OCS PIE

{Sung to American Pie, Radio version}

Just 14 weeks ago
I can still remember the prep days with a smile
And I knew if I had my chance
That I could get that pay advance
And maybe get saluted once and awhile

But the Tac's they made us shiver
With every edict they'd deliver
P.T.'d on our doorstep
We couldn't take one more step

I can't remember if I cried when the 1SG stood outside
He pulled us together and then he sighed
I can't believe you Guys.

{Refrain}

You guy's are frickin' killin' me
You can't get together
And you can't PT
What's the Army trying to do to me?
By sending me you guys
By sending me you guys

Did you get the OSCSOP change?
And how many times must we
Rearrange the rooms ooohhh
Can you tell me which socks to roll?
And the T-shirts where to fold
And just where does it go oh

Well you know that we ran all day
And the showers seemed weeks away
We polished up our shoes
Did you remember to pay your dues?

The static displays were a bust
And the BC said not to cuss
I knew we were out of luck
When 1SG stood outside
He was screamin'

{Refrain}

Now for the few days we've been on our own
Ever since Capstone
But that's not how it be
When the Tac's came in sight
And smoked us on Saturday nights
And the sweat flowed from you and me

Oh and while the Tac's weren't around
The candidates messed around
The classes were adjourned
Cause sleeping had returned
We collected the cards of Park
Listened to drum beats as we marched
And sang our motto in the dark
Still 1SG sighed
He was screaming
{Refrain}

Commissioning coming our way
Finally got orders today
I guess it's time to go
I went down to the OCS store
To get T-shirts, glasses and bunches more
But it was closed so I turned away

Across the street Alpha Tac's screamed
The BOC's cried, and we just dreamed
Not a word was spoken
The Bravo bell was stolen
Some of the Tac's we admired most
Left for Charlie and now we boast
They're still here and we are ghosts
Commissioning has arrived

And top was still saying
{Refrain twice}
