trying circumstances, and for untiring efforts in the campaign against hostile Apache Indians under Geronimo in Sonora, Mexico, during the greater part of which he commanded the detachment of infantry"; and for his conduct in the campaign he was awarded the Congressional Medal of Honor. He served efficiently as a medical officer until the outbreak of the war with Spain in 1898 in which he served as a colonel, brigadier general, and major general of volunteers; commanded a brigade participating in the battles of Las Guasimas and San Juan; served as military governor of Santiago, commander of the Department of Santiago and Puerto Principe and military governor of the island of Cuba, in which latter position he remained until the government of the island was relinquished to the President of the Republic of Cuba in 1902. He was awarded two War Department Silver Star citations for his services in the Cuban campaign in 1898. He afterwards served in the Philippine Islands as commander of the Department of Mindanao, governor of the Moro Province, and commander of the Philippine Division; and later as commander of the Department of the East and the Southeastern Department; the 89th Division in the World War; the Central Department, and the Sixth Corps Area. He attended the maneuvers of the German Army in 1902, and of the German and French Armies in 1908; represented the United States Government at the International Congress of the War of Independence and its epoch at Saragossa, Spain, in 1908, and acted as special envoy to the Argentine Republic in 1910. He was Chief of Staff of the Army from April, 1910, to April, 1914, and while commanding the 89th Division he was with the American forces in France in the winter of 1917-18.

In addition to the Medal of Honor, Distinguished Service Medal, and Silver Star citations awarded to General Wood by the United States Government, he received the French decoration of the Legion d'Honneur (Grand Officer); and he held the degree of M. D. from one institution of learning, that of LL. D. from 11 such institutions, that of D. Mil. Sc. from two, and that of D. Sc. from two.

General Wood's grasp of the affairs of the island of Cuba and his unfailing support of others in the improvement of sanitary conditions and the elimination of the causes of devastating diseases made him the outstanding figure in the improvement of the island and its preparation for self-government; his able conduct of his several commands and of the important office of Chief of Staff, his encouragement of the training of citizen soldiery and of projects for national defense were of the greatest usefulness to the country; and his intimate knowledge and intelligent estimate of the needs of the Philippine people and the measures necessary for their control and advancement fitted him eminently for the duties of Governor General in which he became conspicuous in the later years of his life.

In the death of General Wood the country loses not only an able military leader but a citizen of great prominence whose field of activity extended much beyond the Army with which he was customarily identified.

HANFORD MacNIDER,
Acting Secretary of War.

By Order of the Secretary of War:

C. P. SUMMERALL,
Major General, Chief of Staff

Official:
LUTZ WAHL,
Major General, The Adjutant General.

"Closed Season on game Birds?"
Headline in Enquirer-Sun—Prison Term Given Flogger of Editor.

* * *

When Mr. Mayfield of the Standard Printing Company was Editor of the Opelika Eye-Opener he had many odd experiences. We cannot vouch for the following; but it seems plausible:

One day he was working at his desk when an old colored man named Mose dropped in to pay for his subscription. Mr. Mayfield asked him if he would like to have a receipt.

"Yassuh, Cap. Ah reckon Ah'd better have one" says Mose.

"Don't you trust me, Mose?" Mr. Mayfield inquired while he wrote out the receipt.

"Yassuh,, Cap, Ah trusts you-all," Mose agreed.

"Well, why do you want the receipt." Mr. Mayfield insisted.

"Well suh, Cap. 'hits' like dis. Supposin' Ah should die an' go to Heaven, an' Saint Peter should ax me is Ah done everything Ah should; an' Ah says, Yassuh. An' den he axes is Ah paid fo' mah scripshur fo, de Opelika paper—an, Ah says: Yassuh. An' he says: Show me de recepe Mose. Den Cap. jest think ware Ah'd be—havin' to go an' look all over Hell fo' you to get dat recepe."

"QUALITY" - - "SERVICE"

TWO DEFINITIONS

"Papa, what is a low-brow?"

"A low-brow my son, is a person who likes the funny papers, snappy stories, girl shows and the like and doesn't mind saying so."

"And what's a high-brow, papa?"

"A high-brow my son is a low-brow who won't admit it."

Besides being jinxed, Red Lindsey is noted as a baseball pitcher, fight referee, baseball ump and "all-round" tank expert.

Company "E"

The old outfit is still struggling along on the same old stand with not many changes during the past week.

We have our old friend R. B. Williams Acting Top-Kick for a few days while "Hi" is on pass. The galloping "E" Co. Baseball team added another victory to their string when they defeated "B" Co. to the tune of 5-2 Sunday. Parker and Tinsley played a good game for the winners. George Boling and "Kid" Edwards put on a little entertainment for the boys Saturday night and had the whole battalion in to hear them. These boys are good and should be on the stage. Cpl. Miscar has been put in charge of the combat squad for this year and declares he can't help but win 1st place. Maybe so.

T. R. M.

Company "F"

Our aspirants to football honors are already giving the pigskin the bums-rush. This Company wil have a real good company team this year. Right now we extend a cordial challenge to any company in the Regiment to date us up. For when the season opens, we are going after the more or less doubtful honor of having the best company team in the Regiment. If interested in giving us some competition see the undersigned for a Sunday date.

O. W. NELSON.

Company "G"

Private Lemay's fishing tackle is for sale since the river was placed out of bounds. Anyone wanting same may call the supply room. He has asked Sgt. Johnson to buy him a box of sardines from the Commissary.

Corporal Hess has no further use for his kid gloves and they will be auctioned off when they but velvet on broom handles and cue stocks.

Sergeant Swaney is again playing checkers. His next move will be Block "K."

Since private Spire got overheated at the Acme Apartments at 9:00 G. X. July 25th, he reported to the charge of quarters upon his return that he cared no more for passes, but would take a mounted furlough next time.

Things are popping now in the company since Sergeant Folsom became Acing First Sergeant. He is wearing his new hat to First Sergeant's meeting every day, and asked the company clerk if his spurs should be shined. Labor reports are his only trouble.

Corporal Hill asked the company commander when Sergeant Brown was taking his furlough, that he wanted to be Mess Sergeant.

Private Walinski has challenged any sick woman in Columbus to a wrestling match. He claims that he knows the "low down' 'on the game.

VAUGHN & WAR SET.

Co. H, 29th Shows Speed

Arrived in Camp from Rifle Range At 6:15 P. M., dusty and tired.

Crammed the Bathhouse until 6:23.

Having changed clothes in seven minutes, they placed themselves before a sumptuous meal at 6:30.

After they surrounded the "Eats," the Company Commander, Captain Edward G. Herlihy, addressed the men with a few well chosen remarks, among which he lauded the organization's success in having the All Service Champion as a member of their command. Incidentally, he prognosticated that DePratt would hold the belt against all comers. To cap the climax the Machine Gunners of Fighting-Firing "H" arrived at the Main Theatre at 7:20 P. M., where they witnessed the movie, "Cradle Snatchers," with laughter howls and tears. During the intermission toothsome sweets were served to each man. This Company knows how to enjoy a good time.

Retirement of Sergeant Eb Dawson, Company E.

The retirement of another member of the 24th Infantry occurred on August 10th when First Sergeant Eb Dawson completed thirty years of service which was continuous from date of enlistment, November 30, 1900. At the time of retirement Sergeant Dawson was first sergeant of Company E, in which organization he had served since 1919. After his first enlistment, Sgt. Dawson re-enlisted in the 9th Cavalry in which outfit he served from 1903 to 1912, when he re-enlisted for duty in the Quartermaster Corps in which he served two enlistments, when he re-enlisted in Company E, 24th Infantry.

First Sergeant Dawson served in the Philippine Islands during 1901 and 1902, against hostile insurrectos; with the punitive expedition into Mexico in 1916 and with the expedition against Pancho Villa in 1919.

General Orders No. 6, Headquarters 24th Infantry, dated August 10, 1927, summed up the service of Sergeant Dawson with the following paragraph: "This non-commissioned officer has served loyally, honestly and faithfully, and for steady application to duty, fidelity and good service, is rewarded by honorable retirement.

By order of Colonel Johnson;
C. L. STEEL,
Captain 24th Infantry,
Adjutant.

Captain Hamblin on Leave

Captain A. L. Hamblin, recently relieved as adjutant of the regiment for the purpose of attending the Infantry School Advanced class for the coming year is taking advantage of a short leave of absence prior to the opening of the school year. Captain Hamblin has moved to Columbus where he will spend his leave taking a trip to Atlanta and nearby points in the near future. He has been adjutant of the regiment for the past two years having joined from duty in Hiawaii.

Lieutenant Haynes on M. T. C. Duty

Lieutenant Allan F. Haynes who joined the regiment last week has been placed on special duty with the Motor Transport Corps at Fort Benning. Lieut. Haynes will relieve Capt. C. J. Mabbutt who will devote a few weeks to athletics with the Infantry School. Lieutenant Haynes has been on duty for the past four years as aide to General Samuel D. Rockenbach. He is a graduate of the Infantry Tank School at Camp Meade.

Pace Setter's Picnic

The Service Company, 24th Infantry, commanded by Captain Pleas B. Rogers gave their annual pace setter's picnic and swimming party last Sunday, August 21st, in the beautiful woods near the regimental area. It was one of the most enjoyable social functions of the company of the past year. Several officers and enlisted men from other companies enjoyed the buntious repast which was served on paper plates on the lawn.

Among the guest were several out of town debutants including Misses May Austen and Edit Winbush, of Atlanta, Miss Emma Leonard, of Macon and Miss Carrie Foster of Nashville.

Sergeant William Ransom won the bathing beauty prize.

The success of the picinc was due to the untiring efforts of First Sergeant Fletcher Reeves, Service Company. His assistants were Sergeants John Willis and Floyd Hairston, Corporal Motto Puryear, and Cooks Henry Angel, John Miles and George Bassett.

Park at C. A. Morgan & Co. Open till 10 o'clock. Soft Drinks, Drugs and Cigars.

CASTLE-CLAN CRAVE COVETED NEWS CUP

ENGINEERS IN FIGHT FOR TWILIGHT TROPHY

Cellar Champs Stage Startling Come-Back When Mallory Halts Howitzers and Saves Team From Skinners Rally

The second season opened in the Twilight League with a 1 to 1 tie between the ball-bustin' Skinners of the Twenty-Ninth and the Castle-Clan from the lucky Seventh. The Doughboys lead the way closely followed by the boys from Engineer Hill. And then J. Pluvious staged a cloudburst and the game ended One All.

On Friday the Howitzers open up with a win over the still hopeful Q'Emmers. Details of the game are lacking no reports being available from the Howitzer Company.

Saturday's game was decidedly different. The kind-hearted Q'Emmers donated eight scores to the Engineers in the first innings and then then tried to catch up. That they did succeed was not altogether the fault of the Engineers as the final score of 19 to 11 indicates. Williard relieved Trotter in the 5th much to the relief of a harried Engineer fielding staff and an anxious rooting contingent.

Monday the Howitzers met up with the Service Company in a hard fought battle which went to the Little Gunners putting them in the lead temporarily.

Here's how the Howitzers lost Tuesday's game to the Pontoniers. Williard an old Son of the Seventh started for the Castle-Kids but weakened in the 3rd and was replaced by Pat Mallory a Swedish recruit who was traded to the Castle Clan by the Pacific Coast League Pat took up baseball after being fired from a job of fireman on the Sante Fe. Pat was fired because he insisted on stoking the Sante Fe's new oil-burners with a shovel. Pat certainly silenced the Howitzer barrage. Even "Dutch" Smythe was not immune to his changing pace. McCarthy stole second while Smythe slept. Dutch also hesitated on an infield fly. Decidedly it was not "Dutch's" day in the sun. But it was bang-up baseball and anybody's old game until Dispain fielded two long flys in succession to left field for the final "outs" in the last inning. The Engineers won five to three.

In a seven inning slugging match that was action from the word "GO," the Hee Haws from the Service Co. won over the fihgting Q'Emmers, Wednesday, 13-12. The Hayburners went to bat in the seventh two runs to the rear of the Q'm. but when the last shot was fired the Mules had scored three runs and won; thumbs down. Curry started pitching for the Q'm. but was driven from the box under a barrage of hits, Taggerette relieved him but was hit hard.

The Muleskinners only used three pitchers during the seven inning argument, the Q'Emmers hitting all of them.

Final score:

Service Co.	13	16—6
Q'Emmers	12	15—5

Batteries: Qmc: Curry, Taggerette and Dollars; Service Co., Sisco, Silvers and Smith.

RENTING INSURANCE LOANS

A MAN——

The other day, viewed the new Ford in motion on the outskirts of Dearborn.

He Said——

The radiator of the new car appeared to be distinctly of the Lincoln type, and brake drums were visible on all four wheels, indicating four-wheel brakes.

He Further said—
Another notable feature was the smoothness and quietness with which the car rapidly picked up speed after slowing down and changing gears to cross a rutted side-road. And that while the hood over the motor was purely a makeshift it furnished a good idea of the probable appearance of the new hood.

THIS SOUNDS MIGHTY GOOD DOESN'T IT?

SPORTOPICS

By THE PIRATE

There is quite an argument on between the baseball wizards of Fort Benning about who should be on the lineup of an All-Star team picked from the players taking part in the Inter-Mural series. All persons interested are asked to make their line up and send it to the News office, an All-Star team will be picked after the list have been compared, three pitchers are allowed for the team.

DePratt and Battling J. D. will leave for Tybee Beach Sunday night to help get the Blue Tide in fighting shape.

They will probably give the Savannah fight fans a chance to see what kind of fighting men we produce at Benning if suitable opponents can be obtained for a match.

The Twilight Ball-Tossers are attracting attention again. And the Class "B" Boys have some real players. F'r'nstance —Briner, promising young Shortstop for the Engineers worked a game Tuesday when most players would have been on Sick Call.

I. S. D. NOTES

Bow Wow Adams and Mushmouth Massey settled a misunderstanding with the gloves last Tuesday evening, Bow Wow won by a KO in the second round.

The fight was fast and furious while it was going, Massey put Adams down for a short count in the first round, but when Mushmouth came rushing in with his head down like a mad ox in the second round, Adams hit him on the soft spot back of the right ear with the result that Massey hookslided into dreamland so fast that he thought he had spiked the moon when he passed by.

Massey claims that it was the referee that hit him and asks for a return match due to the fact that Adams was using four ounce gloves while he was handicapped with the big twelve ounce pillows.

Corp. Jeffie O. Willingham Asst. Fire Chief is spending a few days at Cussetta, Ga., he will give several lectures on fire prevention and will also inspect the Cussetta Fire Dept. before returning to Ft. Benning.

Pvt. Devine seems to know how to make the ole K. P. do his stuff, if appearance counts, for the messhall floors are clean the tables are always scrubbed and the dishes and cutlery are always in their proper place.

Park at C. A. Morgan & Co. Open till 10 o'clock. Soft Drinks, Drugs and Cigars.

Vol. V. FORT BENNING, GA., FRIDAY, SEPTEMBER 2, 1927 NUMBER 50

ALL ARMY TEAM BEGINS TRAINING

VAN FLEET'S PROTEGES GO THROUGH PRELIMINARIES THIS WEEK

Preliminary Drills in Passing And Tackling To Start Next week; Team in Good Spirits

After three days workout on Tybee Beach with the All-Army football equad Major Van Fleet, Head Coach, writes back that everybody is going it in good spirits. The Major says that everything, accommodations, barracks, mess, ocean, field, beach, is of the best and that the Eighth Infantry stationed at Fort Screven is doing all that they can possibly do for the squad.

The Major reports that Sergeant Ellis is doing fine with the mess and that Private Gainey, the medical attendant is on the job, and is making a great hit with the squad.

Major Van Fleet is putting the boys through a stiff pace and it is reported that one man is already due for the axe unless there is a decided pickup this week. The schedule for the first week runs somewhat as follows:

6:15 Setting up exercise—dip in the ocean.

6:45 Breakfast.

8:00 to 9:00 Lecture.

9:00 to 10:30, Passing, Rope Skipping, Cavannaugh Stunts, Falling on the ball, Blocking, etc.

12:00 Lunch.

2:30 to 3:00, Brisk workout, Medicine ball, Weights, Cavannaugh stunts, etc.

3:00 to 4:00 In the ocean.

5:15 Dinner.

Next week the Major plans to add Staring positions, Kicking form, Centers passing, and tackling to his schedule. The Major's first aim is to thoroughly ground the squad in the fundamentals, and to teach uniformity in his system of play.

All work and know play you know—so twenty members of the squad went out on a deep sea fishing trip Sunday, the guest of one of the Savannah clubs, and it is reported that they had the thrill of their lives coming back with two barrels of fish, enough for two days the mess sergeant says. It is planned for another bunch to go out next Sunday.

Captain Mabbutt, boxing instructor and trainer for the squad will leave for Tybee next Friday. Staff Sergeant Kjelstrom, Sergeant Franz, and Corporal Newman all members of Benning's last year squad will report shortly.

When the squad is finally assembled there will be 67 men, that have been picked as the best in the U. S. Army and although only 35 have been seen here, they are men that any Army would be proud to claim.

There are rumors of a great Marine team up Quantico way this season; well here is hoping they have a good one for they sure are going to need it and then some when they line up against the Footsloggers this year.

Following is a list of the men that are now at Tybee Beach:

Major Van Fleet, Lieutenant Yeomans, Sergt. Archie Daly, Sgt. Emory Ward, Corp. George McKelvey, Pfc. Lois Joris, Pvt. Weenie Sweeney, Tech. Sgt. Mitzen, Pfc. J. A. Darmafal, Pvt. R. E. Clark, Pvt. John Marquette, Pvt. W. B. Smith, Sgt. Wm. Butler, Sgt. L. Cavanaugh, Sgt. George Riffle, Sgt. Walter Shelton, Corp. Frank Dunadich, Corp. Zach Frey, Corp. Gene Herkless, Corp. Arnold McKinney, Corp. Peter Kreozmer, Corp. Walter Spencer, Corp. Ulas Combs, Pfc. Leon Driggs, Pfc. John Fredlund, Pvt. Ben J. Dietner, Pvt. C. R. Middaugh, Pvt. Walter Sagisson, Pvt. R. E. Hamilton, Corp. Hamilton, Corp. John Wargo, Pfc. George Ganey.

24th Infantry

Pfc. Specialist 4th class Henry Smith, Pfc. Spc. 4th class Willie Arnold, Pfc. Elisha Johnson, Pfc. Spc. 5th class Joe Black, Pvt. Wm. Jefferson, Pvt. Willie McCain.

Next week the News will go to sixteen pages; due to the demand for advertising space. We regret that in this issue some items have been condensed and adds omitted.

BLUE CAPS SUGGESTED TO ACCOMPANY BLUE UNIFORMS IF LATTER ARE ADOPTED

A blue cap to conform with the proposed blue uniform is now being planned in Army circles, according to the June 2 issue of the Army-Navy Register. The blue cap, it is understood, will differ slightly from the old type of headgear worn when the Army blue equipment was in vogue years ago. The inference has been given that the designers are devoting considerable attention to a new visor on the blue uniform cap, the design of which will be along similar lines of the type of cap worn by the French officers. This type of visor is not attached to the cap at any angle like the present type of cap worn by the United States Army, but extends straight out from the crown of the cap. Some sort of gold trimming has been suggested to be attached around the crown of the new type of cap.

One of the outstanding oppositions to the return of the blue uniform and cap is the excessive cost required to outfit the enlisted personnel of the army. It has been estimated that it would cost approximately $1,500,000 to equip the enlisted personnel.

PTOMEY TO MEET DEPRATT AGAIN

EXERCISES AT THEATER MARK SCHOOL OPENING ON SEPTEMBER 14TH

General Collins and Mayor Dimon will Be Principal Speakers; All Student Officers to Report by September Sixth.

The opening exercises for the classes, both advanced and company officers, will be held in the Main Theatre, at Fort Benning at ten-thirty on the morning of September fourteenth. The principal speakers will be Brigadier General Edgar T. Collins, U. S. A., The Commandant of the Infantry School, and Mayor Homer Dimon, mayor of the City of Columbus.

The registration of Student Officers is being done at Ralston Hotel in Columbus and no other registration will be made. All Student Officers are ordered to report by September sixth. This will give everyone one week in which to get settled and get domestic affairs in readiness for the opening of the school. During the school year a student's life is a busy one and there is little time for arranging things for the family. The committee in charge of the reception, housing and registration of the new officers includes Captain R. A. McClure, Infantry U. S. A., Captain Harry J. Collins, Infantry U. S. A., Captain William C. DeWare, Infantry U. S. A., and Captain Nelson M. Walker, Infantry U. S. A. The committee has been doing excellent work and no effort has been spared by them to locate new officers promptly and to make them comfortable.

Student Company Supervisors Named

The senior Student Infantry Officer in each student Company will be designated the Company Commander of the Company and is responsible for the discipline of the company; however, each company will have an instructor from the academic department who will act as supervisor of the company. The officers designated as such are as follows: Company "A" (Advanced Course) Lieutenant Ralph W. Kingman, Infantry U. S. A. Company "B" (Company Officers Curse) Major William L. Roberts, Infantry U. S. A. Company "C" (Company Officer's Course) Major Charles W. Ryder, Infantry, U. S. A. Company "D" (National Guard and Reserve, Field Officer's Course) Major Tom Fox, Infantry, U. S. A. Company "E" National Guard and Reserve, Company Officer's Course) Captain William C. De Ware, Infantry, U. S. A. Company "F" (National Guard and Reserve Company Officers Machine Gun and Howitzer Course) Captain John K. Rice, Infantry U. S. A. Company "G" (National Guard Enlisted Men's Specialists) Captain Everett L. Rice, Infantry, U. S. A.

The Academic Department has fully prepared its work for coming school year and one of the most efficient and sucessful years in the history of the School is anticipated.

A copy of the News goes to each Student Officer and each Officer stationed at Fort Genning, Georgia.

DEPRATT AND PTOMEY MEET IN TITLE BOUT NEXT THURSDAY NIGHT

Willie Ptomey Will Arrive Here Sunday Night to Start Three Days Training for Fight

Gunner De Pratt all service middleweight champion will give Willie Ptomey former holder of the coveted title, a chance to regain his lost prestige when they meet in the Doughboy Stadium at Fort Benning Thursday night, Sept. 8.

Ptomey's friends predict great things of him in the battle, they are still explaining that Ptomey was a victim of misfortune (which he was) when he caught De Pratt's left on the button at the beginning of their first fight, they say Willie has learned his lesson and that he will box rings around the fighting Doughboy Thursday night.

Well just come out every body and lets see him do it, if he does he will certainly admit he has been well entertained, and if he ever stops one of Gunners G. I. cans well Willie will do just as he did before, only this time he will have to find a brand new alibi.

Besides this there will be fifteen of the amateur whirlwind affairs that always please, and there will be several new faces on the card this week, Danny Davis the old reliable is back with the leather-pushers, and will probably be on the card Thursday night.

NEXT THURSDAY'S FIGHTS TO BE BEST YET

The Prize Fights to be held in Doughboy Stadium, topped by the Ptomey-De Pratt fight promise to be the best that have yet been seen at Fort Benning. Captain Mabbutt is hard at work ararnging the card and there wil be the usual three round preliminaries which in the past have proved very popular.

Quartermaster Corps

Utilities

Miss Zettler, "the Voice on the 'Phone" to so many of our citizens, is vacationing in the mountains of North Carolina. Miss Light is substituting for her in a very satisfactory manner.

Mr. N. C. Flint, Cost Clerk, has been transferred to Maxwell Field as Chief Clerk. Mr. Flint is a capable man, and we are glad to see him promoted, even though we have to lose his services. Mr. C. P. Chambers has been brought in from the yard to fill the vacant position, and the office is going right along, hitting on all four.

This being the season of expiration and renewal of real estate leases, this department is very fully occupied in making alterations and repairs to fit the needs of new occupants. As a matter of fact, some of the jobs are being held up because of lack of labor, but they will all be finished before very long.

Painting of quarters in Block 23, which has been on schedule for more than a year, has at last actually started. We expect to finish apartments at the rate of about one per gang every three days. So, if you live in 23 and have not done your own painting, you can expect to live in the odor of turpentine for a while, in the near future.

Mr. Bewley, Chief Clerk, has answered the telephone so much the past few days that the other morning, when his alarm clock went off to herald the beginning of another day, he snatched it up and explained, "no ma'am, this is the Chief Clerk's office, we do not receive requests here for paint jobs, repairing heaters, and stopping leaks, please call 26."

Mr. Ford, Principal Clerk of Utilities, says he has answered "Yes ma'am, the unpacking detail will be sent to your quarters tomorrow morning," "Sorry, but there is no extra lumber available," "Yes, a work order was issued yesterday for fixing your faucet, the man will get to it today," until he repeats it in his sleep.

Mr. Hug, principal clerk of the Transportation branch, has his whole fleet of motor buses and trucks out on the job, moving the students in—transporting the new officers out to Camp, and making his branch one of the most useful in the whole Quartermaster office.

While over at the Purchasing branch, Mr. Mary, principal clerk, and Mrs. Drane, clerk, are issuing multitudes of purchase orders, buying food for the students, as well as the regular personnel, for the fall trade.

All in all, it's particularly at this time of the year when everyone realizes that, while the Quartermaster does not always give them everything they ask for, that it's a real, "all-round" branch, and is always working for the betterment of the service.

Ye Olde Print Shoppe Gossipp

Scandal! Man, the shop was in a furor Monday. Sounded like a women's sewing circle discussing the latest dope on the local hardware merchant's wife and the traveling salesman. Between the click of linotypes and above the clank of presses one of our little playmates was sure catching the very devil to say the least. As our old school buddie, M. Antony, is said to have remarked, "lend me your ears." Our regret is that we do not edit a New York Tabloid.

No doubt you know Harry Manning! That face and figure once seen, never forgotten, you know. Well, it seems that Heisler has been doing a little sleuthing in the Electric City of late and in one way or another has sure gotten the "low down" on our handsome Harry.

To make the story good you would have to know how the pretty lad has been stringing the boys on his magnetic powers. He had us all believing that it was only necessary to show himself on Broad street to have the Georgia Peaches falling at his feet like acorns in a thundershower. Ah, but we have been sadly disillusioned by his eloquence. Thanks to Heisler our eyes have been opened.

"Tabloidly speaking," Hansom's love nest has turned out to be a dusty little store and the ladies of his conquest the clerks therein. Oh! Johnnie, your probe was disasterous. Instead of the social scion lionizing it over the fair sex we have a picture of an oh, so meek boy with coat off, dusting the shelves and sweeping the floor after closing hours in this store. As he toils at his self appointed plebian tasks the girls look on, wink knowingly at one another, and powder their noses. We are told that the store manager tried repeatedly to rid the place of the pest but to no avail.

Gasping at these, and many other, revelations, Johnnie was on the point of retreating to the cool of the street that his blush of shame for a fellow workman might not be seen when both girls taunted him further with more personal eulogies on the dashing swag of the print shop. These were written up for our readers information but fear of editorial censorship caused us to withhold them. However, anyone interested, (and who could fail to be), may interview Heisler of the linotypes to whom, as we have mentioned, we owe this scandle note.

Mr. Rowe, in addition to his regular job as make up man, has taken over the hand comp. department. Strange to relate, the work is still coming out without a hitch.

Pvt. Amerante, formerly of Co. B, 29th Infantry, was transferred to the I. S. D. O. K. and is helping Duboy turn out the work in the Bindery.

Cpl. Pash is due back from a reenlistment furlough of three months today. We haven't heard from him since he left but you can just bet your bottom dollar he has had some experiences worth talking about.

After whispering our line on Manning, we have decided that nothing more is needed to make this week's news notes complete.

J. E. M.

A Suggestion to Officers:

Use Coupon Books for your personal purchases. The Coupon System reduces congestion during rush hours, increases rapidity of service, and enables one to more readily keep a check on the rate of his expenditures without the necessity of carrying forward the totals of daily purchases.

Coupon Books for Officers in $5.00, $10.00 and $20.00 denominations are issued by cashiers at Grocery Department, Main Branch Filling Station and Main Office.

HIGH RIGGER'S TOB TOO RISKY FOR INSURANCE

The paper on which this is printed was very likely started on its way from the forest to the paper mill by a man whose work is so hazardous that he cannot obtain insurance. The work of this man, known in the woods as a "high rigger," is described by Wallace Smith in an article in Liberty.

"A high rigger—also called a timber tapper and a high climber—climbs the high trees in the Pacific Northwest with the aid of a steel-corded rope, looped and lashed to a wide leather belt," the writer explains. "His duty is to lop off the knotty limbs and decapitate the tree—out off its top. The shaft that remains, strenghtened by cables, is used as a stationary spar, to drag other timber into camp.

"The high rigger's job is the most hazardsous of all the risky jobs in the woods. He cannot get insurance at any price.

"The high rigger literally spurns the earth and the toil of the earth," the writer, continues. "And you never hear of a high rigger who quit, unbroken. Around the lumber camp he is humored like a gladiator being trained for the violence of the arena. He may be as fussy about his breakfast as a condemned man—and the camp cook will smile."

CADET CAMPERS FERRIED HOME IN ARMY PONTON BOATS

West Point, New York, Aug. 26.—When the Fourth Class returned to the Military Academy from their five-day hike last week, they marched to Garrison and the Engineer Detachment on duty at the Academy furnished ferriage for the cadets across the Hudson. The old Garrison ferry is not running this year, so the trip across the river was made in pontoon boats, ordinarily used to build temporary bridges in wartime. In each pontoon boat were four enlisted men from the Engineer Detachment, with a non-commissioned officer in charge steering the boat. Twenty cadets under full pack constituted the load, and the 400 passengers were all transported over the half-mile stretch of the river without accident. A launch conveyed the pontoon boats to furnish aid in an emergency, but none developed. This feat demonstrated the training of the local detachment of Engineers, and the adaptability of their equipment.

WINNING THE WAR

New York Sun:—Field Marshall Haig says the allies would have won the war without the aid of the United States.—Gosh! How we wish they had!

An Earl, lately deceased, who had no family, was notorious for his hatred of children, and on one occasion he engaged, as lodge-keeper, an army pensioner named McMicken. Some few months later McMicken's wife presented him with a son and heir. On hearing of the occurance his lordship rode down to the lodge in a terrible rage.

"I hear," said he to Mr. McMicken, "that your wife has a son."

"Yes, my Lord," said the man proudly.

"Well, now look here, McMicken; when I put you here, it was to open and shut the gate, but by the Lord Harry, not to propagate."—Laughter.

JEFFERSONVILLE RULES OUT THREE PROPOSALS IN FISH CONTROVERSY

Last month The Speedometer told its anxious, waiting readers of a terrible controversy that is waging between the motor mechanics of the Holabird, Normoyle and Fort Mason depots over the question: "What is the best method for catching fish?"

As the matter stood last month, all three of the big motor shops had submitted their solution to the problem and production at the repair centers was almost at a standstill, while the truck-fixers waited breathlessly for the judges to select the method that was the best official adoption as standard procedure for Quartemaster personnel. It was decided that as the motor repair men at Jeffersonville, Ind., had not entered into the affray that depot would be asked to select the winner of the contest.

The Jeffersonville judges have now sent in their verdict. It is that all three methods submitted are not up to specifications, and should be junked, and that a brand new version of the matter, submitted bythe motor mechanics of the Jeffersonville shops, be accepted as the answer. Here's what the Jeffersonville judges said:

"Since the days of the deluge, geographical conditions have predominated in the angler's art, whereby it may be possible for our worthy Normoyle correspondent, while in seething Texas sunshine, to make a fish trap Boat, but such are the conditions encountered on the Oasis. While our Fort Mason correspondent has the advantage of wading into the fog and brutally knocking his piscatorial victims in the head with the hinges of the golden gate, and while our Holabird correspondent would sacrifice his coveted Star tobacco, it behooves us here in Jeffersonville, located on the beautiful banks of the Ohio, to cross the river to the Kentucky side after the shadows of evening fall, in the Kentucky moonshine, with unit replaced motor lubricated with fusil oil. The angler equipped with a motorcycle lashed to each foot drives into the river, speeds over the bottom and runs down the fish. He then inflates 32x4 inner tubes, rises to the surface and, with the aid of a Winther crane, heaves his catch to the shore, whereupon an Ahrens-Fox backs up and cleans them by using full pressure. And then, not to be finished, the true angler spirit of giving to others is evinced, and forthwith the siren calls the early morning shoppers, who greedily snap up the catch. At times a small portion remains which is given to any and all who desire a piscatorial dinner, which thereby adds glamor to the already escutcheoned banner of Company B, Fourth Motor Repair Battalion."

DEFENSE DAY TESTS TO BE DISCONTINUED

Because of pacific opposition to War Department plans of annual testing the preparedness of the nation by holding the Defense Test, during which the citizen army of the nation is mobilized for inspection, the plans for the Defense Test Day for this year have been abandoned.

The first test, held in 1924, was unusually successful and the second test, in 1925, was fairly successful, despite the opposition of organizations, such as the National Council for the Prevention of War. Last year the plans for the third test were abandoned and this year the holding of a defense test has not even been discussed seriously. The Department officials announce that no test will be held this year.

The American Legion has always been in favor of such tests and would like to hold them annually. The War Department has consistently held that they are necessary, if the fullest efficiency is to be assured,and General John J. Pershing, shortly before his retirement, expressed the hope that tests would be held annually.

In 1924 and again in 1925 War Department officials asserted the tests were being held to comply with the provisions of the National Defense Act of 1920.

The first test was unusually successful. The second was held on the Fourth of July, after President Coolidge had held that congressional authority was needed if the exercises were to be held on any other occasion than a national holiday.

DOERS AND BLOWERS

Kansas City Times: Broadly speaking, men who get into the public eye are divided into two classes, the blowers and the doers. The blowers are always telling what they are going to do and sometimes doing it. The doers let what they do speak for them. While other people were doing a lot of talking about the flying to Paris they proposed to do Lindbergh came hopping across the continent unhearalded, casually remarked when he reached New York that he might try for Paris, and then almost as casually hopped off and reached his goal. Last year when the fliers were attacking the North Pole with much commotion Lieut. Commander Byrd arrived in Spitzbergen and flew to the pole and back almost before the public knew that he was planning the flight. Experience goes to confirm Lincoln's comparison of the big talk men to the steamer on the Sangamon River with the enormous whistle. When it whistled it had to stop running and when it ran it had to stop whistling.

Advertising rates: On request. We reserve the right to reject any advertising matter.

All checks should be mailed to the Infantry School News, Fort Benning, Ga.

Entered as second class mail matter, April 12, 1924, at the post office at Fort Benning, Ga., under the act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in section 1103, act of October 3, 1917, authorized August 27, 1924.

The Rise of "Johnny Buck"

From zenith to nadir the fortunes of the soldier-man rises and falls. At zenith when the national integrity is threatened by alien encroachments—at nadir when peace and plenty lull the people into a feeling of national security. The close of the last war left the Army fairly well housed and living on a war-time ration. But this condition changed rapidly. War-time buildings fell rapidly into disrepair. The ration tumbled. Clothing, manufactured in tremendous quantities and from inferior material stacked the warehouses. In a few years the army housing conditions became deplorable. Mess officers and Mess sergeants racked their brains in vain for expedients to eke out the too scanty ration allowance. The condition of the soldiers clothing became so bad that in many cases entire organizations outfitted themselves from personal funds. And those that did not resembled a subdued and dingy rainbow of browns and "yallers."

But of late there has been a steady improvement made in the Army of the United States; an improvement so marked as to be well worth the attention of young aspirants to an army career.

Slowly but surely the United States Army comes into its own. It has had its ups and downs, but viewed decade by decade, the situation of its components has steadily improved and more closely approximated the condition of the average prosperous American civilian.

For a long time a soldier in uniform was deemed so far inferior socially to a civilian that he was barred from many otherwise innocent places of amusement and recreation. That day has happily passed and the soldier's garb now has status as among the most honorable habiliments that an American citizen can display.

In years gone by the soldier learned nothing in the Army except purely military duties. If he entered it an ignoramus, he left it one. Now the enlisted man has at his disposal educational facilities over and above travel which are of no mean order.

Last, and perhaps best of all, he is going to get enough to eat. A recent presidential order increased the ration of the Army from 36 to 50 cents a day. Enlistments during February in the New York district were the largest on record for that particular territory, and by offices who ought to know their increase is attributed directly to the more substantial and more diverse bill of fare thus provided. Every physical condition of a soldier's life ought to be such as will tend to keep filled with youth the ranks of whatever sized Army Congress shall deem necessary for the peace and protection of this greatest of nations.

GIANT CRAFT FOR AIR NAVY

The largest and most powerful fighting airship in the world—capable of cruising the broad Pacific from the Golden Gate to Corregidor, and using the Hawaiian Islands as a way-station—is in sight for the American Navy. The Airship Competition Board awarded first prize to the Goodyear Tire and Rubber Company of Akron, Ohio, in the design competition for a new dirigible of 6,500,000 cubic feet gas capacity.

Secretary Wilbur approved the finding of the board, of which Rear Admiral William A. Moffett, director of naval aeronautics is senior member. The board recommended that a contract be entered into with the Goodyear company for the construction of such an airship.

Not only will the proposed dirigible be the largest in the world, but its construction will reflect all the knowledge gained through the operation of the Los Angeles and Shenandoah, and it is believed the new airship will represent the last word in the lighter-than-air construction.

It will be larger and more formidible than either of the two 5,000,000-cubic footers which the British are now building and nearly twice the size of the 3,750-000-cubic-foot dirigible which the Germans are now building.

The winning design airship will not only embrace many refinements of design and construction, but also contains several important features of a distinctly novel character. Not the least of these will be gun batteries and airplanes for the protection of the airship against enemy fighting planes.

The new airship will be capable of carrying five airplanes. These will be placed inside of the "belly" of the dirigible, and it is the plan of the Naval Air Service to launch these planes from the new airship while she is afloat in the air.

The design calls for use of inclined plane runaways of special design inside of the airship, from which the planes are to be launched. The high command of the navy recognizes that airships of this size must be protected against fighting planes, and for that reason the design calls for five planes as the complement of the new warship of the air.

It is learned on high naval authority that the Naval Air Service has worked out plans by which the big airship may again pick up these planes after they have once been launched from the dirigible.

The number and calibre of the guns the airship will carry is still a secret, but it was admitted that the airship would carry guns.

Probably the most striking feature of the proposed airship will be its range—which will be half way around the world at cruising speed. When inflated with non-inflammable helium gas, under average conditions, carrying her normal equipment and crew of about forty-five officers and men, the cruising range will be about 12,500 statute miles at fifty knots speed. This would be more than sufficient for a round trip flight from New York to Honolulu and return and good enough for two round trip voyages to Europe on one fueling.

The maximum speed of the airship will be 70 knots, or 80 statute miles, and this would give a radius of 7,000 statute miles when inflated with hydrogen. A member of the Airship Competition Board, familiar with the design, said today that if hydrogen gas were used the radius of the ship would be about 40 per cent. greater, or about 17,000 miles at cruising speed of 50 knots.

Experiments are now being conducted in the navy, also in England and Germany, with coal gas and natural gas as airship fuel to increase radius of action. A member of the board stated today that if these experiments succeeded such gas might be put into this new airship.

The proposed airship will be about two and one-half the volume of the Los Angeles, but the length will be only about 15 per cent. greater and the diameter about 50 per cent. greater.

Negotiations for construction of such an airship will be opened with the Goodyear Company by the Navy Department immediately with a view to awarding the contract for construction in about six weeks. Congress several years ago authorized two such airships, but at that time made no appropriation. Last year, however, Congress appropriated $200,000 toward constructing first of the pair, and fixed the limit of cost at $4,500,000. It also provided for design competition which the Goodyear Company has just won.

A prize of $50,000 was offered as the incentive for the winning design but the prize cannot be given to the company receiving the contract to build the airship. The Goodyear Company stipulated that its plans were not for sale except "through a construction order," and the law authorizes the department to enter into contract with the company whose design won.

The board recommended an award of $5,000 as second prize for the purchase of the design submitted by W. Watters Pagen of Baltimore. The design considered third best was that submitted by Dr. Johannes Schwengler of Stetlitz, Germany. A total of thirty-seven designs and ideas were submitted in the competition.

OVERALLS NOW PART OF SOLDIER'S UNIFORM

The overall has been exalted to a high prestige by the United States Government, for it has been officially prescribed as a part of the uniform of the United State Army by the War Department and can be worn as such by American soldiers when engaged in field problems, target practice and other forms of training which are hard on ordinary uniforms.

By substituting the low-priced overalls for the more expensive regulation uniform in the more strenuous forms of training, the Army saves the taxpayers many thousands of dollars annually.

It has been found by test that the overall raises the standard for training for the doughboys who would be somewhat reluctant to throw himself in the nearest mud puddle while wearing his best tailor-made uniform, has no such compuction when dressed in the easily washed overalls, and the plays the war games with enthusiasm and realism.

Colonel Frank C. Bolles, Commander of the Thirtieth Infantry, who has already adopted the overalls for his regiment, has a high regard for the overall as a factor in developing citizenship and training in soldiery, and says, "The Thirtieth Infantry, a particularly good example of our democratic army, which is the Government's greatest school of citizenship, uses overalls regularly. When the Thirtieth dons overalls all members of whatever grade are on the same saritorial level and no one feels any inferiority in the wearing of this homely garment. The overall is a costume of equality and democracy. It is a great American institution. Long may it wave.'

Overalls are considered much more practical and inexpensive than the two-piece fatigue clothes issued at the present time.

BARRACKS BANTER

By Ad

The Prohibition Law—according to the Wets—is turning America into a nation of Hip-tote-crites.

Dear Ad—

Since the publication of General Order No. 23, there has been considerable argument in the outfit about the proper position of the First Sergeant, during Guard Mount. Can you inform us on this point?

Anxious Art Tillery

Deart Art—

Your question is easily answered. We cannot refer you to the exact page and paragraph number; but we believe that if you will refer to the Unwritten Law you will find that the proper position of the First Sergeant at Guard Mount is in the Orderly Room, with his feet on the desk.

We have been told that the Shebas are adopting a fashion of having Red Robins painted on their knees—and the Shieks, bless their little flasks, have already taken up the practice of having Swallows on their Hips.

Mr. Woodall casts the effulgence of his matutinal greeting upon us while dwelling on the harried prosperity of our Publishers the more or less Standard Printing Company—In his Good Morning Column in the Enquirer-Sun he says that we are almost embarrassed by our volume of advertising. Interesting if true, Mr. Woodall—but:

"Neath the rude bludgeonings of Ads
Our head is bloody, but unbowed."

CHAPELS

JEWISH SERVICES

5:45 P. M.—Each Sunday evening in the Catholic Chapel conducted by Rabbi Frank L. Rosenthal, Chaplain.

FIRST NATIONAL BANK REPRESENTATIVE AT FT. BENNING

For the convenience of the enlisted and officer personnel of the entire Garrison the First National Bank and The Home Savings Bank of Columbus maintain a branch at Fort Benning. Mr. R. M. Hall, Jr., represents both of the banks in the Post. New officers arriving at Fort Benning will not go amiss to patronize the branch office of these two Columbus banks; they will find that Mr. Hall, better known to the permanent personnel as "Bob" Hall, will go to no end of trouble to look after their banking needs.

The Loyal Order of Moose, at its regular meeting night, August the 25th, gave an open house entertainment that was enjoyed by almost a full house.

The evening was taken up with music, speeches and refreshments.

Mr. E. R. McKee was chairman, introducing.

W. T. Sheffield, state supervisor for Georgia, who made a brief explanation of the Moose and the importance of being a member of such a great humanitarian organization. Followed by Judge A. W. Cozart, who with his ability of witticism, kept an uproar of laughter, and then lead on to a wonderful speech about The Loyal Order of Moose and why the importance of being a member.

Thursday evening, September the 1st, the next regular meeting night, was well attended, and several new members were duly initiated into the order. Mr. Sheffield, the state supervisor, is spending a few days here in order to build up the membership in the order that he holds close to his heart. And for a limited time will accept applications at a reduced fee of $10, a saving of $15. And he appeals to the good men of this community to take advantage of this opportunity before its too late.

You can communicate with him at 815 Broad street. He especially appeals to men with families.

DINNER DANCE AT THE MUSCOGEE CLUB SATURDAY EVENING.

The dancing contingent of Columbus and Fort Benning are delighted to know that the regular fortnightly dinner dances given by the Muscogee Club will be resumed Saturday.

Dinner and dancing will be on the terrace, the weather permitting; dinner at eight and dancing at nine.

A special invitation is extended to incoming officers and their wives.

Phone 706 before Friday noon for reservations.

MAJOR AND MRS. C. B. LYMAN RETURN TO FORT BENNING.

Major and Mrs. C. B. Lyman are receiving a cordial welcome from their civilian and army friends on their return to Fort Benning, where he will be stationed, being a member of the infantry board.

Major Lyman was one of the "pioneer" officers at Fort Benning, and was stationed here for several years. As will be remembered he is a famous polo player, and was quite an acquisition to the Fort Benning team.

CAPTAIN AND MRS. B. W. VENABLE TO OCCUPY QUARTERS AT FT. BENNING

Captain and Mrs. V. W. Venable, who have recently returned from an extended wedding journey, have been spending a few days with her mother, Mrs. M. L. P. Turner on Front St.

On September first Capt. and Mrs. Venable will move to Ft. Benning where they will have quarters and will occupy one of the attractive houses near the golf course.

Prior to her marriage Mrs. Venable was Miss Augusta Turner, a popular member of Columbus' younger set.

Captain and Mrs. Bidgelow and little daughter have arrived in Columbus, and have taken an apartment at the residence of Mrs. S. B. Hatcher, on upper Second avenue.

Capt. Bidgelow will be a student officer at Fort Benning during the ensuing scholastic term.

FOR CAPT. AND MRS. B. W. VENABLE.

In honor of Capt. and Mrs. V. W. Venable, who have recently returned from their wedding journey, Mr. and Mrs. Burrel C. Cole were hosts.

A color note of pink was carried out in the table appointments and the centerpiece was of pink roses.

Covers were laid for eighteen, and seated at this table were:

Capt. and Mrs. Venable, Mr. and Mrs. Robert McNulty, Mr. and Mrs. Drane Bullock, Mr. and Mrs. Ed. Lummus, Mr. and Mrs. Frank Foley, Mr. and Mrs. Perry Burrus, Chas. Mizell, Jr., Mr. Booker Madison, Bastrop, La., Mr. and Mrs. Jack Battle, Mr. and Mrs. Burrel C. Cole.

LT. AND MRS. JACOB ROBERT MOON RETURN FROM HONEYMOON

Lt. and Mrs. Jacob Robert Moon are expected today from their wedding journey, which included Birmingham, Montgomery and a visit to his parents, Dr. and Mrs. W. H. Moon at Goodwater, Ala.

The wedding of Mrs. Winifred Minter Crawford and Lt. J. R. Moon was an interesting and quiet event, taking place Saturday, Aug. 20, at the home of the bride's parents, Mr. and Mrs. J. E. Minter on upper Third Ave.

After September first, Lt. and Mrs. Moon will have quarters at Ft. Benning, where he will be a student officer during the ensuing year.

SAMUEL WAYNE SMITHERS

Heartiest congratulations are being extended to Lt. and Mrs. Samuel Wayne Smithers, of Fort Benning, on the birth of a son, on August 27, 1927, who has been named Samuel Waynne Smithers, Jr.

This announcement is of unusual interest to Columbus as well as Fort Benning friends, as Mrs. Smithers, prior to her marriage, was Miss Martha Scarbrough, daughter of the late Mr. L. A. Scarbrough and Mrs. Scarbrough.

Lieut. and Mrs. Charles W. Moffet and children, who have recently returned from Honolulu, where Lieut. Moffet was stationed, are the guests of Mr. and Mrs. F. B. Knight, Jr.

Lieut. and Mrs. Dean are among the new arrivals of the army contingent who will make their home in Columbus during the scholastic term at Fort Benning, and are located at 1411 Peacock avenue.

Lieut. and Mrs. Mark Doty and young son have returned to the city after an enjoyable motor trip to points in Florida.

The Dotys make their home with Mr. and Mrs. Fearis Caldwell, on upper Second avenue.

Priced $18.50 to $49.50

THE Vogue INC.

"An ever-growing patronage tells our story"

THEATERS

SEPT. 2, TO SEPT. 9, INCL.

FRIDAY, SEPT 2

"THE AUCTIONEER," starring George Sidney in this great Warfield-Belasco play, which is brought to the screen with all its laughter, tears and human elements. It is a story laid in the business infested environs of New York City and possess an interesting intermingling of high finances, stock exchange brokers and human sympathies.

"Meet My Girl."—Graves Comedy.

SATURDAY, SEPT. 3

"GALLOPING GOBS," featuring Buffalo Bill, Jr., in a sailor western. They spent their money like sailors—bought a ranch and a peck of troubles. It's a story of laughs, hard "ridin" hard "fight-" bandit "bustin" cowboys from the Briney Deep.

"What's Your Hurry."—Century Comedy.

SUNDAY, SEPT. 4

"ADDED ATTRACTION," The "Nightingale And Thrush" an enthralling selection of harmony will be rendered by musicians Dezenzio and Metzgar of the Main Theatre Orchestro. It will be a duet played on the ethereal flute by Metzgar an dthe dulcet clarinet by Dezinzio.

"CAPTAIN SALVATION," featuring

Lars Hanson, Pauline Starke, Marceline Day and Ernest Torrence in a fascinating sea story. A fishing village with its narrow minded inhabintants, the mighty main, where ruffians rule, a village girl and a girl of the world, all center their activities around a boy who weaves them into the links of a powerful chain. The story possesses tragedy but ends in the peace of a Gospel Ship. This picture is recommended.

"The Phoney Express."—Fables.

"Pathe News."

MONDAY, SEPT. 5

"THE HEART THIEF," starring Joseph Schildkraut with Lyda de Putti and Robert Edeson in a story of European nobility. Budapest is the scene of action. Schildkraut plays the part of a gambler and a duelist who loved honor above riches. It is a dramatic story of love, intrigue and treachery with virtue triumphant. Incidentally, Schildkraut and Miss de Putto are of the Hungarian stage, they are making themselves very popular on the American screen.

THURSDAY, SEPT. 6

"UP STREAM" from the story "THE SNAKE'S WIFE" by Walace Smith. The featured players are Earle Foxe, Manny Nash and Grant Withers. It depicts the story of a girl who was reaching for love when it was constantly within her grasp and bears the ego of a man who achieved success but didn't know genuine love when he encountered it. It is the love victory of an humble knife thrower in the hodge podge of New York's night life.

"Return Of Riddle Riders No. 9."

WEDNESDAY, SEPT. 7

"ARIZONA NIGHTS," from the story

by Stewart Edward White, starring Fred Thompson and his white horse, Silver King, in an alluring tale, compelling and vivid in its intensity. Its settings are authentic. It is the romance of a gold rush, leaving a struggling settlement wide open to the attack of marauding Indian bands—a desperate battle to protect homes and loved ones. This is not the ordinary type western.

"Wise Crackers No. 9."

THURSDAY, SEPT. 8

"ALMOST A LADY," starring Marie Provost in a scintillating and delightful comedy. It is the story of a Modiste's model, who, after many experiences with imposters of the nobility, marries a millionaire. The picture is chuck full of laughs, beautiful gowns, flashing ladies and chick suitors. Its a good bed time story.

"Pathe News."

FRIDAY, SEPT. 9

"RUBBER TIRES," featuring Harrison Ford, Bessie Love, May Robson and Junior Coghlan in a pleasing story of "Tin Can Tourists." A typical New York family embarks on a continental tour in an auto of the vintage 1910. They are poor, fancy their surprise when, after they had traded their dilpidated flivver off; the manufacturer of it offered $10,000 for it for sentimental reasons. A wild and humerous race for a fortune is precipitated.

"Dome Doctor":—Larry semon.

"Did you get that form letter that was sent you?"

"Form letter, what do you mean?"

"That corset ad."—Washington Dirge.

BIG MOTION PICTURE SEASON IN STORE FOR FORT BENNING

Bookings have just been made in Atlanta for the best set of moving pictures ever known at this station.

Five of the outstanding features for the year, 1927, have been booked for this fall. In addition to these masterpieces of fildom the assortment of subjects booked for daily showing is on a par with the success heretofore attained for Fort Benning.

"Beau Geste," the feature film of the year will be shown Sunday Sept. 18, at the nominal admission fees of twenty-five cents for adults and ten cents for children. Other big feature pictures will be screened are as follows: "Fireman Save My Child," a stupendous production, Oct. 2; "The Better Ole," Oct. 9; "Ben Hur," a magnificient production, Oct. 16; "Chang," the Siamese Jungle success, Oct. 23; "The Rough Riders," wonderfully exploring "Our Teddy" in a thrilling epic drama November 6. And the "Big Parade," todays super production, December 11.

In addition to this remarkable run of "big features" considerable study has been made of comedies and short subjects with a view to giving Fort Benning movie fans the class of entertainment they most desire. Effective Oct. 30, three news reels will be screened per week, two produced by Paramount and one produced by Pathe. The Paramount News will be only four days old and will be run Sunday, and Thursday evenings; the Pathe News will be shown Tuesday evenings. Only the best comedies and educational reviews will be screened as a prelude to the feature pictures.

Incidentally, arrangements have been made whereby the finest productions will be presented on two different dates —the first time at twenty-five cents and the second time at fifteen cents.

Fort Benning has the privilege of seeing the masterpieces of moviedom at extremely low nominal prices wherein the same pictures are shown simultaneously in big cities at $1.50, to $3.65, or six to twelve times the prices charged here.

COMING "HARMONICA CONTEST"

Get out the old reed instrument and start practicing the good old melodies. Give the hinges of your tongue some exercise, all ye music lovers. Fort Benning is going to stage a contest that will "make them all sit up and take notice."

Think of it, fifty-one of the finest harmonicas Hohner makes. These will be used for the contest and given free to the contestants. Elaborate prizes will be awarded winners. A large number of minature "Big Boy" musical instruments will be spread out broadcast among the musically inclined of the Post. This contest promises lots of amusement as well as musical entertainment. It will be conducted under the auspices of the management of the Main Theatre. Present plans are to stage preliminary contests in the 29th Infantry and among the other units of the Garrison—these will be climaxed by a grand final contest which will decide who is the best Harmonica player in Fort Benning. A preliminary and final contest will also be staged in the 24th Infantry. Final arrangements wil be published at an early date.

This contest is sponsored by the Educational Film Exchange of Atlanta, Ga., who promote "Jouvenile Comedies," which are so enjoyed by the patrons of our theatre. The Hohner Harmonica Company of New York are favoring us through liberally donating the splendid musical instruments to be used.

Park at C. A. Morgan & Co. Open till 10 o'clock. Soft Drinks, Drugs and Cigars.

"Howdy! Mr. and Mrs. Officer"

We extend you a cordial welcome to our City and trust your stay will be most pleasant and profitable. We hope to meet each of you personally and any service we can render you will be our pleasure.

Visit our Bakery, opposite Post Office, 12th Street. We also operate a branch at Post Exchange for your convenience.

29TH INF.

Company "A"

The Company "A" Baseball Team administered a most severe walloping to The Company "E" Nine last Sunday morning on the I. S. D. Diamond. The Scorekeeper did not have his adding machine and for that reason the exact score cannot be given. However, at the end of the Seventh inning Company "A" had tallied not less than eighteen runs while Company "E" had pushed one run over. The Company "E" Team decided that they had had enough and the game was called in the eighth inning. Jordan pitching, Reaves catching, Bainster, Snooks, Sheriff, B. and Hopkins holding down the infield and Scalzo, Stephens and Durscherl inthe outfield proved to be too strong a combination for Company "E".

Our average is still 1,000 per cent. and we think we can keep it up. Any Company Teams desiring games are requested to get in touch with Corporal J. H. Banister, Company "A," 29th Infantry.

SNOOKS.

Co.' 'E"

We are losing two good Corporals this week who are not re-enlisting, Corporals Schiewe and Taylor. We hate to see them go. Private Parker of Co. "'E," is showing his stuff now adays in the boxing bouts. He has won three fights in the second round last week.

Private first class Nugent seems to be all smiles around the company since he mounted his first guard last week and made orderly. He was very sick at first when he heard about his old friend Perryman beating him for Commandant's orderly but he soon braced up when he knew he was picked for second orderly, but any old day Perryman can step out around him for making orderly, and that's what makes him so sick.

Company "E" tied for first place in the Battalion swimming meet August 25, 1927.

Corporal McDonald is one of the champion swimmers of Battery E, but he still holds his nose while diving. The boys have presented Corp McDonald with a clothes pin to clamp on his nose while diving. McDonald will attempt to cross the Post swimming pool in an airoplane.

C. P.

Company "F"

For some reason or other this organization did not receive its copy of the Infantry School News last week. Could it be that our subscription has run out? (Editor's Note: You're right, Nelson—it sure has.)

All Pvts. and Pvts. 1st Class of this organization are hopeful—for doesn't the new table of organization give the company eleven more specialists sixth class.

We now have with us the ex-chauffeur and aviator, Harry Parm, late of the M. P. outfit. He will be received with all due respect for his late affiliation.

Company "E" sort of slipped up on us at the Bn. swimming meet — we thought that we had it won until they began displaying all that unsuspected form and speed. We give them all due credit and wish them luck when we beat them when the tie is swum off.

O. W. Nelson.

Company "H"

Well, we are at last thru with the range practice! We qualified all but one man, and he didn't miss it far, yet that is just a little too far. Five men qualified as Expert Gunners, while twenty-two qualified as Sharpshooters.

Corporal Meadows has returned from Superior, Wis., to which place he accompanied the remains of the late Private First Class David Gustafson. He returned in time to qualify on the range.

Private Parks has been discharged on account of minority. The day before his discharge, Private Parks qualified as Expert Gunner. We are sorry to see Parks leave, and hope that he will decide to come back and serve three years with us. He is of age now and may re-enlist if he so desires.

Corporal Seth M. (Red) Smith will have been discharged per the ETS route by the time that this is published. We would like to see "Red" around here for another three years, but of course he is the judge.

We are getting loaded up with recruits. We feel tho' that Corporals Causey, Meadows and McGuinness will soon have them looking just like the older men in ranks. One would have to look far and wide before better Non-Coms. could be found for this detail.

Yours for a bigger and better organization.

Bernard B. Swayze.

Hdqrs. Co., 2nd Bn.

The new and gladly welcomed table of organization has been approved by Headquarters, and we now have a new 1st Sergeant, Wm. H. Biggerstaff, getting this well deserved promotion. Wm. H. has been doing this work, and a little more, for a good long time and no other Sergeant in the company more rightfully deserves it. Staff Sergeant Webster D. Harvey, who has been a clerk at Regimental Headquarters for some time has been made Technical Sergeant, which he also deserves. The Staff Sergeants stripes go to a man who surely does deserve them and we are all glad to see Sgt. Kjelstrom get this promotion. No other man in the Battalion has done more for athletics than "Kelly," and we are all glad that this company has been fortunate in having this vacancy that will be so nobly filled by Sgt. Kjelstrom. We only regret that we did not have a vacancy for a Master Sergeant, for nothing is too good for "Kelly."

Sergeant Lowe, one of the leaders in our Beauty Contest, has been picked to go on Recruiting Duty, and the votes that he held have been turned over to our Recreation Room orderly, Private Gondek, who promises the leaders a good race for 1st place honors. This weeks standing is as follows:

Sgt. Stragand, 42.
Cpl. Bennett, 35.
Pvt. Condek, 31.
Sgt. Parris, 27.
Pvt. Bean, 21.

A great of interest has been shown this past week and a number of votes have come in from other companies in the Battalion. Sgt. Parris dropped down in the race this week and some say the reason for it was that he did not get a hit in the last game with the Blues.

News next week of the Battalion Swimming Meet that will be held Thursday, August 25, 1927.

To comply with the new tables of organization we have transferred nine of our men, some willingly and some willfully, to "H" Company, to bring our strength down to 63 men. We are sorry to see these men go and will gladly welcome them back when vacancies exist in the company.

The 2nd Battalion now has the baseball and swimming championships under their belts, so now bring on your football season, we want that too.

Our news notes for last week were not published but we hope to see them in print this week along with these few new ones. (Editor's Note: Here they are Smitty and—thanks.)

Wm. B. Smith.

Officers on General Staff List

Two officers assigned to the 24th Infantry have recently been notified of their appointment to the general staff eligible list. The announcement was published also in service papers last week. Majors Charles E. Coates and Laurence W. Young are the officers who were so honored recently. Both are graduates of the Command and Staff School, Fort Leavenworth, in the class of 1927 and recently joined the regiment. The former is executive officer of the regiment and the latter is in command of the second battalion.

Enlisted Personnel on Duty with Team

The versatility of the enlis- d personnel of the 24th Infantry has been demonstrated inthe past few weeks and more recently by the detailing of a mess sergeant, cook and experienced massage experts for duty with the army team at Tybee Beach, Georgia. Needless to say that the football squad will be well taken care of with this corps of 24th Infantry experts. The squad should be in good condition after their sojourn at the famous southern resort with the aid of the 24th Infantry personnel adding much to their efficiency of the training period. This team is coached by Major J. A. Van Fleet who recently was detailed by the War Department to take charge of the Army's squad to participate in the game for the President's cup this year.

The 24th Infantry also furnished an expert cook for duty with the Boy Scout camp at Camp McHenry near Columbus this month. From all reports the boys appetites were well administered to. The Camp Perrry rifle team now on duty at the Ohio training grounds for the Infantry Rifle team is now assisted in its training by one mess sergeant and three cooks detailed from the 24th Infantry. These men will remain at Camp Perry until completion of the National Match next month.

Co. E's Mess Stands First on Post

The mess of Company E, known as Mess No. 4, had the distinction of making first place with other messes of the post according to the rating published last Wednesday. This mess tied with the mess operated at the new Hospital. Mess No. 4 has been under the direct charge of Corporal Walter Rogers, Company E, and his staff of cooks and K. P.'s and all credit for the excellent showing is due to his supervision and work of his staff. To be able to creditably compete with a mess conducted under favorable environments such as that of the Post Hospital deserves mention.

Capt. Saulnier to Take Leave

Captain Saulnier, commanding Company E, will leave Sunday for two months' leave of absence and will sail from New York next Wednesday on the Pennland for France, where he will attend the American Legion convention as a representative of the Charles S. Harrison post of Columbus. After the convention he will take an extensive tour of Europe. He will spend the latter part of his leave visiting at his home in New York City.

Supplementary Season Completed

The supplementary rifle marksmanship was completed last week. Major E. O. Power was in charge of the group assisted by Lieut. Waine Archer, a graduate of the Infantry School last spring. There were 34 men in this group, practically all of whom were recruits. A very creditable showing was made by the men.

STUDENT OFFICERS SPECIAL

We sell Officers anything in the House Furnishing line at about half price. Then when your school year is up we allow you half back for same. This is our fifth year and is worth your investigation.

FLORIDA'S FAMOUS FORT HAS INTERESTING STORY

Fort Marion, Most Ancient American Fortress Built by the Original "Chain Gang" System, When Spain Held Sway Along the Suwanee.

Among the interesting sights in St. Augustine, Fla., (the oldest town in the United States), is a tablet over the entrance to Fort Marion, bearing the coat of arms of Spain and the following legend: "Don Ferdinand the Sixth, Being King of Spain and the Field Marshal, Don Alonzo Fernando Hereda, Being Governor and Captain General of This Place, St. Augustine, of Florida, and Its Province, This Fort Was Finished in the Year 1756. The Works Were Directed by Don Pedro De Brazos Y Garay."

But this ancient Inscription does not tell the full story of the forts in St. Augustine. From the day in 1565 when Pedro Menendez erected there the first rude fortification to hold Florida against the French, there have been a series of fortresses here. And they have been connected with some stirring scenes in Florida colonial history—with the massacre of Jean Ribaut's Huguenots by Menedez, with De Gourges' terrible revenge and with other incidents which gave this "land of flowers" a baptism of blood.

The first fort erected on the present site of Fort Marion was an octagonal wooden structure named San Juan de Pinos, built as early as 1586. It was this fort which Sir Francis Drake, the famous British navigator, captured without restistance during a flying raid on the "Spanish Main" in that year. A little later a more pretentious structure of stone was begun and it was named Fort St. Mark. In 1638 the Spaniards were at war with the Apalachian Indians, who lived near the Suwanee river, having defeated them, forced their captives to work on the fortifications for more than 60 years. When Gen. James Oglethorpe, the founder of Georgia, laid siege to St. Augustine in 1740, Monteano, the Spanish commandant, had a large force of convicts from Mexico at work on the fort, and by this time it was so strong that Oglethorpe failed.

At the close of the French and Indian war, Spain, France's ally, was forced to cede Florida to the British. In 1748 it was given back to Spain, who held it until 1819, when the United States purchased it for $5,000,000. On July 10, 1821, the Spanish flag, which had floated over St. Augustine for more than two centuries and a half, was lowered and the Stars and Stripes went up over Fort St. Mark. Some time later it was renamed Fort Marion in honor of Francis Marion, the "Swamp Fox."

ALL SET

"Of course, young man," said the girl's father, "you know that my daughter has always had a good home."

"Yes, sir," beamed the suitor. "I believe that it will prove entirely satisfactory."

SECOND BATS WIN FAST AQUATIC MEET

LAST YEAR'S RECORDS SHATTERED BY MEN FROM CRACK OUTFIT

Forty-five Points Scored by Winners; Co. F Leads

When the entire Regiment of the Twenty-Ninth Infantry gathered at the Garrison swimming pool last Monday morning to witness the annual swimming meet being staged there, members of the Second Battalion team proved beyond any reasonable question of a doubt their supremacy in acquatic sports by scoring three times the combined score of the First Battalion and Special Units.

There were no double winners, Hawkin, Co. "E" and Thompson Co. "F" baseball and football star headed the list of individual winners, Hawkins taking first place in both the 100 and 440 yards free style, Thompson taking first in the fifty yard breast stroke, second in the 100 yard free style and third in fancy diving.

The time made in general was considered good and in three of the events last year's marks were shattered, the event suffering the greatest being the fifty yard back stroke when Lathan of Co. "G" bettered his last year's mark by four and one fifth seconds. If the Doughboys stay in trim until time for the Garrison meet which will be held in the early part of next month perhaps the "Terrible Tankers" will once taste defeat in one of their boasted forms of athletics. The summary:

100 yrds free style. 1st Hawkins Co. "E" 2nd Thompson Co. "F" 3rd Wallace Howitzer Co. Time 1 min. 17.2 seconds.

50 yard breast stroke. 1st Thompson Co. "F" 2nd Bouton Regt'l Hqrs. Co. 3rd Duncan 2nd Bn. Hdqrs. Co. Time 39 seconds.

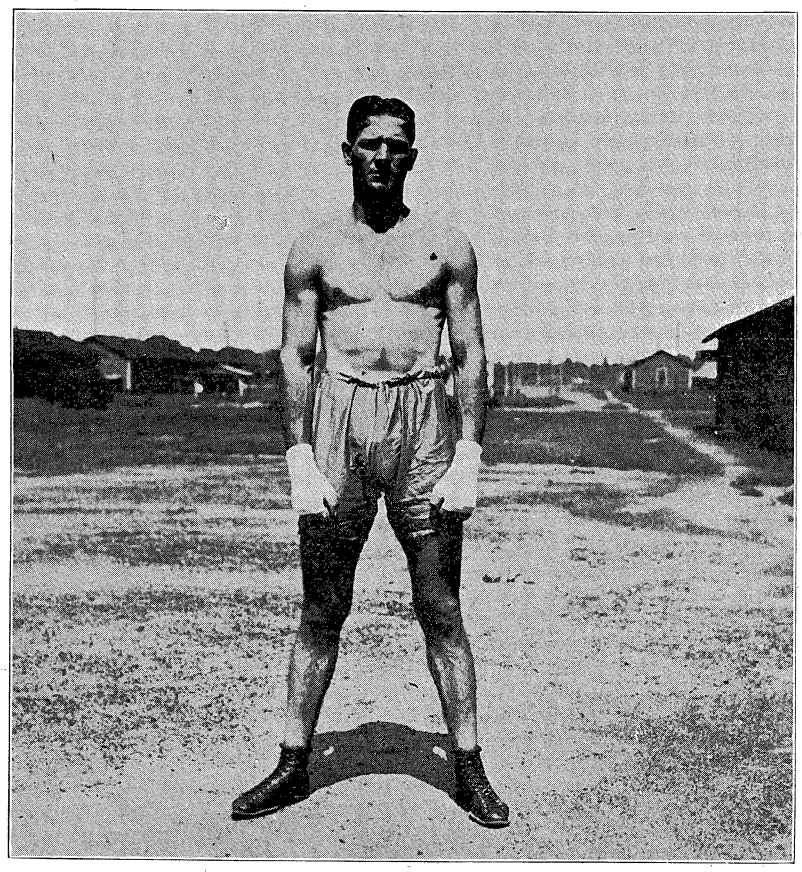
50 yard back stroke 1st Lathan Co. "G" 2nd Stout Co. "E" 3rd Wolverton Co. "A."

440 free style 1st Hawkins Co. "E" 2nd Chaplin Co. "H" 3rd Smoot Co. "F" Time 7 min. 52 2-5 seconds.

Fancy diving 1st Lt. Newman 2nd Felber Co. "E" 3rd Thompson Co. "F" Relay race, 1st—Second Battalion—2nd First Battalion—3rd Special Units.

Winning companies, 1st Co. "E" 16 points 2nd Co. "F" 10 points, 3rd Co. "A" 6 points.

Score by battalions Second Battalion 45 points, First Battalion 11 points, Special Units 4 points.



"Gunner" De Pratt, of Fort Benning, who will meet Ptomey, former All-Service Champion, on next Thursday night, for the second time. De Pratt knocked out Ptomey in their last fight.

THREE-WAY TIE IN TWILIGHT BASEBALL

ENGINEERS IN TIE WITH SERVICE CO. AND HOWITZERS

The Service Company, 29th Infantry, is Fighting Desperately to Retain "News" Trophy

The Bridge Builders from the 7th Engineers are now deadlocked with Howitzer from the 29th Inf., for first place, although getting away to a bad start in the first half the Bridge Builders have finally found themselves and started playing baseball, and from the looks of the standing of the teams the Engineers will be the Howitzer Co.'s oponents to decide the championship in the class "'B" league.

The Service Co. is still holding an even break for first honors in the final lap and it seems that the three leaders take turns at licking the lowly Q'Emmers.

The Q. M. has been badly handicapped this season because of the scarcity of players, the team at present consists of ten men and due to an injury yesterday, Wilson will probably be out of the line up the rest of the season.

Thursday's games will eliminate one of the three leaders and the two teams left in the race will settle their dispute Friday afternoon, the series to be played after the elimination games are finished.

INTRA-MURAL SEASON ENDS

A season replete with crowning triumphs and bitter defeats came to a close last Monday evening at Gowdy Field when the Green Cords went down before the 24th Reds in a one sided affair 16 to 4.

The last half saw the ole dope bucket upset from start to finish. The 24th Blues who played tag in the cellar during the first half, started the last lap with a rush holding the lead until the last minute when they dropped a game to the Reds that they should have won easily. Stokes—Star pitcher of the Blues—deserves great credit for the Blue's good record.

Red Reeder and his wonder team played great ball during the last half, and although the breaks were against them they showed a great fighting spirit on all occasions and this same spirit carried them to hard earned victories over the strongest teams in the league.

The Terrible Tankers got away to a bad start in the last half losing four games in a row, but came back strong at the finish turning in victories over the league leaders and Romping Reeders in succession. Although they played hard to win it seemed that their biggest trouble was with the infield. If they can build up their infield, next season should see them winning ball games.

The 2nd Bats. leave no room for comment, they seem to have every thing it takes to make successful ball team—teamwork, harmony, and a mighty good pitching staff.

The biggest disappointment of the season was the Green Hat team from the Infantry School Detachment, with an infield made up of veterans that do know and can play the game; with a pitching staff that was above the average; and with an excellent outfield—they were picked as probable champions for '27; but right here is an example of what happens when team work and fighting spirit is missing. The Green Hats started the season with a rush; everything was in their favor; there was no lack of equipment as they were backed solidly by the Detachment funds, but the old spirit was missing and instead of advancing they marked time while weaker teams shoved them to the very bottom of the line.

The 24th Reds has undoubtedly one of the strongest and well balanced teams in the league, their pitching staff is almost unbeatable when right, and with a team composed of heavy hitters they are always dangerous opponents for any team.

Last but not least come the jolly Cannoneers. It is unfortunate that they have been badly handicapped during the past season for lack of practice; but the duties of a field artilleryman are such that baseball practice must often wait when other duties call.

The Redlegs are a fine example of what a team can do if they just stay in there and fight. At the beginning of the season the Artilleryman would lose by overwhelming scores, but still they fought on and finally had the satisfaction of holding the Romping Reeders to a tie; winning over the Terrible Tankers and putting on the final touches by swamping the Green Cords 16 to 3 as a season finale.

A St. Paul big-game hunter recently returned with a fine collection of East African trophies, and among them a splendid buffalo head.

"How did you get that?" asked a girl who came to inspect them. "Was he very savage?" "I had a deuce of a time with that buffalo," replied the hunter. "Never had such a morning in my life. I shot him in my pajamas."

"Good heavens!" murmured the sweet young thing. "How did he get there?"

Umpires: Lindsey and Allison. Scorer: Scipio. Time of game: 1:45.

REDS BLANK TANK TEAM

Vance was invincible Sunday after noon, the Tankers being unable to hit him at all while the Reds hit Lindsey freely, both teams played good baseball, but the Reds made their 12 hits count for 6 runs.

F. Williams led the Reds attack with three hits, one a home run, Wade for the Tankers drove one out for three bases but could not reach registering point.

KELLYS WHITEWASH REEDERS IN FINAL

The Kellys proved their rights as real champions when they shut out the fighting "Reeders" last Friday evening.

Roosma gave up eight hits but kept them well scattered while his brilliant support kept the Reeders well in check. The entire "Reeder" pitching staff took a fling at the Kels but the results were all the same, Parris had a big day with the willow getting four out of four.

SPORTOPICS

By THE PIRATE

It is best to always consider the source before forming an opinion, and since considering the said source we have formed the following opinion of a certain Sports writer of one of the local daily papers who was dumb enough to criticise Captain Mabbutt in an arctile on the last fight card held here; knowing the writer as we do we lay the cause to the writers mental condition at the time he wrote the article, and it is our honest opinion that the writer was as much surprised as anyone when he saw the airticle in print in the morning paper.

Latest reports from Tybee Beach inform us that it won't be long before the ole ax will began to fall and the saints and the sinners will be parted right and left, but it has to happen for sixty-seven men can't be carried, so may the best men win and may the Blue Tide roll on forever.

I saw McAuliffe and Beanpole Cole with a brand new football yesterday, and from the big smile they were wearing, I think they are planning to dish out revenge in large quantities to some of their past rivals on the diamond when the pigskin relieves the olde hoss apple.

Rastus—(Draws one card) "I taps you Sambo."

Sambo—"I calls you; What you got?"

Rastus—"I'se got four aces; What you got?"

Sambo—"I jes got two jacks and my razor."

Rastus—"Take the money Lucky!"

There is a game being played by different outfits here and each outfit has its champion, I don't know the proper name for it but the fellows call it horse shoe pitching. If some of the top notchers want to get together send their challenge to the News we will arrange a horse shoe pitching tournament.

Only a few weeks and Gowdy Field will be as quiet as a cemetery; but just drop over to the Stadium and you will certainly get an eye full of one of the greatest football teams that ever bore the Army colors.

GENMAN ACE ENLISTS IN AMERICAN ARMY

From the uniform of a German Ace to that of a buck private in the United States Army is the record of Carl Steinbrecher, who recently enlisted in the army. During the last two years of the World War, Private Steinbrecher was an officer in the German Army and was one of the German Air Aces. He was a awarded the much coveted Iron Cross for valor and his ability to destroy allied planes. Today he is wearing the buck private's uniform, having enlisted at the Portland, Maine, station.

Private Steinbrecher is a university man and in the course of his enlistment he produced affidavits of graduation from various technical schools, indicating his experience in gas engine and plane construction and certificates of flying membership in the exclusive Flying Scientific Society Aachen. He is now a member of the Casual Detachment at Fort Williams and will be sent to Washington and Bolling Field in the near future.

HOTEL THAYER WILL BE OPEN AT WEST POINT ALL SEASON

West Point, New York, Aug. 24.—It was announced today that the report which indicated that the Thayer Hotel would be closed, or was closed on account of a receivership action is unfounded. The Hotel Thayer is open and will remain open through all seasons. The West Point Hotel is expected to close on October 31, and this will leave the Hotel Thayer as the only agency on the post available for the entertainment of visitors. It has been announced from Washington that the old West Point Hotel would be made over into officers' quarters, of which there is a dearth on the reservation at present.

"Hello, is that the Editor? This is George Wrothy. I want to talk to you about that notice of my death in your paper today."

Voice:—"Yes, Mr. Wrothy, where are you speaking from, please?"

A man of diminutive proportions sat down at the restaurant table.

"I want some salad," he said.

"What kind, shrimp?" asked the waiter.

"Don't get funny with me, young man!"
—Dartmouth Jack o'Lantern.

DEPRATT WINS DECISION OVER PTOMEY

PTOMEY MAKES FINE SHOWING IN FAST BOUT LAST NIGHT

De Pratt Finishes Strong After Tough Grind

(By A. L. Durden)

Three thousand fight mad fans watched Gunner De Pratt 29th Inf. win a hair line decision over Willie Ptomey, of Camp Meade, Md., Thursday night. It was one of the best fights ever witnessed in Fort Benning. Both boys were in great shape and they put up a wonderful exhibition. The decision was not very popular as everyone seemed to think that the fight should have been a draw, but it was a great fight, and everyone is looking forward to their next meeting, which will probably be arranged later.

Both men came out in the first round and sparred cautiously for an opening. De Pratt landed a right and left to the head at long range. Ptomey came in sinking a hard right to De Pratt's stomach at the bell.

In the second round De Pratt landed a hard right to Willie's jaw but was taking punishment at the bell, when Ptomey worked in close and shot short jolts to the stomach.

The third round was all Ptomey's punishing DePratt with rights and lefts to the body in the clinches.

DePratt came out in the fourth with a left jab that brought the claret from Ptomey's nose. Willie came back with a right hook to the head that sent DePratt back on his heels. They were mixing it up on the ropes at the bell.

The fifth round found Ptomey punishing De Pratt in the clinches with short dights and lefts to the stomach De Pratt slowed Ptomey up with straight rights and lefts to the face and head.

Ptomey started De Pratts nose dropping red in the sixth with a wicked jab, De Pratt came back with a right hand smash at the bell that sent Ptomey to his corner groggy, here was De Pratts best oportunity for a Kao, but the bell interferred, De Pratt came out fightineg in the seventh, landing solid rights and lefts to Ptomey's head and face, Ptomey kept boring in, working both hands to De Pratt's stomach in the clinches.

The eighth and ninth round saw both boys mixing it up, De Pratt rocking Ptomey with right and left hooks to the head, while Willie kept boring in to the body, De Pratt's side was showing the efefct of Ptomey's punches, The tenth round was fast and furious both boys lanuding hard and often, the final bell found them swapping punches in the center of the ring. On being examined by the Post Surgeon it was found that De Pratts right hand was broken, he broke it in the fifth round but no one but his seconds knew it until the fight was over.

Although losing his fight, Willie Ptomey made a host of friends while here and Benning fight fans hope to see him again in the future.

Amateur Are Best Ever

The amateur bouts were great, Kaos were scarce but there was action galore. Kid Westbrooks, of Co. "G" 29th Infantry and Seizer Julius 29th Infantry opened hostilites, both boys did so well that an extra round was fought to decide the winner, Westbrooks winning.

The surprise of the evening came when Cadenhead knocked out Danny Davis in the first round,

W. FRANK JAMES MAKES INSPECTION

Better Quarters, Finer Buildings for Academic Department and Administrative Departments

The Fokker must be some kin to the Albatross for it is certainly a bird of good omen. Bearing on its broad pinions Representative W. Frank James of Michigan, acting chairman of the house military affairs committee, a giant Fokker winged its way to the aviation field Tuesday morning. Mr. James was accompanied by Colonel Thomas W. Hammond, of the General Staff, the Department's representative in matters of legislation.

Mr. James inspected the garrison Tuesday afternoon for the purpose of acquainting himself with the local housing facilities; and was pleasantlv surprised at the progress being made in the local building program. The building program calls for a total expenditure of $10,023,500 of which $2,255,000 has already been authorized and $1,060,000 already expended.

Mr. James and Col. Hammond left Fort Benning Wednesday at 8:20 a. m. in their giant Fokker monoplane for Anniston, Ala., where they will inspect Camp McClellan and thence to Atlanta for an inspection of Fort McPherson.

The building program of the army amounts to $110,000,000, it was explained by Congressman James, after his inspection. Of this amount $20,000,000 was authorized at the last congress. The amount authorized for Benning was $2,075,000, this to be directed toward barracks work, and that $180,000 had been authorized for the Fort Benning hospital. Both the hospital item and another item of $295,000 for barracks were in the second deficiency bill. This passed the house, said Mr. James, but expired in the senate because of the last-minute filibuster. Next July there will be an item of $500,000 available for Fort Benning. The money of the barracks and hospital items, that died in the senate, will be voted before January 1, the congressman said.

The $2,075,000 will serve to house 2,800 men and 1,811 men will yet require provision in the way of quarters, at a cost of $1,425,000. For 474 officers the cost of quarters will be $5,925,000 and for 115 non-commissioned officers, $575,000. The cost of stables for horses will be $150,000. These constitute the major items for the Benning program. There are numerous miscellaneous items amounting to $1,948,500, which brings the total to $10,023,500 for the entire building program at Fort Benning.

The following is a list of the miscellaneous items:

Post administration building, $100,000.
Infantry school building, $350,000.
School assembly hall, $100,000.
Bakery, $25,000.
Post exchange, $38,000.
Gymnasium, $90,000.
Telephone and telegraph building, $23,000.
Guard house, $55,000.
Two fire houses, $30,000.
Ammunition magazine, $6,000.
Chemical warfare magazine, $3,000.
Hay shed, $11,000.
Forage shed, $7,000.
Warehouses, $60,000.
Filling station and storage tanks, $10,000.
Ordnance and tank repair shops, $20,000.
Blacksmith, tin and plumbing shop, $8,000.
Carpenter shop, $3,500.
Paint shop, $2,500.
Saddle, electrical and steam fitters shop, $7,500.
Quarters for 20 nurses, $65,000.
Gun sheds, $45,000.
Motor Transport repair shops, $20,000.
Sewers, water mains, roads, sidewalks, etc., $869,000.
Total, $1,948,500.

CHILDREN'S SCHOOL OPENS FOR FALL TERM SEPTEMBER FIFTEENTH

Grade Classes and Kindergarten Will Have Practically Same Staff and Teachers As Last Year

Under Captain Thomas L. McKenna's able and affable direction Miss Annie Lou Grimes, principal of the Children's School for the last six years, will once more lead unwilling youth through the pathways of learning. Miss Grimes will be assisted by the same staff of teachers that worked with her last year with the exception of Miss Schimeh, who has resigned to accept an appointment as instructor in Home Economics at Industrial High School, Columbus, Ga.

Miss Schimeh's place will be taken by Miss Becky Flournoy. Miss Flournoy is a graduate of Randolph-Macon College and has a Bachelor's Degree in Arts. Her scholastic attainments augur well for her success as teacher.

The local school, which last year had an average attendance of 160 pupils, was established by Colonel Robert J. Halpin, who was educational and recreation officer at Fort Benning several years ago. Miss Grimes, the principal, is exceedingly capable in working with young children. She has made a thorough study of the Montessori system and has completed post-graduate work at the summer sessions of Columbia University.

The classes in the fourth and fifth grades will be under the supervision of Miss Elizabeth Mizel, who has been on the school staff for the past three years. Miss Mizell is a graduate of Hollins College, Virginia, and has taken post-graduate work at Columbia University.

Classes will be held daily, Saturdays, Sundays and holidays excepted. The School hours are. For the Grade classes: from 8 00 A. M. until 12:00 noon and from 1:00 P. M. until 1:50 P. M. For the Kindergarten class: from 8:30 A. M. until 11:45 A. M. Children will not be permitted to leave classes and school prior to regular hour of dismissal except for urgent reasons. The greater convenience of parents is not considered an urgent reason.

Tuition: Grade School—Children of officers and civilians $4.20 per month. Children of warrant officers $3.00 per month. Children of enlisted personnel 50 cents per month.

Kindergarten Class — All children $3.00 per month.

Tuition fees are due in advance and payable before the 10th of the month to the officer in charge of the Childrens' School. Delinquents will be reported to this headquarters. Tuition paid will not be refunded except in cases of prolonged illness or in the event of the relief of the parent from duty at this station. In such cases the proper proportional amount will be refunded.

Transportation—It will be impracticable to furnish government transportation of any kind to or from the school.

Quartermaster Corps

Ye Olde Print Shoppe Gossippe

For those who are in a position of authority the week following payday is usually a trying one, to say the least. That seems to be the experience of our assistant shop foreman, at any rate. Sort of seems like the print shop boys find it a hectic matter to profitably dispose of their Uncle's monthly allowance. But it's all over now, says Ducey, and no more monkey business for a while. We gather from this and other remarks along this line that for the next few weeks we work to the tune of "Onward Christian Soldiers."

Pvt. Rolka has returned from Detroit, and other points north. He is spinning some mighty big yarns about Lindbergh parades, Babe Ruth and Lou Gehrig home runs and Canadian Scotch.

Cpl. Pash runs a close second with his tales of Ohio. However, he is paying the price for his extended vacation. Someone decided that after a three months' rest, Pash ought to be in fairly good condition and so he was placed in charge of the bindery department. Not much time there for melancholy reminiscences of furlough joys.

Orthodox journalism demands that any big scoop have its "follow up" story in the next issue of the paper. For this reason we are indeed sorry that our feature reporter, J. Heisler, has been unable to add anything of significance to the Manning Probe. The whole affair seems to be shrouded in a deep, dark cloak of secrecy. Leave it to Johnnie though, for he will surely enlighten us further on the doings of this young Lochinvar whose steed is a broom, whose banner a dust cloth.

Pfc. Malo was discharged Saturday. As far as the cylinder press room is concerned, we guess that this leaves Trout "head man of that show."

Given, a Gondola and a Venician moon, Byrd would be a huge success. We leave it to the boys who collect about him over in the I. S. D. area. However, if there is any doubt in the minds of anyone we invite you one and all to drop around and listen in on one of his semi-daily concerts. They are held just west of the cooks quarters. The setting may not be just exactly Bohemian but then nothing could detract from the charm of the Commander's work.—J. E. M.

Utilities Department

Miss Zettler has returned from a pleasant two weeks' vacation in North Carolina. Relief from the daily cares has agreed with her. It's too bad that some of us thin folks can't get away to the mountains for ten days or so. But then, we probably would not meet and be danced with every night by some member of the Norwegian nobility. That evidently makes all the difference.

Capt. Massey had a grouch on this morning. Having retired early last evening (to make up for previous late hours?) he had hardly fallen asleep when the fire alarm sounded. In his capacity of Fire Marshal, it was necessary that he arise, clothe himself more or less sketchily, and dash to the scene of the fire. This he did, only there wasn't any fire. So he "got another Fiske" (see advertising matter in any popular periodical) and developed the grouch aforesaid.

Mr. Buchanan, boss plumber, has been missing in action for a few days. Buch developed something like appendicitis and had to "lay up" in the hospital for a spell. "Pat" McGuire evidently did not wait on him, for he got away without an operation, and is in our midst again, rather pale looking but doing duty.

To those of you that are new to Fort Benning, as well as our old friends, we take pleasure in saying:

CDC ICE CREAM—(Pasteurized)

will ever be a high quality product, produced under best sanitary condition.

24TH INF.

MASS SINGING FOR MR. JAMES

Representative W. Frank James, chairman of the military affairs committee of the House of Representatives, who visited the post last Tuesday, was entertained by the enlisted personnel of the 24th Infantry in their Service Club on Tuesday evening with mass singing. The 24th Infantry band, which has the reputation of being one of the best in the army, also played. The entire regiment gathered at the Service Club and upon the entrance of Congressman James, accompanied by General Collins, commandant, The Infantry School and Staff, accorded him a royal reception. After the concert and singing General Collins made a short address to the regiment commending the performance and introduced Mr. James. In a few words Mr. James praised the regiment not only for the splendid entertainment which he had just heard but complimented the regiment upon its splendid record referring particularly to the battle of San Juan Hill, in which the 24th Infantry participated. Mr. James introduced a little human interest in his talk when he asked the regiment if there was a man present who was in the Cuban engagement. Sergeant William McCauley, Company B, responded, at which he received a big ovation from the regiment. Mr. James then stated that he well remembered the 24th Infantry on San Juan Hill, and again referred to the splendid valor of the regiment on this occasion. His talk was very much appreciated by the entire regiment and was enthusiastically received by the men. The program was composed of the following numbers:

Selection, Band.
Song, Down by the Riverside, led by Private Harper.
Song, Follow Me.
Song, Jesus Is a Listening, led by Private F. Williams.
Selection, Bugle Blues, Band.
Song, The Old Time Religion, led by Private S. Williams.
Song, Steal Away, led by Private F. Williams.
Song, 24th Infantry (regimental song.)

OFFICERS TRANSFERRED TO 29TH INFANTRY

Eight officers of the regiment were transferred to the 29th Infantry at Fort Benning last week as per War Department orders received here. Major L. W. Young, who joined the regiment last June, was among those transferred to the 29th Infantry. It is understood that he will be regimental machine gun officer of the demonstration outfit. Lieutenants J. T. Sonstone, E. J. Walsh, A. F. Haynes, W. B. Cochran, M. R. Finney, J. H. Stokes and W. H. Brier, Jr., were the other officers transferred in last week's orders.

Major Young, who commanded the second battalion, is a graduate of the Command and Staff School at Leavenworth last year, and was recently placed on the general staff eligible list.

TRANSFERRED TO 24TH INF.

Two officers now on foreign service have received orders which assign them to the regiment upon completion of foreign service. Capt. H. B. Crowell, now with the 15th Infantry, China, and Lieut. Joseph I. Green, now with the 33rd Infantry, Panama, were the officers assigned last week. They will report for duty after return to the U. S. from foreign service.

MESSES ARE BUSY NOW

Since Company E with Mess Hall No. 4 took first place in the post last month there are evidences of much activity on the part of other messes in the regiment to take the honor from Company E on the inspection this month. Corporal Rogers, however, has put forth renewed efforts to again put his mess at the top of the list for this month, and from all indications, Mess No. 4 will again be heard from this month.

A married couple was having an argument on a Pullman coach. Finally the hard-boiled wife said to her good looking hubby: "I ought to throw you to the dogs!"

And an old maid sitting across the aisle at that moment cried: "Bow-wow! Bow-wow!"—Laughter.

Library and Service Club

The Garrison Library at the Enlisted Men's Service Club announces that on Thursday, September 1, 1927, Thirty-four books of fiction and non-fiction published during the current year, were placed on the shelves for free distribution. These books have been carefully selected. They comprise the best reading matter of the year and will be of interest to everyone.

The following presents an idea of the class of literature chosen:

"We," by Charles A. Lindbergh, an account by Lindbergh of his life including his History-Making flight to Paris.

"Ann Decides," by Robert Keable, who will be remembered as the author of "Simon Called Peter" and "Recompense."

"Giants in the Earth," picked by the "Book of the Month Club" as the best book of July.

"There's Not a Bathing Suit in Russia and Other Bare Facts," our own incomparable Will Rogers' latest Satire on World Events.

"Three Lights From a Match" by the author of "Checrons," Leonard Nason.

"Young Men in Love," Michael Arlen's English masterpiece.

"Sorrel and Son" and "Doomsday" both by Warwick Deeping are keenly interesting novels.

The Complete List Follows:

Three Lights from a Match," Leonard Nason.
Lost Ecstasy, Mary Roberts Rinehart.
We, Charles A. Lindbergh.
Face Value, J. L. Campbell.
Oil, Upton Sinclair.
The Hard Boiled Virgin, Frances Newman.
Ann Decides, Robert Keable.
Young Men In Love, Michael Arlen.
Sorrell and Son, Warwick Deeping.
Doomsday, Warwick Deeping.
I Think I Remember, Magdalen King-Hall.
The Plutocrat, Booth Tarkington.
We Live But Once, Rupert Hughes.
The Tavern Knight, Rafael Sabatini.
Bold Bendigo, Paul Herring.
The Inn Of The Hawk and Raven, George Barr McCutcheon.
Giants in the Earth, O. E. Rolvaag.
Twilight Sleep, Edith Wharton.
"Aw Hell," Clark Venable.
There's Not a Bathing Suit in Russia and Other Bare Facts, Will Rogers.
Overtaken, Lawrence Rising.
God and the Groceryman, Harold Bell Wright.
Zelda Marsh, Charles G. Norris.
Show Boat, Edna Ferber.
A Virgin of Yesterday, Dorothy Speare.
The Flying Kestrel, Captain Dingle.
Children of Divorce, Owen Johnson.
Red Pants, Captain John W. Thomson.
The Sea Gull, Kathleen Norris.
When Is Always?, Comingsby Dawson.
Forever Free, Honore Willsie Morrow.
High Winds, Arthur Train.
A Good Woman, Louis Bromfield.

Between ten and fifteen of the latest and best books available will be added to the library collection monthly.

INFANTRY SCHOOL NEWS
EDITORIALS

Vol V. September 9, 1927. No. 51

The Infantry School News is published every Friday without expense to the government by the office of the Publicity Officer. The Infantry School, Fort Benning, Ga.

Printed by the Standard Printing Company at the downtown office of The Infantry School News, 19 West 11th Street, Columbus, Ga. (Phone 610.)

Brig.-Gen. Edgar T. Collins, Commandant
Captain John M. Hite ..... Editor
Sgt. Albert D. Dowling ..... Contributor

Suscriptions: $1.50 per year by mail; 50c per year in big blocks through orderly rooms. Single copies on sale at Post Exchange and Officers' Club, 5c.

Advertising rates: On request. We reserve the right to reject any advertising matter.

All checks should be mailed to the Infantry School News, Fort Benning, Ga.

Entered as second class mail matter, April 12, 1924, at the post office at Fort Benning, Ga., under the act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in section 1103, act of October 3, 1917, authorized August 27, 1924.

Qui Non Proficit, Deficit

As we learned in our Latin readers: "Who does not advance, falls behind." If the army today is not better than the army of yesterday; and if the army of yesterday was not better than the army that was before it—then the army must be worse, it must be falling behind. In these modern times the ancient Latin saying lives with even greater force than it did in the more leisurely days of the Roman Empire. In the Big Parade of Life it is only the onlookers who may stand still; and if even they stand still too long, the parade will pass them by.

We are constrained therefore — with certain reservations and humble explanations—to stand by the editorial which appeared in this column last week. We are of the New Army and take pride in the fact; almost as much pride as we take in the achievements of the Old Army, that formed the nucleus for the Fighting A. E. F., the Old Army that handed down to us the proud histories now eternally commemorated in the crests and escutheons of our fighting forces.

Last week we attempted to put out a sixteen page paper. Handicapped by the fact that much of our work must be done after regular hours, and forced to rush our copy, due to the fact that our publishers are moving into new quarters; we found it necessary to resort to several unsatisfactory expedients in getting the paper to press. One of these was the use of "clipped matter" on the editorial page. We tried to exercise some judgement in selecting this editorial matter. Under the heading "The Rise of Johnny Buck" we wrote an opening paragraph that somewhat expressed our thoughts regarding the changing conditions in the army today—and following our "lead" as we call it, we printed a much clipped and reprinted article which has at various times appeared on the pages of a number of Service papers. Originally the article appeared editorially in a Washington paper and with that civilian background excited no adverse comment —at least we heard of none. In this editorial, however, there were several paragraphs that exaggerated conditions in the Old Army. One of these paragraphs we deleted entire; another we retained unintentionally and thereby made ourselves authority for the following statement:

"In years gone by the soldier learned nothing in the Army except purely military duties. If he entered it an ignoramus, he left it one."

Of course those two statements cannot stand, together. If an utter ignoramus entered the Old Army and learned fully his military duties, he would certainly not leave the Army an ignoramus. However, as I have already said this article was written for a civilian publication, and from the civilian point of view the soldier of today is discharged with better educational qualifications than was the soldier of yesterday. The reason of course is that the methods of training have changed. In the old days it was considered sufficient if an enlisted man became a first class soldier—today, however, we have, even right here at the Infantry School, the opportunity for young men to enter the service with only an elementary education, and, provided they have the talent and industry, they can return to civilian life qualified as linotype operators, pressmen, freehand artists, draftsmen, process lithographers, or wet-plate lithographers, motor mechanics, tractor experts—but the list is too long and practically everyone knows of these opportunities anyway. The point is that while the old Army fulfilled its purpose admirably and turned out splendid fighting men, the new Army has another mission to perform and the technical education of thousands of young men in the army is certainly not going to hurt the military reputation.

Another paragraph in last week's editorial states that a soldier formerly "was deemed so far inferior socially to a civilian that he was barred from many otherwise innocent places of amusement,"—This was the sad truth; but it reflected, however, not on the soldier but on the civilian. In this case it is the civilian who has been educated. The general public is beginning to realize that the soldiering profession has a definite place in the scheme of things. And one of the greatest influences that has tended to swing public opinion around to the soldier's side has been the example of honest uprightness and integrity displayed by members of the military personnel; old soldiers for the most part; graduates of the old Army, who even today form the backbone of our newer and better army.

We do not blame the "Old Timers" when they look with a coldly disapproving eye on the New Soldier; nor can we blame them when they feel that this new kind of "peace time soldiering" is not in it with the old; for on these old soldiers falls much of the burden of teaching these young recruits the duties of a soldier. Imagine the feelings of these old timers—who improved their own educational qualifications by dint of hard study during their leisure hours—when they meet up with some John Recruit, still wearing his first wrinkled suit of issue O. D., or "recruit-tailed" khaki; and demanding to know when he is going to be assigned to some special duty, where he can learn a job that will bring him big pay in civilian life. It would be indeed remarkable if the "Old Timer" did not resent the changing order of things. Trained as he was in a School that taught that a soldier's first duty was to be a soldier—it is not strange that he should regard with doubt a system that makes a technician as important as a trained rifleman. He was taught—and rightly too that a soldier must never admit defeat—and for him to openly concede any ground to the new order would indicate a flaw in his training; it is an unchangeable fact that:: "The Old Guard Dies, but it never Surrenders."

HORSES ARE TO BE RETAINED IN ARMY

Complete motorization of the United States Army is not only impracticable but virtually impossible, according to officials here who have been making an experimental study of the problem since the war with Germany.

This decision is in direct contrast to the plans of all the larger armies of Europe, where motorization of military units, including cavalry divisions, is being rapidly carried out. Progress in furnishing automotive transportation for European regiments has now reached the point where entire cavalry divisions, including 10,000 horses, can be and have been carried overland by motor truck.

The lack of a sufficient number of good, well paved highways in many sections of this country is the principal reason for the impracticability of putting the entire army on an automotive basis. In moving a large military unit by motor for an unusually long distance several parallel hard surfaced highways are needed. From a tactical standpoint there would be too much time lost in attempting to move entire division over one road.

A sufficiency of parallel highways adaptable to military purposes exists in only a relatively few sections of the United States; in the northeast, for example, and in parts of Pennsylvania. Ohio and Illinois and along the Pacific coast. Elsewhere it would be more advantageous to move cavalry units on long overland journeys under their own power. Infantry units would go by railway when that means of transportation is available and elsewhere by foot.

Particularly is this condition true of the mountainous country of the far west and the plains and deserts of the southwest.

Motorization of European armies is possible because of the much greater number of good rads in use on that continent. In one country, according to information reaching Washington, a cavalry division was recently transported 500 miles in record time by motor truck. The horses were cared for in specially constructed conveyances. A trip of that length could not, however, be made in this country.

Motorization plans for the American Army are not final. Tests will continue indefinitely, say War Department officials, for the purpose of keeping the efficiency of the military machine always at the highest level.

CHAPEL NOTES

JEWISH SERVICES

5:45 P. M.—Each Sunday evening in the Catholic Chapel conducted by Rabbi Frank L. Rosenthal, Chaplain.

TWENTY-FOURTH INFANTRY SERVICES

10:00 A. M.—Sunday School

LECTURES TO RECRUITS

11:00 A. M.—Each Frdiay morning in The Recruit Center Recreation Hall given by the chaplains alternately.

BARRACKS BANTER

By Ad

By the time this paper goes to press we will know whether or not "Gunner" DePratt has a Pair of Socks. Willie Ptomey thinks that Gunner has only one Sock and a Rabbit's Foot.

* * *

From the latest reports Captain Mahbutt isn't worrying off any weight under the adverse witticisms of our old friend Hank Averill. Do you remember what Shapespeare said about Hank?—

"Methinks he doeth protest to much."

* * *

Mr. Woodall, in his Good Morning Column, refers to the bit of poetry with which we closed our remarks last week as "blank verse." We know the "blanck" Mr. Woodall. It was the place where we should have shown the name of the real author of that bit of verse.

* * *

From the worried look on the face of Mr. Smith of the Print Shop we infer that Major Fletcher and Lieutenant Curtis must be back in camp.

* * *

Captain Baker has decided to reduce the size of the Phone Directory. The new Blue Book will be simply a Who's Who—and Where.—Formerly it was a Who's Who—and Where and Why and What.

* * *

Captain Doll, our esteemed Theater executive, has an added attraction this week. We understand that the Captain had hoped to add a Leading Lady to his repertoire but he has decided to be satisfied with a Male Lead.

* * *

Ad and Mrs. Ad on the other hand have only succeeded in obtaining a double for little Addenda. Which reminds us of the way Sheboygan, Wis., got its name. It seems that an old Indian Chief desired a male heir. His wife, however, persisted in presenting him with little Princesses. The Chief had about given up hope when once more the arrival of an heir was announced. Hopefully the old Chief waited outside the closed Wigwam. Suddenly the flap was thrown aside and the Medicine Man strode forth. For a moment he whispered in the Old Chief's ear; and then the old Chief flung his hands toward Heaven and cried bitterly: "She—Boy—Agan."

EFFICIENCY REPORTS

One of the outstanding recommendations of the recent conference of corps area commanders, concerning the system of efficiency rating now in practice throughout the army, is under study in the general staff, says special correspondent of Lawton Constitution.

Characterizing the present system as "inaccurate, unfair and vicious" a thorough and painstaking study of the question was recommended and it is understood that the recommendation is being complied with, although all information upon the subject is being carefully guarded.

It is said that no immediate change is contemplated but that rather, all new ideas and suggestions will receive a thorough practical test in the field at designated posts. The study will probably cover a period of years with the ultimate end in view of establishing a workable and scientifically accurate system for measuring the capabilities of officers which will gradually be substituted for the present "personal judgment system" by which officers are rated.

I. S. D. NOTES

(IT WON'T BE LONG NOW:) And the I. S. D. will be living down in the tented city, but no one is worrying over moving, for thanks to the Doughboy, these tents are just as snug and cosy as can be.

Major Bootz says that the fellows who wish to, can tent together if it is agreeable with all parties.

We will have the tents that were occupied by "B" Co. and "C" Co. We will also have an excellent recreation room and two mess halls. The only thing that worrys us is getting everything moved down to our new home.

Corporal Devine, our K. P. persecutor, has just returned from a three days' leave over in Bumming Ham Alabama. While there he got a patent on his new invention, a noiseless roller skate to be used by waiters and dry goods clerks. He gave three demonstrations at the Black Kat Kafe, and it was a big success.

We notice that Asst. Fire Chief Jeffie O. Willingham has a new dimmer on his port lanmp. We have been told it was issued by the Q. M.

Fort Leavenworth, Kans.
Sept. 5, 1927.

The Infantry School News.

I have read with interest the antiquated methods used by the Transportation Service in catching fish, as was published in your issue of August 19th.

For their benefit you may inform them of the really up to date method, which is to take a club and a few shelled peas and throw the peas upon the water. Then when a fish comes up to take a pea he is soaked on the head with the club.

A constant Reader, The Infantry News

Mose Posey, who has been acting as janitor at the Detour City Bank, was in the act of affixing a piece of crepe to the door of the bank building one morning last week when Hiram Stacomb, one of the heavy depositors, approached.

"Morning, Mose," said Mr. Stacomb, "why the crepe and why is the bank closed?"

"Didn't you heah, sah, bout po' Mistah Jones, de Cashier? He am done gone from us, sah," replied Mose sadly.

"What! You don't mean to tell me that Jones is deceased?"

"No, sah, I doan mean to tell you noffin' lak dat at all. Mr. Jones he am just gone, sah. It am de bank whut's deceased."—Laughter.

DINNER DANCE AT THE COUNTRY CLUB SATURDAY EVENING.

The regular bi-monthly dinner dance given by the Country Club will take place Saturday evening at eight o'clock, dancing to be on the cool and inviting terrace.

Throughout the summer season the dances at the club have continued to be a popular rendezvous for society, assembling many of the dancing contingent on the cool, breeze-swept terrace for dancing and dining.

Those desiring reservations will please phone the Country Club not later than Friday noon.

Mrs. Robert J. Halpin, of San Antonio, Texas, left Friday for home, after spending a month in her old home with her father, T. E. Golden, on upper Third avenue.

Mrs. Halpin was Miss Melissa Golden, of this city, prior to her marriage to Major Halpin, and her visit was a source of much pleasure to her many friends.

DINNER DANCE AT MUSCOGEE CLUB.

The first of the series of bi-monthly dinner dances at the Muscogee Club, for the fall season, (which were discontinued during the summer) took place last evening with a congenial gathering of civilian and army friends.

Dinner was served on the terrace, which was followed by dancing.

There were several Dutch parties, as well as other parties planned in honor of attractive visitors.

STUDENT OFFICERS TO LIVE AT ROSEBUD PLACE.

The following student officers, who are attending the 1927-28 school at Fort Benning, will live at Rosebud Place:

Colonel and Mrs. R. L. Cooper and family.

Capt. and Mrs. William R. Bent and family.

Capt. and Mrs. A. K. Kupper and family.

Capt. and Mrs. Theodore A. Bannister and family.

Capt. and Mrs. George S. Weir and family.

Capt. and Mrs. Fred During and family.

Capt. and Mrs. James B. Taylor and family.

Lieut. and Mrs. J. J. Carney and family.

Lieut. and Mrs. C. R. Hazeltine and family.

MEETING OF PROTESANT CHAPEL GUILD.

There will be a meeting of the Ladies' Guild at the Protestant Chapel on Monday, September 12th, 1927, at 9 A. M.

All members of the Guild are urgently requested to be present and to bring along a friend who may be interested in Guild work.

INCOMING OFFICERS TO OCCUPY APARTMENTS AT LORENA HALL.

With the opening of the Infantry School at Fort Benning, many officers and their families come to Columbus for the ensuing term, and the student officers and their families usually make their home in the city proper.

Lorena Hall is always popular with the army contingent, and each winter an interesting group make their home there.

Capt. and Mrs. T. J. Austin have arrived in the city and have taken an apartment in Lorena Hall.

Mrs. Austin was Miss Hannah, of Montgomery, and she and her husband have been spending the summer in Montgomery with relatives.

Capt. and Mrs. Wallace Ashurst and also Capt. and Mrs. J. W. Cotton have taken apartments for the scholastic term at Lorena Hall.

Col. and Mrs. Paul Bond, who occupied an apartment at Lorena Hall during the past year, have rented the residence of J. Paul Jones on Wynnton Drive, taking possession a few days ago.

Capt. and Mrs. W. H. Von Gremer, who have recently arrived in Columbus, have taken an apartment at the residence of Mrs. B. Y. Hill on Wildwood Drive.

During the ensuing schlastic term, Capt. Von Germer will be a student officer at Fort Benning.

Lt. and Mrs. George M. David have rented an apartment at the residence of Mrs. Frank Lummus in Wynnton, which they will occupy during the ensuing qear.

Lt. David will be a student officer at Fort Benning during the scholastic term.

Lieut. and Mrs. John Taylor have taken rooms with Mrs. Homer Howard on upper Third avenue for the school year.

Lieut. Taylor is a member of the Officers' Training School at Fort Benning.

Lieut. and Mrs. Jacob Robert Moon are occupying their quarters at Fort Benning, having taken possession during the past week.

Park at C. A. Morgan & Co. Open till 10 o'clock. Soft Drinks, Drugs and Cigars.

SEPT. 9, TO SEPT. 16, INCL.

FRIDAY, SEPT. 9.

"RUBBER TIRES," featuring Harrison Ford, Bessie Love, May Robison and Junior Coghlan in a pleasing story of "Tin Can Tourists." A typical New York family embarks on a continental tour in an auto of the vintage 1910. They are poor, fancy their surprise when, after they had traded their dilapidated fliver off; the manufacturer of it offered $10,000 for it for sentimental reasons. Wild and humerous race for a fortune is percipitated.

"Dome Doctor." Larry Semon.

SATURDAY, SEPT. 10

"GOOD AS GOLD," starring Buck Jones in a smashing story of adventure taken among the crags and canyons of The Colorado River. This picture was actually photographed in the gorgeous Grand Canyon of Colorado. An innocent girl inherits a stolen mine. The robbed man rises to the occasion, makes it a family matter and marries the girl. Romance, adventure and six shooters feature in this picture.

"Tired Business Men." Our Gang Comedy.

SUNDAY, SEPT. 11

"RUNNING WILD," starring the far

famed W. C. Fields in an uproarious comedy of domestic business life. A timid soul while under an hypontic spell developes an aggressive, forceful personality. Imagining that he is a lion, he runs amuck, subdues powerful men and becomes in demand by bi gbusiness interests.

This story insures a continuity of laughs, such as only Fields, the famous comedienne can generate.

"Pathe Review No. 7."

"Pathe News."

MONDAY, SEPT. 12

"DON DESPARADO," featuring Leo Maloney, who is also the director. The Black Bandit, terror of Summet County, is lawless, a robber and a killer. When caught he escapes; a trap is laid for him but he walks around it; he is daring once too often and Deputy Sheriff Leo Maloney, conquers. The plot is tantalizing with mystery and paralyzing with suspense.

"Society Architect," Van Bibber.

TUESDAY, SEPT. 13

"BITTER APPLES," featuring Monte Blue with Myma Loy in a salty, whistling melodrama of storm swept seas, hate swept hearts and of love held high, because hard-won. Society intrigue leads the principals aboard ship. A storm which has been brewing, breaks over the ship with violence. A girl is locked in a cabin, with terrific impact the ship strikes a reef, lovers find each other among the wreckage. The story is filled with suspense, hatred and heroism.

"Return of the Riddle Rider No. 10."

WEDNESDAY, SEPT. 14

"LOST AT THE FRONT," starring

George Sidney with Charlie Murray in a peppy war comedy in which these stars prove themselves War Lords of laughter. They were all up in the air about the war, thought that Hors De Combat meant hoarse from fighting and that the League of Nations was an International baseball team. If Sherman had seen this comedy he would have said "War is a yell."

"Wise Crackers No. 10."

THURSDAY, SEPT. 15

"SPEEDING VENUS," featuring Pricilla Dean with Robert Frazer and Dale Fuller in a comedy drama possessing suspense and thrills. Two rascals scheme to steal an inventor's plans for a gearless motor. The heroine discovers the crooks and fights. The car races a locomotive, is wrecked and the hero injured. The story climaxes in a happy union between the hero and the heroine. The story is ultra-modern.

"Pathe News."

FRIDAY, SEPT. 16

"NAUGHTY BUT NICE," starring the captivating Colleen Moore in a galloping romance comedy. Colleen, as a shy green little Texas wallflower, blossoms under the influence of an exclusive eastern finishing school, into a gorgeous wild flower. Many comedy situations and daring scenes deftly handled, characterize this picture. The story may well be called a comedy college circus.

"Top Notchers." Sportlight Comedy.

We Rent and Sell Electric Floor Waxers. Max Rosenberg Co., Phone 278.

Judge—So you broke a bat over that man's head, did you? Well, what can you say for yourself?

Prisoner—Your Honor, it was an accident.

Judge—An accident? Impossible!

Prisoner—I didn't mean to break the bat.—Louisville Satyr.

29TH INF.

HDQRS. CO, 1ST BN.

Here we come after a long, long time on the range and various other places. After all, guess we are glad to see ourselves in print again. Several changes have taken place since we last went to print too numerous to mention.

After a summer of hard work on the rifle range we came back with an excellent report, having lost only one man.

In a Battalion Memorandum, which was published at the Battalion headquarters last Saturday, this organization was announced as winner of a cup, the 1st Battalion trophy, awarded by our "big hearted" Battalion Commander, Major Griswold, for making the highest percentage of qualification in rifle marksmanship in the 1st Battalion.

With all of our joys there is sure to be a certain amount of sorrows. Well we got our share last week when an order was issued relieving us of our Company Commander, Lieut. Jenkins. As Lieut. Jenkins leaves this company he carries with him the best wishes of every man in the organization. We also welcome to the organization Lieut. Woodward as our new Company Commander, whom we know and feel sure will steer the old boat straight, as the former company commander has done.

Last but not least the company is progressing splendid under the leadership of a real First Sergeant, Sgt. Sanders.

—Justice.

COMPANY "A"

"Dear, Dear, Parona," Sgt. John B. Hudson is back.

Pvts. Couch, Dawson and Swenson have received their well earned stripes. Our most lowly and unworthy scribe has not yet seen the cigars.

We, of the third platoon, look forward with great anticipation to our platoon dinner. We would have you know that we won first place in the platoon competition on the range, three lusty cheers and a tiger for the third platoon.

Pvts. Ellis, Brault, Chapman, Reeser and Clarke were recently appointed Privates First Class. They are all very deserving men and will continue to be such.

—Snooks.

COMPANY "B"

Hello Fellows, guess you think "B" Company is dead. Well we're very much alive. Just to show you that we are, the Regimental "Blue Pennant" has stood by our Orderly Room for four consecutive months, and we are planning on keeping it for another month. Why don't some company try to win it away from us.

The 1st Sergeant is on furlough this month and Sgt. Humphrey is filling the vacancy.

Quite a few are short timers in the company. Wonder if they intend to reenlist. One fellow is undecided whether to hold it up again or go back to the coal regions. Guess you had better stick around for another three, Mike.

COMPANY "C"

The Close Order Drill period starts today and it is a good thing, for half of the company are recruits who do not know right from left. The rest of us need snapping out of it, too.

The company gave some very good watches as prizes for shooting on the range. Also several dollar watches for the bolos.

Sgt. Ten Brock will soon be on his way to China. He has a special assignment there and has only a short time to do here on his current enlistment.

We find that our former dashing shiek Luke Le Blnod Blodget is supply sergeant in Company "E," 33rd Infantry, C. Z. He writes that it's mighty easy to get down there.

—John L. Biggerstaff.

HDQRS. C., 2ND BN.

We are now back at the old grind again, having our demonstrations and daily parades.

This company is now up to strength both as to officers and men. Lieut. William W. Brier, Jr., has been assigned to our company and will be known as Bn. 3, and we all welcome him.

More promotions were made this past week and Corporal Bennett now has three stripes. Privates First Class Sanders and Smith have made the grade of "Two Stripe Generals."

Our Beauty contest which has been progressing nicely for the past few weeks came to a dramatic climax September 1st, when one Sergeant, who was not in first place, got into an argument with another Sergeant who had this honor last week. This certain sergeant ball player could not see how our supply sergeant could get so many votes, when he was so much better looking. Blows would have followed, but for the timely arrival of our First Sergeant.

The contest ends this week finding Sergeant Stragand, our worthy Supply Sergeant, on top. The Editor expects to be swamped with requests for signatures, photos and movie contracts when this news gets in print. Good luck Stragand, we hope you land in Hollywood

—Wm. J. Smith.

COMPANY "D"

With the organization of a third platoon in this company there have been several promotions. Corporals Henry F. Weyer, and John E. Hines, the latter better known as (Mule)have been promoted t oSergeants.

Among those promoted to Corporal were Pfc. Rosengren, Gaines, Wilbourn, Lidouer, Mays, Harrison L, and Pvt. Dooley. We extend congratulations to these men and hope that they will show themselves to be as fine examples of non-commissioned officers as the ones before them.

Our inventor-to-be Dan Monan, having torn his motorcycle to pieces and put it together without having enough to build another, has picke da newer line of endeavor. He has built himself an aeroplane, and it runs, at least the propeller revolves, even though the plane does not take the air. He will be pleased to show it to all who are desirous of seeing it.

Our basketball team is fast rounding into shape and all challenges will be accepted. Call or write to our marvelous manager, Sergeant Bernard J. Lang.

Dialogue overheard on the range:

Recruit: Say buddy, wanna chew terbaccer?

Buddy: (Who wears two silver bars) No Thanks.

Recruit: Oh, have some, I insist upon it.

Lieuts. Cornog and Van Houten have recently joined the company and we believe that their stay here will be pleasant for both themselves and the company.

—Jack Carmen.

COMPANY "E"

We have seventy new recruits, the largest number in Company "E's" history, and are being utilized in the mysteries of recruit drill. Mos tof them have become expert brass polishers and those that haven't wish they had. All of these recruits seem to be good soldiers except Private W. E. Dean, the man with the wart on his chin.

This week the Company loses Corp. O'Ruarke who is retiring to civilian life. Also Corp. Poisso, who is taking his three months' furlough to go back to the swamps of old Louisiana. We were all

glad to know Corp. Poisso is only going on a furlough.

Sgt. Franz has left for Tybee Beach to get ready to hit 'em hard when football season begins.

We all are glad to see that our new Corporal, Corporal Dollar, and Private Walker are back after an extendent trip to North Alabama. We were very glad to hear that neither of them were hurt in their lizzie mishap.

All the old soldiers who have been on special duty during range season have returned to the company. Twenty have taken furloughs. —I. M. Y.

COMPANY "F"

Rivalry and competition for honors of Company Championship teams in the Second Battalion is equally as keen if not keener than that shown when the same organization sends it's stalwart sons to uphold it's honors as an organization in the Intra-Mural League.

This may be proven by the interest and competition shown last week when Companies "E" and "F" engaged in a swimming meet at the Garrison pool to settle a dispute as to who was the others superior in water sports and Battalion champions, which had resulted in a tie the previous week.

Interest in the meet ran high. One minute one company would be in the lead and the next they would be trailing in the dust, and continued to be such till time for the relay race with this as the result: If Company "E" wins the race they win the meet also. If Company "F" wins the meet will again result in a tie, and that is what happened.

It then was decided to pick a second relay team from each company made up of men who had not been entered in any of the previous events. 'Twas here that an unknown or unheard of dark horse or eleventh hour hero by the name of Hitchens from Company "F" made his appearance to do battle for his company and to him was assigned the finish position.

As the swimmers approached the board previous to the final lap both men were abreast and both finish men plunged into the water at the same time and started on the course swimming side by side.

It again looked as if the meet was to result in a tie for as they approached the finish both men were shoulder to shoulder neither able to pass the other but at the last stroke which was made at the same moment by both swimmers the long arm of Hitchens snaked forward and touched the board first, thereby winning for his company both the meet and cup offered the swimming company by Major Bowen, Commandnig Officer of the Second Battalion.

COMPANY "H"

We are going to begin the Demonstration season in the real "H" Company way. The first Demonstration of the year will be "Organization of a Machine Gun Company." Our motto for the past year was, "Strive to please the class," and tha tis what we will make it this year. Of course, we will not have Sergeant Paul Stephens (better known to the regiment as a whole as "Knotty-head") with us for the remainder of the year, unless he decides to re-enlist. Yet, we have the honor of introducing an almost exact replica of him, in the person of one, Corporal George D. (parachute) Davis. He is selling parachutes by the gross, and gives a guarantee with each one that if it fails to open, he will replace it the moment you present it at his office.

We have a new Company.....runner. He is the most beautiful thing one ever laid eyes on. He never has trouble with his face, it suits him very well. Allow me to introduce the venerable Private John A. (Whizz) O'Brien. He has the makings of a good man, and we hope to see him come through with the blue ribbon.

There have been showers of blessings. Corporal DePratt has been promoted to Sergeant, while on D. S. training for the fight with Sptumey. Corporal James C. (Country) Pyles was also promoted to Sergeant while on duty with the Battalion baseball team stepping in the bucket.

There were also five Corporals made in the Company and a whole flock of Privates First Class and Specialists on the list.

'Tis a long tale that has no end. This one has.

—Bernard B. Swayze.

HOWITZER CO.

The Howitzer Company, 29th Infantry, won the Post Championship of the Company Baseball League.

This small company of 107 men produced a team that won all games in the first half of the season. In the second half it tied with the Service Company, 29th Infantry, and Company "A" 7th Engineers, for first place, but in the play off lost to the Service Company, and the Engineers by winning from the Service Company became winners of the second half.

In a speedy, highly interesting and clean series of three games the Howitzer Company won two out of the three games, thereby becoming Post Champions of the Company League.

The able coaching and playing of Lieut. G. W. Smythe was largely responsible for this successful team.

The Company deeply regrets the loss of Lieut. Smythe, who leaves us to take the course at the Infantry School, and with him goes the best wishes of the entire company for success in anything that he may undertake in the future.

On Tuesday night, September 6th, the rooters of the Company celebrated the victory by marching over to the War Department Theatre, lining up for pop, peanuts, and candy and, in a reserved section, witnessing the picture "Upstream." During the intermission the Company demonstrated how they helped to win games by their excellent rooting. Their timed yells filled the theatre with an uproar.

On Wednesday the team was given a huge dinner at the Ralston. The banquet room was reserved, an excellent meal was served and a successful season was terminated with only one mar, that, the loss of our coach, Lieut. Smythe.

—A. D. B.

3RD BATTALION 29TH INFANTRY (INACTIVE) (ASSIGNMENT OF OFFICERS)

Training Memorandums Nos. 36 and 44, 1926, are revoked and the following paragraphs are submitted therefor:

The following Infantry Reserve Officers are assigned or attached on an inactive status to the below indicated organizations:

Hqrs. and Hqrs. Co.—C. O. Lt. Col. Ex. Off.—Maj. William B. Wylie, 5220 Pitt St., New Orleans, La.

Bn. 1—1st Lt. Robert C. Crawford, 6321 Peters St., New Orleans, La.

Bn. 2, Bn. 3—1st Lt. Charles E. Frampton, 1339 Joseph St., New Orleans, La.

Bn. 4 Comm. Off.:

Co. "I"—Capt. George H. Thrush, 807 So. Peters St., New Orleans, La.; 1st Lt. Arthur W. Hyatt, 407 Camp St., New Orleans, La.; 1st Lt. Milton E. Schaefer, 2849 Magazine St., New Orleans, La.; 2nd Lt. George H. Bagnetto, 119 Camp St., New Orleans, La.; 2nd Lt. Jas. G. Harrison, Y. M. C. A., Baton Rouge, La.

Co. "K"—Capt. Joe Rollins, East Main St., Dothan, Ala.; 1st Lt. Merril M. Bernard, Crowley, La.; 1st Lt. John G. Hewitt, Youree Hotel, Shreveport, La.; 1st Lt. John T. Mellow, 530 Topeka St., Shreveport, La.; 2nd Lt. Howard J. Hubener, 919 Octavia St., New Orleans, La.

Co. "L"—1st Lt. Claude W. Davis, Homer, La.; 1st Lt. Clytus W. Phillips, 902 Clarence St., Lake Charles, La.; 1st Lt. Adolph C. Renaud, 228 Rutherford Ave., Shreveport, La.; 2nd Lt. Frederick Dielman, 738 Union St., New Orleans, La.

POST EXCHANGE NOTES

THE POST EXCHANGE
The Infantry School
Fort Benning, Ga.

The Post Exchange at Fort Benning, with its diversity of activities, is one of the largest in the Service. It is the ambition of the Exchange to be both the largest and best; best in service, best in supplying officers and troops, at reasonable prices, with all articles not supplied by the Government, best in the minds of all officers and troops that come to this station. The Exchange is not a money-making institution beyond a nominal profit authorized by Post Exchange Regulations. It will be found that the majority of articles offered for sale are sold below the usual retail prices, and this is particularly true with reference to the necessities. As the increase in volume of business has been largely responsible for reduction in prices, and as the Post Exchange was created and exists only for the purpose of serving YOU, it is our purpose to serve you in such a manner as to further increase our volume, thereby giving your dollar a greater buying power. Every dollar spent with the Post Exchange is of direct benefit to Fort Benning and to you.

The main features of the Post Exchange are:

GROCERY DEPARTMENT

Location: Hall Street and Vibbert Avenue (west of Post Office.) Hours: 8:00 A. M. to 4:45 P. M. Phones 16 and 17.

This department embraces a grocery store and a sanitary meat market. It is the largest activity operated by the Exchange, and is fast becoming the most popular, by virtue of the quality and variety of articles carried and the reasonable prices charged. While a delivery service is maintained for those residing on the Garrison, the majority of the patrons prefer to make their selections personally under the "Self-service" system. Numbered tickets are provided at the entrance for the use of those making purchases in the meat market, and as these numbers are called by the butchers the patrons present their tickets at the counter where they are served promptly and efficiently. The grocery carries a complete line of staple and fancy groceries, fresh fruits and vegetables. A noteworthy feature is a modern refrigerated candy case, where Martha Washington, Norris, and Bunte candies are sold. Special orders for parties can be filled on reasonable notice. The meat market handles all varieties obtainable of fresh meats; cooked meats, smoked meats, cheese, butter, eggs, lard, dressed poultry, fish and oysters. The beef offered is superior quality, while "Auburn" and "Sgt. Bennett's" eggs admit of no comparison.

Delivery Service: All orders received by 9:00 A. M., will be delivered on the Garrsion by noon. All orders received between 9:00 A. M., and 1:00 P. M., will be delivered the same afternoon.

FILLING STATION, TIRE REPAIR & ACCESSORY DEPARTMENT:

Lcation: Wold Avenue (South of Gowdy Field.) Hours: 7:30 A. M. to 6:00 P. M. Saturdays: 7:30 A. M. to 3:00 P. M. Sundays and Holidays: 8:00 A. M. to 12:00 Noon. Phone 165.

The sale of gasoline, oils, tires, tubes, accessories, and the operation of an efficient tire repair service keeps this department busy. All items are sold at a minimum of profit, and at the present time the price of gasoline is ten cents per gallon less than it is in neighboring localities, thereby affecting a considerable saving to the personnel. Standard makes of tires and tubes are sold, and general satisfaction is evidenced by the increase in the volume of business.

AUTO REPAIR SHOPS, BATTERY DEPT., GREASE AND WASH RACKS:

Location: Under Gowdy Field stand. Hours: 7:30 A. M. to 5:00 P. M. Saturdays: 7:30 A. M. to 3:00 P. M. Closed on Sundays and Holidays. Phone 177. Emergency night phone 557.

All kinds of repairs on all makes of automobiles, as well as recharging and overhauling batteries, are handled by this department. A competent force of mechanics is retained, and no job is too small or too large for them to handle satisfactorily. The grease and wash racks deserve special comment, as the service rendered is classed as the best in the South, and the prices are very reasonable.

SODA FOUNTAIN:

Location: Service Club. Hours: 10:00 A. M. to 9:00 P. M. (Open every day).

A modern soda fountain; ice cream kept to proper temperature by a Frigidaire, fresh roasted peanuts daily, efficient dispensers and courteous service, all tend to make this activity a very popular one.

RESTAURANT:

Location: South end of Service Club. Hours: 7:00 A. M. to 9:00 P. M. Sundays 8:00 A. M. to 9:00 P. M.

From September to June the restaurant is always crowded around meal hours, more particularly at noon. This activity was primarily established for the convenience of officers residing in town, and a special noon luncheon is offered at nominal cost. Also, the menu is attractive at all times and the food wholesome.

MAIN BRANCH:

Location: Under South stand Doughboy Stadium. Hours: 7:30 A. M. to 5:00 P. M. Sundays and Holidays: 7:30 A. M. to 12:00 Noon. Phone 226.

(Continued on page 16.)

Everything a cleaner needs to be thoroughly efficient

Oilless motor—its General Electric motor has ball bearings packed in lubricant.

Unusually strong suction.

Light weight—easy to use.

Nozzle which adjusts to any rug or floor surface.

Snap-on, self-cleaning, rubber-protected brush—for loosening surface litter.

And many more advantages!

GE CLEANER

$49.00

This price includes all six attachments and cloth holder

Look at the attachments. They have a special joint arrangement that makes them easier to use. They can clean, practically everything in your home. So they're important.

Tested and approved by Good Housekeeping Institute.

Guaranteed by General Electric.

Take one home, try it yourself at your leisure. If you are not entirely satisfied with it after a few days trial bring it back. If you decide to keep it pay us $5.00 down then $4.00 per month for 11 months.

TIDINGS FROM THE "TIDE" AT TYBEE

The axe has begun to fall among the Blue Tide at Tybee Beach. In the past week two gridiron warriors have dropped before it. It won't be long now before the list of casualties will begin to grow until the beginning of the season finds the old squad down to regulation size.

Two important games have been added to the schedule for the coming season. First we meet the Western Maryland College team at the Baltimore Stadium, at Baltimore, Md., Nov. 11.

Western Maryland made a wonderful record last season, and is looking forward to even greater success this year, as their team has not lost any of their best players from last season.

They lost one game last season, being defeated by Holy Cross 20-14. They scored 126 points against opposing teams while only 30 points were made against them during the whole season.

The Tide meets the Devil Dogs from Paris Island in Philadelphia on Dec. 3. The Leathernecks won over the Doughboys last year at Savannah and from distant rumors they have high hopes of repeating this year, but they are certainly in for one big surprise when they build hopes of a victory over the Tide that will roll over them at Shibe Park.

H. ROTHSCHILD

HOWITZERS CAPTURE TWILIGHT TROPHY

ENGINEER TEAM WINS SECOND HALF-SEASON BUT LOSE LITTLE SERIES

Howitzer Strategy and Strain of Up Hill Fight Too Much For Castle-Clan.

This year the Howitzers have won the Class "B" Cup. The first half of the season was undoubtedly theirs—but the second half. From the darkest corner of the cellar the Engineers emerged with murder in their eye and so effective was their attack that they succeeded in fighting the League leading doughboys to a standstill and the second half of the series resulted in a three-way tie. This tie was played off in a series of three games. First the Service Company—last years champs—defeated the Howitzers; and then the Engineers met the Service Company in a thrilling hard-fought battle and ruined the "Skinners' " hopes of retaining the coveted cup. From this bitter battle the Seventh Engineer team emerged champions of the second half of the season. Followed then three games with the Howitzers—champions of the first half season—three games played on three successive days and immediately following that hard fought battle with the cup-coveting Service Company. The strain was too much for the Bridge Builders. While the box scores show that they far outhit the Howitzer boys, the team as a whole failed to back up an already overworked pitching staff and they lost the series—Two to One. It would seem that credit for the Howitzer victory must go largely to "Dutch" Smythe, second-sacker for the Howitzers. We all know that "Dutch" is a master of baseball strategy and that is just about what won the final series; that and the fact that the Engineers worked themselves out beating the [illegible]ng Service Company the day Little Series started.

Genscn, "Miracle Man" of the Twilight League, certainly deserves credit for pulling the cellar-champions of the first half-season to within a game of winning the cup. In Mallory he developed a relief pitcher de luxe. Three times in the closing days of the season Mallory relieved the starting pitcher and finished with a win. Dispain, a new face on Gowdy Field, did some sterling work in left field. Three times "Dishy" made the last "out" when the luck seemed to be going against the Engineers. Two of his "outs" were thrilling shoe string catches. Briner at shortstop is another new man who shows great promise. Briner has plenty of ability but he still lacks the perfect co-ordination of mind and muscle that is the prime essential of a perfect short stop.

THE LITTLE SERIES

Although getting away to a bad start in the first half of the season, the "B" League teams of the Intra-Mural League came through the last half in big league style.

The Q Emmers who have been unable to get out of the cellar, although down were never out, they showed plenty of fight and they made a host of admirers among the fans by their good sportsmanship and fighting spirit.

The race was a toss up between the Muleskinners, Howitzers and Bridgebusters, and the champions have well earned their crown, or rather cup.

Although classed as class B teams, there is not a doubt that any of the three teams mentioned above could have gave the class "A" teams a busy afternoon at the national pastime.

Gawage Smythes hitless wonders won the B league championship of Fort Benning from the 7th Engineers, winning two out of three in three hotly contested ball games.

Both teams played great baseball and they were given unlimited support by their enthusiastic supporters in the grandstand.

Coming from the bottom of the heap in the first half, the Bridgebuilders staged a great rally in the last half, going into first place after winning a playoff from the Service Company, who was tied with them for the first honors.

The Howitzers took the first game 5-1. The Engineers started things off with a rush. McCarty, first man up, singled, was sacrificed to second by Wigley, who went out on the play. McCarty went to third on Brock's hit. Brock was out at second Foster to Smythe. McCarty scored on Cameron's single. Cameron was out at third, Morrow to Unevidge. The Howitzers waked up in the third. Broon hit one out for two cushions, going to third when the play was fumbled, scoring when Groves let pitch get by him. Smythe led off with a screaming two-bagger in the fourth inning. Morrow singled, Smythe scoring. Morrow stole second, was sacrified to third, and pulled a Ty Cobb, by pilfering the home station.

Again in the fifth the Howitzers got busy and laid the ole game away. Walters fanned. Potter walked, was safe at second on Brooks' miscue. Thomas was safe on Camerons error. Smith filed out. Thomas stole second. Morrow singled, scoring Potter and Thomas. Unavidge ended it by going out 1-3. This ended the scoring for the game.

McCarty's stick work was the feature of the game, getting four hit sout of five trips to the plate.

The Bridgebuilders came back strong in Tuesday's game, giving the Howitzers plenty of action.

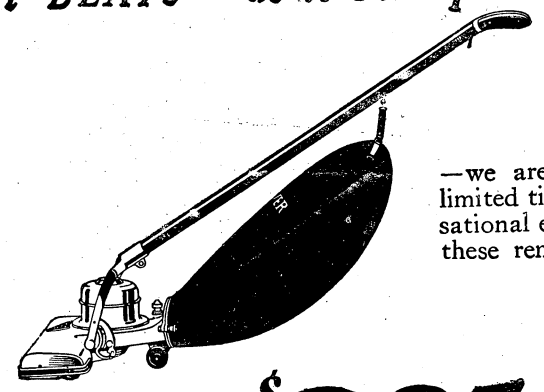
Morrow started on the slab for the Infantry, but was forced to give way before the Engineers' attack in the third inning.

Foster relieved him but the boys from the big hill were out for blood and they continued the march, the final score showing a 15 to 9 score in favor of the Bridgemakers, the Bluecords battled gamely to stave off defeat, but were never able to head off the lead they lost in the first four innings. Cameron play-

So that every family in the city can know and own—

The new HOOVER

It BEATS ... as it Sweeps as it Cleans



—we are offering, for a limited time only, this sensational electric cleaner on these remarkable terms—

Only $225 Down

(Complete with Dusting Tools)
Balance in Easy Monthly Payments

This SPECIAL OFFER will last for a week or so only. We haven't many of these brand-new, latest-model Hoovers, and when they are sold, there will be no more on these easy terms.

Remember, this is the amazing New Hoover, with "Positive Agitation," which is pictured and advertised in your favorite magazines. Telephone this store today—we'll be delighted to bring one of these machines to your home and demonstrate.

This same offer also applies to the new, popular-priced Hoover—called Model 543. This model makes "Positive Agitation" but little more expensive than an ordinary vacuum cleaner.

Max Rosenberg Co.

1120 Broad Street

ed a great game at first besides driving out three safe hits out of four trips up. Mallory at short fo rthe Engineers broke the miscue record, having five charged to his account.

Dutch Smythe ran wild on the bases, scoring three of the Howitzers' runs, slammed out two hits. Cy Perkins relieved Willard in the sixth inning and held the enemy helpless. He also batted one thousnad per cent., getting two out of two and scoring two runs.

The Bridgebuilders pulled a fast double killing in th ethird inning. Mallory took Unavidge's grunder ,throwing Broon out at second. Brock whipped the ball to first, getting Unavidge by inches.

Cy Perkins was away off his usual form Wednesday afternoon and nine errors by the rest of the team made bad mattters worse, the Howitzer Co. winning the deciding game in a walk 11 to 5.

The Bluecords started things going scoring four runs in the first inning on two hits and four errors. They put over two more in the second on a walk, passed ball and a couple of fumbles and no hits.

Five hits in the third inning netted the Engineers three runs, but the Infantrymen had done rolled their packs, although fighting grimly to the last ditch the Engineers were never able to threaten after the rally in the third inning.

Although losers the Engineers made a great uphill fight in the last half of the season and they will be right back in the fight next season to try again for the elusive cup that has slipped from their grasp in the deciding game two years in succession.

POST EXCHANGE NOTES

(Continued from page 12)

Here you find almost all articles necessary for the comfort and convenience of an officer and his family. This activity is very similar to a department store, carrying shoes, hose, haberdashery, toilet articles, insignia, writing materials, all tobaccos, cold drinks, Alligator rain coats, magazines, newspapers and notions.

GIFT & SPECIAL ORDER DEPT.:

This department is located in the Main Branch, and carries a stock of articles suitable for bridge prizes and gifts, as well as tally cards, greeting cards, place cards, kodaks, kodak films, powders and perfumes, G. E. Fans, Hotpoint electrical equipment; and Spalding athletic equipment. This department will order any article which we do not carry in stock immediately upon receipt of your request. Particular attention is given to articles of jewelry, leather goods and silverware. For this service you pay only the wholesale price plus freight and a five per cent. profit. The cost of an article will often be less than sixty per cent. of the prevailing retail price.

SHOE & HAT REPAIR SHOP:

Location: Under south stand Doughboy Memorial Stadium. Hours: 7:30 A. M. to 4:45 P. M.

The shoe repair shop makes any repair to a shoe or boot than can be made, using the best of materials obtainable. The machinery is modern and the workmen efficient. The hat shop thoroughly repairs, cleans and reblocks all types of hats.

TAILOR SHOP:

Location: Under south stand Doughboy Memorial Stadium. Hours: 8:00 A. M. to 5:00 P. M.

The tailor shop cleans, presses, alters, and makes all repairs to old uniforms and will make you any kind of a new uniform; whites, serges, gaberdines, whipcords or khaki. Tuxedos, dress suits, and riding habits for ladies are also made in this shop.

OFFICE:

Location: Under south stand Doughboy Memorial Stadium. Hours: 8:00 A. M. to 4:30 P. M. Saturdays 8:00 to 12:00 Noon. Phone: 18.

This is the main office, consisting of the administrative personnel of the Exchange, and the accounting department.

In addition to the foregoing departments there are sux-exchanges operated in the 29th Infantry area, 24th Infantry area, and at the Station Hospital. The hours kept, and articles carried, are similar to those of the Main Branch, though necessarily the stocks are not as large.

In October, 1925, the Exchange started a vegetable farm just west of the Bradley area. This project has been highly successful and has materially assisted in reducing the cost of vegetables to the consumers. All of the produce of this farm is marketed through the Grocery Department of the Exchange.

The Infantry School News

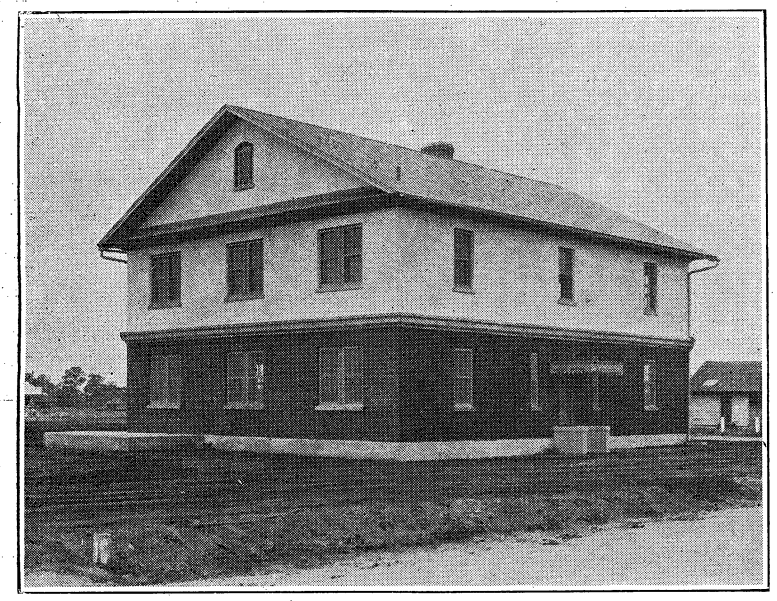
The Infantry School News was first published to the garrison of Fort Benning in the month of September, 1922. From the date of its first issue this military publication has made good progress. Former editors of the News, have, indeed, worked hard and unceasingly to provide stepping stones to what the periodical is today on its fifth anniversary.

The goal of the paper is the attainment of the highest degree of efficiency and proficiency in the literary art, publishing, printing and distribution. This publication belongs to every member of the command of Fort Benning and during the past year we have endeavored to please and accommodate at every turn.

The policy of the Infantry School News, as directed by the Commandant, The Infantry School, is one strictly of non-critizism of any military or civilian activity, project or individual.

The associate editors and the advertising staff and the contributors have done all that could possibly be asked of them and they are to be congratulated upon their efficiency and their all-important assistance in making this publication a sound success.

—THE EDITOR.



The New Telephone Exchange Building—Fort Benning.

NEW TELEPHONE BUILDING IS COMPLETED HERE

The new telephone building which has just been completed here at Fort Benning is indeed a beautiful structure. The building is a part of the building project for this Post and was built under the supervision of the constructing Quartermaster at a cost of a little more than twenty thousand dollars.

The new telephone exchange is equipped with one one thousand line switch board and one very up-to-date Chief Operator's Desk. The equipment already installed is capable of more than handling all of the telephone necessities of the garrison.

The officer in charge of the telephone exchange is Captain Winchell I. Raisor, United States Signal Corps. To handle the business of the Post there is required the services of twenty eight enlisted men. These operators work, seven at a time, in four hour shifts. A great deal of credit is due the operators at Fort Benning's telephone Exchange at all times, most efficient and courteous. The building is one of the finest of its kind to be found any where in the Army.

He had been trying all evening to summon the courage to tell her. It was a thing that really required a great deal of trepidity. She was his ideal. Slim, brown-eyed, beautiful golden hair. As he gazed at her he finally made up his mind.

"Darling," he said, "I love you. If I asked you to be my wife what would be the outcome?"

"It depends," came the reply, "very much on the income."—Virginia Reel.

Mr. Manley—"Well, my dear, I've had my life insured for five thousand dollars."

Mrs. Manley—"How very sensible of you! Now I sha'n't have to keep telling you to be so careful every place you go."—Laughter.

LT. AND MRS. LEROY WM. YARBOROUGH CHARMING ACQUISITIONS TO ARMY SET

Among the recent arrivals among the army contingent are Lt. and Mrs. LeRoy William Yarborough, who with their son have taken an apartment at the residence of Mrs. Turner Berry in Wynnton.

The Yarboroughs came to Columbus from San Francisco, and made the trip via Seattle and other points in the northwest.

Lieutenant Yarborough and Benning Cook, nephew of Miss Mollie Cook, of this city, were special friends in San Francisco. ffl

DISTINGUISHED GUESTS AT ESQUILINE

Mrs. Lionel C. Levy and Miss Marion Levy have as their guests at their home at Esquiline, Colonel and Mrs. Lawrence and their charming daughter, Miss Eleanor Moses.

Col. Moses is a nehpew of Mrs. Levy, being the son of her brother Raphael J. Moses, formerly of Columbus. He has many friends in Columbus made on former visits to the old home of his father, who are delighted to welcome him and to meet his interesting

After a short visit at Esquiline, Col. and Mrs. Moses and Miss Moses will return to Annapolis where Col. Moses is stationed.

CAPT. AND MRS. EDWARD COLE RETURN TO BENNING

So many of the officers at Fort Benning who have been stationed there return for another branch of the service, and it is always a pleasure to welcome them back.

At the Fort are stationed the Twenty-ninth Infantry, the Twenty-fourth Infantry, field artillery, tank corps and many other branches of the army, so often an officer who once was a student is returned as an instructor, or one who was stationed with the troops is returned as a student.

As is well known, the student officers and their families make their homes in Columbus, while those affiliated with the units at the post have quarters there.

Among the army contingent who have returned to Columbus are Capt. and Mrs. Edward Cole, who have been in Washington, D. C., during the past year. They are making their home at the post; however, when here before they made their home in the city. They are receiving a cordial welcome from both cixilian and army friends.

Capt. and Mrs. Luck are occupying the residence on Hill street formerly occupied by Mr. and Mrs. C. O. S. Mallard.

MUSCOGEE CLUB DINNER DANCE SATURDAY EVENING

The regular bi-monthly dinner dance given by the Muscogee Club will take place Saturday evening on the Terrace at eight o'clock.

From present indications this promises to be a most delightful affair.

Courtesies of the club have been extended to the incoming Student Officers of Fort Benning for the guest period, and it is expected that a large number of them will take advantage of this privilege.

Those desiring reservations will please phone 706 before Friday noon.

The Columbus Chamber of Commerce will give a Tea Dansante at the Hotel Ralston on Saturday afternoon, September seventeenth from three until six o'clock for the Infantry School Student Officers and their wives and families. The affair promises to be one of the gala events of the early fall season. Members of the permanent personnel of the garrison have also been invited to attend. The Commandant of the Infantry School, Brigadier General Edgar T. Collins, U. S. A. will head the receiving line together with the Honorable Homer J. Dimon, Mayor of the City of Columbus.

I. S. D. NOTES

Major Bootz also informed us that the Pershing caps could be worn again, if the men cared to purchase them at a cost of two dollars and ninety cents, that includes one of the two piece ornaments.

When all men desiring to order caps were asked to give their names at the Orderly room the Detachment responded one hundred percent., besides having a much better appearance than the regulation O. D., the cap is much lighter and more comfortable to the wearer.

Five dollars reward has been offered to the man that can enter the mess hall ahead of Corp. John L. Booth, at mess call, to gain more speed in gaining his objective, Corp. Booth has ordered one pair of Corp. Devines non skid noisless roller skates.

Our Asst. Fire Chief, took a flying trip over to Bugaloosa, Alabama last week, we understand he made his initial ring appearance there, meeting Killer Hicks in a finish fight, he won by a Kao, in the third round, using a right hook issued him by the QM. last week with telling effect.

Next Friday night the Infantry School Detachment, will assemble in the Detachment mess hall, and after partaking of a real Dutch lunch, prepared by Staff Sgt. Bailus and his kitchen force, and they are the best, and drinking iced punch and neared beer until there is room for nothing more, every one will light a cigar or cigarette (there will be plenty of each) and get ready to enjoy a evening of fun furnished by the local talent. There will be several boxing bouts, Mushmouf Massey and Bow Wow Adams putting on the main go, one black face comedian and some of the foot shakers will do their stuff.

"This is a good restaurant, isn't it?"

"Yes. If you order a fresh egg you get the freshest egg in the world. If you order a good cup of coffee you get the best cup of coffee in the world, and—"

"I believe you. I ordered a small steak!"—Goblin.

CAPTAIN S. L. DUNLOP
Post Athletic Officer

Athletics to most people means play, but to Captain Dunlop it means work and lots of it, besides his duties as Post Athletic Officer Capt. Dunlop is also Mgr. of the Athletic Association here, and if you don't think his hours are busy just drop around to the Athletic Office some day.

But there was once a time when athletics meant play to him also, and i some of the oldtimers that were with the A. E. F. back in 1921 will look closely at the picture here you will remember how wel he did play.

Captain Dunlop had the distinction of being the only member of the American Forces in Germany to be picked on three all-star teams in one year, in 1921 he was picked for football, baseball and basketball.

His playing at first and his heavy stickwork with the williw caused the writer for the Amaroc to christen him the A. E. F. and G. Bambino, and he certainly didn't fall down on the job, his home run smashes being a big factor in winning the pennant for the 5th Infantry in '21.

Following is the all-star team published by the Amaroc, 1921:

Catcher, Meeks, 8th Infantry.
Pitcher, Reynolds, H. C.
1st Base, Dunlop, 5th Infantry.
2nd Base, Foster, 8th Infantry.
3rd Base, McAlpine, 5th Infantry.
Shortstop, Zedeken, H. C.
Leftfield, Smith, Q. M. C.
Centerfield, Strong, Q. M. C.
Rightfield, Whitehead, 5th Infantry.

Captain Dunlop fielding average was 781 for the season, his batting was 356, although Captain Dunlop played great baseball during the 1921 season, he also had his bad days, one account of a certain game in the Amaroc speaks of one game in particular when score was 1-0 against the 5th Infantry, but in the seventh inning with a runner on third Capt. Dunlop comes to bat *with the* whole 5th Infantry begging for a home run, but the best he could do was cut holes in the air for three straight strikes.

Captain Dunlop was placed at the head of the list in picking the ten best basketball players, Capt. Dunlop, Lieut. Mack, Capt. McKenna, Lt. Vernette, Pvt. Valenty, Sgt. Chorost, Pvt. Cliff Meeks, Pvt. King, Pvt. Weiss, Pvt. Buck.

Captain Dunlop again answered the call of the diamond the first of the past baseball season, when the Infantry School Team needed a first sacker, he was right back on the job, and he could still pick them out of the sand, and if his batting eye was weak we coudn't notice it, for he seemed to be able to get his base hits plenty often.

"Do you know the difference between a Taxi and a Trolley?"

"What is it?"

"Good—we'll take a trolley—there isn't any difference."—Frisco Magazine.

CAPTAIN BERRY THIRD IN TOTALS AT RIFLE MATCHES

CAMP PERRY, *Ohio*, Sept. 12.—Captain K. L. Berry, a member of the U. S. Infantry Team won third place in the grand aggregate competition here during the National Rifle and Pistol Matches.

In view of the fact that the Grand Aggregate consists of a totalling of the scores in five important matches, Captain Berry's accomplishment is remargable as only the ace among the marksman assembled here manage to land a place.

Captain Berry's home is at San Antonio, Texas, and he is stationed at Fort Benning, Ga.

MULES RUN AWAY AND KILL JAMES OLIVER CRABB

Inquries in a spill, resulting from a runaway of a team of mules, caused the death at Fort Benning at 2:30 o'clock yesterday afternoon of James Oliver Crabb, 23, private first class, Company "H" Twenty-ninth Infantry.

Major H. L. Dale, Medical Corps, conducted an autopsy and announced that the soldier's death had been caused by "intra abdominal hemorrhage from rupture of mesentery vessels, accidentally incurred while team of mules, he was driving, ran away."

Details of the accident were not available last night.

Privates Crabb's records gave Alabama City, Ala., as his birthplace. His mother, Mrs. Bessie Crabb, lives at 1325 West Washington Street, Petersburg, Va.

The body is being held by T. W. Britton, funeral director, pending receipt advices from relatives.

Lieut.-Col. A. B. Warfield, Quartermaster Corps U. S. A.

Since the establishment of The Infantry School, athletics have played a prominent part in the physical up-building of the personnel, and one of the sports that has always been popular on the military reservation on the Chattahoochee, is golf.

This is probably the outstanding pastime at Benning, as most everyone is able to wield a mashie and niblick, although each may not be able to go around the course in 90. And then there is always the fact that the game improves with practice, so consequently every day, groups of hardy proponents of this game of socking the elusive pill may be seen on the golf course, busily socking away.

Benning has one of the prize courses of this section of the country. Under Colonel A. B. Warfield, Golf Director, a second nine holes have been added and this second nine ranks with any to be found, giving the golfers of Benning the same course which to play that any membership in an exclusive golfing club entails.

During the past four years, $12,000 in actual cash has been given to Colonel Warfield, as Golf Director, by the Officers' Club, to spend on maintaining and up-building the course, and this has been spent to wonderful advantage. The greens stretch away before the eye, smooth and well-kept, planted with Atlanta Strain Bermuda grass, the best grass for Southern golf courses.

The same course that Benning enjoys, had it been built with civilian funds without the aid of troop labor, would have cost approximately $65,000 but with the farsightedness of a true Quartermaster, the Golf Director has borrowed men and machinery from various organizations on the post, and has spent actual cash very sparingly, with the result that The Infantry School can boast of a course the equal of, if not superior to, any course in this part of the South.

Then, too, much praise is due Captain Walker, of the Officers' Club, for the co-operation rendered by the Club in making the course the excellent one that it is. He has lended unsparingly of its men, materials, machinery and time.

The Golf Shop is a little shop presided over by Sergeant Clark, who has been at the helm ever since its foundation four years ago. Sergt. Clark, besides running the Golf Shop, is the Garrison professional, and teaches the aspirants to playing golf the "ins and outs" of the royal game. The Golf Shop handles balls, clubs, and all of the requisite paraphernalia of the golf addict. Starting with a meagre little business, in four years it has grown so that it supplies practically all the golf equipment needed at the garrison.

In its efforts to keep golf feeling at a fever heat, the Tournament Committee, consisting of Lt. Col. A. B. Warfield, Captain E. E. Walker, Captain A. J. Barnett, Captain B. W. Venable, and Captain G. L. King, is always instituting tourneys, and devising means to get more golfers interested. The official Handicapper is Captain G. L. King, whose one idea in handicapping seems to be to get all golfers shooting as close to par as possible.

This past year has seen many tournaments fought out on the school course.

The annual championship battle this year, proved to be one of the most exciting and thrilling matches ever played here. With everyone eliminated with the exception of Captain A. J. Barnett, and Captain Walter F. Tolson, these two fought thirty-six holes, and Captain Barnett emerged the victor, one up.

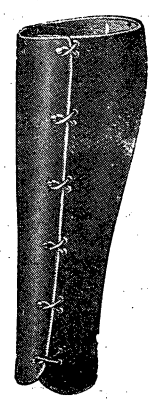
A most interesting series of tourneys played of in the spring was the mixed-foursome tournament. These consisted of two ladies an dtwo officers in a foursome, and proved to be some of the most hotly-contested matches of all.

A bitter affair was the Quartermaster-Medico feud, when the Q. M.'ers averred that when it came to shooting pills, the doctors probably knew their medicine, but when it came to shooting, they were not so much. This aroused the ire of the usually cool-headed Medicos, and they informed the Wheel-Key-And-Sabre men that they (the Q. M.'ers) might believe that, but if they'd name the day, they'd be delighted to give the Quartermasters the drubbing of their To this, the Qaurtermasters agreed, a date was set, the players matched, and the silver cup secured. And in that bitter fray, the Wheel-Key-And-Sabre men went down to galloping defeat before the doctors, and the coveted silver cup now rests in the trophy-room of the Medicos. The Quartermasters, however, aver, that next year will find the cup resting with the spoils of war of the Wheeel-Key-And-Sabre men. While to this, the Medicos look wise, and say that regarding this they are not so sure.

Even now, the war-clouds are hovering over these once-peaceful factions. The Quartermasters, again declaring their superiority over the Doctors, have challenged them to a match, with the match to be as follows: Five officers on a side, each one special club, playing one ball only. Officers to play club in turn as called for by team captains. It is understood between these two factions that golf etiquette will not be observed in this match. Dogs, children and wives of contestants will be allowed on the course. Talking, shouting, laughter, remarks about the personnel appearance of the contestants will be the rule. A special detail of M. P.'s has already been ordered out by Captain Shamatoulski, when he heard of the proposed match, for the purpose of preserving peace and caring for those overcome by the heat. Lt. Eddie Mack, widely known in refereeing circles, and considered by all to be the best referee on the post, has been unanimously chosen to referee this fight. What will be the outcome of this—ah! time alone will tell, but as both doctors and Quartermasters are rather limited at the garrison now, it is hoped that not over five or six will be lost in the fray.

Over every week-end, to provide zest and competition for the players, the Committe has inauguarted a series of tourneys, always with some prize up, and this has stimulated interest in the game as much as anything else. There are sweepstakes, blind bogey, bogey part, and handicap tournaments, always with the players evenly matched to insure thrilling games for all.

Under the able leadership that the Golf Section of the Officers' Club enjoys, many interesting battles in which all golf addicts, whether very good, or not so very good, participate, have been planned. The coming year will probably prove a very enjoyable one for those who delight in this game.



ATTENTION!!

Our representative, Mr. E. Mezzera, will display a complete line of samples of Sam Browne Belts, Leggings, Spurs and other Military Equipment and take orders for same at The Officers Club on September 28, 29, 30 and October 1st.

WOULD MAKE GOV. DRIVERS GET LICENSE

State Officials Say Nothing in Law to Exempt Armed Forces

The Motor Vehicle Commissioner of the State of Virginia has called upon the government to furnish drivers' licenses for all operators of motor vehicles, taking the position that there is no law that exempts drivers of government-owned vehicles from conforming to the state laws in that respect. The matter was taken up by the Commandant of the Fifth Naval District with the Navy Department. In describing the incident, the Army and Navy Register says:

"The Commandant, Fifth Naval District, requested information as to whether or not a civilian chauffeur in the employ of the Federal Government is amenable to a state law which requires that all civilian chauffeurs shall secure a state license before operating on the highways of the state. The Commandant was advised by the Motor Vehicle Commissioner of the State of Virginia that he was aware of no law which exempts chauffeurs of government-owned vehicles from obtaining a license required by the law of Virginia of every operator of a machine where he is paid for such service.

"The Motor Vehicle Commissioner stated as his belief that in the civil service examinations taken by chauffeurs of government vehicles they are compelled to state whether they have complied with the state law as to driver's license.

"The Navy Department, in response to the above request, stated that the decision of the Supreme Court of the United States in the case of Johnson vs. Maryland, 254, U. S., 51, is conclusive on the question submitted, namely, that a civilian chauffeur in the employ of the Federal Government is not amenable to a state law which requires that all civilian chauffeurs shall secure a state license before operating on the highways of the state."

An old soldier, a little the worse from too much conviviality, upon meeting a Hebrew peddler toiling the roadway with his pack, set upon the poor man and beat him up unmercifully.

"For vy you treat me dot way?" cried the peddler.

"Because you crucified my God," cried the soldier.

"Vell, responded the peddler, "it vas der Roman soldiers vot done it—und enny vay, dot vas two tousan years ago."

"Makes no difference," shouted the soldier, "I only heard about it last night. —Laughter.

THINK OF HIS WIFE!

COLUMBUS NUMBER THE INDUSTRIAL INDEX

Last week Mr. W. C. Wodall and his associate editors published the COLUMBUS NUMBER of the INDUSTRIAL INDEX. With one hundred and fifty two pages the issue is replete with all of the building and commercial activities of this section. COLUMBUS is especially reviewed with its beautiful homes and its many thriving enterprises. The advertisements are complete-and instructive and it is believed that the editors of the INDUSTRIAL INDEX are a group of men who believe that what-ever your choice of a advertising medium might be; the essential of all business success and progress is mainly imbedded in advertising.

The number is bound in a most unique and expensive wear-gold cover and indeed is well worth the time spent in reading this result of exhaustive labor. It is a boost for Columbus, Georgia and vicinity and we congratulate all of those connected with the publication and editing of this COLUMBUS NUMBER on their efforts and ability.

MOTOR TRUCKS TO TRANSPORT CAVALRY UNITS

Animal and Auto Equipped Forces In Big Transportation Experiment

The September field maneuvers of the First Cavalry Division to be held in the vicinity of Marfa, Texas, will be featured by a War Department test of the capabilities and limitations of motor transportation in the movement oftroops, equipment, material and animals, including small cavalry units. It is contemplated that in two-sided exercises, one side will us normal animal-drawn transportation and the other motor propelled equipment and material. These tests are expected to bring out convincingly the comparative capacity, usefulness and ensurance of the two types of transportation.

While the superiority of motor transport was demonstrated during the world war and the armies of all nations have, since the war, specialized in developing this new combatant weapon, it is pointed out that this war was one of stabilized action while future conflicts may be more mobile in character. For this reason the War Department general staff is making an exhaustive study of the use of motor trucks for the transportation of cavalry units that have been of such great value in open warfare.

In the future maneuvers and larger problems for motor transport. Special truck bodies have been authorized constructed to transport horses at high rates of speed. Motive power for field and combat trains and light artillery, now mostly animal drawn, will be put to exhaustive tests over all kinds of terrain.

The War Department has instructed the commanding general, Eighth Corps Area, with headquarters at Fort Sam Houston, Texas, to arrange the maneuvers so as to permit careful study and tests involving the problems outlined above. The Commanding General of the Second Division has been called upon to prepare estimates of the cost of preparing lories for motor trucks to accommodate horses. These special vehicles will be transferred to Marfa, Texas, for the period of the maneuvers.

Motor transport personnel of the army is professing a keen interest in the Texas maneuvers because of their bearing on future employment of motors. During the recent combined Air Corps and Army maneuvers at Camp Stanley, Texas, a number of novel experiments were worked out by Quartermasters including the employment of Fordson tractors to propell escort wagons. Three wagons were coupled in tandem and taken over all kinds of terrain with most gratifying results.

BRIGHT COLORED GAS TO BOOST MORALE AND CHECK USE IN ARMY

With the announcement by the War Department last week all gasoline used by troops in the Canal Zone will be colored green so that its misuse can be detected, Quartermasters have suggested the further employment of a color scheme for organizations of the army in the United States.

"Tactical gas", which is set aside by Corps Area Quartemasters for use of tactical units when on maneuvers should be colored to match the colors of the organization to whom it is alloted. The artillery, for example, would have red gasoline; the Infantry, blue; Quartermaster Corps, buff, and so on. Then when trucks and cars of the various arms are parked together there would be no exchange of gasoline. If the Infantry Tanks reported the loss of fuel, all the military police would have to do is to look out for blue gasoline in the tanks of neighbors organizations.

It is a well known fact that much gasoline issued to the army for transportation purposes is used for the operation of gasoline water pumps, the mixing of paints, roof covering preperations, the cleaning of clothing, and many other purposes. By the use of a special color scheme, such misuse of gas would be easily detected.

It is also pointed out that color has a marked influence on morale, and that much could be accomplished in pepping up the spirit of motor transport organizations by dishing out gasoline in the inspiring colors and flavors. On blue Mondav the sight of bright red gasoline gushing from the hose of the filling station would do much to counteract the dark night.

A committee of wives of non-commissioned officers, selected according to the tastes demonstrated when buying Christmas neckties for their husbands, could prescribe the exact shade of gasoline to be issued each week to their organizations. Chauffeurs could make quite a hit with their sweethearts by running their trucks on their favorite colors. The filling station man would be glad to co-operate and it would be no job at all for him to dish out the various flavors after the manner of soda jerkers of the corner drug emporium.

From an economy standpoint, colored gas would not be expensive. One gallon of dye will tint 1,500 gallons of gasoline.

CHAPELS

CATHOLIC SERVICES

Chaplin Tomas L. McKenna, U. S. Army.

SUNDAYS

Masses at 8 and 10 o'clock.

Confession before masses.

Chaplain's office and quarters located in Catholic Chapel Building, Academic Area. Office hours—daily 8 to 10 a. m.—Phone 74.

LECTURES TO RECRUITS

11:00 A. M.—Each Frdiay morning in The Recruit Center Recreation Hall given by the chaplains alternately.

OBITUARY

Captain Malcolm Rice was born near Paintsville, Ky., March 12, 1880 and departed this life Sept. 3, 1927, at the Baptist General Hospital, Ashland, Ka.

He was the son of Charles L. and Nancy Webb Rice of Paintsville, Ky.

He was married to Calla Lee Rice of Ashland, Ky., Oct. 15, 1919. Besides his widow, he is survived by his father, mother and three brothers, Alex, Heber and Dewey Rice, and one sister, Mrs. Kate Horn, all of Paintsville, Ky.

Capt. Rice enlisted in the service of the United States Army in 1898, and with the exception of a few months continued in the service until his death.

He saw active service in Cuba during the Spanish American War, on the Mexican border, during the trouble between the United States and the Mexican Government, and 27 months active service in France and Germany with the 1st Division during the World War. For his valor he was decorated by the Government of France with the Croix de Guerre and by the United States Government with the Distinguished Service Cross.

Capt. Rice was a member of the Company Officers Class in 1923-24 and was then assigned to the 29th Infantry at Fort Benning for 2 years.

At the time of his death he was on duty with the 149th Infantry, Kentucky National Guard, stationed at Winchester, Ky.

BARRACKS BANTER

By Ad

The Column may have a slightly "nutty" flavor this week; we have just moved across the street from Tom Huston's Peanut Factory.

Thirty Days hath September—
That's the rhyme if I remember;
Some are cool—and some we'll tell
The cockeyed world are hot as——
August

When you've travelled some one or two or three thousand dusty miles and you've worried every foot of the way about:

The Muddy, Bumpy, Rutty, Dirt road you're going to have to travel from town to class and from class to town—

Or the Dinky, Inadequate, Little Post Exchange where you're going to have to trade at—

Or the Terrible Place where Nearly Everybody lives in Tents or Awful Little Shacks——

Or the Measly Little Golf Course without any Golf Club House and Only Nine Holes at That—!

And then One Day you come to a Sign tht says: "TO FORT BENNING"; and you follow ten miles of fine paved Highway—

And you cross a little bridge and Register at a Good Looking little Brick Building—

And a Smiling M. P. waves you on over the pleasantly-paved, contuor-clinging curves of Sigerfoos Road—

And you glimpse the Cooly Inviting Vista of a Swimming Pool—

And Sweeping on over the hill you suddenly find yourself approaching a Fine Brick Headquarters Building, and farther on an old Southern Mansion which you know must be the Commandants Quarters—

And swinging to the right you pass the Imposing Concrete Pile of Doughboy Stadium and farther to the left the Ivy-clad Walls of the Gowdy Park Grandstand—

And off to the Right the Big New Brick Telephone Exchange and Signal Office—

And some one tells you that the big Frame Building on the right is the PostExchange Grocery Department—and that the Exchange maintains about five other Departments, centrally and strategically located to minister to your needs—even including the Servicing of your Car—

And Some One Calls your attention to the Big Electric Sign in front of Great Stucco building away off to the right and you see that the Sign reads Main Theatre—

An you are told that the long building in the right distance, that looks like a Modern Daylight Candy Factory, is really Q. M. Laundry—

And that the Big Brick Pile behind it is the Q. M. Ice Plant that sells Ice so Cheap you could almost afford to melt it down for Water—

And then—just when some one is beginning to tell you about the New Golf Club House and the Long Green Sweep of the New Eighteen Hole Course—you suddenly get the Full Effect of the Tremendous Sweep of the New Quartel Barrack poking Four Stories of Brick and Stone into the soft azure of the Georgia sky—

And you Suddenly realize that this is Home—it May be a Year or to it May be for longer—but it's Home——

And you wake up to the Fact that Benning ain't what it used to Was—

Ain't it a Grand and Glorious Feeling?

ASSOCITE EDITOR
INFANTRY JOURNAL

To keep in closer touch with the Infantry School and the Infantry personnel stationed here, Captain James E. Wharton, of the Third Section, has been designated by the Infantry Association as Fort Benning Associate Editor of the Infantry Journal.

The Infantry School, with the Infantry Board and Department of Experiment, being the center of all training pertaining to the Infantry, the Association desires to keep in intimate touch with all such activities and with that in view elected Captain Wharton to represent it here. He will act as representative of the association in financial matters as well as procuring and encouraging the writing by officers stationed here at Fort Benning on topics of interest to the Journal readers.

Captain Wharton may be reached at telephone 43. He is prepared to handle any business of members of the association from sending in their subscriptions for them to arranging with them for publication on articles.

A professor of music was asked to decide on the relative powers of two vocalists whose talents existed entirely in their own magination.

After hearing them he said to one, "You are the worst singer I ever heard in my life."

"Then" said the other, "I win!"

"No," answered the professor, "you can't sing at all."

Motor Cop (to professor of mathematics)—So you saw the accident, sire? What was the number of the car that knocked this man down?

Professor—I'm afraid I've forgotten it. But I remember noticing that if it were multiplied by 50 the cubic root of the product would be equal to the sum of the digets reversed. —Boston Transcript.

THEATERS

SEPT. 16, TO SEPT. 23, IINCL.

FRIDAY, SEPT. 16

"NAUGHTY BUT NICE," starring the cativating Colleen Moore in a galloping romance comedy. Colleen, as a shy green little Texas wallflower, blossoms under the influence of an exclusive eastern finishing school, into a gorgeous wild flower. Many comedy situations and daring scenes deftly handled, characterize this picture. The story may well be called a comedy college circus.

"Top Notchers."—Sportlight Comedy.

SATURDAY, SEPT. 17

"THE GREAT MAIL ROBBERY," featuring Lee Shunway, Theodore Von Eltz, Frank Nelson and Jeanne Morgan in an intensely exciting melodrama wherein U. S. Marines perform extraordinary deeds of heroism and conquer a desperate band of desperados. One million dollars in gold is saved from a dynamited mail train by the aid of spectacular air and ground fighting. The feats of daring performed in this picture are remarkable.

"Never To Old."—Roach Star.

SUNDAY, SEPT. 18

"BEAU GESTE," starring Ronald Colman with Alice Joyce, Neil Hamilton, Noah Beery, Mary Brian and a number of other leading screen satilities of today. Briefly, it is a thrilling mystery story of love, courage, self sacrifice and adventure in the French Foreign Legion. This remarkable picture is so well known that a description of it would be superflous. It is the greatest picture which has ever been screened at Benning. Usual admission prices.

SPECIAL NOTE: BEAU GESTE

will again be shown in Fort Benning Theatres Oct. 13, at 15c and 10c admission. Don't worry about bucking the crowds next Sunday night.

"Home Sweet Home."—Fables.

"Pathe News."

MONDAY, SEPT. 19

"MOULDERS OF MEN," starring Conway Tearle in a splendid melodrama of regeneration compelling in its irresistible power—poignant with pathos, startling in its vivid action—appealing with romance. It is a magnificiant example of Motion Picture artistry. It is a story of a millionaire physician's batle against a powerful gang from the east side of New York.

"Light Wines and Bearded Lads."—A two reel Imperial Comedy.

TUESDAY, SEPT. 20

"JUDGMENT OF THE HILLS," starring Virginia Valli and Frankie Darro in an affecting drama of the Kentucky Fued District. A surpassing loe brings its reward of abiding faith in a coward who was yet a man. Frankie Darro is quoted as being the screen's greatest boy star of today.

"Crimson Flash o. 1."

WEDNESDAY, SEPT. 21

"ANKLES PREFERRED," starring

Madge Bellamy in an intimate story of silk stockings. She thought it was her brains that was makinga success of her in business, but, in reality, it was her pretty ankles. She started out to be a business girl but ended by being a business man's wife.

"Wise Crackers No. 11."

THURSDAY, SEPT. 22

"ALL ABROAD," starring Johnny Hines ina riotous hit in in laugh tour on land and sea. You'll laugh at Hines as a shoe saleman, you'll roar at him as a tourist guide, but when you see him as a Desert Shiek, surrounded by a hundred beautiful harem girls and a thousand desert shieks, you'll screen; so says the "Press."

"Pathe News."

FRIDAY, SEPT. 23

"NOT FOR PUBICATION," starring Raph Ince in the story of a modern pioneer, at the zenith of his power, accomplishing a tremendous work despite the heckling backwash of political intrigue and prejudice tearing at the roots of love inspired achievement. It is a western mystery romance.

"Half a Hero."—Hamilton Comedy.

29—"Nevada", Gary Cooper.
The Movies—Hamilton.

What is said to be one of the cleanest, classiest musical comedy attractions on on the road in which, "honest to goodness" entertainment containing "something different" will be presented by Gardinier and Lancaster's "Prancing Around Company" who will open a two weeks engagement at the Twenty-ninth Infantry Theatre Sunday.

During the past summer months this company has been playing at the Keith's Lyric Theatre at Mobile, Alabama. They are coming here direct from the Alabama city.

Among the members of the cast who are expected to bring something different to the Twenty-ninth Infantry Theatre are "Smiling" Bill Elliot one of the most versatie tenor balladists to be heard, Eva Marlowe clever Comedienne and a cast of other stars including Jeanne Dixon, Bertie Mack, Harry Holdbrook, Roy Alexander and Pick Maloney all of whom will be seen in leading roles of the various of the company during their stay here.

The opening attraction "Here Comes the Bridge" is a condensed version of the New York success of the same title. Their repertoire includes such musical comedy successes as, "The Elixie of Youth," "The Truth for 24 Hours" "The Game," "The Man Hater" and "Four Jolly Bachelors."

Each play that will be offered will be properly staged as to scenery and lighting and will be presented in several diferent acts and scenes. While "the play is the thing" with this organization, the special artists with the company as well as the chorus of "girls from everywhere" will play an improtant part in the entertainment so that a combination of musical comedy, vaudeville and drama will result in pleasing variety. It will be something of some meaning and not "the same old thing" that has been the prevailing custom of the companies in the past.

Here's hoping that "Prancing Around" will measure up to its advance notices and provide us with satisfactory entertainment during their stay here.

Some of the reasons why you should see Prancing Around Company:

EVA MARLOWE
130 Lbs. of Pep
BERTIE MACK
The Girl With The Blues
DIXON & MALONEY
Yours For Fun
KNICKER TRIO
Harmony and Hokum
BILLY ELLIOT
Entertainer Deluxe
"THE BABY VAMP CHORUS"
Southern Flirts

Twenty-ninth Infantry Theatre, Week of Sept. 18th.

MUSICAL PROGRAM MAIN THEATRE FORT BENNING SUNDAY EVENING, SEPT. 18

A full orchestra of specially selected musicians will render one of the best musical programs ever presented before the inhabitants of Fort Benning on the occasion of the screening of the popular picture "BEAU GESTE." Special attention is being given to the overtrue preceding this picture. It will be French-African music incidental to the theme of the story. Considerable time is being devoted to rehearsals. Sergeant Ralph R. Wright, leader of the Main Theatre orchestra, states that over ninety cues are used in the synchronization of the music to the trend of the story. Capt. George L. King, Fort Benning's leading musical composer, has consented to conduct the orchestra on this occasion. It is confidentially expected that the music for this occasion will be of a character in keeping with the superb scenario.

29TH INF.

Hdqrs. Co., 2nd Bn.

Promotions are fast in this company and now Corporal Terry is carrying around three stripes, taking those that Sergeant Parris had who has been discharged this past week, via the purchase route. Private First Class Shaffer gets Terry's Corporals stripes. Shaffer has just left for Fort Monmouth, N. J., to take the ardio course at the Army Signal School, having been chosen to attend after passing 5th highest in the Army in the examination.

The following things of interest have happened during the past week in the company and some were real funny.

Cpl. Sanders trying to find a shade tree during a break at drill.

Pvt. Lay giving commands to his pets on his bed springs.

Sgt. Terry acting as guide during drill.

Sgt. Biggerstaff killing the whole company.

The whole company trying to get rid of the substitutes for French Cooties.

WM. B. SMITH.

Company "A"

Pvt. W. O. Johnson drew One Dollar last pay-day and has, since then, journeyed to town no less than eight times. We are from Missouri, Johnson, show us.

Pfc. Spl. 6th Cl. C. W. Foust has been promoted to Corporal since our last appearance in these columns. No more "K. P.'s" eh, Foust?

Company Barber E. Bush, is offering for sale a grade of hair tonic which he claims, will grow hair on a pool-ball. —Barber Bush is growing slightly bald on top of his head.

Pfc. Cl. E. C. Lee is taking a course in Structural Drafting. We are going to frame the First Dollar he earns as a Draftsman.

SNOOKS.

Company "B"

All records have been smashed! "B" Company has won the "Blue Pennant" five consecutive months. Why don't some company try to come up to our standard. It has been officially stated that we have the best company in the Regiment, and it is our intentions to remain so, but we like competition; come on fellow soldiers and snap.

Company "B" has been designated as the company for Inspection of Standards, and of course as usual it will be the best ever demonstrated by any company in the Regiment.

Don't think we are egotistical, but everyone should boost his organization.

We are glad to have Cpl. Clement with us again, after spending fifteen days in the "Jungles of Louisiana." You looked very thin and pale Cpl. what was the trouble, "Love sick," or hungry?

Football season will soon be here. Company "B" has several men looking for berths on the 1st Bn. eleven. Lookout 2nd Bn. the 1st Bn. will give you a run for your Championship this year. We have plenty of "Beef" and Speed too.

E Pluribus Unum.

Company "C"

Sgt. Henry Couture was discharged Saturday the 10th, and re-enlisted Sunday the 11th for three long years.

Corp. Henry Marin said that he has left us for good, he was discharged last Sunday. But there is an old saying 'they always come back for more.'

Recruits Lancaster and Grahl have ben made corporals and are now sporting their strips.

Recruits Robertson and Newman have decided to quit the fighting game because it is so hard on eyes.

JOHN L. BIGGERSTAFF.

Company "D"

At last, our re-enfrocements are arriving. Our third Platoon composed of men transferred from other companies and also some recruits are parked behind the orderly and supply rooms.

Some of the men sleeping in these tents have been heard to remark that it makes it easier for them to stand reveille, because when the gun is fired and they get up, the grass tickles the soles of their feet and makes them get right into their clothes.

Sgt. Lang, has been moaning over the fact that he has only received 8 challenges for our basketball team, out of the regiment. Let's have yours now, and make it unaminous.

Wonder why our newly created Sgt. "Barb" Weyer sleeps with a punching bag beneath his bunk and a pair of boxing gloves over his head. Someone after your stripes "Barb."

in England, but it is hard to believe that it was pulled any more gracefully by him that it was on a Friday about two weeks ago by our own Prince of Wales.

JACK CARMEN.

Company "E"

Sgt. Williams is drilling recruits these days and is making them step lively. Sgt. Karpinski and Corp. Miscar are his able assistants. Old grough Johnson the new acquired supply Sgt. seems to be all smiles since he had the third one added to his sleeve. We have five newly appointed Corps. this week, Miller, Moore, Perryman, Oikari and Furman. Corp. Oikari is making a fine record boxing. His last fight was a knockout. Some of the Bucks thinks Corp. Perryman has gone goofy over his two stripes, after wearing one so long he finally got two. He is going around talking to himself now. Just received a letter from Corp. Taylor, he said he was getting good wages and did not intend to Re-up. Corp. Felber is anxiously awaiting the result of his examination for commission. We hope he will get it Our Old Top Hi Davis is seen on the drill field every morning these days and he looks natural. Corp. Schiew took an oath that he was through with the army last week and after one week away wired into re-elist in the Co. We are glad to have the "Flutterbird" back. We lost a hard ball game Sunday P. M., Sept. 11 1927, 7-6 to Co. "F." Baron one of the second Bat. twirlers pitched a fine game against Co. "E." The boys made a fine showing against the stellar twirler.

I. M. Y.

Company "F"

This organization was the loser because of the discharge of Cpl. Cheslock, Pfc. Hays and Ross, who were discharged per ETS and decided to enaugerate a "Back to the Farm" movement. Cpl. Mays is on a three months furlough because he did not like to rustle his meals so took on again with the old gang. Pfc. Sp. 6th Cl. Shris. Christiansen, late of Copenhagen, has announced his determination to stay with us, but Sgt. Paul E. Marlin is Augusta-Bound. Sheriff Ludwig and Farmer Stevens are also on the "has been" list.

Company "F" had one put over on her, last "fight night", when two naughty fighters whom we had never even heard of were announced as being members of this fair organization. We have heard of fighters using a "None de Plume" (?), but this is the 1st time that there was a general rush to fight under the guidon of this organization.

O. W. NELSON.

COMPANY "G"

Pvt. Foster was made student bugler in the Co. and he asked the 1st Sgt. if he had to stay with the other enlisted men.

Pvt. Cooper is the Co. barber and he asked the 1st Sgt. to put his picture and name on the bulletin board so the recruits would know who he was. He says he knows his inch and a quarter hair cuts. Keep up the good work Cooper.

While Pvt. Collier was on K. P. the cook asked the K. P. if there was any ball players in the bunch. Pvt. Collier spoke up and told the cook he played on the battallion team and Carvula the cook told him to start catching flies.

Sgt. Brown was sick for a couple days and a recruit asked him what was the trouble. He said he had lumbago, the recruit replied he didn't think a Mess Sgt. could get that Act.

Cpl. Tate is back with the Co. telling the recruits all about soldering.

Cook Carvula was seen at the Regtl. Photographer's place in a white suit on and Sgt. Simpson asked him what he was doing down there and he told him he was to have his picture taken to put in the kitchen so the recruits could tell that he was a cook.

Pvt. Senjules has taken a furlough to no man's land and we hope to see him back in a scout plane soon.

Sgt. Swany; Wilson and Cpl. Blankenship has been playing checkers again and moved to Columbus, Ga.

Pvt. Lemay asked Sgt. Johnson how much pay a Pvt. 1st 4th Spl. drew a month. Keep up the good work Lemay.

Pvt. Walinski told the 1st Sgt. he wanted to go on the sick report but didn't have much to lose in a hurry. We hope to see him soon.

Recruit Conrad is in the boxing business and would take on some Bar-Tender for a round, lose or take all.

Pvt. Biggs and Blanenship went to the swimming pool. Biggs asked Blankenship if it would be alright to dive off the high board? And Blansenship told him it would be alright Biggs dove of on the Children's side, the next we knew Biggs was hollering for his tent rope and a tug O'War team to pull him out.

WAR SET.

1st Bn., Hdqrs. Co.

Pvt. Stepp goes to town to see his "she" and comes back in a kindly state of mind. We think that he was either hyponized or otherwise (Mostly otherwise.) In the McDuff fashion he challenges Joe Wright to a fistic duel. We guess that he meant to De Pratt him but Joe humbly declined declaring that he would rather use his fighting irons. Whereupon he withdraws his Signal Corps knife. (Said knife may also be used in the fray.

Pvt. English suggests that we stage a beauty contest. He must have an idea that he has a chance. We would like to tell him but we just haven't the heart. That is something 'even your best friend won't tell you." Pvt. Norton claims first place right away on the grounds that he is the greatest sleeping beauty in captivity. We believe that he and Black will run a close race.

Perkins, lately measured for three stripes, is frequently seen making tracks to the service club. A committee has been appointed and been instructed to act immediately. We advise "Cy" to keep away fro that restaurant.

Isbill, who has also recently put in for a yard of gaudy corporal stripes, stages a big comeback. "Izzy says," I've been waiting a long time to stick some of you soldiers on the trash can! He seems to get a big kick out of it.

Each week a bigger and better motto. This week; "Take now the easier path, for some day they may all be hard."

STILL HITTINK SAP.

Park at C. A. Morgan & Co. Open till 10 o'clock. Soft Drinks, Drugs and Cigars.

ADVANCE AMUSEMENT DATA

Beau Geste will be shown at Fort Benning on Sunday, September 18th at 25c for adults and 10c for children. We call attention to this fact in as much as the same picture will again be shown on Thursday, October 13th. When shown in October the prices will be 15c for adults and 10c for children. In the same manner other pictures of like magnitude—such as THE BIG PARADE and BEN HUR will be shown on subsequent dates at week-day prices. This is done to insure that everybody will have the opportunity of seeing the latest screen successes of the day; with a variety of dates and prices to suit both time and purse.

Her husband arrived home unexpectedly and——well, he picked the poor fellow up by the back of the neck and and growled at him, in the sort of voice that six-foot-five men usually have: "Whell, what have you got to say?"

Came the stuttered answer: "Ju-just by p-prayers."—Laughter.

Irate Papa—You couldn't keep my daughter in cigarettes.

Suitor—Maybe not always, sir, but I have been doing it for the last year.—Grinnell Malteaser.

COL. WAITE C. JOHNSON

President, Athletic Association

Colonel Waite C. Johnson, president of the Athletic Association, at Fort Benning, an expert in athletic matters, and in his own person an athlete of wide army repute, has been a leading factor in the upbuilding of athletics here.

Col. Johnson has made a wonderful record in army athletics, besides being numbered among the best tennis players the Army ever produced, he was appointed Chief Athletic Officer of the American Forces in France in December, 1919, before this time Col. Johnson was with the Intelligence Section G. H. Q., in which he had been Chief of the subsection charged with co-ordinating information concerning the enemy order of battle (G-2-A).

Colonel Wait C. Johnson, Infantry, U. S. A.

When Colonel Johnson became Chief Athletic Officer, he brought with him the conviction that something was needed to replace fighting as the stimulus for United organized effort.

Col. Johnson had informally mentioned his idea to a member of the training section of the Gen. Staff G-5, who in turn presented it to Brig. General H. B. Fiske, who was head of the training section.

General Fiske sent for Colonel Johnson and asked him to elaborate his plan, the great Inter Allied Games that were held at Pershing Staduim, Paris, France were the final results of this plan, it was held from June 22 to July 4th, 1919, Colonel Johnson was appointed Chairamn of the Games Committee, the meet was one of the greatest athletic events ever held, and as is always it was America first.

Besides holding the mens singles championship of the army for several years. Colonel Johnson paired with Jack Moon, won the doubles championship of the state of South Carolina, in the tournament held at Charleston this year, paired with Moon again at the Suthern Tournament held at Augusta, Ga., they were eliminated in the final play.

For neary an hour the salesman had been dilating on the marvels of the motor car he was trying to sell.

"And the price of the car is $750," the customer murmured thoughfully. "Does that include everything?"

Yes—oh, no, of course the lamps are an extra."

"Lamps, extra!" said the customer sharply. "But they are shown in the illustration."

"My dear sir, so is a very beautiful woman," said the salesman smoothly, "but we do not give a lady with every car!"—Laughter.

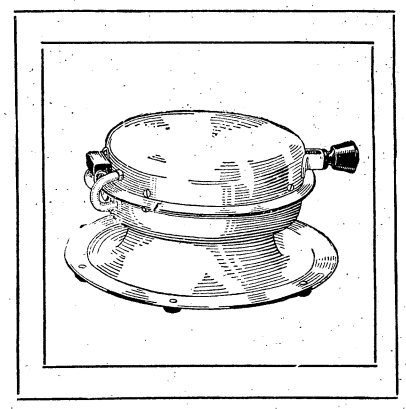
Electrical Appliances—
Speak Up-to-Dateness



THE use of electrical table appliances seems to add an atmosphere of up-to-dateness that is not attached to non-electrical appliances.

The beauty itself of an electrical percolator, waffle iron, or toaster sets off a luncheon table to perfection; but the thing that strikes the guest as unusual and distinctively modern is the ease with which the hostess does the serving.

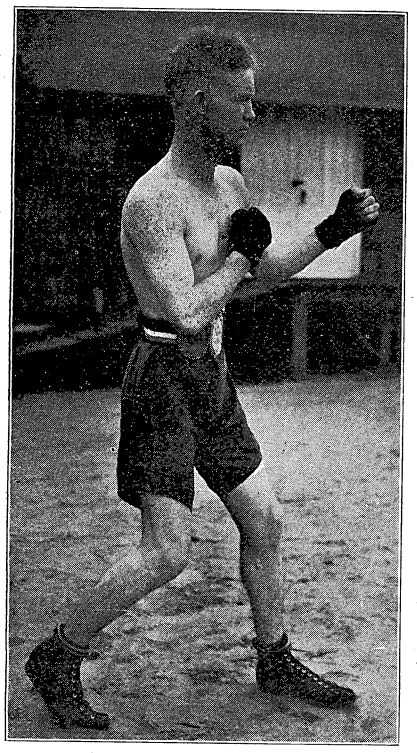
E. C. JONES, Assistant Sales Manager

R. M. HARDING, Manager

BOXING

By A. L. Durden

One year ago and boxing in Fort Benning was at the bottom of the ladder; today Fort Benning points to its fighters with pride, and they are fighters that any Garrison, Post, Station or Battleship would be proud of. And why such a change in one short year? The reason is simple when explained. When Captain Charles Mabbutt came to Fort Benning and said that he would build an Amateur Army boxing team here to represent the U. S. Army at the Olympic games that will be held in Amsterdam, Holland, next August, everyone smiled a knowing smile, and several advised him to send to other posts for fighters. Captain Mabbutt asked for volunteers, young fellows who wanted to learn, not old fighters that knew it all, and they came, little fellows, big fellows and all sizes. They were fighters but they wanted to learn. Come out to our next fight card and see these youngsters step. Out of this bunch of raw material who could hardly keep out of their own way, you now see youngsters go three rounds at top speed, shooting their punches with plenty of snap, hooking, jabbing, sidestepping like veterans, and these fellows like it, and visions of a trip to Holland and of actually taking part in the Olympic games are beginning to materialize.



"Red" Keenan, popular Fort Benning Bantam.

Among some of the most promising young fighters is Young Asher, Hq. 29th Inf. Asher weighs in at 126 pounds but from the way his last three opponents hit the canvas, he must pack about a 400 pound wallop.

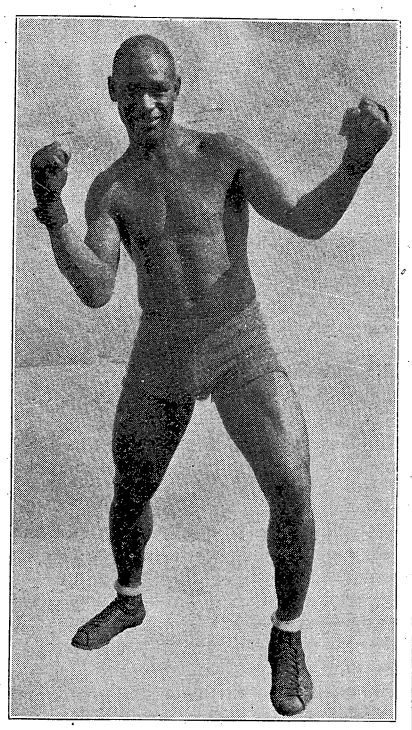
Jackie Phillips, light weight from the Inf. School Det., shows promise of being a second Battling Nelson, with his ability to take all the other fellow has, with a grin, but always winning his fight.

Cadenhead stock also has gone up considerably since his sensational one round Kao over Danny Davis.

There is not space to make remarks about the good points of every one of the fellows that deserve it, but if nothing happens when the Army boxing team sails for the Olympics, Fort Benning will be well represented.

Gunner De Pratt, 29th Infantry, leads the middleweight fighters in all three branches of the service, winning the title formerly held by Willie Ptomey, Camp Meade, Md., by a sensational ten second knock out over Ptomey in their first meeting, and winning over Ptomey in a return match by decision. De Pratt has every thing it takes to make a champion. He is one of the hardest hitting middleweights in the game today. He gave a great exhibition of gameness in his last fight with Ptomey, when after smashing the bones of his right hand in the fifth round, when he landed a hard punch to Ptomey's head, he stayed right in there with Ptomey and out fought him for the decision.

One of the gamest and most popular, as well as cleverest little fighters in the army today, is Red Keenan, Hq. 29th Infantry. After going into a slump last year Keenan has come back again, and the Redhead is better now than ever. To show that he wasn't fooling Keenan hung the Kao. on Mickey Kendricks, one of the fastest little fellows in the South. He was next matched with Jimmie Fountain, of Miami. Jimmie never heard the bell in the second round. Now comes Jimmie Wilde, Atlanta bantam, on the night of the twenty-second, Red Keenan will meet Mr. Wilde, and all of Fort Benning will be there to see him tamed.



Battling "J. D." Peakes, 24th Infantry

In the heavyweight class we have Battling J. D. Peakes, 24th Infantry. Peakes, since coming to Benning, has met three opponents, and the three opponents combined have lasted about two rounds. The Alabama Wildcat who had been a raging terror to aspiring heavyweights, lasted just one minute. Charley King, of the famous Walt Miller stables of Atlanta, lasted just one minute and thirty seconds. Then Miller sent King Solomon. He lost his crown in exactly two minutes, only it was a right to th stomach that uncrowned him, J. D. will meet either Bob Lawson or Tiger Flowers here in Oct., Peake is no upstart at the fight game, as he has a good record in civilian life, being credited with a Kao, over Tutt Jackson, Kid Norfolk, and the original King Solomon.

Bud Gorman welterweight from the Infantry School Det., has been going good this year, he has fought six times this year, getting three decisions and three being draws, Gorman broke the worlds record for knockdowns when he floored Weenie Sweeney thrity four times in ten rounds and Sweeney was still able to perculate at the final bell.

Gorman will meet Grady Martin in the semi-finals on the card here on the 22nd of Sept., owing to the poor showing these fighters made in their last meeting here, they are both going in this time looking for a Koa, and I wouldn't be surprised if this fight isn't be chuck full of action.

Captain Mabbutt speaks highly of the work being done by Lt. O'Neal, who is assistant boxing instructor, Captain Mabbutt is now at Tybee Beach helping to round the football team into shape, in the meantime Lt. O'Neal has kept things moving over at the Gymnasium in the afternoon.

"But lady," a marriage license clerk explained to a movie actress applicant, "the law compels me to record all previous marriages before I issue a license."

"Good Lord!" exclaimed her prospective husband, "and I've got a taxi waiting."

15TH TANKS

Company "A"

Well, we have at last finished the range season and we notice that the men are gradually getting back to the old "spirit" of soldiering again. We have already taken two Commandant's Orderlies for this week and some one is going to have to "stepout" to keep us from getting more. Private Sexton and Palmer were selected on Monday and Tuesday of this week. That is the stuff, men! Let's kee pthe good work going.

Sergeant Richard Uffalussey, who has been attached to this company, left Sunday night for Tybee Beach, Georgia to join the Army Foot-Ball Squad.

Corporal Leo G. Fountain has been selected to attend the Finance School, Washington, D. C. This school will last for four months and we wish Corporal Fountain the best of luck.

Private Gordy spent the week-end at his home, LaGrange, Georgia.

Corporal Leon J. Wright has been admitted to the Station Hospital. We hope to have him back with us soon.

Private Ernest A. Tomerlin has been appointed Private First Class.

Sergeant Dixon and Private Stone are now enjoying a five day furlough at Sergeant Dixon's home, Waycross, Georgia.

Corporal Benge has been granted a ninety day furlough for the purpose of visiting his home, Memphis, Tenn.

Private First Class Easter and Lubert have each been granted a sixty day furlough. They are visiting their homes, Simsboro, La., and Cymeria Mines, Pa., respectively.

The "Night Riders" report that their official chauffeur has returned, and that they have one new member, Sergeant Ray. Their Secretary and Treasurer has applied to have his name removed from the rolls of the club. He claims that the porblem of keeping money in the treasury is too much of a strain on him.

Corporal "Cue-Ball" Smith says that he wishes every day was a holiday, then, maybe he could catch up with his sleep.

Lieutenant Carlton, who was marked "quarters" came back to duty just in time to catch a Sunday Guard.

Company "B"

Our one and only "Scopes" has found it advisable to depart our company for a few days. Deep mystery covers the whole proceedings. A few weeks ago he was seen to purchase a ring. This month he invested in a suit, of a glorious muddy black color. Then a certain party borrowed it from the tailor shop and wore it to town. Great was the wrath of "Scopes". He informed the party of the second part, that he was intending to get married on the morrow in the same suit. The remarks of the 1st Sergeant on the subject, would not pass the censor.

(Continued Next Week.)

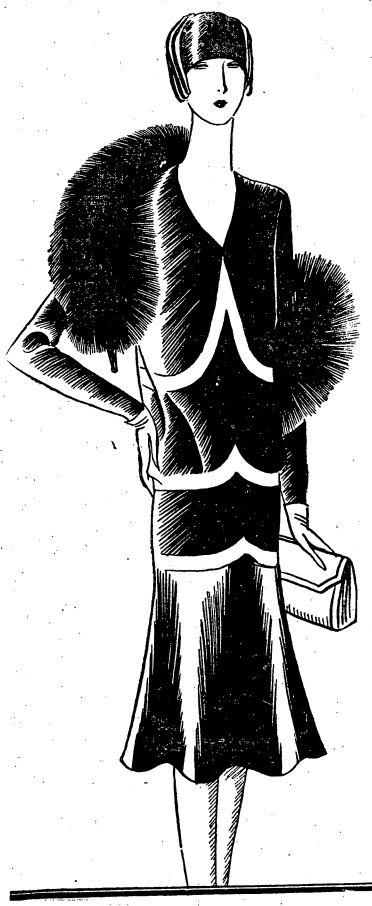
FIFTH ANNIVERSARY

May They Continue with Success in the Future



Always First with the New Fashions

Besides the pleasure of knowing that whatever clothes you choose here are bound to be smart and right and lovely, there is always the added pleasure of knowing that you will be the first to wear them. For we not only show every important model, as soon as Paris stamps it with the seal of her approval, but we are also the first to show them. By the time these models are available to others, you are already thinking of next season's wardrobe. Advanced, indeed! In all but price!

DRESSES $12.95 to $175.00

COATS $19.95 to $249.50

Hats in the Paris Manner

To view this all-revealing collection is to know all that is to be known of the new millinery mode. Here are hats of felt, velvet and soeil, embodying every newest gesture of the mode, every clever manipulation, every smart combination of fabrics, every new fancy. Helmet hats and skull caps. Hats with the lower crown and wider brim. Hats with the sloping side. Hats that are sleek and simple. Hats that are a bit dressy. All that is newest and most significant in the winter mode is here.

$5.00 to $15.00

"The Shop of Original Styles"

MAIN HOSPITAL FORT BENNING

The main hospital at Fort Benning was built in 1925 at a cost to the United States Government of two hundred and seventy-five thousand dollars. It has a capacity at the present time of one hundred and two beds, and it is contemplated to enlarge the hospital, at a cost of one hundred and eighty thousand dollars, to a capacity of a two hundred and two bed hospital. This will be done by the addition of two pavilion hospital buildings on either side of the present main hospital; the two new buildings will care for the isolation wards, nervous and mental wards, prisoner ward and the dental clinics.

While it may be known to the majority of Fort Benning personnel, it is interesting to note that the cost of treating patients, to the government, at the Main Hospital at Fort Benning is lower than the cost of hospitalization at most of the Army's General Hospitals. The cost of treating enlisted men including all expense to the Government; viz, pay of medical officers, enlisted men of the medical department and subsistance and all medical supplies has been brought down to the very low figure of four dollars and fifty-five cents per day (4.55). The cost of treating officers is five dollars and fift-five cents per day (5.55) and the cost of treating women is five dollars and eighty cents per day ($5.80) The increased cost for officers and women is due to the fact that Officers and Women must pay for their subsistance.

As a matter of comparison the cost of treatment for enlisted men at the Letterman General Hospital in San Francisco is quoted at five dollars and eighty cents per day ($5.80).

The following Officers of the Medical, Dental and Medical Administrative Corps are on duty, at the present time, at the Main Hospital here: Colonel Frank C. Baker, M. C. Commanding; Major Daniel P. Card, M. C.; Major Morrison C. Stayer, M. C.; Major Harry L. Dale, M. C.; Major George D. Chunn, M. C.; Major Benjamin Norris, M. C.; Major Edgar E. Hume, M. C.; Major Patrick F. McGuire, M. C.; Captain Myron P. Rudolph, M. C.; Captain Benjamin F. Fridge, M. C.; Captain Jarret M. Huddleston, M. C.; Captain Fred E. Hickman, M. C.; Captain Clarence C. Harvey, M. C.; Captain Adolph T. Gilhus, M. C.; Captain William R. L. Reinhardt, M. C.; Captain George P. McNeill, M. C.; Captain John M. Tamaraz, M. C.; Captain Barton W. Johnson, M. C.; 1st Lieutenant Loren D. Moore, M. C.; Major William A. Squires, D. C.; Captain Francis M. Tench, D. C.; Captain William E. Saulsey, D. C.; Captain Henry A. Winslow, D. C.; Captain Arthur E. Brown, M. A. C.; 1st Lieutenant Wade H. Johnson, M. A. C.; 2nd Lieutenant Douglas Hall, M. A. C.

The laboratory of the Main Hospital is the only one of its kind in the Army outside of a general hospital. The laboratory is under the direct supervision of Captain George P. McNeill, M. C. U. S. A. Tests of all kinds are made here as it is not necessary to send away to have any tests made, which are known to medical science.

During the past year there have only beeen five military deaths at the main hospital which in addition to being most fortunate and gratifying establishes a record for Army hospitals of this size.

Quartermaster Corps

Ye Olde Print Shoppe Gossippe

The Print Shop personnel, in one respect at least, is a good deal like a family of Sweeds where there are twelve or fourteen children. However much they may bicker and squabble amongst themselves they are none the less clannish and resent outside intrusion like the very devil. No doubt it is to this queer twist in human nature that we may attribute the animosety created by a certain little note in last weeks Barracks Banter. Does this fellow ad mean to imply that our leading crusader of the printing guild, M. Smith, could be anything other than the extreme personification of what the French call nonchalent!

Cpl. Harry Smith has returned to champion the cause of the job presses. During his thirty day furlough he saw service in that great American Army of Tourists. He has been campaigning with them up and down the east coast of Florida and Georgia.

Pfc. Goodrich, having successfully wearhered the storm as Stock Man, will be discharged tomorrow. He leaves for his home in Utah, land of the Open Spaces where Zane Grey gets much of his inspiration. Feature our soft-spoken playfellow toting a pair of mighty six-guns and going a Tom Mix astride a Salt Lake cayuse.

When we called attention to Bryds Art we did not suppose that he would abandon it because of the publicity it was creating.

Pvt. Amerante has been in the Station Hospital this last week. Touch luck, old man, but really, we did not think your new job would cause such a painful reaction.

Thanks to the return of Pvt. Phipps, we may again expect the old standard of efficiency in the bindery department.

Pvt. Bicknell is determined in his resolution to purchase an equity in the Reservation somewhere in the vicinity of Harpers Pond. He plans to turn it over to Phillips. He says that it is this pugnacious Diva must howell at the top of his voice he will provide a nice quiet, isolated spot where he will not be interrupted. Bicknell adds that he is sick of hearing "I'm Sitten on 8oppa Da Worl" bellowed to the tune of "Sweet Andoline."

BENNING ATHLETICS FOR 1927

Athletics in every branch of sport has found the Army colors out in front at Fort Benning during the present year, and the coming football season promises to be the crowning achievement of a year of triumphs.

The basketball team under Major John H. Van Vliet was one of the best ever developed here, although losing to Olson's Terrible Swedes, most of the College teams proved easy pickings for the Doughboys.

To pick the best players would simply be a toss up. Every man was a star at his position, but the teamwork of the team was wonderful, in fact it was the big factor in making an overwhelming majority of wins against a minor number of losses.

The members of the 1927 team were Major John H. Van Vliet, Lt. Johnny Roosma, Lt. Newman, Lt. Krammerer, Capt. Berry, Sgt. Kjelstrom, Sgt. Weenie Sweeney and Sgt. Franz. If nothing happens the same men will be back in uniform when the cage season gets under way this season.

Baseball Has Great Year

The Infantry School Baseball team also carried the Army colors out in front when they finished a schedule of twenty-one games played with some of the leading college and professional ball clubs in the country.

The Doughboys show twelve wins against nine defeats for the season, and when you figure the opponents they faced you will realize that they must have been playing headsup baseball. The Columbus Foxes won their game but the Doughboys came back and walloped the Albany Nuts 7-5 the following week. Michigan State dropped a three-game series to the Footsloggers. Rochester won a close decision 3 to 1. The Stormy Petrels from Oglethorpe won one and lost one. Notre Dame took two out of three, while the Clemson Tigers dropped two in a row to the Infantry. The strong University of Florida could only get an even break in two games, while the Doughboys made ducks out of the Georgia Freshmen and Howard College.

The 24th Infantry baseball team also had a big season, making a clean sweep of all outside opposition, winning from some of the leading colored college and professional teams in the country.

The Jacksonville Red Caps dropped three in a row to the Reds, while the Birmingham Black Barons, runners up in the pennant race in the colored National League, were forced to bow to the soldiers, losing two out of three of them on their home grounds in Birmingham.

The Intra-Mural league, composed of teams from different organizations gave the sport loving personnel of Benning an interesting and exciting season. Although getting away to a bad start the Class B League, composed of Company teams, wound up the last half of the season in one of the prettiest three cornered fights imaginable, the Seventh Engineers and Howitzer Companies nosing out the Service Company in the final rounds, the Howitzers winning the best two out of three from the Bridgebuilders to win the bunting.

The Class A teams played great ball all season and Benning fans were given some rare treats at different times, one game especially going twenty innings. There were several fifteen inning affairs.

The game between the 24th Infantry Blues and the 1st Battalion, 29th Infantry, was a record that will go down in Army baseball history a pitchers' battle that lasted twenty innings and both pitchers going all the way, the Blues finally putting over the winning run in the last half of the twentieth inning to win 3 to 2.

La Crosse

Although it is one of the oldest of American games, La Crosse is new to most of the Benning fans. The first of the past season saw the La Crosse games poorly attended, and it also saw the Doughboys getting the worst end of the score, but as the season progressed, the fellows began to get interested in this game of skull cracking, in the meantime the Doughboys were learning things they began to play La Crosse as it should be played. The finish of the season saw crowds of yelling Doughboys in the stands, and a team that was winning La Crosse games on the field. This season will find La Crosse among the first of Benning athletics, for everyone just saw enough of it last year to make them want to see lots more this season.

Tennis

The tennis courts at Benning are among the best to be found in the South, and due to the care of Sgt. Jimmie Donovan they are always in perfect condition.

With courts like these it is no wonder that tennis is one of the favorite pastimes here during the summer months, and that right here in Benning we have several of the Army's leading tennis stars.

The Garrison Tennis Tournament held here was a big success, the spectators witnessing some very close and hard fought matches.

Although cool weather will lay the racquets away for the present, it won't be long before the spring will be with us again, and from the way some of the young talent was wielding the racquet the past season, next year may find new faces at the head of the line.

Polo

Led by Major H. J. Smith the Doughboy Polo team more than held their own with opposing teams and furnished the polo fans of Fort Benning a brand of polo that was worth traveling miles to see.

In the Garrison Polo Tournament the Yellow Jacketed Freebooters, led by Major Smith, won the garrison championship. The final and deciding game of the tournament was a hard fought battle between the Freebooters and the Students.

With their only chance at the trophy depending upon their ability to defeat the Freebooters, the Students played desperately and forced the Freebooters to the limit, but the team led and coached by the doughty cavalry major proved its mettle by overcoming an early Student lead and winning out in the final chukker.

Competent observers declared it the best exhibition of mounted croquet ever staged at Fort Benning.

The Galloping Gunners from the 83rd Field Artillery won the consolation cup, defeating the Mounted Footsloggers in a fast and exciting game 6-4 for second honors.

The coming season promises to be even a greater year for the mallet wielders, as practically all of last year's players will still be here, while several new arrivals are said to be promising candidates for this year's team.

TUNNEY HOLDS HEAVYWEIGHT TITLE

EX-CHAMP NO MATCH FOR YOUTH AND SKILL OF TITLE HOLDER

Dempsey Floors Champion Twice But Fails to Put Over Winning Punch And Tunney Takes Decision On Points

Dempsey was first to enter the ring, climbing through the ropes at 9:55, as the crowd cheered rather weakly, taken by surprise.

Dempsey, apparently tuned to top notch pitch danced about the ring, nervously waiting the champion. He shook hands with several of the newspaper writers in the nearby seats, and spoke a word or two over the radio.

A rousing ovation greeted Tunney, when he climbed through the ropes at axactly ten o'clock. Dempsey immediately stopepd dancing in his corner to race across the ring and shake Gene's hand. The champion smiled a "hello Jack" and then turned to grin confidently at his friends. Dempsey came back to his corner and was greeted by his handler, Leo P. Flynn.

As Dempsey strippped off his white woolen robe and the sweater beneath the cord broke into a cheer. Gene remained in his bath robe of heavy blue silk, trimmed with red, while the gloves were placed on the fighter's hands. Both had been taped before entering the ring.

The referee was anounced as Dave Barry. The Judges were George Rytton and Sheldon Clark.

ROUND ONE

Dempsey missed a left lunge, falling into a clinch. Jack pitted in again with two left hooks to the ribs. In the clinch that followed he clocked Gene four times with a right on the back of the head. They sparred cautionously.

Gene snapped a left to Dempsey's chain and folowed with a straight right smash to the chin. Jack fell into a clinch, taking another right to the head as he came in. Jack dropped a left to Tunney's body.

Jack backed away, while the champion chased him across the ring with a volley of left and right hooks to the head, close to the ropes. Gene missed an overhand right as the bell sounded.

ROUND TWO

Dempsey was fighting cautionously, aparently seeking to avoid the disastrous first rounds at Philadelphia last fall. They came out boxing again and Gene shot a left and right to the chin. They were dancing, boxing high. Gene dropped an overhand right on Dempsey's jaw, after chasing him to a corner.

Another right missed and Dempsey smashed a left to the body and three lefts to the chin before Huney was little action as they sparred carefully in the center. Tunney's left was short, but Dempsey fell into a clinch.

Gene missed two more lefts, while Jack clipped two short left hooks to the body. As Dempsey lunged low, Tunney missed again but managed to catch himself as the round ended.

ROUND THREE

Again they boxed carefully, slowly in the center of the ring. Dempsey was apparently trying to tantalize Tunney into leading and making an open fight of it. Tunney sneaked over a pretty left jab, but took a half dozen raps in the back of the neck. Gene took the offensive, driving Dempsey into the ropes, where Jack tied him tight.

As they bobbed in the center, Tunney led and fell into Dempsey's straight right smash to the body. Gene held while Jack clouted both hands to the heart drove Tuney back. As they fiddled about Dempsey wove in close again to cuff the back to Tunney's neck with his right and left to the champion's ribs at the end of the round.

ROUND FOUR

Dempsey took the offensive but Tunney's right cracked on his chin. Gene's left found the same mark. Dempsey raped two lefts to the body. Gene complained that the blows were foul and fought Jack desperately as they fell against the ropes. Gene missed with a right and tok another left to the body. Jack was leading again now with short lefts to the body while Tunney counted just as lightly to the head.

Tunney, trying to nail Jack coming, missed with both hands, but saved himself by falling into a clinch. Two right smashes to the chin stung Dempsey. Gene lifted two more left hooks to the head and nailed Dempsey to the ropes. A right sent Dempsey reeling into his corner.

A left hook nearly floored Dempsey. As Dempsey lay against the ropes, stunned, Tunney missed with both hands and bell killed his opportunity.

ROUND FIVE

Dempsey's handlers worked furiously on him during the intermission, while

CHAMPS OF DIXIE INVITED TO PLAY INFANTRY IN DECEMBER

Lest Effort is Being Made To Bring Alabama Team Here on December 10th

If arrangements that are now underway are carried though, football fans will see the Bue Tide of Fort Benning, the greatest Army team ever developed, clash with the Crimson Tide of Ole Alabama, the team that has made history in Dixie football. A request by a Fort Benning representative for the use of Stadium on that date if Coach Wallace Wade's Southern gridion champs can be brought here, was Tuesday morning granted by City Manager Henry B. Crawford.

The past four weeks have been the Blue Tide bucking wind and waves at Tybee Beach rounding into form for the coming season, and from the reports that have been coming in, they will be ready for all tides storms and tornados, by the time the season opens.

Monday morning Major Van Fleet will return to Benning, where he will put on the finishing touches for the game with Milligan College at the Doughboy Stadium, Oct. 8.

High Point will be here for a game Oct. 21, New Berry, S. C., will mix and mingle with us on Oct. 29th, the Tide will pay the Florida University here on Nov. 5th, this will be the last home game for the season unless the game is arranged with Alabama. On Nov. 19th, the Tide will meet the Quantico Marines in Washington, for the President's Cup, and this is the time we are all longing for, because for the past three years the Leathernecks have emerged victorious over Army colors, but this year the Doughboysa re confident that the Tide will turn.

On Nov. 27, they will meet the Western Maryland College in Baltimore, Md. Dec. 11 the Blue Tide will face the Paris Island Marines at Shibe Park, in Philadelphia, returning home for the game with Alabama, Dec. 10, if it can be arranged.

Tunney's handlers yelled that the stimulants were unfair. Tunney missed a right and they fel linto a clinch. Jack fell in close, pounding to the body while Tunney, over anxious, missed again, Jacke backed away, falling into the ropes as Tunney took to the attack.

When Jack tied him up, they sparred out to the center of the ring. Dempsey bobbed out of three left pabs. He sent Tunney's head back with a straight left jab. A right high on the temple shook Dempsey badly. The champion backed away, however, content to jab and wait. In another clinch. Jack rapped again to the back of Tunney's neck. Gene dubbed two nice lefts into Dempsey's body at the bell.

ROUND SIX

They boxed carefully several rounds, before coming together for a flurry of body punches. The crowd bellowed as Dempsey's right hand smashed under Tunney's heart, but the champion came back ripping both hands to the chin. Dempsey, tiring, fell into a clinch after the blows.

Bobbing in with a stiff left, Dempsey turned the champion half way around with a right hook to the head. Tunney came bacg strong, but two more left hooks and a straight right stung the champion. Missing a long left, Jack took a right under the heara, as they fell again into a clinch as the bell sounded.

ROUND SEVEN

Dempsey's handlers pleaded with him to keep his chin down. As he came out bobbing, and weaving under Tunney's right Jack slipped a right to the ribs. A volley of right an dleft hooks to the head floored Tunney for the count of *nine.*

Dempsey was on him as a wild cat as Gene peddled backwards around the ring. Dempsey was in close with a smashing body attack. Wobbly and dazed, Tunney only could jump and flounder backwards. Dempsey cornered *him* at the ropes and smashed a left and right to the body.

Gene backed back weakly jabbing a left to the head. Dempsey laughed and urged Gene to come in and fight. Losing his temper smashed Tunney with lefts and rights to the head. Gene badly dazed grabbed Dempsey with both hands and still was holding fiercely at the bell.

ROUND EIGHT

Dempsey came out in a crouch. Apparantly somewhat recovered, Gene stabbed with his left and clinched. As Tunney backpeddled furiously, Dempsey made no effort to catch him, merely walking after him and taunting him to fight. Tunney did fight, whipping a left and right uppercut to Jack's chin. As they missed rights, Dempsey his left to the jaw.

In a clinch Jack again cuffed Tunney's head. A smashing left to the body drove Tunney back and a right to the heart made him grab Jack. As Dempsey dodged a right, he slipped to one knee for no count. Taking courage Tunney flew at Dempsey, pumping both hands to the head. Again Tunney nealed Jack with both hands to the chin and the former champion bounded to the ropes. They boxed cautiously. Both were tired, waiting for opening as the round ended.

ROUND NINE

Tunney's retreating tactics drew booes from the crowd between rounds. Jack grabbed the champion and smashed him half a dozen times on the bock of the neck. They both had slowed up from the fierce pace. Tunney, standing in the center of the ring, held Jack off for a few moments with three straight left jabs, but Jack bore right into close quarters. Coming in, Gene's right opened a cut over Dempsey's right eye. The champion went after the wound fiercely.

Snapping out both hands high to the head, Jack tried to bob, but two rights bounced off his jaw. Dempsey was wobbly as he cocked his right, but Gene ran away. The champion came back, however and knocked Jack again with swinging smashes to the head. Dempsey came to his corner a bit wobbly as the round ended.

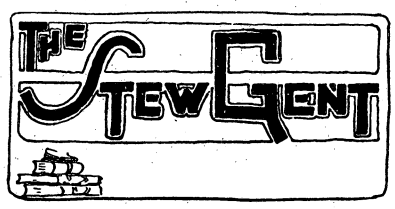
ROUND TEN

They shook hands in the center of the ring. Jack floored Tunney again with a left right to the chin. Gene was up before the timer could start counting. Jack's right smashed into Gene's head again and the water from Jack's hair splashed over the ring side writers. Jack waded in with both hands but Tunney held him up a clinch. They paused, and as Dempsey dropped his hands, Tunney whipped his right and left into Jack's face.

Gene came into the attack ripping both hands to the head, while Dempsey appeared to tire. Gene laid him to the ropes, but the champion's two handed attack was a bit wild. Dempsey dug several rights to the body.

Gene countered with a left. A badly staggered Dempsey wobbled about the ring as the bell ended the round. The former champion, still groggy, sparred dizzily after the gong.

Tunney won the decision.



THE DIARY OF ELMER OGLETHORPE STUDENT

Well, I'm here! For the last eight years regimental commanders took advantage of the school to get rid of a lot of duds they couldn't get before a board. They've been experimenting with these bozos long enough that they've got the school in excellent shape so that new commanding officers send only their best officers here. To get here you have to stand in well not only with your adjutant but with your executive officer and the commanding officer's family. Consequently only the cream of the Infantry gets here.

The opening exercises were interesting, as usual. General Collins, the commandant, gave us an interesting address. Mayor Dimon of Columbus, who appears to be a pretty good file as mayors go, told us all about this peppy little community and a few stories one of which was very fair. It was something about poultry. I don't remember what it was.

General Collins told us how Columbus citizens do everything possible to settle our problems. One of these is the rental situation which no longer is a problem but an ordeal, for the local professors are pastmasters at advising you how to invest every penny of your communtation allowance (plus).

The main topic of conversation for the first two weeks has been, "Did you get a nine or a twelve months' lease?" Being a bachelor I don't know what it's all about but it looks to me that those with a nine mnoth's contract have a slight edge.

The next day Col. Cocheau, assistant commandant, gave us a splendid outline of the course. Morale went sky high when he announced, "We are here to instruct you, not to trick you. There are no traps in this course." A few minutes later they marched us to the instruction area and the first thing we don't think that all members of the class have lost confidence entirely, I'm sure they'll all be on their toes henceforth. One front rank file fresh from an organized Rerserve detail, when handed the rifle of his rear file, turned around and said, "Keep it, I've got mine."

Some of these "non-coms" particularly the "corporals" ought to take hold of their men and stop them asking assignuating questions. Every class has a few of the loquatious species. They always come straight to the top, like a cork, and we are beginning to spot them. The next thing I expected to hear asked, is, "'How far is up?" We've already softened the sand in sandbags after it's gotten hard and we've got authority to keep the pouch flap open for rapid fire.

Discipline is being maintained at a high standard. No one but the instructors are permitted to drink between breaks. This proves that the instructors are well posted on Napoleon's maxims one of which states, "A soldier thrives on hadrships."

For some reason or other Volstead was not mentioned at the opening exercises. We hope it will be unnecessary. Most of us already have received private instructions from our commanding officers on this subject, and appreciate that liquor cannot be mixed with the mankilling combination of rifle marksmanship and old Sol well up over 104 in the shade and no water between breaks. So far we've had only three casualties in two days, one heat exhaustion, a broken back and one bowed tendon. If they ever ask for any recommendations, I've already got one good idea. That is to switch swimming instruction in Decem-

FORT BENNING, GEORGIA

THEATERS

SEPT. 23 TO SEPT. 30, INCL.

FRIDAY, SEPT. 23

"NOT FOR PUBLICATION," starring Ralph Ince in the story of a modern pioneer, at the zenith o fhis power, accomplishing a tremendous work, despite the heckling backwash of political intrigue and prejudice tearing at the roots of love inspired achievement. It is a westren mystery romance.

"Half A Hero."—Hamilton Comedy.

SATURDAY, SEPT. 24

"THE RAMBLING RANGER," starring Jack Hoxie in a comedy western, depicting a battle royal for a golr mine, a baby and a beautiful girl. The plot bristles with action.

"Love My Dog."—Our Gang Comedy.

SUNDAY, SEPT. 25

"DON JUAN," starring the famous

John Barrymore with Mary Astor in a magnificent production from the story suggested by Lloyd Byron's poem, "Don Juan." The story is of the days of the Borgias in Rome, when love, intrigue torture and barevry were manifest. The eternal lover, Don Juan, lived to maintain the supremacy of love in a world of sordid desires that stained the glory of passion. After his many adventures and duels in the historic environs of the old world, he concludes "Destroy women or they will destroy you." The story is gripping and thrilling as well as historic.

"Pathe News."

MONDAY, SEPT. 26

"PALS IN PARADISE," featuring John Bowers and Marguerite de La Motte a romantic story of a modern gold rush where rough miners go prospecting in flivvers instead of burros, a westen saloon with a real brass rail sells soft drinks, dancing girls wear Parisian gowns and crooks abund in fashionable garb. It is a novelty comedy romance western.

"Back To Mother."—Helen and Warren.

TUESDAY, SEPT. 27

"THE SECRET STUDIO," starring Olive Borden in a spendid characterization of thrill seeking girls of the day of the artist's colory of Greenwich village. Cabaret life and artists 'models feature in this gay story of would-be Bohemians.

"Crimson Flash No. 2."

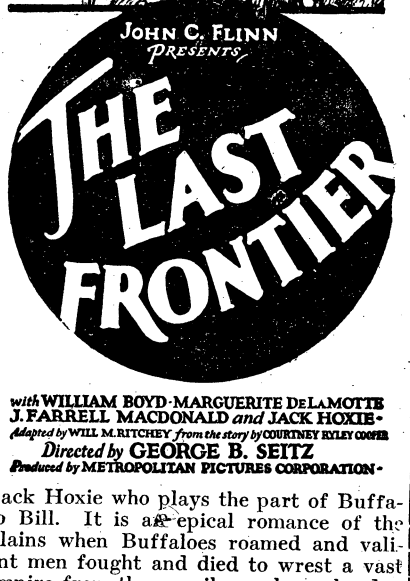
WEDNESDAY, SEPT. 28

"ARIZONA WHIRLWIND," featuring Bill Cody in a fast fighting western wherein Bill becomes the champion of the settlers who are being defrauded of the Blue Ridge gold mine by a gang of swindlers in league with the Mayor they plans to double cross.

"Wise Crackers No. 12."

THURSDAY, SEPT. 29

"THE LAST FRONTIER," starring



Jack Hoxie who plays the part of Buffalo Bill. It is an epical romance of the plains when Buffaloes roamed and valient men fought and died to wrest a vast empire from the merciless salvage hordes. A story of America in the making. William Boyd, Marguerite De La Motte and J. Farell MarcDonald feature in this picture.

"Pathe News."

FRIDAY, SEPT. 30

"RICH BUT HONEST," featuring Nancy Nash, Clifford Holland, Jr., Farrell MacDonald and Ted McNamara in a story of youth, love and laughter It is the romance of a girl who had to make her choice between a flivver and a Rolls Royce. It possesses excitement, suspense and an unexepected ending.

"Curses."—Tuxedo Comedy.

SOCIAL CALENDAR

Mrs. Edgar T. Collins and Miss Betty Collins have returned to Fort Benning after sepnding the summer traveling in the East.

* * *

COUNTRY CLUB DINNER DANCE SATURDAY EVENING

The regular dinner dance will take place at the Country Club, Saturday evening at eight o'clock, with dancing on the Terrace.

These dances have proved to be very popular during the hot summer months and as vacations are now over and so many of our travelers have returned they will doubtless be even more so.

Those desiring reservations will please phone the club before Saturday at noon.

* * *

Among the charming arrivals in the army set, are Major and Mrs. McCarthy, who with their children are occupying the home of Mrs. Evelyn Dimon Woodruff on Peacock avenue, Wynnton, during the Infantry School term.
at Fort Benning, where he is a student officer.

* * *

MAJOR AND MRS. McCAMPS RETURN TO FORT BENNING

Major and Mrs. McCamps are receiving a cordial welcome from their friends on their return to Benning.

Major McCamps is to be Post Exchange Officer at Fort Benning, relieving Col. Geddeon Williams.

The McCamps are at present making their home at the Ralston.

* * *

Major and Mrs. B. J. Hayes of Baltimore, Md., accompanied by their daughter, Miss Virginia Hayes, arrived at Fort Benning, Sept. 19. Mrs. Hayes will spend the winter with her son, Capt. W. M. Hutson of Fort Benning, Ga.

YOUNG SINGERS CONTEST IN COLUMBUS TONIGHT IN ATWATER-KENT AUDITION

Music lovers of Columbus are prepared to set the seal of their approval on the Atwater-Kent Audition and to give to the ambitious young singers their moral as well as their financial support by attending the preliminary audition at the High School auditorium tonight at eight o'clock.

Fourteen contestants who through the untiring efforts of Mrs. J. O. Methvin, general chairman are prepared to sing their best, will appear on the program tonight.

The entire audience will assist the judges in the selection of the winners by using the ballot which will be attached to each program. The judges are Dr. J. A. Thomas, chairman; Mr. T. Hicks Fort, Mr. F. V. Anderson, Mr. and Mrs. Julian Harris and Mr. F. G. Storey.

Interest Columbus citizens have offered prizes to the local winners, Mr. Columbus Roberts and Mr. J. W. Woodruff are each giving a ten dollar gold piece to the boy or girl winning first place and the Levy Morton Company is giving five dollars each to the boy and girl winning second place.

Latest entrants are Raleigh Jowers and William C. Glenn from West Point, Georgia.

The complete program follows:

When Hills of Memory Chime—(Test) Joseph McCook.

Asleep in the Deep—(Petri)—Garnet Shackleford.

The Penitent—(Van de Water)—Woodbridge Edmond.

Out in the Deep—(Smith)—Julian Dell.

Sunrise and You—(Penn)—Dimon Woodruff.

Blanchard and Booth Co.

Blanchard and Booth Co.

"Nearly a Century of Service"

29TH INF.

Hdqrs. Co., 2nd Bn.

This company pulled one full field Saturday past and only have two more this week Maybe we will know now soon.

Fayne C. Carnes, a former member of this company has been transferred back to us, from Company "E," and will be our company clerk, the position that he held prior to his last discharge. We don't have to worry about beating the Reds next year in baseball now that "Lefty" is back with us.

Checkers has seem to taken the place of all other sports in the company and an extra supply of boards have been ordered.

The following things of interest have happened in the company during the past week.

Sgt. Stragand telling the boys who is going to win the baseball championship in the big leageu this year.

Watching teh company horseshoe champions do their stuff, who happen to be Cpl. Smith and Pvt. Bailey.

WM. B. SMITH.

Company "A"

The third platoon having finished with the highest scre on the rifle range heartily enjoyed a chicken dinner on last Thursday night, and the fact that the rest of the company had to eat beans did not seem to detract from their enjoyment.

Corp. Selby Freeman who was discharged per ETS decided, after a long look at his bunk, that he would try another three years.

Sgt. Fugate spent several days in the hospital, no doubt suffering from sleeping sickness.

POWELL.

Company "B"

In a recent Pinochle game a certain sergeant was heard make the remark, "If I had one more Jack of Diamonds I would have all the Spades in the deck." We don't get the meaining very clearly sergeant, what did you mean?

The compant turned out for athletics Monday, several were trying their speed on the track, jumping, and various other events; starting early for the Regimenal Field meet.

It's going, going, what? Sgt. Stark's hair.

A cruise of the world was started Saturday by a party of men in this company. They heard that their names had been admitted for transfer, then they stared; first to China, then Panama, Philippine Islands, and Hawaii, and now they are back to Fort Benning, wondering where the yare going.

Wonder who the "Young Lady" is who called Cpl.?.....on the telephone before Reveille and ask if he had drawn any Canteen Checks.

BOWLEY.

Company "C"

Company "C" will attend the show at the 29th Infantry Theatre on Wednesday night. Even the Top Kick and Recruit Robertson, W. J. will attend, in order to get a bottle of pop and a bag of gubers and incidentally get an eye full of the adies.

Recruit Lancaster has taken over the company mess vice Sergeant McKnight, married and on furlough.

Recruits Epps, Benoit and Holcombe have been assigned to the company.

Private Winters has returned from his vacation and reports having a good time.

Our Musketry Section is very busy these days and is giving a good account of itself.

Private McDaniels is overhauling his car with a view to making a racer of it. The first speed test will be to the salvage heap.

JOHN L.BIGGERSTAFF.

Company "D"

Our Wonderful Mess Sergeant Horace J. Vines, who has just been discharged per expiration of Service, has decided to take on another stack. He has a 3 day pass before starting on his new 3 years. Gee that's a long time "but" its just 3 more years of good eats for "D" Company. Sgt. Vines is one of the best, if not the very best, Mess Sergeant on the post.

Our former middleweight champion, Harry Lason, has just re-enlisted for the 6th Infantry at Jefferson Barracks, Missouri. We are sure that he will always be a credit to the 29th Inantry, no mater what organization he may join.

It seems that we have quite a few aspirants for football honors, but none has shown himself as zealous as Cpl. Carpenter, who tried to drop-kick a goal through the basket on our basket-ball court.

Privates Papke, and Willworth who have just been discharged decided to try civilian life for a while. Good luck is

Entered as second class mail matter, April 12, 1924, at the post office at Fort Benning, Ga., under the act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in section 1103, act of October 3, 1917, authorized August 27, 1924.

THE ARMY TEAM

With the coming of brisk fall weather and also a football season which promises to be the most successful in the history of the Infantry School, there is every reason why the enlisted and commissioned personnel of Fort Benning should look with interest on the Post life of this world's most important Garrison. The Army team which is now in training at Tybee Beach is probably the best that has ever been assembled by the Army as an Army. The President of the United States has specified that during the football contest between the either the Army or the Navy or the Marines Corps that not more than one officer of either branch should be permited to play. This has made it purely an athletic event for the enlisted personnel of the three branches.

The United States Marines have in the past done exceptionally well with their football teams and they are to be congratulated as to their success However, we of the Army feel that this year we have had a superior team and a team that will prove themselves masters of anything that the Marines or anyone else has in store.

The Chief of Staff of the Army is directly behind the Army team and while General Sumerall has made no outward expression it is felt throughout the regular establishment that the nineteen twenty-seven game will be played on a positively even basis.

Major Van Fleet is undoubtedly one of the Army's very best coaches and from all reports he has won the confidence of the men of his squad and is accomplishing wonders with the material that he has at hand.

Especially at Fort Benning army men are very busy and the official duties of both enlisted men and officers are for the most part of the time very trying and important. The Marines are good and they are to be admired for their performance of official duty and their brand of Football; never-theless this year, in football, it is our prediction that the Army is superior.

He—How did you happen to meet with the accident?

She—It wasn't an acident—a mad dog bit me.

He—Well, don't you call that an accident?

She—Of course, not; he did it on purpose!—Oh, Lady!

29TH INFANTRY NOTES

(Continued from page 5.)

extended them from the entire company.

"Say by the Way" wonder who did "squads left" when the command was "column left" during the parade Monday.

Till we meet again.

JACK CARMEN.

Company "E"

One of the old timers of Co. "E" transferred back to the Co. this week, Sgt. Jakey Halpern. He has been at Fort McPherson, Georgia. We are glad to have him back with us. Corp. Bache, McDonald and Private Durrent who are attending the West Point Coaching School here are leaving for Fort McPherson this week. We hope they pass the examinations for West Point.

Every one is looking forward to the move into the new barracks. Although some of the boys have slept in tents so long it will be hard for them to get accustomed to buildings again.

Pvt. Regan is now spending a well earned three months furough with his sweetie in Columbus, Georgia. We all wish him lots of happiness while on furlough.

We deeply regret that our old friend Dog McGuire was unavoidably absent during the recent swimming meet. He is an all around fancy diver and if he had been in the meet Co. "E," would have walked away with the trophy. We know however, that with Corp. Joe Felber coaching him he will win all events next year.

I. M. Y.

1st Pvt.—So the 83rd F. A. boys think that thte doughboys have the 29th tents fixed up pretty nifty, do they?

2nd Pvt.—Yeah, but they had better not forget to have their heavy Artillery ready at all times, for when they see these Bedbugs crossing the street from one company to another they will think it's German Tanks.

H. L. KUHU,
G. E. COTTLE.

Company "F"

We sure got a surprise when who should we see in the company street but Andy Cheslock, whom we had bid a tearful goodbye a few days back. He was not satisfied with civil life so hied himself to the Recruiting Officer at Pittsburgh, Pa., and signed on agin, then mounted himself on the trusty motor bike and without delay hurried back to the fold. He is welcome as all good sldiers are.

Our company football team sure will cean up if tht amount of energy expended every afternoon is any indication of the future.

Corporal Hicks has returned from his sojourn in Tennessee. He is looking well and has that "Million Dollar smile," which spread from ear to ear when he was informed that his record of 95 per cent. with the Pistol has not been touched.

O. W. NELSON.

Company "H"

The drill season has started in earnest. It seems that we have not forgotten how to do close order drill since the beginning of the range season. Yet there is room for a lot of improvement. Come on men, lets show them what we can do. We have lead the way before, and I am sure that we are able to do it again.

Quite a number of Recruits have been turned to duty as Privates. We are glad to see these boys come through with the goods. With the addition of these men for duty, it will be possible for us to have another platoon available for drill. Then, too, we will have quite a few more for these wonderful guards.

One of the most delightful sights of the day may be observed each day down about the center of the Company street. Just to see Sergeant James Quillian Carroll hold Retreat, is interesting, as well as enjoyable, to those who have known him for some time. When he has to take Retreat, it is a certain fact that he will be there for the formation.

"Gunner" De Pratt is still nursing that right hand of his that he broke in his last fight with Ptomey. We are looking forward to the time that will bring these two fighters together with quite a bit of interest. We down this way feel that the next time they meet, that Ptomey will have to have a mighty hard constitution to be able to stand up under the jolts of the "Gunner" with that right in good shape. Just look what a hard time he had of the other set-to, with just the left piston working.

I expect that it would be a real good idea for some of the coming young fighters around the Post to keep a good watch on Colombo and Pieters. They are both hard fighting, hard hitting, and winning fighters. Just you watch their smoke. Some day they will be fighting better and more promienent boys.

Some of the new men of the Company are making a real good showing. We hope that they will keep this up, for with men like that we may feel sure that the same old "H" Company Spirit will continue. Just try to keep up the pep men, and we wil try to do the rest.

One day last week, Sergeant Thorn was drilling the Company. Sergeant Robert E. (Bob) Harkey was commanding the First Platoon. The following is what happened on one occasion:

Sgt. Thorn: (quite snappily)—Column Left——

Sgt. Harkey: (quite sleepily)—I hear yer, Sarge.

BERNARD W. SWAYZE.

COMPANY "H"

Sergeant James Quillian Carroll is now planning what he will do with the extra money that has been thrown his way. Sergeant Carroll is known the Regiment throughout as "Rags", the ragedest man in amp." Carroll is a well deserving man, and we are all glad to see him get his promotion. He served over two years in Germany with the Army of Occupation along with Corporal Shrimp Vinent, who received his discharge the same date that Carroll was made Sergeant. Vincent also knows a good outfit when he sees it, and has decided to re-enlist for another three years.

Our egregious First Sergeant has departed from us tonight for regionsunknown. It is suspected that he is going down to Columbus, Georgia to partake of a bountiful repast, as the following conversation was overheard between him and our prize K. P., Pvt. Killian:

Sergeant Carine—"You're going on kitchen police, soldier."

Private Killian—"Can I go on the detective squad?"

Sarge—"Whaddaya expect to do—find out who smothered the steak in onions?"

Killian—"No, discover who's responsible for the crime they call dinner!"

—JUDGE.

Sergeant Craine wore the most obnoxious pair of red sox that has ever been in camp. (Pardon the spelling, but they were that kind, Joe Gillman Special.)

BERNARD W. SWAYZE.

Hdqrs. Co.

It has been several moons since this company has been on the air, due to the fact that our scribe is away training for the Infantry School Football Team. We have been unsuccessful so far in finding some one else with literary talent. For fear that the subsribers will start howling for their money back, the undersigned has decided to warm up the old office typewriter and take a few digs at the world in general.

The company tailor is trying to persuade the men that it is time for them to discard the old straw lid and purchase a fall hat. However, he still clings to his old panama.

—MOURING.

CHAPELS

CATHOLIC SERVICES

Chaplin Tomas L. McKenna, U. S. Army.

ARMY-NAVY GAME

A movement to have a special train carry officers, their wives and friends from Ft. Benning to New York to attend the Army-Navy football game on Saturday after Thanksgiving has been started. Preliminary information obtained by officers sponsoring the move indicate that an excursion rate of slightly over one and one-fourth the normal fare is obtainable for the trip provided the minimum number of 125 passengers can be obtained. The round trip fare for an upper berth reservation will amount to about $60 and for a lower below $65, meals not included.

The movement is being sponsored by Major Joseph J. O'Hare of the Advanced class former Army player and later coach; Captain S. L. Dunlop, athletic officer; Captain Joseph W. Bollenbeck of Company "B" and First Lt. Philip A. Payne of Company "C" who are prepared to give information on the subject to interested officers.

Tentative plans call for the departure of the special train early Wednesday afternoon and its arrival in New York the following afternoon, departing from New York during the midnight following the game and arriving at Ft. Benning early Monday morning in time to attend classes on schedule.

On account of the difficulty of getting tickets to the game Major O'Hare recommends that ofifcers who are not members of the West Point Atheltic Association send in their reservations accompanied by check for $3.50 for each seat without delay to the Athletic Officer of the Military Academy at West Point. Prospects of obtaining tickets are considered fair if submitted at once. Definite information on the reservation should be possible by early November.

Should the special train be *possible*, the price of meals will be kept at a reasonable figure and will be served table d'hotel, no meal to cost over $1.

I. S. D. NOTES

Corporal Henry Schnell is back with us again after enjoying a trip to his home up in Mass., Henry made the trip up by auto, and he has talked quite a bit about what a wonderful time he had, but he doesn't say much about the trip back, except that he was three weeks getting back.

Pvt. Paul Duke Janiorogoly expert at the Fort Benning schol wants to know where to get some sixth class specialists cheverons.

Seaborn Calhoun is now attached to the Infantry News, Seaby has the makings of a great newspaper man (but so's yer aunt Tillie.)

Mr. Sgt. Stratton, better known as Wild Bill in his football days, will be seen in the I. S. D. line up, when the football season opens.

Sgt. Johnson reports plenty of ducks on Chrismus lake this season.

Pvt. Lonnie Crawford will spend the Xmas with his brother-in-law in sunny Italy. The entire Detachment wishes him a merry Xmas while among his "Spaghetti" friends of the sunny land.

Once there were three sons who all had the same father. The Old Man had been suffering or a long time from the Seven Year Locust so One Fine Day he Called his Three Sons together and Lined Them up Around His Bed. He Coughed Once or Maybe Twice and then Said:

"My Boys, I'm going to a Happier Land in a Few Minutes but before I Depart I'm going to Divide My Pile among You." So Saying he Took a Bag of Chekels from under the Pillow and Dished them out to the Sons, who were already Contemplating how They might Murder each Other.

"And now, Frank," said the Old Topper, "What are You going to Do with your Wad?" Frank blushed happily and Said: "I'm going to buy a Little Grocery Store and Settle Down." The Old Man Kissed Frank on the Cheek, saying: "It's better to be a Ukulele in a Duet than a Saxaphone in a thirty-piece Orchestra."

"What are you going to Do with Yours, Emil?" the Topper asked the Middle Size Son. "I'm going to get Drunk," sighed Emil. Papa Frowned for a Second but he Said he Guessed it was Alright."

"And now, what about you. Aloysius?" Aloysius trembled. "I'm going to College!"

"Come with Me," Said the Old Man, And he Shot Aloysius.—Missouri Outlaw.

"Is she pretty? Say, boy, she's so good looking that she can walk down University Avenue at noon and not a single fellow will know the color of her stockings."—U. of S. California Wampus.

15TH TANKS

ORGANIZATION DAY

Company "B" celebrated Organization Day in a manner that impressed everyone with the purpose of the occasion. The day started out with a Battalion Track Meet which was won by "B" Company. The company scored almost as many points as all the other three Companies put together. Great credit is due to the men who went out, without any preliminary training, and put all they had into the meet for the company. Sanders was high man. Adams gave us a thrill by taking first place in the pole vault. His form was perfect. Lack of space prevents the mention of all the stars by name. After the track meet the company was assembled in the mess hall for the Organization Day Ceremonies. In addition to a dinner which would do credit to the Ritz Carlton; each table had a cake with the Tank Insigna in colors; even the Ice Cream was in the Tank colors, and the entire company was quickly seated by the means of place cards. The company Officers and their guests, were guests of the company for dinner. Before the meal began, the Company Commander read a brief history of the Tank Corps and the 15th Tank Battalion. A few words were spoken on the purpose of Organization Day. A Birth Day cake bearing the Tank Corps Insigna, with nine candles on it, was presented to the Company. After the candles had been blown out, the meal began. There was plenty for all, and it was good! During the meal music was rendered by Teddy Taylor on the Orthphonic Victrola. Great credit is due to "Tiger" for putting over such a successful dinner. The entire ompany take their hats off to "Tiger." It is sincerely believed that every man appreciated the spirit of Organization Day, and that such a day will do a lot toward increasing our spirit and morale in the future.

Corporal Braswell and our eminent scribe "Joe" Shannon have departed on their annual vacation. This is "Tienys" opportunity to get even with Shannon.

We notice a certain Corporal taking flowers and fruit to the hospital every day. Now this looks suspicious as we have only Sergeant Short and Childress there.

Great happenings these days. The famous firm of Golmore and Codjo has been disolved. No hard feelings but both seem greatly relieved by the others absence. Friend Gamage is taking a furlough soon, but, we expect there is a lady in the case.

Our oroginal "Diz Hardie" has returned to the Company with a new stock of tooth-brushes. Any one wishing any tooth-brushes se "Diz" and Troop Company.

We have "Old Smocky Joe" back with us again. Some one has beateen him on the draw in the Military Police Company.

We welcome Rogers back to the company again. He reports all is well. We think he got by O. K.

Our day room orderly visited the bright lights for the week-end and saw some street cars.. When he came back he said that he never knew they run box cars with fishing poles before.

Abies Irish Rose and Harold Lloyd, paid a visit during the week to Columbus. Harold had on his sea going truosers, but he has lost his deep sea roll. He resembles a ground swell more than any thing else. Abie came back sick. Now we wonder if he was sick or just sick of the sea.

Hedgecock put to sea for 15 days. More or less of a shake down run. He had a full crew when he put off. Last report from his was that he was headed due North, barometer falling. He expects to make port before heavy weather overhauls him.

Troop is figuring on going to the 83rd Field Artillery. Troop is a very good horseman. He was raised in Oklahoma and has been a cow puncher. He rode a very large range, between New York and England, in a cattle boat. When the cattle would lay down; Troop had a lng stick with which he punched them; to make them get up again.

Bachelder is a short timer. We always knew he never was very long. Never mind Bach' good stuff comes in small packages. So does T. N. T!

Toney Oliva was rated a Private Specialist Sixth Class last week. The three dollars the Government is putting on Toney is a very good investment. Go to it Toney, every knock is a boost.

Ruble Stewart is not yet hungry. He has not yet reported in for something to eat. The gates are ajar for him, whenever he cares to enter.

Fennell wanted to know the other day if they had Jersey cows at London Dairy. Some one told him that they kept buttermilks cows at London Dairy. Will some one kindly tell him what a butter-milk cow is.

Two young members of the company are attending the school for West Point. Namely Privates Miller and Smith. Both of these lads are very likely looking young men. More power to them.

Tiger says that he always thought that concrete brick work was an Irishman's specialty, but Cohen changed his mind.

Provate Fields, since coming back to the company, is back in the old ktchen again. He says (according to the dope) that when he is discharged he will start a Cafe.

Linthicum, our kitchen giant says, now that "Runt" has all his teeth back, he feels easier, for Angel was liable to drop a piece of Cohens Concrete in ye old soup. (Result one dead cook.)

Reed claims the long distance walking championship. He don't think Tiger is a cinch to follow around the mess hall, just before meals.

The young ladies of Manchester must have kept our boy G. M. Johnson up too late last Sunday night, fr he seemed pretty drowsy Monday.

It seems that Glymph, our handsome heartbreaker, won a bet. Bryan claimed he couldn't make one of those funny omelets. (Name not in the dictionary nor among Historic Army Manuals) So Jawn went right out and did his stuff and "Oh my how we wish there were more." He (Jawn) left the mess hall and hid behind the cola bin. Every once in awhile a K. P. took him the results as the men ate.

Privates McCollum and Poisso have been exchanging personal affairs. McCollum is now Poissoing and Poisso is taking care of the young ladies of Columbus.

We wonder who will take care of Private Lucus in his night-mares when Poisso is gone, for he seems to be the only one who can control him.

Ezra bid the boys good bye the other

Why Is a Mutual Building and Loan Association an Ideal Investment?

First—**Safety,** money loaned on first mortgages and association under state supervision.

Second—**Availability.** Your savings on a pass book subject to withdrawal any time.

Third — **Earning Power** — greatest with safety, as quoted in magazine of Wall street.

Fourth — **Taxation** — Being a mutual company it is tax free.

night to visit his young lady friend of Columbus, but when he arrived at her home, he found his friend "Chipps" Crum's hat hanging where his hat used to be.

We are indeed proud of "B" Company's swimming marvels. They put all they had in it for the Battalion. We haven't room to mention more about the meet for it will appear else where in this paper. The company Commander and all of the Company Officers wish to commend each man on their splendid performance. It showed a Spirit we are all proud of.

Don't forget the Battalion inspection and review on the 24th of September. Only one more week. Let's push it over big.

Company "C"

Captain Holmes is on leave for five days visiting Savannah, Georgia. During the absence of Captain Holmes Lieutenant John A. Rodgers is temporarily in command of the company.

The following named enlisted men of "C" Company were picked as orderlies for the Battalion Commander during the month of August. Garnes, Cofer, Campbell, Boudreaux twice, Chol twice, and Taberling twice. That's the spirit boys. The other members of the company are taking a great interest in our orderly buckers and they all get together to help the other fellow make orderly. Nine out of 31 was "C" Company's share.

We wonder who registered at the Springler Hotel last payday as K. George. Was it "King George." Carpenter?

The kitchen and mess hall of this company were rated 1st place in the Battlaion last month. They also tied for third place in the Post. This was due to the excellent work of Corporal Cassidy, the cooks, and last but not least the K. P.'s.

Corporal Lewis C. Goddard and Pfc. George Winthers have been granted passes for three days to visit Griffin, Georgia. We wish them a fine time.

Pfc. Z. T. Dunman, one of our mechnics, has been granted thirty days sick leave. Private Dunman recently underwent an operation for appendicitis. We all hope to see "Zack" back on duty with the company soon.

Pfc. Charles G. Willis, who has been on Detached Service with the M. P. Company for the past five months, has been relieved and is now doing duty with the company.

First Lieutenant Doty has left the company to take a course at the Infantry School during the coming term of 1927-28. The best wishes of all members of the company go with him.

Pfc. June, our dining room rderely, has been rated specialist 5th class. Privates Ard, Chol, Nourse, Owens, and Tash were rated specialist 6th class.

Private Davidson has returned to duty from the station hospital where he has been under treatment for mumps.

Private Morgan has returned from thirty days sick leave. He says he feels fit for duty every day now.

Private Etherson has been returned to duty from the Military Police. We are glad to see him back with the company.

Privates A. C. and B. B. Thornton, Peacock, and Walkush, have joined the company after spending two weeks in quarantine at the Recruit Center. They are all fine looking lads and we think they will be a credit to "C" Company. We al join in giving them a hearty welcome.

Much credit is due Lieutenant Dunn for this excellent swimming team. Lieutenant Dunn finished the job and the Tank Battalion is proud of the team. Looking back to just a year ago the Tanks defeated the 29th as a team. Monday we scored 32 as against 31 scored by the 29th.

Corporal Mattson returned [illegible] dele with his ja[illegible]

29TH INFANTRY COMPANY VISITS AFRICAN WILDS

Headquarters Company 2nd Battalion, 29th Infantry, donned in diplomatic raiment, spent two and one half hours among the treacherous Arabs of the Saharah Desert. This was on the occasion of the screening of the far famed moving picture "Beau Geste". Forty-nine members of this "war team" met in front of Fort Benning's Main Theatre, at 7:00 P. M., Sunday evening, Sept. 18. Filed in through the south entrance and passing the exchange counter refreshed their appetities with sweets, smokes and drinks; their gastromic hunger appeased they moved enmasse to a block of seats in the theatre which had been reserved for the occasion—here they feasted their eyes upon the activties of the silver screen and their ears welcomed the harmonious strains rendered by the classical Main Theatre Orchestra. It was an enjoyable evening.

NEW EXECUTIVE AND ADJUTANT

Recently the regimental staff was changed due to the transfer of Lieut. Col. J. M. Walling, executive officer and Captain A. L. Humblin, adjutant to O. R. C. duty at Toledo, Ohio and student Infantry School, respectively. With this transfer Major Charles E. Coates became the executive officer and Charles I. Steel, adjutant.

Major C. E. Coates

Major Coates is a graduate of the Field Officers' Course, Infantry School and the Command and Staff School, Ft. Leavenworth and is now on the general staff eligible list. His first expreience with things military was as a student at the Pennsylvania Military College, from which he graduated in 1908, and soon thereafter was commissioned a second lieutenant in the regular service and assigned to duty with the 27th Infantry in which organization he served for some time in Cuba. In 1925 he was transferred to the 7th Infantry and in 1917 was detailed to the Signal Corps in which branch he served throughout the World War with rank of Major. He was relieved from duty in that branch in 1919 and served with Overseas Replacement Depot at Camp Meade which duty took him to the Army of Occupation in Germany for some months. Major Coates was later assigned to duty with the 10th Infantry and served with the 65th Infantry in Porto Rico from 1925 to 1926.

Captain C. I. Steel

Captain Steel served with the Maryland National Guard on the border in 1916 and while on this service was commissioned as second lieutenant, regular army and assigned to the 35th Infantry at Nogales in which organization he served until August 1918 when assigned to duty with the 18th Division. He was assigned to duty with R. O. T. C., in 1919 and organized a unit at St. Charles Military School, Grand Coteau, La. He remained with this school until 1922 when he was detailed to Castle Heights Military Academy, Tennessee. The next year he was relieved from this duty and ordered to duty with the 14th Infantry in Panama where he served until October 1926 when assigned to the 24th Infantry.

Mess No. 4 Holds Smoker

One of the most enjoyable occasions within the regiment for several weeks was the smoker and dinner held by Campanies "E" and "F" in Mess No. 4 last Thursday evening. All the families of married men of the mess were guests and an excelent feed was prepared by Corporal Rogers, mess sergeant assisted by Sgt. Harris, of Company "F." Musci was furnished by the regimental orchestra. All report a fine time.

Baseball Team Plays Series

The 24th Infantry baseball squad which left last week for Nashville to play a series of games with the Nashville Giants. Capt. M. E. Craig is in charge of the team while on this trip. Telegraphic reports indicate that the series thus far have given the fans some good exhibitions of the national game. Five games were played in Nashville, the doughboys winning two of the five. The first game was played on Sept. 17th and lost 5 t... pitching. Other games: ... to 2, Trammel; lost 2 to ... lost 5 to 4, Leonard; w... Vance.

The team is due back M... playing a series with the ... in Chattanooga.

Officers Return From ...

Captain R. M. Winfield ... from leave last Tuesday ... command of Company "E." ... A. C. Daughtry who has be... for the past two months rep...

regiment for duty last Monday. He is a graduate of the Infantry School, 1927.

Captains Paul Steele and Ray Hall and Lieutenant R. C. Sanders, are due back next Wednesday from duty at Camp Perry.

Quartermaster Corps

Quartermaster Corps Detachment

Our old friend and comrade Jesse O. Stringham was tired of civil life and its vicissitudes and has returned to our midst. He is now on duty at the Post Commissary and living with his family over near Fussell's dairy.

About the only other new addition to our flock is Jacob H. Garber from Fort Oglethorpe, who is working on the narrow gauge railway. Glad to have these boys with us.

Staff Sgt. Murphy and Sgt. Doll are about to depart for Philadelphia, where they will be students at the Quartermaster Corps School during the coming term. Best of luck to them and may they return next year with highest honors.

Technical Sergeant Watkins of the Motor Repair outfit is back on the job after spending the past year at school at Holabird.

"Bill" Caldwell was tired of painting and last week was discharge via the purchase route. Dollars to doughnuts he doesn't stay put in civil life very long but will soon burn leather looking for the old reliable blue flag of the Recruiting Service.

Staff Sgt. Street has received a commendation or the able manner in which he performed his duties while on the reception committee for student officers. And it is our belief that 'twas well deserved.

Captain Egbert J. Buckbee has arrived at this station from recruiting duty in Dallas, Texas, and is now in charge of the Post Commissary.

A. B. W.

Sergeant Kirchmer, coal baron of the Quartermaster Corps, has lately had a very self-important look glimmering in his eyes. Ye scribe hesitantly aproached him and inquired, "What's the matter, Sergeant? Somebody died and left you some money?" The Sergeant gave the insignificant scribe a once-over and said scorchingly, "Ah, so you deign to speak to me now? Yes, I've been much neglected this summer, but wait, oh wait, until winter comes! Even now, I can see with how much more respect I'm being treated than formerly. The advancing months will bring meeven more respect, and in January and February, why, I'll be sitting on top of the troops!" The honest scribe was speechless, as the Sergeant swaggered away, dignity radiating from his every movement.

Mrs. Blount ofthe Billeting Branch has recently moved up on Rose Hill and joined the select cotreie that includes such notables as Miss Ruby Kennon, the Tarnsportation Girl, and Miss Beatrice Davis, the Constructing Quarter-mistress, and Mr. Euell Binns, the Memorandum Receipt Mentor.

Mrs. Drane, Purchase Branch, cables us from New York that she has bought the Subway, and is negotiating for Brooklyn Bridge now. She'll arrive home the latter part of the week, to resume her strenuous financial matters at this end.

Mr. Dyke has returned to duty after a two weeks vacation in the foot hills of the Appalachians. He reports that Soddy is still in Tennessee and that it is—well, still **still**, if you know what we mean.

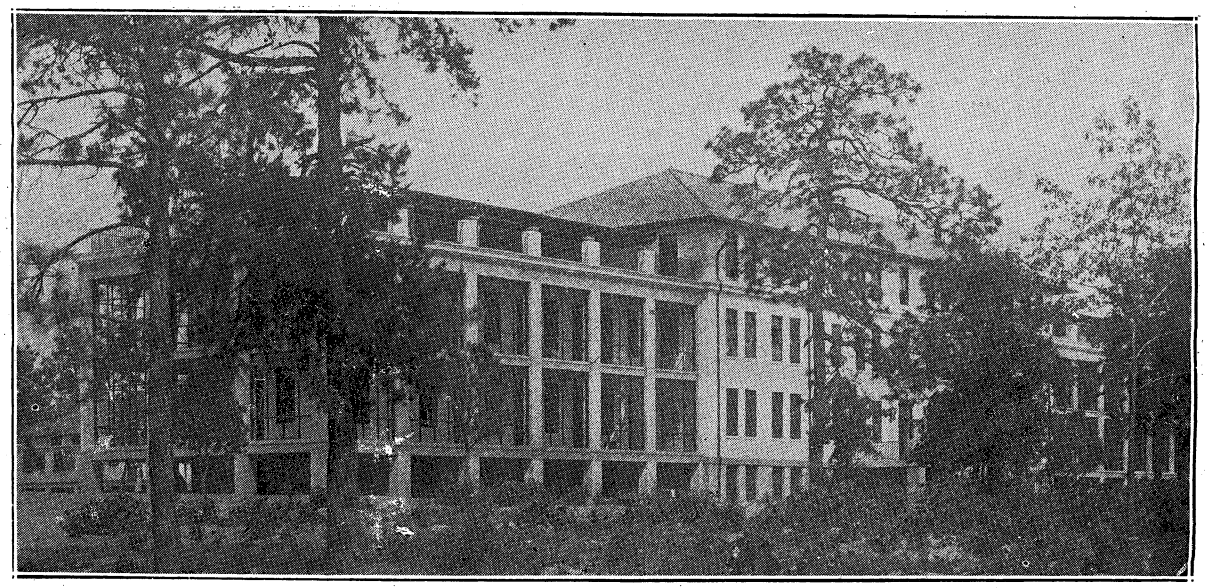
"I'm happy and all that, of course, old chap; still, I wish my wife wouldn't talk so much about her last husband."

"Forget it—mine's always talking about her next."—Tit Bits.

Alice:—What's on your mind?

Lip:—Thcughts.

Alice:—Treat them kindly, they are in a strange place.—Centre Colonel.



Main Hospital—Fort Benning

THE STEWGENT

(Continued from page 2.)

ber with rifle marksmanship in September.

All the married officers have to live in town, the bachelors on the post. It looks to me that in selecting Benning for a school site, the Automobile Association of America had its fingers in the pie. The post is only eight miles from twon. One of the pleasures enjoyed by the married officers is the privilege of wearing their blouses, belts and caps on this ride four times a day. Riding ten miles to work and back certainly helps the automobile, gas and oil business.

Biglerville where the bachelors live is an institution by itself which also must have been located with the advice of the automobile industry for anyone who hasn't a car may enjoy the benefits of walking over a mile from Biglerville, to the school buildings or buy a car. When they spend this five and a half million for new officer'squarters, I am going to recommend they make some effort to locate the bachelor quarters in the same state that the rest of the school building are in, and build a few sidewalks so we can keep a shine at least in getting from our quarters to a car. Speaking of being on our toes, next time I come back here I'm going to clean my own rifle instead of getting stuck $3 to have a little oil worked off the stock of two rifles and a pistol and then having to do it all myself after all. I hope some day to get that corporal in my company!

AND IT WAS DID

The Sunday evening Bible class had been enlarged to full strength and two of the latest recruits were discussing Bible topics.

"I think this yarn about feedin' five thousand people on five loaves o' bread an' two fish is all bunk," declared Bill.

"It can be did, buddy, it can be did," answered Henry.

'Aw, what's the matter with you? You goin' bugs on this Bible stuff?"

"Naw," replied Henry, "but I useta be a mess sergeant in Brest."

GENERAL COLLINS SPEAKS AT ROTARY LUNCH

Brigadier General Edgar T. Collins was the principal speaker at the Rotary Club Luncheon, Wednesday evening.

The Infantry School commandant stated that this year the enrollment in the Student Officers Class is slightly larger than last year.

There are now 253 students at the school, and a refresher class for colonels will open in October.

Turning to the aims and purpose of the Infantry School, General Collins said that the Officers and men at Benning are constantly conducting tests and experiments along all lines connected with the functioning of the Infantry arm of the service, and mentioned among the activities now going on, the protection of troops against aerial attacks, the development of motor transportation, the improvement in means of communication and the perfection of a gas mask which will be more durable than that now in use but will permit audible communication.

The General said these are only a few of the many things under constant study by the fort personnel.

He predicted that the garrison would be enlarged from time to time in the future, and that the Upatoic station will grow more and more important.

ARMY GRID HOPES HARD AT WORK

Sixty Candidates Training At Fort Screven Determined to Take President's Cup From Marines

SAVANNAH, Ga., Sept. 19.—Determined to wrest the president's cup from the all-marine eleven which has won the honor for two successive years, sixty men, drawn from all branches of the United States army, have been in training at Fort Screven here since August 24.

The torrid weather prohibiting workouts in regular gridiron togs, the soldiers have been practicing in bathing suits on the ocean beach. Major James A. Van Fleet, head coach of the army, has charge of the operations and believes he will offer the marines the toughest opposition ever when the two elevens clash at Washington on November 19.

While there are now three games on the all-army schedule, victory over the "Leathernecks in the annual service classic constitutes the sole ambition of the soldiers. To point for that contest they are undergoing the strictest kind of training, answering reveille at 6 A. M. and retiring at ten P. M. An inkling of what the marines will go up against is given in the information that the candidates average about 190 pounds. Ten of them played on last year's all-army squad and others have had service on other army elevens.

To fill in the gaps and provide more reserve material calls were sent to all sections of the country for likely candidates and the men in training came from Colorado, Nebraska, Minnesota, Massachusetts, Pennsylvania and many other states.

Although no warmup games have been scheduled, the coaches think they may meet two or three opponents before the initial real contest of the season when the soldiers go up against Western Reserve University of Maryland on November 11. Then comes the climax at Washington when, with President Coolidge and high officers of the army, navy and marines in the boxes, the soldiers and devil-dogs clash for the cup. December 3 will see the soldiers line up against the Parris Island marines in Philadelphia.

If the all-army team bests the marines this year it would have to climb over a twenty point advantage held by the leathernecks for two years. In 1925 the marines won 20 to 0 and last year they seized the cup by 27 to 7 victory.

Assisting Major Van Fleet in the training are Lieutenant P. E. Youmans, who is handling the backfield, Lieutenant Russell P. Reeder, line coach, Lieutenant Henry R. Baxter, and coach and Captain Mabbutt in charge of conditioning the candidates. Private Bob Hamilton is assisting Captain Mabbutt.

MUSIC AND FUN HARMONICA CONTESTS

To determine the Best Harmonica Players at Fort Benning Contests will conducted during the last week in September.

PRELIMINARY CONTESTS:

Sept. 28, 1927—29th Infantry, to be conducted under the direction of the Recreation Officer, 29th Infantry.

The three Best players will compete in the Final Contest at the Main Theatre Sept. 30.

Sept. 28, 1927—All Units (excepting the 24th Infantry and the 29th Infantry).

PLACE:—The Main Theatre
TIME:—7:50 P. M.

The five best players will compete in the Final Contest at the Main Theatre, Sept. 30.

FINAL CONTESTS:

Oct. 1, 1927—Children under the age of. 17 This will be a combination preliminary and final contest to be conducted by the Commander of the Boy Scouts.

PLACE:—The Main Theatre
TIME:—7:50 P. M.

Oct. 30, 1927—Final Contest (Adults).

PLACE:—The Main Theatre
TIME: 7:50 P. M.

Eight Contestants (Three from 29th Infantry, five from "Other Units.")

Rules for Contests held in Main Theatre:

Eight single reed instruments will be provided on stage.

Contestants may use their own Harmonicas or one of the eight instruments provided on the stage.

Only single reed Harmonicas will be used during preliminary contest.

Contestant may play any musical selection he desires.

Time Limit:—Five Minutes per contestant.

Names of those desiring to compete (excepting members of 24th and 29th Infantry) must be submitted to Main Theatre office before 12:00 noon, Sept. 24.

The 24th Infantry will conduct preliminary contests Sept. 26 and 27, and their final contest Sept. 29. These contests will be under the supervision of the Recreation Officer of the 24th Infantry.

These contests are sponsored by Juvenile Comedies (Motion Pictures).

The Hohner Harmonica Company is furnishing all Harmonicas and prizes.

PRIZES for Final Contest:

1st 1 Hohner Organet.

2nd 1 Hohner Tremolo Concert Harp.

3rd 1 Marine Band de Luxe Harp.

These are among the world's finest instruments.

In addition to the above prizes g[illegible] Harmonicas will be presented to each contestant.

Contestants for the finals will be admitted to the theatre Sept. 30, without charge.

"QUALITY" - - "SERVICE"

SPORTOPICS

By THE PIRATE

A guy by the name of Jimmie Wilde weighing 118 pounds, with a fight record weighing close to a ton, arrived in Columbus a few days past, and announced to the whole world that his reason for coming this way was for the purpose of mixing leather with one Red Keenan of Fort Benning.

Mr. Wilde has no further to go, all he has to do is name his poison; Keenan is ready, willing and rearing to go. This stranger may be Wilde now but if he doesn't watch his step he will be tame and timid after meeting our fighting Redhead.

MEMORYS

The Magpie showed four aces
The Chipmunk had the deal
The Pirate was all excited
The Emperor let out a squeal
The Creeper started creeping
For the Ape as Apes will do
Had called the raise with two pair
And in drawing made a full.

Why does everybody feel so sure that Dempsey is going to murder Tunney in their coming fight? Does it seem reasonable that Tunney has been just sitting idle for the past year and that Dempsey has been coming back by leaps and bounds, and that Jack will just finish him off in gig time. Don't fool yourself, Tunney is just as good if not a better man today than he was last year, and even though we will say Dempsey was not right, he had been looking as good as usual in training and no one had told the public before the fight that there was anything wrong with him. Somebody is going to get licked on the night of the 22nd. They say Dempsey's punches did not have the steam behind them when he met Tunney last year, but it seems that the announcer kept saying that Dempsey had plenty of steam but was missing, missing, thats it, Tunney was too fast last year, he made the big boy look like a novice, and all the steam in the world won't save Dempsey if he misses again as he did before.

BLUE TIDE RETURNS FROM TYBEE

RED KEENAN K. O.'s JIMMY WILDE IN FIRST ROUND

Popular Benning Boxer Shows Class; Last Week's Fights Were Great Success.

Two thousand fight fans saw Red Keenan, Fort Benning bantam knock out Jimmie Wilde of Atlanta in the first round of their scheduled ten round go at Gowdy Field, on the night of the 22nd.

They also saw several of the best three round bouts put on here this year, besides the returns from the Dempsey-Tunney go were announced from the ring between rounds. The main go was short and sweet, Wilde was willing to fight, and started the round off on the offensive, sticking a snappy left jab in the Redtops face at long range, but Jimmie had lots to learn, Keenan worked him into a corner and then bored in shooting both hands to the body, Red stuck a hard left to the stomach that almost doubled Wilde up, crossing the right to the chin, when Wilde waked up Red was dressed and already to go to town.

The best three round fight of the evening was between Bat Phillips, Infantry School Det. and Kid Colombo, 29th Infantry. Both boys started off like a whirlwind, each taking one to give one, the second round went the same way until Phillips caught the Kid on the button, Colombo was on his feet at eight with Phillips trying for the Kao., the bell probably saved the doughboy, the third round saw them at it again, the final bell saw both boys punch drunk and groggy, but still showing leather, Phillips won the decision, but both boys put up a great fight, and the fans are rearing to see them in action again. Baby Asher continued to knock 'em cold when he hit one Mr. Wadkins of Columbus so hard in the first round that he departed at the end of the round, no explanations were necessary.

Blondie Parker of the I. S. D. announces that he chooses one Chambers of Columbus for the next card, Chambers has won over Benning fighters on two occasions here, but Parker says that he happens to have his poison.

Battling J. D. has promised to have them primed for the next card, Harris and Williams have won every bout they have fought in here, Whiskers put the finishing touches to Young Bob Larson in his last fight here.

Rufus Miles of Columbus and cities further west, will probably meet Soldier Gorman of the Infantry School Det. at the next slugfest.

Pvt. Gormna has certainly picked himself some job when he challenged Rumblin Rufus for that boy can certainly sling leather, but Gorman is plenty fast, and we are all pulling for him to bring home the bacon.

A COMPLETE SCHEDULE FOR THE INFANTRY SCHOOL FOOTBALL TEAM

October 6th—Milligan College Team (Home)
October 21st—High Point College, N. C. (Home)
October 29th—Newberry College, S. C. (Home)
November 5th—Florida Reserve (Home)
November 11th—Western Maryland (Baltimore)
November 19th—Quantico Marines (Washington)
November 27th—Orange Athletic Club (Orange, N. J.)
December 3rd—Paris Island Marines (Philadelphia)
December 10th—Opposition to be selected.

ALL ARMY TEAM BACK AT BENNING; GREAT TEAM APPARENT

Major Van Fleet's Charges Return Here, Showing Marked Enthusiasm and Excellent Physical Condition.

The football material from which the Blue Tide, greatest of all army football machines is being made, has returned to Fort Benning after a month's workout at Tybee Beach.

The actual building is now underway, the builders are experts and the material is the best to be found in the U. S. Army.

Major Van Fleet head coach has charge of the building, and he is being assisted by Capt. Berry, Capt. Charles Mabbutt, Capt. Heilman, Lt. Yeomans, Lt. "Red" Reeder and Lt. Baxter.

At the present time the Blue Tide is divided in three separate parts, Capt. Berry and Capt. Mabbutt are building the line, Lt. Yeoman and Lt. Reeder have charge of the backfield while Lt. Baxter who was Captain of the 1926 Army team is developing the ends.

When these parts are finished and assembled and the finishing touches put on the Blue Tide will be ready to roll over all opposition, although the real rolling is going to take place in Washington, Nov. 19th.

As yet it is too early to remark on any individual player, but they all look mighty good, and the indications are that this will be a great year for the army football followers.

SCORE BOARD TO PORTRAY WORLD SERIES GAMES

Great American Classic Will Be Shown to Benningites at Gowdy Field

The World Series games will be shown to Fort Benning baseball enthusiasts this year in a bigger, better, and more realistic form than ever before. A new sheet-steel board has been constructed for the portrayal of the plays—one which will show the Gowdy Field spectators every bit of action in the big games except the playing of the Star Spangled Banner.

The score board, which will be manned by a selected group of baseball experts—some selected because they are tall enough to work the spotters in the outfield positions, others because they are short and compact enough to manipulate the bat, the 3rd base coacher, the inning markers, and the slide showing the number of outs, all without causing a traffic jam behind the scenes—was designed by Lieutenant Colonel P. S. Bond, Corps of Engineers, and built by the the Quartermaster Corps, the actual work being done by Mr. Lloyd Hodges, mechanic at the post roundhouse, Corporal Raymond Twigg, I. S. D., and Sgt. Otto Schulze. Corporal Twigg and Sgt. Schulze are now busy putting the finishing touches on the board—fencing and painting the field, constructing dugouts for the two teams, and attending to the thousand and one other details necessary to make a field fit for a World Series.

The first game will be played on the afternoon of October 5, telegraphic returns being received through a Signal Corps line on Gowdy Field, and translated into action by the board crew.

GENERAL COLLINS IN WASHINGTON TO ATTEND BOARD MEETING

Commandant, The Infantry School, Member of Classification Board.

Brigadier General Edgar T. Collins, The Commandant of The Infantry School is spending this week in the National Capital city to attend a meeting of a board of General Officers of which he is a member. Under the provisions of the National Defense Act a Board of General Officers is convened in September of each year for the purpose of classifying all Officers of the regular Army.

Brigadier General Edgar T. Collins, U. S. A., The Commandant, The Infantry School

General Collins is expected to return and resume command of the garrison of Fort Benning and the Infantry School on October first or second. During the absence of the Commandant, the Assistant Commandant, Colonel Frank S. Cocheau, Infantry, U. S. A., the Officer next senior in rank has been in command of the Garrison.

MISS DOZIER WILL OPEN SCHOOL OF THE DANCE

Miss Anna Dozier, who has recently returned from New York, where she has been busily engaged both socially and in study with the prominent masters of the dance; will open her school of the Dance at the American Legion Hall on Saturday afternoon, October first at four P. M. All of the children of Fort Benning and Columbus are invited to attend the opening of Miss Dozier's school.

Miss Dozier has received instruction from most of the prominent dancing masters in New York and foreign countries, she has been a pupil of Chalif, Vestoff, Serova, Mascagno, Duryea, Herman and De Muth.

Miss Dozier's solo dancing is the "Piece De resistence" and her interpretations have pleased many military and civilian audiences.

Classes will be conducted by this accomplished instructor at Fort Benning at the Officers Hop Room near Post Headquarters every Saturday morning.

* * *

RADIO FANS ARE URGED TO VOTE IN THE ATWATER KENT CONTEST

Columbus radio fans and music lovers are urged to listen in on WSB Monday and Tuesday evening and hear the Atwater-Kent state audition in Atlanta. The contest will be broadcast on the evenings of October 3rd and 4th from the Biltmore hotel, between 9 and 10 o'clock central standard time.

Columbus is very much interested in this contest as Miss Araminta Trulock, soprano, and Mr. Garnett Shackleford, bass, who were chosen to represent Columbus in the state audition, will sing. We will also be represented among the judges by Mrs. J. O. Methvin, who served as local chairman for the radio votes and the judges appointed by Mrs. Rambo.

* * *

MUSCOGEE CLUB DINNER DANCE SATURDAY EVENING

The Muscogee Club will give its regular bi-monthly dinner dance on Saturday evening.

Dinner will be served in the Grill at eight o'clock and dancing in the ball room will begin at nine.

These dances are always very popular with the dancing contingent of both Columbus and Fort Benning and as fall comes on they are proving even more so.

Those desiring reservations will please phone 706 before Friday at noon.

THEATERS

SEPT. 30, TO OCT. 7, INCL.

FRIDAY, SEPT. 30

"RICH BUT HONEST," featuring Nancy Nash, Clifford Holland, Jr., Farrell MacDonald and Ted McNamara in a story of youth, love and laughter. It is the romance o fa girl who had to make her choice between a flivver and a Rolls Royce. It possesses excitement, suspense and an unexpected ending.

"Curses."—Tuxedo Comedy.

SATURDAY, OCT. 1

"EYES OF THE TOTEM," featuring Wanda Hawley and Tom Santschi in a thrilling mystery drama. The tallest Totem Pole in the world was discovered in Alaska twenty-three years ago. It was brought to San Francisco and erected in the heart of the city—many of the scenes of this story were taken around this totem pole. Intrigue, murder, and love, characteristize this picture. It is an Alaskan story.

"Count Your Change."—Lloyd.

SUNDAY, OCT. 2

"FIREMAN SAVE MY CHILD,"

starring Wallace Beery and Raymond Hatton, the Katchenjammer Kids of the Silver Screen in seven reels of roaring, blazing, third alarm comedy which first takes a poke at hypocracy, then wins sympathy for the buddies and fanally closes with a super heated thrill of flame, smoke and water.

"Tru Thick And Thin."—Fables.

"Pathe News."

MONDAY, OCT. 3

"AFTER MIDNIGHT," starring Norma Shearer in a true-to-life most human drama of night life on Broadway. It portrays a young girl's struggle to combat life amid the tinsel and glitter of the night clubs and is an expose of what the night hides.

"Madame Dynamite."—Imperial Comedy.

TUESDAY, OCT. 4

"HEART OF THE YUKON," featuring John Bowers and Anne Conwall in an Alaskan drama of the famous gold rush days when thousands rushed to Alaska in search of the yellow metal and still more thousands followed to ply their trades as gamblers and theives. One man's fight for the girl he loves in this cruel hard country provides the theme for the picture.

"Crimson Flash No. 3."

WEDNESDAY, OCT. 5

"THE GINGHAM GIRL," starring Lois Wilson and George K. Arthur in this famous Broadway musical comedy. It is a fascinating comedy drama of a country girl who was caught in the vortex of New York's gaieties and a small town wise-cracked who finally learned his lesson in the Big City. This is a tale of life, laughter, love and merriment.

"Cotton King."—Hamilton Comedy.

THURSDAY, OCT. 6

"SERVICE FOR LADIES," starring

Adolphe Menjou in a combination of "The Grand Duchess and the waiter" and "a society celebrity." It is a romantic comedy of Parisian hotels and Swiss winter sports. A prince of head waiters falls in love with a princess of head twisters—Complications ensue.

You'll laugh at love and loe to laugh.

"Pathe News."

FRIDAY, OCT. 7

"THE COUNTRY DOCTOR," starring Rudolph Schildkraut in an epic story of an unsung hero, of daring, sacrifice, love, devotion, nad laughter. The country doctor, to whom professional duty was merely a matter of routine, gladly went forth on his perilous mission. His only reward was consciousness of a duty well performed. The plot is laid in the rural districts of New England.

"Slippery Feet."—Vernon Comedy.

ARMY ACROBATS

"Com-pa-nee atten-shun," bawled the drill sergeant to the awkward squad. "Com-pa-nee, lift up your left leg and hold it straight out in front of you."

By mistake one member held up his right leg which brought it out side by side with his neighbor's left leg.

"And who is the bloomin' galoot over there holding up both legs!" shouted the hard-boiled sergeant disgustedly.

He (singing)—When the sun has gone to rest, that's the time that I love best.

Entered as second class mail matter, April 12, 1924, at the post office at Fort Benning, Ga., under the act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in section 1103, act of October 3, 1917, authorized August 27, 1924.

ARE WE AS BAD AS ALL THAT?

Speaking to a group of senior officers at the War College a little while ago, Major General Charles P. Summerall, the army's distinguished chief of staff, told a despressing story. Discussing future warfare and the ability of the United States to come with it, General Summerall made this pointed remark:

"We have never fought a war with trained or equipped trooops and we shall never do so. It is inconsistent with our form of government and the psychology of our people to maintain adequate military preparedness. They would rather pay the price that has followed every war than spend a part of the amount in preserving peace."

Lamentably enough, this is a painfully accurate analysis. Made by an expert soldier speaking to an audience which neither needed nor wanted to have the facts glossed over, it takes on added significane. So indequate is the state of our national defense that one shudders to think of the consequences were we to face a well equipped land enemy single-handed. Even if the risk to our lives and the lievs of those we love is removed from the argument, a few simple facts clearly prove that our unpreparedness is economically unsound.

Our national wealth—and this phrase excludes credits and currency—for 1925, the latest available year, was $355,300,000,000 according to a report by the National Industrial Conference Board. The current appropriation for the War Department, including many non-military activities, such as river and harbor work, was about $120,000,000. Even adding in the appropriation for the navy, we find that the amount spent in insuring our wealth against aggression is only about .0140 per cent. of the total. If we maintain such a low rate of insurance when our most priceless possessions are at stake we have only ourselves to blame if war destroys and impoverishes us.

It seems impossible for our people to see the handwriting on the wall. This probably explains why General Summerall spoke in a resigned tone of our unpreparedness, evidently assuming that a people which had not learned the obvious lessons from the last war is deaf to reason and that only a painful recovery from an ignominious defeat could make us see the light.—New York Tribune.

Quartermaster Corps

Detachment Quartermaster Corps

Monday was circus day in Columbus and quite a few of the boys visited the animals and other rare attractions. All had an enjoyable time, but refused to believe Scope's theory after seeing the monkeys.

Vernon Thomas, messenger de-luxe, of the Quartermaster's office, has been promoted during the past week and no one ever deserved a promotion more than he. He has been smiling or the past two years and more with never a grumble. We hope to see him advance even further along the road before long.

Charles Dollar, one of the print shop Corporals, demands a recount in the Tunney-Dempsey battle. He has taken an involuntary stay-at-home pledge for the next two months. In the meantime Frank Kirksey goes merrily on his way with a smile. Better luck next time, Charley.

For some unaccountable reason, Mr. Bewley, Chief Clerk of the Quartermaster Corps, doesn't like the word "Auburn." He must have piked the loser last year in the Georgia-Auburn battle.

The "casino battle goes on and on and on, nightly in the lower squad room. At the present time Knoblock and Ford are leading but are closely pushed by Wiggins and Davis.

Phipps and Sims should turn their chairs, for they never use them. They are having a long distance bunk r- ance contest with both particip running neck and neck. We believ however, that Sims will gain a slig lead during the week next following pa day.

Ye Olde Printe Shoppe Gossipe

The summer Mailing List crop is about harvested and stored away in the Academic Department granaries. The fields will soon be cleared and we may then expect to devote the long winter months of the school year to cores—an endless stream of small jobs.

Santa Claus dropped in the other day and left us without a "nincteen dollar and a quarter" man in the shop.

Cpl. Manning figures that at his present rate of output (3,000 copies per day) he may finish the Daily Bulletin job before the Christmas holidays.

Subsequent to the completion of an animated building program that has to do with the rear end of the shop, the press has announced that Sir Charles Dollar has been designated Knight of the Bath.

Grandma Gossip, alias Tabloid Trout, has been eating out his heart, knawing his nails, pulling his ear in a desperate effort to stir up some sort of a scandal this past week. Somebody had better give him the occasion to talk, or he will surely burst.

All the labor, time and expense Mr. Smith has put out in giving his Ford "that school girl complexion" it now boasts is in a fair way of having been squandered in vain. Smith has contemplated sacrificing the proverbial fatted lamb on the altar of the Rain Gods praying they lend their aid and fill some of the chuck holes of the road between here and the Quartermaster's office.

Cpl. Harry Smith said something to the effect that being a Jew has its good points at time. As proof he points out the mid-week pass given him because of his affiliation with a certain ancient creed.

Job Number 132, perhaps a little better known to the laity as the new Telephone Directory, is getting well under way.

J. E. M.

I. S. D. NOTES

The Smoker given by the Infantry School Det. last Friday night was a huge success in every way, Major Bootz made a short but interesting talk, then the Detachmenteers sat down to a real Dutch lunch prepared by Staff Sgt. Bayliss and his kitchen force, after consuming great quantities of sandwiches and assisting it down with cold bottles of the nearest beer obtainable, every one lit a cigarette or cogar (there were plenty of each) and enjoyed an evening of wit and humor.

The music furnished by the Harris sisters was excellent and met with great approval, then the talented leather pushers of the outfit put on a couple of bouts that were full of action. Harry Manning and Al Durden put on a blackface act that was funny although they were both acting natural, Bond and Miller actors of real merit, kept the house in a roar for thirty minutes with their wise cracks and witty songs. A quartette from the 24th sang some old fashioned lullabys that were great, but when they sang the old original "Ham And Eggs" they brought down the house.

The 29th Infantry Orchestra furnished music for the occasion, and they were plenty good, the buck and wing dancing put on by two members of the 24th Infantry was t stuff and got a big round f applause.

A sleight of hand artist did his stuff with the cards and he was clever, he also ok a solid steel ring off of a erfectly good string, while two officers held the ends of the string, he was a good magician but a darn poor poet. Well here is hoping we have another moker before long.

1st Sergt. Glenn is back with the Detachment again after enjoying a nice long furlough down in Alabama.

Sergt. Glenn reports good fishing and an unusually nice crop of chickens this year he also arrived back in time to help enjoy the Smoker, and if appearances count for anything, he sure was enjoying himself.

Well Pvt. Boggs hocked the old family flat iron that he brought all the way from Bugleville, Arkansas, and bet the works on Tunney, Attaboy Boggs, be sure you are right then let 'er go.——

Private Adams wishes to announce that "EGGS" from now on means the same thing to him, that a red cloth means to a Spanish bull.

Tubby and Lonnie better known as the Katsanjammer Kids seem to have quite a bit of fun lately trying to figu e out what would be the proper article for Spud Murphy's birthday present, Sergt. Ezell solved the problem by suggesting a suit of Lindburgh pajamas, now what we want to know is when does Spuds birthday arrive.

What's this we hear about some Sergt. that got so mad with himself for betting on Dempsey, that he hauled of and smacked himself in the eye?

We would like to correct the following mistake, Pvt. Lonnie Crawford is not going to Italy, he never saw a spaghetti tree and he intends to spend Xmas at home down in Poplar Springs, Ga.

LECTURES TO RECRUITS

11:00 A. M.—Each Frdiay morning in The Recruit Center Recreation Hall given by the chaplains alternately.

AIR DEFENSE FOR PANAMA AND HIWAII

Representative James of Michigan, who handled most of the military legislation at the last congress, having nearly completed a long tour of inspection, reports that Panama and Hawaii need twice as many airplanes as are to be made available under present appropriation plans. He reports the need of enlarged landing fields and improved ground facilities. And he believes the $150,000,000,000 five year army air program should be revised and expended.

Mere layman's common sense should suggest that Congressman James' recommendations should be heeded. No two key points of our scheme of national defense are more vital than the Panama canal and Hawaii. Our whole naval policy is based on the integrity of the canal and the command of the eastern Pacific afforded by the Hawaiian islands. And both are potentially open to hositle attack, especially by aircraft. The Panama canal is isolated among foreign nations and surrounded by the possessions of first class European powers. Everything west of the Hawaiian islands except the Philippines, Guam, and the American Sameas is foreign.

The canal is particularly vulnerable since it is within easy air flight from a number of froeign bases, and since one fortunately placed projectile from a bombing plane might destroy a lock or cause a slide and thereby cripple the canal entirely for days or weeks.—Chicago Tribune.

May—So you told Charlie you loved him, after all?

Mary—Yes, I didn't want to, but he just squeezed it out of me."—Everybody's Weekly.

PARLEY VOUS?

The school teacher had suddenly recollected that the day was the anniversary of the birthday of Joan of Arc.

"I wonder," she wondered aloud, "if any of my little pupils can tell the name of the best loved girl in all France."

"Aw, dat's easy," snorted a small boy, whose father had been a private in the A. E. F. "Mademoiselle from Armentieres."

1121 Broad St. **Columbus, Ga.**

29TH INF.

1st Bn. Hq. Company

We have many humerous things but we have never seen anything quite as funny as:

Barnwell wearing Shaver's hat.

Shaver telling Black how far he would have been if Black hadn't have called him. (Answer—About four lengths of a half wit, Use Yourself as a measure.)

Romines trying to say, "fellows."

Tiny Rambole's proopsed Channel swim.

Evans knees saying, 'Let me by this time and I will let you by next time."

Cpl. Black eating mayonnaise.

"Captain" Kidd has a fine ear for music. The other day he was sitting in his tent humming and picking a tune in perfect rhythem. His pick stood well the strain of his syncopation. One could imagine the scene if he knew the words of Berlin's song hit "All Alone". Then came the climax, he stroked the touching chord. "Captain" went straight up in the air, his humming changed to a growl, his pick had stopped. As he came down he muttered,"*?"**—"Durn that tooth."

TERRY TORY.

Company "A"

Corp. Houchens has returned from his re-enlistment furlough and reports that he had an enjoyable time but is glad to get back ::home."

The "A" Company basket-ball team is shaping up well and will give the other teams a run for their money.

The "Demonstration Platoon" is working hard under the leadership of Lieut. Newman and is prepared to demonstrate conclusively why the 29th "leads the way."

POWELL.

Company "B"

Several men in the company have decided to develope their muscles and have gone out for Wednesday afternoon Athletics. Sgts. Bierman and Stark, and Cpls. Rogers and Boley are among this groupe, every Wednesday afternoon they may be seen developing their muscles on the Recreation room porch by playing Pinochle.

The company combat, and platoon are working very deligently. We hope they win the coveted Green target this year, and it should be an easy matter with the material, and instructors they have.

Our Basket ball team "Mopped" up with "C" company last Wednesday. Company "C" was so badly beaten that they quit after the first half. The score was something like 20 to 6.

Cook Deatherage is developing into a champion boxer, he intends to challenge Tunney soon.

Can you imagine this:

Cpl. Skipper with a handsome, smiling face.

Sgt. Humphrey using profane language.

Pvt. Lockhart spending a Dollar.

Sgt. McFadden staying in camp one night during the month.

BOLEY.

Company "C"

Corp. Stanley Billiter, otherwise known as Boc How, was discharged the 26th. It took a long time to complete that hitch but he finally got it in.

Jesse H. Griffin is another one of the recruits the 22nd is sending to the 29th. He came to this company from Co. "C' of the 2nd.

Corp. Mitcham has returned from furlough.

Our fighting doughboy W. B. Smith and N. A. Walters have returned from Tybee. They both seem to be in excellent condition.

JOHN L. BIGGERSTAFF.

Company "D"

Wonder how each corporal in the company liked his job of unloading 17 belts of amunition by hand. Pretty soft, at that. Only 4,250 rounds each.

Clyde B. Anderson, has returned to the organization for 3 more years. His return was speeded by the fact that Dempsey lost to Tunney. Clyde says he was betting on Dempsey, and would split with Tuney if he lost. He was betting ten dolars.

Speaking of the Dempsey-Tuney affray, Sgt. Vines, called out at diner next day, for the Dempsey fans only to come in for chow. When asked if Tuneny Fans could also eat, he replied that they had won enough to buy their chow. Sgt. Vines, eat in town that night.

The reported for the Columbus, Enquirer-Sun said that "Kennedy, of Co. 'D" 29th Infantry surprised the spectators by winning from Battling Sam." Beg your pardon, but all "D" Company knew the outcome of that fight before it was put on, Kennedy is an exceptional fighter, fast, clever with his mitts, and has plenty of (Nerve).

We have great confidence on him and expect to see him among the leading light of boxing in a short while.

Prizes for high-score in Machine Gun Marksmanship were awarded to the following men: Pfc. Skelton, High score in Company "A", Walton watch. Pfc. Simmons, Second High score in Co. Walthan watch; Cpl. Kinney, Third High score in Co. a set of Military Hair Brushes; Pfc. Casey Highest score recruit, Prize: Elgin watch; Cpl. Clapton, Highest Squad average, Elgin watch; Cpl. Whitaker, second high Squad average, Elgin watch.

Well I guess there will be plenty of time in the company now, don't you think?

JACK CARMEN.

Company "E"

Quite a few of the boys are not feeling so well from the effects of the Dempsey fight. Everybody was betting on Dempsey. We have lost one of our good all-round athlete Corp., Oikari last week by the discharge route.

Sgt. "Fat" Franz is back from Tybee

Island from traning with the Infantry Football squad and is looking like he could knock a brick wall over. Corp. J. Borders is getting to be very classy these days, drives Chryslers, turns them over, pays for them and then tries it all over again. I guess he will have to lay off for another three years—his re-enlistment bonus is shot. Sgt. Johnson our new supply sergeant has for-saken his comrade Corporals on the mess table and taken his place beside the Top Kick High Davis, since he acquired his three balloon stripes. Sgt. Johnson I hope this does not effect your official dignity for we know you —I Can't Help it.

I. M. Y.

Company "F"

The peaceful quiet of our company street was rudely disturbed last Sunday by the clattreing of an ancient car and low and behold the occupant of this rambling wreck was no other than our Tennessee friend Cpl. Ernest Costello, who having eaten so much was given this vehicle and told to return to the everwelcoming arms of his Uncle who was the only one able to keep him in proper victuals. There are some that return from furlough thin—but not this man, verily he has put on weight so that he has become a rival to "Tuba."

This company has had the misfortune to lose First Sergeant, Wiliam C. Reddy, who having long administrated to this vageries of this excellent company was called from us to assume more useful duties and receive the well earned reward of a good soldier—the highest honor that can be placed upon an enlisted man——congratulations from your old outfit, Master Sergeant Reddy.

His place has been ably taken by, now First Sergeant Williams, who has been selected for this important duty.

This organization's Company Football Team is coming along in fine shape and we are now looking for games—to be played Sunday. Any one interested give us a call.

O. W. NELSON.

Company "H"

Corporal Dewey Davis has acquired another of Henry's famous chariots in the form of a cut down Lizzie. He has named her "Sal." We wonder for whom the pile of junk was chirstened? Now the boys go around singing a new ballad:

Davis had some money.
It didn't go very far.
He spent it on his honey,
And a Lousey old Ford Car.—(Murphy.)

Corporal Thurman G. Meadows is having a hard time with his "Carburator." It seems that he has to look all over the Parade Ground to locate him whenever he wants him. "Carburator" says that Corporal Pieters reminds him of a Chevrolet, which means, literally speaking, in French, "little goat."

I take this opportunity to corerct the error of last week, in whcih I stated that First Sergeant Craine's red socks were "Joe Gillman Specials." The line should have read "Sears-Roebuck's Exceptional Bargain Introducer."

Sergeant Cody has been giving this department of the Company quite a bit of trouble, due, I suppose, to the fact that he has not been mentioned in these columns for the past few months. If he dosen't do something out of the ordinary, he will have to wait a long time before he gets in again. I think that he is peeved because we failed to mention the fact that he bought a new Essex a few months back. Let's hope that he will do something in the near futrure that will be more worthy of mention in these sacred columns.

Corporal Ryan and Private O'Brien are going to Atlantic City in the near future to attend the beauty contests. No they are not going as spectators, They are going as entrants.

The New Gent

Things have been moving! A few days after the opening exercises and Col. Cocheau's remark about "no tricks" (twenty minutes after which they sprang 'stack arms" on us and threw two companies into a deuce of a jam) the Columbus Chamber of Commerce gave areception for the student officers and wives, that is, for those who have wives. I had suffered so much during those three days at 106 in the shade (according to the thermometer at the ice plant) that I decided to go. When I got there, I was surprised at the small number present, especially with that fine lot of punch and sandwiches. My surprise didn't last long for, shortly afterward, was tipped off that "refreshments" were being served on the third floor. When I got there, it looked like a reunion before the Army-Navy game. Everybody and his wife was there. No wonder everyone spent three minutes on the first floor and the rest of the three hours above! Except for the fact that I got so hot the color of the lining of my blouse melted onto a new white shirt, it was a nice day.

I see where I've got to become a politician and a handshaker if I'm to amount to angthing here. One of my friends, who occupies considerably more than the regulation 22 inches in the front rank of Company "B", put out a general invitation to a "tea" at his home one Wednesday afternoon, presumably to celebrate an addition to the family. I suspected some sculduggery afoot in this general invitation to both companies. It came out this week when this bird got himself elected representative on the board for the Officer's Club. Even if he doesn't carry much influence, he will cary lot of weight into those gatherings. Personally I think it's a shame some bachelor wasn't given the job. How can a lot of married men keep that army of women employes at the club offices busy? Incidentally, I think it's going kinda strong or this Lieutenant to make the wife help further his political ambitions.

I enjoyed a good one this week! About the time we were sweltering in the heat with rifle marksmanship at 106 in the shade and the sandburs, with a lot of gristly sand thrown in for added pleasure, and everyone of us was wondering whether he'd survive the day or be next for a ride to the hospital, one of Captain Stewart's young proteges got himself quoted in the Columbus papers saying, "I never felt better in my life. You may tell the public they may expect the best." We all wanted to choke him or call him doggone pervaricator. Well, I had to laugh when I saw this same bird carrying the "bolo" in Company "C" after making 29 at 200 standing. I concluded he either was misquoted, was a little previous or had once engaged in athletics in Spain. Verily, I had to laugh!

Now that the class has elected a lot of useless officers, I think it might justify its existence b ydoing something constructive. It oocurred to me that it would be nice thing to make that little fellow, who daily gives us the salute as our "dinky" passes his home, class mascot. The boy reserves recognition!

Going back to that bird who 'never felt better in his life," I wonder what Capt. Venable thinks of the Company "C" expert who got ten straight misses at 500 yards finally to wake up with a 300 yard elevation.

Colonel Cocheau told us they were constantly watching for instructor material. I don't think I'm interested! I had an experience the other night when I took a girl to the Country Club dance that cured me. I never got a whole dance or even half a dance with her. Every time I'd get going, some stag would cut in. When I came in after the intermission. I hadn't gone ten steps and the same thing happened. In fact, it kept on happening. I don't think I danced twenty minutes with her all evening! Every time I'd start, someone would cut in. This got more than funny so I started a little G-2 work of my own. I discovered most of the stags were officers of the 29th. I concluded that either there weren't any girls worth taking to a dance or, if there were, they didn't know them. If that's the situation here as regards "permanent personnel," I don't want to be kept here after June. Or is it, that it's near the end of the month?

Why date and transport a girl to a dance, buy her refreshments during the dance and supper afterwards, take her home and then travel ten miles back to camp if you can't get even half a dance with her all evening? It seems to me that this obnoxious situation could be met by restricting all cut-ins until after the first encore so that those of us who bring girls might see them occasionally. Some of these fellows even cut in during the last dance, which is a new one on me. The same thing occurred at the hop Friday at the Polo Club. We had a rule of "bring your own" at affairs in the last regiment I was in. Something of the sort might help make dances more enjoyable for some of us here.

Capt. Venable told us before he dismissed us Saturday morning," "Watch your conduct over the week-end." I think he meant to say, "Watch the 29th over the week-end."
